CHIGNECTO POST AND BORDERER

SACKVILLE N. B., JULY 14, 1892. A FAST ATLANTIC SERVICE.

A number of our contemporaries are urging upon the Government the necessity of securing an improved Atlantic service, and pointing out the great advantage it would be to Canada, and especially to the Maritime Provinces.

We notice that in the references to the improved service, the C. P. B. is generally mentioned as the company with which the government should deal, and its enterprise and energy are held up as indisputable evidence that in its hands the service would surpass anything that exists on the Atlantic to-day.

A JOKE.

CAUTION. All proprietors of rooms are notified to close their respective places of business on Tuesday, July 12th.

In view of the fact that Montreal under Scott Act law and therefore should have no bar rooms, this is one of the best jokes out. There is an air of kindly feeling about the notice, as if the vigilance committee felt it his duty to do something in the way of giving his friends, the bar-keepers a pointer that he would be abroad on the twelfth.

The Failure Record. Bradstreet's Failure Record for Canada for the first half of 1892 shows a fair improvement compared with last year.

Table with columns for Year (1891, 1892) and various financial metrics (Debt, Assets, etc.).

The horse then started up Victoria St. and went down Lawrence St. and was then captured. It was suspected that they would make for this direction and a guard was placed at the covered bridge in anticipation of their attempt to cross the river. On Tuesday word was received that they had been seen near Wood Point and Warden Forster and a guard arrested them. It was supposed they were making for the shore intending to steal a boat to take them across the bay where they could take passage on some American bound vessel. Sears is a well known character about town. He is thoroughly bad and vicious and the public will breathe freer so long as he is behind the bars. He was sent to Dorchester for theft in St. John.

WEATHER SIGNALS—During the summer weather signals will be displayed from the baggage cars on all express trains until 12 o'clock noon. These signals are sent out at 1 o'clock each morning to different points and are as follows: The white signal indicates a pleasant day with a light breeze and a white half moon on a black disc. The signal indicating rain is a white star on a black disc.

ROWING—A correspondent sends the following:—Why is it that the evening prayer meetings in some of our churches are so often interrupted by a gang of hoodlums running around outside, pecking into the windows, and in other ways making it unpleasant for the worshippers within? It is because they do not know that the law if appealed to would deal hard with them, or is it because they are ignorant of the law? A person suggests that it is a literal application of Rev. 22: 15 "For without the nuisance has been tolerated so long."

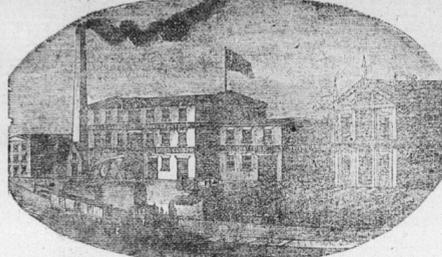

BAND EXCURSION—As before noted, the 8th Cavalry Band intended holding their annual excursion to Cape Tormentine on Saturday, 23rd inst. All the usual attractions are offered. LAYING THE CORNER STONE OF THE BAPTIST CHURCH.

Last Monday a large number attended the laying of the Corner Stone of the New Baptist Church at Port Elgin. The stone was then laid with appropriate ceremonies by Mrs. W. E. Rogers, of Amherst, and assisted by Deacon John Read of Port Elgin. The stone was cleared away about 10 o'clock and the sun shone brilliantly. The ladies in connection with the church had been preparing in the building, the frame of which is up and boarded in, tables heavily laden with all the delicacies of the season. The Cape train from Sackville in the afternoon brought a number of passengers, including the speakers who were to take part. The proceedings began by the choir singing an Anthem. Prayer was offered by Rev. Thos. Hart, of Sackville. Rev. W. H. Warren of Sackville then addressed the assembly at some length, describing the contents of the box to be enclosed in the corner stone. The box contained a copy of the Bible Year Book, the Morning Chronicle, Moncton Transcript and Times, the Yarmouth Light and the Chignecto Post, and a list of members of the church, together with the names of the building committee. After Mr. Warren's address the choir sang that beautiful hymn "O'er our Corner Stone." The stone was then laid with appropriate ceremonies by Mrs. W. E. Rogers, of Amherst, and assisted by Deacon John Read of Port Elgin. The stone was cleared away about 10 o'clock and the sun shone brilliantly.
