

The Acadian

DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

Vol. XL. No. 22.

WOLFVILLE, NOVA SCOTIA, FRIDAY, MARCH 18, 1921.

\$2.00, payable in advance

Splendid Entertainment

Given by A. C. A. Dramatic Club

The entertainment given at the Opera House on Tuesday evening by the A. C. A. Dramatic Club was much enjoyed by the large number present. The boys showed that they had spent a good deal of time in preparation and their efforts were well rewarded. All took their parts exceedingly well. The success of the plays was due in a great part to the director, Miss Mae Churchill Deane, of the Seminary Faculty.

The first part of the program was the one act farce, "A Girl To Order." The cast of characters was as follows:

Howard "Lady" Clayton (a junior) Wallace Forgey
Earl "Biscuits" Nelson Louis Morse
Fred "Puck" Evans K. K. Beaton
"Dud" Elliott (a senior) C. H. Brown
Mr. Elliott (Dud's Father) H. Bannerman
Elsie Jordan Elsie Smiley

During the intermission Mr. Roy Evans sang two selections which were much appreciated. The orchestra also rendered several selections before the play and during the intermission.

The second part of the program consisted of another one act farce entitled "Music Hath Charms," the cast in this case being as follows:

Gerald Remson—the pitcher of A. C. A. baseball team, who is in love with a certain pretty face Eric Morse
Charley Grey—Gerald's Chum and catcher of A. C. A. team D. MacKeigan
Bertram Montague—A typical college grind, room-mate of above E. R. Rafuse
Bud Brown C. B. Evans
Bunk Anderson—Chums of above

Rod MacLean
Jack Underwood H. F. Hodgson
Dick Henderson W. P. Warrren
Bennie Simmons T. A. Kirkpatrick
George Duncan O. R. Smiley
Tom Hemmingway C. A. MacLennan
Arthur Fletcher W. A. Geldart

Students at A. C. A. and members of the Glee Club
Professor Elery—(Director of the School Glee Club) C. M. Spidell
The scene was laid in the dormitory at A. C. A. During the act a meeting of the School Glee Club was held and several of the old songs were excellently

Church Mortgage Burned

On Wednesday evening, the 16th inst., at the close of the midweek service, the mortgage placed on the Baptist Church at the completion of its present house of worship, nine years ago, was burned with appropriate ceremony. The original mortgage was for \$18,000 and the Church is to be congratulated that it has been successfully and honorably discharged. Dr. I. B. Oakes made a preliminary statement and the document was committed to the flames. It made an interesting spectacle and nothing but the grey embers remained in the tray when the ceremony was over.

The pastor, Dr. MacDonald, committed to the flames the document which legally bound the Church to the discharge of the indebtedness that remained upon the edifice at the time of its dedication, rejoicing that all claims of the mortgage had been fully and honorably met, grateful for the generosity and loyalty of the people who have made this possible, and for the privilege of being laborers together in the fellowship and service of the Church of Christ.

The thanks of the Church upon motion of Mayor Fitch, was extended to Dr. Oakes, Mr. R. E. Harris and the contributors.

BORN

STARR—At Port Williams, March 11th, to Mr. and Mrs. Carl Starr, a son, John Richmond.

HOLMES—At Wolfville, March 3rd, to Mr. and Mrs. W. W. Holmes, a daughter

The "Trail Rangers" of St. Andrew's Church entertained the Girl's Guild at a social held in the school-room on Tuesday evening. The affair was under the direction of Mrs. A. D. Elderkin and was most successful in every respect. The evening was very pleasantly spent in games and other amusements with suitable refreshments.

rendered. Mr. C. B. Evans also sang two solos. The giving of the Academy yell brought the program to a close.

"The Man on the Street"

"The Man on the Street" read the letter in THE ACADIAN last week over the signature "Indignation". Possibly citizens of Wolfville are paying more than they ought to for eatables, but the fault is not all the merchants'. The other day "The Man on the Street" saw one of our merchants paying 45c. per dozen for eggs when eggs were selling at country stores near Wolfville for 35c. Perhaps the merchant himself was being imposed upon. Wolfville people may think prices are high here evidently the out of town producer thinks so too. A little more co-operation on the part of the merchants (in the interests of their customers) is what is needed if we are to escape being unduly "soaked."

"The Man on the Street" is pleased to note the increase of the spirit of fraternity that is evident on the part of the ministers of Wolfville. This is as it should be and certainly indicates a condition of affairs most commendable and in striking contrast to things as they were. If the ministers and the churches get together to combat the common enemy instead of, as has sometimes been the case in the past, wasting their energies in fighting each other, something is bound to be brought to pass. More power to them.

Now that most of the snow and ice of winter has disappeared "The Man on the Street" would respectfully suggest that immediate steps should be taken to clean away the winter's debris from our paved streets. This should be done as soon as opportunity offers and certainly much cleaning could be done at the present time. "The Man on the Street" hopes the street authorities will pardon this suggestion, which is made with the very best intentions.

It is high time, in the opinion of "The Man on the Street" that the Town Council should fix a rate for cab drivers in Wolfville if none does not already exist. The prices charged are ridiculously high and not only are an imposition upon citizens but an injury to the town when applied to visitors. There is a good opening here for some one who wishes to do this kind of work at fair prices—and a real convenience as well.

BRITAIN'S REPRESENTATIVE

Hon. H. A. L. Fisher, British Minister of Education, who has been appointed to the Armaments Commission of the League of Nations.

ACADIA UNIVERSITY versus TOWN OF WOLFVILLE

Is the University a benefit or injury to the Town? By the University, we mean, the several Schools and Boarding Departments etc. under the management of the Governors of the University.

The following facts and figures may help to answer the question:

1. Payments to the Town Treasury.
(1) For Electric Current from Oct. 1, 1919 to Dec. 31, 1920, after deducting discounts, \$4136.42. The Electric Commission reported the gross revenue for that time as \$17,011.78. Upwards of \$15,000 should be deducted from this for discounts, leaving, say \$15,500.00 as the net income. Hence, it will be seen that more than one fourth of the Income for Electric Current is received from the University.

(2) Payments for water for 1920, \$656.00. It should be noted that the schools close the first of June and do not open till September, so that the months that the schools are in session when there is likely to be a shortage of water, are September and the first part of October. The total revenue for water as reported by the Town for 1920 are \$5,811.80. Hence it will be seen that the University provided nearly 10 per cent of the income from the sale of

water.
2. Payments to merchants and others, for fuel, table and other supplies, \$56,366.60. This does not include monies paid to farmers outside of Wolfville, who bring supplies to the buildings, and probably spend some of it in Wolfville.

3. Payments to Mechanics and other workmen, \$8022.00. This does not include payments to the carpenters and regular farm laborers. These are on the monthly pay roll.

4. This monthly pay roll at present is \$9489.00. It includes the salaries of Professors and teachers and helpers in all the departments. It is not as large for every month of the year, but the total paid in this way exceeds \$80,000.00.

The above figures do not include one cent for the Gymnasium. These payments are made to the contractor, Mr. Wright. He estimates that at least \$30,000.00 of the expenditure was paid to residents of Wolfville.

To be continued.
A. COHOON

March 16th, 1921.

ACADIA NOTES

On Thursday, March 10, chapel exercises were held at Acadia for the first time since the burning of College Hall. Folding chairs have been procured and placed on the main floor of the gymnasium and there the exercises were held. The College orchestra furnished splendid music and all seemed to appreciate meeting together again. It is proposed to hold a service of this kind every Thursday for the remainder of the year.

Acadia debates this year with the University of New Brunswick in the intercollegiate series, and the debate will be held at Wolfville on or about March 23. Acadia supports the affirmative of the following resolution: "Resolved that the Excise or so called Luxury taxes and the sales taxes imposed at the last session of the Federal Parliament were justifiable legislation." The Acadia debaters are C. B. Lumsden, J. W. Lank, and W. H. Elgee. The judges selected are Dr. Seton, Principal of the Nova Scotia Technical College; President Boyle of King's College; and Professor Lyne, of Mt. Allison University.

An alarm of fire was rung in at an early hour on Sunday morning in consequence of a blaze at the home of Mr. T. R. Wallace, Highland Avenue. The fire broke out in a closet in the room of a college student and most of the contents were destroyed. Little damage was done to the building, however, as the fire was speedily extinguished.

Board of Trade

Discusses Town Management and Minas Basin Steamboat Service

The special meeting of the Wolfville Board of Trade on Monday evening at the Council Chamber, was well attended, and most encouraging to those who believe that the organization ought to fill a most important place in the life of the community. The interest evidenced in the discussion which took place gave abundant proof of a real desire on the part of those present to fully co-operate in whatever tends to contribute to the advancement of the town and its surroundings.

Several new members were added and the Board has now a membership of over forty, due to the good work which has been done by the newly appointed and active Membership Committee.

The principal business taken up was the discussion of the Town Manager proposition and the matter of Harbor Improvement and the Minas Basin Steamboat Service.

It was the general opinion so far as the latter question is concerned that what is needed is a boat of greater deck carrying capacity and drawing less water to come in to the town wharves and carry freight as well as passengers and mail to Kingsport and Parrsboro.

A committee was appointed to prepare the necessary petition setting forth the facts and send copies to the Minister of Marine and Fisheries, to the representative of the Counties of King's and Cumberland and to the Boards of Trade of towns that are interested.

A most interesting discussion took place concerning the idea of a Town Manager. Rev. Dr. MacDonald read a most encouraging and informing letter from the Mayor of the town of Woodstock, a personal friend of Dr. MacDonald, where the most satisfactory results have been secured through the appointment of a Town Manager. This was accompanied by clippings from a Woodstock paper giving most convincing proof of the efficient service gained from the new method of conducting town business. Letters were also read from the town of Pictou where equally satisfactory results have been secured. The Town Manager at the latter place is Mr. Joseph Eaton, a native of Kentville, whose services have worked wonderful reforms in Pictou.

A number of those present spoke in favor of the proposed change, and a committee was appointed to secure further information regarding the possibility of obtaining a suitable man and report at a subsequent meeting.

TUXIS ENTERTAINMENT

The Boy Scouts will canvas the Town on Saturday and Monday with tickets (programs) for the Concert to be given by their older brethren on Monday evening. Everyone is asked to give them a kindly reception and to buy as many tickets as possible, as has been done for the past ten years.

A few words regarding the plot of "Uproar Grand", the grand opera production, may not be out of place particularly as the language used may not be familiar to all and the action throughout is so swift that it may be hard to follow. Trilliando, the prima donna, is violently loved by Hiceni. Signor Bombastini resents this and causes offence to Signor Hiceni by his cutting remarks. A duel is the result. In spite of the efforts of the Signora to establish peace Bombastini is laid low by the blood-red weapon, wielded by Hiceni. The prostrate Signor is restored to life by a chance remark let fall by the fair Signora.

THE ACADIAN is glad to report that our enterprising young townsman, Mr. E. C. H. Young, proprietor of "The Palms," who has been quite seriously ill for some time, back is now much in proof.

Decay of Responsible Government

Subject of Able Address by Mr. W. C. Milner Under the Auspices of the Civic Club.

Last evening, Mr. W. C. Milner, of the Dominion Archives, discoursed before the Civic Club on the growth and decay of responsible government in this country. He traced up the development of our present representative system from the Jamestown General Assembly in 1619—the trial of Howe for libelling the Halifax Magistrates, his epistolary conflict with Lord John Russell respecting the powers wielded by the old Commons until the victory was won and political power was transferred from the representatives of the Crown to the representatives of the people. The corner stone of democratic government he declared to be no taxation without representation, a principle violated by the creation of late years of administrative commissions independent of any minister of the Crown, responsible to the people for their acts. The power commission, with Hon. Mr. Armstrong at the head, and the Lands and Mines Commission of New Brunswick, with C. W. Robinson as Chairman, were democratic, but Commissions dealing with the Public Utilities, Workmen's Compensation Boards and the Food Commission that fixed the price of sugar 21 cents to protect the refiner, he declared as infringements in the doctrine of no taxation without representation and destructive of all democratic ideals. In the same class he placed the Highway Board, which spent hundreds of thousands of dollars, for which the Minister, the Board, the Engineers, the Contractor, all disclaimed—the responsibility.

The creation of farmers' party and the Labor party, he considered was owing to the breakdown of the democratic system, which is government not by or for any class, but by, for and with the whole people.

The lecture was held in the vestry of the Methodist Church and in the absence of Dr. Wheelock, president of the Civic Club, who was detained by illness in his family, the chair was occupied by Mr. B. O. Davidson, the Vice-President.

There was not a large attendance but those who were present certainly enjoyed a treat, while those who stayed away lost a most interesting and improving address. The preparation of which must have cost the speaker a great amount of research, the result of a life-time spent in the consideration of public questions. For over an hour the speaker held the close attention of the audience.

Rev. G. W. Miller moved a hearty vote of thanks to the speaker, which was seconded by Dr. Oakes and spoken to by other gentlemen present. All expressed the pleasure and profit they had derived from the address and the hope that it might be repeated before a much larger gathering in the near future.

The Civic Club is indebted to Mr. Milner for this valuable contribution to their winter's lecture course.

SOCIAL EVENTS

On Friday evening last Mrs. Beardsley very pleasantly entertained a number of lady friends at a Thimble party.

Mrs. B. O. Davidson, Summer Street, entertained five tables of ladies and gentlemen at "Auction" on Friday evening.

The Ladies' Bridge Club was entertained on Tuesday evening by Mrs. A. C. Johnson.

Mrs. Daniel was the hostess at a very pleasant social gathering at the home of her sister, Mrs. W. C. B. Farris, on Wednesday evening.

Present conditions indicate that good roads will be in evidence much earlier than usual this spring.

FRIDAY & SATURDAY THIS WEEK RIVER'S END

Greenwich

The meetings of the Community League have been much missed this winter, but owing to the young people being occupied in other ways, some attending Acadia, others working and some following up hockey matches, it has been thought best not to have many meetings. One evening those present much enjoyed the lecture of Professor E. D. McPhee, of Acadia, on "The League of Nations." Last week an interesting lecture given by the President, Rev. Mr. Watts, was thoroughly enjoyed. This week will be Social night and it is expected will be the last meeting for this year. A good time is expected.

The death of Mr. Gustavus Bishop takes away another of our oldest residents. Mr. Bishop was almost eighty years old. He will be much missed in the community, being a kind neighbor and friend to all. The news of the death of the late Rev. E. B. Moore, a former pastor of this Church, was heard with deep regret by many in this place. His only son Dr. E. F. Moore is well remembered as a former doctor among us.

Miss Haydon, the County School Nurse, visited our school a couple of weeks ago. Miss Lila Sherman has been ill with measles. Mumps is also visiting the place, Miss Eshter Pearson being one of the latest victims. Mr. Grant Murphy is also ill with them at his home, Port Williams. Both of these young people are much missed from the Post Office. Mr. and Mrs. Lewis Forsythe have both been housed with La Grippe for several weeks. Their daughter, Mrs. Harry Stephens, with her two children, is spending several weeks with them.

The news of the arrival of the new doctor (Dr. E. H. Freeman) was gladly received in this community, it being the general opinion that he is much needed. Who will receive the first visit? A few of our residents are taking treatment and receiving benefit from Dr. Randell, Chiropractor, at Port Williams.

Miss Georgiana Belle, graduate nurse, who has been on duty at Dr. DeWitt's Hospital, Wolfville, all winter, is now stopping with her sister, Mrs. Cutler Forsythe, for a time.

Mrs. (Dr.) Bowles, formerly of Wolfville, is visiting her sister, Mrs. Byron Cox. Mr. and Mrs. Lewis Shaffner, of Middleton, recently spent the week-end at the home of Mr. T. A. Pearson.

Mr. Butcher, of Halifax, spent the past week-end with his friend, Mr. H. H. Marshall.

Mr. Burpee Bishop has been ill for several days.

Miss Ethel Fraser has been very sick for several weeks.

We are sorry to report the continued illness of Mrs. Herbert Johnson. She is much missed in social circles. Mr. and Mrs. Herman Porter, who have been living in Mr. Dexter Forsythe's new tenement house for some time, have moved to Town Plot. Mr. and Mrs. Lee Bishop, who have been boarding this winter, have rented Mr. Forsythe's house and taken possession.

Forsythe Bros., who deserve great praise for their energy in so quickly rebuilding their evaporator which was destroyed by fire in December, are now doing a rushing business and giving employment to many. They now have a fine up to date building. Miss Lillian Bishop has recently had her home wired for electric lighting.

There was a young lady named Ruth With most of the sweet charms of youth, But alas, life is hard For her beauty is marred By the loss of a single front tooth.

The industrial outlook is better in Canada than across the border, or for that matter, than in any country at the present time.

Rheumatic Pains Have Disappeared

As a Result of Treating the Trouble Through the Blood.

The chief symptom of rheumatism is pain. The most successful treatment is the one that most quickly relieves and banishes the pain. Many rheumatic people suffer pains that could be avoided by building up the blood; when rheumatism is associated with thin blood it cannot be corrected until the blood is built up.

Mr. Ed Hall, Main-a-Dieu, N. S., suffered from rheumatism for years but was more fortunate than many victims of the disease for he found a remedy that so built up his entire system that he is now free from rheumatism. Mr. Hall says: "I was taken down with rheumatism, and at times was under the treatment of several of the best doctors in Cape Breton but they held out no hope for my recovery from the trouble. I was confined to bed for three years and a helpless cripple from the trouble. I could not move, and had to be turned in sheets. My legs and fingers were drawn out of shape, and sores developed on my body as the result of my confinement to bed. I was in this serious condition when a friend advised the use of Dr. Williams' Pink Pills and I began taking them. The first benefit I felt from the pills was an increased appetite, and then I began to feel stronger, and was finally able to get out of bed and go about on crutches. I continued taking the pills for months, slowly but surely getting new strength, and finally I was able to lay the crutches aside. I will always be lame, as the result of my long stay in bed my left leg has shortened somewhat, but otherwise I am feeling fine and able to do my work as Fishery Overseer. I may add that when the rheumatism came on I weighed 140 pounds and when I began going about on crutches I only weighed 67 pounds, and now I am at normal weight. There are many here who know and can vouch for the truth of these statements."

You can get these pills through any dealer in medicine, or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

That's Different (From the Montana Farmer.) "Ethel," he whispered, "will you marry me?" "I don't know, Charlie," she replied, coyly.

"Well, when you find out," he said, rising, "send me word will you? I shall be at Mable Hick's until 10 o'clock. If I don't hear from you by then I am going to ask her." She hurried up.

Marmaduke—"Before we were married she used to say 'bye-bye,' so sweetly when I went down the steps." Montmorency—"And what does she say now?" Marmaduke—"Oh, just the same old thing, 'buy, buy.'"

Marmaduke—"Before we were married she used to say 'bye-bye,' so sweetly when I went down the steps." Montmorency—"And what does she say now?" Marmaduke—"Oh, just the same old thing, 'buy, buy.'"

Marmaduke—"Before we were married she used to say 'bye-bye,' so sweetly when I went down the steps." Montmorency—"And what does she say now?" Marmaduke—"Oh, just the same old thing, 'buy, buy.'"

Marmaduke—"Before we were married she used to say 'bye-bye,' so sweetly when I went down the steps." Montmorency—"And what does she say now?" Marmaduke—"Oh, just the same old thing, 'buy, buy.'"

Marmaduke—"Before we were married she used to say 'bye-bye,' so sweetly when I went down the steps." Montmorency—"And what does she say now?" Marmaduke—"Oh, just the same old thing, 'buy, buy.'"

Marmaduke—"Before we were married she used to say 'bye-bye,' so sweetly when I went down the steps." Montmorency—"And what does she say now?" Marmaduke—"Oh, just the same old thing, 'buy, buy.'"

Marmaduke—"Before we were married she used to say 'bye-bye,' so sweetly when I went down the steps." Montmorency—"And what does she say now?" Marmaduke—"Oh, just the same old thing, 'buy, buy.'"

HOW TO KILL A SOCIETY

Eight Rules for the Annihilation of any Organization

Though the following advice was given recently by a man in the Popular Engineer, members of our women's organizations might find it valuable too when making their programs for the coming year. Edward F. Williams says: "Here are eight ways to kill an association:

"1. Don't come to the meetings.
"2. If you do come, come late.
"3. If the weather doesn't suit you don't think of coming.
"4. If you do attend a meeting, find fault with the work of the officers and other members.
"5. Never accept an office, as it is easier to criticize than to do things.
"6. Nevertheless, get sore if you are not appointed to a committee, but if you are do not attend the committee meetings.
"7. If asked by the chairman to give your opinion regarding some important matter, tell him you have nothing to say. After the meeting tell everyone how things ought to be done.
"8. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and willingly, unselfishly use their ability to help matters along, howl that the association is run by a clique.

ASK LORD BEAVERBROOK (From the Veteran, Ottawa.) We are informed that one of the official Canadian war pictures, painted for the national memorial depicts a scene at the Second battle of Ypres. And that some of the Canadian soldiers shown on the canvas have Third or Fourth Division patches on their sleeves. How time did fly over there! Or is this a sample of "futurist" art?

EVOLUTION UP TO DATE Two little girls were amusing each other by telling stories in turn. The elder began one as follows: "There was once a little boy, and he was an awful good little boy. In fact, he was so good that he grew up to be a woman."

NOTICE The Town of Wolfville will not be responsible for any bill contracted in the name of the Town unless a requisition signed by the Supt. of Streets or Chairman of any standing committee be presented to the seller by the bearer.

By order H. Y. BISHOP, Town Clerk.

R. J. Whitten & Co. HALIFAX Receivers and Sellers of all kinds of Farm Produce.

Consignments Solicited. Prompt Returns.

Motor Trucking! Any one wishing trucking of any kind done. Apply to L. G. Baires 'Phone 137-12.

Homes Wanted! For children from 6 months to 16 years of age, boys and girls. Apply to H. STAIRS, Wolfville Agent Children's Aid Society.

SEALD TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon on Friday, the 8th April for the conveyance His Majesty's Mails, three times per week, between KINGSTON STATION POST OFFICE and LACY ROAD POST OFFICE, under a proposed contract for four years to commence at the Postmaster General's pleasure.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Offices of the terminal and route offices, and at the office of the Post Office Inspector: W. E. MACLELLAN, Post Office Inspector, Post Office Inspector's Office, Halifax, N. S., 19th February, 1921.

NEWSPAPER ADVERTISING CHEAP

(William A. Thompson, Director, Bureau of Advertising, American Newspaper Publishers' Association.)

Newspaper advertising is much the cheapest of the printed mediums per thousand of circulation. Newspaper rates, like all other commodities, have advanced somewhat in the past couple of years, but they have not advanced in anything like the same degree that the materials and producing costs of newspaper-making have increased.

To illustrate the relative cheapness of newspaper advertising, let me say that for the money necessary to buy enough post cards at a penny apiece to send just once to the 28,000,000 purchasers of the daily English language newspapers, in this country, you could buy at least a page and a half of advertising in every one of the 2042 publications. Probably there never was a time in our economic history when applied national advertising offered by the newspapers was so much needed as today. The selling costs of many national distributors are too high and the competitive condition into which we are moving threatens to increase these costs, and they must get these sales at the lowest possible figures. Increased railroad rates for transportation of all kinds must be reckoned with in sending salesmen and in shipping goods to any market. All these conditions point clearly to the wisdom of knowing your markets and cultivating business through advertising at points where it is profitable to operate.

Newspaper advertising will be used in great volume in 1921, because it offers to the manufacturer the two things which are essential today in advertising—efficiency and economy.

Foreign Basic Slag

Farmers who may be offered Foreign Basic Slag should carefully look into the question of quality and not allow themselves to be hoodwinked into thinking they are getting a better article than is actually the case. For instance the importers of this Slag talk of it as containing 17% Phosphoric Acid, or even 18%, whereas the foreign sellers offer the goods on the basis of 16 to 18% Phosphoric Acid, with a minimum guarantee of 16%, of which only 75% is Soluble. Divested of all camouflage, this means a Slag containing 12% Soluble, or in other words Available, Phosphoric Acid. Then again the guarantee of Fineness given with the Foreign Slag is only 75%, whereas the Sydney product is guaranteed 85%. This is a difference of vital consequence in getting results. Another thing that should be known to Nova Scotia Farmers is that sampling of this Foreign Slag is done at the foreign ports of shipment, and analysis is determined by foreign chemists. If any agricultural organization or individual is foolish enough to do business on such terms, why should Canadian Farmers risk their money in buying goods purchased on such ridiculous conditions? It is wise when offered Foreign Basic Slag to ask for:

- (1) Guarantee of Soluble or Available Phosphoric Acid.
- (2) Guarantee of Fineness.

and compare same with the guarantees given in connection with the Home Product. Do not allow yourself to be fooled into buying a Foreign Basic Slag simply because it is offered as a 17% or an 18% article. Investigate first, and so avoid useless regrets later.

THE ACADIAN

(Established 1883)

Published at Wolfville, N. S., every Friday by
DAVIDSON BROS., Printers and Publishers
Members of the Canadian Weekly Newspaper Association.

Subscription Rates—In British Empire, in advance, \$2.00 per week. To U. S. A. and other countries \$2.50 per year.

Advertising Rate Cards and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

Advertisers must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

Correspondence—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

Editorial Notes

The Annapolis Spectator is investigating the doings of the County Council in the matter of public printing. In last week's paper it is shown that on four items a saving of \$21.15 would have been effected to the rate-payers if the Spectator's tender, which was totally disregarded, had been accepted instead of that of the Bridgetown paper. The experience of THE ACADIAN has been the same in this County. Several years ago, after considerable agitation, we received the privilege of putting in a tender for some of the work, but the figure on our offer got miraculously raised in the mail. For many years we have not had a chance to tender and as a consequence no doubt the people of the county have paid more than was necessary for the service.

Those who have occasion to use either Main Street, Acadia Street or Linden Avenue, are agreed in voting that the money spent in paving the thoroughfares was well invested by the citizens of Wolfville. During the past week or two when roads everywhere have been in a wretched condition, travelling on these streets has been a real pleasure. It will be the same with sidewalks. When once these are constructed, we will wonder how we ever did without them and will not grudge the cost. We want sidewalks, and want them now, and citizens should not hesitate to indicate their wishes in this regard. It will be poor economy to longer defer the construction of at least the sidewalks on Main Street.

The large amount of adv. which THE ACADIAN is carrying is abundant recognition of the value of this journal as a medium through which to reach the attention of the reading public, and the number of new subscribers added to our list each week is most gratifying. We are working hard to give our readers a paper that is worth while and are very glad to note that our efforts are appreciated. It will be an incentive to us to do even better in the future.

The Wanderers won the hockey championship of Halifax when they defeated the Crescents on Wednesday night at New Glasgow by the score of 1 to 0. Antigonish defeated Stellarton last Friday night, so the Nova Scotia championship will be decided between Antigonish and the Wanderers.

There are no new developments in the Perry murder case at Yarmouth.

"THE GIRL FROM NOWHERE"

Mr. F. Stuart-Whyte who brings one of his big productions "The Girl From Nowhere" to the Opera House, is quite the best known theatrical producer in the Dominion. It is the first of his attractions to visit Wolfville, and is a gem, musically, artistically and humorously. This is one of the big musical comedies which are one hundred per cent entertainment value. With a zip and a dash that is exhilarating, the show speeds along without a draggy moment all evening. The artistic part however, is not allowed to suffer thru the speed, the wonderful color effects are there to charm the eye; the lovely music to haunt the ear, and a wealth of beautiful costumes, which will give the ladies a peep into the future regarding feminine fashions. There is a bunch of funny comedians, each of whom is a host in himself. Lots of pretty girls who can sing and dance. In fact, all the things that go to make a big success and then some. Mr. Stuart-Whyte has built up an enviable reputation for the general excellence of his productions. He has never followed the economical method of production, and the costliness of his shows has made the playing of some of the smaller towns impracticable. He has decided to bring "The Girl From Nowhere" to Wolfville in the hope that a capacity house will justify him in this experiment, so that he may be able to include this in his future Canadian tours. Mr. Stuart-Whyte has many big successes to his name including, notably, the English Pantomimes, "Alladin," "Robinson Crusoe," "Babes in the Wood," "Cinderella," "Red Ridinghood", and the Musical Comedies, "Floradora", "The Quaker Girl," "San Toy" and "The Geisha" among others. A word or two regarding the artistes in "The Girl From Nowhere" First and foremost is Miss Zara Clinton, most charming of English comedienne, daintiness and charm personified and possessing a talent for humor particularly pleasing. You'll love Zara Clinton along with thousands all over the World. Billy Oswald the principal funmaker, is a Scottish comedian of international reputation. He is funny without effort and a huge favorite in both sides of the Atlantic. J. V. Barrett-Lennard is a comedian of a different type and one of our greatest "English Johnnies", and R. Barrett-Lennard another big English favorite, lately featuring with "Bing Boys" "Houpla" and "Bubbly" and other London successes. All the smaller parts are in capable hands and the whole cast is noticeably strong. The Chorus is a specially picked parcel of peaches, youthful and beautiful. The visit of "The Girl from Nowhere" is a notable event. Don't miss it.

MARRIED

WHIDDEN-EYE—At Grand Pre, January 1st, 1921, by Reverend G. W. Whitman, Winona Barbara, daughter of Mrs. Henrietta Eye, to Howard Kinsman, youngest son of Mr. and Mrs. D. G. Whidden, both of Wolfville, N.S.

Items of Local Interest

March is giving none too gentle reminders that the hour for sounding the "all out" signal for furnaces is not arrived.

Mr. N. B. Kilcup has sold his fine property on Gaspereau Avenue to Dr. Leslie Eaton. The price paid, we understand, was \$7,000.

A new paper called the Parrsboro Record is being started in Parrsboro by the proprietor of the Springhill Record. We wish it every success.

Donald S. Hart left last week for St. John, Portland, Boston, on business connected with the taxation Branch of the Finance Department.

A record attendance is expected this year at the Boy's Camp, Aldershot. 600 boys were in camp last year, but it is expected that over 2,000 will attend this year.

In the present Nova Scotia Legislature there are 20 members, who have never been in the House of Assembly before; and of the 43 members, 22 are new for the present term.

Montreal, Toronto, Quebec and St. John have all adopted daylight saving time for the coming summer months. Nothing definite as regards Halifax has as yet been decided.

The Wolfville Baptist Church was the recipient of one thousand dollars through the beneficence of the late Dr. J. F. Tufts, a faithful and valued member and worker in the church for many years.

We understand that Dr. W. L. Archibald has rented his house on Westwood Avenue for the summer to Mr. Everett Kinsman, of Centerville, who, with Mrs. Kinsman, will take up their residence here and will later purchase a home in Wolfville.

Rev. E. S. Mason preached at the Upper Canard Baptist Church last Sunday morning and addressed the Young Women's Christian Association at the College Girls' Residence in the evening. Rev. Mr. Mason is an attractive speaker and always listened to with interest.

Miss Evelyn Duncanson was the vocalist and Miss Mona Parsons the reader at a very successful entertainment given at Middleton on Friday evening last. Both these popular young ladies received a most flattering reception. Miss Duncanson also sang on Sunday morning at the Methodist Church in the same town.

The service last Sunday evening in the Baptist Church was one of those unique and interesting gatherings under the joint auspices of the Church and University Y. M. C. A., and was addressed by Rev. J. E. Stillwell, of Toronto, Secretary of the Canadian Foreign Mission Board. Mr. Stillwell spent a number of years as a missionary in India and delivered a powerful and vivid address on mission work and opportunity, incidentally paying a glowing tribute to British administration in the Indian Empire. The music was led by a mixed choir from the College.

Mrs. R. D. G. Harris has purchased from Mr. Henry Hill, the fine property on Main Street east now occupied by him. We understand that Mrs. Harris will take possession on April 1st and is already making preparations for extensive changes in the buildings and property. It is the intention of Mrs. Harris to conduct a Convalescent Home, and will add vestibules and sun-parlors and all the equipment necessary for a complete establishment of this kind. THE ACADIAN congratulates Mrs. Harris on her enterprise, and wishes her abundant success in her venture, which will, we believe, prove a valuable addition to the town and a profitable undertaking.

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

W. C. Dexter & Co. will hold their Spring Millinery Opening on Saturday March 19th.

The regular annual meeting of the proprietors of the Grand Pre Dyke will be held at Evangeline Hall, Hortonville, on Saturday, March 26th, at 2 o'clock.

A Union Service will be held in the Baptist Church on Good Friday from 2 to 3 conducted by the ministers of the town. Addresses will be given on the Seven Words from the Cross.

The I. O. D. E. will give a Blue Bird Tea, on Saturday, the 19th inst., from 4 to 6 o'clock, at the home of Mrs. H. E. Calkin, Main St. Musical numbers rendered by some of the leading talent. All for 35 cents.

If you want to hear some real good music, go to the Presbyterian church on Sunday morning. In addition to several anthems by the choir, Mrs. Withrow will sing a solo and Mrs. Thompson will render "The Palms" on the violin.

There will be no formal Millinery Opening at Miss Saxton's this Spring—but by Monday, 21st inst., a line of Early Models will be shown and all are cordially invited to visit the new Show Room opposite The Acadian building.

BIG SLUMP IN LOBSTER PRICE

BOSTON, March 16—Lobsters for lenten dishes fairly flooded the local market today. A shipment of 200,000 pounds from Nova Scotia was brought to port by the steamer Prince Arthur and prices came down to forty cents a pound. The shipment was the largest of this early date in many years.

The Annual Convention of the United Farmers of Nova Scotia will be held in Truro next Tuesday, March 22nd.

What is happening in Russia today affords ample justification for the contention that the best people to deal with Russia are the Russians themselves. The overthrow of Bolshevism will come from within and not from without.

The total value of Canadian trade for the eleven months of the fiscal year ending February 28 was \$2,289,518,471, or \$170,059,967 greater than the grand total of trade for the same period of the previous year, which was \$2,119,458,504.

WANTED

The names and addresses of all Contractors, Carpenters, Property Owners, Real Estate Owners, together with all others interested in the prices of Building Material, Doors, Sash, Mouldings, Hardwood Flooring, Roofing, Roofing Paper, Asphalt Shingles, Mantels, Tiles, Grates, School Desks, Blackboards, etc., etc.

We will issue in the near future, a complete catalogue covering all classes of Building Material, and will be glad to send a free copy of this catalogue to everyone sending us their names and address. Please let us have this information by Postal Card or letter, mailing same to us at Amherst.

This catalogue will be one of the most complete of its kind, and to those interested in the purchase of Building Material, will prove of great value and assistance. RHODES, CURRY Limited, Amherst, N. S.

Chiropractic Health Talk

The Case of the "Babbling Baby"

(By Dr. G. J. Randell)

When Miriam Rubin, "the babbling baby" sprung into notice, as a result of the terrifying condition that caused her to talk feverishly and incessantly for 212 hours, it also brought Chiropractic to the attention of people who never knew of its power before.

Fever and uncontrollable action of the organs of speech were the symptoms of her trouble. But the cause was pressure upon spinal nerves in the neck region, pressure caused by misplaced joints, or vertebrae of the spine. For eight days the little girl talked without sleep or rest, and physicians called by the family and specialists who volunteered their services could do nothing for her, but Dr. Paul Berger, a Chiropractor, located the trouble and after the first adjustment the child fell into an exhausted sleep. In three (3) days she had stopped talking.

THE PARENTS STATEMENT

"After the first adjustment she slept for the first time during her illness. Under succeeding adjustments she continued to sleep for brief periods. Adjustments were continued for three days and at the end of three days she ceased talking and the symptoms of the malady had entirely disappeared. Her present condition is normal."

Abraham M. Rubin,
Dollie J. Rubin,
Albert McDermott, Notary Public.

BISHOP COMPANY

Port Williams

On March 7th, the Gaspereau Division (S. O. T.) was entertained by the "Lily of the Valley" Division, of Port Williams. About 75 members of the visiting Division were present, and a splendid programme was given from both sides. After the program, a hot supper was served which all seemed to enjoy.

Mrs. James Kennickell has returned home, after an absence of two months, during which time she has been visiting her brother, Mr. L. Sanford, of Brookline, Mass.

The patriotic entertainment, "The Making of Canada's Flag," given in Temperance Hall, on March 11th, by the young people of Port Williams, under the direction of Mrs. O. G. Cogswell, was a decided success. Although the roads were bad, the hall was well filled and the amount of \$25.00 was realized.

Miss Margaret Masters, of Berwick, accompanied by her friend, Miss Armstrong, of Kingston, (both students at Acadia Seminary) were guests of Mrs. G. H. Illsley (the former's aunt) on Saturday last.

Mr. J. W. Harvey left Tuesday afternoon for Halifax on a short business trip. Mrs. K. T. Hibbert, of Halifax, spent Sunday with her parents, Mr. and Mrs. Bedford Chase.

Mrs. J. K. Illsley, late of Halifax, who has been visiting Mr. and Mrs. G. H. Illsley (parents of J. K. Illsley) left last week to join her husband in the Western Provinces.

Miss Helen MacDonald, of Truro, addressed the Women's Institute of Port Williams on Thursday last, and spent the week-end with Mrs. D. S. Collins, of this place, returning home Monday.

Mr. David Sutton, and his son Durrell, have purchased the property at Starr's Point, belonging to the late Arthur C. Starr. It is rumored they take possession early this spring. This is one of the finest fruit farms in our Valley, and we wish the new owners every success which we know will be theirs.

Mr. J. O. Jess, teller at the Royal Bank, entertained about thirty of his young friends on Saturday evening. A very pleasant time was spent with music and games. The serving of light refreshments brought the enjoyable evening to a close.

NORTH GRAND PRE NOTES

Mr. Ray Welton and Mr. John Eagles spent last week-end in Halifax.

A very pleasant evening was spent last Sunday at Mrs. Vernon Gould's when the people met for a "Sing." This is to be repeated every week, at the different homes.

Mr. Fred Middleton is spending a fortnight with Mr. and Mrs. Harry Palmer, before he leaves for the West.

Buddie—"Have you stopped smoking?" Ferdie—"Yep, sworn off." Buddie—"Why?" Ferdie—"It's getting to be so darned effeminate."

SCIENTIFIC PRODUCTION OF EGGS

EDITOR'S NOTE—The following article from the Sydney Record will be of special interest to Wolfville people as the Mr. Percy Bishop referred to is a native of and well known in this town.

Electrically lighted hen coops. Continuous fresh air no matter what the temperature.

Feeding a 'summer menu' in mid-winter.

A fourteen hour day. Scientific care according to Agricultural Department reports.

And the result is:

A production of 449 eggs from 20 hens in the mid-month of winter.

Production of eggs at an actual cost of 30 cents a dozen in January when fresh eggs were selling at 90 cents and more, a dozen.

These are some of the things which are being done in the "back yard" of a city lot, by Percy Bishop of the F. W. Bishop Company.

"My hens are purely a hobby," said Mr. Bishop yesterday, "but by proper care and feeding, I have proved that they can be made to pay, and pay well."

Scientific Methods

"A hen is simply an egg-laying machine," Mr. Bishop went on, "and you have to look after her efficiently and scientifically, as you would any other machine. That is the only secret. I get my information mainly from bulletins of the government department at Ottawa. I follow the methods of feeding at egg-laying contests and any other detailed information I want, I get by writing the department."

The result is apparent in the record quoted above made during the month of January. Mr. Bishop has a flock of 20 pure bred Plymouth Rock hens.

"It pays best to keep them all of one breed," he said.

The hens are housed in three large coops, each 12 by 14 feet, and each electrically lighted.

Fourteen hour day

"The lighting counts considerably," he said, "I give my hens the full fourteen hour day of light all the year 'round, just the same as they would get in the summer. I have the switch from the coops in my bedroom. At four o'clock in the morning on goes the light. I have placed the food and water for their morning meal in the coop the night before, and the hens are up and picking for their breakfast at the same time they would be around in midsummer."

"How do you feed them?"

Summer Menu

"Well," said Mr. Bishop, "some people think it is sufficient to keep a hen laying, to go to the door of the coop and throw in a handful of grain. They seem to forget that in the summer-time when hens normally lay best, they not only get this grain, but in addition they get out and pick up grass and grit and an occasional worm for themselves. Deprive them of these extras and their winter grain food is simply enough to keep them alive. I try to keep the summer menu going all the year round. There is a pan of dry mash continually in the coops—for hens

should never be allowed to go hungry—and of course I feed them grain. Then I give them oyster shells, grit, and raw meat to take the place of the occasional summer worm. They should have plenty of water."

Plenty of Fresh Air.

Each of the three coops on Mr. Bishop's city poultry farm is open on one side. The open space is covered by a thick layer of muslin which admits air, but excludes snow and rain and breaks a heavy wind.

"The one thing hens need is plenty of air," said the owner, explaining this system. "They breathe out a great deal of moisture and on entering closed coops in winter mornings, you frequently find the walls lined with white frost and the fowls shivering with the damp cold. The open side in my coop allows the moisture to escape and keeps the humidity of the air the same outdoors. I have never had a single case of hens suffering from the cold even on the coldest morning."

"This idea is directly adapted from the reports of government experts," he added. Mr. Bishop believes if results such as he has obtained, can be had with a city lot, the poultry farmer who has room to go in for the business on a larger scale can make all kinds of money and still provide eggs at prices far below those current today.

According to present plans, the fishing schooner, Bluenose, now building at Smith and Rhuland's yards, Lunenburg, as a contender for the honor of representing Canada in the 1921 international schooner races off Halifax, will be launched on Saturday, March 26th. The vessel is now planked and decked with the deck houses up and the hatches and skylight in place. Virtually all that now remains to be done before launching is the finishing, such as interior work of the cabin and fore and aft ends. The caulking was practically all done as the vessel was being planked. About thirty men have been employed in the construction of the schooner.

Thousands of British are coming to Canada next month, the majority wanting to farm.

Grand Pre News

We are sorry to report Mrs. W. C. Trenholm quite ill at her home and hope she will have a speedy recovery.

Mrs. George Harvey spent Saturday in Kentville, visiting her daughter, Miss Kathleen, who is at the Sanatorium. We are pleased to hear that Miss Harvey is doing nicely.

Mrs. W. P. Eaton who has been ill with a severe cold, is improving.

The Community Club had their weekly meeting on March 9th and it was made very interesting by a musical entertainment.

The Hattie Jost Mission Circle met on Monday evening at the home of Rev. G. W. Whitman.

The residents of Grand Pre were saddened on Thursday, March 10th, by news of the death in Halifax of Mrs. MacLachey, a highly esteemed resident of this place, at the age of 76 years. Mrs. MacLachey was the widow of Edward MacLachey, and daughter of the late Andrew Borden, and sister of Sir Robert Borden, J. William Borden and Miss Julia Borden.

The deceased had spent her life in Grand Pre, and was a devoted wife and mother. She is survived by all her children, by whom she will be deeply mourned. The children are: Mrs. Charlotte Mrs. Charlotte Rand, Canning; Rupert E., a merchant, Boston; Arthur E., of the Post Office, Halifax; Reginald L. Customs Officer, Halifax; Harry O., Barrister, Truro; Miss Katherine O., who did such splendid service as matron of McGill Unit in France; Walter, Ottawa, and Miss Frances, at home.

The funeral, which was largely attended, was from the home in Grand Pre on Saturday afternoon, was conducted by her pastor, Rev. G. W. Miller, Wolfville, assisted by Dr. MacDonald and Rev. G. W. Whitman. The burial being at the Old Presbyterian Church Cemetery. The music was in charge of the male choir of the old Church.

Minard's Liniment for Dandruff.

Your grocer will tell you frankly that he makes less profit on Red Rose Tea than on other teas. The only object he has in recommending it is to see that you get the best quality possible.

\$50 to \$5,000 A YEAR FOR LIFE
A CANADIAN GOVERNMENT ANNUITY PROVIDES IT

- No better life investment available
- No better security obtainable
- Cannot be seized or levied upon for any cause
- Will be replaced if lost, stolen or destroyed
- Not affected by trade depression
- Free from Dominion Income Tax
- No medical examination required

Anyone over the age of 5 years resident or domiciled in Canada may purchase.
 Any two persons may purchase jointly.
 Employers may purchase for their employees—school boards for their teachers—congregations for their ministers.

Apply to your postmaster, or write, postage free, to S. T. Bestedo, Superintendent of Annuities, Ottawa, for new booklet and other information desired. State sex and age last birthday.

PALESTINE'S FUTURE

(From the Westminster Gazette.)

Sir Alfred Mond, who returned to London last night, from Palestine, in an interview with a Central News representative, described Palestine as a basket of jewels. "There are immense possibilities there," he said. "The country is in a terrible state of neglect—the legacy of the Turkish misrule. I can only describe it as a basket of jewels, or a glorious estate which has been let down by centuries of neglect. The Turks cut timber down and never troubled to afforestate. They slaughtered cattle for meat, and did not trouble to replace the slaughtered animals, and the land has been let to itself. Those areas which have been cultivated under European methods have demonstrated how productive the soil is.

Everywhere during my visit I listened to the grateful thanks of the people to the British Government. I am the bearer of a letter to Mr. Lloyd George from the Jewish Council of Jerusalem thanking him for the San Remo declaration. Capital and labor are needed today in Palestine. They are the pressing needs and will, I am sure, be met. There are huge public utility schemes under consideration, and a Government loan of several millions is to be floated for these. There will be ample security for capital and interest in the railways and the hydro-electrical works to be constructed. Sir Herbert Samuel has done a wonderful work there, and is trusted both by the Arabs and the Jewish population.

"One thing I would say, and that is to warn British traders. The Germans are making desperate efforts to recapture their old market there. Before the war they had the monopoly. British traders must be awakened to the possibilities of a great and growing trade with Palestine. The seeds must be sown now before the Germans again get the monopoly. When I came away there was a large German ship discharging a cargo of cement for works in Palestine. I want to see British traders, there, and the people want to see British goods."

FORESTS SUPPORT OUR CREDIT IN THE U. S.

Public not Appreciative of Part of Forest Products in our Export Trade

For the first nine months of 1919 paper, wood and manufactures of wood were exported from Canada to the United States to the value of \$163,941,802. The total value of exports of Canadian goods to that country for the same period amounted to \$370,246,970.

With our forests supplying over 44 per cent of the exports to offset our purchases, it is not hard to realize what position our exchange would be in but for the forests.

The depreciated value of our money hurts the patriotic pride as well as the pocket of all Canadians. Those who have occasion to visit the United States realize the additional cost to them in purchasing with Canadian money, but it is hard to make the general public realize that the forests of Canada are carrying a tremendous load as the chief support of our credit in the United States. Every effort should be made to protect our forests from fire and to provide efficient forestry management, to enable them to continue in perpetuity the large part they are taking in our foreign trade.

Advertising in a local paper is worth many times as much per unit of circulation as advertising in bulky papers of general circulation.

APPENDICITIS

Warm Water Properly Applied Prevents Operations, and Has Cured Many Advanced Cases

Hundreds of operations for Appendicitis have been avoided by the "J. B. L. Cascade," and thousands of others who have had Stomach Trouble for years have regained their health completely. Most troubles arise from poison accumulated in the Colon, which is absorbed into the system. Internal Bathing keeps the system clean, cures Constipation and the hundreds of ills which are directly traceable to it. These letters from among thousands in our possession should convince you that Internal Bathing brings positive results. Mr. James McLaughlin, 91 Evanson Street, Winnipeg, writes:

"I bought a 'J. B. L. Cascade' for the cure of a bad case of Appendicitis. My doctors told me I must have an operation at once. I had spent more than fifty dollars in doctor bills, but the Cascade completely removed in a few days every trace of soreness and pain. I eat and sleep well now, have regained my former weight, and am now in perfect health."

A Mother from R. R. No 1, Leamington Ont., writes: "About two weeks ago our eldest son took sick with cramps in the bowels. He had he could not move. Our doctor gave him hypodermic injections and ordered him to the Hospital to be operated on at once. Before doing so, however, I induced him to use the 'J. B. L. Cascade,' and in less than a week he was up and around, and has been well ever since. It also cured me of severe Headaches and Constipation. I cannot praise the Cascade enough. It is a wonderful invention."

If you have Constipation, Headaches, Appendicitis, or feel languid and not right, don't drug yourself, bath internally. The "J. B. L. Cascade" is being shown and explained at A. V. Rand, Druggist, Wolfville. Ask for booklet or write Tyrrel's Hygienic Institute, 163 College Street, Toronto.

MORE LIGHT ON THE ADAM FAMILY

(From the Boston Transcript)

Referring to the recent statement of a scientist that the Garden of Eden was located in Ohio, we are reminded of the Scotch laird who told a famous singer that Gaelic was the language of Adam.

The singer afterward spoke laughingly of the claim to another Scotchman, who remarked in all seriousness, "That laird was quite right. Dinna ye ken that the Garden of Eden was in Scotland? Dinna ye ken that Adam's name was McPherson?"

Kitty, aged four, had been naughty and her father had had to administer vigorous correction before going to business.

What an impression had been made was apparent when, on his return from business in the evening, Kitty called upstairs with frigid politeness: "Mother, your husband's home."

ACADIA GRADUATE

Wins Fellowship at Yale University.

Announcement is made that Donald D. Foster, B. Sc., youngest son of Mr. and Mrs. D. E. Foster, of West Torbrook, Annapolis County, has been awarded the Loomis fellowship in physics at Yale University, New Haven, Conn. This fellowship, which is worth about \$600, was awarded to Mr. Foster as the result of a competitive examination in physics in which there were three candidates. Mr. Foster is a graduate of Acadia College, having taken his science degree there last June, when 20 years of age. He began his studies at Yale last fall for the Ph. D. degree, specializing in physics.

The Loomis fellowship in physics was established in 1902 by Professor Francis E. Loomis by the gift of ten thousand dollars. The fellowship is open to recent graduates of Yale College and the Sheffield Scientific School of Yale University and to graduates of other institutions who have spent at least one year in the study of physics in the graduate school of Yale University.

It is granted to the candidate who passes the best competitive examination in physics (descriptive, mathematical and laboratory practice). The holder must be a candidate for the degree of Doctor of Philosophy and must make physics his chief study.

The first Acadia man to win the Loomis fellowship was Mr. Foster's elder brother, J. Stuart Foster, B. Sc., (Acadia 1911), who was awarded the coveted honor two years ago.

THE LATEST FAD

(From the Ottawa Citizen)

Now the girls are going around with the top clasp of their overshoes unhitched, and getting away with it as the latest fad. We wonder what would happen if mere man attempted some of these things, such, for instance, as eliminating his necktie so as to reveal the large Woolworth diamond stud-hitching his collar to his shirt, or wearing one trouser rolled half way up to the knee and showing the skin you love to touch. Chances are about 100 to 1 wife would order him back to the barn to be dressed before he got half a start out of the house.

THE MAN WHO COUNTS

(From the Albany Journal)

It is a mistaken idea that only the man whose name appears in print frequently is the man who counts. Some of the biggest things that have been accomplished have been made possible by the assistance and knowledge of the quiet, unassuming man who has been content to do his work to the best of his ability and allow others to get the credit. There are many men who are compensated by knowing that they did their best. They are not of the spectacular type, they are just good, substantial citizens who hoe their row and produce results. There has been a marked tendency recently toward self-exploitation and personal advertising. There is no doubt that some have profited by it temporarily. In the long run it is unwise to advertise oneself as being exceptional, for the time always arrives when a test is made which reveals the fact. While the trend has been toward this method of getting to the front, every now and then something happens to separate the real from the fictitious individual whose fall is never anything but a question of time.

CO-OPERATE

If you would boost the game along—

Co-operate!

Even though your plans go wrong—

Co-operate!

If perchance the other man

Wants to work as per his plan

Work his way—you surely can—

Co-operate!

There's just one way to advertise;

Co-operate!

Don't take time to criticize;

Co-operate!

When things go the other way

After you have had your say—

If you're in the game to stay—

Co-operate!

Let's make success our common aim—

Co-operate!

Let's be sports and play the game!

Co-operate!

If someone gives you a slap,

Laugh it off—don't give a rap—

Boost the game all over the map!

Co-operate!

Personal Paragraphs

Mrs. Ernest Eagles had as her guest over the week end her niece, Miss Dorothy Curry, of Windsor.

Miss Emma Dickie, of Kingsport, spent the week-end visiting her friend, Miss Alice Baird.

Mrs. George Anderson went to Halifax yesterday to spend some days with relatives in that city, her former home.

Mrs. E. C. Hall, of Bridgetown, who has been the guest of Mrs. (Capt.) Beardsley, returned home on Tuesday morning.

Mr. and Mrs. H. W. Phinney who have been spending the winter in the West Indies, returned to their Wolfville home on Tuesday of this week, having enjoyed a very pleasant trip.

Miss Jean Pratt is home from the Framingham, Mass., hospital where she is taking a course, to spend a few weeks at the home of her parents, Capt. and Mrs. John Pratt.

Mrs. R. K. Hennigar and little son Bernard, who have been visiting the former's parents, Mr. and Mrs. N. I. Countway, at Chester Basin, have returned to their home on Wolfville Ridge.

Miss Mary Bagnall has returned to her home at Hazel Grove, P. I. E. after a very pleasant visit among friends in Lawrence town and Wolfville. During her stay in town she was the guest of Mrs. Warren, Central Avenue.

CRICKETERS ATTEND

To the Editor of THE ACADIAN:

Dear Sir—May I announce that the annual meeting of the Wolfville Cricket Club will be held on Easter Monday, March 28th, for election of officers and other business, including the formation of a League. All members of the Club and those interested in the good old game are cordially invited. Hour and place of meeting will be announced later.

R. F. DIXON,

President of Wolfville Cricket Club.

Those who expected that the inauguration of the new President on March 4th would mark a distinct turn of the tide and a speedy return to normal business conditions in the United States, have been, as they were bound to be, disappointed. No great change has been witnessed up to date, and a turn to normal conditions appears to be not yet at hand. But in the present state of world-wide topsy-turvydom, no appreciable change could reasonably have been expected in so short an interval.

AVONPORT NEWS

Mrs. Geo. Brooks spent the week end in Wolfville, guest of her daughter, Mrs. Maude Abbott.

The Sewing Circle met on Wednesday evening of last week at the home of Mrs. Geo. Huntley, where a very pleasant time was spent. Before the workers left for their homes, Mrs. Huntley served a very dainty lunch, which was enjoyed greatly by all present.

Mrs. Roxie Holmes spent a few days of last week in Kentville, guest of her aunt, Mrs. Griffin.

Dr. B. C. Borden, of Sackville, N. B., who has been spending a week at his farm here, has returned home.

Mrs. A. W. Lockhart was in Windsor on Friday last attending the funeral of her cousin Frank Caldwell, who was accidentally killed in the quarry at Wentworth.

Dr. A. J. Fuller, of Yarmouth, spent the week-end in Avonport, guest of his mother Mrs. David Fuller.

A "Shower" was given Miss Roxie Holmes by her girl friends, at her home on Tuesday evening of last week. Many pretty gifts were received and a pleasant evening enjoyed. The wedding takes place shortly. Miss Holmes will be much missed here as she is making her home in the far west.

BASKETBALL NOTES

The Acadia basketball team went down to defeat last Friday evening before the Dalhousie boys, at the Acadia gymnasium. The score was 27 to 14. Although neither team played good basketball, the visitors showed superior team work.

The Acadia girls went to Halifax on Friday and on Saturday played a game of basketball with the Dalhousie girls. This game also resulted in a win for Dalhousie, the score being 29 to 8. The game was played in the gymnasium of the Halifax Ladies' College which did not conform to the proper standards and thus hampered the Acadia girls. A return game will be played here on Monday night when the Acadia girls expect to turn the tables on their opponents.

On Monday evening the Seniors defeated the Sophomores in the interclass basketball series.

The Acadia girls lost to the Mt. Allison girls at Sackville last night by the score of 22 to 13. Physical Director C. B. Russell and Mrs. Russell accompanied the team which is expected home to-night.

Minard's Liniment for sale everywhere

WOLFVILLE'S NEW STORE

In another place in this paper appears the announcement of a new business establishment in Wolfville, Bishop Co., which opens next Wednesday, in the store in Bleakney's Building, formerly occupied by McConnell & Westcott. Mr. Frank Bishop, the manager, has had long experience in the gentleman's furnishing business in Wolfville and elsewhere, and many old friends are congratulating him on the bright prospects which face his new venture. During the past few weeks the store has been thoroughly renovated put in up-to-date condition and presents a fine, modern appearance. The new firm will carry a full line of boots and shoes and men's goods and THE ACADIAN predicts for them a share of public patronage. Read their adv. in this paper and drop in and look the new establishment over.

Hon. E. N. Rhodes has been made a member of the Canadian Privy Council. The conferring of this honor upon the Speaker of the House of Commons will not add to his duties, but it makes him "Honorable" for life, as the Speaker is an Honorable only during his term of office.

AUCTION!

EASTER SPECIALS

Georgettes

For the Easter Balls we are showing a large range of colors including French Blue, Silver, Green, Sand, Electric Blue, Black, White, etc.

SPECIAL: 20 yards of Purple and Wine at \$1.75 per yard.

NINON in colors Rose, White and Lavender to clear at 95 cents per yd.

Voiles and Gingham

Have you seen our New Spring Voiles and Gingham? Hardly know which will delight you most the patterns or the price—both so attractive.

25 yards Black Chifon at 70 cents per yard.

A wide open policy that says "Money back if you can do better" means that prices must be right.

They are, prices on our entire Spring stock are based on current replacement costs unless the goods cost us less than today's quotation, in which case prices are based on just what we paid. In short our friends in buying their spring outfits today get the benefit of all the reduction the wholesale market affords.

A fortune awaits the inventor of the non-knee-bagging trousers. So far there is just one known way to prevent trousers from bagging and that is to stand still while wearing them.

Our perennial suggestion is an extra pair of trousers with every suit. Worn on alternate days both pairs will remain shapely and the suit gives better service, for a well made coat usually wears equal to two pairs of trousers.

We are always able to supply extra trousers to match suits from our large selections of "Made to order" materials.

Genuine Glove Sale

25 prs. Cape Skin reduced to \$1.90.

20 prs. White Kid, reg. \$2.75 to clear \$1.50.

Odd sizes of Grey & Fawn Swede to clear at 98 cents.

15 prs. Doeskin White with Black stitching Special 98 cents.

25 prs. Tan Kid at \$2.25.

50 prs. Black Kid with white stitching, Special \$1.90

We also have a full range of Chamis, abric and Heavy Silk Gloves.

Kindly give us the opportunity of quoting you on
