**DEVILS MEET  
CMR TOMORROW**

(See Page 2)

## DAL. TRIPS UNB DEBATERS

### Orchestra Performs Wed.

The Fredericton Civic Orchestra will present their first concert of the 1958-1959 series Wednesday evening, December 3, at 8.30 p.m. in the Fredericton High School Auditorium.

The main works to be performed are Schubert's "Unfinished Symphony", and a composition by the conductor, Janis Kalnins, for piano, french horn, and clarinet. Pieces by Strauss, Handel, Bach, and Glinka will be included.

#### Tickets

Membership tickets admit the holder to two concerts. These may be obtained from Miss Nan Gregg, reference librarian, university library. The price is \$1.00 for student membership (two concerts) and \$2.50 for regular membership.

### R'N'B Robs SRC

Wednesday's scheduled SRC meeting was cancelled since the constitutionally required quorum of members was not in attendance. The poor attendance was attributed to Red 'n' Black rehearsals.

STEVE FAY

### Chapel Services Suggested

At a meeting held in Memorial Hall this week, representatives from the Canterbury Club, Newman Club and Students Christian Movement, decided to sponsor jointly a morning worship service every Tuesday and Friday.

Dependent on the approval of university authorities, services will commence on Tuesday, December 2 at 8:30 a.m. in the Arts Building Chapel.

The Dalhousie Debating Society won a split decision over UNB debaters Ron Manzer and Steve Fay in the first intercollegiate debate of the year held at Dalhousie University on Tuesday.

UNB took the affirmative side of the resolution "Resolved that surrender to the USSR is preferable to risking the extermination of humanity in war". Debating for the winning Dalhousie team were Law students Alec Weir and Rick Cashin.

#### Judges

Judges were Jean Morrison, President of the Canadian Teachers' Federation, Dr. Monseigneur Gravelle, D.C.L., Judge of the Marriage Council of Halifax, and John Dunlop, Q.C., and former Deputy Minister in Halifax.

The debate was taped by the CBC, and attempts are being made to have it broadcast over CFNB.

RON MANZER

### FUND DRIVE ANNOUNCED

President Dr. Colin B. Mackay announced Tuesday plans for the launching of a nation-wide appeal for funds, with Chancellor Lord Beaverbrook as honorary chairman and New Brunswick industrialist K. C. Irving as national chairman.

The appeal for \$3,200,000 marks the first time the university has sought funds on a national basis.

The drive is designed to supplement the recent increased federal government grant.

Public subscriptions to the campaign will be matched by an equal amount from the New Brunswick Government.

PATRICK BLAKE

### BLAKE COPS ACTING AWARD

The "Best Actor" award for the year's comedy show went to Patrick Blake Tuesday evening at the third performance of "The Moon is Blue".

Adjudicators Al Tunis, Bob Whalen and Stan Pringle chose his performance as David Slater tops in the Drama Society's first effort of the season. Mr. Tunis, himself a keen follower of New Brunswick drama, presented the award.

### Night Courses Begin Jan. 21

The first in a series of special courses in Personal Finance, Buying Or Building Your Home, and Stocks And Bonds, offered by the UNB Extension Department, and sponsored by the Department of Business Administration, will begin Wednesday, January 21, 1959 in room 202 of the Arts Building from 7:30-9:30 p.m.

Succeeding lectures in this initial course will be held the following four consecutive Wednesday evenings, concluding on Feb. 18.

#### Lecturer

Prof. W. J. Reddin will conduct four of the five lectures and discussion periods. The remaining lecture (number four in the series) will be given by Mr. Morrison, insurance specialist.

The other courses also will run for five consecutive Wednesday evenings as follows: Buying Or Building Your Home, Feb. 25-March 25; and Stocks And Bonds April 1-April 29. Instructors in the former course are Mr. H. Borland, Regional Supervisor CMHC, Mr. J. T. Gray, Barrister, and Prof. R. H. B. McLaughlin. Instructor in the latter course is Prof. W. J. Reddin.

#### Fees

The fee is \$10.00 per course or \$30.00 for the series. Married couples will be charged \$15.00 per course or \$45.00 for the series. Fees will be collected at the first session of each course. There will be no text books or examinations.

Applicants may obtain registration forms at the Library Desk, Book Store or Registrar's Office.

### 'Midnight' Story Brings Sharp Replies

Midnight, a weekly newspaper published in Montreal, has charged that a non-virgin club is being operated by co-eds at the University of New Brunswick.

The charge appears on page nine of the newspaper's edition for Nov. 24.

The paper, noted for its sensational treatment of sex and crime stories, printed the report in its two-page feature "Cross-Canada Confidential". The copyrighted feature, which appears regularly, purports to give "sensational news — behind the headlines" collected by "special roving reporters".

#### Large Headline

A large headline draws attention to the story on UNB. It reads:

#### UNB'S NON-VIRGIN CLUB MEMBERS AT ALL-TIME HIGH

Under the headline and a Moncton dateline appears the only details on the alleged club:

"That non-virgin club operating out of UNB's gal-ranks, never seems to lack for members. They seem to have all the boys interested in forming a co-ed chapter."

#### Gives Interview

In a telephone interview with *The Brunswickan*, Joe Azaria, editor of *Midnight*, admitted that he did not know "off hand" the source of the information, or even which of his reporters wrote the story.

He said *Midnight* has a staff of seven reporters who tour Canada for "news items", and that any one of these could have written the report.

Here at UNB, students who were interviewed expressed surprise at the story and claimed they had never heard of any such organization.

#### Not Worth Comment

Joan Proudfoot, president of the Maggie Jean Chestnut House Society, said:

"I honestly don't feel that the report merits comment."

A number of co-eds in the Maggie Jean, which houses the majority of the university's female students, became so angered by the story that they tore a copy of *Midnight* into shreds.

#### Women's Dean

Mary Ella Milham, dean of the women's residence, said: "Matters of private morals are, as even Kinsey found out, beyond the possibility of statistical proof. Thus, a cheap sensationalist publication is quite safe in laying a general charge against a non-defined group of girls in an area where circulation needs a boost."

"We may, and do, deplore the statement, but surely we cannot take it seriously."

### WUSC Van Visiting UNB SCM Talk Today

The WUSC Treasure Van is being held in the Ping Pong Room of the Lady Beaverbrook Gymnasium today from 2.30-10 p.m. and tomorrow from 2.30-6 p.m.

The Treasure Van gives the student the opportunity to buy gifts that are the work of skilled craftsmen throughout the world.

Among the international handicrafts offered are Indian brass and silks, Japanese kokeishi dolls, and various Jamaican crafts.

The Reverend Dr. J. A. Forbes will speak this afternoon at 1.30 p.m. in Room 12 of Memorial Hall, taking as his subject the position of "Unitedism".

The address is part of a current SCM-sponsored series of talks on religious viewpoints.

Today's lecture will be followed at one week intervals with talks on the Baptist (Rev. E. McKnight), and Presbyterian (Rev. Dr. T. J. Watson), viewpoints.

A GLANCE AT THE RED 'N' BLACK: One of the bright numbers seen by the opening night crowd was this "I Won't Dance" routine. Performances continue through tomorrow evening.

## Swim Meet

On Saturday afternoon in the University Pool starting at 4 o'clock, The University of New Brunswick Beavers swimming team will meet last year's St. Lawrence Valley Swimming Champions, College Militaire Royale from Saint Johns, Quebec. This is the second time in Varsity Coach Amby Legere's thirteen year history with the team that they will swim against competition from outside the Maritime Provinces. On the first occasion, last February, the Beavers ventured to Montreal where they trounced Sir George Williams College 68-52. At present, Legere is not committing the team by any predictions on the out-come of the meet, although he promises a hard fought battle. Who will hit the water in this first meet of the college year is still a mystery as Legere has not picked the Varsity team. He has been conducting time trials all week and such a man as Captain Dave Sanger from Boston Mass., holder of two Maritime records is a certain choice for this meet. Other likely prospects to swim against CMR are: Wayne Barry from Beaver Harbour, a

second year man; Albert Bene, a native of Budapest, Hungary, a two year man; Dave Graham from Fort Erie, Ontario, a three season veteran; Steve Jones from Hamilton, Ontario, an experienced competitor; Glen Murray from Montreal in his first stint with the Beavers; Keith Cameron from Halifax; Roger Cattle from Fredericton, a two year man; Jim Hayden of Saint John, first year on the squad; Ken Mander from Montreal in his first year; and to round out the team in diving, Dale Milton from Hillsborough, N.B. Should UNB win this meet, it will add yet another feather to Coach Amby Legere's plumed hat.

All officials taking part in this swim meet are asked to check the bulletin board in the Physical Education department for their designated times. Please be on-time.

# RED DEVILS OPEN SEASON

## CMR FIRST COMPETITION

The UNB Red Devils get their first actual taste of competition Saturday evening as they play host to the powerful College Militaire Royale from St. Jean, Quebec.

The Devils' Squad has almost been completely picked and six new faces will appear on the Varsity roster for the first time Saturday evening. Coach Kelly has nine returnees with only one complete forward line from last year intact and one complete set of defencemen. The line is composed of Soward, McLellan and Jarrett. Centre Currie McCarthy is looking for two new wingers while regular wingers, Dave Beardsley and Don Morrow are looking for a centre man. Back on the point position Kelly has Galen Parent and John Sears who worked well together for the past two seasons. Veteran Hedley Savoy is seeking a helper to slow

up the opposition as his last year cohort is ineligible. Added to this, Coach Kelly will be adding a fifth defenceman and a probable extra forward. No release has yet been made as to who will tend the net chores or actually be picked for the open positions.

There will be at least seven new faces and these will have to be picked from thirty hard-skating hopefuls Friday night. The CMR squad to date has won all their exhibition games, including one against the McGill team. This should prove to be a close, tough contest and UNB students will likely be in for many thrills. Game time will be 8 p.m.

## HOCKEY BRIEFS

The New Brunswick Central Senior Hockey League will open for the Red Devils on Dec. 11th when they meet the Fredericton Capitals. The Devils will only play a total of ten games in this league and they will be of four point value to the team. If UNB wins a game, they will receive four points, while their opponents will receive two points if they win. The scoring in these games will consist of two points for a goal and the same for an assist. This only applies for UNB players. Other teams in this league are the Fredericton Capitals, Devon Tigers and the Woodstock Legionaires.

The N.B.-P.E.I. Intercollegiate League will open for the Devils on Dec. 5th, when they will meet the Saint Thomas Tommies in the Lady Beaverbrook Rink.

Patronize our advertisers . . .  
 You won't be sorry

## Raiders Meet Hubs

The UNB Red Raiders continue their regular schedule as they meet the basket-hoopers from Moncton tonight.

Last week the Raiders were defeated by a strong aggregation from Maine. Coach Don Nelson said he was very pleased with the performance of the team but they were outthrustled in the last minutes of play. With five minutes of play remaining the Raiders had 54 points and at the end of the game finished with 58 points.

The team has been working out every evening and their condition has improved considerably over the last week. Coach Nelson also said he is working with a swell bunch of boys and the freshmen are living up to his expectations.

The team is eager and anxious to get started on the winning road. If the players feel this way, you can't help but have a winning club. Game time against the Hubs is 8.30.

Prior to the Varsity tit the Jr. Varsity squad will play host to the Saint John Rotary. If last week is any indication of what the J.V.'s are capable of doing, they are in for a terrific season and, who knows, may even be called upon by Coach Nelson for support should any of his Varsity regulars be sidelined or injured. This game will get underway at 7.00 p.m. —TOMMIE JARRETT

## Circulation Stunt

*Midnight*, a Montreal scandal sheet, is currently trying to build up circulation at UNB's expense.

In a recent issue, the newspaper charged that certain UNB co-eds are operating a non-virgin club and that the club's membership is at an "all-time high".

The printed story lacks detail and instead contains only broad generalizations and innuendo, for the editors know if they named particular people, prompt libel suits would surely follow.

The tactic of the undocumented smear, always used behind the cloak of anonymity, is a familiar means of selling more papers. The proprietors of *Midnight* apparently feel that by printing vague references to UNB, they can persuade a few moronic students that the paper is worth 15 cents. It will be a sad comment on students' intelligence if they succeed.

If *Midnight* can substantiate its charge, its editors have a duty to print the full facts.

But if, as we suspect, they cannot, they would do well to restrict their scandal-seeking to places where readers are not in the habit of demanding evidence to support their beliefs.—*jos.*

## 'MOON' SUCCESSFUL

The Drama Society's presentation of "The Moon is Blue" provided three nights of good entertainment on campus.

The show, relying on racy dialogue to hold the audience, rarely lacked pace, though it will need more polish if it is to be Festival competition. Norgen Keith (Mrs. Pat Blake) established herself as a greatly improved actress giving the part of Patty O'Neill, the girl who is picked up, vitality and humour.

John Gellard, playing Don Gresham, who does the picking up, made a good contrast to the old rake, Slater (Pat Blake). However, he must be faulted for the woodenness of his hands, something he must rectify—and at times his lines lacked punch. If he throws himself into a character more, he can become a good actor.

Pat Blake's timing was superb and he obtained maximum effectiveness out of his lines. His stage presence, too, particularly creditable. Walt Learning, as Patty's father, an Irish-American Brooklyn cop, livened the stage with his brief, whirlwind appearance. His accent, though, would have shamed any genuine leprechaun.

Prof. Alvin Shaw's direction provided us with a standard we have come to expect from him, but if he decides to revive the show, more rehearsal can certainly be done on it. The lighting was good, and was particularly effective at the opening of the third act. The set was well-

built under Laurent Laviolette's management and the Society did well to overcome the handicap of no curtain in Memorial Hall. Eleanor Boby saw all the "props" were on stage, Inga Legere was responsible for "make-up", and Bob Dykes and Don Robinson made sure the cast faced well-attended houses.—*J.D.*

The Pantheon, a temple erected at Rome in 123 A.D., has been called the best specimen of old Roman architecture.

## Students At Large

By MARY JEAN McNICHOL

### U of T out \$230,000

The University of Toronto's athletic association is \$230,000 in debt today, due to a decision of the Toronto Argonauts pro football team. The Argos have decided to move their home games from Varsity Stadium to the Canadian National Exhibition grandstand, because of greater seating, playing, and parking capacity as well as better public transportation. This action now leaves the association to pay off \$230,000, the balance of loans from the Board of Governors, used to extend seating capacity and to install floodlights in previous years.

According to Lew Hayman, general manager for the Argos, the association has received \$90,000 from the Argonauts this year.—*The Varsity.*

### Aid to Quebec Students

Lieut.-Gov. Onesime Gagnon to the Legislative Council, said of Quebec, in his throne speech that aid would be given to needy students in the province. As yet it isn't known how this aid will be handled, but there are rumors that provincial authorities might set up an extensive system of loans.—*McGill Daily.*

### Robot Teachers Next?

A Harvard psychologist, Dr. B. F. Skinner, believes that the modern student should study with the use of machines. At present, ten complex machines for teaching college students have been developed at Harvard by Dr. Skinner and his colleagues. In an experiment with 200 students using machines for study, it was found that the students absorbed the material in a 200-page book in 14½ hours on the average.

Such a method enables the quick learner to proceed at his own pace while the slower student is allowed all the time he requires.—*McGill Daily.*

## THE GROWTH OF REALITY

On Sunday the Film Society presented the first of the Series B films 'The Film and Reality', a collection of excerpts from 58 documentary and fictional films arranged to show the growth of the realistic tradition from the first days of the cinema up to the Second World War.

### Little Change in Technique

Even though this theme was rather disappointingly developed, the film was well worth seeing for the interest of the extracts themselves, coming from such film classics as 'Battleship Potemkin', 'Nanook of the North', and 'Song of Ceylon'. The early dramas appeared as pure slapstick compared with more recent productions, but the main difference was in the style of acting and not in the cinema techniques which seem to have altered little since the days of Eisenstein and Griffith. Newsreels, apparently, have not changed at all. Scenes from the earliest days of the cinema, of the funeral of Queen Victoria, and Edward VII at the launching of a Dreadnought, were presented in exactly the same way as similar events would be shown today.

### Directors Were Greatest Influence

After seeing this film one had the impression that the growth of reality in the cinema followed no particular pattern, but depended more on the influence of a handful of great directors, who worked to their own rules. Of these Robert Flaherty was by far the most outstanding, and he still remains unrivalled in the way he combined realism and lyricism in the portrayal of the way people live in different parts of the world, as was shown by short pieces from three of his finest films—'Nanook', 'Moana', and 'Man of Aran'. Amongst other films being shown in Series B later in the year are 'The Cabinet of Dr. Caligari' and 'Birth of a Nation', and anyone interested in the cinema will be well rewarded by joining this experimental series.

Series A resumes on Sunday, November 30th. —T.W.A.

To prevent duplication of meeting times and places and to ensure a listing in THE BRUNSWICKAN, please report all campus events to SHEILA CAUGHEY, campus coordinator, at the Maggie Jean Chestnut House (Phone GRanite 5-9061).

# NFCUS LIFE PLAN

Exclusive to University Students at this UNMATCHED low cost.  
**\$10,000 for only \$35.00 PER YEAR**    **\$5,000 for only \$17.50 PER YEAR**

Underwritten and guaranteed by Canadian Premier Life Insurance Company — a Canadian Company with federal charter, licensed in all provinces of Canada, from coast-to-coast and backed financially by insurance interests with assets exceeding \$330 millions.

## PARTICULARS OF NFCUS LIFE PLAN

**THE PLAN**—Ordinary Life with special low-rate term insurance for first 10 years or to age 35, whichever is the shorter period.

**AMOUNT OF INSURANCE**—Minimum, \$5,000. Maximum—no arbitrary limit, individual consideration.

**THE PREMIUM**—\$3.50 per \$1,000 annually during the term period; Ordinary Life rate thereafter. Ordinary Life rates are included and guaranteed in the NFCUS LIFE Plan policy.

**ELIGIBILITY**—All students who are members of the representative student society of this university are eligible for NFCUS LIFE Insurance.

**EFFECTIVE DATE OF INSURANCE**—Insurance under each policy takes effect immediately upon the issue of the policy by the Company, whether the first premium has been paid or not.

**TOTAL DISABILITY BENEFIT**—If totally disabled your protection is continued in force without further payment of premiums. If still disabled when term period expires, your protection is automatically continued in force on the Ordinary Life plan for the same amount of insurance with all premiums on the new plan waived until death or earlier recovery.

**PRIOR CONVERSION OPTION**—While the plan automatically becomes Ordinary Life at the end of the term period, there is an option for prior conversion to Ordinary Life at guaranteed rates without further evidence of insurability. Also, conversion to any Limited Payment Life, Endowment or Pension plan may be arranged.

**CONVERSION AGE**—NFCUS LIFE Plan policies may be converted at the attained age at the date of conversion; or at the age as of the original date of issue of the policy, in which case credit will be given for ALL premiums paid in addition to the conversion credit of \$2.50 per \$1,000 (see below).

**REDUCTION IN FIRST YEAR PREMIUM ON CHANGE OR CONVERSION**—A reduction of \$2.50 per \$1,000 of insurance will be allowed from the first premium payable upon the change to Ordinary Life at the end of the term period, or upon conversion of your NFCUS LIFE policy to any plan at any time. For example, if converted at age 25 to \$10,000 Ordinary Life the first year premium would be \$125.40 reduced by \$25.00 leaving a net amount payable of \$100.40.

**ADDITIONAL COVERAGE FOR ACCIDENTAL DEATH**—Policies may include an Accidental Death Provision at an extra premium of \$1.25 per \$1,000. This provision will pay the amount of the Accidental Death Benefit in addition to the face amount of the policy in the event of accidental death.

**GENEROUS SETTLEMENT OPTIONS**—The NFCUS LIFE Plan contains attractive settlement options whereby the insured at maturity, or the beneficiary, may elect to take the proceeds of the policy in a variety of instalments or on a life annuity basis guaranteed for either 10 years or 20 years but payable in any event for life.

**RIGHT TO ASSIGN**—You have the right to assign your NFCUS LIFE policy. This is valuable as an assistance in obtaining loans (for example, for educational purposes) as in this way the lender may be given a guarantee of payment in the event of premature death.

**GRACE PERIOD**—A period of 30 days of grace is allowed for the payment of any premium including the first.

**NON-PARTICIPATING**—The NFCUS LIFE Plan is non-participating during the term period, however, at conversion, you may select either a participating or non-participating permanent plan.

**AVIATION COVERAGE**—Death occurring as a result of air flight is covered except where you are the pilot or member of the crew.

**NO WAR CLAUSE**—There is no restriction as to the payment of death benefits if death occurs as a result of war, declared or undeclared, except as outlined for air flight.

### EVERY STUDENT NEEDS LIFE INSURANCE!!

**BECAUSE** you need to begin your program NOW—the student who enters his life career with a financial independence program **ALREADY STARTED** will, other things equal, achieve financial independence sooner — and on a higher ultimate level. NFCUS LIFE provides this "starter" at a price you can afford.

**BECAUSE** you need to insure the investment in your education — to protect those who have protected you. Every year, through death by accident or natural causes, there are students who will never return. If someone has sacrificed to help you through University, be sure they are not left with expenses and loans to pay.

**BECAUSE** only thus can you protect your "insurability." Insurance bought now guarantees your right to permanent insurance for life regardless of changes in your health.

### WHY THE NFCUS PLAN IS YOUR FIRST CHOICE

Remarkable savings achieved by NFCUS mass buying power — an advantage gained for University students through their association together in NFCUS.

Tailored for University students and available exclusively through affiliation with NFCUS. The group principle brings equal protection to NFCUS students of all ages — up to 35! Non-Canadian students are also eligible if attending Canadian Universities.

### A ONCE-IN-A-LIFETIME OPPORTUNITY

Your affiliation in NFCUS makes it possible for you to own \$5,000, \$10,000, \$25,000 or EVEN MORE life insurance on your own exclusive plan covering you during your years at University and several years thereafter if necessary, at an exceedingly low rate, — then, when you are working in your chosen field (or practicing your profession) and are financially established, you begin to pay the premium for permanent Ordinary Life insurance — also at **guaranteed low rates.**

### SPECIAL ENROLLMENT OFFER TO 1st YEAR STUDENTS ONLY

First year students may enroll on the attached short Form "A" application for up to \$10,000 NFCUS LIFE Insurance until December 31. Thereafter complete medical evidence of insurability will be required. A medical examination is not generally required during the enrollment period however the Company reserves the right to request a medical or to decline any application. Students other than first year students may also use this short form and a regular application will be forwarded by the Company.

### TO ENROL . . .

Completed the application printed below, clip and mail. On amounts up to \$10,000, a medical examination is not generally required.

NOTE: This application is on newsprint. Use blue or black ink for photography. If ink runs, please use ball point, but all information must be clearly legible. Thank you.
