Fire Wipes Out Third of Quebec Village of St. Constant

THE EVACUATE IN JANUARY

PHONE OPERATOR IS HEROINE OF FIRE AT ST. CONSTANT

Sticks to Post Calling Help Until Fire Destroys the Wires.

60 BUILDINGS BURN At Girl's Request Help is Rushed From Montreal and Other Places.

Montreal, Sept. 22.—Half a million dollars damage was done and one-third of the village of St. Constant, about 22 miles from here, was wiped out by a fire which broke out about 2.30 a. m. and burned uncontrolled until a fire engine and hose wagon arrived from Montreal at 5 a. m. The fire was then brought under control after it had destroyed 20 houses, the village church and presbytery and the general store of the town. More than 100 of the village population of 400 are homeless.

Wind Spreads Flame. The fire broke out from an unknown cause in a house back of the village church and was fanned by a strong southeast wind which carried embers with it and set a dozen houses on fire simultaneously.

Two Toronto Men Commit Suicide Both Are Found Dead With Bullet Wounds in Heads.

34 ARE KILLED IN TORNADO IN U. S.

Many Injured and Great Damage Done in Wisconsin and Minnesota.

St. Paul, Minn., Sept. 22.—Thirty-four persons perished in the storm which swept through Minnesota and Wisconsin yesterday, according to latest tabulations of the casualties. Most of the deaths were in northern Wisconsin.

Ship, Condemned, To Be Sold by Auction St. John's, Nfld., Sept. 22.—The Norwegian steamer Christenensen was so badly damaged by fire while she was at Notre Dame Bay that she has been condemned and will be put up for auction. It is necessary to beach the vessel because of the fog.

Wire Briefs London, Sept. 22.—The Australian wheat crop is estimated at 160,000,000 bushels, according to a despatch from Sydney. Last year's crop was 109,500,000 bushels.

Freight Off Track, Trains Held Up Moncton, Sept. 22.—The Maritime Express from Montreal was delayed more than five hours today by a derailment of a fast freight train 40 miles west of Riverview near St. Louis, yesterday. None of the members of the train crew of the derailed train was injured. It is not expected that the Ocean Limited will be delayed by the accident as the tracks were cleared before she was due to pass.

Shanghai Defence Remains Unbroken Shanghai, Sept. 22.—After battering at Chekiang defense lines since daybreak the Kiangsu artillery was unable to push the Shanghai troops back in fighting which was in progress today between Hwangtu and Kiating, 15 miles west of Shanghai.

Has No Home

Rosebud Young, daughter of Courtland Young, millionaire publisher, and Mrs. Dorothy Campbell Young, former Folios girl, for whose custody both parents are fighting in court.

N.B. POWER CO. PUTS AN INJUNCTION ON CITY COMMISSION

Claims Interference by Hydro Men; Judge Grimmer Grants Order.

HEARING ON OCT. 15 No Power Co. Transformers May be Removed by City in Meantime.

An injunction restraining the Power Commission of the City of St. John from removing, obstructing, severing, cutting or otherwise interfering with the electric light and power distribution system of the New Brunswick Power Company was granted by Mr. Justice Grimmer last Saturday. The injunction was sought by the plaintiff company as a result of alleged actions on the part of Hydro workers about the piers in West St. John.

Smith Again To Run For Governor

New York, Sept. 22.—Governor Smith will be renominated—probably by acclamation—by the Democratic State Convention, scheduled to meet at Syracuse on Thursday. He will accept the nomination. While this statement has not been authorized by the Governor, it reflects what is in the minds of the Democratic leaders and in the mind of the Governor himself. Conferences are said to have removed the last doubt that remained.

LIBEL ACTION NOW READY FOR HEARING

St. John Lawyers Interested in Case Brought Against Frederickton Gleaser.

Frederickton, Sept. 22.—When the York sittings of the Court of King's Bench, with Mr. Justice Barry presiding, takes place tomorrow, one criminal case will be ready for trial, that of the King vs. Harold Broad, which was referred to the higher court by Judge Slipp of the York County Court when the jury disagreed in the lower court. The case is charged with breaking and entering the grocery store of Joseph Wilby, Westmorland street. G. F. Feney is charged with the defence, and H. G. Feney, clerk of the court, for the crown. He was admitted to bail.

SIXTEEN PEOPLE KILLED IN BOSTON AUTO ACCIDENT

Car Crashes Through Bridge Railing Into Fort Point Tunnel.

IS SUBMERGED Bodies of Four are Recovered as Machine is Brought to Surface.

Boston, Mass., Sept. 22.—Sixteen persons are known to have met death in an automobile accident late last night, in which a large touring car passed through the railings of the Congress street bridge and plunged 20 feet into a Fort Point tunnel. The car was submerged in 15 feet of water. The bodies of a woman, a two-year-old infant, a seven-year-old child and a man were found when the car was brought to the surface by navy divers. The body of a five-year-old girl had been recovered earlier.

Young Organist and Aged Widow Wed; "Was Lonely," She Explains

Mrs. Sarah Elizabeth Fray, wealthy 82-year-old widow, being helped down steps by her husband, Jack Edward Griffith, 29, Norfolk theatre organist, immediately after their marriage.

PROMISE MADE TO INDUCE GERMANY TO ENTER LEAGUE

Investigator Assures Teutons of Seat on Council of League.

LEAGUE'S NEW HOME All Nations' Architects Will be Asked to Submit Plans.

BY CARL D. GROAT (United Press Staff Cor.) Berlin, Sept. 22.—Germany will ask for admission to the League of Nations during the present session of the League Assembly at Geneva, it was stated authoritatively today. The cabinet meets tomorrow, but it is likely two sessions will be necessary before it finally approves the text of the application, which will then be sent to the League secretariat.

ILLINOIS CLERGYMAN CONFESSES TO MURDER OF HIS WIFE AND ANOTHER

Mount Vernon, Ill., Sept. 22.—(United Press)—The Rev. Lawrence H. Hight, middle-aged pastor of Ina, a village 10 miles south of here, confessed today to the poisoning of his wife and Wilford Sweetin, authorities announced. After an all night grilling, Hight admitted pleading guilty in his wife's coffee. Later he admitted poisoning the water which he gave to Sweetin while he was ill.

Whether the prospects of setting up an academic year today with 58 new students registered, classified as follows: Forestry, eight; electrical engineering, 24; civil engineering, three; arts, 21; and science, two. The trend of the incoming class this year is towards applied sciences, particularly forestry and electrical engineering.

WOODSTOCK HOTEL DAMAGED BY FIRE

Stolen Automobile Found After Being Run Over An Embankment.

Woodstock, Sept. 22.—Fire on the roof of Aberdeen Hotel last evening brought out the fire department with some damage done to the interior by water. The building is covered by insurance.

PRINCE OF WALES REACHES CANADA

Montreal, Sept. 22.—The Prince of Wales made his first stop in Canada, when his special train stopped for 15 minutes at St. Henri station, within Montreal city limits, today, en route from his American visit to his ranch at High River, Alberta. The train arrived at 10.55 a. m. and after its first stay left for Ottawa.

FRISCH AND GROH DONE FOR SEASON

Both Injured, McGraw Says They Will Not Be in Game Again.

New York, Sept. 22.—Captain Frank Frisch, second baseman, and Heinie Groh, third baseman, injured members of the Giant infield, will not be able to play any more this season, Manager John McGraw has announced. Groh injured his knee in Friday's game against the Cubs and Frisch sprained a finger on his right hand in yesterday's contest against the same team.

U. S. FLIERS LEAVE FOR SAN DIEGO

Arizona, Sept. 22.—The United States round the world fliers took off here at 7.28 o'clock this morning for San Diego. The sky was clear and only a slight breeze was blowing.

U. N. B. RESUMES 58 NEW STUDENTS

Forestry Course. Nephew of Ottawa's Lumber King Comes to N. B. for Forestry Course.

Whether the prospects of setting up an academic year today with 58 new students registered, classified as follows: Forestry, eight; electrical engineering, 24; civil engineering, three; arts, 21; and science, two. The trend of the incoming class this year is towards applied sciences, particularly forestry and electrical engineering.

Wahabis, Now Occupying Cais, May Be Opposed by Transjordan Army.

Jerusalem, Sept. 22.—The Wahabi forces now occupying Cais are concluding preparation for a general attack of Mecca, according to information received here today. It is stated that the Indian National League is supporting the Wahabis.

British Premier Denies Rumor Regarding Attitude At Geneva Meeting.

London, Sept. 22.—"So far as I am concerned there is no truth in the rumor that the dominion delegations are restive under the proposals now being made at Geneva," declared Premier Macdonald to one of the Canadian delegates, according to a statement made by this representative to the British United Press this morning. "The first and third commissions, which deal with the arbitration security and disarmament projects, will probably make their reports next Tuesday, but so far give no cause for serious alarm and any misgivings that have arisen are due to misapprehension."

Weather Report

Table with columns for location, highest temperature, and lowest temperature. Locations include Victoria, Calgary, Edmonton, Winnipeg, Toronto, Montreal, St. John, Halifax, and New York.

Disarmament Plans

Preliminary plans for the disarmament conference to be held here next June and upon the success of which the life of the arbitration and security pact depends, provide that the conference arrangements shall be placed in the hands of the disarmament commission of the league, otherwise known as the temporary mixed commission. The United States, Germany and Russia will undoubtedly be invited to participate in the work of preparing the conference programme.

New Palace Plans

While the main body of the delegates wait upon the works of the "big twelve," there is considerable discussion of the plans now under way for the construction of a new and costly hall for the use of the league assemblies. It has been decided to erect this much needed building at a cost of approximately \$1,000,000 on a plot of land donated by the city of Geneva. Architects of all the states in the league will be invited to compete in drawing the plans. The building cannot be ready for use before the assembly of 1927.

N. B. POWER CO. GETS INJUNCTION

(Continued from page one)
way with their distribution system. The injunction was applied for by F. R. Taylor, K. C., and was granted early on Saturday afternoon. It is as follows:

THIS IS COPY OF INJUNCTION. IN THE SUPREME COURT CHANCERY DIVISION. BETWEEN The New Brunswick Power Company, Plaintiff, and The Power Commission of the City of St. John, Defendant.

Upon hearing Mr. Taylor, K. C., for the plaintiff and upon reading the affidavit of Hal A. Brown, dated the twentieth day of September, 1923, and the affidavit of M. A. Pooler dated the twentieth day of September, 1924, and the plaintiff's counsel undertaking to abide by any order of the court or a judge may make as to damages in case the court or a judge should hereafter be of opinion that the defendant shall have sustained any by reason of this order which the plaintiff ought to pay. IT IS ORDERED AND DIRECTED that the defendant, its agent and servants and every one of them be restrained, and an injunction is hereby granted restraining them and every one of them from removing, obstructing, severing, cutting or otherwise interfering with the plaintiff's electric light and power distribution system in the City of St. John or any part or parcel thereof, or any transformer, meter, wires, insulator, cross arm or other article connected therewith and from preventing the plaintiff from maintaining and operating the same and all portions

NOTICES OF BIRTHS, MARRIAGES AND DEATHS, 50 CENTS.

thereof in its usual manner until the 15th day of October next, or until further order.
And I appoint Wednesday the 15th day of October, 1924 at the hour of 11 o'clock in the forenoon as the time and my chambers, in the Pugsley Building, in the City of Saint John as the place where I will hear a motion to continue this injunction order until the trial of this action.
Dated the 20th day of September, A. D. 1924.
(Sgd.) W. C. HAZEN GRIMMER, J. S. C.
Commissioner Is Served.

It was said this morning by the secretary of the Civic Power Commission that the first intimation they had of the action taken by the Power Company was the serving of the notice of injunction, and they had not been represented at the hearing before Mr. Justice Grimmer.

Company's Letter.
Times-Star readers will recall that on last Saturday a letter from the directors of the N. B. Power Co. was published, in which amendment was expressed "at the treatment this company has received from the City Hydro Commission." The letter went on to state that "requests that the company be given such treatment as business ethics demand have been of no avail." The City Hydro Commission cut the company's wires, removed the company's transformers from the poles of the company, and left them lying on the ground, without advice or permission from the company. It is with regret that we have felt obliged to appeal to the courts to protect the company and its property against the actions of a department of its own city, but as this department seems to be lacking in its knowledge of what ordinary fair treatment and decency demand, there seems to be no other course for us to pursue, much as we regret having to do so.

TWO AFFIDAVITS ARE SUBMITTED.
These are the affidavits presented in support of the application for an injunction.
In the Supreme Court Chancery Division.
Between The New Brunswick Power Company, Plaintiff, and The Power Commission of the City of Saint John, Defendant.

1. M. A. Pooler, of the City of Saint John, in the County of the City and County of Saint John, and Province of New Brunswick, manager, make oath and say:
1. That I am the manager of the above named plaintiff company and have a personal knowledge of the matters and things hereinafter deposed to.

2. That on the second day of March, A. D. 1923 the above named plaintiff caused an action to be instituted in the Supreme Court, Chancery Division, of the Province of New Brunswick, claiming that the said City of Saint John had no authority to engage in the business of supplying electricity for light and power and also if it were held such business was ultra vires of said city and if it did engage in such business it could not erect a distribution system in the City of Saint John without interfering with the existing distribution system lawfully maintained and operated by the plaintiff herein.

3. That the said case was tried before His Honor Mr. Justice White during the summer of 1923 and was argued during the said summer. That judgment has not as yet been delivered.

4. That subsequent to issuing the writs in the said case the City of Saint John, through the above named defendant, caused to be erected a distribution system throughout the City of Saint John and the said distribution system is in many places interfering with the system operated by the plaintiff and lawfully erected prior thereto in the said City.

5. That on the eighteenth day of September instant, the said defendant removed certain transformers of the plaintiff from poles belonging to and in the possession of the plaintiff in the said City of Saint John through which electricity was supplied by the plaintiff to various steamship companies in West Saint John for their ships when berthed there.

6. That no notice was received by the said plaintiff company of the defendant's intention to remove said transformers and to cut said plaintiff's wires and the said defendant had no right to remove the said transformers or to sever plaintiff's said distribution system.

7. That the said defendant also at the said time connected their transmission line with the plaintiff company's said distribution system supplying light and power to said steamships when loading and unloading in Saint John without any right or authority of the plaintiff company and without any communication to the said plaintiff and notwithstanding that the city's right to construct and operate the said defendant's distribution system was sub-judice.

8. That unless restrained by injunction of this honorable court I am sure that the said defendant will interfere greatly with the defendant's distribution system at West St. John and elsewhere and that it is in the interest of justice, pending the determination of the right of the defendant to operate the said competing distribution system and pending the trial

of this cause, that an injunction may be granted restraining the defendant from interfering with the company's said distribution system and from otherwise obstructing or interfering with the plaintiff and of preventing it from restoring its said transformers to the said poles and connecting up its system again and that unless protected by injunction of this honorable court the said plaintiff will sustain irreparable damage by the action of the said defendant.
(Sgd.) M. A. POOLER.
Sworn to at the City of Saint John, in the County of the City and County of Saint John, and Province of New Brunswick, this 20th day of September, A. D. 1924, before me,
(Sgd.) J. H. DRUMMIE.
A Commissioner for taking affidavits to be read in the Supreme Court.

STATEMENT MADE BY CHIEF ELECTRICIAN.
In the Supreme Court, Chancery Division, between The New Brunswick Power Company, plaintiff, and The Power Commission of the City of St. John, defendant.
I, Hal A. Brown, of the city of St. John, in the County of the City and County of Saint John, and Province of New Brunswick, electrician, make oath and say:
1. That I am the chief electrician of the above named plaintiff, the New Brunswick Power Company, and have been chief electrician of such company since its organization and prior to the organization of the said New Brunswick Power Company for very many years chief electrician of the St. John Railway Company, predecessor of the said New Brunswick Power Company, and have a personal knowledge of the matters and things hereinafter deposed to.

2. That the said New Brunswick Power Company for some years past and prior thereto its predecessor, the St. John Railway Company, have been operating in the west side of the city of St. John furnishing electric light to berths No. 5 and No. 6 owned by the city of St. John and No. 9 extension of the said city owned by the Government of Canada, but all occupied by various steamship companies, including the Canadian Pacific Railway Company, Furness, Withy & Company and others, the lights at such berths being paid for by the consumers, the said steamship companies.

3. That for the purpose of supplying electric light to the said steamship companies and other occupiers of said berths the St. John Railway Company had erected a distribution system at its own cost, connecting said berths, said distribution system consisting of a pole line, cross-arms, wires, transformers, meters, etc. and running from Union street to the said berths and on the said pole line the said New Brunswick Power Company, said distribution system and has supplied the said company with light at said berths.

4. That the said New Brunswick Power Company since the taking over of the said property from the said St. John Railway Company maintained the said lines and supplied the said steamship companies for their boats with light and billed the said companies for the light consumed and the said bills have been paid by the said steamship companies to the New Brunswick Power Company and I am informed, and believe, that the said steamship companies or some of them are desirous to continue to take power and light from the New Brunswick Power Company and I have not heard of any steamship company from two poles to sever its connection with said New Brunswick Power Company and to get light elsewhere.

5. That the said steamship companies recognize the dependable service they have in the past received from the New Brunswick Power Company and no businesslike steamship company would care to have delay in loading or discharging their vessels due to interruption of hydro service and would care to depend upon the said hydro system for light.

6. That on Thursday the eighteenth day of September, 1924, certain employees of the defendant, without any notice to the plaintiff and without any advice to the plaintiff as to what they were going to do or any knowledge of the plaintiff as to their intention, disconnected the said distribution system furnishing light to said steamship companies from the transmission lines of the plaintiff and connected the said defendant's system and removed the plaintiff's transformers from two poles to and belonging to the plaintiff and replaced the said transformers on the said steamship company's poles by transformers belonging to the defendant.

7. That unless prevented by injunction of this honorable Court I believe the said defendant will transmit the said defendant's electric current over the said wires and distribution system of the plaintiff company and will use the said plaintiff's said distribution system for the purposes of the said defendant.

8. That the result of this action on the part of the defendant will be to interfere with the company's property and plant and the company's business of supplying its customers, the said steamship lines, and that it is impossible for the said plaintiff to measure

accurately the loss that it will sustain by reason of such interference on the part of the defendant. The amount of current supplied to said steamship lines during the winter season is very considerable and the loss will be very material to the plaintiff, and the plaintiff will sustain irreparable damage by such interference. In addition hereto the taking over of the said distribution system by the defendant will cause irreparable damage and injury to the plaintiff.

9. That the said plaintiff company's said distribution system was lawfully and properly erected and maintained and meters properly installed, and was still being lawfully erected and maintained as the property of the said company at the time it was interfered with and forcibly taken over by the said defendant.

10. That an injunction of this honorable court is necessary to prevent the said system being used by and operated by the defendant and to prevent the said defendant from interfering with this company's business.
(Sgd.) H. A. BROWN.
Sworn to at the City of Saint John, in the County of the City and County of Saint John, and Province of New Brunswick, this 20th day of September, A. D. 1924, before me,
(Sgd.) J. H. DRUMMIE.
A Commissioner for taking affidavits to be read in the Supreme Court.

LOCAL NEWS

FIND HORSE'S OWNER.
A horse which was found lying ill in a yard in Leinster street yesterday and was taken to Donohue's stable is now said to be under the care of a veterinary. It is said the horse is owned by James Campbell.

LEAVES HOSPITAL.
Nicholas Patinos, a sailor from the S. S. Nihoa, who was taken suddenly ill while the steamer was in this port some weeks ago and who was operated on in the General Public Hospital, is convalescing and today left for Sydney to join the vessel.

FIRE CHIEF IS ILL.
Friends of G. E. Blake, chief of the St. John fire department, will be pleased to learn that his condition is considerably improved today. He developed a severe cold and on Saturday it was feared that pneumonia would set in. His condition last night was considered quite serious, but this morning he took a turn for the better.

INSTALLING NEW SYSTEM.
A. L. C. Chalk, of the firm of Price Waterhouse and Company, arrived in the city yesterday and this morning began work on the installing of the accounting system recommended in the audit of the books and accounts of the Civic Power Commission. The members of the said commission will be in the city from two to three weeks to complete the work.

THE ROTARY CLUB.
Len Gooch presided at today's Rotary luncheon and Brewer Edwards gave a very interesting explanation of the methods of making chocolates and candies, of which Canadians consume enormous quantities every year. Rotarian A. L. Postle reported the profit on the exhibition booth to be \$410, and announced that the club had \$1,750.00 in the funds for the playground shelter and other specific purposes.

METHODIST MINISTERS MEET.
At the weekly meeting of the Methodist ministers, held this morning in Centenary church, a plan presented by the secretary for the monthly exchange of pulpits was adopted and matters of routine business dealt with. Rev. E. E. Styles presided and others present were Revs. J. M. Rice, Hugh Miller, William Lawson, George Orman and Neil McLaughlin.

BURIED TODAY.
The funeral of Mrs. Catherine Williams was held this afternoon from her late residence, 146 Durham street. Service was conducted by Rev. H. A. Goodwin and interment was in Cedar Hill.

The funeral of Mrs. Sarah H. Ferguson was held this afternoon from her late residence, 178 Queen street. Service was conducted by Rev. R. R. Fulton and interment was in Fernhill.

REFORESTATION IN NEW BRUNSWICK

Work Begins Tomorrow Along Fredericton and Grand Lake Ry.

(Special to Times-Star.) Fredericton, N. B., Sept. 22.—J. C. Veness, of Ottawa, is here today for reforestation experiments along the line of the Fredericton and Grand Lake Railway. He will start tomorrow morning with a crew of 20 men. If he can secure the seeds he will plant white spruce, white pine and red pine. He is working under the Reforestation Research Bureau. He will plant the burnt over ground, namely that burned at Colter in 1924; Scott in 1922, and at Magee's in 1918. Mr. Veness is a former resident of Fredericton and a graduate of U. N. B. He has been engaged in this work in other sections of the province.

In the parish of Dumfries, York county, the vacancy in the Municipal Council, caused by the resignation of Albert S. Simmons, who is removing to California, will be filled by a by-election within a few weeks. Former Councillor Hiram Manuel has announced his intention of being a candidate for the position.

ST. JOHN PEOPLE WED IN MONTREAL

A wedding of interest to St. John friends was solemnized at St. Michael's church, Montreal, on Tuesday, Sept. 16 when Rev. J. T. Gough who was celebrant at nuptial mass, united in marriage Miss Mary F. Wallace, daughter of Mrs. Mary and the late Alexander P. Wallace of this city, and Gerald P. Gleeson, son of Mr. and Mrs. John P. Gleeson, formerly of St. John but now of New York. The bride, who was given away by her brother-in-law T. L. Doyle, was unattended. She wore a becoming traveling suit of navy poret twill with grey panne velvet hat and grey fox tie, the gift of the groom. Following the ceremony breakfast was served at the home of the bride's sister, Mrs. T. L. Doyle, Mance St., after which Mr. and Mrs. Gleeson left for New York to visit the groom's parents. They were recipients of a large number of magnificent presents. On their return they will reside in Brandon, Manitoba, where the groom is employed with the C. P. R.

GRAND LODGE, I. O. G. T. The annual meeting of the Grand Lodge, I. O. G. T., was held on Saturday at Jerusalem, Quebec county, with a large attendance of delegates from the various lodges throughout the province. Encouraging reports were submitted and James A. McEachern, of St. John, was re-elected grand chief templar.

Price alone presents this Beaver Mohair suite as a bargain you can strike only at Marcus. The quality is clearly defined as without peer below three hundred dollars.

And the beauty of it! Soft toned Beaver—in heavy Mohair plush. Cushions with one side this handsome solid color and the reverse revealing it in brocade.

Tasselled arching arms. Full springing and over-stuffing everywhere. There is a Chesterfield suite of three to treasure, the more so since the price brings you more here than elsewhere.

It's the central suite in the window exhibits. A Year to pay—own it today. Open September Evenings.

ST. JOHN, N. B., SEPTEMBER 22, 1924

THE MARITIMES.

The Toronto Globe is interested in an assertion made by a writer in the Halifax Herald to the effect that the tariff does not protect Maritime industries, because they cannot compete with mass production in the large industrial centres of Ontario and Quebec.

THE VOCATIONAL SCHOOL.

Calgary has a well-equipped vocational school, styled the Institute of Technology. Of its courses and its work the Calgary Herald says:

Press Comment

THE TOURIST BUSINESS.

(Winnipeg Tribune) CANADA is enjoying a good reason in the tourist business. It has been estimated that this industry now represents an annual turnover of approximately \$150,000,000.

CANADA'S FOREIGN TRADE.

(Montreal Gazette.) August returns of foreign trade are not cause for congratulation. Both imports and exports declined in 1923 during the month.

TRAGEDY.

Where confidence once looked through shining eyes

That proudly smiled. Your laughter, too, is dead.

Down whose strange ways you wander none can ever know.

You walk alone, and I, who looked with pride

Upon your vigor once, now watch you leary of exports opportunities by any means.

Those who have studied the trade possibilities are convinced that it would be possible to increase the proportions of the business to \$800,000,000 a year by selling Canada's tourist attractions to the world—and particularly the United States—(namely, by advertising, national, provincial, municipal and otherwise) and by taking advantage of the opportunities of selling goods, service and accommodation to the tourists.

And other industry presents anything like the possibilities for satisfactory profits in relation to the costs involved and the consumption of our raw materials?

It cannot be. Far off I stand and pray That you have kept some memory of me To brighten, for a space, your fearful way.

—J. M. Oid.

LIGHTER VEIN.

Good Reason.

A new suburbanite was asked why he did not start a garden.

"I prefer," he replied, "to depend on the grocer for my vegetables. When I ask him for beans, he doesn't give me jimson-weed instead."

That Drowsful Child.

The little son of the house was very quiet during the first part of the dinner, and every one forgot that he was there.

As dessert was being served the host told a story. When he had finished, and the laughter had ceased, the little son exclaimed glibly:

"Now, father, tell the other one."

A Motorist's Strategy.

During a motor trip last week (writes a Manchester Guardian correspondent) I picked up a little lesson in economy (or shall I say strategy?)

A friend of mine accompanied me on another motor, and we pulled up at a small Herefordshire town to make a couple of hours' stay and to have lunch.

I selected a garage as temporary cover for the two motor.

When we came away, I casually asked my friend how much he had been charged for the convenience. He said, "Nine-pence."

I said: "That's strange—he charged me a shilling."

"Ah," observed my friend, "that was for garage accommodation; I asked him for a fastener on my fan belt. It's only nine-pence."

WHEN LONDON SLEEPS.

According to the London Morning Post, "the City of London has a sleeping population of only 18,700-6,722."

On the import side of the statement, the figures are encouraging. In every department of trade there has been a falling-off in respect of the materials and finished products, the former decreasing \$21,000,000 and the latter \$98,880,000 in the five months ending August 31st, 1923, as compared with the corresponding period of 1922.

The following table shows the trend of Canada's foreign trade for the five months ending August 31st, during the last six years:

Table with 2 columns: Year and Value. 1919: \$306,284,000; 1920: \$377,880,000; 1921: \$310,029,000; 1922: \$303,597,000; 1923: \$329,979,000; 1924: \$383,228,000.

These figures are not discouraging, making favorable comparisons, as they do, with any like period since the halcyon days of 1920, and if the recent downward tendency is arrested the future can be faced with hope and confidence.

Whether the recession has run its course is the uncertainty which has arrested the trade balance.

The trade balance is favorable, much more so than a year ago, when in the five months imports exceeded exports by \$60,000,000, whereas this year there has been an excess of exports of \$68,000,000, in which recurrence may be found one reason for the restoration of the Canadian dollar to par.

In China and the Far East it is the custom to give coffins as presents to relatives or friends.

TRADE RESTRAINT CHARGE BY COUNSEL

Canada is Interested in Hearings Over Price of Gasoline.

Jefferson City Mo., Sept. 22—The entire gasoline trade in the U. S. and even in some foreign countries, is involved in evidence being produced in the gasoline price hearings conducted here by Attorney General Jesse W. Barrett of Missouri.

Heat Treating Furnaces at our Walkerville, Ontario, plants.

The most modern methods of treating steel are utilized in these furnaces, assuring finest quality materials in General Motors cars.

Figures, too, hold Romance

General Motors Canadian Factories have a capacity of over 50,000 cars per year. That is the cold fact—but back of it stand other facts, just as true, but infinitely more human.

Four thousand Canadians found pleasant, well-recompensed work in the making of General Motors cars in 1923. Over twenty thousand Canadians found pleasure and profit in owning them.

Twenty-seven thousand of the cars went to distant lands, swinging the balance of trade towards Canada. Four hundred Canadian and British factories found a profitable customer in General Motors. A great industry has been born and is thriving in our midst. Figures, too, have a romance all their own.

MR. FIELDING'S HONOR.

Referring to the suggestion that Parliament should vote an honorarium or annuity to Hon. W. S. Fielding, the Montreal correspondent of the Financial Post says it has the approval of important business and financial men in that city, and adds—

"It is recognized that Mr. Fielding has given to Canada a life time of sincere, honest public service; so sincere and honest that he has remained a poor man. Not only has he refused to allow his public life to benefit him financially, but he has given to the country time and energy that might have gone for his personal advancement. It was his overwork that has shattered his health. It is felt that Canada in return should assure the aged minister of comfort and freedom from worry for the rest of his life."

The same correspondent records a bit of history that will be read with very great interest and satisfaction by friends of the venerable statesman. It is as follows—

"Mr. Fielding's career has never been free from temptations to gain. When one of the big industrial mergers was being put through in Nova Scotia during his premiership he put through bills that benefited certain groups to a very great extent. At one time he called together a special session of the Legislature to give special concessions regarding taxes, royalties, charters, etc., to one of these mergers. The American promoters, when they had achieved their end, had a session with Mr. Fielding to determine what should be his share of the stock distribution. He was visibly furious with the suggestion and amazed them by declining in any way, saying that he had had in mind only the industrial prosperity of the province in what he had done. Then his promoters stated that they felt

they should at least pay for the cost of the special meeting of the Provincial House. Mr. Fielding declined to allow this either, on the ground that it would lay him open to suspicion."

Of Miss Margaret Bondfield, M. P., who is to visit St. John and will undoubtedly receive a warm welcome, an exchange says: "Miss Bondfield is one of those splendid British women who have allied themselves with the labor movement and who have qualified themselves to sit in the House of Commons by years of devoted service to their fellow men. Miss Bondfield is the first woman to sit on the Treasury Benches in the British Commons, having been appointed by Ramsey MacDonald as parliamentary secretary for labor. Miss Bondfield had the distinction also of being elected (1923) the first woman chairman of the British Trades Union Congress. She has represented the organized workers at international conferences at Geneva, Paris, Washington and Moscow."

What Miss Bondfield tells her auditors should be inspiring as well as informative."

The Ottawa Citizen says that Chief Justice McKeown comes to the chairmanship of the Railway Commission with a fine record and extensive experience, and adds: "His service as royal commissioner in the Home Bank investigations brought him before the public of Ontario with satisfactory results. Mr. Justice McKeown has a long and honorable career as a public representative and a judge behind him. It is to be assumed that he is also familiar with those questions which the Railway Commission has constantly to deal with. His selection as chief commissioner indicates the government's confidence in his ability for that onerous position. The country generally will share that confidence and believe that the appointment is one to be commended."

The Hamilton Herald adds its contribution to the Meighen controversy. It says: "Any Conservative politician who will pledge himself to consider the interests of Montreal first and the interests of Canada afterward can have the support of the Montreal Conservatives as national leader of their party. The price is too high."

There will be 800,000 Toronto voters entitled to cast their ballot at the Ontario plebiscite on October 23. This will include both municipal and provincial lists.

The Boston Transcript remarks that the Prince of Wales may be pardoned if he asks whether he is a guest or an exhibit.

On his fifth trip across Niagara Falls the blind man weighed 145 pounds.

SEPTEMBER BRIDES

Taylor-Davis.
German street Baptist church was crowded on Saturday evening at 6 o'clock when a large assembly of people witnessed the wedding of Miss Jessie Ellen Davis, daughter of Mrs. S. H. Davis, Prince William street, to Mr. Frank Murray Taylor, son of Mr. and Mrs. G. B. Taylor, 228 Douglas avenue. Rev. S. S. Poole, D. D., officiated at the ceremony and T. C. Cochrane, organist of the church, played the wedding music. The church was beautifully decorated in yellow and white, the work being done by the Sunday school class of the bride.

The bride wore very becoming brown brocade Canton with fur trimming and a fox fur neckpiece. Her hat was a perfect match for her dress and she carried a bouquet of Ophelia roses. Her only attendant was little Miss Jean Kitchen, of Grand Falls, who was fairylike in her dainty frock of yellow tulle and carried a basket of mignonette and yellow pansies. The ushers were Miss Adrienne Davis, sister of the bride, and Miss Mathrya Shaw, of Kentville, N. S., both of whom were gowned in matching douratyne, with hats to match and carried very pretty old-fashioned nosegays. Mr. and Mrs. Taylor left immediately after the ceremony on the Boston boat and will visit New York and other cities on their honeymoon. They will reside at 426 Douglas avenue on their return.

Among the many handsome presents was the silver candelabra presented the young couple by the employes of G. B. Taylor, with whom the groom is employed.

Hurley-O'Brien.

This morning at 6:45 o'clock Florence Marie, daughter of Mr. and Mrs. John O'Brien, 71 Moore street, and William A., son of Mrs. Catherine Hurley, 17 Castle street, were united in marriage in Holy Trinity church with nuptial mass, Rev. F. Cronin officiating. The bride, who was given away by her father, was attended by her sister, Miss Marion O'Brien. Edmund Collins acted as best man.

The bride was attired in a blue suit, grey velvet hat and wore an Isabel fox fur. She carried a bouquet of Ophelia roses. The bridesmaid was dressed in a fawn Canton dress, with hat to match, wore a fox fur and carried a bouquet of pink carnations.

Following the ceremony, a wedding breakfast was served at the bride's home. Mr. and Mrs. Hurley then left on a motor tour through the province, and on their return they will reside in this city. Many useful and beautiful gifts testified to their popularity.

DEATHS

Mrs. Catherine Williams.

The many friends of Mrs. Catherine Williams, widow of W. H. Williams, of this city, will hear with regret of her sudden death, which occurred at the home of her brother, E. Scovil White, White Mills, on Saturday. Mrs. Williams had been on a short visit to her old home and was in her usual good health until Saturday when she was suddenly stricken and died within a very short time. She will be particularly missed in church circles, having been a member of Portland Methodist church for many years, where she was esteemed for her kindly and Christian character. She is survived by a large circle of sorrowing relatives, including two daughters, Mrs. J. W. Mowry and Mrs. Bayard Stillwell, of this city; four sons, Warren W., John G., George F. and Gordon M., of this city; also four brothers, David, E. Scovil, Frederick and Hudson White, as well as many nieces and nephews and grandchildren.

Miss Kathleen Boden.

Many friends in St. John will regret to learn of the sudden death of Miss Kathleen Boden, which occurred at

CORNS

Quick Safe Relief

Dr. Scholl's Zino-pads stop corns hurting instantly. Remove the cause—friction and pressure. They are antiseptic, medicated, waterproof. Absolutely safe! Easy to apply. Get them at your druggist's or shoe dealer's. *They stay—no corns, callouses, bunions.*

Dr. Scholl's Zino-pads
"Put one on—the pain is gone"

her home in Brooklyn, N. Y., on Thursday, last. Miss Boden, who was in her twenty-first year, was the daughter of James Boden, a former resident of St. John, and on several visits here made many friends by her pleasant personality. Besides her parents, one sister, Miss Mae, and her grandmother, Mrs. James Boden, survive. Miss Mary Colgan, cousin of Miss Boden, left for New York on Thursday evening to be present at the funeral which was held in Brooklyn on Saturday.

FUNERALS

The funeral of J. Vernon Simmons was held on Saturday afternoon at 2:30 from the residence of his parents, 33 Exmouth street, to the Cathedral. The service was conducted by Rev. R. McCarthy and interment was made in the New Catholic cemetery.

The funeral of Mrs. Bridget Duffy took place on Saturday morning at 9:15 from her late residence at Brookville to St. Joachim's church, Silver Falls, where high mass of requiem was celebrated by Rev. C. P. J. Carleton. Interment was made in the New Catholic cemetery. The funeral was very largely attended and there were many spiritual and floral offerings from relatives and friends. Relatives were pall-bearers.

REGIMENTAL REUNION.

A reunion dinner and dance was held by the officers of the 8th Princess Louise's N. B. Hussars at their bungalow at Sussex on Thursday evening and was a most enjoyable and successful affair. The bungalow was tastefully decorated with hanging autumn leaves and Chinese lanterns, and the tables with the regimental service, silver and floral decorations made a very effective setting for the occasion. Dinner was served at 6:30 p. m., places being laid for about 60 officers and lady guests. At the close, Lt. Col. G. S. Kinneer, in a few happy remarks, presented to Major A. T. McLean, the Colonial Officers' Long Service decoration, Major McLean having completed twenty years' continuous service as an officer in the regiment. Captain (Rev.) R. M. Legate, of St. John, regimental chaplain, also made a few remarks on the good effect of reunions on the esprit de corps of the organization. Music being supplied by the Regimental orchestra, dancing was indulged in till about midnight when the officers and guests departed for their homes feeling that it would be difficult to find a more enjoyable method of carrying out a reunion of this kind. That it will be continued as an annual or semi-annual function of the regiment was the wish of all.

Some of the officers and guests present were: Lt. Col. and Mrs. G. S. Kinneer, Lt. Col. R. H. Arnold and Mrs. George Edmiston, Major A. T. McLean and Mrs. McLean, Major and Mrs. A. T. Gunning, Major and Mrs. I. F. Price, Capt. S. K. and Mrs. Kennedy, Capt. (Rev.) R. M. and Mrs. Legate, and the hostess of the officers with their guests, with the exception of several who were unable to attend.

Rich Fabrics and Furs Achieve the Usual in the New Fall Coats

Each Model Bespeaks Quality of the Highest Order

At a time when winter coat buying is at its height, it will prove worth your while to see our splendid collection.

You may select a type that individually becomes you and at a price you expected to pay—

The leaders are developed of new pile surface fabrics that are gratifying to the eye and touch.

Furs are lavishly used on collar and cuffs with many types furred on pockets.

"Jazz tedelene", a new three-tone material in a popular straight line model has gathered collar and patch pockets.

A "Peach skin" coat has mole collar and cuffs with the new full sleeve and gathered cuff.

"Glove Skin" is another favorite in French gray or fawn, featuring the new scarf collar with silk fringe.

Others claim "Hudson seal," "Coon," "Dyed Fitch" or "American Opossum" as their trimmings. Coat prices range \$19.75 to \$97.50.

TORNADO HITS A PART OF WISCONSIN
Thorp, Wis., Sept. 21—Five known dead, two others reported killed and between 12 and 14 injured, besides a heavy monetary loss, is the toll of a tornado which struck this section of the state at 3:15 p.m. today.

AN AGED VISITOR.
Daniel Thompson of Woodstock, who has reached the age of 93 years, was a week-end visitor to the city, motoring here from Woodstock with his son, Dr. R. G. Thompson. Saturday afternoon was spent by Mr. Thompson in renewing old acquaintances here, some of whom had worked with him in the old shipbuilding days here. A few weeks ago Mr. Thompson motored to Campbellton. He left at noon today on the return trip to his home.

PRESENTATION.
A very pleasant event took place on Saturday morning when Robert Clerke, formerly cashier of the express branch of the customs in the old post office building was made recipient of a nickel smoker's set by Jas. McKinney, Jr., appraiser, on behalf of his five former associates in the office, where he had labored so faithfully for many years. Mr. Clerke was superannuated on July 1st.

Letters To The Editor

THE CLERK OF THE PEACE AND THE BROOKVILLE AFFAIR.
To the Editor of The Times-Star:
Sir,—In reply to the letter in yesterday's issue of your paper, respecting that Brookville case, H. G. S. Adams, stipendiary magistrate, as clerk of the peace for this county, and therefore the proper authority for magistrates to consult in such a case which developed before him, it seems to me that Mr. Adams either misunderstood me, or I, him, in the matter.

In the first place I never advised him that on a charge of simple assault only he had the legal power to send the boy to the Industrial Home, but I did advise him that on a conviction of assault and battery, grievous bodily harm, such was his right. Perhaps I took too much for granted in assuming that all the legal papers were correctly made out, and all things properly done, for I have since been informed that the County Court Judge, in his decision regarding the writ of habeas corpus, pointed out to Mr. Adams the fact that his conviction was founded on simple assault only. When Mr. Adams consulted me he informed me distinctly that the boy had pleaded guilty to assault and battery, and on this information I advised him he had the power to sentence to the Industrial Home.

The very case books loaned him, with "sections marked" thoroughly support my view. I certainly marked those sections in answer to desired information on a conviction, re assault and battery, but not otherwise, and even when I so advised, after the recited facts, i. e. the assaulting of the girl, the blood, etc., had been told me, my suggestion was that it perhaps would be better, even though he had the legal right, to punish the boy in a different manner. If Mr. Adams had a conviction for assault only in his mind he would naturally be puzzled at the manner in which the conviction was subsequently handled, let alone my opinion founded on the information he gave me. And his statement regarding Magistrate Henneberry concerning a boy "charged with hitting another lad" (assault and battery) and brought before him, "that should he again appear before the court, the full penalty would be imposed, that of a term in the Reformatory," proves, as I see it, his misunderstanding of the situation.

Following are the sections "marked" and no doubt read by him before the County Court Judge. Both are taken from the Prisons and Reformatories Act of Revised Statutes of Canada, 1906, chapter 148; the first is section 115 and applies only to New Brunswick, and reads:

"If any boy who, at the time of his trial, appears to the court to be under the age of 16 years, is convicted of an offence for which a sentence of imprisonment for a period of three months or longer may be imposed upon an adult convicted of the like offence, the court before whom such boy is convicted may, if satisfied that a due regard for the material and moral welfare of the boy manifestly requires that he should be committed to the Industrial Home for Boys, established in the province, sentence the boy to be imprisoned in the Home for such term not greater than the term of imprisonment which could be imposed upon an adult for the like offence as the court thinks fit."

How the Madame X Girdle Conceals Big Hips

THE Madame X Reducing Girdle is built upon scientific massage principles which have caused reductions of 5, 10, 15, even 25 pounds. Makes you look slimmer—instantly! Made of the most resilient live rubber—the very kind prescribed by physicians to reduce safely. Worn over the undergarment—fits like a kid glove—and has garters attached.

So constructed that it flattens and gently massages the entire surface of abdomen, waist, hips and thighs as you walk, sit, climb stairs, bend or dance. Every little movement you make is met by this live rubber girdle, which gently holds and massages away the fat—without the least exertion on your part.

Come in today and try on this remarkable girdle. You won't want to take it off!

ADVENTURES OF THE TWINS

By Olive Roberts Barton

NICK GETS A COMPLIMENT.

"But will they fit?" asked Mrs. Frog anxiously. "We're getting along just fine," said Mister Snip Snap to the twins. "If we keep on we'll soon have all the children of Meadow-Woods-Barnyard-Land ready for school. But there is one person who hasn't been in to buy anything yet, and that's Mrs. Frog. She hasn't brought a single one of her boys in to get a school suit. Suppose you go, Nick, and see if you can coax her to come to our store in the woods and get them some clothes."

"All right," said Nick. "I'll go right away." So off he went. And it didn't take him three minutes to find the place where Mrs. Frog lived, because his shoes were magic. "You, my dears, would have hunted, and I should have hunted, for rays and days together without finding her house under the lily pads in the pond. But Nick went right straight to it. And he knocked on her front door. Mrs. Frog herself opened it. "Why, how'd do!" she said, for she was a pleasant person. "I'm pretty well, thank you," said Nick. "And I hope you are well, too! I came to tell you about the new store called 'Nancy, Nick & Company.' I'm

Wash Figured Silks in LUX

You need have no fear if you wash your delicately-coloured silks in Lux. The sheerest silk will keep its lustre and the most delicate colours will remain clear, even after many washings in the pure, mild Lux suds.

Snap were finishing some clothes for the Muskrat family. "Here you are," said Nick. "But instead of making places for tails, Mister Snip Snap, be sure to make places for four legs, because the pollywogs are so big they'll be frogs in less than a week. Mrs. Frog didn't say so, but I know." "All right," said Mister Snip Snap. "I will." "And make them out of rubber instead of cloth," said Nick. "For frogs won't stay out of water, and cloth will shrink." "Say, Nickie," said the fairman. "You're getting as smart as a crow. I believe you'll learn this business yet." Which pleased Nick, you may be sure. (To be continued.)

CLERGY SPEAK ON PROHIBITION ISSUE

Through the co-operation of the New Brunswick Temperance Alliance and the Ministerial Alliance in St. John yesterday was observed in many of the city churches as a day for special reference to the temperance situation in the province, and for special pleas for support of temperance legislation.

Three special speakers were heard in various churches and in other churches the pastors gave special sermons. Rev. Thomas Marshall, secretary of the New Brunswick Temperance Alliance, was the preacher in St. David's Presbyterian church in the morning, and would have spoken in the Exmouth street Methodist church in the evening but his health did not permit, and his place was taken by Rev. F. T. Bertram of the Carleton Methodist church. Rev. W. D. Wilson, former secretary of the Alliance, and former chief liquor inspector in New Brunswick, spoke in St. Andrew's church in the morning, and addressed the Sunday school of the Coburg street church of the Disciples of Christ, in the afternoon, and was the preacher in the Carleton Methodist church in the evening. Rev. T. D. Bell, newly appointed field secretary of the Temperance Alliance was the preacher in the Queen Square Methodist church in the morning, and in the Tabernacle Baptist church in the evening, and gave a special address to St. Mary's Sunday school in the afternoon. Rev. Messrs. Marshall, Rev. W. D. Wilson and Rev. D. B. A. Goodwin, three visiting ministers have been making a tour in the northwest of the province, and held meetings in Edmundston and Woodstock last week. Tonight they will address a public meeting in Fairville and tomorrow night they will speak in Fredericton where H.A. Goodwin will also give an address. Mr. Goodwin has had charge of the arranging of the itinerary for the tour of the

three speakers, which has been conducted under the auspices of the Temperance Alliance. Says 400 Selling Liquor. Rev. A. L. Tedford, in the Fairville Methodist church, spoke on the situation in the city and province and in British Columbia and the United States. He stated that he had been told on good authority that there were 400 places in St. John where liquor could be illegally bought. He said also that no attempt was made to bring convictions for second offences as it was more profitable to get fines. He said charges of flagrant non-enforcement of the law at the door of the Provincial Government. He said that the day was coming when intemperance would be as far abolished as slavery is. Rev. J. S. Bonnell, of St. Andrew's church, spoke in the Main street Baptist church in the morning. Rev. E. E. Styles, of Exmouth street Methodist church, spoke on temperance in the evening in the Brookville church and in the Tabernacle Baptist church, was the special preacher in the Fairville Methodist church in the evening. T. P. Down, agent of the Maritime School for the Blind, Halifax, made a stirring appeal for support of this worthy cause in an address in the Charlotte street Baptist church yesterday morning. He was introduced by Rev. Dr. C. R. Freeman, pastor. Mr. Down has been campaigning in New Brunswick on behalf of the school since the first of the year and has visited in

THE EVENING TIMES-STAR, ST. JOHN, N. B., MONDAY, SEPTEMBER 22, 1924

Social Notes of Interest

Mrs. H. A. McKeown, who was in the city last week, spent the week-end at her summer cottage at Westfield. She will begin immediately to prepare to go to Ottawa to join Hon. H. A. McKeown, chairman of the Board of Railway Commissioners of Canada, where they will reside. Hon. Mr. McKeown left for Ottawa last week and was at the Chateau Laurier over the week-end. Mrs. McKeown returned to town last night.

Miss Molly Otty of Gagetown, who has been the guest of Mrs. E. P. Whitcomb, Dorchester street, for a few days, has returned home.

Mr. and Mrs. Roger S. Estey, who were on their honeymoon trip here, visiting Mrs. J. Z. Currie, are in Fredericton, having motored from their home in Springfield, Mass. They will visit other parts of New Brunswick and Maine before returning home. They will also visit in Nova Scotia. Mr. Estey is a son of Mr. G. Fred Estey and a nephew of Mrs. J. Z. Currie and Mrs. J. W. Spurden, formerly of Fredericton, now of St. John.

Miss Frances Gale, Miss Muriel Paris, Miss Margaret Steves and Miss Bernice Sommerville have returned to Fredericton, where they entered upon their sophomore year in arts at the University of New Brunswick.

Miss Grace Hatheway, who has been visiting her mother, Mrs. W. F. Hatheway, at her summer home at Woodman's Point, left Saturday to return to Washington, D. C.

Mr. Cecil Clark, of Boston, and his nephew, Mr. Clarence Clark, of Grand Lakes N. B., were guests last week of their uncle and aunt, Mr. and Mrs. John Stevenson, 70 Wentworth street. Mr. Clark left for Boston on Saturday evening. His nephew left for his home in the afternoon.

Mrs. John Russell, formerly of this city now residing in Moncton, was the guest for three days last week of Mr. and Mrs. John Stevenson, returning home on Saturday.

Mr. and Mrs. Edward H. Cairns have announced the engagement of their daughter, Lella Gertrude, to Mr. Chesley F. Dixon, the wedding to take place in October.

Miss Olive McKenna, of Sussex, left for Halifax last week, where she will resume her studies at Dalhousie. Miss Kathleen McKenna left on Friday for Brooklyn, N. Y., where she will enter the Methodist Training School for nurses.

Among those who left for Boston on the Eastern liner Governor Dingley Saturday evening were Miss Carline Schmidt and Noel Rockwell, both this year's graduates of the local High School. Miss Schmidt will take a training course for nurses at the Newton Hospital, Newton, Mass. Mr. Rockwell intends to enter the School for Opticians at Columbia University, New York.

LIQUOR BATTLE IN ONTARIO IS ON

Premier Ferguson Speaks of Effect of Questions on the Ballot.

Ottawa, Sept. 22.—Another chapter in the checked history of prohibition will be written when the voters of Ontario ballot on October 23 on the continuance, or otherwise, of the Ontario Temperance Act. Two questions will be submitted in the plebiscite.

(1) Are you in favor of the continuance of the Ontario Temperance Act?

(2) Are you in favor of the sale, as a beverage, of beer and spirituous liquors in sealed packages under government control?

Already the issue has been joined. Pulpit and platform are echoing with oratory of "drys" and "wets." The "drys" feel confident that they will maintain the present prohibitory law (the Ontario Temperance Act) in all its vigor. The "wets," or the so-called moderationalists, on the other hand, say that recently there has been a slipping away from the strict prohibition enactments which featured the later days of the war. Out of nine provinces in Canada, only four—Nova Scotia, New Brunswick, Prince Edward Island and Ontario—are now even officially dry. In the remainder there is sale under some form or other of government control.

Nonsuch Mfg. Co. Limited, Toronto

For a time Canada had a Volstead Act, but it ended with the war. During the days of the Union Government, elected as a win-the-war government, in 1917, an order-in-council was passed under the War Measures Act forbidding the manufacture and importation of intoxicating liquors as beverages. Sale came under provincial jurisdiction and the provinces had their own prohibitions of sale. Thus for a time Canada became "dry." But the end of the war also brought an end to the War Measures Act, and with it all the numerous order-in-council passed under its provisions. An attempt was made to continue the prohibition order in council by means of a bill, but it failed to pass the Senate. Provinces which had prohibited sale held plebiscites which proved unfavorable to the

"SALADA"
TEA

Always fresh and pure. — Sold
only in sealed aluminum packets.

continuation of out-and-out prohibition until now Ontario and the Maritime Provinces alone remain in the "dry" column.

Meaning of the Ballot

Premier Ferguson of Ontario explains the form of ballot to be used in the plebiscite on Oct. 23 in this wise: If, he says, the majority answers the first question in the affirmative, there can be no doubt as to the course to be followed. If, on the other hand, the majority answers this question in the negative, it means that some new method of controlling the sale of beer and spirituous liquors as a beverage must be adopted.

But in the event of the latter, Mr. Ferguson adds, government control would not mean a system of sales similar to that adopted in Quebec and in British Columbia. It would mean that the government would make all sales

PREPARE FOR ROYAL BALMORAL VISIT

Constabulary Have Fine Record in Guarding King and Queen.

Aberdeen, Sept. 22.—Looking after the welfare of the British monarch when he makes his annual visit to Balmoral, his Scottish Highland seat, is the annual efficiency test of the constabulary of the country. The officers are proud of a record which shows that not once during the present reign has the King been annoyed in the royal grounds.

The constabulary are preparing for the visit of the King at the end of the month. A large force has been despatched to the castle. During the reigns of Victoria and Edward VII, a few disturbances were created on the castle grounds by cranks, but since then the constabulary have had the upper hand.

U. S. visitors are also a source of annoyance to the guard about the castle, and it requires much diligence to keep their uninvited guests from intruding on the grounds in hopes of getting a peep at the King and Queen in their Highland retreat.

The country police check the identity of every stranger in Braemar, Balmoral, and Aboyne, the nearest places to Balmoral where visitors are most likely to find accommodation, and if any undesirable have got through the net, they are readily caught and politely asked to return the way they came. Generally an officer sees that they do so.

It was an easy matter to guard Queen Victoria. She was much more inclined to keep herself to the vicinity of the castle, with an occasional drive to Braemar with her faithful attendant, John Brown. But the present King and Queen like to move about among their subjects, and the police have to ensure that they are not molested in any way.

ANNUAL RODEO ATTRACTS MANY

Thousands Pour Into Orion City for the Yearly Round-Up.

(United Press.)
Pendleton, Ore., Sept. 22.—Thousands of persons were pouring into this crowded western city today for the annual round-up.

The best riders, the surest ropers and the quickest bulldozers in the world began to match their skill for championship titles in sports of the cattle ranges.

The streets of Pendleton are like the most glamorous setting in a western novel. All day rode picturesque cow-

Boiril the mighty energiser

A Cleaner Coat = Dry Cleaning

Your coat is in style, perfectly, if it looks as good as when new. It can look fresh and brand new after a quick trip to the New System CLEANER Dry Cleaning plant.

New System Laundry Dyers—Cleaners.

Mid-city Depot, 25 King Square

boys with the inevitable sombreros, bandanas and chaps.

In even brighter attire, Indian braves and squaws of many tribes were seen on the downtown streets and in the tepee city at the outskirts of town.

This great pageant of the west is no small affair. Officials of the round-up estimated that gate admissions at the giant arena, which seats 40,000 persons, would reach 76,000 for the three days of the show.

Never in the early days of the cattle ranges, before fences and oil fields invaded the cattlemen's territory, was such a round-up staged. In those days the round-up season was marked by such activities as were seen here today, but not on so extensive a scale.

Yet the show does not lack in reality. From the time that the grand parade starts in the arena, high-spirited horses and bucking bronchos speed away with their riders or fling them into the dust. Clattering hoofs are everywhere. Cowgirls and cowboys throw lariats with precision over the heads of rangy steers.

Movie Stars Present.
All this color will not be wasted by the movie men. Hoot Gibson and Tommy Grimes are here with a company to film a picture called "Let 'Er

Buck," after the famous byword of the round-up.

Gibson and Grimes are not starched figures of the celluloid only. Each is scheduled for a number of contests in the arena with the rest "of the boys."

Probably never before have four famous strings of ray horses been gathered together at one time. Charley Irwin, Eddie McCarty, Harry Walters and the Drumhellers are all here with their fastest mounts.

LAST OF SUNDAY TRAINS

Yesterday marked the close of the season for Sunday trains on the C. N. R. to Moncton, and on the C. P. R. to Fredericton. A large number celebrated the occasion by making the trip returning to the city last night.

SAVED FROM DROWNING.
The presence of mind of Joseph McManus, of West St. John, resulted in the saving of John Gillispie, also of West St. John, from drowning yesterday afternoon. These two boys, and two others, were playing on a raft in the rear of Thorne's warehouse and young Gillispie fell into the water. He was unable to swim and McManus, seeing his plight, pulled him back on the raft.

STOCKS ARE AGAIN ON UPWARD TREND

New York, Sept. 22.—Re-purchasing of Standard Plate Glass shares, liquidated last Saturday on a misunderstanding over a change in the corporate name, was the feature of the opening of the stock market today. A recovery of more than six points was reflected in the initial price of Standard Plate Glass, which was also among the early stocks to advance.

SOME CITY GRANTS AUGUST BILLS

Common Council Passed a Total of \$162,430 Payments Last Month.

The sum of \$162,430.54 was paid out by the city during the month of August. Included in the amount were several of the city grants for 1924. Some of the larger amounts were \$39,545 for the schools, \$7,141 for the General Public Health, \$11,485 for coupon interest, \$3,701 deficit on the housing loan for county taxes on the city lands in Lancaster, and \$10,828 to the Civic Power Commission.

Current Events

New York, Sept. 22.—England's gold reserves, which were \$2,149,000,000 at the end of last week, were \$2,149,000,000 at the end of this week. The gold reserves of the United States were \$2,149,000,000 at the end of last week, and \$2,149,000,000 at the end of this week.

Brokers' Opinions

New York, Sept. 22.—Palm Webber, indications point to a renewal of the general advance in investment and speculative stocks during the coming weeks. "A broadening market is looked for and gradually a much higher price for a purchase, both to hold and for resale."

Morning Stock Letter

New York, Sept. 22.—There is nothing in the overnight news to influence the market, but there is no sign of weakness. The trend seems to be toward higher prices, but there is no sign of weakness. The trend seems to be toward higher prices, but there is no sign of weakness.

New Limits Bought By Laurentide Co.

The fact, hitherto not generally known, that Laurentide Company, Limited, in the fiscal year ended June 30, 1924, added substantially to its timber reserves, was revealed at a general meeting of shareholders, held at the office of C. H. Hooper, president of the company, on Tuesday last.

Belfast Linen Trade Report

The linen trade in Belfast is showing a very wet summer. It is expected that the linen trade will be better than last year's, at the same time as the linen trade will be better than last year's, at the same time as the linen trade will be better than last year's.

COMPLETE FOR QUOTE ISSUES OF CANADA

Rivalry Between Morgan and Chase Houses Interests Wall Street.

An issue of short-term notes for the Canadian Government, totaling \$90,000,000, was reported over-subscribed on the New York market yesterday. The operation in connection with the Dominion's programme of debt refunding, involving in all \$200,000,000.

Sees Factors For Better Business

Among the recent favorable developments pointing toward improved business conditions in the United States, the following factors are noted: An increase in the production of iron and steel, a decrease in the price of raw materials, and a decrease in the price of labor.

Vegetarians Object To Leather Shoes

London, Sept. 22.—(United Press)—Boots for vegetarians! That's the latest problem confronting English shoekeepers who find themselves pestered by women—and some men—who, objecting to leather because it comes from animals, demand shoes made from substitutes.

DONALD KIRKE GIVES TANLAC FULL CREDIT

Popular Actor Says Medicine Completely Overcame Stomach Trouble and Nervousness.

That Montreal playgoers are literally packing the Orpheum Theatre at every performance is at once a tribute to the high standard of the entertainment offered and to the finished artistry of the famous Duffy stock players, not the least popular of whom is Donald Kirke.

RECEIVES ANOTHER PURSE

Mr. Kirke is not only a favorite on the legitimate stage but is a screen player of note, and it is a further tribute to his consummate acting that, even while tortured with stomach trouble, nervous and other, he kept "on with the play" day in and day out until he found relief by taking Tanlac.

PERSONALS

Samuel French of Montreal is in the city visiting his sister, Mrs. E. A. Boyd, 53, Erin street. Miss Hazel Lumley and Miss Kathleen McLean returned home on Saturday after an extended visit to Boston, New York and other U. S. cities.

SPORT NEWS GLEANED FROM WORLD'S CENTRES

MUCH DEPENDS ON BIG BOUT TONIGHT

Marked Interest Being Manifested in Result of Boxing Match.

Will Frankie Bull, the Toronto sensational lightweight and junior welterweight, be able to dispose of Johnny McIntyre in their second bout in St. Andrew's rink tonight is a question being asked about the streets today by fans. The fact that the Canadian champion is to appear here is creating more than usual interest among boxing enthusiasts, and from all indications a record number will be on hand to see this big attraction. The fact that Bull has been asked to enter an elimination contest in New York for a chance to meet Benny Leonard, world's lightweight champion, is another reason why so many desire to see him in action. He is a fast and aggressive boxer, his feet with both hands and has acquired marked ability as a ring general. In McIntyre he is meeting a clever opponent who is so adept at the art of self-defence that he rarely ever leaves the ring with a mark. Whether or not he can stand off Bull remains to be seen. Should he succeed in winning or even earning a draw it will mean a big boost along the road to pugilistic fame, and from the seriousness that he has taken his training he fully appreciates this. As a result so much is at stake for both participants that the fans should reap the benefit.

Will Meet Frankie Bull

JOHNNY MCINTYRE

British Football

London, Sept. 20—Results of league soccer games played today in the British Isles were: English League—First Division. Arsenal, 2; Sheffield United, 0. Aston Villa, 1; Westham, 1. Burnley, 1; Leeds United, 1. Barry, 0; Liverpool, 0. Cardiff City, 0; West Bromwich A., 1.

Scottish Glasgow, Sept. 20—The results to

SENATORS TIGHTEN HOLD ON PENNANT

Are Now Two Full Games Ahead of New York Yankees.

New York, N. Y., Sept. 22—The Yankees die gamely as the Senators fight to live. The broad break in the final stretch on the road, particularly playing the same number of games with the same teams at exactly even odds, Washington has something vital which was lacking in the Yankees attack, and has carried a two game lead.

The Senators, with only seven games to play, can lose one and still clinch the pennant or lose two and tie the Yankees, even if the latter win their remaining seven games. Detroit could tie Washington only by winning all of its games while the Senators lost all of theirs. The broad break in the American race came yesterday when Washington increased its lead by defeating St. Louis, 6 to 4, in a seven inning game called by darkness as the Yankees lost another game on a wild throw to Detroit by a score of 4 to 3.

The National League race attracted interest even from the sensational American struggle today as Pittsburgh, pivotal figure in the present triangle, meets New York in a three game series. The Pirates have fought their way to within one and one half game of the Giants by taking two of three from Brooklyn, losing by a narrow margin yesterday in a ten inning tray by a score of 2 to 1.

The Giants were shut out by the Cubs, 9 to 0, in the only other National League game.

AMERICAN LEAGUE SUNDAY GAMES. Boston, 2; Cleveland, 0. Boston, 11; Cleveland, 6.

Cleveland, Sept. 21—Boston made it three straight from Cleveland today, winning a double header 2 to 0 and 11 to 5.

First game—R.H.E. Boston . . . 00001100—2 6 1 Cleveland . . . 00000000—0 5 3 Batteries—Ehmke and Heving; Miller and Walters.

Second game—R.H.E. Boston . . . 200000117—11 10 0 Cleveland . . . 010021001—5 9 2 Batteries—Russell, Ferguson and Heving; Roy, Clark and Walters.

Philadelphia, 4; Chicago, 1. Chicago, Sept. 21—Philadelphia and Chicago broke even in a double header today. The second game was called in the eighth inning on account of rain.

First game—R.H.E. Philadelphia . . . 300000100—4 4 1 Chicago . . . 01010000—2 6 2 Batteries—Baumgartner and Perkins; Faber and Mangan and Grabowski.

Second game—R.H.E. Philadelphia . . . 1102100—4 6 1 Chicago . . . 0000523—12 11 1 Batteries—Grey, Heimach, Rommel, Meeker and Perkins; Connally, Mangan and Crouse.

Detroit, 4; New York, 3. New York, Sept. 21—Brooklyn regained second place and advanced to within half a game of the Giants by defeating Pittsburgh 2 to 1. It was the final game of the Pirates here. Score: R.H.E. Pittsburgh . . . 000000010—0 5 1 Brooklyn . . . 000001001—2 10 2 Batteries—Zahner, Pflfer and Schmidt; Grimes and Taylor.

Chicago, 8; New York, 0. Chicago, Sept. 21—New York, N. Y., Sept. 21—The Yankees die gamely as the Senators fight to live. The broad break in the final stretch on the road, particularly playing the same number of games with the same teams at exactly even odds, Washington has something vital which was lacking in the Yankees attack, and has carried a two game lead.

The Senators, with only seven games to play, can lose one and still clinch the pennant or lose two and tie the Yankees, even if the latter win their remaining seven games. AMERICAN LEAGUE SUNDAY GAMES. Boston, 2; Cleveland, 0. Boston, 11; Cleveland, 6.

Cleveland, Sept. 21—Boston made it three straight from Cleveland today, winning a double header 2 to 0 and 11 to 5.

First game—R.H.E. Boston . . . 00001100—2 6 1 Cleveland . . . 00000000—0 5 3 Batteries—Ehmke and Heving; Miller and Walters.

Second game—R.H.E. Boston . . . 200000117—11 10 0 Cleveland . . . 010021001—5 9 2 Batteries—Russell, Ferguson and Heving; Roy, Clark and Walters.

Philadelphia, 4; Chicago, 1. Chicago, Sept. 21—Philadelphia and Chicago broke even in a double header today. The second game was called in the eighth inning on account of rain.

First game—R.H.E. Philadelphia . . . 300000100—4 4 1 Chicago . . . 01010000—2 6 2 Batteries—Baumgartner and Perkins; Faber and Mangan and Grabowski.

BRANT WINS THE SECOND SERIES

Captures Model Yacht Race Held on Lily Lake.

Joe Tebo's yacht "Brant" sprung a surprise by winning the second series for model yachts measuring from 50 to 70 inches on Lily Lake Saturday afternoon. The "Donald" owned by F. Silliphant was second and the "Buster" owned by G. Silliphant finished third. The races are for the silver cup given by J. C. Chesley, honorary president of the St. John Model Yacht Club, and there was very close competition between the seven boats which started.

The points won for the second series follow: Brant 30 Donald 20 Buster 10

The third and final series will be sailed on the lake next Saturday afternoon and there is considerable speculation among model yachtsmen as to the yacht which will capture the cup this year.

Silas McLellan, of Noel, N.S., won the Times race at Moncton on Saturday. Wallace Goforth, of Plaster Rock, was second and George Sprague, St. John, third. The time was 28 min. 58 1/2 sec.

Chicago, 7; New York, 3. At New York—R.H.E. Chicago . . . 01000110000—7 16 5 New York . . . 000200000—2 5 2 Batteries—Alexander, Harkness; Barnes, Jomard, Ryan and Gowdy.

Pittsburgh, 8; Brooklyn, 4. At Brooklyn—R.H.E. Pittsburgh . . . 000010000—10 5 8 Brooklyn . . . 0013000000—4 11 2 Batteries—Cooper and Smith; Vance and Deberry.

INTERNATIONAL LEAGUE Toronto, 7; Syracuse, 1. Syracuse, 3; Toronto, 1. Rochester, 7; Buffalo, 2. Buffalo, 5; Rochester, 4. Newark, 6; Baltimore, 2. Newark, 3; Baltimore, 2. Jersey City, 13; Reading, 10.

WALTER HAGEN WINS. French Lick, Indiana, Sept. 21—Walter Hagen, of New York, added another title to his list yesterday by defeating Jim Barnes, of New York, 2 up in the 3 hole finals for the National professional golf championship over the championship course at French Lick.

IS FIGHTING HARD IN PENNANT RACE

High School Boys Arrange Schedule

Plans for Season Arranged at Meeting Held at Rothesay.

The schedule for the 1924 season of the Interscholastic Football League was drawn up at a rather stormy meeting of representatives of the various schools held Saturday afternoon at Rothesay College. Those present were St. John High, B. Brown, E. Little, Rothesay, Dalzell, Schofield; Fredericton High, Nelson Babbit, Cass, secretary of the league.

It was decided to appoint one man to referee all the league games and, in case that he would be unable to attend, a substitute was to be appointed by him only. Gregory Bridges, former coach of U. N. B., and present coach of the Falcons, was elected to officiate with the whistle. It was also passed that St. John High School must notify both Rothesay and Fredericton at least one week in advance of the grounds to be used for the local school's matches.

A. W. Covey, president of the M. P. B. A. A. U. C., notified the meeting by letter of the age limit ruling. Rugby rules in general were discussed and it was made plain that amateur cards must be obtained by all players of the league. The meeting was a series of very hot discussions and lasted for more than four hours.

The schedule is: Oct. 3—Fredericton at St. John. Oct. 4—Fredericton at Rothesay. Oct. 11—Rothesay at St. John. Oct. 18—St. John at Fredericton. Oct. 25—St. John at Rothesay. Nov. 1—Rothesay at Fredericton.

WINS GOLF TITLE. Hamilton, Ont., Sept. 21—By obtaining a lead of eight holes on Miss Ada McKennie, of Missisquoi, in the Saturday morning round and increasing it by one during the first nine holes in the afternoon, Miss Gloria Collett, of Providence, ended the match at the twenty-eighth hole and won the Canadian ladies' open golf title by a nine and eight victory and became the fourth player to score two or more successive triumphs in the nineteen years that the competition has been staged.

MATCHES ON RIFLE RANGE. Conditions were excellent on the rifle range Saturday afternoon, the light being particularly good, with very little wind. The County Rifle Club shot for the B. R. A. medal. George Cochrane, of St. John, and the St. John Rifle Club Association shot for the A. class spoon going to James Harrow, who had a one-point lead over Capt. A. Dodge. Harrow captured the spoon with the advantage of a five-point handicap. Capt. Dodge and George Cochrane won the B class spoon in the same afternoon. The St. John Rifle Club captured the final spoon of the St. John Rifle Club with a total of 56. Next Saturday the Fusiliers plan to hold their annual shoot.

CLUBS RUN ON BUSH. American League clubs this year have been taking advantage of Joe Bush's weakness in holding runners on the bases. The Yankee star has a peculiar windup that permits the baserunner to get a big jump on him. Clubs that are wise to his style have profited greatly thereby.

RIVERSIDE PLAYERS LOSE. Twenty-seven members of the Riverside Golf Club went to Woodstock on Saturday and were defeated by the members of that club by the score of 60 to 28. Luncheon was served during the afternoon and a very enjoyable day was spent by the local golfers, the majority of whom returned home yesterday.

Tailored Men Have An Air About Them

There is something in the walk and carriage of the well tailored man that you give him credit for more than his clothes.

Yet a close study shows the basis of his bearing is a personally modelled suit or coat with cloth in the best taste and quality. Rough and ready-made fits never can accomplish it unless you are a perfect 38. Even then the cloth and construction are a gamble, because made down to a price instead of up to a quality.

FOR \$20 LESS Triple C Tailoring begins at the top in cloth, but works down in price through 35 man teamwork, non-retail expense saving and wholesale patronage. Save quite \$20.

TRIPLE C TAILORS N. B. FOWER BLDG. Tuesday and Thursday closes at six.

day in the semi-finals of the Glasgow Cup were: Lanark, 2; Celtic, 4. Rangers, 0; Partick, 0.

Medical examiners—Dr. Harold Clarke and Dr. John R. Nugent. Announcer—Wm. Case.

HEILMANN HAS BAD YEAR. One of the big reasons for the failure of the Detroit club to make a better showing this year is due to the batting slump experienced by Harry Heilmann, champion batter of 1923. Heilmann all season has been about 50 points off form and has had the habit of hitting into double plays when a base hit meant the game.

SCHALK'S RECORD STOPPED. Ray Schalk's great record for catching 100 or more games each season is soon to pass into the discard. Schalk for 10 consecutive years has performed in 100 or more games every year for the White Sox. Numerous injuries this season made it impossible to come through. He had hoped to stretch the record to 12 years.

COLLINS HARD, RUTH EASY. American League pitchers say that Eddie Collins of the White Sox is the hardest player in the league to strike out. Babe Ruth, despite his great slugging ability, is correspondingly easy.

QUESTIONS. 1. Do the American and National Leagues differ in the interpretation of the infield fly rule? If so, please explain—F. G.

2. When a ball is batted over the fence, and is fair when passing out of the playing enclosure, does that make the hit a home run or must the umpire watch the ball, judging it fair or foul where it disappears from his view?—R. T.

3. What pitcher throws the speediest ball in the American League, also the National League?—F. H. J.

4. The infield is drawn in for a play at the plate. The umpire is standing about 30 feet back and to the left of the shortstop. Batter hits the ball through the infield, but it strikes the infielder and is deflected away from the outfielder. Two runners are on at the time. The batsman makes a home run. Is the ball in play in such a case, or does the ball become dead the moment it strikes the umpire?—S. S. K.

ANSWERS. 1. The two major leagues now place the same interpretation on the infield fly rule. Base runners can advance at an infield fly as on any other fly ball.

2. Umpire must watch a ball batted out of the enclosure until it passes from his view and judge it where he last sees it.

3. Judging the speed of a pitcher is merely a matter of opinion. Walter Johnson, when right, is perhaps the speediest in the American League. Slip Collins of Detroit is very fast. Dazzy Vance of Brooklyn is regarded as throwing the fastest ball in the national.

4. When umpire is hit by a batted ball, while standing back of the infield, said infield being drawn in for a play at the plate, the ball is in play and runners advance at their peril.

WRITES OF NEW BRUNSWICK'S BIG GAME
SAYS MOOSE CALLING CRUEL PRACTICE

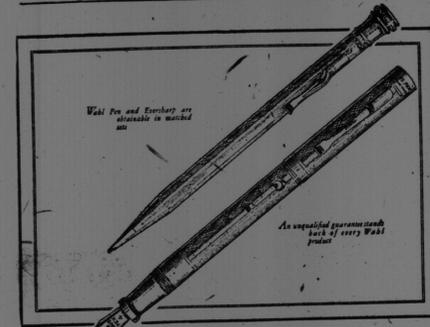

L. A. Gagnon, Chief Game Warden, Has Article in Maple Leaf.

According to an article credited to him in The Maple Leaf, a monthly publication of the Canadian Club of New York, L. A. Gagnon, chief game warden for the Province of New Brunswick, is not in favor of the practice of huntmen calling moose in order to kill them. Here is what he writes:—

New Brunswick has always been a great game country. The abundance of game is in keeping with the extensive forests, the excellent climate, numerous water courses, and wonderful scenery with which the province has been so happily endowed. Today New Brunswick is recognized as the

controlling violations, thus conserving the game. The attractions that the big game hunting offers to the non-resident sportsman are not only added to the general trade as any tourist traffic is bound to do. The greatest direct value of our game resources, which can also be measured in terms of money, is reflected in the life of the rural population. Game and fish form an important and cheap article of food; to at least sixty per cent of the population during the open season. A carcass of moose or deer goes far in the rural household, combining with the products of the farm in reducing the cost of living. Finally, there is the health-giving value of the forest and stream. What is so rare as the fishing streams of New Brunswick? What is more alluring, satisfying and refreshing than a tramp through the forests of New Brunswick during those autumn days when nature appears in such a blaze of glory and color? It matters not whether he is a sportsman, a woodsman, an amateur hunter, a nature lover or one who shoots only with a camera, he unconsciously reaps the great benefits of rejuvenating his health from those inexhaustible resources of the great outdoors.

Complete Writing Equipment

Side by side in your pocket, Eversharp and Wahl Pen are ever ready to serve your thoughts. Durability and dependability are common qualities of these economical, practical writing companions. The non-clogging rifled tip, quick reloading, and complete interchangeability of parts are among the six new features which make the perfected Eversharp. And the Wahl all-metal Pen is at par with Eversharp in giving thorough satisfaction. Light in weight, perfect in balance, resistant to wear, and beautiful in design—it is the ideal pen. Eversharp, \$1 to \$10. Wahl Pen, \$5 to \$10. Solid gold at higher prices.

Made in Canada by THE WAHL COMPANY, Ltd., Toronto
Manufacturers of the Wahl Eversharp and the Wahl All-Metal Fountain Pen

The New PERFECTED WAHL EVERSHARP & WAHL PEN

To my mind it is one of the most cruel and un sportsmanlike acts to call up moose and then shoot them. It is resulting in the rapid extinction of the most magnificent and mighty of our native animals. It means that an increasing number of cows go without calves each year. The shortening of the season on moose to the first of October has somewhat shortened the calling season, but something must be done for further protection of moose. With deer the case is different, as these are about as hard to kill in the mating season as at other times, and the abundance of deer has been an argument against shortening the season. Then comes the protection against illegal shooting both in the open and closed seasons, especially the latter. Deer and moose may be easily killed without the aid of a gun during the months of deep snow. In sections of the province where this illegal method of game was reported has been practiced in the past, the deer and moose are scarce today. The poacher is still a menace to our game, but the present method of patrol, poaching on a large scale has been largely prevented. Then there is the game hog as well as the fish hog, both in the open season shoots illegally whenever he thinks he will not be caught. The lust to kill seems to obsess him, and he shoots more game than he can take care of. It seems rather peculiar, yet I suppose it is only a common type of human nature that so many of our law-abiding citizens feel no pang of conscience when it comes to breaking the game law on their hunting and fishing trips.

The Forest Service of the Crown Land Department has control of the game protection. The number of violations reported vary from year to year. Last year 67 violators were reported and prosecuted, and \$2,922 collected in fines and the sale of confiscated articles. The work of the warden is to apprehend violators, which is a difficult task. He must patrol the forest in the winter to see that trappers do not trap fur-bearing animals upon which there is a closed season, or shoot game for bait for the traps. At all times he lacks the sympathy and co-operation of the general public.

In order to promote game protection the policy of game refuges has been adopted. Areas of acres have been set aside as refuges, one area of 800 square miles on Canaan River north-west of Moncton, and another of 320 square miles on the Kedgwick River, Westmorland County, near the Quebec boundary line. Hunting and trapping of these areas is prohibited. In order to advertise the possibilities of New Brunswick as a big game hunting country, the Game and Fish Department has organized the "Big Game Tourist Association," which receives grants from the Government, also gives much publicity to fishing and hunting.

The amount of money spent on game protection is about 40 per cent of the revenue. At present the problem appears to be more protection and the elimination of violators. The game law as it reads today, if strictly adhered to, should give adequate protection to most of our game, with the possible exception of moose. The close seasons on both beaver and caribou have been extended this season for a further period of three years. It seems that no law can be adequately enforced, unless public opinion is strongly behind it. Co-operation of the people in exposing violators of the law is required if the game warden is expected to prevent illegal killing of game. Until this time game appears rather meagre to add more regulations and enactments to the game law.

NEW SOCIETY IS PROVISIONAL
Mrs. J. H. Thomson of Rothesay, who was one of the delegates to the Presbyterian held at New Glasgow, stated yesterday that the anti-slavery Women's Missionary Society, which had been organized, was only a provisional one and would come into active existence on May 1, 1925, if it was found at that time there was a field for it. Mrs. Thomson is one of the vice-presidents of the new organization.

N. B. SCHOLARSHIP GOES TO ONTARIO
The I. O. D. E. bursaries for the year 1924-25 for New Brunswick and Prince Edward Island have been awarded a Quebec and an Ontario candidate owing to the lack of applicants in N. B. and P. E. I. The first of these two is Muriel Prew, Verdun, P. Q., daughter of Sergt. Harry Prew, of the 72nd Battalion, who was killed in 1917. Miss Prew will take a course

BARN BURNS; LOSS AMOUNTS TO \$3,000

Property to the value of about \$3,000 was destroyed last evening, when a barn and its contents, owned by Peter Moriarty, Black River road, was burned to the ground. Mr. Moriarty said that he had no insurance. In the barn was 50 tons of hay and a quantity of farm machinery. An alarm from Box 43 yesterday afternoon about 1 o'clock, called the firemen to the residence of W. J. Pike, 136 Broad street, for a fire that was discovered in an old couch that had been stored under a stairway at the year of the house. The burning couch was thrown into the yard and the fire quickly extinguished by the chemical. The building is owned by Frank Napier and was not damaged. The firemen were called from No. 4 station, City Road, about 8:30 o'clock Saturday night by a still alarm for a chimney down fire in the house owned by Michael Bohlan, No. 7 Rothesay avenue. No damage was done.

MEETINGS HELD IN NORTHUMBERLAND

The week-end was a busy one for the candidates in Northumberland and large numbers attended the meetings held. On Saturday evening the Liberals held a meeting at Baie St. Ann, at which W. B. Snowball, the candidate; C. J. Morrissey, M. L. A.; J. Kerr Loggie and J. G. Hobbichaud, M. P., were the speakers, and on Friday evening Mr. Snowball and Hon. A. B. Copp addressed a meeting at Bay du Vin. The Conservative electors met on Saturday evening and heard Hon. J. B. Baxter, K. C., M. P., and A. J. Doucet, M. P., set forth the reasons why they should vote for C. P. Hickey on October 7.

GENE STRATTON-PORTER'S MICHAEL O'HALLORAN
One of the Season's Great Achievements.

ANNOUNCEMENT
It affords us genuine pleasure to be able to announce the presentation of the first production of Gene Stratton-Porter's widely read book, "Michael O'Halloran," a story that breathes the atmosphere of clean living, and the influence which a youth of sterling quality yields through his every sunny disposition and his unflinching sense of loyalty and manhood. "Michael O'Halloran" is the type of photoplay that can and will be enjoyed by the entire family, and will send you from the theatre with a different view on life in general. We heartily recommend this feature for your entertainment.

PRESENTATION OF
The MARRIAGE CIRCLE
DIRECTED BY ERNST LUBITSCH
MARIED—but not to each other!
AN ERNST LUBITSCH PRODUCTION
with Florence Vidor, Marie Prevost, Monte Blue, Adolphe Menjou, Harry Myers, Creighton Hair

READ BELOW HOW THESE PEOPLE ACT:
The One-Man Wife—(Florence Vidor)—Mrs. Charlotte Braun; charming young wife of Dr. Braun. There is but one man in the world for her, her husband.
The Vampire Wife—(Marie Prevost)—Mizzi, the wife of Professor Stock; racy and full of temperament, nervous and fanciful. She is in love with love—to attract men and to have them at her feet.
The Popular Physician—(Monte Blue)—Dr. Frans Braun; elegant, fashionable physician with a large clientele of women; happily married and deeply in love with his wife.
The Staid Husband—(Adolphe Menjou)—Of Professor Joseph Stock; a jovial kind soul—he would be the happiest man on earth but for his wife. Why did he marry her?
The Satisfied Doctor—(Creighton Hair)—Dr. Gustav Mueller, the junior partner of Dr. Braun; shy and bashful, without experience in the intricacies of the game of Love, but with a heart easily flattered.
The Detective "Doctor"—(Harry Myers)—In the role of the charming "Dr. Smith," who happened to be a detective who never failed to get money.

REDUCES ASSESSMENT VALUE ON F. R. TAYLOR'S HOUSE BY \$1,500

Council Holds to Valuation of Ritchie Bldg—Figures are Submitted.

Appeals from the valuations placed by the city assessors on the property of F. R. Taylor, Germain street, and the Ritchie Building and Investment Company, Princess street, were heard by the City Council this morning and the valuation confirmed in the latter and reduced by \$1,500 in the former. An interesting feature of the proceeding was the filing of a report of W. B. McKensie, Municipal Assessor, engaged by the Board of Assessors on the values of these buildings. He placed the value of the Ritchie building at \$26,847, less depreciation, or \$47,727 on a replacement basis. On the Princess street property he placed the valuation, less depreciation, at \$54,505 and replacement value of \$120,291.

The Civic Power Commission were given authority to purchase additional transformers, and a billing machine and cash register, and the sum of \$8,000 was granted for engineering and incidental account of the Civic Commission. The sale of four lots to the Canada Brush Company was approved by the council.

from the New Brunswick Electric Power Commission at a cost of \$1,740,000, was authorized.

Sell to Brush Co.

On motion of Commissioner Bullock it was decided to sell to the Canada Brush Company the four lots they now occupy under lease at a price of \$1,200.

MILK FUND GETS A BOOST; NEAR \$1,000

Ononette Bridge and Other Contributions—Keep Good Work Up.

The Times-Star fund to provide milk for babies who, unless this work were undertaken, would be without this necessary food in great part, took a decidedly encouraging start this morning when the new week was opened with contributions totalling \$80.15. This welcome sum brings the grand total to date very near the \$1,000 mark—to be exact, \$991.45.

That means less than \$10 to make up in order to realize the thousand. As there are many who have not yet assisted in this matter and who probably desire to do so it may be that a good deal more than \$1,000 will be available before the fund is closed. It is hoped so, for the object is a very worthy one and carries the strongest of appeals in that it is for the benefit of the helpless little ones. The sums received today were as follows:

Proceeds of bridge held at Ononette on last Saturday by some Summer residents of the Westfield district, \$77.45; Two Friends, \$2; Mrs. F. C. Beattie, \$1.

Who will put it over the \$1,000 to-morrow?

TWO TAX CASES ARE DISMISSED

Judgments in Police Court—One Driver is Fined Five Dollars.

Stipendiary Magistrate Hennessey delivered judgment at noon today in three cases in connection with reports against taxi drivers, which were heard in the police court on last Friday.

A case against Richard Hoey, reported for operating a taxi without a license, he said the evidence showed that he was operating the taxi, but did not satisfactorily show that he was not the owner, nor did it prove that he had been operating the automobile for hire purposes. He found the defendant innocent of any offence.

In the case against Abraham Levine, who was reported for operating one of his taxis, other than the one for which he had a license, the defendant was adjudged innocent as the prosecution had failed to prove that he was operating it for hire purposes.

Joseph Gillespie was found guilty of operating an automobile without having a license and a fine of \$5 was imposed. Magistrate Hennessey said that the evidence showed that he operated the taxi and had carried passengers although he had no license to do so. The penalty, he pointed out, was not to be imposed unless the operating cars without a license would impose the full penalty of the law.

DIED SUDDENLY

The death of George William Dye occurred at his home, 137 Mecklenburg street, yesterday morning after a lingering illness. He is survived by one son, George; three sisters, Mrs. Tessie Maxwell, Mrs. Mary Harris and Mrs. Anne Simpson, and one brother, John, all of this city. The funeral will be held tomorrow afternoon at 2:30 from St. Phillip's church. Many friends will be sorry to learn of his death.

As Hiram Sees It

"Hiram," said the Times reporter to Mr. Hiram Hornbeam had a chat yesterday with a youngster of eighty-five years. He is surviving for a week or two longer, when they will revive the dances of sixty or seventy years ago.

"I'd like to meet him," said Hiram. "I don't know but I'd like to do a few fours an' eights an' a reel or two myself."

"While I talked with him," said the reporter, "I did not have the nerve to mention any of the forty-three ailments which are so dear to my heart on ordinary occasions. I had to pretend I was in perfect health and heading for a green old age. You somehow could not look at him and listen to him without feeling that you ought to play with two hundred pound weights every morning before breakfast."

"It's a good 'eal in your mind," said Hiram, "whether you're a man or a mouse. I'll bet that old feller thinks so much about what he's got to do that he don't hev time to lay round an' watch fer a pain to hit him somewhere. If we hed more like him the pill business wouldn't be half so flourishin'—By Hen!"

LOCAL NEWS

FOUR DID NOT RETURN.
Six men were gathered in by the police over the week-end, charged with drunkenness. Four were allowed out on deposits of \$8 each and, as they failed to appear in the police court this morning, the money was forfeited. Two were present and were adjudged guilty and fined \$8 or two months in jail.

RIVER TRIP ENDED.
Dr. William McIntosh, of the Natural History Museum, and party have returned to the city after a canoe trip down the St. John. Dr. McIntosh has been collecting specimens of wild flowers for Lady Byng, and also adding to the medicinal collection at the local museum. The weather was ideal, and Dr. McIntosh reports a successful trip.

WILL MAKE GOOD.
Fred O'Dell appeared before Sitting Magistrate Hennessey in the police court this morning on a charge of being drunk and breaking three doors in a house in Erin street. Two were the property of Charles Patterson and the third that of Charles E. Belyca. The defendant said he would make good the damages and on this condition was allowed to go after he paid a fine of \$8 for being drunk.

FORFEITS \$200.
Matthew Cairns, who was taken into custody Saturday night on 'charge of having liquor in his beer shop in Mill street, was later given his liberty when he put up a deposit of \$200. In the police court this morning he failed to appear to answer the charge and the sum was declared forfeited. William M. Ryan appeared on behalf of the prosecution. Cairns' place was visited by Inspectors Killen, Garnett and Belyca on Saturday night.

NARROW ESCAPE.
Samuel Journeay had a narrow escape from being killed or seriously injured Saturday night when an automobile he was driving went over an embankment and into a gully near Bayard Station. It turned completely over and then rolled down the grade. Fortunately the driver was thrown clear and escaped with minor injuries. It is thought that the accident was caused by the car swerving suddenly when it ran into a quantity of gravel.

TRAFFIC CASE.
Fred J. Stewart was reported by Traffic Policeman Howard for exceeding the speed limit in Adelaide street last Saturday while operating an automobile. In court this morning he said that he might have been guilty and gave as his reason the fact that he was generally rushed and desired to get back as soon as possible to his grocery store. A fine of \$10 was struck and allowed to stand on an understanding that in future he observe the law.

STREET RAILWAY MATTER.
The C. P. R. New Brunswick district returned to the city this morning after business trips to Fredericton, Portland and Boston. In Fredericton he held a conference with the chairman of the transportation committee of the Board of Trade in connection with the withdrawal of a train from the Fredericton-Grand Lake route. He promised that as soon as business conditions warranted he would have the train put back in service again.

C. P. R. MATTERS.
J. M. Woodman, general superintendent of the C. P. R. New Brunswick district, returned to the city this morning after business trips to Fredericton, Portland and Boston. In Fredericton he held a conference with the chairman of the transportation committee of the Board of Trade in connection with the withdrawal of a train from the Fredericton-Grand Lake route. He promised that as soon as business conditions warranted he would have the train put back in service again.

FOR BRIDES-TO-BE.
A linen shower and bridge was held last week at the home of Mrs. C. E. Cameron, Victoria street, in honor of Miss Alice McBride, who is to be married in Toronto this week. Many beautiful gifts were received by the bride-elect.

A pleasant time was spent Friday evening at the home of Miss Nellie Riley, 9 Chubb street, when friends (entered her a novelty shower. Many pretty and useful gifts were received. Games and dancing were enjoyed, refreshments were served and the party broke up at an early hour, after wishing Miss Riley best wishes for future happiness.

GEORGE A. CAMPBELL DEAD.
A figure familiar in the city streets for many years passed this morning when death came to George A. Campbell, at the home of E. A. Leonard, 266 Prince Edward street. Mr. Campbell had suffered from blindness for several years. He was 77 years of age. A native of Norton, he came to St. John many years ago and engaged in the trucking business. He was never married. Mr. Campbell was a son of the late Alexander Campbell of Norton, one of the early settlers in the Kennebec valley. He is survived by one brother, Cyrus Campbell of St. Martins, and by a number of nieces and nephews. These are Miss Minnie Campbell of Sydney street, Colin, of the Provincial Hospital staff; Miss Addie, of Beverly, Mass.; Mrs. John Hamilton, of Sussex; and G. D. and Herbert Campbell of Norton. The funeral will be held from 266 Prince Edward street at 2:30 o'clock on Wednesday afternoon. Mr. Campbell was a member of New Brunswick Lodge, Knights of Pythias.
