Girls' Panama Hats at Swift's.
Service in the Baptist Church on Sunday next at 11 a.m. instead of 7 p.m.

Cut out the baseball schedule on another page so as to have it handy when you want it.

Keith Dodds is nursing his right arm in a sling having had it broken while cranking the auto.

A number of local baseball fans went to see the Pittsburgh-London game in London on Monday.

If you are building it will pay you to get our prices on building hardware, glass, etc.—N. B. Howden Est.

There is talk of an increase in price of yeast cakes. That is annoying now that the dandelion is so prolific.

A man should always be polite, but it isn't necessary for him to remove his hat when talking to a girl over the telephone.

Since the Horticultural Society was established nearly every married woman in town has kept her husband busy digging flower beds.

This is the season of the year when the flivver-owner must refrain from hard work during the day so he can save strength to endure the evening ride.

The frost is said to have injured the peach crop. Well, they have been warned repeatedly to stop wearing those knee high skirts and silk stockings.

Right up to the minute, was the man who, in advertising for his lost daughter, included this in the inscription: "She was a blonde when last seen."

Ten Special Bargains on every Wednesday morning—Swift's.

A quiet wedding was solemnized at the Rectory, Watford, on Wednesday, April 4th, when Miss Gertrude Smith and Elgin McAllister, both of Brooke Township, were made man and wife by Rev. S. P. Irwin.

Rev. T. DeCourcy Rayner was away in London on Sunday preaching Anniversary sermons at the Southern Cong'l church. His father, Mr. W. Rayner, occupied the pulpit here at each service.

There seems to be a very large number of people anxious to get rid of their dandelion crop this year. Within the distance of one block three people were noticed gathering the flower one morning last week.

The first game of baseball to be played at Watford in connection with the County schedule will be played with Bridgen on May 24th. The list of games to be played during the season will be found elsewhere in this issue.

50 Lace Trim Roller Blinds, One Dollar Each. Swift's Bargains.

Provincial Motor Inspector H. M. Passmore was here on Monday hunting up violations of the Motor Vehicle Act. He discovered two men who were using a single license for two cars. They pleaded guilty and paid the fine.

The Mother's Day service on Sunday morning last was very impressive. High tribute was paid by the pastor to the Worth and Work of Mother and a strong appeal made for a becoming recognition and acknowledgment of our indebtedness to Mother.

Last Sunday evening in the Methodist Church the following were elected society representatives to the Quarterly Board of the church: Messrs. B. H. Parker, Mahon, W. E. Fitzgerald, Rumford, S. B. Chambers.

Creamery Butter 40 cts. Pure Lard 20 cts. Cheese 32 cts. Potatoes 60 cts a bag. All Soaps \$7.75 a box at Howden's.

A little girl in a neighboring school was asked by her teacher what she called the first meal of the day. The ready reply came quickly, "Oatmeal." If more children could answer the question in the same way, we would have a healthier, sturdier, rising generation.

The price of Boys Suits will surprise you. Open today—Swift's.

A Song and Story service will be held in the Cong'l church on Sunday evening at 7 p.m. In the morning at 11 a.m. the pastor, Rev. T. DeCourcy Rayner, will preach, his topic being: "Divine Contrasts No. 5 Christ's Experience—and Ours." You are cordially invited to these services.

The deputy-inspector of income tax thinks there are a very dutiful lot of unmarried men in Western Ontario, judging by the tax returns which claim contribution to the mother's support. Officials of the department do not doubt that there are many dutiful sons, but inquiries will be made, and there is a heavy penalty for false returns.

Ladies' and Men's Waterproof Coats.—Swift's.

Mr. Charles Tanner, an old resident of Enniskillen township, died in the C. E. Hospital, Petrolia, on Saturday last. He had been in poor health for some time. The funeral was held on Monday to Wyoming cemetery. Mr. Tanner was the father of Mrs. Cecil Atcheson, Watford.

Three cases of breach of the O. T. A. were before the court this week. A young man was fined \$10 and costs for being drunk and a bootlegger was fined on two cases of supplying a bottle of booze, \$300 and costs on each case, or a total of \$633.79, or three months in jail on each case.

He said. Both defendants are well-known residents of the town.

A number of local Masons attended the Lodge of Instruction held in Sarnia Wednesday afternoon and evening. Rich. Williamson, Master of Havelock Lodge and his officers exemplified the Master Mason degree at the evening session. Well prominent in Lambton Masonry as well as the many prominent authorities of the Craft from outside places were present at the meeting.

Another lot of this cheap Hosiery, Vests and Silk Stockings at Swift's.

The 149 I. O. D. E. purpose holding a Rummage Sale the first week in June. Will any person having articles—anything from live stock to stuffed birds—which they care to contribute please leave them in Silverwood's or Swift's stores? They will be gratefully received. Articles will also be called for if the members of the Chapter are notified.—V. Fuller, Sec.

Workmen are looking into the trouble of lack of water at the water works well this week. They found very little sand but the well seems to be choked with wood which they have been unable so far to remove.

This obstruction is over 100 feet down in the casing and looks as if the well had been plugged, as only small pieces of the wood can be removed by the drill. There is over 70 feet of water in the well.

You can foot part of the people all the time, all the people part of the time but not all the people all the time. The fact that there has been over forty new Ford cars bought in Watford recently is evidence for itself. Ford cars are old enough to be proven now and the more there are proven the better they are liked. Why pay more?—R. Morningstar.

The death of Mrs. Annie McConnell, 270 Grosvenor street, London, occurred on Tuesday afternoon.

Mrs. McConnell was in her 76th year. She resided in Watford for 50 years, but three years ago went to live with her daughter at London. She is survived by one son, Frank of Clyde, Alberta, and two daughters—Mother Mary McConnell, Sacred Heart Convent, Sault au Recollet, Montreal, and Miss K. C. McConnell of London, and two brothers, Martin and T. J. O'Mara of London. Interment will be made in Watford on Friday morning.

Sherwin-Williams Paints and Varnishes are still the most satisfactory after twenty years in Canada. When there is a better one we will be selling it. Get a color card and repaint this spring.—N. B. Howden Est.

Mrs. J. Patterson will give an address in Trinity Church school room on Thursday afternoon, May 19th. She comes as a delegate from the department in the interest of the Watford Women's Institute. Mrs. Patterson has a deep interest in everything pertaining to community betterment, and will be able to give much valuable information to the branches which she visits. Meeting to commence at 3 o'clock. All ladies are cordially invited to attend.

One of the oldest residents of Warwick has gone to his reward, in the person of Nicholas Luckham, who died at his home near Bethel on Friday, April 29th. He was born on the Luckham homestead in 1836, and lived all his 84 years in Warwick. In 1864 he married Margaret Graham, who predeceased him in 1896. He is survived by one son and two daughters, Wm. Luckham, in Winnipeg, and Mrs. W. J. Vance and Mrs. J. F. Smith, in Warwick. One brother, Wm. Luckham, is ill in Sarnia Hospital. The funeral was held on Tuesday afternoon to Bethel cemetery, service being held in the church, after interment by Rev. C. L. L. Couzens. The bearers were six nephews, Theo. L. and W. J. Luckham, of Sarnia; W. H. and J. M. Luckham and Fred and Harry Graham. The large concourse of relatives and friends was an eloquent tribute to the memory of a loving father, a kind neighbor and a useful citizen.

Among those from a distance who attended the funeral were Mr. and Mrs. Theodore Luckham, Mr. W. J. Luckham, Mr. Gordon Luckham, Mr. George Jackson, Sarnia; Mrs. Lennox, Detroit; Miss Pearl Luckham, Miss Fiddis, Windsor; Mr. McDiarmid, Mrs. Genge, Mrs. (Dr.) Winn, Mrs. Russell McDiarmid, Alvinston; and Mrs. Graham of London.

DRAW FOR LOCAL BOWLING TOURNAMENT

The draw for the local bowling tournament will be made on May 20, and it is necessary that all members have their fees paid on or before that date in order that their names will be included in the draw.

Tourney Committee.

Rev. T. D. Rayner is away in Toronto this Thursday attending an important meeting of the Young People's Executive of the Congregational Union of Canada.

Mrs. Percy E. Dungey and little daughter, Helen, who have been the guests of their cousin, Miss Leila Willoughby, returned to their home in Guelph on Monday.

Mr. and Mrs. Frank Harper and little daughter, Nordeen, of Fergus, Ont., returned to their home yesterday having spent the past week with the former's parents, Mr. and Mrs. S. J. Harper.

Mrs. T. DeCourcy Rayner, Mrs. J. D. Brown, Mrs. Hattie Brown, and Miss Maude Marwick motored to Embro, Ont., on Wednesday to attend the spring meetings of the London Branch of the Congregational Women's Missionary Auxiliary, the Rev. Mr. Rayner taking the party in his car.

BROOKE

Fine Tailored Suits at Swift's, the price coming your way.

Miss Mary O'Hara returned home on Thursday evening after spending a few days with Mr. and Mrs. Jack McEachern.

Miss Carrie Healy underwent an operation for appendicitis in Petrolia Hospital last Wednesday. Her many friends wish her a speedy recovery.

Flot Malcolm McLachlan died suddenly on Sunday morning last aged 71 years. The funeral was held at Alvinston cemetery on Wednesday afternoon and was very largely attended. A more extended notice will appear later.

WARWICK

Mrs. Freeman Birchard is undergoing treatment at St. Joseph's Hospital, London.

Flannelette ends, 2 to 10 yards; Toweling ends, 1 to 4 yards.—Swift's null end Bargains.

John Moore of Strathroy will conduct services in Knox church on Sunday evening next at 7.30.

Miss Eva M. Leach of the Income Taxation Office staff spent Saturday at her home on the sixth line.

Rev. W. M. Shore and Mr. C. Hawkins are in London this week conducting services in Zion Cong'l church on Sunday evening at 7.30.

When the pastor, the Rev. T. D. Rayner, will preach, his topic being: "Wings and Wheels." You will be welcome at this service.

Mr. J. W. Gault was recently re-elected superintendent of the S. S. of the Zion Methodist church, and Miss Florence E. Edwards as Epworth League president. Both organizations are in splendid condition.

Our Ready Made Clothing are well made and lined, holds their shape. They are Sanford and Sovereign Brand.—Swift's.

The Forest Versatile Entertainers will give a concert in the Orange Hall, Warwick Village, on the evening of Thursday, May 19th, at 8.15. Admission 50c and 35c. Everybody come and enjoy a good entertainment.

C. F. Luckham, Guelph, who spent a few days at his old home here, joined his survey staff at Ingersoll last Monday from where they went to Bowmanville where they will spend three weeks in Farm Survey investigation.

Mr. H. G. Small and Mr. Keenan of the Union Bank, Ridgetown, spent the weekend at the home of Mr. and Mrs. W. H. Luckham. Mrs. Small and daughter accompanied them home after a week's stay at her old home here.

A large number of neighbors and friends gathered last Tuesday evening at Mr. Andrew Hay's, Main road, to spend a social evening before their removal to Watford. Mr. Hay has spent all his life on the Main road and we are glad to know the family are not altogether leaving the community. Mr. Hay has sold his farms to Frank Conkey and T. V. Ridley for a handsome figure. We all wish them success in their new home.

On Friday evening, May 6th, the members of St. James' church and neighbors gathered at the home of Mr. and Mrs. Geo. Kelly for the purpose of presenting their daughter, Gerlie, with a miscellaneous shower, which consisted of many useful gifts previous to her marriage.

On Saturday, May 7th, 1921, Rebecca F. Logan, beloved wife of Richard Higgins, passed to her reward, aged 54 years, 7 months and 13 days. The funeral was held from the family residence, 6th line, on Tuesday afternoon to St. James' cemetery. Obituary notice next week.

Mrs. Ed. Ross, Port Arthur, and her brother, John Brent, Colerive, Sask., and little son, George, who were here for a few weeks with their mother, Mrs. George Brent Sr., who was seriously ill, returned to their respective homes a week ago, their mother having recovered from her illness.

The Mother's Day service in the Zion Methodist church last Sunday was one which will live long in the memories of those who were present.

The large congregations listened with rapt attention to the appropriate address of the pastor, Rev. A. C. Tiffin, as he spoke upon the subject of "The High Honor, great privilege and grave responsibility of Motherhood." The Mother's choir was composed of 12 of the mothers.

The special music was most appropriate and exceedingly well rendered. The offering was taken up by two of the revered grandmothers.

The floral decorations were simply beautiful and altogether this unique service stands out as one of the very best we have been privileged to attend.

The last of the early settlers of Warwick who came from the county of Longford, Ireland, a district that furnished the township with many settlers, passed away on Thursday, May 5th, in the person of Mary Ann Plant, relict of the late Thomas Dolan, aged 83 years. She had been a resident of the township for about 65 years. The funeral was held from the family residence, Main road on Monday morning, interment being held in the R. C. cemetery at Watford. Rev. Fr. Bresson of London celebrated requiem mass in the Watford R. C. church. The pallbearers were E. Caughlin, T. Roche, R. McCormick, Alf Cox, R. McKenzie and D. Barron. Mrs. Dolan leaves four sons and three daughters, John and James of Warwick, William and Robert in the West, Mrs. Moore of Ingersoll, Mrs. Wm. Coughlin of Watford, and Mrs. Butler. Her husband predeceased her March 20th, 1905 at the age of 78 years.

CHOP STUFF

Thamesville bowling club has sixty members. Kingsville has a population of 1827.

Wm. Lloyd of Stratford has rented the picnic grounds at Hillboro. Alvinston will vote on Hydro power on June 6th. The installation expense is placed at \$25,000.

A lodge of True Blues has been instituted at Kingsville, also a Precinctory of Royal Black Knights.

Samuel Smith, of Petrolia, was overcome by coal gas fumes and died Wednesday from the effect. He was in his 73rd year.

The merchants of West Lorne take a holiday every Friday afternoon and keep their places of business open every Tuesday and Thursday evening.

The mayor of Forest has let the contract for the erection of the proposed Soldiers' Memorial monument to J. Rupp. It will cost \$3000 exclusive of base.

Geo. M. Vanvalkenburg, the well-known jeweller of Forest, died suddenly Sunday evening. He served the town as Mayor and Councillor and was well-known in bowling, curling and cricketing circles.

Some of the finest Ceylon Teas that ever came to Canada are just arriving from the tea gardens. Ceylon produces it's choicest growths of tea in February and March and the quality now arriving, according to the Salada Tea Company, is superb—really a vintage year for Ceylon.

P. F. Reilley, the oldest merchant of Petrolia, died in St. Joseph's Hospital, London, last week and was buried at Wyoming. He was a resident of the town since 1876. He served seven years on the school board and was highly esteemed by all who knew him. The funeral was conducted under the auspices of the K. of C.

The sad death occurred in London on Wednesday, April 27th, of Solborne Capes, youngest son of Mr. and Mrs. John Capes, of Forest, formerly of Plympton, aged 25 years, 6 months and 20 days. Deceased was in London taking a business course and about two weeks ago was stricken with appendicitis. He was taken to the hospital where an operation was performed, but from the first his condition was serious, and in spite of everything that could be done for him he gradually became weaker and passed away as stated above.

Parry Wilson, of Parkhill, has issued a writ in the Supreme court against the county of Middlesex for damage alleged to have been sustained by his traction engine, tank and wagon when the Seabee bridge collapsed under their weight on January 14th.

The bridge is over a creek that feeds the Seabee River and is between lot 20 concession 20 West Williams Township, and lot 20 McGillivray Township. Wilson claims that the bridge was out of repair and not of sufficient strength to bear the weight of his engine tank and wagon.

On Wednesday of last week, while Mrs. John Pearce, of Mitchell, was doing her washing with an electric washer, Jean, a little three-year-old daughter, put her finger on the rollers of the wringer and her hand and arm had passed through them up to the elbow when the mother shut off the power. The father, who is employed in the Ford garage, and Dr. Murray were soon on the scene. As quickly as possible Mr. Pearce took the wringer apart, but the little girl's arm had to remain between the rollers for fully fifteen minutes before it was released. The arm was flattened out and turned quite black owing to the circulation of the blood being stopped. Jean's hand and arm were very badly bruised and she has suffered considerably, but her injuries will not prove serious. No bones were broken.

RHEUMATISM FOR OVER 16 YEARS

No Return Of The Trouble Since Taking "Fruit-a-lives"

103 Church St., MONTREAL.
 "I was a great sufferer from Rheumatism for over 16 years. I consulted specialists; took medicine; used lotions; but nothing did me good. Then I began to use "Fruit-a-lives", and in 15 days the pain was easier and the Rheumatism much better. Gradually, "Fruit-a-lives" overcame my Rheumatism; and now, for five years, I have had no return of the trouble. I cordially recommend this fruit medicine to all sufferers."
 P. H. Mc HUGH.
 50c a box, 6 for \$2.50, trial size 25c.
 At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

Belle Isle will be more attractive than ever this season. Slides and piers for swimmers and outdoor stoves for picnickers are among the innovations that will be introduced. Twenty-five outdoor stoves have been ordered for the use of picnickers.

"COLD IN THE HEAD"
 is an acute attack of Nasal Catarrh. Those subject to frequent "colds in the head" will find that the use of HALL'S CATARRH MEDICINE will build up the System, cleanse the Blood and render them less liable to colds. Repeated attacks of Acute Catarrh may lead to Chronic Catarrh. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Cucus Surfaces of the System, thus reducing the inflammation and restoring normal conditions.

NOTE AND COMMENT

With refined sugar selling at 6 1/2 c. the prices of candy should take a slump.

A Cleveland man, seeking divorce, testified he was married a year before his wife permitted him to kiss her.

The Toronto Telegram has figures to show that 18 per cent. of the daily newspapers in Ontario, and 29 1/2 per cent. of the weeklies have suspended since the war started.

General Griesbach's proposal of compulsory drill for young men for three months every year belongs to another age. A war has been fought since then. If it was not fought to substitute the reign of law for the reign of force, humanity has been deceived.

At Toronto last week, Premier Meighen intimated that in the next redistribution of parliamentary seats the principle of representation by population would be respected—meaning, of course, that the urban population will have better representation in the next Parliament than it has in the present one. The justice of the principle is admitted; and if it is just it ought to be justly applied.

As a result of the investigation by the school authorities in Westfield, Mass., it has been learned that young children are being given lumps of sugar soaked in ether to reduce their appetites. Children when questioned said that they were given the ether by their parents to lower the cost of living, and also to quiet those who get too boisterous.

One good measure passed by the Legislature will require children to make provision for aged or helpless parents. There are no more pathetic scenes than the fathers or mothers who have no means of support cast off by their own children. When filial duty fails, it is right that the law should step in. But lazy fathers who drive their young children out of the home to work in their tender years should not receive help from this source.

Empire Day falls on Monday, 23rd of May, and the Department of Education is to be commended for having prepared for it a little booklet of most engaging interest. As in former years, the booklet intended to assist the teacher by supplying material which may be found useful in the preparation of the programme for the day. The contributions include: Jean Graham, E. W. Beatty, Sir Arthur W. Currie, Rev. Trevor H. Davies, Sir Robert A. Falconer, N. W. Rowell, Sir John Willison. It is one happy result of the war, as has been many times pointed out, and only last week emphasized in an admirable address by Sir John Martin Harvey, that the Empire emerged with an entirely new solidarity, her invisible chains stronger and stronger. Empire Day has meant much in the past; it will mean more in the future.

In the summer time when the thunder caps appear in the sky and the storm sweeps down on the farm the farmer thinks less of his safety than he does of his live stock. When the stock are in the field during the storm it may happen that the animals drift against the wire fence, which may be heavily charged with electricity and are shocked to death. The ordinary fence built on wooden posts should be grounded every sixth post by means of a wire six or eight feet long twisted around all the line wires of the fence and then secured in a hole in the ground. The hole should be dug deep enough so that the wire comes in contact with moist earth. A fence so grounded offers no danger to live stock during the thunder storm. The wire fence built on galvanized steel posts is already grounded at every post and no thunder-storm with its discharge of lightning can injure the cattle enclosed by such a fence.

CELEBRATION AT FOREST

At last Forest will have a speed event on May 24th, that will in all probability surpass anything that has ever been seen in that town. K. D. McColl, ex-motorcycle racer, and holder of many medals, trophies, etc., that he has won in competition in Canada and the United States is the promoter of the races to be held on the fair grounds track, Forest, May 24th. Many noted racers in the motorcycle game will be present to try their skill for the cash prizes. In the morning a mammoth calithumpian parade will be held headed by Mutt and Jeff and Charlie Chaplin, for which good prizes will be given to the most grotesque floats prepared by our local boys. It is necessary that K. D. has the entries for the calithumpian parade to make it a good one, so that the neighboring towns will know that Forest is on the map. Mr. McColl is offering \$250.00 in cash prizes and in all six races will be held.

In the last seven years the number of civil servants at Ottawa has been increased by fifty per cent., or from 30,988 to 46,605.

Health

Comes to you and the children if you have Dr. Pierce's Golden Medical Discovery in the house. For "little-ones" and "grown-ups" this old-fashioned vegetable tonic and blood-maker is still used by the million bottles every year. It was first used by everybody 50 years ago and is still safe and sane because it contains no alcohol or narcotic. It is made up of Blood root, Oregon Grape root, Queen's root, Stone root, Cherry Bark, without alcohol. Make your blood redder and your health better by going to your nearest druggist and obtaining Dr. Pierce's Golden Medical Discovery in tablet or liquid form.

CENTRAL BUTTE, SASK.—"I have used Dr. Pierce's Golden Medical Discovery for a number of years, and am pleased to recommend it as a blood purifier. I know it has no equal, as I used it for my boy. My neighbors and friends were surprised with the results; in fact, I do not think he would be alive to-day had it not been for the 'Medical Discovery'. I also keep it on hand for coughs, as it differs so from other cough medicines; instead of upsetting the stomach, as most cough syrups do, it is good for the stomach. I only wish I had known about Dr. Pierce's medicines sooner."
 MRS. PERCY WOOD.

What is a Recommendation Worth?

That depends very much upon who gives it. For instance, we recommend Ames Holden "Auto-Shoes" as the cheapest mileage you can buy.

And we know a lot about tires. We have to in our business. Hence our recommendation should carry some weight, apart from the fact that we are benefiting to some extent by your custom.

We know that if you buy once, you will buy again—because you will find that our recommendation saves you money on mileage.

We will give you a guarantee with Ames Holden "Auto-Shoes" too—a guarantee that protects you against any defect in material or workmanship which may arise at any time in the life of the tire. And we will get you an adjustment on that basis should necessity arise, without quibble or red-tape. Drop in and let us show you Ames Holden "Auto-Shoes" to-day if you can.

THE Classifications on long distance telephone calls in effect from midnight, April 20th, are of interest to all users of that service. It is possible, by a study of your long distance requirements, to effect savings in your long distance bills that are well worth while.

Station-to-Station Service

Station-to-Station service should be used when you are willing to talk to ANYONE at a distant telephone—that is, when you do not need to get a particular person on the line.

Station-to-Station service is not only cheaper, but more rapid and accurate than Person-to-Person service. On Station-to-Station service the call can be completed as soon as the distant telephone is answered, while on a Person-to-Person call the particular party wanted must be located and summoned to the telephone.

The charge for a Station-to-Station call cannot be reversed—that is, it cannot be charged to the telephone called, for in that case the telephone operator would have to locate a particular person to approve the charge, which would make it a Person-to-Person call.

Person-to-Person Service

When you make a call specifying that conversation is desired with a particular person at a given number, Person-to-Person service is used.

As this service requires greater operating labor and circuit time than a Station-to-Station call, the rate is about 25 per cent greater.

Examples of Different Rates

Following are examples showing the station-to-station and person-to-person rates for distances up to sixty-four miles:

Miles	Station-to-Station Rate	Person-to-Person Rate
0-12	\$0.10	\$0.15
12-18	.15	.20
18-24	.20	.25
24-32	.25	.30
32-40	.30	.40
40-48	.35	.45
48-56	.40	.50
56-64	.45	.55

Lowe Brothers

Clean-Up Paint-Up

Let your home show the pride that is
within you. Plant flowers and grass seed.
Trim up the shrubbery and vines. Paint
your house with Lowe Brothers High Stand-
ard Liquid Paint.

You can always bank on the quality of the paint
bearing the Little Blue Flag trademark on the
label. It may cost a little more per gallon than
other paints, but it spreads further and easier, so
you'll save money at the start on both your ma-
terial and labor bills.

This paint also holds its color and lasts longer
than most other paints. That means you will not
have to repaint as often as formerly.

We will be glad to show you that the difference
between Lowe Brothers and other paints is more
than a mere difference of opinion. Ask for color
card and interesting literature.

Col. F. Kenward, Chairman of Board Mrs. T. G. Mitchell, Secretary.

On Monday evening the Ladies' Aid Society of the Methodist church Oil Springs, enjoyed a social evening at the home of Mrs. Geo. Lambert, to bid farewell to Mr. and Mrs. David Lambert, prior to their departure to their new home in Sarnia.

The evening was pleasantly spent in music and singing, Miss Margaret Thompson giving an instrumental solo. Mr. McKelvey, pastor, gave a very appropriate speech. A dainty lunch was served and a pleasant evening was much enjoyed by all present.

BETTER PAY FOR RURAL MAIL CARRIERS

The rural mail contractors have recently formed an association and are presenting claims to Ottawa for relief from present conditions. Contracts were let in many cases a number of years ago, when living costs were much lower. They ask that the old contract system be abolished and that rural mail carriers be paid on a salary basis of \$70 per mile per year. It is claimed that the contract system has brought ruin to many men and the official statement of the case of the carriers declares that many members have lost all their available capital and property and sheriffs have even taken possession.

According to the letter carriers, the average expense account to cover a 20-mile trip, where two horses are employed, is \$1,078, while the average income from the service is only \$732. The memorandum which has been presented to Parliament points out that the United States has abandoned the contract system and payment is made on a salary basis. Payment to the rural carriers in the United States over the past four years has been on a basis of \$75 per mile per year, including three weeks' holidays.

The association makes out a strong case for consideration. This is a time for economy, not for increasing Government expenses, but, on the other hand, the country does not want to see any class of officials, and, least of all, the faithful rural letter carriers, have as serious a grievance as apparently they have.

MUCH ILL HEALTH DUE TO BAD BLOOD

If the Blood is Kept Rich and Red You Will Enjoy Health.

More disturbances to health is caused by weak, watery blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders try building up the blood with Dr. Williams' Pink Pills. These pills have a special action on the blood and as it becomes enriched your health improves. The value of Dr. Williams' Pink Pills in cases of this kind is proved by the experience of Mr. D. J. McDonald, North River Bridge, N. S., who says: "For some years I suffered severely with headaches, pains in the back and rundown condition. At times the pain in my back would be so bad that I would sit up in bed all night. From time to time doctors were treating me, but did not give me more than temporary relief. And then one day when I was suffering terribly a neighbor came to see me, and urged me to try Dr. Williams' Pink Pills. After taking two boxes I felt relief. I got five boxes more and before they were gone I felt as though they were giving me new life, as in every way they built up and improved my strength. I am now working as a baker in a pulp mill, ten hours a day, and feeling none the worse after my day's work. I say with pleasure that this condition is due to Dr. Williams' Pink Pills. You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Petroleum business men are adopting the cash system more and more, and the monthly system of accounts, in a town, it is perhaps impossible to run business generally on the cash basis, but it should not be. Some businesses, however, are run on cash and are successful. All sports are cash; tobaccos, ice-cream, candy, pool and similar things are cash. Why pay cash for some things and ask credit on others? It would be better for all if cash was the only system. Businesses, who give credit, however, are now adopting the monthly settlement plan and find it works. The day for the long credit it gone.—Topic.

Joseph Andrew Rawson, a well-known and highly respected resident of the P.&E. Township, passed away at the family residence last Thursday morning. He was born in Scarborough township on January 8, 1856, and when thirteen years of age, came with his parents to Plympton township where they located on lot 2, in the first concession. In 1882 he married Miss Margaret O'Neil and settled on lot 3, concession 14, Ennis-killen township, where he resided until his death. He was a member of the Methodist church, a Conservative in politics and was a man of sterling qualities and kind disposition who gathered around him many friends. He was scrupulously honorable in all his dealings with others and will be remembered by all who knew him as an upright and worthy citizen. His death, after an illness of a few days, was caused by hemorrhage of the brain. He leaves, besides his widow, two children, Mrs. Hugh Donald and Wallace Rawson, both of the town-line; two brothers, James, in Borneo, and William in Saskatchewan, and two sisters, Mrs. Linwood Slack and Mrs. Geo. Anderson, town-line. The funeral was held on Saturday and was conducted by Rev. Jewitt, of Wyoming. The casket, covered with beautiful floral tributes and followed by a large concourse of friends, was conveyed to Wyomung cemetery. The pallbearers were: Fred Strangway, Wm. Cuthbertson, Robert Doig, Chas. McRae, Melville Drope and T. McAlpine.

THE BEST MEDICINE FOR LITTLE ONES

Thousands of mothers state positively that Baby's Own Tablets are the best medicine they know of for little ones. Their experience has taught them that the Tablets always do just what is claimed for them and that they can be given with perfect safety to children of all ages. Concerning them Mrs. Joseph Therrien, St. Gabriel de Brandon, Que., writes: "Baby's Own Tablets are the best medicine I know of for little ones. I thought I would lose my baby before trying the Tablets, but they soon made him healthy and happy and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

On account of the decided slackening off of business throughout the country, this Company finds itself producing at a more rapid pace than sales can be made and not having warehouse space to take care of this surplus of goods, finds it necessary to curtail production somewhat until trade picks up again. It has decided to reduce working time to five days a week except in the case of salaried employees who will work up to noon on Saturdays. The salaried employees will take an extra week vacation and the others will take two weeks vacation during the summer which will further reduce the output of the shop without working a hardship on any of us. It is expected that by Autumn business will have improved to such an extent that full hours can again be resumed.

ODE TO PIECE WORK
Work, work, work,
For the piecework rate, oh boys,
And I would that I had the nerve
To work like a man of Troy.
Oh well for the day rate man
As he sings at his work all the day;
Oh well for the lazy lads,
Their envelopes are thin at the pay-
And the day rate man sings on,
And leisurely does his work,
While I, busy man that I am,
Have not a moment to shirk.
Work, work, work,
All day through the din and noise;
I've made my time and good hard
cash,
So here's to Piecework, boys!

ABOUT MOTHERS

Last Sunday was Mothers' Day. Mothers are a comparatively old institution.

There were mothers before Confederation and indeed as far back as the history of this country if not before.

Up to the present they have all done pretty well and have managed to keep themselves fairly popular with their children, though not so popular as they might be.

As a class they are filled with prejudices. They make their children go to bed after supper, and wash their necks. They won't let their boys go swimming; nor take off their heavy underclothes in spring. Little girls find that as soon as they begin to snifle, maw gets down the goose grease.

Mothers, too, are not without reproach in their treatment of fathers. They go through the old man's trousers and take his change—which is why the Scotchman invented kilts.

The conversation of a Dutch Uncle isn't a circumstance to mothers' line of talk sometimes to the party who everybody works but him. We have taken care to set out here mother's most serious defects. Now we are through.

To do her justice, she is just grand. Little boys and girls might be born without mothers, but they certainly never could grow up without mothers, and wouldn't be much good if they did.

Loving, faithful, with a kind ambition, trustful—that's mother. And that trustfulness follows boys and girls long after they have gone out into the wide, wide world for themselves. How often has a lad stepped back from the path of error on the realization that back there in the old home was a little woman who loved him enough to make him whole who trusted him so much that he had no heart to betray that trust.

The old thing about mother's life is that the reward goes not to herself, but to someone else. She plans, she toils, she has no hours—all for another generation.

Remember your mother on Sundays and all the days between.

If I were drowned in the deepest sea,
Mother o' mine, mother o' mine,
I know whose love would come down to me.

Mother o' mine, mother o' mine,
If I were hanged on the highest hill,
Mother o' mine, mother o' mine,
I know whose love would follow me still.

Mother o' mine, mother o' mine,
If I were damned of body and soul,
Mother o' mine, mother o' mine,
I know whose love would make me whole.

Mother o' mine, mother o' mine,
Miller's Worm Powders act so thoroughly that stomacic and intestinal worms pass from the child without being noticed and without inconvenience to the sufferer. They are painless and perfect in action, and at all times will be found a healthy medicine, strengthening the stomach and maintaining it in vigorous operation, so that besides being an effective vermifuge, they are tonical and health-giving in their effects.

Leg that Wouldn't Heal

"Ever since a boy of fourteen," writes Mr. John Redmond, of West Frampton, Que., "I had trouble with a bad leg. I used many remedies. Though some appeared to heal the ulcer for a while, it always broke out again as bad as ever. This last time I suffered continuously for nine years, and the old remedies had absolutely no effect.

"The limb was in an awful state when someone advised me to get Zam-Buk right away. I had only used this herbal healer a few days when I began to see great improvement. So I continued the treatment, for even Zam-Buk needed time to have complete effect. However, I am glad to tell you that it was only by the aid of Zam-Buk that the leg was eventually thoroughly healed. Never a sign of the ulcer since."

RED CROSS CAMPAIGN FOR GOOD HEALTH

His Excellency the Governor-General signed at Ottawa Monday a proclamation inaugurating the two months campaign, during May and June, which will be conducted throughout the Dominion by the Canadian Red Cross. This campaign is for membership and is part of the national crusade for Good Health, the underlying idea being the education of the largest possible number of people, to the crying need for preventive measures against the deadly trail of waste and disease left by the war.

After reciting that it is of the greatest importance to the well-being of our people throughout the Dominion that the purpose of the Red Cross in carrying on its peacetime program for the improvement of health, the prevention of disease, and the mitigation of suffering, should be realized to the greatest extent, the proclamation commends the membership enrollment campaign of the Red Cross Society to the sympathetic attention and support of all our loving subjects throughout Canada.

Dr. Robertson, chairman of the Canadian Red Cross, said that the society in the present campaign hopes to increase its membership to six or seven hundred thousand all of whom will be educated along the line of child welfare and better health in the community. "We are looking into the future," he said. "Suppose that through this education work in ten years' time we can put Canada on the same plane of child welfare as New Zealand is on to-day, we shall then be saving the lives of twelve thousand babies a year. Is not this something worth working for?"

Domestic science is all right for school days, but the mother finds that no rules of book suggest anything for domesticating the nine year old boy who uses the west side of his trousers for smoothing off rough boards, tests the waterproof quality of his shoes in every mud puddle and uses the toe of his boots where a sledge hammer, axe or pick and shovel would be much better.

WHEN you require a roof, the measurement will be in squares (100 square feet). A basis for analysis of the costs of Brantford Asphalt Slates is given below:

- INITIAL COSTS OF MATERIALS—Brantford Asphalt Slates are sometimes higher in initial cost for the material.
- NAILS REQUIRED—Brantford Asphalt Slates require ONLY 684 nails to lay a square. Brantford Asphalt Slab Slates require ONLY 450 nails.
- COST OF LAYING—Brantford Asphalt Slab Slates are four on one strip—require only one operation in handling, one operation in spacing—Individual slates are 8 x 12 1/2 inches—Cut easily, fit easily, fit on angles and bend over round surfaces. You save 30 to 50 per cent. in laying.
- NO PAINT OR STAIN REQUIRED—The surface of Brantford Asphalt Slates is in nature's permanent colors, green and red, unfadeable, always attractive,—requiring no stain to produce artistic effects, no liquid costs to make them fire-resistant.
- SAVING OF INSURANCE—Brantford Asphalt Slates are classed as non-combustible by fire insurance companies—a direct saving of from 10 to 20 per cent. on premiums is effected. In certain localities fire regulations demand asbestos paper under some roof materials, but Brantford Asphalt Slates are fire-resistant and are immune from special regulations.
- COST OF REPAIRS—From the day they are laid Brantford Asphalt Slates roofs show almost 100 per cent. of the original roof untouched. Brantford Asphalt Slates do not curl, split, crack or rot. Complete protection and permanent protection are built into Brantford Asphalt Slate Roofs.

Compare these roof costs with those of any other roofing material; it is your money you are spending and you want value for it—then buy

INFORMATION ABOUT THE CENSUS

Arrangements are steadily going forward under the direction of the Dominion Government preparing the way for the official census of the whole of Canada immediately after June 1st. In order that our readers may have some idea of what to be prepared for in the way of questions we have summarized the following information to think over in the meantime.

The enumeration will begin by finding out exactly every man, woman and child in the Dominion at the hour of midnight when May 31st is giving place to June 1st. The census is to be taken "as of June 1st" but the hour fixed is really the hour of midnight or the moment when that day passes over into June 1st, 1921. An infant born one hour before midnight would be included in the census figures, but one born a few minutes later would have to wait for the 1931 census before being included. A death just before midnight on May 31st would lessen the total population of Canada by one. If that death happened just after midnight, it would not be noticed by the enumerators, because the census is to show the exact number living at midnight on the day mentioned.

But this is not all. If you have a patch of garden no bigger than a man's hand that grows one currant bush capable of producing one quart of berries, that quart will swell the total. If you have a brood of the most tiny chickens so will they. For not only must the farmer make complete returns of almost every blade of grass, but so must the town folks of the products of their gardens and their hen houses.

The Lambton enumerators have received implicit instructions from Ottawa about making the census. There are really four forms to be filled in as follows:

- Covering the ordinary household or place of permanent residence.
- Covering deaf mutes and blind people.
- Covering business firms, giving the class of business (wholesale, retail or manufacturing) and the kind or nature of the business.
- Covering products other than those grown on farms. So that Watford people will have to supply details as to the number of horses, mules, cattle, poultry, bees, gardens, and hot houses, fruit trees and fruit.

They will have to tell of the number of apple, plum, pear and cherry trees that flourish in their back yards during 1920, and the tonnage of each fruit tree harvested, also how many quarts or boxes of small fruit such as grapes, strawberries and raspberries they gathered.

The ordinary form (No. 1) which the enumerator will fill in at every house in the town has some 34 details to be filled in as follows:

Names of each person in the household, town. Is the house owned or rented. If rented, what rent. Class of houses. Materials of construction. Rooms occupied by family. Relationship to head of family. Sex. Single or married. Age last birthday. Where person born. Where father born where mother born. If born out side of Canada, year of immigration. If born a foreigner, year of naturalization. Nationality. Racial or tribal origin. Can speak English. Can speak French. Can speak any other language. Religious denomination. Can read. Can write. Months at school since September 1920, (children). Chief occupation or trade. Employer, employee working on own account. Total earnings in past 12 months. If out of work on June 1st, 1921. Number of weeks unemployed in the past twelve months. Number of weeks unemployed from June 1st, 1920, because of illness.

The enumerator has to go into every house in Watford to get this information. The principal is simple; where a man sleeps there will his census be taken.

The census commissioners are very insistent that people should understand that facts or statistics given to the enumerators may not be used except for statistical compilation. Positive assurance may be demanded on this point by people being registered.

The enumerators individually have also to take an oath of secrecy. They cannot give out information received about individuals, show the returns, or allow anyone to inspect them.

Every enumerator will carry a card of credentials, signed by R. H. Coats, Dominion statistician. This card, which may be demanded by any person approached has the words underlined "All information committed to him (the enumerator) will be held to be strictly confidential."

Cause of Asthma. No one can say with certainty exactly what causes the establishing of asthmatic conditions. Dust from the street, from flowers, from grain and various other irritants may set up a trouble impossible to be relieved except through a sure preparation such as Dr. J. D. Kellogg's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has given relief to a generation of asthmatic victims of this scourge of the bronchial tubes. It is sold everywhere.

DARLING BABY BRIGHTENS HOME

Children's Laughter a Pleasing Sound

Altoona, Pa.—"I am writing to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. We had six children die almost at birth. From one hour to nine-tan days is all they have lived. Before my next one was born I took a dozen bottles of your Vegetable Compound, and I can say that it is the greatest medicine on earth, for this baby is now four months old, and a healthier baby you would not want. I am sending you a picture of her. Everybody says 'That is a very healthy looking baby.' You have my consent to show these few lines to anybody."—Mrs. C. W. BENZ, 181 3rd Avenue, Altoona, Pa.

Mrs. Janssen's experience of interest to childless wives.

Millston, Wis.—"I want to give you a word of praise for your wonderful medicine. We are fond of children, and for a considerable time after we were married I feared I would not have any. I began taking Lydia E. Pinkham's Vegetable Compound, and it strengthened me so I now have a nice, strong, healthy baby girl. I suffered very little at childbirth, and I give all the credit to your medicine, and shall always recommend it highly."—Mrs. H. H. JANSSEN, Millston, Wis.

Mrs. Held of Marinette Wis., adds her testimonial for Lydia E. Pinkham's Vegetable Compound. She says:

Marinette, Wis.—"I was in a nervous condition and very irregular. My doctor advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. It overcame my weakness so that I now have a healthy baby girl after having been married nine years. I am glad to recommend your medicine, and you may use my letter as a testimonial."—Mrs. H. B. HULL, 350 Jefferson St., Marinette, Wis.

There are many, many such homes that were once childless, and are now blessed with healthy, happy children because Lydia E. Pinkham's Vegetable Compound has restored the mother to a strong and healthy condition, as it acts as a natural restorative for ailments as indicated by backache, irregularities, displacements, weakness and nervousness.

Women everywhere should remember that most of the common ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that is why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative. It can be taken with perfect safety and often prevents serious troubles.

Therefore if you know of any woman who is suffering and has been unable to secure relief and is regretfully looking forward to a childless old age, ask her to try Lydia E. Pinkham's Vegetable Compound, as it has brought health and happiness into so many homes once darkened by illness and despair.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

PRESENTATION TO MRS. JOHN RUNDLE OF BROOKE

Last Wednesday afternoon, May 4th, the home of Mr. and Mrs. John Rundle, 10 line of Brooke, was the scene of a very enjoyable gathering, the occasion being a presentation to Mrs. John Rundle by the Ladies Aid of St. Andrew's of which she was a valuable member and whose services have been so much appreciated. There were fifty ladies and gentlemen present at the occasion.

The address was read by Mrs. Griffith, and presented to Mrs. Rundle by Mrs. Vannatter. The remainder of the afternoon was spent in music etc., and ended with a dainty lunch served by the Ladies Aid which was much enjoyed.

The address follows—
May 4th, 1921

Dear Mrs. Rundle:
By common consent the Ladies' Aid of St. Andrew's, of which you are a valuable chartered member have gathered at your splendid home here, so well and favorably known to us all, to honor you, prior to your departure to Inwood.

Our earnest desire is to try and convey to you our appreciation of your many kind services in our behalf. You have ever been an enthusiastic worker, who has inspired us all to nobler efforts by your timely advice, splendid example and encouraging words of cheer.

For many goodly years you have one with us. You have ever tried to lighten our burdens by motherly deeds of love and sincere acts of kindness. We are sorry indeed to lose you from our neighborhood, but are glad to know that you are going to take a well and deservedly earned rest from the arduous duties of the farm.

As tokens of our love and esteem

we ask you to accept from us this silverware, may these souvenirs be an added blessing to your new home and constantly remind you of your many happy days on the tenth.

Mrs. Thos. Freer, President.
Mrs. Thos. Clark, Secretary.
Mrs. Rundle thanked the ladies very much and kindly invited them to her new home at Inwood.

LAMBTON'S 149 I.O.D.E.

The regular meeting of Lambton's 149 I.O.D.E. was held at the home of Mrs. Ray Morningstar, on Tuesday, May 10th. There were fifteen members present and Mrs. Pritchett, the Regent, presided.

The dance committee, whose convenor was Mrs. Siddall, reported that at the dance held recently at the Watford Hotel a sum was netted by the Chapter which will be used to fulfill our obligations to the local rink fund. It was decided to award a General Proficiency prize, valued at \$5 to each of the first three forms of the Watford High School.

Plans were made to present two pictures "Canada's Answer" and "The Death of Wolfe" to the Public School on Empire Day.

It was decided to hold a Rummage Sale early in June.

Dainty refreshments were served by the hostess and the National Anthem brought the busy meeting to a close.

SEVENTH ANNUAL MEET OF WOMEN'S MISSIONARY SOCIETY

Best Held Since Amalgamation and Record Number were in Attendance.

The seventh annual meeting of the Women's Missionary Society of Sarnia Presbytery was held in Watford on May 4th and 5th and was conceded by all present to be the best held since the amalgamation as regards attendance, interest, and excellence of addresses. Many delegates were present from each auxiliary and Mission Band and the fine weather and good roads induced as many more to come by motor from miles around till the Presbyterian church was filled beyond its seating capacity.

The meeting opened on Wednesday afternoon by singing the National Anthem followed by devotional exercises conducted by Forest Aux. The President, Mrs. Sturrett, of Petrolia, who presided then gave her address in which she gave a retrospective view of the work accomplished since the organization of the first Presbyterian society in 1888 with eight auxiliaries contributing \$306. By means of many new privileges we have advanced far since then and our aim is to make every woman and child in the church a member.

Need of Young Women.
Miss Malcolmson of Hamilton, newly-appointed young Women's Secretary addressed the meeting on her work. She emphasized the need of young women in the church for their energy and initiative. The work is world-wide and is divided into five groups including all ages. The factories in China and Japan absorb millions of girls who work in twelve-hour shifts at hard labor and lead joyless lives in conditions that we as Christian women should try to ameliorate. This interesting address was followed by reports of various secretaries.

Mission Report
The Mission Band Secretary reported twenty-one bands with 376 members who had raised \$1225 for missions and sent fourteen babies. The "Messenger" secretary reported 1065 subscribed for. The Library secretary reported sending a library, fifty hymnals and various gifts of books of books sent. The Supplies secretary reported sending twenty-three bales valued at \$1100 besides \$60 in cash. Miss Shipley of Hanoi China, formerly of this Presbytery and now home on furlough then gave a most interesting account of her seven years work in the foreign field. She gave a vivid description of the country, its magnificent temples and palaces and its people whom she considered very bright and adaptable and resourceful. A history of their early literature showed that they had long been searching for a true religion and how earnestly they followed it when found. A touching description was also given of the famine sweeping the country, the flight of the refugees and the hardships endured. The personality of the speaker impressed this address very deeply on the minds of the audience.

Interesting accounts were then given of the five sectional meetings held during the summer in different parts of the Presbytery. These showed that all had been well-attended, greatly enjoyed and beneficial to those present. Miss Geddes of Stratford, who has been the faithful treasurer of the society for thirty-two years then read her report which was very gratifying, showing that during the year the society raised \$8,000, this being an increase of \$375. Of this amount \$5995 had been sent by the W.M.S. and \$1225 by the Missions Band throughout the year. Besides the amount of \$764 had been contributed for supplies. The Cor. Secretary then gave a report of other activities of the thirty-seven auxiliaries and twenty-one Mission Bands. Several barrels of fruit and vegetables, crates of eggs and cases of preserved fruit had been sent to the Hospital Homes and Missionaries in the field.

Missionary Exercises.
These reports were followed by a Missionary Exercise by the primary S.S. Class which was greatly enjoyed after which some committees were appointed and the meeting adjourned. The Watford ladies had already served a bountiful dinner in the schoolroom at noon and again invited all to a sumptuous supper which was greatly enjoyed and at its close Miss Adams of Watford, extended words of welcome to all visitors which were responded to by various ladies and greetings were extended by Sister Societies. The evening session was opened by devotional exercises by Rev. Sawers who presided and the choir kindly conducted the music. Rev. McKay of Alvinston, extended greetings from the Presbytery after which the Corresponding Secretary again presented her report to the large audience.

Evening Session
The feature of the evening was the address by Rev. R. P. McKay, D.D., of Toronto, that "Grand Old Man" of Presbyterianism, who from his position as secretary of Foreign Missions also from his long experience could speak with such authority. He based his remarks on a part of the Scripture reading "the Wilderness and the Solitary Places Shall be Glad" and proceeded to show the reasons why they should, giving the

most inspiring and instructive address that the audience had ever been privileged to hear, showing to what extent this prophecy has been fulfilled. Recognizing the Awakening of the Orient, as the New Era he passed in rapid survey over some of the things accomplished in the Far East. Japan has now a good sanitary and transportation system and a better school system than we ourselves have and in establishing these, did in fifty years what had taken Europe five hundred. China had killed her opium traffic, adopted an alphabet of thirty-nine letters, established a Republic and declared liberty of conscience all in 15 years. In Africa the great wave of progress in Uganda was noted. Co-operation is needed and an altruistic and spiritual church should be aimed at and then truly all places "shall be made glad". Those present will not soon forget the inspiration and spiritual uplift of this address, for which a hearty vote of thanks was tendered Dr. McKay. After the offertory and announcements the meeting was dismissed.

Thursday's Session
Thursday session was opened by devotional exercises conducted by E. Adelaide Auxiliary after which the minutes were read and roll called by Recording Secretary. Then followed roll call of Mission Bands and presentation of M. B. Banner to Stratford for general proficiency.
Mrs. Forster, of Burns, then gave a most interesting account of the Provincial Meeting recently held in Peterboro, which she attended. A brief resume of reports read here were given and a suggestion made that all auxiliaries give up their selected topic at one meeting and read these reports (which will be sent to all) in full, instead. Increased efforts and interest were noted in every department contributions having increased one hundred per cent in the last five years.

Mrs. McKay of Alvinston then read the Home Helpers report telling of 321 H. Helpers and \$440 contributed. Reports of Strangers and Press Secretaries were read after which new business was discussed. The W.M.S. Sunday (third in September) also the campaign for membership during the second week in September will be arranged for at the sectional meetings and section 1 to select a pupil for the Summer School. Miss Shipley kindly consented to address the sectional meetings which will be held as follows: Nairn, June 17th, Guthrie June 21st, Burns June 22nd, Napier June 23rd, Ravenswood June 24th. The Committee on Resolutions then presented their report tending a hearty vote of thanks and appreciation to the speakers, soloists, organist, choir, session and ladies of the church for the services, kindness and hospitality of one and all which had made the meeting so successful. Mrs. Galbraith of Sarnia, then presented her Nomination Committee report after which the election of officers was proceeded with, Mrs. Patton of Sarnia, presiding. Most of these were elected by acclamation. Following this, prayer was offered for the new officers after which a vote of thanks was tendered the retiring officers. An invitation from Parkhill for the next meeting was accepted, closing words were given by Mrs. McVicar, prayer, and meeting dismissed by prayer by the new president.
