## "NONPAREIL" Billiard

SHARKEY'S BUILDING, OPP. OFFICERS' BARRACKS, QUEEN ST. FREDERICTON, N. B.

THIS HALL has been newly fitted up and handsomely furnished, and for room, light, ventilation and neatness, compares most favorably with any Billiard Hall in the Dominion. The Billiard and Pool Tables are pronounced by players to be superior to any now in use in this Province. They are the BRILLIANT NOVELTY, size, 4½ x 9 feet.

The main object in the construction of the Brilliant Novelty, and the one most noticeble, is that it embodies all the more salient or most important features that have rendered popular all the other styles of tables of The J. M. Brunswick & Balke Co.'s make. The Billiant Novelty has all the advantages and good points, including the respective inlays claimed by the "Nonpareil" and "Exposition," "Novelty," "Acme" and "Amaranth" Tables. The "Brilliant' is a happy combination of all those celebrated tables, and has rapidly taken the foremost place in the estimation of all players of Billiard and Pool Tables. The "Novelty" is finished and handsomely inlaid in many different colors, made up from California Laurel, Burl Ash, French Walnut, Birds Eye Maple; Mahogany, Rose Wood, Tulip Wood and Ebony. It is supplied with the finest of Vermont Slate bed, Simonis Cloth, and a first-class outfit of everything neccessory.
