DEAR

YOURS IS RECEIVED.

We will be pleased to have you act as Agent for our great work,

WOMAN, as Wife and Mother.

BY PYE HENRY CHAVASSE, M. D.,

Fellow of the Royal College of Surgeons of England; Fellow of the Obstetrical Society of London. Formerly President of Queen's College Medicosurgical Society, Birmingham, Etc., Etc.

It is with the greatest confidence that we offer this work to the American people. Universally recommended by the medical faculty and leading journals of both Europe and America, we cannot but feel assured that its circulation will be a great benefit to the mothers of America.

That the subjects treated in this work are of the most vital importance, no one can deny.

“For life is not to live, but to be well.”

Agents often find it difficult to interest people in a general medical work, but as the subjects discussed in this work, come within the actual experience of every Maiden, Wife, and Mother, all are conscious of their ignorance of these topics and have an earnest desire to obtain the information here furnished.

It is a pure book. It treats of delicate subjects and discusses them plainly. Yet no word or sentence is used to which the purest mind will object, and you will meet with greatest encouragement and make the most numerous sales among the very best class of citizens.

The price is so very low that all will be eager to purchase and the agent will more than double his profits on numbers sold, over any ordinary book. You cannot fail to see that this work must sell rapidly, and thus offer extra inducements to canvassers.

We are desirous of appointing agents in every city, town and township in the country, and we offer the most liberal inducements to those who engage with us.

Obtaining subscribers for good books, is a business which does the people more good than almost any other pursuit that is followed; for he who puts a valuable book into a family, confers a benefit that will last for years. Besides being honorable and useful, it is the *best paying* business without risk, that can be adopted. Every dollar invested yields you by our very liberal terms to Agents 66 $\frac{2}{3}$ per cent. profit, *absolutely without risk*; for, the subscribers are all obtained before the Books are ordered, and the agent knows exactly where he is going to get his money back, with the profits above specified.

We are willing to send Agents the necessary out-fit free of all expense, but, that we may not be imposed upon by persons who would send for them simply because they could obtain them for nothing, we are compelled in all cases, to require a deposit of \$2.00, when application is made for the out-fit, as an earnest of your intention to canvass, which amount we will refund when you order the first box of 20 or more books, or as soon as smaller orders amount to that number.

The out-fit consisting of a complete copy of the work, and order-book for subscribers names, with instructions teaching you how to proceed successfully in the business, descriptive circulars, &c., will be sent you per mail, or express, (prepaid,) on receipt of \$2.00 (to be refunded with your first order for 20 or more books,) and territory assigned you to canvass, which may be of your own selection.

The book is printed from plain new type, on fine calendered paper, made expressly for this work, comprised in one large 12 mo volume, of over 800 pages, and will be furnished to subscribers and agents, in neat and substantial binding, at the following rates:

Price to Agents \$1.50 each

1871, Chavasse.

We allot each Agent certain specified territory in which no other Agent is allowed to canvass.

Agents have the full benefit of our advertising, by means of which the merits of our publications are kept constantly before the people.

By engaging in this business, you will educate yourself in that knowledge of the country and of men and things, which is acquired only by traveling and observation—and which is recognized by all as essential to every business man or woman.

If you can act as Agent for us, please signify your willingness at your EARLIEST POSSIBLE CONVENIENCE. If unable to do so, please oblige us by handing this to some Farmer's Son, Minister, Teacher, Physician, Student, or any intelligent person of your acquaintance, whom you can recommend for the business, and by so doing, you may assist a friend to a lucrative employment. *The very low price at which this work is sold, brings it within the reach of all classes.*

THOSE APPLYING IMMEDIATELY, WITH REMITTANCES, WILL SECURE A CHOICE OF TERRITORY.

Please say where you wish to begin to canvass, naming the county in which you live, and the parts of the County you wish to canvass first, and give your Post Office Address in full in every letter. Also, your nearest Express Office, and say where or in what paper you saw the advertisement that induced you to send for this circular.

Hoping to hear from you soon, we remain yours very truly,

J. Spencer,
