She shall preserve all the records and papers of the Society which do not belong to the Treasurer.

2nd. Thereafter two of the Managers shall visit the residence named (two ladies if the applicant be a woman, two gentlemen if the applicant be a man.) They shall look at the surroundings of the applicant, ascertain what can be practically known of the person's circumstances, habits and general character, in short, get all the available information about the case.

They shall see the clergyman and the doctor, if either have been in attendance, hear what each has to say about the applicant, and report to the Board of Managers.

Each application for admission to the Home shall be presented at the regular meeting of the Board, and if entertained, after due investigation, shall be acted upon at the following regular meeting of the Board.

But application for consumption and cancer cases made at a weekly meeting may be acted upon at the next following meeting, and *vice versa*; applications at monthly meetings may be called in at following week meeting.

4th. If, after the name of an applicant has in due course been approved by the Board, a considerable time should elapse before the occurrence of a vacancy, and there is reason to apprehend that such a patient is at, or near, the point of death, then the resident medical officer shall be directed to visit the case and to report to the Board as to the advisability under the circumstances of removing the patient to the Home.

TWENTY-FIRST ANNUAL REPORT
 OF THE
Toronto Home for Incurables,
For the Year Ending March 1, 1895.

With renewed thanksgiving to the Supreme Giver of all good, who has continued us in prosperity, we this year present to our friends and the public our Twenty-First Annual Report.

We record with sincere gratitude that not one of our active members has been taken from us by death. In our honorary membership, however, we have suffered the loss of Mrs. Topp, wife of the first President of this Home; a lady, who to the day of her death evinced the deepest interest in the work.

We grieve when sympathetic friends are called away, but new ones are constantly arising, and the Home is now on such a firm basis, that we need not fear that the support of the public will ever be withdrawn. The wards have been kept constantly full throughout the year, there being at present 121 inmates. The admissions have been forty-four, the deaths twenty-eight; eleven have left to live with friends, being much improved by the care and attention given; one was dismissed.

With a larger number of patients, the expenditure has been less. For this economy of several hundred dollars, we

are indebted in a great measure to the ladies' committee of the Board, who by a rigid examination of every department have greatly curtailed expenses and secured better service.

An institution of the size and varied aspects of the Home for Incurables, requires exceptional internal management, and we are glad to retain in position, Mrs. Craigie, Lady Superintendent, and her able assistant, Miss Egleston, under whom every detail is well executed.

The Medical Department has been as usual, efficiently attended to by Dr. A. B. Greenwood and the visiting physicians, in which they have been ably assisted by Miss MacTavish and the nurses under her.

We gratefully acknowledge the great kindness of many friends of the Home, especially the services of Mr. Mortimer Clark, the Parkdale clergymen and the press of the city.

The legacies received this year are as follows:—

Wadsworth Estate	\$1,000 00
Keiterson Estate.....	2,800 00
Foley Estate.,.....	237 42
Cockburn Estate.....	250 00

The expenditure has been \$15,934.64.

The receipts from various quarters this year have been a little larger than last, leading us to feel that with a brighter financial horizon the income of the Home will also increase.

The institution is necessarily an expensive one, and still requires every effort on the part of the Management to meet the annual expenditure.

There are many who do not now subscribe, who have it in their power to make some contribution towards the maintenance of such sufferers as are in our wards, and we trust that our

appeal for increased liberality may be answered by all whose hearts are stirred by the sufferings of humanity, in proportion to their own immunity from poverty and disease.

Respectfully submitted,

MARGARET MARTIN,

Secretary.

21ST ANNUAL MEDICAL REPORT.

From March 1st, 1894, to March 1st, 1895.

TO THE PRESIDENT, AND MEMBERS OF THE BOARD OF MANAGEMENT, HOME FOR INCURABLES, TORONTO:—

On behalf of the Medical Staff of the Home for Incurables, I beg leave to present the Twenty-First Annual Report.

At the time of making the last report there were one hundred and sixteen inmates in the Home, and during the past year forty-four inmates have been admitted.

During the year twenty-eight deaths have occurred, eleven have left the Home, and one was discharged for insubordination, leaving at the present time 121 inmates.

The death rate for the year has been lower than for some years past, and no case of infectious disease has developed in the building. The sanitary improvements made a few years ago are undoubtedly responsible for this satisfactory result.

The attention of your Board is particularly directed to the advisability and necessity of the erection of an isolated wing for the reception of Phthisical cases. The treatment of these cases requires a perfect regulation of heat and cold, abundance of fresh air, etc., etc., which it is almost impossible to secure in any ward of a general home.

The high proportion 22.2 per cent. of the patients admitted during the year, suffering from this dread disease, warrants our drawing your special attention to this subject.

It is hoped that some generous person may see fit and proper to come forward and erect and endow such a wing.

We would also advise the procuring of more modern appliances for the reception and destruction of the sputa of

Phthisical patients, and more rigid rules regulating their mixing with the general patients of the Home.

We wish to express our thanks to Dr. Greenwood for the able and courteous manner in which he has performed his many duties as Resident Physician, more particularly in carrying out the treatment as defined by the members of the Medical Staff.

To Mrs. Craigie, on whose shoulders so much responsibility rests, and on whose discretion so much depends, we must also express our great appreciation, and congratulate the Board on having so able and efficient a lady as superintendent.

The Nursing Department has always been satisfactory under the charge of Miss McTavish and her well-trained staff. We are satisfied that the nursing has been thoroughly, honestly and efficiently carried out, although, no doubt, at times, the task has been very great.

Hereto is appended a classified list of the cases admitted, the deaths which occurred, and a recapitulation of the changes during the year.

All of which is respectfully submitted.

EDMUND E. KING, M.D.

On behalf of the Medical Staff.

MRS. ANGUS MORRISON.

Moved by Mr. William Cooke, seconded by Mr. A. J. Somerville.

That the thanks of the Board and members of this Association are especially due, and are hereby tendered to Mrs. MacMath, the Treasurer, and Miss Martin, the Secretary, and also to Miss Clarke, the Assistant-Secretary, for the very valuable and efficient services rendered by them to this Institution during the past year.

On behalf of the Hon. J. Beverley Robinson, the President, in appropriate words, presented to the Home a handsome portrait of the late Mrs. Robinson, for many years a member of the Board.

The following resolution was then moved by Mr. W. Mortimer Clark, Q.C., seconded by Mr. Percival Ridout.

That the thanks of the meeting be tendered to the Hon. J. Beverley Robinson for the gift of the portrait of his late wife, to whom the Home was indebted at the time of its inception for very valuable financial assistance, and that the portrait be hung in the public hall among those of the other benefactors of the Institution.

Moved by Rev. Dr. Parsons, seconded by Mr. Barlow Cumberland.

Resolved—That in the removal of Mrs. Jane Topp, an honored life member of this Board, and relict of the late Rev. Alex. Topp, D.D., first President of this Home, we recognize, with deep gratitude to God, her continued interest in and devotion to this beneficent charity, evinced by her practical aid and sympathy to the close of life. This Annual Meeting would express and record their sympathy with the surviving members of her family in this bereavement, and invoke in their behalf the sustaining grace of God under their affliction.

The meeting, which was highly successful, was then closed with the benediction, pronounced by Rev. Dr. Parsons.
