In The Public Eye.

The people are the judges.

The **Sun Life of Canada** is evidence of this.

Never in the history of life assurance in Canada has a company made such inroads into the hearts of the people as the **Sun Life of Canada** has done. This is true, not alone in Canada, but wherever the **Sun Life of Canada** does business. There must be a reason.

The reason is not hard to find.

The **Sun Life of Canada** has policies the people want and they give what they promise, and it is easy at a glance to see a Company that will build. This is bound to be popular with the people.

Thus the **Sun Life of Canada** has done, and the way they intend to continue doing.

To illustrate this, we give a letter received from a policyholder Mr. E. H. Bigger, publisher of the "Canadian Engineer," Toronto. He writes under date of November 14th, 1898 as follows:

"I have to thank you for your settlement of my first policy in your Company, in anticipation of its maturity. It is a pleasure to note that the profits have been in excess of your own calculation, but it only confirms the impression that I have always held of the good management of the **Sun Life of Canada**. My relations with your Company and its staff have always been of the pleasantest kind, and if I can afford any additional insurance to what I have now, I shall not forget the **Sun Life of Canada**."

Remember if you want all that is modern in life assurance the **Sun Life of Canada** has it.

The Rapid Progress being made by this Company may be seen from the following Statement:

Years.	Increase.	Net Assets, besides Uncalled Capital.	Life Assurances in Force.

ISSUED BIENNALLY BY THE

UNION PUBLISHING CO., OF INGERSOLL.

PREFACE.

The Publishers, in presenting the eleventh edition of their Business and Farmers' Directory for the Counties of Durham, Haliburton, Northumberland, Peterboro and Victoria, and Districts of Muskoka, Nipissing, Parry Sound, Rainy River, Algoma and Thunder Bay, have endeavored to merit the approval of the public by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people. Among the contents will be found the name of each farmer, and whether owner or tenant of a lot outside the limits of each city, town or village, with post-office, lot and concession, a complete list of towns, with the BUSINESS people alphabetically arranged; also a separate list of BUSINESS people classified with reference to their business, the whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of the business people.

Thanking those who have kindly given us information; also the business people and the sublic generally who have given the work their support, we remain,

Respectfully yours,

UNION PUBLISHING CO.,

YOU USE HERBAGEUM

**In Fitting Animals, for Exhibition,
Off Their Feed, and Generally
Out of Order. . . . .**

BUT

DO YOU USE IT REGULARLY
EVERY DAY ?

IF NOT, WHY NOT ?

TRUE ECONOMY DEMANDS IT.

IF YOU DO DOUBT IT, HAVE COURAGE
ENOUGH TO TEST IT FOR YOURSELF !

Five Animals Against Five For Three Months,

The Increased Returns
and Improved Conditions

WILL SATISFY YOU !

It regulates the Kidneys, cures Scratches and Cleans out Intesinal Worms, Bots and Lice.

When fed regularly to SHEEP, it IMPROVES the WOOL and cleans out Ticks better than any Sheep Dip.

AS FOR CALF MEALS NONE ARE AS ECONOMICAL.

HERBAGEUM

Will make Whey or Skim-Milk as good as New Milk for Calves. For Poultry it is unsurpassed and it is more economical than any other.

"THEY FIT AT THE START."

Mrs. Ensign Manufacturer of Improved Health Corsets

WAISTS, ETC.

VERY GRACEFUL PERSONS

Are largely indebted to the "Ensign" well-fitting Corset, which preserves the beautiful outline of their figures. The "Ensign" Corset is a general favorite with stylish society women. The Materials are firm and soft, yielding to the form; the boning is rendered proof against moisture; in no way will it lose its elasticity which is one of the great essentials in perfect, comfort-fitting Corsets. The boning is immovable in its pocket, thus preventing its working up and down and the premature wearing through. Mrs. Ensign makes a successful specialty of Perfect Fitting Bodices, Fine Ordered Corsets, Common Sense and Hygenic Waists, for Ladies, Misses and Children. Special attention paid to fitting Invalids, Deformed persons and Children. There are no Misfit Corsets when you deal with Mrs. Ensign, such as are palmed off by irresponsible agents of inferior Corsets. Mrs. Ensign has no agents for the Improved Health Corsets, which can only be got by order direct from Mrs. Ensign. Factory operated by electricity.

☞ **Mrs. Ensign has moved her Corset Factory a few doors east nearer George Street, and next to Turnbull's Millinery Store, Simcoe Street, PETERBORO, ONT.**
