**REFORM MEETING.**—The members of the Centre Wellington Reform Association, and other friends of the party, are reminded of the meeting to be held in the Fireman's Hall, Fergus, on Thursday, 15th inst, at 2 p.m. Business of importance will be brought forward, and a full attendance of the delegates who nominated Mr. McKim, is urgently requested.

**DEATH OF DR. H. STRANGE.**—We record with regret the death of Dr. Henry Strange, which took place at Toronto on Thursday. It will be remembered that Dr. Strange got hurt in the face more than a year ago with a cricket ball, while playing cricket at Hamilton. The injury turned out to be a serious character, resulting as it did in necrosis of the bones of the face. He took the advice of the most eminent medical men, and went to Toronto Hospital, to be near the skilful physicians attending there. Nothing that they could do, however, was of much benefit, and during the summer he kept gradually getting weaker, until at last, after enduring much suffering, death came to his relief. Dr. Strange was the son of Henry Strange, Esq., of Rockwood, and was well known in Guelph, having studied for some time with the late Dr. Parker. After taking his degrees he commenced practice in Hamilton, where a career of good promise was before him. He was endowed with an active mind, took much interest in public affairs, and gave promise, with experience, of being a very skilful and successful physician. He died at the comparatively early age of thirty-three years.

Rev. Mr. Wait, at a recent meeting of the Baptist Society of Chicago, protested against an improper paragraph in the Tribune, wherein it was stated in substance "that the practice of pastoral visiting of ladies at their homes should be much restricted, in view of recent clerical and social developments." He for one considered it an insult to the cloth, and would say that during 40 years of active pastoral work, he had yet to experience the temptation of one single immoral thought. He entered this protest in the slender hope that the publication in question might perhaps be moved to retract such a gross impropriety.

**A SAVAGE MONKEY.**—On Friday, in one of the shows outside the fair ground at Hamilton, a monkey caught a boy by the hand and bit his thumb completely off. The savage brute after having done this sprang to the top of the tent, and ate the piecemeal bit of the tent, and the boy's name was Westaway.

A full supply of oysters received daily at Hodgson's grocery and provision store. Try them.

We learn that at a Congregational meeting of St. Andrew's Church, Galt, held last Sunday after morning service, Rev. William Masson, of Russelltown, Que., was by a unanimous vote chosen to be their minister, in the room of the Rev. Mr. Muir.

The Presbytery of Montreal, in connection with the Canada Presbyterian Church, on Thursday ratified the Remit of Union which had been unanimously adopted by the sessions and congregations within its bounds.

**FIRE.**—On Tuesday night of last week, a fire broke out in the stove factory at Moorefield, owned by Brown & Eggleston. Fortunately there was a good supply of water at hand, and there being a social held in the village, those attending it rendered such assistance that the fire was subdued.

**PAYSON'S INDELIBLE INK** is indelible still; it is plainly written on the minds of the public; after forty years' test it still holds its own and is the only reliable and standard marking ink in existence. It is used with a common pen for marking linen, silk and cotton, and will not wash out.

### Guelph Evening Mercury

SATURDAY EV'G, OCT. 10, 1874

#### Local and Other Items.

**HARRISTON FAIR.**—The regular monthly fair held here on the 2nd inst., was very largely attended. It was estimated that there were upwards of 500 head of cattle on the ground. Prices were very low, and there were not many cattle changed hands. \$18 to \$20 were the prices for milk cows.

**NOR SO.**—The *Harrison Tribune*, in quoting the paragraph from the *Hamilton Times* in reference to the recent theft of a horse from a livery stable keeper named Vrooman in that village, denies that any such man as Vrooman keeps a livery stable in Harrison, nor has there been a horse stolen from a livery there.

**NEW STEEL RAILS.**—The Galt Branch Railway is now nearly re-laid with new steel rails, and in a short time it is expected that the work will be completed to Galt station. The new rails are a trifle lighter than the old iron ones, but their lasting properties are much greater. It is not likely that the steel rails will be laid any further on the line than Galt the present season.—*Reporter.*

**FAREWELL PRESENTATION.**—Mr. Angus Polson, of Galt, having decided to remove to California for the benefit of Mrs. Polson's health, was presented by his class in Knox Church S. S. with a handsome quarto album, containing the photographs of the present class, fifteen in number. A suitable inscription engraved on the silver plate was neatly inserted in the cover of the album.

**A SWINDLE.**—One of our exchanges tells of a mean butter trick done by a farmer on a storekeeper. The former sold two rolls of nice looking dairy butter to the latter, obtaining the full market price for them. Some time after the man was gone one of the rolls was cut in two, when it was discovered that the dairy butter consisted of merely a thin outer crust of about a quarter of an inch, the balance of the roll being a miscellaneous collection of offensive grease. Each roll weighed about eight pounds, and fully seven pounds of each of them was filthy rubbish. A man who would perpetrate an outrage like that ought to be severely punished. An example of one or two of such reprobates would have a wholesome effect.

**GREAT SALE OF THOROUGHBRED STOCK.**—The sixth annual auction sale of the Hon. George Brown's thoroughbred short horns takes place at Bow Park farm, three miles from Brantford, on Tuesday the 13th inst., commencing at twelve o'clock, noon. This presents a splendid opportunity for farmers to procure a superior class of animals at reasonable prices. Mr. Brown has published an extended catalogue, containing the pedigree of the animals to be sold, which we shall be happy to show any of our readers. The Grand Trunk and Great Western Railways will carry passengers attending this sale from any station on their lines for one fare, and carriages will be in attendance at the Brantford railway stations to convey purchasers to and from Bow Park. Mr. G. T. Strickland of Galt will act as auctioneer.

#### Special Notices.

**CALISAYA, THE BEST VARIETY** of Cinchona or Peruvian Bark, first came into general use on account of a remarkable cure performed by it on the Countess del Cinchon, at Lima, who, after her recovery, distributed a large quantity of it to the Jesuits, in whose hands it acquired a great reputation, that charitable prelate, Cardinal de Lugo, having purchased it at a great expense for the benefit of the religious poor at Rome. It is combined with aromatics in a delicious cordial in Dr. Wheeler's Compound Elixir of Phosphates and Calisaya, a remedy of extraordinary efficacy in restoring constitutional vigor, and repairing the worn out frame, whether used up by mental worry, over-work, excessive habits, or debilitated by prostrating diseases.

"DOWN WITH HIGH PRICES."

Twenty-one years ago I commenced a War of Extermination against long prices and long profits—and I succeeded; but, alas, on my retirement from the Mercantile business four years ago, again the thirst for long prices and long profits began to show Signs of Life, and has continued up to this present time.

But, lo! what a Commotion there is now in the Camp of long prices and long profits, and well may there be that Commotion, because the WONDERFUL JOHN HOGG is up and at it again.

CLEAR THE TRACK!—Look at the immense throng about his Store. The Public appreciate an ENTERPRISING man and support him.

Call at once at the New Store, Upper Wyndham Street, Guelph. Ask for John Hogg himself, as many who would like to be John Hogg do not hesitate to deceive strangers enquiring for that Wonderful Man.

BY TELEGRAPH TO THE MERCURY  
The QUEEN—an Arbitrator.

The Schleswig Question.

Bismarck as a Peacemaker.

Base Ball Felo de Se.

Billiards—French vs. English.

On the Stump.

Americans against the Treaty.

London, Oct. 10.—The Times has advice from Vienna that the idea of referring the Schleswig question to the arbitration of the Queen of England is gaining hold of the diplomatic mind. It is stated that the Danish Government are favourable to such a course, which is thought to offer a feasible method for solution. Roumania and Serbia have adopted a pacific attitude towards Turkey, in consequence of the representations of Bismarck and Andrassy.

Florence, Oct. 9.—Several copies of Socialist proclamations and some Orsini bombs have been seized in the house of an Internationalist here.

Cairo, Oct. 9.—The water in the river Nile is falling, and the danger of inundation is over.

New York, Oct. 10.—Peter O'Brien, a noted professional base ball player, committed suicide last night by shooting himself through the heart with a gun.

A match game of billiards, French game, four hundred points up, was played at Irving Hall last night between William Cook, the Champion of England, and E. P. Rudolphe, the great French expert. The game was played on an English six pocket table, according to the American rules. Betting was in favor of Rudolphe. The score at the end of the 126th innings showed 188 to 271 in favor of Rudolphe. He steadily kept lead, and in the 172nd innings made a run of 22. Cook during this portion of the game played very poorly, missing many very easy shots. In the 204th inning Rudolphe won the game amid the wildest excitement, Cook being 274. Time of game—4 hours and 55 minutes.

Buffalo, Oct. 10.—The Hon. Mr. Blain, Speaker of the House of Representatives, and the Hon. Mr. Bass, Congressional Representative from this District, addressed a large Republican mass meeting in this City. Both speakers strongly opposed the adoption of the proposed Reciprocity Treaty with Canada.

Rio Janeiro, Oct. 9.—A general battle between government troops and insurgents is imminent at Buenos Ayres, though hopes are increasing that a reconciliation will be effected.

BREAKFAST.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoas, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills.—Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled—"James Epps & Co.," Homoeopathic Chemists, London."—1/6-9m

SINGULAR ACCIDENT.—The other day as a cow was being driven along the road near Preston by a rope round her horns, she made a bolt off the road into the ditch. The parties were endeavoring to drive her again on to the road, when a carriage containing Wm. Dickson, Esq., and driven by Mr. John Vanston, approached the spot on its way to Galt. When nearly opposite the cow, she suddenly made a rush for the road, and when about the centre, being checked by the rope in the hands of the driver, threw herself on the ground directly beneath the horse's feet. The horse at once made a spring, upsetting the carriage over the prostrate animal, and throwing the occupants violently to the ground. No personal injury was sustained; and Mr. Vanston keeping firm hold of the reins, the horse was at once stopped. The carriage was damaged to a considerable extent.

FAYON'S Indelible Ink and Crystal Marking Pen combined, and enclosed in a neat polished wood case, is the latest novelty. The case is convenient, portable, always ready for use, and completely protects the pen and ink from loss or injury, can be kept in the work basket and is always ready.

Glines' Patent

SLATE ROOFING PAINT!

AGENTS WANTED IN EVERY TOWN.

A Roof may be covered with a very cheap shingle, and by application of this slat may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slat, for ONE THIRD THE COST OF RE-SHINGLING. The expense of slating new shingles is only about the cost of simply laying them.

The Paint is Fire-Proof

against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the Same Tariff as for Slated Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS NOR SCALES. For Fences it is particularly adapted, as it will not corrode in the most exposed places. Roofs covered with Tar Sheathing Felt can be made water-tight at a small expense. The Slate Paint is

EXTREMELY CHEAP!

Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is used in this Composition, therefore, it does not effect the water from the roof, if turned off from the easter before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years. Curled or Warped Shingles it brings to their place and keeps them there. It fills up all holes in tin or felt roofs, and STOPS THE LEAKS. The color of the slate when first applied is dark purple, changing in about a month to a light uniform slate colour, and is, to all intents and purposes, SLATE. The Paint has a very Heavy Body, but is easily put on, and, although a slow dryer, rain will not affect it in the least one hour after applying.

ROOFS EXAMINED. ESTIMATES GIVEN.

And when required will be Thoroughly Repaired.

Orders Respectfully Solicited.
