S. S. MILLER WILL BE COUNTY CHAIRMAN

In the Victory Loan Drive—Dr.
Paddington Chairman for
Victoria Co.

A few days ago S. S. Miller of Hartland received a telegram from Sir W. T. White, minister of finance, asking him to accept the county chairmanship for the Victory Loan Drive about to be launched. It is understood that B. W. Mair of Woodstock, who so capably performed the arduous duties of the office in the last drive, could not, for good reasons, undertake the work again. Carleton county was excellently organized last year, and Brighton parish, of which Mr. Miller was chairman, outdistanced all the other parishes in perfection of organization and in loans effected. Rather naturally, then, Mr. Miller has the distinction of being chosen for the drive about to be launched. His success in his private business, and the whole heartedness with which he carries out any project he undertakes, assures Carleton county being again in the front rank.

The organizing of Victoria county is also in capable hands and a good showing is sure to be made in that progressive and patriotic county.

The new loan will be for the immense sum of \$500,000,000, two-thirds as much as the total of three previous loans. New Brunswick's assessment is \$13,000,000 and that of Carleton county \$1,500,000. The bonds will be tax exempt but the rate of interest has not yet been announced.

In a few days Mr. Miller, Dr. Paddington and Mr. Mair will go to St. John to confer with the other county chairmen and the provin-

cial executive, of whom T. H. Estabrooks is chairman.

Hartland Girls Offered Fine Positions

Miss Helen Plummer, B. A., of the Hartland teaching staff, has been offered, and left yesterday to accept a position as teacher of Science in the High School of Quebec city. The salary is close to four figures. Miss Plummer was graduated from Mount Allison in June, and had the honor of being valedictorian of her class. All through her university career she won distinction, taking scholarships, medals and prizes. She is the only daughter of Mr. and Mrs. A. Plummer. Miss Ella Kearney of Fredericton has taken Miss Plummer's school here.

Miss Sadie Barnett, another Hartland girl and teacher, daughter of the late John Barnett, Esq., has also been offered a position as assistant teacher of Household Science at Mount Allison Ladies' College. Whether she will accept or not was still in doubt when this article was penned. Both girls are congratulated on the recognition their genius and ability has won.

Mrs. C. S. Young

The wife of Rev. C. S. Young, pastor of the United Baptist church at Lower Millstream, died after a short illness. Besides her husband she leaves three children, twins of three years of age and a baby boy a few weeks old. She was thirty-six years of age and was formerly Miss Helena Belle Peterson, of Tracy's Mills. The funeral will be held at Tracy's Mills Friday afternoon at three o'clock.

Announcement is made of the coming marriage of Miss Winnifred Queenie Drake, daughter of John Drake of Fielding, to Charles Frank Ebbett, the ceremony to take place at the bride's home on Sept. 18.

TAG DAY FOR THE SAILORS

Friday and Saturday are "tag days" in Hartland and vicinity for the purpose of raising money to aid the bereft families of the British Navy and Merchant Marines. It is the noble and daring work of these men that protects our shores from invasion by the Hun, and who carry food and supplies to our boys at the front. For this work the government pays a comparatively small wage and provides no pension for dependents. Give, and give with a realization that but for the fleet America would long ago have been over run by the cruel Germans, YOUR home despoiled, YOUR women violated, YOUR children butchered and maimed. Don't give cents—give dollars! Principal C. D. Dickson, of Hartland school, is secretary of the fund being gathered in this vicinity, and this week is the week that New Brunswick is looked to to raise \$25,000.

Widow of Dr. Jos. McLeod Dead

On Tuesday morning, at the home of her daughter, Mrs. Fred J. Boyer, Victoria, the death occurred of Jane Fulton, relict of the late Rev. Joseph McLeod, D.D., of Fredericton. She had been ill for a long time and was 74 years of age. She is survived by two sons, Lt. Col. H. F. McLeod, M. P., and Capt. Norman McLeod, in France and three daughters, Mrs. Blanchard Fowler of St. John, Mrs. Maurice White of South Africa, and Mrs. J. P. Boyer at Victoria. Her maiden name was Soulers and she was born at Upper Kent.

Services were conducted at the house yesterday afternoon and the remains were taken on the afternoon express to Fredericton where today funeral will be held. Services at the house were conducted by Rev. J. D. Wetmore and at Fredericton by Rev. J. E. Wilson.

Potato Grading

Hon. J. F. Tweeddale has taken up with Hon. F. B. Carvell the question of uniformity in potato grading regulations in Canada and the United States and has been assured that the matter will be considered at Ottawa. This question is of importance to the farmers and potato shippers of New Brunswick as the United States market each year takes a large proportion of the potato crop of this part of Canada.

Rev. F. H. Howell Dead

On Aug. 29 Rev. Frederic Hyde Howell, rector of St. Ansgar's church at New Denmark died in St. John after a long illness. Besides his wife he leaves one son, Frederic, in England, and a daughter, Madeleine, at home. For four years he was missionary priest in the Danish Settlement and the fruits of his labor there will be a memorial to him for many generations to come.

Mabel Beatrice Smith

Friends of Coun. and Mrs. Fred W. Smith of Windsor are condoling with them in the loss of their 13-year-old daughter, Mabel Beatrice, who died on Aug. 14 of meningitis. She was a bright and lovable child and her death cast a gloom over the community.

Grand Falls Mourns a Hero.

Sad news came to our town on Wednesday, Aug. 21, when Mr. and Mrs. W. M. Pirie received a telegram from Ottawa telling them that their son, Corporal Thomas H. Pirie, had been killed in action on Aug. 8. Corporal Pirie was only nineteen years old. He enlisted in Jan. 1916 in the 115th Battalion. He went overseas in Aug., 1916, and was transferred to the 25th Batt. He won his corporal stripes not so long ago on the field. He and Reid West, who fell about a year ago in France, in action, were schoolmates and chums all their short lives. Corporal Pirie was the third son of Wm. and Mrs. Pirie of this town. There are three brothers, Fred and Harold at home, Charlie in Vancouver and four sisters, Miss Alice in the Royal Bank, Marie, Ruth and Jane at home. Their very many friends and the whole community feel very deeply the death of this young man. A memorial service was held in the First Presbyterian church on Sunday morning. Rev. W. K. Reid gave a very able and impressive sermon from the words "And greater works than these shall he do." The church was filled to its utmost capacity and a number could not get in. The soldiers from the N. T. B. Station who are there as guards over the German workmen attended the service, about twenty of them. They marched to and from the Station. Part of the service was the singing by a male quartette, C. O. White, E. Wiley, Rev. W. K. Reid and F. L. Dixon, of "Nearer my God to Thee." The altar was draped with the colors and there were also beautiful flowers. Many friends and relatives came from the adjoining villages to attend the service.

Mrs. L. Stevens of Fort Fairfield was in town for the weekend.

Mayor D. J. Collins and Walter Powers, Mr. McMonagle were in St. John last week.

Mrs. L. Eg of Boston, Mrs. Wellington of Unity, Mr. Mrs. Britton of Monticello and Geo. Britton and Rob. Carpenter of Bloomfield were guests of Mrs.

Miss Nan Logan has just returned from a visit to her home in Marysville.

Mr. and Mrs. Lee Wright were the guests of N. Wright on Saturday.

Miss Sadie Toland has left the Telephone Co. and has accepted a position with the Fraser Co. All are sorry to see her leave the office.

Kilburn Red Cross

The Red Cross Society met last Friday at the home of Mrs. Murray B. Grant. The ticket was drawn on the crocheted yoke donated by Mrs. C. H. McLaughlin of Coronation. The owner of the lucky ticket proved to be Miss Freedom Hummel of Bairdville. Ten dollars was realized from the sale of these tickets, which will be used to buy material for the work. The members of the society wish to tender their thanks and appreciation to Mrs. McLaughlin for her donation which resulted in such a generous amount being added to the funds. The next meeting will be held at Mrs. Orin Hallett's on Sept. 6, each member taking their own luncheon.

Head Rule to Pass the Crisis Safely—Prove that Lydia E. Pinkham's Vegetable Compound Can Be Relied Upon.

Urbana, Ill.—"During Change of Life, I suffered from nervousness, 'hot flashes,' headache, and all the other symptoms of the change of life. I felt that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the change of life. I bought a bottle and took it. I soon began to gain in strength and the nervous symptoms disappeared. I am now well and strong. I can do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the change of life. Mrs. Frank Himes, 1116 N. Orchard St., Urbana, Ill."

Women who suffer from nervousness, "hot flashes," headache, and all the other symptoms of the change of life, should try this famous and reliable compound, Lydia E. Pinkham's Vegetable Compound.

British Ships After the War.

There is nothing meaty-mouthed about a report which has been prepared by a British committee appointed "to consider the position of the shipping and ship-building industries after the war, especially in relation to international competition, and to report what measures, if any, are necessary or desirable in order to safeguard that position."

The committee have based their recommendations on two hypotheses: (1) That the maritime ascendancy of the Empire must be maintained; all costs; (2) That the grave waste sustained by the mercantile marine must be repaired without delay.

The committee frankly says: "We consider that no ship should be surrendered which did not not only force the surrender of enemy shipping and inflict drastic and exemplary punishment for the enemy's crime of war."

"Enemy countries should be required as a condition of peace: (a) To surrender to the Allies all their merchant shipping, whether in enemy ports at the close of hostilities or in ports of countries still neutral; (b) To forfeit all ships laid up since the outbreak of hostilities in ports of countries that have become involved in war or have broken off diplomatic relations with them; and (c) To restore to the Allies all Allied shipping that may have come into their possession since the outbreak of hostilities."

The committee is not in favor of Government operation or ownership of either shipbuilding or shipping after the war and urges the release of shipping from Government control as soon as possible. The report urges the prosecution of an energetic shipbuilding program after the war.

A Difficult Conversation.

A British sailor and a French marine having met by chance in one of those places where liquid cheer is to be had over a length of polished mahogany, got into a confidential discussion of the relative merits of certain new ships of their respective navies. With his smattering of New York English, the Frenchman managed to hold up his end of the conversation fairly well, but there were times when the cockney of his companion went a bit over his head. The Britisher was trying to impress him with the superior qualities of a certain new British man-o'-war of the latest type. The marine smiled pleasantly, but it was plain that he did not quite "get" what the other was saying. "Ye see," explained the Britisher, "it's like this. She don't burn no coals, ye know. Not she. Ye just turn on the faucet and let 'er go."

The Censor.

Once a year, says a London Daily Chronicle reader, I write to a Scotch friend in California a long letter containing all news of different members of the family and friends. I never write a small but very legible hand. To my surprise the censor returned my letter with a notice from which I quote the relative extracts: "Anyone who writes an unnecessary letter, an unnecessarily long letter, or one that is not easily read, is therefore wasting manpower. Please help to reduce the censoring staff by rewriting this letter so that it may be quickly read and forwarded."

YOU want to sell Your FARM!

I want to! I help you!

I have made a careful study of the problem of bringing the man who wants to buy into communication with the man who wants to sell, and the results attained are a guarantee of the success of my system of operation. During the eight years of my experience in the Real Estate business nearly Two hundred Farms have been sold through my agency, representing values aggregating over Half a Million Dollars. I have at present thirty-two applications for farms in Carleton County for the Spring 1918. If you want to sell your farm at a fair value, communicate with me at once.

Don't Waste Your Time and Mine if You Are Looking For More Than Your Farm is Worth.

NOTICE

Of Importance to Automobile Manufacturers, Dealers, Buyers

Realizing the acute situation regarding the fuel and steel supply for manufacturing war munitions, an influential delegation representing the Automobile manufacturers of the United States, voluntarily offered to reduce their automobile production 50% devoting 50% of their production to war munitions.

This offer has evidently been refused as the United States War Trade Board has ruled they must be on 100% War Productions by January 1 next.

If you contemplate purchasing a motor car within the next five years, consider the situation carefully and protect your own prices.

Although there has been an advance announced since the present stock was shipped, you still have an opportunity to buy at the old price, while the present stock lasts.

There will be advances this fall and the indications are now that new cars will be at a premium next season.

Sheep on Every Hill Side in New Brunswick

The New Brunswick Government through the Department of Agriculture has arranged with the Chartered Banks to help the Farmers—where assistance is needed—to buy Sheep.

The Department will not only arrange to buy Sheep FOR the Farmers, but will also buy good breeders FROM the Farmers—in other words, this branch of the Agricultural Department WILL SUPERVISE ALL PURCHASES AND SALES OF SHEEP.

Credit for the Purchase of Sheep

Every bona fide farmer who wishes to purchase sheep for breeding purposes and cannot pay cash may secure twelve months' credit for two-thirds of the purchase price. Go to the manager of the chartered bank in your community and place your order for the number of sheep required, accompanied with a cash payment of \$3.00 per head on grades and \$10.00 per head on pure-breds. The manager will forward the order to the Department of Agriculture; the Department will purchase the sheep and deliver them to your nearest railway station. The balance of the purchase price can be paid as follows: Two-thirds, or about \$10.00 per head, by a twelve months' note, and a cash payment of about \$2.00 per head on grade sheep.

Under the credit system not more than 24 sheep can be secured by any one farmer. Any farmer who wishes to secure a greater number and cannot purchase locally can be supplied by the Department of Agriculture for cash.

Prices

First Quality stock only will be secured. All sheep will be carefully inspected before purchasing. Mature sheep are hard to obtain, therefore ewe lambs will form the major portion of the stock distributed. Prices will range from \$13.00 to \$15.00, according to size and quality, delivered at the nearest railway station. The Department has not entered upon this as a commercial transaction—The sheep will be purchased as cheaply as possible and resold for cost price plus transportation and handling charges.

Pure Bred Rams

The Department is now purchasing pure bred lamb and shearing rams. The lamb rams will cost from \$30.00 to \$40.00 and the shearings \$35.00 to \$50.00 each. Exceptional individuals will cost from \$50.00 to \$60.00 each. The rams have been selected from reliable breeders in the Maritime Provinces, Quebec and Ontario.

Suitability of New Brunswick Farms for Sheep Production

The hilly country makes ideal conditions for sheep pasturage. Hay, roots and oats are the staple crops—they are, likewise the staple sheep foods also. The wool produced in the Maritime Provinces is the finest quality in Canada and brings the highest prices. Lamb and mutton cannot be surpassed. The system of farming followed in New Brunswick makes the keeping of a flock of sheep easy and very profitable.

The Future

H. S. Arkell, Dominion Live Stock Commissioner, states: "That sheep products have no doubt reached their maximum price, but that he cannot see any reason for a material decline in the price for at least ten years."

Unwashed wool is worth from 70c. to 80c. per pound, according to grade. Good lambs from \$10.00 to \$13.00 each. Under careful management the first clip of wool and the first crop of lambs will pay for the foundation stock.

If possible, purchase locally. Secure foundation stock from your neighbors immediately if available—Not one ewe lamb suitable for breeding should be slaughtered this year.

Procedure to Procure Sheep

If you cannot purchase locally, place your order immediately with your local bank manager; he will forward it to the Department of Agriculture, Fredericton. Unless orders are given it will be impossible to secure in time to make delivery before winter sets in.

This is a business proposition—think it over—decide and see your Banker. For further information apply to THOS. HETHERINGTON, Livestock Superintendent, Department of Agriculture, Fredericton.

J. F. TWEEDDALE,
Minister of Agriculture.

PERTH LOCALS

Mrs. Roy Green and little son Jack of Edmundston arrived in town on Thursday. After visiting relatives here for a few days they will go to Wapke to remain for some time with Mrs. Green's parents, Mr. and Mrs. John McNair.

Mrs. L. Saunders and daughter Inez returned home Saturday from a few days visit to Houlton stopping in Hartland for a day en route.

Mrs. J. W. McPhail who have been spending a few weeks with relatives and friends at the colony returned home the last of the week.

Miss A. Emmett who has been doing business during the last week in Grand Falls and vicinity returned to the village Saturday, making the trip on her bicycle.

Mr. and Mrs. John McNair of Wapke were week-end visitors in town coming down to attend the funeral of little Evelyn Anderson.

B. C. Palmer made a business trip to Montreal on Wednesday returning home on Friday.

The Misses McClay, who have been visiting their friend Miss Edith Larlee of Tobique Narrows, returned to their home in St. Stephen on Saturday.

Pte. Franklin Morehouse, son of Mr. and Mrs. Geo. Morehouse, who returned from France a short time ago, has been honorably discharged. He accompanied his mother to Fortland on Saturday for a short visit to his aunt, Mrs. J. Morris.

Mr. and Mrs. E. W. Cox enjoyed a day's outing at the colony last week.

Geo. Anderson and two daughters of Kintore were in town on Saturday.

The young set are preparing for another play entitled "Cinderella," to be presented to the impatient public sometime during the coming week. Everybody who wishes to see a first class performance at a very reasonable price should patronize "Cinderella." Money to go to S.O.A.

Friends of Cecil Lewis, son of C. W. Lewis, regret to hear that he has been wounded, with several other of our Victoria county boys.

Rev. G. A. Giberson of Bath was in town on Sunday to officiate at the funeral of Mrs. Danell Craig, who died of stomach trouble last week at her home in the west. The remains were brought to the old home in this place on Saturday. The funeral was held on Sunday afternoon from this place to the Larlee Creek Baptist church, and was very largely attended by relatives and sympathizing friends. Mrs. Craig was formerly Miss Smith. The sympathy of a host of friends goes out to the bereaved husband.

Dear little Evelyn Anderson, youngest daughter of the late William and Nellie Anderson, died at the Port Fairfield Hospital, on Thursday morning, following an operation for appendicitis the previous morning. Her age was about four years and four months. This is a particularly sad case as the father has been dead less than a year. The funeral took place at the home on Saturday afternoon. Rev. C. N. Barton preached with much feeling from the 17th psalm. A mixed quartette sang the following selections, Precious Jewels, Beautiful Home and Scatter Sunshine. There was a profusion of flowers, the parlor being a regular bower of bloom. The brothers, Sherry, Fred, Gordon, Bird and Lawrence acted as pall-bearers. The little body was laid to rest in the family lot in the Larlee Creek cemetery. Besides a widowed mother she leaves to mourn their loss, one brother Ronald in France, Miss Beulah, who just entered business College last week, Sherry Fred, Maurice, Burton and baby Jack, about two years old. The grief stricken family have the sincere sympathy of all in their great sorrow.

Many other Perth items, delayed in the mails will appear next week.

A quiet wedding took place yesterday at the home of Moody Hallett when Miss Elizabeth Briggs of Cloverdale became the wife of Douglas Hallett of Lower Windsor. The ceremony was performed by Rev. T. Spencer Crisp, pastor of the Methodist church. The bride looked charming in a dress of pale blue crepe-de-chene trimmed with lace and ribbons. The happy couple left by auto to visit Grand Falls and Presque Isle. They will reside at Lower Windsor.

FREQUENT HEADACHES

People with thin blood are much more subject to headaches than full-blooded persons, and the form of anaemia that afflicts growing girls is almost always accompanied by headaches, together with disturbance of the digestive organs.

Whenever you have constant or recurring headaches and pallor of the face, they show that the blood is thin and your efforts should be directed toward building up your blood. A fair treatment with Dr. Williams' Pink Pills will do this effectively, and the rich, red blood made by these pills will remove the headache.

More disturbances to the health are caused by their blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are undernourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders, try building up the blood with Dr. Williams' Pink Pills, and as the blood is restored to its normal condition every symptom of the trouble will disappear. There are more people who owe their present state of good health to Dr. Williams' Pink Pills than to any other medicine, and most of them do not hesitate to say so.

You can get Dr. Williams' Pink Pills through any dealers in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

Rev. C. O. Howlett, B. A., B. D., pastor of the Bath group of Baptist churches, will preach on Sept. 8 as follows: Kilburn 11 a. m., Upper Kent 3 p. m., Holmesville Corner 5.30, Bath 8 p. m.

Hartland's contingent returned to Acadia on Monday. Among the number were Weldon Ward and Jess Miller. Those who went for their first term were Mabel Morgan, Elsa Sippell and Gilbert Hatfield.

In respect to weather Labor Day was perfect. It was one of the most delightful days of the year, indeed, of a lifetime. All stores in the vicinity were closed, while, as usual, motoring was the chief pleasure indulged in.

Ernest E. Charleton, formerly of Florenceville, and later of Watertown, Mass., has been wounded in battle, having received a gunshot wound in the hand on Aug. 8. He enlisted with the 236th Ties and was transferred to the 13th Bath Royal Highlanders of Canada.

The village and surrounding country will heartily welcome next week H. Price Webber, past master in the art of being good-natured and optimistic. His Boston Comedy Co., is as clean an assembly as ever went on the road. The old-time travelling theatrical troupes have practically all gone—removed by the movies—but Price is always certain of a welcome that is ever fresh.

Miss Edna Jensen has been spending a few days Bridgewater. New milk for sale at the meat shop night and morning.

Good work horse for sale cheap by S. W. Smith, East Florenceville.

S. W. Smith offers new and second hand Ford and Chevrolet cars for sale on reasonable terms.

Meet your Friend at the Big Field Day, Island Park, Woodstock, Sept. 11. Big Patriotic Field Day.

Miss Florence Goodreau of Riley Brook was last week operated on for appendicitis at Port Fairfield hospital.

Mr. Farmer! If you need any kind of a plow or plow repairs, farm machinery or repairs for same, call and see H. N. Boyer.

We would like to welcome you at our Big Field Day for Red Cross and Soldier's Comfort at Island Park, Woodstock, Sept. 11.

Hugh W. Taylor of Woodstock, formerly of Grand Falls, was here yesterday to visit his little granddaughter, Catherine Etta Taylor.

Tickets for H. Price Webber's entertainments will be on sale at The Observer office on Monday. Price 35c for reserved seats. Come early for the best.

Mrs. George Bubar of Coldstream has been critically ill for several weeks, and the pronouncement of her physicians is that she cannot recover.

S. W. Smith, of East Florenceville, wishes to buy pulp wood of any kind and will pay highest price for stock laid down at any station. Write him.

Rev. G. A. Giberson of Bath was a caller at The Observer office today and announced the dedication of the new P. B. church at Tilley to take place on Sept. 15.

"Yes, I am going to Woodstock Wednesday Sept. 11. It is their Big Red Cross and Soldier's Comfort Field Day and I feel that I must slip. You had better come too."

C. S. Baker, the wonder-worker with flowers and vegetables, has this week been feasting on fresh strawberries. He is known as the Canadian Burbank, as well as manager of the local bank.

To the Farmers of Hartland and vicinity: If you are thinking of buying a kerosene engine this year I have the goods both in price and quality, backed by the International Harvester Co. It will pay you to call. H. N. Boyer.

In yesterday's mail there came to the editor a tattered copy of a German village newspaper, soaked in blood, and evidently taken from the body of a dead boche. The name of the troupe was not given but the envelope had been passed by the censors.

While working on a building for Frank Graham at Ashland, one day last week, John Grandemire of this town fell from a staging and, catching by the ankle, suffered a fracture thereof. His hurt was severe, but those who rescued him from his predicament claim that had he not so caught he would surely have struck on his head with probable fatal results. He was able to be brought to his home on Tuesday.

Friends of P. J. Quigg who was so, ly injured by coming into sudden contact with an auto, will be glad to know he is recovering nicely and has been able to be out for some days. His accident was not nearly so serious as first reports stated, and both he and the driver of the car claim that it was one of those unavoidable accidents that from time to time are bound to occur.

Got Rid of Bronchitis

Mr. W. H. Walker, Calmer, Alta., writes:—"I am pleased to say that Dr. Chase's Syrup of Linseed and Turpentine has done much good to myself, wife and children. My eldest girl, 7 years had bronchitis and the doctor who attended her did not seem to do much good. We got Chase's Syrup of Linseed and Turpentine for her and she soon got well. We always keep this medicine in the house now ready for use and find that it soon cures coughs and colds."

INTESTINAL PARALYSIS

"Fruit-a-lives" Quickly Relieved This Chronic Trouble

359 CARRINGTON STREET, MONTREAL.

"In my opinion, no other medicine is so sure for Constipation and Indigestion as 'Fruit-a-lives'."

I was a sufferer from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis with many headaches, belching gas, drowsiness after eating, and pain in the back.

I was induced to try 'Fruit-a-lives' and now for six months I have been entirely well. A. ROSENBERG, 505, 2nd St., for \$2.50, total size 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

LISTEN TO THIS! SAYS CORNS LIFT RIGHT OUT NOW

You restless men and women who are pestered with corns and who have at least once a week invited an awful death from backache or blood poison are now told by a Cincinnati authority to use a drug called Freestone which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the finger.

It is a sticky ether compound which dries the moment it is applied and simply shrivels the corn without irritating or even irritating the surrounding tissue of skin. It is claimed that a quarter of an ounce of Freestone will cure very little at any of the drug stores but is sufficient to cure a foot of every hard or soft corn or callus.

You are further warned that cutting at a corn is a suicidal habit.

Andover News Notes

Mrs. G. T. Baird, Mrs. Sadler, Mrs. Ivan Rivers, Miss V. Gillett, and Miss Lena McDonald motored to Fort Fairfield Friday morning.

Mrs. Benjamin Bevilacqua is spending a week or ten days with her daughter, Miss Kathleen in F. Erie on.

Stanley Waugh arrived in Andover from Toronto Friday afternoon and for a few days will be the guest of Mr. and Edward Waugh.

Mrs. James Wright is very seriously ill. Her many friends hope for her recovery.

Miss Dorothy Turner of Aroostook Junction is visiting her aunt, Miss Mebel Peat.

Mr. and Mrs. Harold Waite came up from Woodstock Saturday and for a time will visit Mr. and Mrs. S. P. Waite.

J. H. Peat spent a few days recently with his daughter, Mrs. Annie Turner of Aroostook Junction.

Mrs. W. C. Moore and little son, LeBaron, who have been visiting Mr. and Mrs. H. B. Murphy the past six weeks leave Wednesday for their home in St. John West.

We regret to hear of the illness of S. P. Waite and hope soon to hear of his recovery.

Mrs. Roy Robertson and brother Robert Watson left Saturday

A WORD FOR MOTHERS

It is wrong for mothers to neglect their aches and pains and suffer in silence—this leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are overtaxed; if you feel languid, weary or depressed, Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build up your strength.

Scott & Bowne, Toronto, Ont.

for Halifax. Mr. Watson expects to sail for England in a few days. The best wishes of all go with him for his safety.

Charles Leonard of St. John was in town during the past week.

Rev. Mr. Tingley, President of Missions, baptized seven persons in the Baptist church last Sunday morning.

Mr. and Mrs. N. J. Wooten and family have returned from a pleasant motor trip to St. John and Halifax, N. S.

Miss Gertrude Thomas, of Birch Ridge spent a few days the early part of this week with Mrs. Archie Dickson and Mrs. Henry Baird. Miss Thomas is a recent graduate from one of New York's West Hospitals, and for a time will do nursing in her home land.

Master Charles Pickett, of Hill landside, eldest son of Mr. and Mrs. C. E. Pickett, is very seriously ill with appendicitis. Dr. Rankine, of Woodstock, assisted by Dr. Mac Intosh, of Andover, performed an operation upon the little boy Monday, and at present he is resting quite comfortably.

Mr. and Mrs. Herbert Baird and Mr. and Mrs. Guy Porter arrived home Thursday, after a pleasant motor trip to Prince Edward Island.

Little Miss Lena McDonald and Master Lawrence Dickson sold sweet peas at ten cents per bunch Monday and Tuesday in aid of the Red Cross Society. They were successful in raising the sum of \$5.80 which was paid in at the Red Cross meeting Wednesday afternoon. Little Miss McDonald, who is only five years old, is an ardent Red Cross worker. For the past two or three years she has saved her cents, passing them in to the Society on her birthday and, as her birthday is in a few days, she also donated her cents which amounted to one dollar and eighty cents making a total of seven dollars and sixty cents. These little tots deserve much praise for their excellent work.

The Y. P. C. U. met Wednesday evening at the home of Mr. and Mrs. Herman Stewart, where a most interesting evening was spent. A fine program of music, readings, etc., was rendered by the members of the Union. A collection was taken which amounted to fourteen dollars. At the close of the evening ice cream was sold; the proceeds amounting to ten dollars and sixty cents. This money is to be given to the Red Cross and Soldiers' Comfort Societies.

Mr. and Mrs. F. M. Howard and son, Charles, Mrs. A. G. Ganser and John Forest motored to Riley Brook on Sunday, returning Tuesday. While at Riley Brook they were guests of Mrs. Amos Gaudet.

Mrs. G. B. Peat spent a few days recently with Mrs. C. E. Pickett, of Hillandside.

Nonshrinkable. A man purchased some red flannel shirts guaranteed not to shrink. He returned the salesman forcibly of the guarantee some weeks later.

"Have you had any difficulty with them?" the latter asked.

"No," replied the customer, "only the other morning my wife said to me, 'John, where did you get that pink coral necklace?'"—London Tit-Bits.

SAVE THE CHILDREN

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera, infantum and diarrhoea carry off thousands of little ones every summer. In most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets cure these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brookville, Ont.

fooling the Observer. The observer in the airplane tries in vain to locate the enemy gun; his eye, looking through a telescope, fails to detect its muzzle through the foliage. So he flies away and the gun is not attacked.

This is an example of camouflage as it is practiced in the European war. And this camouflage is so expert that his business of fooling the enemy has become an art. An early use of camouflage by the French was the application of paint to the guns in order to make them resemble the foliage in which they were partly concealed. However, when the guns had to be placed in the open disguise only accentuated their visibility. The protective coloration of birds and animals gave a hint to the camoufleurs who saw that they did not serve to produce invisibility. Popular Science Monthly.

NOTICE

I hereby give notice to the inhabitants of the Town of Hartland in the County of Carleton, that a requisition signed by fifty ratepayers resident in said Town, has been presented to me under the provisions of the Towns Incorporation Act, Chapter 186 of the Consolidated Statutes 1908, requesting me to hold a poll of the ratepayers of said Town to determine the question as to whether they will become incorporated or not under the provisions of said Chapter.

That under the provisions of said Chapter I fixed the boundaries of said Town as follows, that is to say: BEGINNING where the western prolongation of the southern line of Lot Number 49 in the Parish of Brighton in said County granted by the Crown to Robert Hallett strikes the centre or middle line of the River Saint John, thence southerly along said centre line of said River and following the western channel thereof, between the lower Becaguine Island or Matheson's Island, so called, and the western bank or shore of said river to a point where the western prolongation of the north side of the road leading from the main highway road on the eastern side of said river below Flemming's mill, so called, to Ashland and Highgate strikes said centre line of said River, thence easterly along said westerly prolongation and the north side of said road to the rear or base line of the granted lands fronting on the eastern side of said River Saint John, thence northerly along said rear or base line to said southern line of said Lot Number 49, and thence westerly along the same and the western prolongation thereof to the place of beginning.

All those ratepayers residing and holding property within the above limits, and all ratepayers liable to be rated under section 76 of said Act shall be entitled to vote.

I further give notice so the ratepayers of said Town that I will on the 28th day of September A. D. 1918 at the House at said Town of Hartland hold a poll at which all ratepayers entitled to vote as aforesaid are invited to attend and record their votes. The poll will open at ten o'clock in the morning and remain open till four o'clock in the afternoon. The voting will be by ballot; those desiring to vote for the incorporation of the Town shall deposit one ballot, either written or printed, marked "For," and those wishing to vote against incorporation of the Town, shall deposit one ballot, either written or printed marked "Against." Of which let all parties take notice and govern themselves accordingly.

What Japan Wants.

It was not until 1911 that ambitious and modernized Japan gained, by treaty revision, a place of unconditional equality at the council table of the world's first-class powers. Having gained it, she has been zealous to maintain it. She has adopted the navy regime of Britain, the army system of Germany, and the commercial methods of America. Her flag is in all the seas. The white banner with the red sun in the centre, and the absolutely the waters of the Pacific Basin. She could to-day capture every port—British, French, Dutch, American and Chinese—in the far eastern waters. But her ambition, though keen, does not lead to rashness. She is friendly to America, and America and Japan should enter into an alliance even more close and friendly than the Anglo-Japanese agreement.

The Japanese people are fascinating. I doubt if any people in the world have been more misrepresented and maligned. Properly understood and guided, Japan is fair to lead the eastern two-thirds of the human race into paths of education, commercial, well-being and moral and spiritual achievement. We might as well agree first as last that the Oriental has as much right to "life, liberty and the pursuit of happiness" as any other human—if he uses his liberty for uplift and progress.

And now, what does she want? The answer is just one thing—fair play. That is a simple, plain Anglo-Saxon demand. Naturally she wants an unhampered chance to develop her large sphere of influence in Korea and Manchuria. She feels that her recent advancement and achievements in civilization have given her a national responsibility to the Far East. Her favorable geographical position implies a sort of guardianship.

Japan's pride has been developed by her victories. She is still a youth in modern statecraft. She has a safety conception of her role as steward of good things for the Orient. Her enthusiasm should be taken at its face value.—Fred B. Fisher, in World Outlook.

GIRLS! WHITEN YOUR SKIN WITH LEMON JUICE

Make a beauty lotion for a few cents to remove tan, freckles, sallowness.

Your grocer has the lemons and any drug store or toilet counter will supply you with the essence of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a most effective and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and you will see how freckles, tan, sallowness and redness, roughness, dryness and how smooth, soft and clear the skin becomes. Test it. It is harmless, and the beautiful results will surprise you.

What Will You Do For Help?

FARM help is scarce, but this condition can be relieved to a marked degree by using machines that accomplish more work in a given time with less man power.

Why should the farmer cling to horses—a slow, expensive means of power—when every other business is adopting the truck and thereby reducing the cost of hauling, speeding up deliveries, and saving for human needs the food that the horses would otherwise consume?

The motor driven truck can work constantly at maximum load under the burning summer sun, or in the coldest weather. Unlike the horse it needs no rests while working. It eats only while in actual use, and when the day's work is done it requires very little attention, and leaves you free for other "chores" about the place. Then, it can be housed in one quarter the space of the horses, wagon and harness it replaces.

It is a mistaken idea that a truck is useful only for driving upon paved roads. The Ford can be driven all over the farm, and used for hauling grain, potatoes, fruit, roots, fertilizer, wood, stock, milk or any other product. The speed it travels, the time it saves, and its low upkeep cost appeal very strongly to all users of the Ford Truck. If you need help, order your Ford One Ton Truck today.
