A BRIEF CLOSING

Historic Session of Quebec House Winds Up To-day.

Members Thanked for Their Assiduous Work.

QUEBEC, Feb. 19.—After a stormy session, made memorable by the Montreal Daily Mail grat exposure and the resignation of the three bribe takers named by it, J. O. Mousseau, L. P. Berard and Achille Beauguin, the Quebec legislature was prorogued this morning by His Honor, Sir Francois Langelier, the lieutenant-governor, in the following speech: Honorable gentlemen of the legislative council: Gentlemen of the legislative assembly:

You have finished the work of a long session and I congratulate you for the assiduity and attention you have displayed in the performance of your duties. It has afforded me pleasure to sanction the important measures you have passed, and I am confident that they will contribute to the welfare and happiness of our people. Gentlemen of the legislative assembly: In his majesty's speech, I thank you for the supplies you have generously voted for the various public services. I will see that they are expended intelligently and economically. Honorable gentlemen of the legislative council: Gentlemen of the legislative assembly: In closing this session I beg Divine Providence to shower its blessings on you, on your families, and on our province.

MANY INJURED IN STREET CRASH

Indianapolis Has Serious Street Railway Accident

INDIANAPOLIS, Ind., Feb. 19.—The thirty-one persons injured in the street car accident near the Virginia avenue viaduct last night in which four men were killed were reported to be in an improved condition to-day at various hospitals. It was believed the death list would not be increased, although some of the injured will be maimed for life. The four dead are: James Horan, 15; Jacob K. Hardy, 46; Fletcher Roark, 52; Harry Oliver 28.

More Surprises. The Stamford boxes contained some surprises in No. 1, the original count was 62 "dry" and 38 "wet," a majority of 5. The judges' count showed 63 "dry" and 39 "wet," a majority of 4. The deputy returning officer reported 101 ballots unused, whereas 102 were found in the box. One ballot was marked both "wet" and "dry" and in the opinion of counsel this ballot was originally counted on either one side or the other and subsequently it received the additional mark. The court does not agree with the statement of the deputy returning officer as found in the box. It was agreed that the officials of the poll should be brought to give evidence. In 5 B one "dry" ballot was found loose in the box, while all the others were in sealed envelopes. It was agreed that the deputy should be called in this case also. It was in No. 6 that the most astonishing discovery was made. This poll, Alex. Huggins, deputy returning officer gave 45 "dry" and 60 "wet." The judge's count was 41 "dry" and 64 "wet," an increase in the "wet" majority from 15 to 23. Four ballots were taken off the "dry" count, four ballots were added on the "wet" count, and four ballots were found in the box, all marked "wet," none of them having the deputy's initial and all four similarly marked as to the size and position of the cross and the manner in which it is made. Three of these ballots were put up together, the last three on the pack and the fourth was found on a search.

32 LIQUOR MEN TO BE ARRAIGNED

"Spotters" Have Made Round Up of Hotel Proprietors in Waterloo.

BERLIN, Feb. 19.—Wholesale prosecutions of hotelmen in Waterloo county are being made by Inspector Ayles, of the Provincial Licenses Department, who has had spotters in this vicinity for several weeks. No less than 32 hotel proprietors and bartenders will have to appear in police court on Friday to answer various charges of infractions of the Liquor License Act. Almost every hotelman in Waterloo, Woolwich and Wellesley Townships have been summoned, the chief complaint being that of selling liquor during prohibited hours. Berlin, Waterloo, Bridgeport and New Germany hotelmen are included. The defendants are engaging Mr. Haverson, K.C., of Toronto, to defend them.

A militant suffragette attacked Baron Weardale with a whip, mistaking him for Premier Asquith.

Dr. Preston Is in Cabinet

Cabinet Meeting Was Held Yesterday Morning.

TORONTO, Ont., Feb. 18.—Although Sir James Whitney, greatly to his regret, could not gratify his wish and attend the opening of the Legislature Wednesday afternoon, he has so far recovered that he was able in the morning to hold a conference with the other cabinet ministers, and he selected Richard Franklin Preston M.D., M.P.P., for North Lanark, to fill the vacant chair at the Cabinet council as minister without portfolio.

WET MAJORITY IS INCREASED IN WELLAND

But Many Irregularities Are Found in the Ballot Boxes

WELLAND, Feb. 19.—The Canadian Temperance Act election scrutiny continued yesterday and revealed still further discrepancies. The "wet" majority stands at 25, an increase from 6. The original count of No. 1 A, Fort Erie, was 29 dry and 99 wet. The ballots in the box showed 28 dry and 99 wet, an addition of 7 to the wet majority. The statements found in the box were undated and unsigned. One ballot was taken out of the pack because it had been marked "dry" and then erased and marked "wet." "I will reserve this erased ballot," said W. E. Raney, K.C., counsel for the Temperance forces, "and we will call the deputy and scrutineers to explain the discrepancy." The ballot papers given out, according to the returning officer, were 135; the deputy returning officer's account for 126 used, spoiled, and rejected, and 48 unused, a total of 174. In 1 B, Fort Erie, the ballots were all numbered 17 on the back. Four ballots were found to have been changed by the cross and marking it the opposite way, two from "dry" to "wet" and two from "wet" to "dry." The box was three short of the number of ballots furnished and it was stated to the court that these had been destroyed. Judge Livingstone pointed out that erasures were being found on both sides.

Mr Raney "There is this difference, there is here no attempt to conceal the erasures, it is not carefully done." In poll No. 6, Pelham, seven "dry" ballots were found numbered as follows—13, 5, 14, 80, 85 and 135. All the other ballots were numbered 24. The question as to the final disposition of these ballots was not decided.

The Stamford boxes contained some surprises in No. 1, the original count was 62 "dry" and 38 "wet," a majority of 5. The judges' count showed 63 "dry" and 39 "wet," a majority of 4. The deputy returning officer reported 101 ballots unused, whereas 102 were found in the box. One ballot was marked both "wet" and "dry" and in the opinion of counsel this ballot was originally counted on either one side or the other and subsequently it received the additional mark. Three of these ballots were put up together, the last three on the pack and the fourth was found on a search.

COLIN CAMPBELL RETIRES.

WINNIPEG, Feb. 19.—Conservatives of Morris constituency chose Jacques Parent of Letellier as their candidate for the Legislature in succession to Hon. Colin H. Campbell the present member, who, owing to ill-health, which caused his resignation from the cabinet, will not again seek election.

SOCIETY WASH COMPLETED IN FRANCE

Divorce Granted to Clarence H. McKay who Inherited Thirty Millions

NEW YORK, Feb. 19.—The announcement to-day that Clarence H. McKay, financier and president of the Postal Telegraph-Cable Co., and Catherine Duer McKay, his wife, had been granted a mutual divorce by the French courts on February 11, came as a surprise, not because it was unexpected, but because of the place and manner in which the decree was granted. For many months the couple had been living apart and society's only query was when a suit for divorce would be filed. It was thought Portland, Me., would be the place as Mrs. McKay leased a house and established a residence there, but early in the year she left her Maine home for Paris and soon afterwards her husband appeared in the French capital.

There were rumors of a reconciliation then, but these were denied by Mr. McKay. It now appears that the trip of the two to Paris was in accordance with a plan agreed upon when the separation suit of Mrs. Joseph A. Blake against Dr. Joseph A. Blake, the famous surgeon, was decided in the wife's favor without cost and Mrs. Blake dropped her suit for \$2,000,000 against Mrs. McKay for alienating Dr. Blake's affections. Counsel for both Mr. and Mrs. McKay made announcement of the mutual divorce last night. Both statements were brief. They recited that both sides charged desertion, Mrs. McKay filing suit first. Mr. McKay followed with a contempt suit. The decree, it was stated, gave custody of the couple's three children to Mr. McKay, with the right to visit them accorded to Mrs. McKay. Mutual divorces, it was explained, were permissible under the French law.

It was also explained that the French courts had jurisdiction as both parties to the suit had apartments in Paris for a considerable time. In this connection a report was published here that Mrs. McKay had renounced her American citizenship in order to bring the suit, but this was not confirmed. No mention was made in the lawyers' statements of any financial settlement. Monetary matters were arranged, it is understood, a year ago when Mrs. McKay signed over her title to the magnificent estate at Roslyn, L.I., to her son. This estate was given to her by her father-in-law, the late John W. MacKay, of Bonanza fame.

Mr. MacKay, who is in town with two of his children, the eldest being at school in Connecticut, had nothing to add to the story told by the attorneys. Mrs. MacKay is still in Paris. Clarence H. MacKay is forty years of age. He inherited nearly \$30,000,000 from his father. Since he came into this patrimony twelve years ago, the head of the vast MacKay properties is said to have almost doubled their worth. He married Catherine Duer in 1898. She is the descendant of an old Knickerbocker family, and the social prominence she gained through her beauty and charm as the mistress of the Mackay fortunes, was added to by her ability as a writer and her interests in sociological and educational problems. In 1904 she published a novel called "The Stone of Destiny." The Mackays children are Catharine, 14; Ellen 10, and John William 6.

Naval Manoeuvres Have Been Abandoned

LONDON, Feb. 19.—The Daily Mail says the British naval manoeuvres for 1914 have been abandoned, ostensibly on the ground that there is nothing more to be learned from naval manoeuvres, all that was necessary having been ascertained in 1913. The paper adds that the real reason is a desire for economy in the Admiralty, to save the \$2,500,000, which the manoeuvres would cost. It is recalled that the manoeuvres of 1907 were abandoned for the sake of economy.

National Crisis Appears In Ulster's Grim Fight

NEW YORK, Feb. 19.—A London cable to the New York Times this morning says: The London Times, in an editorial this morning on the Irish question, strikes the following grave note:

"The speeches of Mr. Arthur J. Balfour and of Sir Edward Carson in the city yesterday, and the letter from Sir Frederick Harris to the Prime Minister, must deepen the growing sense of thoughtful men that we have entered upon a crisis without a parallel in our history since the days of the Long Parliament. They warn us how near we are drawing to a calamity so unspeakable that the nation even yet is but beginning to think it possible.

"It has become the first duty of all who realize what that catastrophe means, and how close to us it is, to warn the public to fix their thoughts upon this one issue without being diverted from it by minor questions which arise from day to day. Important though many of these may be in themselves, they sink into insignificance compared with the menace which has arisen to our civic peace.

RHODES SCHOLARS DO NOT REMAIN

Only 11 Out of 431 Have Taken Up Their Life Work in England.

NEW YORK, Feb. 19.—A cable to The New York Times from London says: The annual statement of the Rhodes Scholarship trust, issued yesterday, shows that in 1913, 74 scholars, representing all the principal British colonies, the United States and Germany entered Oxford University as Rhodes scholars. The Times, outlining the work done by Rhodes scholars, says that on the whole they seem to be standing the test of Oxford education fairly well in all subjects except classics. Only one first-class was obtained in literature, and that by an American scholar from the Pacific coast.

Nobility Goes Into Business

Earl of Scarborough Will Start a Restaurant.

NEW YORK, Feb. 19.—A cable to the Tribune from London says: Like many another member of the old British nobility, the Earl of Scarborough has decided to go into trade. Before the seaside season begins he will, if the justices grant him a license, be retailing tea rolls and butter, not a charity bazaar, but every day in the week at an up-to-date restaurant at Skegness-on-sea.

STORMY SCENE IN BRITISH HOUSE

Unionists Wanted to Ban South African Labor Leaders.

LONDON, Feb. 19.—"Henry W. Thornton, the new American general manager of the Great Eastern Railway Company of England, as an undesirable alien," was the proposition advanced yesterday in the House of Commons by Will Crooks, the Labor member for Woolwich. The members of the Labor party had been greatly incensed by a demand put forward by the Unionists for legislation to prevent such "alien desperadoes" as the Labor leader, deported from South Africa, after the recent general strike, from being "dumped" into England. A storm of protest filled the house in the midst of which the burly member for Woolwich shouted: "What about Thornton, the new manager of the Great Eastern? Is he an undesirable alien?"

TWO MET DEATH ON GRAND TRUNK

NEW YORK, Feb. 19.—Robert Ashby and Donald Grant, section men on the Grand Trunk Railway main line here were struck by No. 6 fast express, westbound, this afternoon, and instantly killed and Arthur Smith, the foreman of the section sustained a broken leg and arms. The accident happened between Whitty and Oshawa and the men were taken to Oshawa. Ashby was a single man, Grant and Smith were married and all belonged in Whitty. It is reported that Smith has since died.

Car Burned Up

Express Car Filled With Packages Ablaze Enroute

STAMFORD, Conn., Feb. 19.—An express car filled with packages shipped by the American Express Company, sealed and bound from New York to White River Junction, Vt., over the New York, New Haven and Hartford Railroad, was burned out practically with its contents early today, as it reached this city. The fire was discovered while the train was passing through South Beach, but nothing could be done to check it, and word was sent ahead to have the local fire department meet the train. The loss has not been estimated, but it is believed it will be heavy. As among the packages burned were a number containing silk, valued, it is said, at several thousand dollars. How the fire started is not known.

CROWN SUBMITS A STRONG CASE

In Family Feud Out of Which Charge of Murder Has Arisen.

STE. SCHOLASTIQUE, Que., Feb. 19.—Evidence by three medical men that the gunshot wound inflicted on young John McGibbon by his cousin Leonard on the twenty-first of August, was necessarily fatal and that his recovery would have been humanly impossible even though he had been given immediate assistance was elicited by the crown in the second McGibbon murder trial which opened here yesterday. Beyond the medical evidence, a reconstruction of the scene by a neighbor, a graphic description of the coroner's inquest held at midnight by the aid of lanterns on the spot where the dead body was left and the testimony of High Constable Ouellette, who made the arrest, nothing further was brought out. To-day it is expected Elizabeth McGibbon, sister of the victim, an eye witness of the tragedy, will take the stand. In the previous hearings, the sister maintained that she had been assaulted by Peter McGibbon, when she and her brother John had gone to drive the uncle and two cousins off their property. The latter claimed to be looking for a cow which had strayed away and accused the brother and sister of hiding it. When the uncle lifted his hand to strike, says the girl, her brother threatened to shoot. She was knocked down and falling heard two shots. Jumping up, she claims the uncle then turned on her brother and struck him, the latter falling with the cry, "I am done for." Peter McGibbon, the uncle, had a slight flesh wound in the leg, probably caused by a shot from her brother's gun, while the latter was shot by his cousin. Leonard McGibbon, the only other man carrying a gun.

CANADA DEPORTED OVER 4,500 IN '11

About Half the Number Were Returned to British Isles.

OTTAWA, Feb. 19.—In the House of Commons yesterday, the Minister of Railways, told Hon. George P. Graham that the total cost of the commission which investigated the Transcontinental Railway was \$63,399. Of this Mr. F. P. Guelins received \$27,465 and Mr. G. Lynch-Staunton \$34,038. Other official services, expenses and reporting cost \$11,884. Mr. Oliver learned from Dr. Roche that since 1911, and including the first nine months of the present fiscal year, the number of deportations from Canada was 4,527, of which 2,313 were sent to the British Isles, 838 to Europe and 1,356 to other countries. The exclusions at ocean ports during the same period numbered 5,560 of which 774 came from the British Isles, 4,118 from European countries, 45 from the United States and 623 from other countries.

PRINCE OF WALES GIVES FIRST AID

Horn of Auto Frightened Driver.

OXFORD, Feb. 19.—The Prince of Wales gave prompt aid to the driver of a carriage who was injured by being thrown out of the vehicle when the horse was frightened by the tooting of the horn of the automobile in which the Prince was going to a fox hunt yesterday. The horse tried to jump a hedge when the horn was sounded, and the driver was thrown out and his leg broken. The Prince took the man into his automobile and sped to the nearest village. Not finding a surgeon he took the sufferer to another village, and left him in charge of a physician. The Prince then continued on his way to the hunt.

MAY SETTLE STRIKE TO-DAY

Following another conference this morning between representatives of the Massey-Harris Company and the coremakers, it was announced at noon to-day that there was strong hope of a peaceful settlement being arrived at. Yesterday two propositions of the men were turned down but this morning's session was attended by more happy results. The men feel that they are justified in making their case as strong as possible, particularly in view of present conditions, and they have impressed the firm with the justice of their contention in many respects. The outcome, however, is sure to mean a reduction in wages.

SCORED THE DEAL

Lord Lansdowne in House of Lords To-day

Something Wrong He Says in British Public Life

(Special to the Courier) LONDON, Feb. 19.—"There never was a more creditable gamble on the Stock Exchange than the one which took place in connection with American Marconi shares, and so disreputable was it that the Stock Exchange took the unusual course of suspending for five years a jobber concerned in it," said the Marquis of Lansdowne, leader of the Opposition in the House of Lords, when he today moved for the appointment of a select committee to enquire into the charges brought by newspapers against Lord Murray of Elibank and into all matters relating to his dealings in wireless shares. Lord Lansdowne by himself making the motion, rendered the procedure more official than it would have been had Baron Amphilith initiated it, as was at first intended. The Opposition leader said he considered that the disclosures made here shown there was something seriously amiss with British public life. As far as Lord Murray was concerned, he said it was impossible to accept the report of the committee of the House of Commons, while Lord Murray's apology in the House of Lords was no defense of his conduct. Although Lord Murray was in England for two months while the Commons committee was sitting, he never appeared before it.

NEW YEAR REVELS AT M'CONKEY'S

There Was Drinking, Also Some Kissing, According to Testimony.

[By Special Wire to The Courier] TORONTO, Feb. 18.—The case of Ernest McConkey, restaurant keeper, charged with having kept a disorderly house on New Year's eve in this city when it is alleged that a great deal of drunkenness and disorder took place while a party of Toronto's four hundred celebrated the dying hour of 1913, was before Police Magistrate Denison in the police court yesterday. About forty witnesses, all men, had been summoned to give evidence, and all but four were present. M. H. Ludwig, K. C., appeared for McConkey.

The first witness called was B. Fuery, manager of the restaurant. He testified that reservations had been made for several hundred guests at the restaurant that night. He had been present all afternoon and until 2 a.m., of January 1. Asked if there was much drinking; he said that perhaps 250 quarts of liquor had been consumed that afternoon and evening. Mr. Ernest McConkey declared that the total sales of liquor that day would be under \$1,000.

Fuery declared that drunkenness was not in evidence to the extent that had been represented. He drew a picture of a quite ordinary restaurant evening.

Head Waiter Richards, testified that he had seen no drunkenness, had not seen any women drunk, nor heard any screaming. All this was in answer to questions of the crown.

Constable Boyd testified that standing on the sidewalk he had seen women reel out drunk.

"How many?" asked the court.

"Forty or fifty," said the constable.

The constable said at least two of the women had to be helped out, almost carried.

About twenty witnesses testified and they all seemed to agree that though there was drinking, drunkenness was not much in evidence.

"Was there any kissing of women?" asked the Magistrate of several of them.

The answer invariably was that they might have kissed their wives.

"Did you kiss anyone else's wife?" one man was asked.

"No, but I may have kissed my mother."

After hearing the evidence, the case was adjourned for a week.

The magistrate remarked the similarity of the evidence would indicate that the witnesses had talked over the matter before coming into court. McConkey admitted the sale after hours for which a fine of \$40 had been imposed some time ago.

BRANTFORD MAN IS INVESTIGATING

Mr. A. Yager Looking Into Disposal of Estate of Millions.

An item in the Niagara Falls Gazette, N.Y., throws some light on a recent trip taken to England by Mr. A. Yager, of this city, to whom has been entrusted an inquiry into a big English estate. The item says: "Mr. A. Yager of Brantford, Ont., and Jonathan E. Smith, of Anglo-Bank formerly of this city, have just returned from a sojourn in England, where they were to investigate an estate which amounts to several millions dollars. They were successful in finding a will which will be probated in the near future. Mr. Yager is a man of much travel, having circled the globe eight times, visiting every country on the globe except China and Japan, which he expects to visit in the near future. Mr. J. E. Smith is one of the direct heirs and a brother of Mrs. P. Fair, of No. 15 1/2 Willow Ave., this city, also an heir. Mr. Yager and Mr. Smith wish to say they had a very pleasant voyage both coming and going to and from England. They are full of interesting reminiscences acquired while travelling. After spending the week-end with Mrs. Fair they have returned to their homes in Brantford and Anglo.

Mr. Yager, when seen to-day in connection with the above, said that his recent trip to England was primarily in behalf of paternal heirs of an estate valued at three and a half millions. Under the will, they are beneficiaries to a big extent, but as yet have not received the bequest. Mr. Yager said that sensational developments are likely to ensue, as his trip in connection with the estate was successful.

The Senate carried a resolution to appoint a committee to consider the limiting of appeals to the Privy Council.

PLEASING EVENT AT ECHO PLACE

Anglican Church Ladies Hold Most Successful Social.

The most successful social ever held at the Echo Place Anglican mission was given by the Ladies on Tuesday evening to celebrate the first anniversary of the same. The building was crowded to the doors, a large number having to stand. A good programme was put on, those taking part being: quartette, Mr. and Mrs. Lewis, Miss Patterson and Rev. C. V. Lester; speech, Mr. Chipping; songs, Mr. T. Clark, Miss Clifford, Miss Saunders, Mrs. Douglas, Mrs. Quillie, Mr. T. Clark; recitation, Miss Saunders; reading, Mrs. Chipping; Mrs. H. A. Wright acted as accompanist.

Mr. Chipping spoke of the way the mission had started, of its ups and downs, and how it was progressing now, also of the work the Ladies' Aid Society had done and were still doing to help on the work of the mission. He also stated that it was a great pleasure for him to work with Mr. Lester, and hoped he would be allowed to do so for a good many years to come.

Mr. Lester, who acted as chairman, in his remarks spoke of the work of the Ladies' Aid, and apologized to the audience for their rather uncomfortable quarters on account of being overcrowded, but he hoped that it would not happen many more times, as he said they intended building as soon as weather permits. He further said that he did not intend to talk much then, but if they wanted to hear him at his best they must come out on Sundays.

After the program, refreshments were served, which brought a very pleasant evening to an end. A large sum was realized, which was handed over to the treasurer for the mission funds.

ONE DOSE RELIEVES A COLD--NO QUININE

"Pape's Cold Compound" Ends Bad Colds or Grippe in a few Hours.

Don't stay stuffed-up. Quit blowing and sniffing. Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

HIGH COST OF LIVING
QUEBEC, Feb. 19.—Messrs. Mac-Dougall and Vincent, members of the high cost of living commission are in the city and will begin the investigation at the Chateau Frontenac tomorrow, the investigation will be held behind closed doors.

They Masqueraded

The girls of the physical class of the Y.W.C.A. spent a very pleasant evening last night when they held masquerade party. Many and beautiful were the costumes displayed, and the judges had a difficult task, selecting the prizewinners. They eventually awarded the distinction to three girls who were dressed to represent an Indian family. Maidens from the Orient were in evidence, the dress of one being sent from a town in that distant land, China. Other nationalities were well represented and the assemblage presented a pretty conglomeration of color as the multi-colored costumes flitted to and fro with the fun of the evening. Shadow pictures formed a splendid part of the entertainment, whilst songs were given and games played with gusto. After refreshments, the party broke up at the hour of ten thirty.

Annual at Home

The annual at home of the members of the Women's Hospital Aid Association was held yesterday afternoon at the Conservatory of Music and proved to be the usual brilliant success. There was a very large attendance from both the City and County. In the absence through illness of the President, Mrs. J. Waterous, the guests were received by the vice-presidents, Mrs. Livingston and Mrs. Reville. The tea tables were presided over by Mrs. Nelles, Mrs. Schell, Mrs. F. Cocksutt and Miss Carson. Mayor Spence gave an address on behalf of the Board of Governors, and Rev. Mr. Jenkins, also spoke. There were instrumental selections by the pupils at the Conservatory, a duet by Mrs. Passmore and Mr. Cornelius; vocal solos by Misses Hilma Hurley and Edith White.

Nuptial Notes

HOWEY-MULL.

A very pretty house-wedding was solemnized at the home of Mr. and Mrs. James Mull, north of Burford, on Wednesday Feb. 18, it being the marriage of Ada Evelyn, their only daughter, to Mr. Charles Howey of Burford, the house being prettily decorated for the occasion.

The bride looked charming in a handsome gown of ivory charmeuse, with pearl ornaments, with point lace trimmings with customary veil, and wearing a gold watch bracelet, the gift of the groom, and carrying a shower bouquet of bridal roses.

The bridesmaid, Miss Mary Coulbeck of Brantford, cousin of the bride was attired in shell pink satin, with shadow lace and rhinestone trimmings wearing a mob cap, carrying a basket of pink roses and carnations. The groom was supported by Mr. Melvin Van Horn, of Sarnia.

At one o'clock p. m., the wedding march was being played by Miss Dora Arnold of Brantford the bride party entered the parlor (the bride leaning on the arm of her father) and took their places beneath an arch of evergreen and a floral bell, the room being lighted by wax candles.

The inimitable Lev got off some really clever local hits at the expense of the old City Hall, the Grand Valley and other institutions, whilst Mayor Spence and other celebrities were remembered in a genial manner. Altogether it was a capital evening's enjoyment—easily the best minstrel show seen here in years.

BUILD NEW GATES

Grand Trunk Notifies City Engineer to This Effect.

Word was received yesterday by City Engineer Jones to the effect that the Grand Trunk has decided to build new gates on the south side of the Wilkins St. and they will move them to the west about 9 feet thereby making the roadway at Walsh's coal yard wider. The gates will be erected so as to open up vertically which will give the full use of the road. This is exactly what Engineer Jones asked for and he is very pleased with the manner in which the Grand Trunk have complied with the city's wishes. Work on the new gates will be started shortly and when finished the street will be much improved.

A combine of tobacco manufacturers is alleged, operating under the protection of the tariff, and discriminating against the tobacco-growing farmers of southwestern Ontario.

Music and Drama

The Primrose and Doestader Minstrel Show at the Grand last evening was a regular good old-fashioned minstrel offering which highly pleased a good sized audience. Better singing has never been heard in Brantford; the dancing was excellent and the average. The inimitable Lev got off some really clever local hits at the expense of the old City Hall, the Grand Valley and other institutions, whilst Mayor Spence and other celebrities were remembered in a genial manner. Altogether it was a capital evening's enjoyment—easily the best minstrel show seen here in years.

CITY COUNCIL IS ENDORSED

Street Railway Deal Looks Good to Trades and Labor Men.

A short but interesting meeting of the Trades and Labor Council was held last night in their labor temple. It transpired during the debate on the report of the two delegates representing the council on the recent railway committee, that the Trades and Labor Council were fully agreed on the wisdom of the resolution taken by the city and the committee, and the city council can rest assured that the T. and L. Council will be one of the ones to stand back of them when the time comes to vote for the by-law, as it was felt that if the by-law carries, the acquiring of the railway by the city will mean a great deal to those who now have so far to go to their work, in that the proposed extensions will be of immense benefit. The report of the committee was presented by Delegates Symonds and Scott in a very able manner, and the thanks of the council were tendered to them for their able co-operation in the matter. Reference was also made by the committee to the very kind and courteous manner in which the delegates of the T. and L. had been received. The attention of the council was called to the fact that there is still some bad leakage of the gas mains, particular mention being made of one being near Greenway street, and close to the railway crossing. The question of the extension and also the closing in of that part of the market where the meat is sold before the warm weather is upon us was brought up and touched upon. It was felt that the city council should attend to this and thus prevent the produce from becoming covered with disease-laden dust germs. It was felt that it would be well to take up these matters again at some future meeting. Communications were received from Mayor Spence, explaining the floor space charge of the Hydro Electric Commission, and from A. K. Bunnell to the effect that the school board would take up the Trades and Labor Council's resolution to free text books in the public schools.

Obituary

Mrs. Dealtry
Mrs. Margaret C. Dealtry died in Buffalo yesterday aged 56 years. The remains will be brought to Brantford for burial to-morrow, by the G. T. R. The deceased was the widow of Fred Dealtry, who was formerly of this city, and the remains will be laid to rest beside those of her husband, who lies buried at Greenwood cemetery. The funeral will take place to-morrow from the G. T. R. station.

HE ASSESSED THEM

Detective W. Fraser of the Grand Trunk detective force is in the city, investigating the case of the two Hungarian women and two children who were found in a box car at St. Thomas, after having stolen a ride from Niagara Falls, N.Y. The cries of the children, who were suffering from the cold, having been heard around St. Thomas yard for about 12 hours, attracted the attention of one of the brakemen, who upon opening the door found the occupants huddled in one corner of the car, nearly perished with cold and hunger. In company with Mr. Louis Stander, he paid a visit to the home of the women and after talking with them a while decided that he would let the immigration officers take action against them for stealing their way across from the American City. All he did was to assess them \$3.25 each railroad fare for the Grand Trunk.

MANIAC FOUND FROZEN STIFF

TORONTO, Feb. 19.—The body of Bart Newmans, a maniac, who disappeared from Mimico, some six miles from Toronto, was found this morning half a mile west of the Credit River, frozen to death. Newmans had divested himself of all of his clothing, folded them neatly and lain down on top of them. When found he was frozen stiff.

CALEDONIA AND SMALLPOX OUTBREAK

(By Special Wire to The Courier)
CALEDONIA, Ont., Feb. 13.—The report sent out from Hamilton that the schools, churches and moving picture theatres here were closed because of a big smallpox outbreak, is exaggerated. Whilst it is true that places where the public assemble, have been closed, this was merely done as an extraordinary measure of precaution. There are four cases under suspicion, but doctors have been unable to say definitely that any of the patients are smallpox victims.

Hockey Abroad

Mr. Hugh Livingston Tells of International Play On Ice

Mr. Hugh Livingston, who recently returned from Paris, France, left the city this morning for North Bay, where some \$100,000 worth of work awaits him, on his farm. Whilst Mr. Livingston was studying in the French capital, he met a Toronto friend, Mr. Howard Webster, who was asked soon after meeting his old Brantford chum to join the Prince's English hockey team, then playing in Switzerland, and it is remarkable that Webster and J. Clarkson, another Torontonian, scored 12 of the 48 goals which the British hockey team scored against the picked men of various countries. Through the great assistance of the two Canadians, Britain carried off the International honors and beat all opposition. Howard Webster afterwards said that the hardest team to defeat were the Germans of Berlin. The fact that the Canadians scored seven-eighths of Britain's total score shows of what invaluable aid they gave to the team. Incidentally Dr. Charles Hartley, a former Brantford boy, is one of the stars of the Kaiser's septette in Berlin.

TALE OF FINANCE HARD TO UNFOLD

How a civic employee, sort of a sub-foreman among foreign employees, as it were, accumulated a fortune of \$1,000 wherewith he is said to be returning to his native Hungary in four years time, working for the wage of 27 cents per hour, is a little problem in finance some of the civic authorities are trying to solve to-day. And yet it is stated that one man who is returning to-day to Hungary with 11 others has \$1,000 put away, and the entire party are the owners of ready cash to the extent of \$35,000 as reported in yesterday's issue.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-Time Recipe That Anybody Can Apply.
The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grand-mother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Weyth's Sage and Sulphur Hair Remedy" you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

GERMAN ENGINES FOR GREAT BRITAIN

Big Contract is Let by the Southeastern Railway.

NEW YORK, Feb. 19.—A London cable to the Tribune says: The Southeastern Railway has placed a contract for ten powerful locomotives with a German firm at Tegel near Berlin. The placing of this contract is of more than ordinary importance, for although some years ago the Great Central, the Great Northern and the Midland companies introduced a number of freight locomotives which had been built in America, and the Great Western has introduced French locomotives into its Paddington and Plymouth express service, no German built locomotives have ever been imported into Great Britain with the exception of some small narrow gauge engines for contracting purposes. Certainly none have ever been used for main line service on any British railway system.

HAD TO STOP WORK FROM THE PAIN

Suffered Ten Years Until "Fruit-a-tives" Cured Him

St. THOMAS, ONT., May 22nd, 1913. "I was troubled for ten years with the most distressing Constipation and Indigestion of the worst form. No one could have been worse with these troubles than I was for this long time. The pain from Indigestion was so severe that many times, I have had to stop work and lie down until the acute spasms passed away. I took a lot of medicine—in fact, I guess I took about everything that was advertised—and gave them all a fair test—but got no relief. About a year ago, however, I was advised to try "Fruit-a-tives". I am mighty glad I did so for they seem to be made exactly for me. They gave results in a very short time and I am now free from these diseases and enjoying perfect health. My wife also used "Fruit-a-tives" and we both think they are the best medicine ever made."

LEADING QUESTION.

Arthur Train, assistant district attorney, of New York, has a ready wit which has caused the downfall of many witnesses. This was proved recently in a divorce trial. Mr. Train was cross-examining the plaintiff, with whom he had the following tilt: "You claim this woman drinks. Is that the reason you wish to divorce her?"

"Yes sir."
"Do you drink yourself?"
"That's my business" angrily responded the irate husband.

Unmoved, Mr. Train asked this: "Have you any other business?"—Arzonant.

STIRRING ADDRESS IS GIVEN BY THE REV. M'NEILL AT ZION

Eloquent Toronto Preacher Attracted Large Gathering Last Night—Hundreds Were Turned Away—"The Bible" Was the Theme.

Never in the history of Zion church have so many people gathered together at one time as last night when Rev. John McNeill of Toronto, delivered an address in the interests of the British and Foreign Bible Society. The church was packed to the doors, chairs were put in the aisles, and hundreds were turned away. Rev. Dr. McNeill delivered a strong address on the bible.

Dr. McNeill is a very eloquent and forcible speaker, full of reality, wit and also good solid facts. He is a man of pleasing personality and has a splendid delivery, which has in it the Scotch dialect very prominently, and which makes his delivery all the more pleasing. One cannot help pay attention to him. He is decidedly a speaker who enthralled his hearers.

Mr. W. H. Whitaker, president of the local society, acted as chairman for the evening, and on the platform with him were Rev. John McNeill, the speaker of the evening, Venerable Archdeacon Mackenzie of Grace Church, Rev. C. W. Rose of Park Baptist Church, and Mr. Gibson, of the British and Foreign Bible Society of Toronto.

The meeting opened with the singing of the doxology followed by an eloquent prayer by Rev. C. W. Rose and the scripture reading by the Rev. Dr. Mackenzie. Following this, the choir rendered a very pleasing anthem.

Then followed the chairman's address by Mr. Whitaker, who spoke briefly of the work of the Bible Society and uttered a plea for more funds from the people of Brantford with which they carry on the work.

Mr. Gibson followed after the singing of a hymn, with a few words by way of a plea for money for the Society. He said Brantford's was the banner society of the country.

Since this society was organized, it has advanced rapidly in its growth and now the word of God is being preached in over 650 languages, over 10 different languages in this country. He thanked them for their gift of \$400 of last year and asked them to give even more liberally than last year.

Rev. John McNeill. The principal speaker of the evening was then introduced in the person of Rev. John McNeill. Rev. Dr. McNeill expressed his great pleasure in being present, and immediately launched into his subject.

What do I owe the bible is one of the questions I ask myself, and I carry the me back to my early days. The bible has got on the soft side of my nature. "I'm hopelessly prejudiced when I speak of my father; my father, bigoted when I speak of my mother, and I'm more prejudiced than ever when you speak of my wife. I commend the bible to be the fountain and spring of my family. You may praise the bible as much as you like, but Christianity owes nothing to the shallow worshipper."

"Let us picture the dear, dead days beyond recall, and I can see my par-

yourself sitting in the pews, you would say to yourself, "Have I got to preach to that?" You will sing, "I will sing unto God with mirth," well, if that's how you look when you are merry, how on earth do you look when you are dull? How do you expect us to preach to you when you look like that? Dull, flat, praise of the word of God is almost blasphemy to the bible."

You can't cheat God, for he reads your heart. During the past number of years the Gospel has been getting out of our lives, but now it is being reinstated.

Dr. McNeill concluded with a strong plea for greater worship in everyone's lives, which cannot help but bring great fruits and a splendid harvest.

The meeting closed with the singing of a hymn.

This report must needs open with thanksgiving. The Bible Society can say to its friends "O magnify the Lord with me and let us exalt His Name together." Our society is charged with one sacred indispensable function in the economy of our day.

These are the opening sentences of the annual report of the British Foreign Bible Society which has been presented at the anniversary in London in May last, and the statements made are fully borne out by the facts related in the body of the report. The Book still holds its place as the best seller of the year; the demand for it for the year ending March 31st, 1913, exceeded by half a million the preceding year and amounted to 7,899,562 copies of which 936,346 were bibles, 1,216,910 New Testaments and 5,666,297 portions. These portions consist mainly of Gospels or Psalms and the increase of 854,000 in number of these is of special interest as indicating that the impetus given to missions in recent years by the Student Volunteer movement, the Laymen's Missionary Movement and the like are already beginning to bear fruit.

The increased demand in the mission field is worldwide, but in no place is it more marked than in China where the circulation rose to 1,868,000. This is the more remarkable when one considers the political changes which have been and are taking place there which the Chinese spirit "have not diminished but deepened and intensified the Chinese spirit of enquiry into the Christian faith." The appeal, unique in history, of the new president of the Republic of China for the prayers of the Christian world for his country, is still fresh in our memories and together with the consciousness of the need and value of prayer which led to it, constitutes perhaps the most remarkable answer to prayer which the world has ever known.

Young people, when you mingled together, talk of religion. You are not true Christians if you don't. Talk about it when you go for a walk at night, and see how it will help you. A young person may put a hard nut in his mouth and suck the shell all day in an endeavor to get at the meat, and my friends, you are like him in religion. You are shell suckers and you haven't tasted the inside of it. You're not wealthy unless you possess the Word of God. I don't care how much of this world's goods you have.

Read the bible and you will see your own face reflected therein. You will be awfully conceited if you are not proud of what you see. Has the day come when you read the bible? For that is the qualification to become a member of the Bible Society.

Rev. Dr. McNeill went on to speak of the different forms of worship. You go to church on Sunday and you sing praises to God with your tongue and you think I'm going to heaven, but if you could only see yourself you look more like as if you were going to be hung. Then again, you criticize the minister for his being dry and dull. Well, if you could see

The work of completing partial versions and improving imperfect ones still goes on with unabated vigor, and in addition to this there have been added to new versions. Bringing the list up to 450 different notes that one of the new versions is in Esperanto which is designed to be a universal form of speech. It is perhaps too early to suggest that this is the beginning of the end of the confusion of tongues at Babel, but no language ever prevails in the world it will be through the circulation of the Holy Scriptures by some great agency such as the Bible Society.

The financial record of the year is especially gratifying, the income being the largest received in any one year in which no special was made. The report expresses disappointment that there should be a falling off in the gifts from England and Wales, but rejoices that this was more than made up by those from the overseas dominions. In this connection you will be glad to know that the Canadian Bible Society has now paid the entire cost of bible work in Canada but made the largest contribution to the parent society of any of the overseas dominions. During the last eight years over two million people have entered Canada as immigrants; over a million of these came within the last three years, last year bringing nearly 400,000. The movement has gone on so quietly that we have not realized its magnitude and its importance. The number is six times greater than the United States in any decade of its history was called upon to assist. In ten years three times as many people have come to America as Moses led out of Egypt. The Crusades covered a century and a half, and involved millions of people but more people from other lands have come to America in 6 years than swept over Europe in all the Crusades. The number in the Norman Conquest would hardly make a ripple on the sea of races now washing the shores of this Continent. The horde of barbarians, which overwhelmed Rome had no single day of more than 80,000 men. These migrations made history and their influence is yet felt. To assimilate and Christianize these incoming multitudes will supremely test our religion and the vitality of our national life and calls for statesmanship and civic devotion of the highest order. GIRLS! THICKEN AND BEAUTIFY YOUR HAIR

Bring back its glow, lustre, charm and get rid of dandruff.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance; freshness, fluffiness and an incomparable gloss and lustre, and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower; destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how moist and soft your hair really is, put a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

Whist Drive and Social.
A most enjoyable whist drive was held in the Temple building on Monday evening last under the auspices of the S.O.E. Football club. Mr. Edwards acted as chairman. Mr. J. Farmer held the floor for the whist drive. About two hundred guests were present and after the games were over dainty refreshments were served. The following programme was presented Piano solo, Miss Dorothy Milton; song, Mr. T. Southward;

During the year, three citizens, Mr. E. L. Gould and Mr. and Mrs. Albert Foster have become life members of the Society by the contribution of \$25.00 each to its funds. May we commend to others this method of assisting the work of circulating the Word as a permanent investment, certain to return large dividends to the investor.

No one who studies the missionary situation can escape the conviction that "Christianity is moving out over the earth with ever enlarging agencies, with ever increasing success and with open and undiscouraged purpose to win the world." Christ is leading and we must needs follow.

And Him evermore I behold, Walking in the midst of the world, By the shores of the beautiful sea; He toucheth the sightless eyes; Before Him the demons flee; To the living "Follow Me!" And that voice still soundeth on From the centuries that are gone To the centuries that shall be.

REISLING ADDS QUARTET OF MEN TO HIS ALREADY BIG CLUB LIST

Two Hurlers, a Catcher and Outfielder Have Signed for the London Baseball Club.

London Free Press.—By adding two more pitchers, another catcher and a heavy hitting outfielder to his list, Manager Reising has something to show for his efforts since having accepted the leadership of the London baseball club. In an announcement to President Stevely of the local club, "Doc" states that he has practically all the men he needs to provide the Forest City with a winning combination, but adds that he has several more men under cover in case the present list does not seem to be formidable before the spring training operations commence. A score of men represents the squad with whom he contracted for or is mighty sure they will fall in line long before reporting time. Those yet to be heard from on the reserve list are Pitcher Steiger and Infielder Lineborn, but it is the opinion of the new leader that these two players will be in the fold by the end of the week. President Stevely will journey to Detroit on Saturday to interview Heine Steiger regarding his 1914 contract and in all probability the southpaw who tamed the Ottawa Senators, will join the big family.

Four More Signed The latest addition to the club's roster are: Pitchers, Houseman of Senecaville,

Visitors Play Championship Form and Outclass Senators by 4 to 1.

OTTAWA, Feb. 19.—The Torontos completed a night of surprises by defeating the Ottawas by 4 to 1 in the N. H. A. game here last night. They scored the first goal 15 seconds after the face-off, while Goalkeeper Bennett was preparing for the start, and thus got a lead, which the Ottawas did not tie up until within a few minutes before the end of the first session. Foyston slammed in the first for Toronto before any other man in the ice had touched the puck. And Gerard tied it up for Ottawa on a pass from Broadbent. In the second period Cameron rushed and scored two for Toronto, while Ottawa failed to find the nets of the visitors. In the third Foyston cinched the game for the blue shirts by making it 4 to 1 on a beautiful bit of play. The result was a big disappointment and over 7,000 fans went home in sadness.

Seaforth 8; Clinton 3. SEAFORTH, Feb. 19.—In the first home-and-home games between Clinton and Seaforth to break the tie in this district in the Northern League Seaforth won from Clinton by a score of 8 to 3. The score at half-time was 4 to 1 in favor of Seaforth. Seaforth plays the return game in Clinton on Friday night, goals to count on the round.

Canadiens, 2; Quebec, 1. MONTREAL, Feb. 19.—By defeating the champion Quebec team in their scheduled National Hockey Association fixture at the Arena last night by a score of 2 to 1, the Canadiens retain their position in the race for the coveted honors and are tied with Torontos for first place.

Wanderers, 11; Ontarios 3. TORONTO, Feb. 19.—Wanderers defeated the Ontarios in the N. H. A. game here last night by 11 to 3. The game was as one-sided as the score indicates. Wanderers had more team play and speed than Ontarios, but neither team exerted itself unduly.

Drayton 5; Mildmay 3. MILDMAI, Feb. 19.—In a semi-final hockey match held here last night Drayton won, 5 to 3. Referee, Whitmore, of Harrison.

INGERSOLL LADIES WIN HOCKEY GAME FROM PARIS

GOOD CROWD TURNS OUT TO SEE YOUNG WOMEN PLAY WINTER GAME.

INGERSOLL, Feb. 19.—Between six and seven hundred fans and fanettes gathered at the Mason arena last evening to witness a hockey game between the Ingersoll and Paris ladies' teams. The contest resulted in a victory for the home team by 2 to 1. Play was interesting throughout, and all the players demonstrated that they had been well schooled in the fine points of the game. Ingersoll got the only goal in the first half. Early in the second half the Paris girls tied up the standing, and a lively battle ensued, Ingersoll counting again near the finish.

NO CHANGES IN BARROW'S CIRCUIT

No Truth in the Reports That Teams Are to be Transferred.

NEW YORK, Feb. 19.—According to a statement issued by President Edward Barrow, of the International League, there will be no changes in either the circuit or schedule during the present season. Mr. Barrow said this evening: "I wish to deny officially the various reports regarding shifts by clubs representing cities in our circuit. There is no truth in the statements that we are to conflict with or combine either clubs or leagues in other organizations. This applies in particular to the Jersey City and Newark clubs, recently referred to as about to be shifted to Brooklyn. The locations of these clubs and the support given them by the fans of those cities has been eminently satisfactory and I can assure their adherents that there will be no changes. "Earlier in the season the International League discussed the advisability of moving one of the Jersey clubs to Washington Park, Brooklyn. After a careful study of the situation it was decided not to carry out the idea, and here has been no change in that determination."

SARNIA JUBILANT, BEAT HAMILTON

TUNNEL TOWN PUT UP GREAT BATTLE AGAINST FAST AMBITIOUS SQUAD—WIN 2-1.

SARNIA, Feb. 19.—Jubilant, indeed are the Sarnia fans, for Sarnia won by a 3 to 1 score over the fast aggregation from Hamilton in the regular O. H. A. game here last night. One and one at half time tells the story of the first period. "Hamilton can play hockey, but we are holding them to it," said the local fans. The ice was ideal and the Sarnia "dabs" were in fine fettle, but so, too, were the lads from Hamilton. Taken on the whole Sarnia looked the faster aggregation, and Dicky LeSueur's back-checking was a treat. Young Arthurs did fine work and handled his stick like a veteran. Dodds put through the first goal for Sarnia, and Serimmiger for Hamilton reciprocated. Second Half. The second half opened with play around the Hamilton goal, and indeed it was around this goal during the entire game. Morden, who tended the nets for Hamilton was a wonder. Shots rained in on him from all quarters, but he was there to meet them. It was then that Arthurs rushed down the ice, shot and sent the puck home. He was followed by McCart, who put another into the nets, and when the bell sounded, Sarnia was the winner.
