Country-Wide Survey Reveals Splendid Prospects

For Fall Business in All Lines

"Basic conditions the country over are more promising for Fall than at any time since the war. Frozen credits have been thawed, excess stocks disposed of and production is under demand in many lines of staple commodities"—Atlantic Coast Merchant.

Construction contracts awarded in Canada as compiled by the MacLean Building Report Ltd., show the grand total for the year to date is far in excess of a year ago.

Crops, all wheat shows an increase of 20,110,000 bushels over final returns for 1921. Oats, Barley, Rye, Hay and Clover all show increases over last year.

The above facts show that Prosperity is already here, are you prepared to meet it?

It not, it is to your interest to let us supply you with your requirements.

From its inception A. D. Farrah & Co. has accepted responsibility for the quality of merchandise it sells. It is constantly searching for better materials and values. It spares no effort to market the very best of merchandise at the lowest possible prices for such quality goods.

Being centrally located, we can save you money on freight charges, we can serve you quickly. Our small overhead expenses and large turnover insure you lower prices on the following lines:

- Palmer Brand Larrigans
- Atlantic all wool Underwear
- All wool Mackinaw Clothing.
- Far-a-Head Sweaters
- Shirts, Sox, Mitts,
- Gloves, Boots

Can you drop in our store here or shall we tell our traveller to call?

CONVENTION OF NORTH SHORE MASONS

The convention of the North Shore Lodges F. & A. M. which was held in Newcastle on Wednesday and Thursday, was one of the largest and most successful gatherings of representative Masons ever held in the Province of New Brunswick. About 150 Masons were in attendance and the convention was a decided success in every particular. Delegates were present from Chatham, Campbellton, Bathurst, Dalhousie, Rexton, and Blackville, while visitors from St. John, Moncton, Fredericton, Devon, Montreal, North Sydney, Amherst, Scotland and Belfast, Ireland attended. The Grand Lodge was represented by the Most Worshipful Grand Master, LeBarron Wilson, St. John, Past Grand Master J. D. B. F. MacKenzie, Chatham, Past Master, F. A. Burpee, and Past Master Edward Cairns of St. John, Past Master R. A. Logie and Grand Senior Warden R. A. Snowball of Chatham, and Past Grand Chaplain Rev. C. Gordon Lawrence of Hampton, N. B.

Wednesday was devoted to degree work. At 10 o'clock a. m. Lodge was convened and a general Masonic Ritualistic Review was carried out. At 12 noon lodge took recess and met again at 2 p. m. when the "Entered Apprentice Degree" was exemplified in a most satisfactory manner by Blackville Lodge No. 43. At 4 p. m. an automobile drive was enjoyed and a short visit made to the cottage of Mr. C. D. Manny, where a light lunch was served. At 8 p. m. the "Fellowcraft Degree" was exemplified by St. John Lodge No. 27 of Bathurst, N. B. after which a lunch was served in the Lodge Room and dissertations were indulged in.

At 10 a. m. on Thursday the "Fellowcraft Degree" was exemplified by Campbellton Lodge No. 32 in a manner which is most difficult to surpass. At 12 noon recess was again called and at 2 p. m. the "Master Mason Degree" was exemplified by Miramichi Lodge No. 18 of Chatham, in a manner highly deserving of great credit. At 7 p. m. the brethren assembled in St. James' Hall for a dinner provided for the occasion by the Junior Women's Club of St. James' Presbyterian Church. The entire hall was beautifully decorated in Masonic Colors and the tables were arranged and decorated in a manner, which drew forth complimentary remarks from every member of the Craft. This very important part of the program was perhaps the most delightful feature of the entire convention, and the ladies of St. James' Church are to be congratulated on the most efficient and delightful manner in which the dinner was served. The repast given by these ladies was one, which the most critical connoisseur would be unable to find a single fault.

The program and toast list was as follows.

1. "The King", proposed by W. M. Randolph Crocker.
2. Quartette—Messrs. Dickison, Gulliver, Moody and Ryder.
3. "The Grand Lodge", proposed by P. M. Jas. M. Troy, responded to by G. M. LeBaron Wilson.
4. Solo—Robert Galloway.
5. Reading—Dr. W. A. Wilson.
6. "Our Visitors", proposed by P. M. G. Percy Burchill, responded to by S. W. Caleb Schottfield, W. M. M. MacKay, W. M. H. M. Humphrey.
7. Duet—Messrs. Gulliver and Moody.
8. Scotch Selections by John Elder.
9. "The Craft", proposed by P. M. Hon. Robert Murray, responded to by P. G. M. J. D. B. F. MacKenzie.
10. "Duet"—Messrs. Dickison and Ryder.
11. Solo—David Gulliver.
12. Solo—Victor Moody.
13. The Ladies, proposed by P. M. A. H. Cole, responded to by P. M. A. A. Andrew.
14. Quartette—Messrs. Dickison, Gulliver, Moody and Ryder.
15. "Our next Merry Meeting" proposed by P. M. H. R. Moody responded to by P. M. R. A. Logie.

The musical program was under (Continued on page 5)

EMPRESS THEATRE ON THURSDAY

Jack Coogan Now The World's Most Talked About Child—Empress Theatre Monday And Tuesday

That the day when kiddies will shine in the film world is here has been evinced by the number of successful photoplays in which children have featured roles. For instance, "Dinty," which stars Wesley Barry, has enjoyed a highly successful engagement. "The Woman in His House," which gives Richard Headrick an important part, also has established a success. Little Ben Alexander is another youthful star whose name appears in featured position on cast titles. Others of equal importance can be mentioned, such as George Behan, Jr., affectionately known as "Bob White," Robbie Kelso, and Johnnie Jones.

And now comes the latest child celebrity—Jackie Coogan, who was made famous in the Chaplin picture, "The Kid," and who will be seen in the star and title role of "Peck's Bad Boy," released by Associated First National Pictures, Inc., at the Empress Theatre. Although he has appeared in but two photoplays, Jackie Coogan is the most talked-about youngster in the world today. His name is on the lips of every movie fan. And his work has put him in a honored position in their hearts.

In "Peck's Bad Boy" Jackie is given every opportunity to display his marvelous talents. And Jackie has taken advantage of these opportunities in no mean manner. Those who have seen the "Peck" film claim his portrayal of the bad boy easily equals his work as "The Kid."

Jackie Coogan has proven that the day for child stars has arrived. This little fellow has commanded as much attention from the amusement lovers as the best and seasoned players. The reason? Because Jackie's portrayals are natural. He does not act. Every move he makes is unforced. His director explains the action wanted. Jackie does the rest. It is seldom indeed that scenes in which he appears have to be remade. At the present time, Jack Coogan can easily claim the friendship of more people than any other child—or adult for that matter—in the world.

SWIM TO HANG OCTOBER 6TH

By order of Chief Justice H. A. McKeown, the execution of Benny Swin convicted of the murder of Olive Swin-Trenholm and sentenced to be hanged last Friday morning in Woodstock, N. B., was set over to October 6, between the hours of 10 a. m. and 5 p. m. The order was made on application of Hon. W. P. Jones, K. C., representing Sheriff Albion R. Foster, of Carleton County.

CANADA INVITED TO TAKE PART IN DEFENCE

Constantinople, Sept. 16—(3.30 p. m.)—Large British forces with heavy artillery have been landed at strategic points in the Dardanelles, prepared for any eventuality.

London, Sept. 16—Great Britain has invited Canada and the other British dominions to be represented by contingents in the British force taking part in an effective defence of the neutral zone in the Near East, it was semi-officially reported today. The British Government has also addressed a note to Rumania, Jugo Slavia and Greece inviting their participation in the defence.

The semi-official announcement of the invitation to the dominions said that they had been invited to participate in the "defence of those interests for which they have already made enormous sacrifices."

This announcement followed the semi-official statement that the British has adopted the attitude that the effective and permanent freedom of the Dardanelles is a vital necessity.

During the past week the British cabinet has continuously been studying the situation created by the approach of the Turkish Nationalist force to Constantinople and the Dardanelles and the demands made by the Angora Government.

The British Government holds that these demands, if assented to, involve nothing less than the entire loss of the results of victory over Turkey in the late war.

The British Government holds that if the Allies were driven from Constantinople by the forces of Mustapha Kemal Pasha it would be an event of the most disastrous character, producing far reaching reactions, not only throughout the moslem countries, but throughout all the states defeated in the late war who would be profoundly encouraged by the spectacle of the undreamed of successes which have attended the efforts of the comparatively weak Turkish forces.

SPECIAL MEETING TOWN COUNCIL

A special meeting of the Newcastle Town Council was held in the Town Hall, Friday evening, 15th inst.

The matter of Electric Light extension to Lower Newcastle and Nelson was discussed and it was finally decided to have the Mayor and Light Committee call a public meeting in Nelson, on Monday evening 18th inst.

This meeting was held in the Labor Hall, Nelson, at 7.30 p. m., last evening and was attended by the Mayor, Water and Light Committee and a large delegation of Nelson citizens. The matter was thoroughly discussed by both parties and the prospective users of electric power across the river were favorably impressed with the proposed extension. The Nelson citizens will hold another meeting on Monday, Sept. 25th when the matter will be further dealt with.

LOCAL GOVT. TAKES ACTION AGAINST TWO COUNTIES

Sunbury And Kent Proceeded Against For Non-Payment of Assessment Under The Health Act

In the appeal Court on Tuesday P. J. Hughes moved for rule nisi on behalf of Hon. W. F. Roberts for an attachment against Louis Robichaud, secretary-treasurer of Kent, for non-payment of the sum of \$3,850 due for 1921, under the Provincial Health Act, being the amount of an order issued by Hon. Judge Barry, 18 Feb. 1922, the municipality of Kent having failed to pay the amount as ordered.

The Chief Justice said the court could make the order nisi and have it returnable next term, the next sitting of the appeal court being in November. There was an unusually large docket at the present sittings, and the parties interested might have time to make up the deficiency. This the court decided to do and the cases will then all come up for argument.

P. J. Hughes, K. C., moved for an attachment against Eva B. White secretary-treasurer of Sunbury county, on similar grounds to the Kent case, the sums due being \$3,000 for 1920 and \$2,300 for 1921.

NOTICE

We would esteem it a favor if our subscribers would notice the date of their subscription on their paper and if in arrears to kindly forward us the amount due.

SUCH PAINS AS THIS WOMAN HAD

Two Months Could Not Turn in Bed. Lydia E. Pinkham's Vegetable Compound Finally Restored Health

Seattle, Washington.—"I had dragging pains first and could not stand on my feet, then I had chills and fever and such pains in my right side and a hard lump there. I could not turn myself in bed and could not sleep. I was this way for over two months, trying everything any one told me, until my sister brought me a bottle of Lydia E. Pinkham's Vegetable Compound. I took it regularly until all the hard pains had left me and I was able to be up and to do my work again. The hard lump left my side and I feel splendid in all ways. I know of many women it has helped."—Mrs. G. RICHARDSON, 4640 Orcas St., Seattle, Washington.

This is another case where Lydia E. Pinkham's Vegetable Compound brought results after "trying everything any one told me" had failed. If you are suffering from pain, nervousness and are always tired; if you are low spirited and good for nothing, take Lydia E. Pinkham's Vegetable Compound. You may not only relieve the present distress, but prevent the development of more serious trouble.

STOMACH ULCER AND GALL STONES

After Suffering 25 Years, Completely Relieved by "FRUIT-A-TIVES"

MR. EDWARDS
MAPLEHURST FARM, HILLSBURST, P.Q.
"I am in my 78th year. About 25 years ago, I began to have trouble with my Stomach. One doctor said I had Cancer; another said, Ulcer of the Stomach; another, Gall Stones; others, Ulcers of the Liver and Inflammation of the Gall Bladder.

Three years ago, I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO." Then, I began to take "Fruit-a-tives". They helped me a lot, and I still take them occasionally, and I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much."
H. W. EDWARDS.

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

AS A MAN THINKETH

If a man thinks every one is against him, he will soon begin to treat them so they will be. If he thinks every one is his friend, he will treat them right, unconsciously, and they soon will be his friends. The man who lives his daily life according to this formula has in his make-up a spark of sound and true philosophy that will make his life brighter. If we put into all the relations with our fellows a full measure of friendliness and good will, we are pretty sure to get it back, full and overflowing. On the other hand, if a man is suspicious of everybody, every one will be suspicious of him. The man who goes about looking for a fight is sure to get licked some day good, and plenty.

True friendliness is founded on sincerity. And sincerity is about the only thing in the world that can't be counterfeited. The impulse toward friendliness springs from the very soul of a man.

The world needs friendliness, and kindness, and good will. Not Sundays only, but every day in the week, and every hour of the day. Think friendly thoughts. If you've got a soul, don't be ashamed of it. Bring it into the office with you. For the soul is the source and fountain-head of every good and worthy impulse. Put your faith in men. Believe they are your friends, and they will be.

Railway News

Montreal.—On August 23rd, George H. Ham, "the Grand Old Man of the Canadian Pacific," celebrated his seventy-fifth birthday and received congratulations from all over Canada.

Vancouver.—Railways in Canada are in an excellent position to handle the bumper grain crop of the prairie provinces. There are also 10,000 cars in the western division of the C.P.R. ready to handle grain moving westward from the prairie grain fields, officials of the railway state.

C. A. Cotterell, assistant general superintendent of the C.P.R. western lines, stated that heavy shipments will be made to the Orient through this port.

Toronto.—American tourists last year spent \$75,000,000 in Canada, according to an estimate made in an official report of the Dominion Government's Parks Department.

Last year more than 100,000 tourist motor cars entered Canada; that would mean upward of half a million tourists. This year the number will be much greater, for the tide is growing rapidly. The railways are having a very busy season.

Winnipeg.—After a careful survey of reports received from C.P.R. agents throughout the West, it is estimated that this year's crop will approximate 317,000,000 bushels, according to the weekly crop report of the C.P.R. agricultural department.

Reports indicate that the Western crop generally is turning out well. Even in areas where poor yields were looked for, the conditions have proved better than anticipated.

Vernon.—Present indications are that the 1922 British Columbia apple crop will total about 2700 or 3000 cars.

Last season was the province's big crop year, when approximately 3500 cars were packed out.

The C.P.R. has made many provisions to take care of the valley's transportation demands. On nearly every side between here and Calgary refrigerator cars are waiting to be shunted to the packing houses, while houses are well stocked.

Calgary.—While Calvin Coolidge, Vice-President of the United States, was not inclined to talk about trade relations, tariffs or anything of that nature when he arrived here on the Trans-Canada train of the Canadian Pacific Railway, he was the most eloquent it has—raises of Banff and Lake Louise and of the Canadian Rockies along the route by which he had travelled.

"No wonder you Canadians are proud of your mountains," he asserted; "they are magnificent." The Vice-President spent some time in conversation with J. M. Cameron, general superintendent of the Alberta Division of the C.P.R.

Montreal.—According to a joint circular issued by the Canadian Pacific Railway and Canadian Pacific Steamships Limited, Mr. Allan Cameron is appointed Oriental manager, with office at Hong Kong, effective October 1.

It is understood that Mr. Cameron will be in charge of both transfer and operating departments. This extensive growth in recent years of Canadian Pacific activities in the Orient, with enlarged fleets and services which have added Manila to the parts of call, has involved also the transfer of the administrative headquarters from Yokohama to Hong Kong. Mr. Cameron is familiar with Hong Kong, as from January, 1901, to September, 1906, he was located there as general agent of the Asiatic business of the Oregon Railway and Navigation Company's line of steamers.

Mr. Cameron's first connection with the Canadian Pacific Railway was at Winnipeg as clerk of the local freight office in 1887.

Moose Jaw.—D. C. Coleman, vice-president of the Canadian Pacific Railway Company, was a visitor in the city for a few hours, while en route to Victoria.

Mr. Coleman made the announcement that the Canadian Pacific Railway Company had leased the last of its terminal elevators at the head of the Great Lakes, on a long term lease, to the Consolidated Elevator Co. interests. The capacity of the elevator is eight million bushels. The lessees will assume possession on September 1.

The leasing of the elevator is in conformity with the announced intention of the railway executives to go out of the terminal elevator business.

Asked as to the completion of the Assiniboia-Lethbridge line gap, Mr. Coleman stated that it was anticipated that the gap would be completed late this fall. Much, however, would depend on whether the contractor would be able to hold his men during the harvest season.

Relative to the grading on the line from Consul, east, Mr. Coleman stated that the first thirty miles had been completed and the contractor was now working on the second thirty miles.

Yes, Evidence is Plentiful—Many men would rather work someone than work for someone—Oshawa Reformer

Where Ideas are Unnecessary—If a man hasn't entertained an idea in 37 years, he always glows with pride when called a "good party man."—Sherbrooke Record.

Life's Little Ironies—After a woman has been married long enough to secure a five-passenger car, she is usually large enough to fill the back seat.—Calgary Herald

APPLICANTS FOR LICENSES TO SCALE LUMBER

Examinations Going On Under Act of The Assembly All Scalers Are Now Requested to Take Out Licences

The Provincial examinations for N. B. Scalers licenses were held in Fredericton on Wednesday, and there were some fourteen applicants in the morning Richard McFadgen, Chief Scaler for the New Brunswick Railway Company and Mr. A. T. Murchie, Chief Scaler for the Province, took the candidates to Fraser's Mill below the city and scaling of logs was done. In the afternoon examinations were written in the Parliament Buildings. Under the Act these examinations are held in July and September and oftener if necessary and the new Scalers' Act passed at the last session of the Legislature requires all scalers on Crown Lands whether employed by the Government or by private companies to have licenses.

List of Candidates

Those taking the examinations are: George A. Harper, R. B. McBeth and E. J. Gillis of Campbellton in the employ of the Richards Manufacturing Co., John Farren in the employ of the N. B. Railway Co., John Crotty and Herb A. McCabe in the employ of the Nashwaak Pulp and Paper Co., Harry A. Fearon of the Dalhousie Lumber Co., Gordon Hovey of the firm of Daniel Lynch and Sons, Leonard J. Harrington, of Blackville John R. McAloon Madawaska Pulp and Paper Co., and Abraham Vanderbeck, M. L. A. of the Snowball Co., besides four or five others.

Fertilizers For Field Crops

There has recently been issued from the Division of Chemistry of the Experimental Farms System a comprehensive bulletin on the subject of Fertilizers for Field Crops. It is the work of the Dominion Chemist and the Soil Fertility Specialist, both of whom have had a large and long experience with fertilizers in the laboratory and field and who have conducted experiments with fertilizers for a number of years in every province of the Dominion.

The bulletin is, as has been said, comprehensive in its nature; the endeavour has been to treat not only of fertilizers, their nature, function as plant foods and application, but to discuss the position of fertilizers in a rational method of soil management towards increasing crop yields. Further, it takes up from the practical as well as the scientific stand point the nature and value of farm manures, of green manuring, of liming, etc., and considers how all of these may be used in the upkeep and increase of soil fertility.

It is eminently practical throughout, being intended as a guide for the man on the land who is considering the use of fertilizers and will be found instructive and of interest to all who are looking for definite, concise information on the all-important matter of increased crop yields and the economic improvement of their soils.

An important feature of the bulletin is that the conclusions and advice given are the direct outcome of investigational work carried on in the Dominion; in this respect it is the first publication of its kind in Canada and marks a distinct advance on all previous bulletins dealing with the subject.

Which is Difficult—The Allies love France still. But they want her to remain that way.—Kitchener Record

OCT. 9 WILL BE FIRE PREVENTION DAY

Proclamation Issued By The Gov. General.

By Royal Proclamation, His Excellency, the Governor General of Canada has designated October 9th as Fire Prevention Day. During the week preceding, lessons on fire prevention subjects will be given in public schools, public meetings will be held in many of the larger cities, towns and villages, and the owners and occupants of property everywhere throughout Canada will be counselled to give special attention to the removal of fire hazards from their premises.

Fire waste is one of the most serious economic problems confronting Canada at the present time. The public in general is vitally affected by the tremendous losses annually incurred by fire and the enormous expenditures rendered necessary to adequately protect life and property from its ravages. Seeing that at least eighty-five per cent. of all fires are caused by carelessness and can therefore be prevented, it is the obvious duty of municipal authorities, fire department officials, boards of trade and other representative citizen bodies to bring the matter to the attention of the people.

First Mistake Leads to Others—Too many people who think they were born to rule the universe make a mistake by being born at all.—Cagary Herald.

MOTHER OF 13 SUED FOR DIVORCE

Couple Were Married At Kouchibouguac, N.B.

BATTLEBORO, Vt., Sept. 9.—Denying her husband's allegation that she deserted him in 1916 and has lived apart from him ever since, Mrs. Mary (Graham) Kingston, of Roxbury, Mass. formerly of Wilmington, this State, is to contest her husband's divorce petition now on the docket.

Richard Kingston, of Wilmington, claims he and Miss Graham were married in Kouchibouguac, New Brunswick, Sept. 20, 1886. They lived there, he says, until July 1, 1914. In 1916, while living in Wilmington, his wife, he says, deserted him.

In her answer, filed through Attorney Bernard J. Killion, of Boston Mrs. Kingston denies she deserted her husband and states the couple have had thirteen children, of whom ten are living.

She claims that Kingston has lived apart from his family about nineteen years and has failed to provide for them.

KEEP CHILDREN HEALTHY

To keep children healthy the bowels must be kept regular and the stomach sweet. Nine-tenths of the ailments which afflict little ones are caused by derangements of the bowels and stomach. No other medicine can equal Baby's Own Tablets in guarding either the baby or growing child from the ills that follow a distended stomach. They are a mild but thorough laxative and never fail to give results. Concerning them Mrs. W. B. Coolidge, Sarnia, Ont., says: "I have used Baby's Own Tablets for over three years and have found them the best medicine I have ever used for my children. I never have any trouble giving them to my little ones and they have saved me many a doctor's bill. My advice to all mothers of little ones is to keep a box of Tablets in the house." The Tablets are sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

MANAGES TO GET LAST WORD IN WILL

LONDON, Sept. 11.—In the will proved recently of a Welsh shopkeeper, the testator directs, in making provision for his wife, that the benefit to her shall be doled out to her in sums of 5s or 10s. at a time as his trustees may see fit.

"I have always found through my married life," he wrote, "that she has no knowledge of the value of money, nor can keep it when she gets it."

As a rule testators who make personal mention of their wives in their wills do so in a warmly complimentary sense and express their confidence that their wives will wisely administer the funds they leave.

On the other hand, where bitter remarks are made it is usually a woman who is the subject of them.

One testator, after complaining that his wife had called him an old pig (among other expressions) left to her the sum of one farthing to be sent to her by post in an unstamped envelope, thereby involving her in a charge of two pence for excess postage and a special registration fee of 8d. because the letter contained coin and was not sent as a registered letter.

Another testator left: "All my property to my daughter on condition that she pays to my son the sum of threepence-halfpenny for the purchase of a hempen cord for the use of his dear wife, which I trust she may make use of without further delay."

A well-known railway official stated in his will:

"My estate would have been considerably larger if it had not been for my unfortunate marriage with the cleverest known legal daylight robber. My association with this perambulating human vinegar cress I consider to have cost me considerably over £400"

MARITIME SYNOD OF PRESBYTERIAN CHURCH IN CANADA

The annual meeting of the Maritime branch of the Presbyterian Synod of Canada assembled in Halifax on Tuesday with thirty-five delegates attending. While reports were read showing great progress in church work during the past year, and other matters were optimistically discussed, the most important work of the day was the election of officers, resulting as follows:

President—Rev. Robt. Johnstone, Halifax.

Vice-Presidents—Colonel John Stewart, C. B. E., Halifax; Colonel Murray MacLaren, St. John, and Hon. John Agnew, Charlottetown, P. E. I.

Secretary—J. H. Cavanaugh, New Glasgow.

Treasurer—John M. Keen, Halifax

Executive—Rev. Frank Baird, Bedford; Colonel Thomas Cantley, New Glasgow; Rev. Dr. Scott McKenzie and M. Cummings, Truro; Ronald McVicar, Sydney; G. B. Clark, Tatamagouche; George McRae, Baddeck; G. McG. Mitchell, Halifax; Hon. R. M. MacGregor, New Glasgow; Hon. Wm. Duff, Lunenburg; Rev. G. C. Taylor, Charlottetown; Rev. R. H. Stavert, Hunter River, P. E. I.; Colonel T. G. Loggie, Fredericton; Rev. Wm. Orr Muligan, Charlottetown.

TROOPS AT CAPE BRETON STRIKE AREA

Bill Must Be Paid By The Municipalities

OTTAWA, Sept. 13.—The bill for the maintenance of the troops sent to the Cape Breton strike area, at the request of the local authorities, will have to be paid by the municipalities.

Hon. Geo. P. Graham, Minister of Militia, stated today that he had no idea what the bill would amount to, or just when it would be ready for sending to the municipalities. These bodies, however, having requested the troops to be sent there would have to pay for them.

EARN \$247 IN ELEVEN DAYS

Coal Miner Digs Five Car-Loads In Regular Working Hours

BROOKVILLE, Pa., Sept. 9.—Drawing a pay check for \$247 for eleven days' work as a miner in the pits of the Oak Valley Coal Company near Summerville was the good fortune of Leslie L. Lanker, of Summerville, today.

Lanker is an expert digger—one of the best in the Central Pennsylvania bituminous region. He was paid at the rate of \$1 a ton for coal loaded. In the eleven days he loaded sufficient coal to fill five full-size gondolas. Lanker said today that he had worked a regular day of eight hours during the eleven-day period. He entered the mine with the other day-turn diggers and left with them in the evening.

While Lanker's remuneration may appear big to the layman, Lanker said he must work hard and earn enough money while he did work to compensate for the time he lost during the year. Bituminous coal miners, because of the failure of the railroads to supply cars for loading regularly during the year, rarely average over 125 days' work during a twelvemonth period.

A Quick Start—Yes!

and smooth acceleration, full power, and big mileage from this New Gasoline

The first quality which you demand in gasoline is of course unusually quick starting ability. But good gasoline must also possess other qualities if you are to get out of it all that your money should buy.

It must pick up quickly and accelerate smoothly.

It must deliver the maximum power and speed which your engine is designed to develop.

It must run your car or motor boat the greatest distance for the least money.

It must be of uniform quality with supplies available everywhere, so that your carburetor, once adjusted to burn it efficiently, will not need to be changed as would be the case if you were constantly switching from one fuel to another.

For years we have been working to develop such a gasoline. At last we have succeeded—and the new Imperial Premier Gasoline which is now being supplied from our Imperoyal Refinery meets every requirement of modern types of carburetors and engines.

The new Imperial Premier Gasoline will start your motor even more quickly than Queen Gasoline which some motorists have been using. As it excels Queen Gasoline—a special fuel for lighting plants

(not motors)—in many other ways and can be sold for less, we have concentrated on the production of this one superior quality motor fuel—the new Imperial Premier Gasoline. We do not manufacture any other gasoline for engine use.

We urge you to test out the new Imperial Premier Gasoline and convince yourself that it is everything we claim. Compare it, if you will, with the results which you get from any other gasoline no matter what its price.

The new Imperial Premier Gasoline is produced in our Imperoyal refinery. The men who make it and the men who sell it live and make their money—and spend it—in the Maritime Provinces.

Make this test:—Have your tank filled with the new Imperial Premier Gasoline. Then have your carburetor set to use this new fuel so you really can enjoy to the full, the satisfactory trouble-free service which a lean, economical mixture will give you.

Stop at the Red Ball Sign for the new Imperial Premier Gasoline.

Children who have once had Zam-Buk applied never forget how it soothes and heals their hurts. Wise mothers never use anything else. A touch of herbal Zam-Buk—a bandage made of almost any clean rag—no more tears or worry. Zam-Buk is so pure and so refined that it provides the ideal healer for every sort of wound, abrasion or soreness.

Ask For
Mrs. J. E. Bierwirth, of Carnduff, Sask., writes:—"My little boy cut off the end of his finger and it seemed a case for a doctor. However, I applied Zam-Buk to stop the pain and bleeding and it gave the child such relief that I continued the treatment. Using nothing but Zam-Buk, I dressed the finger each day, and the wound healed perfectly."

CONVENTION OF NORTH SHORE MASONS

(Continued from page 1)
the direction of Prof. F. J. Liscombe and the numbers were delightfully received. Prof. Liscombe deserves great credit for providing a musical program of such a high class order in such a short notice. Another delightful feature of the dinner was a presentation made by Northumberland Lodge No. 17 to P. M. Burpee of St. John, who so kindly gave his time and knowledge to the convention for the benefit of the Craft. The presentation was made by W. M. Randolph Crocker, and in a few appropriate remarks, Brother Burpee accepted and thanked the Lodge for their token of appreciation

After the dinner the fraternity adjourned to the Lodge Room, where an able and scholarly address was given by Past Grand Chaplain, Rev. C. Gordon Lawrence of Hampton, N. B. This lecture proved to be an inspiration to every brother present and the points disclosed by the speaker gave each brother a broader and clearer outlook of the high principles of Free Masonry. Thus concluded the second convention of the North Shore Lodges and the time given by the brethren was profitably and well spent. Northumberland Lodge No. 17, is to be congratulated on having the initiative to bring together the Masonic Fraternity of the Province, and the very favorable comments made by the visitors concerning our town will be a great help in placing Newcastle in its proper place as a town, where hospitality and good fellowship abound.

PERSONALS.

Mr. Edward Dalton is confined to his bed with an attack of pleurisy. Rev. F. E. Boothroyd of Campbellton was a visitor to town last Wednesday. Miss Margaret Irving is the guest of her uncle, Mr. Robert Irving, Chatham. Mrs. Thos. Tozer of Moncton is the guest of her sister Mrs. J. H. Troy. Miss Helen, Forrest, is the guest of her aunt Mrs. Harry Smallwood, Moncton. Mr. and Mrs. Wm. Whyte of Doak town were guests at the Rectory, Bathurst. Mr. and Mrs. A. A. Andrew of Campbellton were visitors to town last week. Mrs. M. E. Beynon, has returned from a pleasant visit to relatives in Sydney, N. S. Miss Jennie Morrell, R. N. of Montreal is spending her vacation at her home here. Mr. Wm. Murphy and son Thomas of Cambridge, Mass., are visiting relatives on the Miramichi. Mrs. S. Houghton and children of Moncton are visiting Mrs. Houghton's aunt, Mrs. Walter Morrell. Miss Muriel Bate returned last week from Montreal, where she was the guest of Mrs. F. H. J. Ruel. Mr. Andrew McMurray returned last Wednesday from Toronto where he spent a pleasant two weeks vacation. Mr. and Mrs. John O'Neill are rejoicing over the arrival of a baby girl on Sunday Sept. 17th—Melvina-Yvonne. Mr. and Mrs. James J. Corcoran of Lower Derby are receiving congratulations on the arrival of a son, born Sept. 14th. Messrs. H. M. Ferguson of Rexton and Robert Stewart of Richibucto were in town last Thursday attending the Masonic Convention. Miss Helene Morris returned last Wednesday from a pleasant vacation spent with relatives and friends in P. E. Island. Mr. E. P. McEvoy left on Wednesday for Halifax, N. S., after spending a two week's vacation with his parents Mr. and Mrs. P. J. McEvoy. Miss Adelaide Harriman, Superintendent of St. Mary's Hospital, Brooklyn, New York, has returned to resume her duties after a pleasant visit to her mother, Mrs. John Harriman. Miss Ruth Henderson of the Johns Hopkins Hospital who has been spending her vacation with her parents Mr. and Mrs. W. J. Henderson Douglastown returned to Baltimore Md. Saturday. Mr. R. Wright, manager of the St. John branch of The Canadian Permanent Trust Co., was in town last Friday, en-route to Bathurst. He is in town this week also. Mr. Graham Jardine, manager of the Royal Bank of Canada, Charlottetown P. E. I., left on Thursday for Rexton, N. B., on a ten days vacation. He was accompanied by Mrs. Jardine who will proceed from Rexton to her old home at Newcastle where she will make an extended visit. Mr. and Mrs. Jardine's daughter, Miss Marion left Wednesday morning to attend school at Edgemoor, N. S.

OBITUARY

CHARLES PITTMAN
After a lingering illness extending over several years, Charles Pittman, Douglastown, on Tuesday evening, aged twenty-seven years. Deceased is survived by his mother, two brothers, William of Douglastown, and Vincent of Halifax, also five sisters, Mrs. Herbert Wood, Mrs. Herbert Sullivan and Mrs. Harry Spencer, of Douglastown. Misses Margaret of New York, and Katherine at home. The funeral was held at St. Samuel's Church, where High Mass of Requiem was sung by Rev. Father B. J. Murdoch, and interment took place in St. Samuel's cemetery.

MICHAEL KANE
The death occurred this morning of Michael Kane, after a lingering illness. The deceased was 32 years of age and a former member of the 165th Bant. He enlisted for overseas service at Woodstock, being transferred to Halifax. There he contracted pneumonia which later developed into tuberculosis. For past few months he had been living with his uncle in Napan where a special home had been built for him. Here death occurred. The remains have been brought to Chatham and the funeral will be held from his father's residence Upper Water St. at 8.45 Wednesday morning. He is survived by his parents Mr. and Mrs. Michael Kane, one brother, John, four sisters, Mrs. Henry Carter, Newcastle, Mrs. Julia Lobban, Petersburg Ont. Mrs. R. S. McDonald, Lawrence, Mass., and Mrs. H. K. Hard, Malden, Mass.

MISS EDITH TOZER
The death of Miss Edith Tozer occurred in the County Hospital, East St. John on Sunday Sept. 10th. Edith who had been ailing in health for the past sixteen months was taken to St. John on August 10th, her friends hoping she would return to enjoy earth's pleasures for another little while, but he who taketh and giveth called her unto himself to partake of heavenly joy and to join her mother, sister and brother who have gone on before, not so many years ago. Edith leaves a father, two sisters and three brothers to mourn for her. She was a member of the Presbyterian church and shall be sadly missed, not only by the ones at home who needed her services and advice, but by her many out side friends, who never failed to find her without a smile or cheery word. The funeral service was conducted at the home by Rev. Mr. Girdwood at 10 a. m. on Wednesday her cousins Messrs. Ernest McTavish, Weldon Tozer, Earl McAllister, Walter, Royal and Percy Mullin being the pallbearers. Interment taking place on the hillside in St. Stephen's Cemetery.

MUSIC NEEDED IN OUR SCHOOLS

At the Teacher's Convention held recently at Summerside, P. E. I. Inspector Auld referred to some of the things that are particularly lacking in our schools. Amongst these he noted the absence of singing. Here, it seems to us, Inspector Auld has placed his finger upon a very serious defect of our educational system which should be remedied without delay. In England singing is taught in every village school and nothing is more thrilling than to hear a number of fresh young voices joining heartily in the singing of their school and folk songs, thoroughly enjoying every moment of the lesson. The result of such training is marvelous and the people there are proverbially musical. The sound of harmonious and sweet human voices is in the air everywhere, and the events of a district are easily learned by the trends of their songs, their notes of sadness or of gladness. At any time and anywhere all that is necessary is for one voice to give vent to its owner's feelings and in a few minutes the air will vibrate with the chorus. Many delightful evenings are thus spent and the sentiments of these people are easily ascertained by the character of the music indulged in. Amongst these people, music is a heritage, not a luxury; and that is what it should become in this town and province, where it must now regretfully be said that there are few in any community who can adequately take part in a concerted piece of vocal music.

INSPECTORS MAKE RAID

On Friday evening the three local inspectors raided two houses at Millerton, and while the liquor was found, much sufficient to convict was found at one house. A charge will be laid against the party.

CRIME IN CANADA

For The Year Ending September 30th 1921

Statistics of crime are always of widespread public interest at the present time in Canada by reason of their bearing on the question of the effects of prohibition and of Government sale of liquor. Extremists on both sides are liable to quote what suits them, and reject the others. A representative of "Social Welfare" has had access to the statistical abstract now on file at the the Judicial Branch of the Bureau of statistics. The full Blue Book will not be off the press for some time.

Canada's returns for 1921 show an increase in both indictable and non-indictable offences over 1920. In non-indictable offences the increase is 13,439 or 9.3%. The increase is due in considerable measure to new laws, creating new offenses. It is well therefore to look at the figures in more detail.

The whole group of indictable offenses against the person, i. e. serious crimes such as murder, manslaughter, rape, assault, bigamy, procuring for immoral purposes, etc. show a decided decrease a healthy condition. Of certain crimes in this whole group, charges for non-support of family show a decrease of practically 20%, while murder, rape and manslaughter, particularly murder and rape show considerable increase. Burglary, banditry, robbery and like crimes, also show a considerable increase in volume. This no doubt is due in considerable measure to the extensive and heavy unemployment and business depression.

A similar increase is shown in crimes without violence against property such as theft, embezzlement, false pretenses, doubtless due to the causes above cited, but malicious offenses against property are marked by a slight decrease. There is a slight increase in forgery and offenses and the currency. Illicit still shows a decrease though comparatively small, both in offenses char-

RICH IN VITAMINES

MAKE PERFECT BREAD

ged and in convictions, so that the people who speak of wholesale prevalence of moonshine in Canada must face the disquieting figure of only 2.7 illicit stills for every 100,000 of population in 1921.

Convictions for drunkenness decreased 5,407 or approximately 14%, the total convictions for drunkenness for the year being 34,365 or 4 per 1,000 of population, as compared with 1911 when there were 41,379 or a rate of 6 per 1,000 population. Offenses against liquor, prohibition and temperance acts show an increase of only 213 in a total of 10,460, which total is 1.5 per 1,000 of population.

Charges of general outlawry, disrespect for laws and waves of crime cannot survive beside the columns of Canada's official records of offenses against her laws. As has been seen, the offenses against liquor laws have shown a slight increase. Those against her Vehicles Acts and her Income Tax regulations show a considerable increase due to new laws having come into operation. The whole volume of offenses in 1921 arising from drunkenness, violation of liquor laws etc. amounts to 5 per 1,000 of population, the rate for 1911 being 6.4 per 1,000. The entire volume of crimes for all offenses for the year was 182,647 or roughly, 21 per 1,000 of population, and as we have seen, of these 5 per 1,000 were for offenses relating to drunkenness and non-observance of liquor laws.

This, impartial readers will admit, is not abnormal. The corresponding figures for 1911 are 17.5 per 1,000 and 6.4 respectively. The increase from 1901-1911 was 7%. That for 1911-1921.

Offenses against motor regulations total 33,641, or 3.8 per 1,000 of population, as compared with 34,362 breaches of liquor laws.

These statistics show also that the claim that the going into effect of prohibition as compared with license or government sale results in the people taking to the use of drugs, is not well founded. Offenses against the Drug laws after decisive strengthening of the laws themselves, and more vigorous enforcement thereof, totaled 1443, an increase of only 13 or less than 1%. These offenses represent roughly 16 per 100,000 of population. British Columbia always heads the list in this column which is in considerable measure doubtless due to her large proportionate Oriental population. The figures supplied by the Federal Department of health for the year ending September 30th, 1921 by Provinces, are as follows:

Nova Scotia, 2; New Brunswick, 29; Quebec, 352; Ontario, 312; Manitoba, 36; Saskatchewan, 170; Alberta, 162; British Columbia, 801.

Oriental population can hardly explain Quebec's record as contrasted with Ontario with over half a million more of population. In any case, the opponents of prohibition in the face of the official figures cannot defend the statement that the prohibition of liquor results in increase of the use of drugs.

Offenses against the law regarding the keeping and patronizing of houses of ill fame total 4,138, or 47 per 100,000 which shows a decrease from the year 1911 with a rate of 108 per 100,000, when very high figures in this group were feached.

One gratifying fact of the returns is a decrease of 1.6% in the volume of offenders under sixteen years of age, which suggests that the allegation of a "wave of juvenile delinquency" has been exaggerated.

We may have a further report to make when the full returns are received and studied.

A Telling Test—The Windsor pastor who preached on modern women's dress very appropriately took his text from Revelations—Border Cities Star

The Dangerous External—Those who judged men by their clothes are all dead now. They were foolish enough to judge hooch by the label—Toronto Star.

PREPARING BEES

FOR WINTER

Now that the honey crop of 1922 is practically all gathered it is time for the beekeeper to begin his preparations for the crop of his bees in the early spring just after coming out of winter quarters, and this condition in turn depends upon the preparations given for the winter.

Three things are essential for successful wintering; namely, strong colonies consisting mainly of young bees, sufficient wholesome stores, and adequate protection from the cold. To neglect any one of these factors is to invite failure.

By strong colonies we mean populous colonies. A colony cannot be too strong in bees for the winter. These bees must be comparatively young in order to live through the winter until brood rearing is safely commenced the following spring. To get the hives filled with young bees every colony must be headed with a young, vigorous queen during August and September; therefore, all colonies containing old or failing queens should be requested not later than the last week in July. Colonies with bees covering less than eight full-sized Langstroth frames at the beginning of October should be united.

A colony of bees should have not less than forty pounds of stores to carry it through the winter until new honey is coming in the spring. The honey stored in the brood chamber is usually of uncertain quality and deficient in quantity; it should, therefore, be supplemented with either good clover or buckwheat honey, or, better still, with a syrup made of two parts of pure, granulated sugar to one part water. The colony should be given enough honey or sugar made into syrup to bring the stores up to the required weight. Even if a colony has enough natural stores in the brood chamber it is advisable to give it at least ten pounds of sugar made into syrup in order to postpone or minimize the corruption of poor honey and thus delay a possible attack of dysentery.

There are two methods of protecting the bees during the winter: either to place them in a cellar or to pack them in cases outside. For outside wintering the bees should be placed in the cases during the latter part of September or early in October and the packing placed on

Our home folks in these Provinces by the sea naturally ask for RED ROSE TEA when they want the very best.

RED ROSE COFFEE is free of dust—settles clear as a bell—no egg needed.

A Grade for YOUR Car

One of the five grades of Imperial Polarine Motor Oils is exactly suited to your car. Use this grade regularly and get trouble-free service from your car at the lowest possible cost for lubrication. Consult the Chart to determine the grade you should be using.

IMPERIAL OIL LIMITED

Got No Sleep

But now the neuritis has gone, the pains have ceased, the nervous system is restored and the writer of this letter pays a grateful tribute to the medicine which made him well.

Mr. John Woodward, P.T.O., Lucan, Ont., writes:

"It gives me much pleasure to recommend Dr. Chase's medicines, especially the Nerve Food. I was a sufferer from neuritis for several years, and tried all kinds of remedies, yet never seemed to get any better. At last my nerves and whole system seemed to give way through not being able to get any rest or sleep at nights for pain, which mostly used to take me in all parts of the limbs and feet. My nerves would twitch till my whole body would seem to jerk right up as I lay in bed. Almost at the point of despair, I decided I would get Dr. Chase's Nerve Food, which I did, and after taking twenty boxes I believe myself almost normal again. I also keep a box of Dr. Chase's Kidney-Liver Pills on hand, and for the past year I seem to enjoy my usual health."

Dr. Chase's Nerve Food, 50c a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto.

MINARD'S

"KING OF PAIN"

LINIMENT

The old reliable remedy for rheumatism, neuralgia, sore throat and sprains.

Best Liniment Made

Mr. A. R. LAWRENCE, HONOLULU, writes: "I fell from a building and received what the doctor called a very bad sprained ankle, and told me I must not walk on it for three weeks. I got MINARD'S LINIMENT and in six days I was out to work again. I call it the best Liniment."

Minard's Liniment always gives satisfaction. For any aches or pains, it gives instant relief.

Minard's Liniment

Co., Limited

Yamouth, - - N.S.

To Holders of Five Year 5½ per cent Canada's Victory Bonds

Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5½ per cent interest, payable half yearly, of either of the following classes:—

- (a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.
- (b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unmatured coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

W. S. FIELDING,
Minister of Finance.

Dated at Ottawa, 8th August, 1922.

Gains 15 Pounds On Only Two Bottles

"I lost two bottles of Tanlac a year ago and gained fully fifteen pounds, and I have been in fine health ever since," declared Mrs. Robert Clayton, of 25 Hanover St., St. John, N. B., a few days ago.

"My appearance has changed wonderfully, too, and many people have told me how well I look since this grand medicine restored my health. "For five years I suffered from stomach trouble and in spite of all my efforts to find relief, I gradually grew worse. What little indeed, would form gas and frequently cause severe gripping pains in my stomach. At times I had a dreadful choking sensation and such shortness of breath that I would actually have to go outdoors so I could breathe easier. I had such bilious spells, dizziness and headaches that I was miserable and half-sick all the time and I was so weak and run down that my housework was a big burden to me.

"It was not long after I started on Tanlac until I was entirely rid of my troubles, eating heartily and easily doing all my housework. Tanlac is one medicine that will give you lasting relief."

Tanlac is sold by all good druggists.

95 Per Cent. Of Union Shopmen Favoring Strike

Developments in the mooted strike of Canadian railway shopmen has been suspended until Tuesday. The schedule committee, which is considering the Conciliation Board award, which cut the men's pay, until the United States Situation is cleared, had two sessions on Friday but only decided to defer action for a few days. The executive carries a mandate from more than 95 per cent of the union membership to declare a strike.

Americans After Hardwood Timber In New Brunswick

The present condition of the lumber business, and the fact that the hardwood limits in Maine and others of the United States are becoming depleted, is causing attention to be directed toward the hardwood possibilities in New Brunswick. Americans interested in hardwood manufacture, have been in this province, conducting investigations. They have been most favorably impressed with the opportunity and have so stated. There also is the possibility that lumbering firms in the Province, which have directed their attention to the manufacture of soft woods will alter or extend their plants to manufacture hardwood.

One difficulty in the way of American interests coming in, is the fact that much of the hardwood area is tied up by leases from the province, who have developed only the soft woods which stand on their properties. Arrangements would have to be made whereby newcomers could lumber the hardwood.
One of the oldest, hardwood industries in the provinces is the manufacture of last blocks. It is carried on extensively at Mavis Mills, an English company controlling the industry, which has been in existence for many years and has been considerably developed. Last-blocks have been made elsewhere in the province, and at one time were fashioned by hand in large quantities.

The price received for hardwood flooring and other forms of manufactured hardwood, have been sufficient for some time, to attract attention to possibilities of manufacture in this province on a large scale

SALE OF FIREARMS

An auction of the rifles, guns and traps that have been seized by Wardens throughout the past year from violators of the Game laws, was held Wednesday at the Crown Land Offices. Some thirty firearms were put up for sale and all with the exception of one rifle were disposed of. The total amount received from the sale of the arms and traps was \$288.25 and \$45.00, the highest price paid for a single article. The traps were sold in a bunch and consisted of all sorts and varieties of steel traps. A large number of men and two women attended the sale and bidding was keen.

No Railway Can Long Withstand Loss Of Forests

Careless Canadians are Destroying Timber Assets Vital to National Lines Says Chief Commissioner

Ottawa, Sept. "Every forest fire that broke out within fifty miles of the Canadian National lines this summer stole away some of the immediate or potential traffic and delayed to that degree the financial buoyancy of the public-owned system," stated C. Price Green, Chief Commissioner of Industries and Resources of the Canadian National Railways in an interview today.

"A large mileage of the Canadian National runs through natural timber growing lands which can never produce any other marketable crop than timber. At the same time, these wooded regions are generally of tourist traffic and account for the rapidly extending number of visitors from the United States travelling on our lines, as well as for the great volume of recreational travel on the part of Canadians. The security of forests, therefore, is absolutely vital to the solvency of any railway system in this Dominion.

"The destruction of forests by fire this year was not the work of the railways, as Government reports will prove, but of fishermen, campers, settlers, and woods travellers generally. It is the careless citizen, himself a shareholder in the Canadian National, who can wreck or maintain these forest resources so essential to our national prosperity and the successful operation of the public-owned railway system."

Ottawa Says Gray Not C. N. R. Head

Ottawa, Ont. Sept. 12—It was stated in official circles tonight that although the appointment to the chairmanship of the new board of management of the Canadian National Railways had been made that C. R. Gray, president of the Union Pacific Railway was not the official chosen. It was stated that official announcement concerning the new appointment could be expected in a few days but no intimation as to its destination was given. It is thought probable that because the officials whose presence on the board with the new chairman, the government desired had not definitely signified their willingness to accept appointment that the government has refrained from making public their choice.

RALLY DAY

Next Sunday is Rally Day in the Presbyterian Sunday School and all children with their parents and friends are asked to attend.

STUDENT AT LAW

Vincent J. McEvoy is one of the seventeen applicants, who have been admitted as students at law, at a meeting of the Barristers' Society held last week in Fredericton.

UNITED SERVICES

The Methodist and Presbyterian Congregations of Chatham were united at both services on Sunday last. The morning worship was held in St. Luke's Church and the evening service in the United Church of St. Andrew and St. John. Rev. J. B. Champion of Newcastle conducted both services.

SCHOLARSHIP AWARDED

The School Board of Chatham confirmed the action of the Jennie Sheriff Scholarship Committee in awarding this scholarship to William Firth, son of Rev. Alex. Firth, Douglstown. It is valued at \$250 for two years. Mr. Firth who graduated from the Chatham Grammar School in June last, will attend Dalhousie College.

NEWCASTLE BOY

PROVES A HERO
J. Myron Nicholson, son of Mr. and Mrs. O. Nicholson of this town recently proved himself a hero, while enjoying himself at the bathing beach in Belle Isle, near Detroit. Myron is a craftsman at the Cadillac Automobile Works, and while bathing noticed a young man struggling in the water. Other bathers turned away for fear, but Myron swam out, and diving, took the man by the hair, just as he had gone under, and brought him to shore.

VARIETY SHOWER

Miss Elizabeth McTavish was tendered a surprise variety shower last Tuesday evening, by a number of her friends at the home of Mr. and Mrs. Lester Jeffrey. Miss McTavish is to be one of the principals in an interesting event in the near future and her friends took this method of remembering her.

A most enjoyable evening was spent and refreshments were served. The bride-to-be received a number of gifts in kitchen-ware, silver, cut-glass and linen.

BEAVERBROOK AND

"THE TIMES"
Despatches from the Old Country indicate that Lord Beaverbrook is quite popularly considered as the possible future owner of the London Times. A short time ago he left London to go to Constantinople and Smyrna in order to inquire on behalf of his journal into the relations between Greece and Turkey. Lord Northcliffe, while a great friend of Beaverbrook's was somewhat impatient of the opposition growing out of the energy and resourcefulness of the young New Brunswicker who, after making his mark in the financial world, entered journalism.

AUTO ACCIDENT

On Sunday afternoon while Mr. and Mrs. H. B. Anslow of Campbellton, accompanied by three friends were motoring down to Mr. Anslow's summer cottage at Charlottetown. The car became deflated and in coasting down the long hill to the portage west of Eel River bar, the car was overturned into the ditch, Mrs. Anslow having her right arm broken. All the others escaped injury. Mr. Henry Currie who happened along shortly after the accident brought the party to town and Dr. Lunan was called in and set Mrs. Anslow's arm. Her many friends will be pleased to know she is reported to be resting quite easily and doing as well as could be expected. The car which was but slightly damaged was brought to town by Mr. Anslow's son, Gordon, later in the evening, under its own power.

CATARRHAL DEAFNESS

is greatly relieved by constitutional treatment. CATARRH is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.

EVANGELINE BOOTH RE-TIRES AS HEAD OF S. A.

Evangeline Booth, commander of the Salvation Army in America, received on Thursday, a radio message from Bramwell Booth, commander in chief of organization, notifying her that her retirement as commander had been definitely decided upon, to take effect at a date to be announced later.

CHILD FELL INTO BROOK AT DOUGLSTOWN AND DROWNED

While playing on Thursday, the year and a half old son of Mr. and Mrs. C. Worrell, of St. Andrews, fell into a brook at Douglstown and was drowned. Mrs. Worrell with the child has been visiting her parents Mr. and Mrs. J. Hutchison. Mr. Worrell is a brother of Harry Worrell, of Montreal, formerly a St. John hotel man.

COW KILLED NEAR NEWCASTLE

Mr. Fank Taylor, of Nordin, near Newcastle, lost a valuable cow recently. The cow was feeding in the front yard, the gate of which was open. A Douglstown car passed accompanied by a dog which chased the cow out of the yard onto the road. The animal being frightened ran across the road and was struck and killed by the car. The driver if the auto promised to replace the cow.

NEW OPERA HOUSE OPENS SEPT. 22ND

Bathurst's splendid new Opera House which replaces the building destroyed by fire last spring is now almost completed, the finishing touches now being applied by the contractors, the George Eddy Company Limited, and the installation of the moving picture machines, screens and scenery expected to arrive daily from Chicago, being all that remain to make the theatre ready for the opening, scheduled to take place on Friday Sept. 22nd.

PAID RECORD PRICE FOR TIMBER LIMIT

At an auction of timber leases Luther B. Smith bid \$505 a mile for a lot consisting of eight and one-half square miles in the parish of Dumfries, Charlotte County. This is the highest bid ever recorded in sales of this nature. The licenses will expire on August 1, 1923, but are subject to renewal to August 1, 1933. Charles Anderson of McAdam Junction protested the sale, contending that the lot had a few minutes before been knocked down to him at \$25 a mile. The protest will be considered. In the meantime the sale holds good.

ALLEGED THEFT CASE DISMISSED

A case of alleged theft of Railway ties, laid by Clarence Estey, manager of A. Alcorn, Limited, against Stanley J. Simpson, a former employee of that company, was heard before Police Magistrate Lawlor, recently, and dismissed. The case grew out of the giving by Mr. Alcorn of a number of railway ties in the woods to Mr. Simpson, in payment of overtime work for the company. Mr. Simpson supplying the necessary money to have them removed and placed on cars in Blackville. When ready for shipment they were seized by Mr. Estey, and a charge of theft laid against Simpson. After hearing the evidence Magistrate Lawlor dismissed the case, finding no criminal intent was shown.

CONSTRUCTION WORK STARTS THIS WEEK

Mr. Angus McLean, general manager of the Bathurst company, who with Messrs. A. E. Y. and John S. Ball and Smith Morse attended a meeting of directors of the Company at Montreal early last week, arrived home on Wednesday. Mr. McLean says that the final details in connection with the paper mill project have all been attended to and the actual work of excavating for the new building is expected to start this week or just as soon as the necessary equipment can be got together. The new building will be about 90 ft. wide and more than 450 ft. long. It will be built of concrete and steel and will be a strictly modern building in every respect. The work of construction and installation of machinery will occupy several months and will require the services of a large number of men, and is being carried on under the days work system as distinguished from the contract method. In this way the Company will give employment to their old employees who in other years would likely be in their lumber camps at this time, but who on account of the almost entire suspension of logging operations this season would otherwise be out of employment.

DIAMOND JUBILEE

On Saturday last the Grand Division of N. B. celebrated its seventy-fifth anniversary as a Grand Division.

NO MORE THRIFT STAMPS

The sale of Dominion of Canada savings certificates and thrift stamps has been discontinued and all certificates and thrift stamps remaining unsold are to be returned to Ottawa.

MILLINERY OPENINGS

The local milliners are holding their fall millinery opening today, and the women have been busy throughout the entire day looking over the beautiful display of hats.

THANKSGIVING NOV. 6TH

Thanksgiving Day this year will be November 6th. The date was fixed by Parliament at the 1921 session, being designated to fall on the Monday of the week containing Armistice Day, which is November 11th.

WELSH COAL THE BEST

Samples submitted to Dominion Government mining officials show that imported Welsh coal has practically ten per cent. less ash and ten per cent. more carbon than Pennsylvania anthracite which is used extensively in Canada. This figures out at 17 to 19 per cent. more heating properties.

TRUE TO FORM

The Watering Cart was true to form last week. It appeared on the streets on Monday and on Wednesday morning a heavy rain fell. We have probably seen it for the last time this season, unless we have another long drought this fall, in which case it might be necessary to bring it out again, so that the wells may be filled before frost freezes everything up for the winter.

WON FIRST PRIZE

"At the St. John Exhibition recently destroyed by fire last spring is now almost completed, the finishing touches now being applied by the contractors, the George Eddy Company Limited, and the installation of the moving picture machines, screens and scenery expected to arrive daily from Chicago, being all that remain to make the theatre ready for the opening, scheduled to take place on Friday Sept. 22nd.

can be secured by all Grocers and every bag is guaranteed to give absolute satisfaction or money back.

PUBLIC AUCTIONS

Two important public auctions will be held in town this week. On Wednesday, the property of the Miramichi Manufacturing Co. Ltd. consisting of plant, machinery, real estate, wood lot, office furniture, movable property and rigging, and a supply of roofing, hardware, electric supplies, glass etc. will be disposed of. The sale begins at 10 o'clock a. m.

GRADUATE NURSES ASSOCIATION

The Graduate Nurses Association of New Brunswick are meeting in convention at Moncton today and tomorrow. A large number of nurses from all points of the province are in attendance. The gathering is an annual affair and the usual business pertaining to the welfare of the Association will be transacted. In City Hall lectures on the subject "Cancer" by Dr. Addy of St. John and "The General History of Surgery" by Dr. W. A. Ferguson of Moncton will be delivered and the lectures will be open to the public. Mrs. Hannington, Dominion Supt. of the Victorian Order of Nurses will be in attendance at the convention.

A CLOSE CALL

One day last week Mr. John Cooper had a close call from a serious accident, while painting on the Stohart Mercantile Co. building. Mr. Cooper was standing at the top of a long ladder, which reached from the street to the roof, and the Canadian National Express team driven by Simon Savoy, in passing, struck the ladder and in so doing raised it from the ground. The ladder was fastened at the top, and in this way was

MANUEL TRAINING AND DOMESTIC SCIENCE

An arrangement between the School Boards of Newcastle and Chatham, whereby the services of a Manuel Training and Domestic Science teacher has been secured and the duties will be shared by each town. Newcastle secures two days each week and Chatham three days.

MILL BURNED

The lath mill at Harper's Siding, near Chatham, owned by Michael Searle, was totally destroyed by fire last Thursday afternoon about 4 o'clock. The mill was driven by two oil engines and the fire started in the engine room. It is thought that the engines may be used again. The loss is a heavy one, no insurance being carried. Mr. Searle will probably not rebuild in that locality.
