### MAIL ORDERS

We solicit out of Town orders, which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

## SOME DOINGS AT THE BALL FIELD

Two Good Games Brought off This Week.—Mechanics Make Good Draw.

### THE SCORES.

On Monday evening a schedule game was pulled off at the bawl yard, when Victorias and Mechanics battled for the percentage of the gate receipts. This encounter was one of the old fashioned kind (i.e. the kind that mother used to make) lasting seven innings, and was viewed by a vast audience, including the worthy president, some city fathers, present and retired railroad magnates and a few suffragettes, who were not concerned about votes for women so long as it didn't rain. Since the last engagement between these two teams enumerated by our special staff correspondent in these columns regardless of expense, the Vics, no doubt had held a "pow-wow" (i.e. council of war) for Shaddick had no terrors for them this time and was touched for eight runs. Though several nice hits were obtained all the way through, no scoring occurred till the fourth when Stewart got to first on a safe one. Stealing second and third he came home on Mowat's hit and Ollie was stranded there when Matthews fanned. During the innings the worthy Deputy Mayor nearly covered himself with glory when he started after a foul tip, which found its way to the stand but as usual, was just a little late in getting there. Duncan spoiled the Mechanics of a chance when he made a splendid one landed catch of Lloyd's fly, taking it on the run, at which performance there were loud cheers from the suffragettes and grandstanders. Pond came romping home in the sixth with number two for the Vics and never turned a hair, while Mowat put the game, it was thought on ice, by walking away with number three in the seventh. The Machine boys had a whole lot up their sleeve however, and by bunting their hits in their half of the seventh, scored three runs, tying the game.

### Score by Innings

	1	2	3	4	5	6	7	Total
Victorias	0	0	1	0	1	1	3	3
Mechanics	0	0	0	0	0	3	3	3

	AB	R	H	PO	A	E
Victorias						
Delaney SS	3	0	0	1	0	0
Miller 2B	3	1	2	0	0	1

Floyd 3B	3	0	0	2	0	0

28 3 6 21 8 2  
Struck out by Love 11, by Shaddick 9. Left on bases Victorias 3, Mechanics 4. Umpire, Fred J. McKee.

On Wednesday evening a postponed game was played by the I. C.R. and Mechanics. Weather conditions were not favorable and the game was not up to its usual capacity, many of the fair fans and suffragettes being absent from their accustomed places.

I.C.R. batted first. Lavoie second man up had a two base hit and stole third, but was out stealing home. Patterson led off for Mechanics with a two bagger, got to third on error, by Lavoie and came home on Walls infield hit. Floyd had his lip cut by a rising ball and Cady finished the innings.

In the second stanza, Boudreau got a free ticket. Woods got a safe one for two sacks both later coming over the pan. For the Mechanics, Shaddick scored on passed ball by Mercereau with Lavoie pitching. Lloyd after a two base hit was out stealing home. Ahearn also out pinching the

## TOWN COUNCIL HAS LENGTHY SEDERUNT TUESDAY NIGHT

Grave Matters of Importance are Discussed—Assessment is Held over Until Next Meeting—S. W. Dimock Makes Offer to Council, Which is Accepted.

### MORE LEGAL ACTIONS CONFRONT THE TOWN

The Town Council met on Tuesday evening in the council chambers. His Worship Mayor Andrew presiding. There were present Councillors Alexander, Pinault, Ellsworth, Quinn and Ferguson.

Minutes of previous meeting were read and confirmed.

Communication read from secretary of Board of Trade, calling the council's attention to the reckless speeding of automobiles, and asking them to instruct their officers to enforce the law.

Councillor Lunam entered the meeting at this time.

Councillor Alexander said that the power to enforce the laws regarding autos was laid down by statute, and he couldn't see that the council had anything to do with it. Councillor Ellsworth remarked that something should be done to stop the reckless speeding. He had seen autos going along Gerard St. at 35 miles an hour. Councillor Pinault, "How many miles?" "Thirty five" was the reply of Ward III representative. It was suggested to refer the matter to the Police and License Committee, and Councillor Lunam wanted to know what were the committee's powers with regard to this, but no one seemed able to give the information. After discussion the letter was referred to the committee to report.

Communication read from Mr. S. Laughlin, secretary of School Trustees, requesting council to assess for school purposes the sum of \$6800, in accordance with the statutes. Communication laid on table, to be dealt with when assessments were arranged.

Communication from W. J. O'Leary and Co., with drawing offer of deed of street. Letter filed.

Councillor White then entered the meeting.

Communication read from Supt. Price enclosing deed and plan of property on the rock cut for the fire alarm tower. Referred to Fire Protection Committee.

Communication from Wm. Jackson, resigning his position as plumbing inspector. Accepted and letter filed.

Communication read from pres. of New Brunswick Municipalities Union, enclosing account for membership fee of \$10. Bill ordered paid and letter filed.

Two letters were read from Mr. H. A. Powell relative to license fee cases against Mr. S. W. Dimock, suggesting that the matter be made a test case in the Supreme Court and so save expensive litigation.

Councillor White stated that Mr. Dimock had a proposition to place before the council and moved that the letters lay on the table. Carried.

Letter read from Chief of Police Hughes asking permission to attend a conference of chief police officers at Halifax on 25, 26 and 27th June, and asking that a grant be made to cover expenses.

Councillor Lunam explained that the chief would take no further holidays this year, this request were granted and was anxious to attend the conference to meet the police heads of other towns in the maritime provinces, as it would facilitate business between the various police officers when they were personally known to each other.

The matter was latterly left in the hands of the Police and License committee with power to act.

Communication received from Deputy Provincial Treasurer enclosing cheque for \$1118.70 being balance of the town's fines collected from liquor license contraventions. The total amount of fines collected since the time of the fire up to April 30th, 1913, was \$5329.25, the towns proportion of this being \$3552.83. Against this sum appears the following expenditures viz—April 30th 1913:

C. W. Hughes, salary \$ 300.00  
Wm. Murray, law fees 1297.39

A. E. G. McKenzie law fees	70.00
C. W. Hughes, expenses	37.05
C. W. Hughes, constable	6.75
	\$2001.19

which leaves a balance, deducting the province's share of \$2218.70. In March a part payment was made to the town of \$1100.00, and the cheque for the balance at this time closes the account. The communication from the Treasurer was placed on file.

Various petitions for licenses and one from the residents of the West end; for side-walks were referred to their several committees.

On motion the reports of standing committees recommending payment of accounts, were received and adopted: viz—Councillor Quinn, Public Charities, \$39.73; Ferguson, Fire, \$41.74; Lunam, Police and License, \$23.70; Pinault, Public Property and Streets, \$25.45; Alexander, Water and Sewerage, \$299.53; White, Electric Light, \$426.45; Alexander, Finance, \$8.40.

Councillor Pinault brought up the matter of a rebate in electric light charges to Mr. G. A. Binet, manager of the Campbellton and Gaspe S. S. Co. It appears that the company were not charged for light in 1911, and they were under the impression that the lights on the outside of the shed were supplied by the town for lighting the wharf. Inasmuch as the lights were all on the one meter and there was no way of cutting off the outside lights, the last bill for electric light was paid under protest.

Councillor Alexander in reply said that in the absence of Councillor Stewart last fall, he had made a verbal report on this matter, but did not know if any communication had been sent to Mr. Binet. The manager, Mr. Farrar stated that there was a separate switch for the outside lights, and if they were not wanted, could be turned off. In the end it was resolved to notify Mr. Binet that no rebate could be given.

Councillor Ferguson asked that further time be given with regard to report of committee of investment re the matter of Taylor and the fire hose.

Councillor Pinault did not see there was any use in giving extension of time. He admitted Taylor was at fault, but did not see how the council could make him pay for the mistake, as other officials had made mistakes and nothing had been done. In any case he did not desire to be on the committee, coming in touch with Mr. Taylor as he did in his capacity as Street Commissioner. Councillor Ferguson said that the matter should not be dropped now, and at the least the street commissioner should be severely censured. If nothing were done now and the matter simply let slide, Mr. Taylor would have the opinion he could do just as he liked, (a voice, he does that now). After further remarks the committee were given an extension of time to report.

A communication was read from the manager of the water works system asking authority to proceed against certain persons who were tapping the water mains and using water illegally.

Quite a discussion was occasioned by this letter, several of the councillors wanting to know who the parties were before giving blanket authority to the committee to go ahead. Councillor Alexander stood to his position that, no statement as to names could be made which might prejudice the case.

In the end the committee were given power to act.

The Water and Sewer Committee were given authority to proceed with laying water service pipe by day's work, there being no contractors in the town willing to tender for this class of work.

On the suggestion of Councillor

## BOARD OF TRADE MEETING MONDAY

Interesting Discussion on Railway Matters and Speeding of Automobiles.

### STRONG RESOLUTIONS

A meeting of the Board of Trade was held in Murray's Hall, Monday evening, President Harquail in the chair.

The committee which went to Fredericton to interview the Chief Commissioner in reference to the proposed bridge across the Restigouche reported that they had interviewed the Chief Commissioner and he assured the committee that when the Dominion made provision for the erection of the bridge the provincial government would do its share.

A committee was appointed to wait on the new I.C.R., Manager Gutelius when he visits Campbellton.

The matter of train accommodation was again discussed and some warm talk resorted to. It was felt that the Board had delayed too long to have the necessary improvements made when the time changed on June 15th, but it was suggested that a committee be appointed to have the matter in hand for a later period.

The following resolution was unanimously adopted:

Moved by P. M. Shannon, seconded by D. Murray, M.D., that this Board of Trade wished to call the attention of the Department of Railways to the fact that there is at the present time no local train accommodation coming west in the morning and going east in the evening for the inhabitants living between Bathurst and Campbellton. These inhabitants are served by trains numbered 39 and 40. Unfortunately these trains are not run on or near the schedule set forth, but are frequently side tracked and arrive here hours late, thus preventing passengers transacting their business on the day planned, causing much inconvenience and annoyance. This Board of Trade would recommend that an endeavor be made to run this train on schedule time, and would further suggest, in order to adequately serve the large number of people living along the railway, that this train be changed to a local accommodation from Bathurst to Campbellton, with running time sufficiently changed to arrive here about 10.15, so as not to interfere with the Ocean Limited train.

We would ask that an endeavor be made to have the Suburban leaving here in the evening, going west, leave sharp on time, and run through to destination with as little delay as possible.

It was the feeling of this Board that Campbellton was not properly served by the railway. All our trains go east in the morning and west in the evening, which does not permit people living along the line coming to town to transact business.

The speeding of autos on the streets also called forth a lively discussion, one member arose and moved a vote of censure upon the town council for not putting a stop to this practise. This however was withdrawn and the following motion adopted:

That the attention of the Town Council be called to the fact that in many cases the speed limit of automobiles is very much exceeded, and that sometimes autos are run at night without lights, and this Board of Trade of the Town beg to suggest that the duty is laid upon the Council to urge upon its officers and policemen to see that this law is enforced in every detail, otherwise it is not improbable that a tragedy will occur in our midst by reason of this recklessness in driving of automobiles; and it is further suggested that auto drivers be warned by sign boards at the several entrances to the town, call attention to speed limit and the penalty for exceeding it.

The matter of increase in local and through freight rates was also taken up and after discussion the following resolution passed:

Whereas there has been put into force and effect on the Intercolonial Railway a great increase in their local freight rates, which increase will operate very seriously against the consumer and thus add to the

## Concrete is the best building material

A BROAD statement—Yet literally true. The aim of man from the beginning has been to make his building materials as nearly like natural stone as possible. The great labor required to quarry stone led him to seek various manufactured substitutes. The only reason he ever used wood was that it was easiest to get and most convenient to use. Wood is no longer easy to get. Like most building material, its cost is increasing at an alarming rate. The cost of concrete is decreasing. So, from the standpoint of either service or economy, Concrete is the best building material. Canada's farmers are using more concrete, in proportion to their numbers, than the farmers of any other country. Why? Because they are being supplied with

## EARTHQUAKE

### AT LACHUTE

Buildings Rocked and Swayed Throughout the Town

Lachute, Que., June 8.—A severe earthquake shock was experienced here at 1.30 a.m., today. The shock lasted about two minutes and buildings throughout the town rocked and swayed. Practically all the residents were awakened and the event is the chief topic of discussion today. No serious damage to buildings is reported, but residents report numerous small breakages of household utensils and ornaments which were thrown from shelves and mantle pieces. The shock was felt throughout the whole district for miles around and from reports that have been received was especially severe in the neighborhood of Brownsburg. The quake seemed to come in two distinct waves and created much excitement. Many citizens left their homes and took their children some distance away from all buildings in fear of the earthquake recurring with sufficient force to throw down their homes.

## HOMESEEEKERS

### EXCURSIONS

Every Wednesday until October 9th the Intercolonial railway will sell second class round trip tickets to Winnipeg, Brandon, Edmonton, Saskatoon and Calgary. These are good for return two months from date of issue and are a special inducement for those wishing a cheap trip to the West. The nearest ticket agent will furnish full particulars. Apr. 18-10ins.

## TO SPEND \$30,000 IN PAINTING BRIDGES

Local Government Signs Contract For Year

The Provincial Department of Public Works has closed a contract with Concrete Construction, Limited, of Ottawa, for the painting of the steel bridges of the province.

The contract calls for sand blasting and painting the steel bridges, which are in bad need of such work. The intention is to spend about \$25,000 or \$30,000 per year, and two crews will commence operations in the province just as soon as possible, one commencing at Charlottetown, and working down along the North Shore, while the other will start at Edmundston, Madawaska County, and work down the St. John river to the southern part of the province.

## HON. DR. ROCHE TO LEAVE CABINET?

Minister's Health Will Compel Retirement Unless Duties are Lightened.

Ottawa, June 9.—Word has been received by Hon. Dr. Roche, Minister of the Interior, that he expects to sail from England for Canada on June 20. The doctor is considerably improved in health as a result of his trip, but it is considered very doubtful whether he will be able to undertake again the strain of administering such a heavy department as that of the interior. He may not resign at once, but it is thought likely that unless the department can be lightened he will be compelled to do so within the next year. Arthur Meighen of Portage la Prairie and R. B. Bennett of Calgary are regarded as the most likely to succeed the doctor, if his health is such that he is compelled to drop out of politics.

It is stated that Hon. Dr. Roche will succeed Lieut. Gov. Cameron of Manitoba, when the latter's term expires.

## A GREAT BELIEVER IN "FRUIT-A-TIVES"

Well Known Ontario Merchant Has Faith Because "Fruit-a-tives" Cured Him

MR. JAMES DOBSON

BRONTE, ONT., MARCH 1st, 1912.  
"Fruit-a-tives has made a complete cure in my case of Rheumatism, that had at least five years standing before I commenced the treatment. The trouble was principally in my right hip and shoulder, the pain from it was almost unendurable. Not being able to sleep on that side, if I chanced to turn on my right side while asleep, the pain would immediately awaken me. This kept up until I started taking "Fruit-a-tives". I started by taking one or two tablets with a large glass of water, in the morning before breakfast and experienced pronounced relief very shortly. After a continued treatment for about six months, I was cured and am now in first-class health. This, I attribute to my persistent use of "Fruit-a-tives" and I heartily recommend your remedy to any Rheumatic sufferer."

JAMES DOBSON.  
50c. a box, 6 for \$2.50—trial size, 25c. At dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

## COLLIERY DISASTER

Two Miners Killed and Many Injured at Shamokin, Pa.

Shamokin, Pa., June 7.—Two miners were killed and more than a dozen were injured today in an explosion in the Scott shaft four miles from here, operated by the Susquehanna Coal Company. Officials of the company announce that no men were entombed, but nine workers declared that they believed other men were still in the mine. The explosion occurred in the second lift of a slope, almost a mile underground, and the slope immediately caught fire. John Weir, inside superintendent, and his assistants, organized a rescuing party and within an hour two dead and fourteen injured were brought to the surface.

The dead men were foreign speaking miners and nearly all the injured are also foreigners. Of the injured at least two of them are expected to die.

Up to 11.15 a.m. the bodies of two dead miners had been removed from the burning slope. Eight men suffering severe burns had also been removed. Officials of the company estimate that from 25 to 50 men are still in the slope.

## ALMOST BOILED ALIVE

Watchman Falls Into Seething Vat of Tar

Windsor, Ont., June 7.—Oscar Lowes, a watchman employed at the plant of the Dominion Roofing Company, while making his rounds of the plant at four o'clock this morning, tripped and plunged into a huge vat of boiling tar. Grasping the red hot sides of the vat, he endeavored to keep himself from falling back into the seething liquid and he finally succeeded in getting out and crawling on his hands and knees, made his way to the nearest place where he could get help, a quarter of a mile away.

Knocking at the door of a cottage he awakened the inmates, who rushed him to the hospital, where death relieved his sufferings a few hours later.

He was conscious until the end came, and despite his terrible agony told the story of his desperate attempt to escape being cooked alive.

## "SENSATION" PETERS OUT

Guns so Old that no Present Day Cartridges Would Fit Them

Montreal, June 10.—A special cable to the Montreal Star says: All sorts of gossip continues to surround the recent discovery of several cases of rifles at Belfast and Dublin. The government's intentions are still unknown.

It is now said that the seizure of the arms was due entirely to the custom officials, and that the executive is not concerned. It is also said that the consignees are not named, and everybody mentioned as knowing something about the incident disclaims all knowledge of it. The idea that the whole thing was an expensive joke is borne out by the assertion of the radical Daily Chronicle that the Belfast consignment of rifles was practically useless because the guns were so antiquated that no existing cartridges would fit them.

## FERRY SINKS; FIFTY DROWNED

St. Petersburg, June 10.—About fifty people were drowned by the sinking of a dilapidated ferry boat, while crossing the river Tchepta on the Russian Ascension Day, June 5, according to reports reaching here from Viatka.

The boat was proceeding to the town of Glazov, ninety-eight miles from Viatka. A riot ensued among the populace of the district owing to their indignation about the laxity of the police supervision of the ferry.

For Sale by White Drug Co.

The new minister in a Georgia church was delivering his first sermon. The negro janitor was a critical listener from a back corner of the church. The minister's sermon was eloquent, and his prayers seemed to cover the whole category of human wants.

After the services one of the deacons asked the old negro what he thought of the new minister.

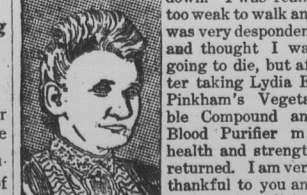

"Don't you think he offers up a good prayer, Joe?"

"Ah mos' s'tainly does, boss. Why, dat man axed de Lord fo' tings dat de under preacher didn't even know He had."

## CRITICAL TIME OF WOMAN'S LIFE

From 40 to 50 Years of Age. How It May Be Passed in Safety.

So, Wellington, B.C.—"For a year during the Change of Life I was all run down. I was really too weak to walk and was very despondent and thought I was going to die, but after taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier my health and strength returned. I am very thankful to you and praise your medicine."

I have advised several women who suffered as I did to try your remedies. You may publish this if you wish."—Mrs. DAVID R. MORRIS, South Wellington, Vancouver Island, B.C.

No other medicine for women's ills has received such wide-spread and unqualified endorsement. We know of no other medicine which has such a record of success as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been the standard remedy for women's ills such as inflammation, ulceration, tumors, irregularities, periodic pains and nervous prostration, and we believe it is unequalled for women during the period of change of life.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

### PARCEL POST

So a bill has been passed at Ottawa after all, to allow Postmaster-General Pelletier to make an attempt to establish a parcels post system in Canada. Rather than stand in the way of what is generally regarded as a public boon, the Liberal Opposition in the House allowed the measure to go through without offering any serious objection to it beyond pointing out its extreme crudeness and its many shortcomings, not omitting especially the apparent bad faith of the Minister, as evidenced by the fact that there was nothing in the estimates to provide funds for inaugurating the system. Furthermore the bill empowers the Postmaster-General to exclude any article he desires from being sent by Parcel Post. Thus he is in the position to meet the objections of any interests opposed to the competition by the Parcels Post. As a matter of fact the bill, in its present nebulous form and without any definite system yet under consideration by the Postmaster-General, is merely a gallery play for political effect.

In Canada, Hon. Mr. Pelletier said that it had been decided to fix the weight limit of parcels at 11 pounds and 72 inches would be the maximum of length and girth combined. The zone system would be adopted, each of the provinces to be a zone, with the exception of the three Maritime Provinces which would constitute one zone in themselves. The first zone of all, however, would be within a radius of twenty miles of the point, where the parcel was posted irrespective of Provincial boundaries. This would give protection to local dealers and country merchants against the departmental stores in the larger cities.

The second zone would be outside the twenty mile radius but within the boundary of the province.

The system would come in force probably by proclamation, on January 1, 1914. Present arrangements with the railway companies for carrying mail had been subject to much consideration recently. The amount of mail matter principally newspapers, had increased enormously, and newspaper owners were enjoying a nominal rate which obtained nowhere else than in Canada. The Department proposed to deal with the railways in regard to parcel post.—Quebec Telegraph.

### SOME TRADE FIGURES

Canada's trade last fiscal year, the year ending March 31st last, reached the total of over a billion dollars, that is one thousand million dollars. This is equal to an average of \$125 for every man, woman and child in the country. Putting the average family at five people, it means \$625 per family.

Whittaker's almanac gives the total trade figures of our countries and deducting the odd figures, and working out the per capita figures—the only real has is of comparison—some interesting results are obtained.

The trade of the United Kingdom is \$6,185,000,000 which works out at \$135 per head; the United States, \$3,859,000,000, which is \$43 per head; Germany, \$4,785,000,000, or \$74 per head; France, \$2,660,000,000, or \$40 per head. Belgium leads the world in per capita trade its total being \$1,615,000,000, which works out at \$215 per head of population.

Moncton Transcript—Mr. Gutelius gets \$20,000 a year salary. The minimum freight rate on the I.C.R. is increased from 25c to 35c, an increase of 10c. It therefore requires an increase of forty per cent. on the minimum freight rate on two thousand minimum shipments to pay Mr. Gutelius' salary. But then Mr. Brady's salary has also been increased several thousand dollars per annum. This was done so that the Borden

## WOMAN CHARGED WITH MURDER

Her Husband Died; the Circumstances Were Suspicious

Woodstock, Ont., June 10.—As the result of an investigation carried on during the past few days by Inspector Reburn, of the Criminal Investigation Department of Toronto, Mrs. Grace Beemer a resident of Blenheim Township, was placed under arrest on a charge of murdering her husband, Frederick E. Beemer a highly respected farmer, by administering poison. The arrest was made by Detective Reburn and Constable Markle.

Beemer, it will be remembered died at his home in Blenheim on the 15th of March, following three days' illness, the circumstances in connection therewith being so suspicious that an inquest was ordered. At that inquest the report of the analyst who examined the stomach of the dead man was read, revealing the fact that one grain of strychnine was found. It was brought out that during his illness, Mrs. Beemer had administered several doses of salts and it was after each of these had been given that the patient had become much worse. He finally died in convulsions after a dose of salts had been given.

Mrs. Beemer at the inquest admitted purchasing strychnine on several occasions to poison crows, but denied that there was any poison in the house at the time of Beemer's illness.

That Beemer did not commit suicide was proven by the evidence of the doctors and others, to the effect that while he was sick he appeared to be very anxious to get better.

The Beemers were well known throughout North Oxford.

Mrs. Beemer was the niece of her husband, and the marriage some years ago caused considerable comment. Eight small children were left alone on the farm when the mother was taken away to the Woodstock jail this morning but the officers of the Children's Aid Society will look after them. Mrs. Beemer appeared before Magistrate Ball in the Police Court but was not asked to elect or She was remanded to jail for one week. It is rumored authoritatively that the police have obtained a confession but Detective Reburn refused to discuss that point.

**PNEUMATICA STOPS YOUR PAIN**  
Or breaks up your cold in one hour. It's marvellous. Applied externally. All druggists.

**GRAPHICS WANTED**

## LOCAL ITEMS OF INTEREST

Newspaper Notes of Town and Country Happenings Gathered by Graphic Reporters.

### INSPECTOR HERE

Mr. Kenny, Provincial Inspector, was in town Wednesday inspecting various mills, public and other buildings.

### GIFT TO CHURCH

A very fine brass altar made in England was presented to Christ Church by Mr. and Mrs. R. J. Sandover. It will be used next Sunday for the first time.

### BUYS SHACK

Representatives of the Salvation Army have purchased the old temporary building which was used by the Baptist denomination, as a church and will be removed shortly to the Army's lot.

### SEARCH PARTY

A party of searchers started out this morning to endeavor to locate the body of the young man Quinn who was drowned last week on the Upsalquitch.

### OFFICIALS HERE

The Hon. Frank Cochrane, Minister of Railways, Mr. Guelius and Mr. Brady made a tour of inspection over the Intercolonial Railway this week, which action may point many ways.

### LOSE HORSE

The Richards Company lost one of their horses the other day. The trap door in the stable behind the animal had been opened and he backed into the opening, and was killed.

### LOGS ADRIFT

On Wednesday a raft of logs coming down the channel to Shivers Mill struck the old schooner wreck in the channel and broke. A large number of the logs went adrift and were lost.

### MEETING AT CHARLO

A meeting of those interested in sheep raising will be held at Charlton on Saturday, June 21st when Mr. James A. Telfer of the Agricultural Department will speak and demonstrate on sheep husbandry.

### EXAMINE THE DATE

We would ask our subscribers to examine the date on the yellow address slip on their papers. The date printed thereon is the date to which their subscription is paid, and if there should be any error in name, please notify the Graphic at once.

### DEATH

There died at the home of his nephew Robert Sinclair, Broadlands, P.Q., Archibald Sinclair aged 74 years from paralysis. Deceased up till a week ago had been working in the woods at Black River. He was a native of Campbellton. He leaves one sister to mourn, Mrs. Arch. McIntosh, Buctouche, Kent Co.

### DEATH AT MISSION

There passed away this week one of the best known Indians on the Mission in the person of Louis Michael who died after a few days illness from inflammation of the lungs. He was about 80 years of age, and was considered one of the best guides around this section, and was always in great demand by wealthy American sportsmen. To have heard Louis tell of his visit to a Boston show was a treat worth listening to.

### KILLED AT HARCOURT

A shocking fatality occurred about 7 o'clock Wednesday evening when the east semaphore at Harcourt, N. B., I.C.R. station, fell to the ground, instantly killing Lee Morton, student operator, who was engaged in lighting the semaphore lamp. Morton was standing on the semaphore ladder, attending to the lamps at the top of the post, when the latter collapsed, carrying him to the ground, crushing his skull and causing instant death. The victim of last evening's accident is a son of Mrs. Jeanette Morton, of Harcourt. He was in the 17th year of his age and was very popular among his friends in Harcourt and also with the railway men running north.

### CARD OF THANKS

Mrs. A. C. Miller and family wish to thank their friends for their many kind expressions of sympathy during their sad bereavement.

### FOR MONCTON

Eleven delegates from the G. I. A. to the B. of L. F. left for Moncton this morning to attend a conference there.

### SUCCESSFUL CONCERT

The young people of the Tide Head Presbyterian church gave a very successful concert in the Hall at Tide Head, Wednesday evening in aid of the manse funds. The proceeds amounted to about \$25.00. The concert will be repeated Wednesday evening, June 18th, when it is hoped the hall will again be crowded.

### SOME FISHING

Mr. Thos. Wran with a Indian had a good catch of trout, this week, while W. M. Ferguson with P. H. Blyth and a local scribe had also good baskets. The reports were so encouraging that a number of fishermen hied their way yesterday to the same grounds, but unfortunately did not meet with success. It is said one party was so exasperated that he wanted to go overboard and stick the fish on the hook, but we are not in a position to say whether he did so or not.

Miss DeCorvont lately of McGill Conservatoire of Music, Montreal will take a limited number of pupils in singing and piano also classes in sight singing theory.

## Church Notices

### Methodist Church

The Presbyterian and Methodist churches will unite for worship on June 15th. Service will be in the Methodist church in the morning and in the Presbyterian church at night. Rev. T. P. Drumm, B. D., will preach at both services. Sunday school at 2.30. Bible classes at 2.45. Mr. John T. Reid, teacher. Wednesday evening 7.30 mid-week prayer service. Mr. Walter Appleton leads.

### Christ Church

Morning prayer and sermon at 10 o'clock. Sunday school and Bible classes at 2.30. Evening prayer and sermon at 7 o'clock. Service on Wednesday evening at 8 o'clock. Strangers always made welcome and provided with sittings and hymn books. Rev. J. E. Purdie, Rector.

## MUCH INTEREST IN CONTEST

Candidates Being Nominated From Various Transportation Companies

The Graphic's "Most Popular Railroad or Steamship Man" contest is awakening interest, and some names have been placed in nomination. These represent popular men of one railway and two steamboats. No one has yet been nominated from the I.C.R. and there should be several from all the railways and steamship companies.

We may add that persons in any capacity who work on any railway or steamship carrying passengers are eligible as candidates in this contest.

The names of candidates will be announced in our next issue.

Coupons from the issue of June 6th are only good until June 20. Mark them for a popular man in your district, send them with a nomination coupon to the Contest Editor before June 20 so that they will count. Save the coupon in this issue. Send your nomination in at once.

### MARRIAGE

At Portland Me., on May 14th, Mr. Wellington Austin of that city to Miss Cassie Steele formerly of Black Cape, Que.

### DIED

At Amherst, N. S., June 2nd, Alexander Percy, son of Mr. and Mrs. James Walling age 6 years. Mrs. Walling was formerly Miss Mary McGovern of this place, (Campbellton).

## DALHOUSIE

Dalhousie, N. B., June 11th—One of the most enjoyable dancing parties was held on Friday evening when over thirty of Mrs. John Baldwin's friends surprised her by going to her home accompanied by Dalhousie's young people's orchestra.

Mrs. Baldwin who removed recently into the pretty Potts cottage on William street, was assisted in receiving the guests by her daughter Miss Margaret Baldwin, stenographer for the Dalhousie Lumber Co., Ltd.

The guests included Hon. C. H. and Mrs. LaBelle, Mr. and Mrs. J. B. H. Storer, Mr. and Mrs. P. H. Sheehan, Mrs. H. A. Hill, Mr. and Mrs. R. L. Lennox, Mrs. Frank Barberie, Stella Troy, Miss LaBelle, Stella McKenney, Florine Doherty, Andy Troy, Eva Barberie, Marie LeBlanc, and Messrs. J. W. McDonald, Walter Amy, William Watt, John Midgeley, Frank Troy, Arthur Legere, and Allie LeBlanc.

Mrs. Thos. Malcolm, Mrs. A. E. G. McKenzie and Mrs. Christie of Campbellton were in town on Tuesday calling on friends. Mrs. Agostus McKenzie of Moncton was here recently, having been at her old home in Echemiac, Bonaventure Co., P. Q.

Mr. Allie LeBlanc who is attending the Laval University, Quebec, is now spending his vacation with his parents, Mr. and Mrs. A. J. LeBlanc.

Mr. and Mrs. J. V. Magee and family left on Monday by Ocean Limited for Moncton. They will locate in Moncton, as Mr. Magee will represent a Western real estate Co. in the East.

Mr. C. M. Leger, Esq., M. L. A. of Mem. ramcook West, was a guest at the Queen here on Tuesday. The same evening he addressed a public meeting at Upper Charlton, where a branch of the Artisans was organized. Yesterday the members of the new society held a little bazaar which was well patronized.

Mr. and Mrs. W. P. Walker of St. Omer are receiving congratulations on the arrival of a baby girl on Saturday last.

Rev. Mr. Fisher, former of St. John's Presbyterian church, Dalhousie, N. B., arrived here to-day from the big conference recently held in Toronto. Mr. Fisher who is accompanied by Mrs. Fisher came from California where they have been residing since they left New Brunswick, and after spending a few days here, the guests of Mr. and Mrs. Geo. Haddow, Mr. and Mrs. Fisher will visit their friends in Nova Scotia, before returning to the Pacific.

Mr. Abraham LeBlanc of St. Omer, P. Q., was here recently the guest of his relatives the Allain families. He has been in Campbellton to interview the American Consul. Mr. LeBlanc who served in the American War has been drawing a pension ever since. Questioned as to his experience he said that he had engaged in April, 1861 and received an honorable discharge from the United States Navy in 1868. During three years of the war he had served he had been in the firing line and had witnessed many an interesting and exciting scene. He was Capt. of the 1st Maine Infantry, and after the war he returned to his old home in Charlton, one of the most hospitable spots in that grand old parish. He and his brothers built a brigantine at St. Omer, which was called the A. & J. White and which for years did a successful business. Later Mr. LeBlanc engaged in farming. He is now in his 53rd year and says he hopes to live long enough to deposit a ballot in favor of a Canadian navy. Mr. LeBlanc arrived here this week from St. John to take charge of the Clifford Drug Co., Ltd. He replaced Mr. Walter Scott of Chatham who left on account of illness.

Since the appearance of the warm weather our young folks are enjoying tennis, there being two clubs organized.

Visitors to Pritchard's Lake—Miss Carrie Malenfant, Moncton; Miss Eleanor Tayner, Chatham; Miss Emily Greene, Magallowa, P.Q.; Miss Rena Murray, Miss Irene Ullman, Campbellton; Messrs. H. Colligan, C. Shirley, E. Love, D. Sullivan, W. Whelhouse, L. P. Roy, W. P. Eams, H. C. Montgomery, W. M. Ferguson, Lindsay Ferguson, James Jourey, W. P. Thomson, J. W. Devereaux, Campbellton; F. E. Rivard, St. Leonard; O. S. Wilcox, M. A. Wilcox, Moncton; Teddy Bird, New York City; F. F. McKenna, Wm. Kelly, Montreal.

## SUDDEN DEATH OF DR. F. L. PEDOLIN

Popular Newcastle Physician Passed Away Alone in His Office

Newcastle, June 7.—Dr. F. L. Pedolin, one of the best known medical men in northern New Brunswick, died suddenly early this morning. The doctor was called out professionally during the night. He evidently returned home exhausted and instead of retiring to sleep sat down in his office chair and passed peacefully away, presumably from a sudden heart attack. Members of his family found him sitting in his office early this morning. Dr. Pedolin was a native of Fredericton Junction and Doaktown, moving to Newcastle about twenty-eight years ago, and built up a large practice and was one of the most highly esteemed men on the Miramichi. Dr. Pedolin was a former Mayor of Newcastle. He was about 63 years of age, and is survived by one son, Percy, in Montreal, and three daughters, the Misses Ada, Lillie and Minnie, at home. His wife died some years ago. The news of Dr. Pedolin's death was heard all over the North Shore with regret, and will be a shock to friends throughout the province.

## CHATHAM DISTRICT METHODIST MEETING

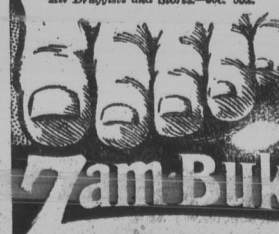

Richibucto, N. B., June 4.—The ministerial session of the Methodist Chatham district is being held here this evening in the Methodist church. The following are in attendance: Rev. William Harrison, Newcastle (Chairman); Rev. S. J. B. Rice, Bathurst; C. B. Squires, Campbellton; J. A. Ives, Millerton; Wallace B. Thomas, Gaspé; E. H. Creed, Harcourt; J. B. Young, Buctouche; Thomas Pierce, Richibucto; T. W. Holmes, B. A., who will be ordained at the conference next week. The only absentee is R. G. Fulton, Chatham, who has been excused.

It is now well known that no more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all dealers.

Pat, who was left-handed, who was sworn in as a witness in the West side court of Denver, Col. "Hold up your right hand", said the Judge.  
Up went Pat's left hand.  
"Hold up your right hand", commanded the Judge sternly.  
"Sure and I am, yer Honor," declared Pat, "Me right hand's on me left hand side."

## Sore Feet. CHAFED PLACES. BLISTERS, &c.

Are your feet hot, sore and blistered? If so, try Zam-Buk. As soon as Zam-Buk is applied it cools and soothes injured smarting skin and tissue. Its rich, refined herbal essences penetrate the skin; its antiseptic properties prevent all danger of festering or inflammation from cuts or sores; and its healing essences build up new healthy tissue. For stings, sunburn, cuts, burns, bruises, etc.—just as effective. Mothers find it invaluable for baby's sores!  
All Druggists and Stores—40c. box.

## SUIT FOR DAMAGES AGAINST I. C. R.

Relatives of Men Killed at Bathurst Reported to be Bringing Suit

It is understood that the relatives of Bateman and Hachey who were killed in the I. C. R. collision at Bathurst on Saturday, April 5th have brought action against the I. C. R. for damages and have engaged counsel to fight their case which, it is said, will come before the Exchequer court at St. John in the near future. The result of this case and also the case against C. A. Wood engineer of this city who is charged with manslaughter will be awaited with interest not only by railway men but by public in general.

## GOOD HEALTH

## FIG PILLS

the great fruit, kidney, liver, stomach and bowel remedy.  
At all dealers 25 and 50 cents boxes or mailed by The Fig Pill Co; St. Thomas, Ont.

## SUMMER EXCURSION FARES

Facts and figures regarding summer vacation tours are always interesting to those who are on travel bent; and these are to be found in the booklet, "Summer Excursion Fares" just issued by the Intercolonial Railway. The details of special round trips through Eastern Quebec and the Maritime Provinces are given and the routes are defined and rates quoted in a systematic and comprehensive manner. The booklet will be mailed free to all who write the General Passenger Dept., Moncton, N. B., June 13-21ns

## EXCITING TIME

An exciting chase and capture in Port Daniel, not of a thief or murderer, but of a more useful being. A wee pig, just three weeks old, did not fancy his new abode it appears, so he managed to free himself and made for the open fields. Seeing that he was closely followed, he made a dash for the beach and took to water, ignorant of the fact that the owner and the chief engineer of the Gov't Lobster Hatchery, who were on the spot, were both expert with the oars; they jumped into a boat and by master strokes at those oars, captured the little runaway by means of a scoop-net, one-half of a mile from shore.  
Who will say now that a pig can't swim? Ask a prominent farmer of Port Daniel.  
This baby pig has opened the bathing season and is reported no worse for the cold plunge.

## TRAGIC AFTERMATH OF TITANIC DISASTER

Among the passengers on the Titanic whose names were given as among those lost, Madame Breny, a native of Bethune. Her husband lamented her loss for a reasonable time, and then married another woman.  
Last week Mr. Breny received a letter from his first wife, saying she was very much alive, and was on her way back to Bethune. The husband became very excited and fired four bullets at his second wife, killing her.  
He then committed suicide rather than face the wife who had been rescued from the Titanic.

## Furnace Grates on the Right Principle

Note the three surfaces, each of which will last as long as the ordinary one surface grate. A gentle rocking is usually all that's required but any clinkers happening to form are ground up by the massive teeth of the four grates with very little effort. The grate bars are so constructed that a volume of air passes freely to all parts of the fire.

This is only one of the many advantages of the Sunshine Furnace. Pay our agent a visit or write for the Sunshine booklet. It shows you why it pays to install this furnace.

**McClary's Sunshine Furnace**

## Notice of Sale

To George C. Harriman, of Grand Caspédia in the County of Bonaventure in the Province of Quebec, and to all others whom it shall or may concern.

Whereas by Indenture of Lease bearing date the 28th day of August, A.D., 1902, made between Jane Gerrard of the one part, and one Murdock G. Mann, of the other part, all that certain lot, piece or parcel of land situate, lying and being in the Town of Campbellton in the County of Restigouche, and Province of New Brunswick, bounded and described in said Indenture of Lease as follows:—"Commencing at the south east corner of lot occupied by and leased to McKenzie & Flett by the said 'Jane Gerrard on the north side of Roseberry Street, thence along the east boundary line of McKenzie & Flett lot northerly to the Intercolonial Railway land, thence easterly along the Intercolonial land a distance of forty five feet, thence southerly in a straight line to the north side of Roseberry Street, thence west along the north side of Roseberry Street a distance of forty five feet or thereabouts to the place of beginning," was demised and leased to the said Murdock G. Mann, his executors, administrators and assigns, for the term of nine hundred and ninety nine years from thence next ensuing;—  
And whereas by Indenture of Mortgage bearing date the 3rd day of February, A.D., 1908, and duly registered in the Restigouche County Records of Deeds as number 11,388 on pages 627, 628, 629, 630 and 631, Book Y of said Records, made between the said Murdock G. Mann, of the one part, and James E. Kelly, of the other part, the said Murdock G. Mann by way of mortgage grant, bargain, sell, assigns, transfer, convey and set over unto the said James E. Kelly, his executors, administrators and assigns, all and singular the said hereinbefore in part recited Indenture of Lease, and the said lot of land thereby demised, and the houses, buildings and improvements thereon standing and being, or thereafter to be erected and built thereon, and the term of years therein yet to come and unexpired;—  
And whereas the said Murdock G. Mann, subsequent to the giving and executing of the said Indenture of Mortgage, by Indenture dated the 28th day of September, A.D., 1909, granted and assigned the said Indenture of Lease, the said lot of land and premises and the improvements thereon, and the said term of years yet to come and unexpired, unto the said George C. Harriman, his executors, administrators and assigns;  
And whereas the said James E. Kelly, departed this life intestate on or about the seventh day of February, A.D., 1909, and Letters of Administration of the goods, chattels and credits of the said James E. Kelly, deceased, were on the eighteenth day of December, A.D., 1912, granted to the undersigned by the Probate Court of the County of Restigouche, and they have been duly sworn as such—  
And whereas default has been made in the payment of the principal money and interest secured by said Indenture of Mortgage;—  
Notice is hereby given that for the purpose of satisfying the said principal money and interest due on and secured and made payable by said Indenture of Mortgage and by law, and unpaid, there will, in pursuance and by virtue of a power of sale contained in said Indenture of Mortgage, be sold at Public Auction on Roseberry Street in front of the said land and premises, in the said Town of Campbellton on THURSDAY, the twenty-first day of August next, at two o'clock in the afternoon, the above mentioned Indenture of Lease, and the lands and premises therein mentioned and described, that is to say the said leasehold interest therein, and the improvements thereon being, and the said term of years yet to come and unexpired, and all other the rights and appurtenances to the same belonging and appertaining, which under the said Indenture of Mortgage, the undersigned administrators can or may legally sell and assign.  
Dated this seventh day of May, A.D., 1913.

## HANDSOME MORRIS CHAIR

LEATHER UPHOLSTERED  
RULES

Any railway or steamboat or any retired or pensioned railroad man in any department can enter either by himself or his friends.

Nominating Coupon, good for 2,000 votes must be made out and forwarded to Contest Editor.

Railway or Steamboat man may reside in any town or village in Restigouche, Gloucester, Bonaventure or Gaspé Counties.

Coupons good for 10 votes will appear in each copy of the Graphic. Coupons will bear a date up to which they will be counted.

Three prominent Campbellton business men will count the ballots at the close of the contest.

The contest editor will decide all matters of dispute, but he may if he deems it advisable submit the matter in dispute to a committee of three.

Contestant's standings will be announced in each issue of the Graphic. All votes received up to Thursday evening will be counted and, announced in Friday's paper. During the last week of the contest one bulletin will be given out each day and a copy mailed to each contestant.

On closing day a sealed ballot box will be placed in the Graphic business office and all ballots will be deposited therein and the box handed to the judges to be counted.

All unsold copies of the Graphic will be carefully guarded and only bona-fide ballots taken from the regular issues of the Graphic will be counted.

The rules as to dates on coupons and all other rules will be strictly adhered to.

The day and hour of closing the contest, which will be some day in July, 1913, will be announced later.

**Contest Opens at Once and Will Close at a date to be announced as soon as the Contest is Under Way.**

lisle.  
Mr. Alfred McWhiter left on Monday on a business trip to Campbellton.  
Mr. William McWhiter passed through here on Saturday evening enroute for his home in New Richmond Centre from Gaspé.  
A number of our young men left on Monday for Ont., among them are: Ernest Campbell, Archibald Campbell, Colin Campbell, Wallace Campbell, Garnet Martin and Arthur Cyr.  
Mr. Fred Belanger left on Monday for his home in Campbellton.

#### GASCONS

The fishing season up to the present has not been very successful lobsters almost a failure, salmon has only just struck in small quantity taken as yet. Capelin in large quantities were taken along the shores during the past week.  
Mr. J. E. Trudel representing Thiladeau Bros. Que., called off on his usual summer trip on Thursday.  
Mr. Walter Braid of Barachois spent Monday with his daughter, Mrs. Arthur Chedore, enroute for Montreal, where he will remain for the summer. Also Mr. Elias Braid of Peninsula, Gaspé, paid a flying visit on Wednesday last.  
Rev. I. M. Kerr, school inspector is expected to visit our school this week. Teachers and pupils are looking forward to the summer vacation.  
Arthur Abier has returned from New Carlisle where he was employed by Mr. Roy, brewer.  
Miss Eliza Morin has returned from Fall River, Mass.  
Lester Chedore has left for Montreal where he has work for the summer months.  
Walter McQuenne from Port Daniel spent Sunday with friends.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all dealers.

#### PORT DANIEL CENTRE

The people of Port Daniel are enjoying the fine weather very much, "keep it up."  
Mrs. Veber of Shigawake and Miss A. E. LeGallais were the guests of Mr. Wm. A. McPherson on the 3, 4 and 5th inst.  
Mr. Carl Sweetman and Mr. Andrew McPherson enjoyed their first sail very much on Tuesday.  
Mr. A. L. Kennedy and Mr. A. D. LeGrand were the guests of Mr. Wm. A. McPherson on Sunday.  
Mr. Edgar Nadeau passed through here on Monday, on his way to Cape Cove.  
Mr. Charlie Enright was the guest of Mr. Alfred LeGrand on Sunday.  
Mr. St. Melus paid a flying visit to New Carlisle on Monday.  
Miss Julia Enright paid a flying visit to Shigawake on the 5th inst.  
We are glad to hear that Mrs. L. A. Enright has recovered from a very severe cold.  
Mr. W. C. Dow paid a flying visit to Shigawake on Sunday last.  
Quite a number of the Port Daniel folks were up to Cronier's hotel on Saturday last enjoying a very pleasant evening.  
edding bells will ring in the near future.

Miss Hazel Lingley is visiting at Chatham this week.

Mr. and Miss Anderson who have been visiting Mrs. J. S. Bepson left yesterday for Newfoundland.

Miss M. C. Purdie of Charlottetown, sister of the Rev. J. E. Purdie arrived on Tuesday evening and is a guest at the Rectory.

### MATERIALLY ASSISTED US

When Campbellton was burned out in July, 1910, Mr. Theodore H. Bird who is now directing a show in our town, had just produced a local play in St. John. Two days after the fire Mr. Bird re-organized his company and played for the benefit of the Campbellton sufferers. Every dollar that came in at the door was handed over to the Mayor of St. John who at once forwarded it to Campbellton. The receipts amounted to five hundred and twenty-five dollars. No doubt that Mr. Bird will receive a warm welcome at the hands of our town's people on Thursday night, June 19th when he will appear for the first time in our midst as "Jack" in "Jack's Wife".

## Resolution of Condolence.

Whereas it has pleased Almighty God, in His infinite wisdom, to call to himself Brother Allen C. Miller a member in good standing of this Lodge, whose death occurred on the 25th day of May last;

And Whereas it is fitting that we should give expression to our sorrow in the loss of our Lodge has sustained by the death of our late brother;

Therefore Resolved that this Lodge do place on record its keen sense of sorrow occasioned by the death of our late Brother; and that we also hereby express our sincere sympathy with the bereaved wife and family of the deceased in their hour of trial;

And Further Resolved that this resolution be spread upon the minutes of this Lodge and that a copy be forwarded to the family of the deceased and published in the Campbellton Graphic.

## BASE BALL

Continued from Page 1

second bag. Moores safely reached the middle station on an overthrow by Mersereau, but died there when Paterson struck out.

In the third spasm, Mersereau had a safe hit. Lavoie with his second two bagger scored Mersereau, and came home himself on error by Floyd. Woods out at second, retiring the side.

For the Mechanics, Shirley walked and was out stealing. Wall got an infield hit and stole second, coming home on a bad throw by Mersereau to catch him at third. Floyd out, stealing Shaddick struck out, leaving Cady on third.

Fourth verse. LeBlanc scored on overthrow by Cady to second. For Mechanics, Lloyd was forced at second, by Moores, Ahearn died at second, and Moores at first when Shirley struck out.

For the fifth scramble Mersereau and Lavoie had both safe hits, and Mersereau stole third on Floyd's error, but died there on Woods out at first. Mechanics were out 1, 2, 3 while the shades of night were gathering and the raindrops patter.

## TOWN COUNCIL

Continued from Page 1

Lunam the matter of fixing the Assessment was held over till next week.

The Town Solicitor read a letter from Supt. Price regarding the subway street, and resolution as drafted by him taking over the street was adopted by council.

The Town Solicitor also presented deed and plan of that part of O'Leary street purchased from Mr. Thos. Ellsworth. One or two minor matters were yet to be made right, and council authorized that payment would be made on the instructions of the Town Solicitor.

Councillor Pinault from the Public Property and Streets committee asked permission to lay down a concrete side-walk from West side of John Cameron's lot to the East side of Subway at a cost of \$486. Matter held over till the assessment was arranged.

Councillor Pinault asked the indulgence of the council to refer to two matters. He regretted that in the appointment of assessors there was no French representative, which had always been in previous years, but as the assessors had been notified of their appointment and sworn in nothing was done in the matter by the council. The second point the Dr. brought up was the matter of granting aid to the hospital. He cited the case of the county council voting the sum of \$1500 after the fire which was blocked by the Town Council. Councillor Pinault said that many patients were treated both from town and county who never paid for the services rendered, and he thought that the town and county should pay for these cases.

The Town Solicitor in reply said that the case Councillor Pinault spoke of would be remembered by all. The county council voted a grant of \$1000 to the town and \$1500 to the hospital. At that time Campbellton was paying about 40% of the total taxes, and because the council considered that the people of the town had enough to do, they asked their representative and the solicitor to appear before the county council not to oppose the grant, but to ask that the town of Campbellton be relieved from its provisions, that being to be free from taxation for this particular grant. The county council would not do this, showing that they were not sincere in their desire to help at that time. Nothing definite was done in the matter although the council expressed its sympathy with the proposal that aid should be given the hospital.

Mr. S. W. Dimock who was present was given permission to be heard before the council. He said that in this late hour he did not wish to keep the council waiting and would be very brief. He went over the proceedings which have already been published in these columns, and said that he had a proposition to put before the council. His offer was that in consideration of the town dropping all proceedings against him, he offered to pay a fee of \$300 in advance, dating from 1st July for a full theatrical license to cover moving pictures and all entertainments in the opera house, this to be the fixed fee for all such places of entertainment, and no license to be granted for less than one year.

Councillor Pinault said he could not see how if \$200 was too big a fee, Mr. Dimock could offer \$300, and thought there must be something wrong. Mr. Dimock in reply stated that the amount he was offering was little more than he would pay with the license fee at \$200, as the average amount he had paid for theatrical entertainments was \$78 per year, and the offer he was now making was to include everything. He also pointed out to Councillor Pinault that he had nothing to do with the prices charged by theatrical companies, they made their own prices and that all local and amateur shows were not charged fees.

Councillor White moved and Councillor Ferguson seconded that Mr. Dimock's offer be accepted. The Town Solicitor said that

this had better go through as a resolution, and one was drafted by him, in accordance with Mr. Dimock's offer with the words added "for a year of part of a year". Resolution carried Councillor Pinault voting nay.

Mr. Dimock then thanked the council and withdrew.

Councillors Alexander, White and Pinault were appointed a committee to secure an option on certain plans of the town from the McMillan estate.

The Water and Sewerage committee were authorized to proceed with the building of a sewer under the subway at an estimated cost of \$2215.81. Work to be done by day's work.

Councillor Ferguson submitted prices for proposed new horse stall. He had received several tenders but had no plans or specifications to supply to contractors. The fire committee were authorized to proceed with the work, the cost not to exceed \$120.

In reply to questions it was stated the fire alarm bell would be in position about the middle of July. Councillor White from the Electric Light committee brought up the matter of another producer which was to cost \$5490. A representative from the Canada Foundry Co. was present and explained why the cost seemed so high compared with the previous prices. He stated that this producer was double the capacity of the ones in use, and was quoted with all necessary piping, etc., for installing. The council felt that this sum was so much higher than the original cost, that other prices should be got, and they were informed that this was the only firm that made this producer. In the end the matter was held over till next meeting.

Council then adjourned.

## BOARD OF TRADE

Continued from Page 1

already high cost of living.

Thereafter Resolved that this Board of Trade do hereby protest against the said increase of freight rates, believing that it is entirely unnecessary for the following reasons:

1. Because the earning of the Railway last year greatly exceeded the operating expenses, the surplus being over a million dollars.

2. Because the Intercolonial Railway is really "The People's Railway" and as such should be operated in the interests of all the people.

3. Because one of the fundamental principles underlying the building and extension of the Railway was not that it should be operated for revenue, but that it should serve the interests of all the people at a minimum of cost.

4. Because there is discrimination shown in this increase by reason of the fact that the through freight rates have not been increased and the further fact that there has been no increase in charges on the canal system, thereby unduly burdening one section of the people more than another.

5. Because the said increase will open the way for a further advance in the freight rates of other railway lines, whose tariffs are already as high as patrons can afford to pay.

In a report from the Council of the Board of Trade the announcement was made that the car shortage which did so much injury to the export trade earlier in the season had been relieved and that now there were sufficient cars to supply the demand.

Altogether the meeting was a very interesting one, the only regret being that more of the business men do not attend and assist in the good work.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them.

Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
