That the several amendments to the Canons from No. 7 to No. 29 inclusive, made at the last Session of the Synod and set out in the Journal of that Synod from page 884 to 897 inclusive, be confirmed; and that the Canons with the various Acts of Parliament affecting ecclesiastical rights in this Province, and forms of grants and trusts for Church purposes be printed with an index, under the direction of the Chancellor and the Clerical and Lay Secretaries.—*Carried.*

The Rev. R. Lewis moved, seconded by J. Dumbrill—

That as the Bishop of this Diocese, on account of delicate health, is unable to attend to the duties of his office as effectually as he could wish, it is desirable that a Coadjutor Bishop should at once be appointed, and that in electing him the Synod shall be guided by the Canon on the Election of Bishops, save only that the Coadjutor when elected shall not be obliged to resign his parish, and this Synod pledges itself to pay all travelling expenses of said Coadjutor incurred in the performance of his duty within the Diocese. And that so soon as the Bishop has given security that he will provide and pay a Curate for the clergyman elected (provided he has not one already), this Synod shall proceed to elect a Coadjutor. Moved, in amendment, by the Rev. J. Stannage, seconded by the Rev. H. Mulkins—

That the Lord Bishop be requested to permit a Coadjutor Bishop to be elected with jurisdiction for life over a portion of the Diocese, as agreed between the two Bishops, and that should the rector, or incumbent of a parish, be chosen, he shall not be required to resign his incumbency, but he shall be provided by this Synod with the stipend for a Curate, and the parishes requiring his services shall pay his travelling expenses, unless the Archdeacon be elected, whose salary as Archdeacon may be considered sufficient for his travelling expenses, and with the understanding that the Coadjutor shall become Bishop of Ontario at the next Avoidance of the See.—*Lost.*

W. B. Simpson moved, in amendment, seconded by the Rev. C. Forest—

That inasmuch as it does not appear that the Lord Bishop of this Diocese is unable efficiently to discharge his Episcopal functions, this Synod is of opinion that it is inexpedient at present to proceed to the election of a Coadjutor or assistant Bishop.—*Carried.*

It was moved by the Rev. R. Lewis, seconded by the Rev. Dr. Boswell—

That the salary of each and every paid official of this Synod shall be fixed by the same, and that no committee shall have power to add to or diminish from it.—*Carried.*

The Rev. R. Lewis moved, seconded by the Rev. J. Stannage—

That the salary of the Clerical Secretary be increased \$200 to meet the loss he will sustain by the passage of the last resolution.

Moved, in amendment, by Dr. Henderson, seconded by J. Twigg—

That the question of the amount of salary to be paid to the Clerical Secretary having arisen, it be referred to a Committee, to Report to this House at its Evening Session the amount he should receive, and the mode in which the payment should be distributed over the different funds.—*Carried.*

The Bishop appointed, as the Committee, the Rev. Dr. Boswell, Dr. Henderson, W. B. Simpson, and R. Lyon.

The Synod adjourned at 6 P.M.

*Evening Session.*

The Synod re-assembled at 8 P.M.

The Rev. R. Lewis moved, seconded by the Rev. C. P. Emery—

That the Bishop be requested to appoint annually a preacher in every County in this Diocese, whose duty it shall be to preach the four annual sermons in every parish or mission of his County where the Incumbent of a parish or mission requests his services and provides by exchange or otherwise for the Sunday services of the preacher.—  
*Withdrawn.*

The Archdeacon moved, seconded by W. Spragge—

That sub-section 2, of section 5, of Canon XVI, be amended as follows :—

Resident clergymen, for whom the parish guarantees to the Board to make up the Missionary's stipend to the amount of \$800 per annum, shall, in the discretion of the Board, receive aid to the extent of not more than the sums allotted to the respective classes into which they may be ranked, and in the event of the Mission failing to make the stipulated payment within three months of the expiration of the year, that the Board shall recommend to the Bishop that the clergyman be withdrawn. Nevertheless it shall be optional for any Clergyman appointed to a Mission to decline the security of a guarantee and elect to look to his congregation or congregations alone for his support in addition to the grant given by the Mission Board.

That the Missions be divided into the five following classes, which will receive a sum not exceeding the sum respectively specified in each class—  
Class No. 1, \$100; Class No. 2, \$150; Class No. 3, \$200; Class No. 4 \$250; Class No. 5, \$300.

That there be appointed by the Mission Board, at its first meeting, a standing sub-committee, consisting of three clergymen and three laymen, to be called the Classification Committee, which shall meet previous to the meeting of the Mission Board in the month of May, to classify the Missions for the ensuing year, and report thereon to the Mission Board.

To meet cases of emergency the Board may, in their discretion, grant aid to any amount not exceeding \$100 per annum, provided always that

Moved, in amendment, by the Rev. F. L. Stephenson, seconded by the Rev. Dr. Jones—

That the Missions of this Diocese, which are in receipt of aid from the Mission Board, shall be divided into three classes—viz:—

Class 1. The salaries of whose Missionaries shall not be less than \$800 per annum.

Class 2. The salaries of whose Missionaries shall not be less than \$700 per annum.

Class 3. The salaries of whose Missionaries shall not be less than \$600 per annum.

Each Mission shall be required to pay its Missionary a reasonable portion of his salary; the Mission Board, if its funds permit, making good the balance.

In order to the efficient working of this Canon an official shall be appointed by the Bishop, whose duty it shall be to visit the different Missions, and after due enquiry and consultation with the different vestry meetings to classify each Mission, and to report to the Board what portion of the Missionary's salary each Mission ought to contribute.

That the Mission Board shall grant aid only in accordance with said report.

That the remuneration of said official be two dollars a day and expenses while thus actually engaged, to be paid by the Mission in which he is engaged; but in case any Mission should fail to pay, then by the Mission Board, which shall make it a charge against the Mission neglecting to pay, and no grant shall be made to such Mission until such debt be refunded with interest by said Mission.

That it shall be the duty of said official to visit any Mission when required by the Bishop to do so.—*Lost.*

The Archdeacon's motion was then put and carried.

The motion of the Rev. F. L. Stephenson, relative to the printing reports of Committees, stands over as unfinished business.

R. V. Rogers withdrew, with the consent of the House, his motion relative to the sale of Rectory Lands, and substituted the following:—

That the question as to the necessity and advisability of making certain alterations in Cap. 16 of 29 Vic. (on the sale of Rectory Lands), be referred to a Committee.—*Carried.*

The Bishop appointed as such Committee, the Archdeacon, the Chancellor, R. T. Walkem, W. B. Simpson, and R. V. Rogers.

It was moved by the Rev. J. W. Burke, seconded by the Rev. J. A. Preston—

That this Synod, recognising the great duty of aiding in the extension of Christ's Kingdom throughout the world, and deeply sensible of the debt of gratitude due to the Venerable Society for the Propagation of the Gospel, for the generous assistance for so many years past granted to the Missions of this Diocese, wishes to avail itself of the privilege of contributing to the Funds of the Society. It is therefore resolved hereby that per cent of all Funds annually collected for the support of Missions in this Diocese, and also per cent of the interest arising from the Sustentation Fund in this Diocese be forwarded by the Secretary of this Synod to the Society for the Propagation of the Gospel as a Thank Offering to Almighty God, and as a small token of grateful acknowledgment to the Society to whose fostering care the Church in this Diocese is so deeply indebted.

That this Synod respectfully requests the Lord Bishop of the Diocese to convey to the Venerable Society for the Propagation of the Gospel in Foreign Parts, on behalf of the Members of this Synod, their most grateful appreciation of the very great kindness and liberality of the Venerable Society towards this Diocese since its organization ten years ago, and further to state that having now, by the Divine blessing, acquired a position which will enable the Diocese to provide for its own Missionary operations, they beg leave most respectfully to decline any further aid for the support of Missions after the present year.

That in order to manifest more practically their grateful sense of the long continued benevolence of the Venerable Society and to aid in its glorious work of evangelizing distant nations, and affording assistance to more destitute portions of the Lord's vineyard, his Lordship the Bishop of the Diocese be respectfully requested to name some Sunday on which a special collection shall be made in aid of the funds of the Venerable Society, to be given as a thank offering to Almighty God, and to afford also an opportunity for the Members of the Church in this Diocese, to bear a part in the great work of Foreign Missions.

Mr. Burke withdrew his motion in favour of the amendment.

The amendment was put and lost.

Moved, in amendment, by the Rev. J. Stannage, seconded by W. Shea,

It was moved by Rev. R. Lewis—

That on the next avoidance of the See of Ontario, the Parishes situated west of the Brockville and Ottawa Railway shall form a separate Diocese;

and the Episcopal fund, no matter whence derived, shall be equally divided between the two Dioceses. Moved by J. Twigg, seconded by the Archdeacon—

That a Committee be appointed to confer with similar Committees to be appointed by the Synods of the Dioceses of Toronto and Huron, to petition the Legislature of the Province of Ontario to pass an Act to regulate the Temporalities of the Church of England in this Province; said Act to be founded on the Canon passed by the Provincial Synod of this Province. ### ANNUAL REPORT OF THE MISSION BOARD

JUNE, 1872.

“It is God that giveth the increase,” and your Board desire gratefully to acknowledge that the experience of the past year testifies that Almighty God, the giver of every good and of every perfect gift, has been graciously pleased to grant a continued increase to the funds of the Mission Board. It was indeed most reasonable to expect that such would be the case. The cause is the cause of God, of Christ and of his holy Church, and He who has promised to be with His Church, even unto the end of the world, might well be expected to bless the exertions of his faithful people for the advancement of his holy cause. Moreover the general prosperity of our country, and especially of the farming community, might well justify the expectation that our people would appreciate God's goodness towards them and would gratefully testify it by contributing more cheerfully and liberally than heretofore to the funds of an organization, whose highest end and aim is to promote the creature's good and the Creator's glory. And blessed be God, these, our most reasonable anticipations, have been abundantly confirmed. The work of the Lord is gradually advancing amongst us. The Reports of the several Conveners of Deputations testify that the Lord's arm is not shortened, but that He is still blessing the good work and causing it to prosper in his hands. These reports are generally of an encouraging character.

#### REPORTS OF CONVENERs OF DEPUTATIONS.

The impatience sometimes manifested in former years by the reading of so many reports has suggested that a brief abstract, presenting the more salient points might be more suitable for this occasion, while the reports themselves might be published in extenso in the Journal of Synod as heretofore. Thus with reference to Deputation No. One, the

Rev. W. Lewin, the Convener, reports that at Napanee a large and successful meeting was held, and an interesting feature of the meeting was the presentation of the Sunday School collections for the Mission Fund, amounting to the large sum of \$21.30. Two successful meetings were held in the promising Mission of Tamworth, where the debt on the Church has, by the energy of the Missionary, the Rev. Mr. Nimmo, been reduced during the past year, from \$1,600 to \$900. Three large meetings held at Odessa, Murvale and Sydenham testified to the unflagging zeal of the Missionary, the Rev. A. O'Loughlin. An awakened zeal on behalf of Church Missions was apparent in the Mission of Barriefield and Birmingham. Though the meeting in the Cathedral Church of St. George, Kingston, was not as largely attended as might have been reasonably anticipated, still the collection was in excess of last year's to the amount of \$5.22. Fifteen stations in all were visited; 375 miles travelled, and \$209.46 collected at the meetings.

Deputation No. 2.—Rev. J. Carroll, Convener.

Deputation No. 2 consisted of the Rev. K. L. Jones, C. H. Mockridge, and myself. The Rev. K. L. Jones was, however, unable to go out with the Deputation.

Our earlier meetings, I regret to state, were not attended with that degree of success which we were led to expect from the published reports of previous meetings. The cause has been attributed to the short notice given to the parishes at the head of the list. On this account the meeting appointed for Christ Church, Belleville, the first of the series, was postponed, at the request of the Incumbent, and that at Trenton was not so well attended as formerly.

Meetings were held at the following parishes and stations:—Trenton, Connecon, St. Paul's Mission, Carrying Place, Union School House, Gerron Gore, Hillier, Wellington, Milford, Picton, Marysburgh, Adolphustown, Fredericksburgh, Amherst Island, Bath, St. James's, Kingston; Portsmouth, and Christ Church, Belleville.

The meetings with few exceptions were well attended. At Carrying Place, Gerrow Gore, Hillier, Fredericksburgh, and Bath, the attendance was very large. At Picton it did not come up to its usual numbers, owing to its being held on Saturday evening. At Trenton, Carrying Place, and Picton we had the valuable assistance of lay brethren. We held seventeen meetings, and addressed about 2,000 people.

The amount collected was \$213.67.

Deputation No 3.

The Rev. W. Bleasdel, Convener of No. 3, states that his colleagues, the Revs. S. Tighe and J. G. Low, attended every meeting, while the Lay

element was very worthily and efficiently represented by Stephen Young, Esq., of Trenton, who accompanied them almost through their whole course, and rendered them very valuable assistance. The amount collected at their various meetings was \$126.24, being an increase of \$12.55. A very interesting meeting was held at Mill Bridge or Jordan, on the Hastings Road, where the members of the Church heard with great satisfaction of the initiatory movements in the Synod of the Diocese for a Mission Institute or House, with such missionary agencies emanating from it as would in a great measure meet the spiritual destitution as regards Church privileges of those great free grant roads and their adjoining townships in the far northern parts of the Diocese. The success of some of the meetings was materially lessened by storms. The adjourned meeting at Thomasburg was well attended.

#### Deputation No. 4.

The Rev. J. J. Bogert, Convener of Deputation No. 4, reports that in conjunction with the Revs. J. K. McMorine and A. Fisher, he held Missionary Meetings at Balderson's, Lanark, Rokeby, St. Stephens, Perth, Pike Falls, Montague, Smith's Falls, South Elmsley, New Boyne, Portland, Newboro', Leeds Rear, Lansdown Rear, Delta and Frankville. With one or two exceptions the attendance was good, and the amount collected, \$204.84, was nearly 20 per cent in excess of that of last year.

#### Deputation No. 5.

In consequence of the illness of the Convener and other members of Deputation No. 5, the Rev. C. E. Cartwright was its sole representative. His report is of a very encouraging character, and he received very efficient help at various places from Rev. Messrs. White, Merritt, Beaven, Irwin, Auston, Mulvany, and McMorine. At Franktown they had a hearty service and good music, the increase of the collection was also about 25 per cent over that of the previous year. At Almonte it exceeded by 40 per cent the collection of the previous year, and the handsome Church was crowded. So also were the Churches at Innisville and Carleton Place. At Clayton, likewise, notwithstanding unfavorable weather, there was a large congregation. At the third line of Fitzroy the collection was nearly four times that of the preceding year. An attentive audience in the pretty Church at Fitzroy Harbor, and another at the 9th Concession of Fitzroy responded liberally to the appeals made to them. The Convener concludes his report by bearing testimony to the good effect produced by commencing Missionary Meetings with the Evening Service of the Church, placing them on their proper footing as a religious duty.

## Deputation No. 6.

The Rev. Mr. Anderson states that at all the stations visited, much interest appeared to be taken in the mission work of the Church, and the offerings made were all in excess of former years, except at Ottawa. His Excellency Lord Lisgar, who presided, made his usual annual offering. But one Mission, that of Osgoode, contributed to the Sunday School Mission Fund. This special offering does not appear to meet with the approval of the Clergy generally. It is to be hoped, however, that as its main object is to teach our children to give and to take interest in the cause, the Synod will adopt some course to induce all the Sunday Schools in the Diocese to unite in this good work. The stations visited were 16, and the amount collected, \$361.03.

## Deputation No. 7.

The Convener of No. 7, the Rev. Mr. Preston, was assisted by the Rev. Messrs. Burke and Loueks, who were everywhere warmly welcomed, and all appeared to manifest that interest in the good cause which is increasing year by year in this Diocese. A pleasing incident occurred in the Parish of Williamsburg, where an aged member of the Church (who has since entered into his rest), in a prophetic spirit, anticipating that he might never have another opportunity, sent a \$20 gold piece as an offering to the Missionary cause. Special mention is made in this report of the progress of the good work in the Mission of Hawkesbury, where the collection of \$28 was seven-fold that of the preceding year. The Convener takes the opportunity of alluding particularly to the subject of Sunday School offerings. At Prescott, Iroquois, Moulinette and Kemptville such offerings were made. At Iroquois the children formed a procession, and headed by one of their number carrying a banner and singing a suitable hymn, advanced and made their offering and then retired singing the concluding verses of the hymn. At Kemptville, which is favourably known as having taken the lead in this good work, Mr. Leslie, the able Superintendent of the School stood surrounded by his pupils, two of whom, representing the respective sexes, presented their offerings amounting to the large sum of \$32.50. At Moulinette and Osnabruck childrens' offerings were presented by children for this laudable object. The Convener also mentions as an example worthy of imitation that at Cornwall and at Kemptville the Deputation was ably assisted by effective speeches from Lay Brethren, Judge Jarvis and Dr. Pringle at the former, and Mr. Leslie at the latter place, having delivered eloquent and appropriate addresses. The total amount collected by this Deputation was \$393.59.

## Deputation No. 8.

On behalf of Deputation No. 8, the Rev. E. H. M. Baker states that in almost every Mission there was an increase upon the collections of previous

years; thus Burritt's Rapids, North Augusta, St. James, New Dublin Lyn, South Lake, and St. Paul's, Kingston, gave a slight advance upon the preceding year; Merrickville, considerably more; Laasdowne Front, double; St. Luke's, Yonge, more than double; while to Gananoque belongs the distinction of having trebled its offertory of the previous year, and of having given the largest sum of all, viz., \$62.87. Maitland also deserves notice for its having twice doubled its collections of previous years. In 1870 the collection was \$19; in 1871 it was \$21; and in 1872 it gave \$41, being the most liberal offering, taking means and members into account, of any received by the Deputation. The Sunday School children of Merrickville, North Augusta, Maitland, Gananoque, and St. Paul's, Kingston, had held the Sunday School Mission Fund, would that we could say *Missionary*, in remembrance, and their united offerings amounted to \$60.75. Great stress in these Parishes was laid upon the necessity of doing something immediately with the funds on hand in order to ensure a continuance of the interest taken by the children in this good work.

#### Deputation No. 9.

The concluding Report is from the Rev. G. W. White, who states that he and the Rev. Mr. Cooke commenced their work at Arnprior and ended it at Pembroke. The total of their collections was \$69.59, a small advance upon last year. He considers, however, that the chief value of the Deputation work in the County of Renfrew consists in the opportunity of impressing upon the minds of the people the duty of giving, and in the information obtained for the more effective working of the *Missionary* portion of this Diocese. He urges most strongly the employment of a *Travelling Missionary*. He emphatically enforces the duty of greater *Missionary* exertions in that remote field, where, in consequence of railroad enterprise the County is being opened up, and the population greatly increasing. Now is the time for the Church to occupy the field lest there be a repetition of the sad history of neglect and loss, which must ever sadden us as we think of what the condition of the Church is, and of what it might have been in many of our older Counties. A *Travelling Missionary* should also visit the lumber shanties in the winter and give occasional services to the scattered settlements springing up on the Government Roads.

In the opinion of the Board the foregoing Reports may well justify it in thanking God for the past, and in hoping well for the future. Only let the members of the Church discharge their duty faithfully and with earnest prayer for the Divine blessing, and we may not doubt but that God will be graciously pleased to grant the increase.

In compliance with the Recommendation of Synod on page 901, the Board has duly considered the important subject of the classification of Missions. A sub-Committee of the Board, consisting of the Archdeacon, the Rev. Jas. A. Preston and Rev. G. W. White. W. B. Simpson, F. McAnmany, and S. Keefer were appointed to consider the question and to report to the Board, which they accordingly did, and their Report having been approved by the Board, it is now submitted as a part of this Report.

## CLASSIFICATION OF MISSIONS.

The sub-Committee on the Classification of Missions beg leave to submit to the Board the following Report:—

The Classification in many respects has been made with reference to the fact that, even if adopted, it would not come into practical effect until confirmed by the Synod of 1873.

It is recommended therefore that the Missions be divided into the five following classes, to receive not more than the sums therein respectively classified.

## CLASS I, \$100.

The sub-Committee suggest that the Mission of Lanark should be divided, or else an associate Missionary be employed, in which case they would recommend that Lanark be put in class IV, and the northern division in class V.

## SUMMARY OF EXPENDITURE ON THE ABOVE SCALE.

\$7750, or \$150 less than the present expenditure for Missions; and the sub-Committee would strongly recommend the appointment of two or more Travelling Missionaries.

Should the plan of the classification submitted be acted on, it is further recommended that a Standing Committee be appointed by the Mission Board to be called arrangement or classification Committee, which shall meet in each and every year in the first week in May, to classify the Missions for the following year.

All which is respectfully submitted.

HY. PATTON, Chairman.

May 2nd, 1872.

In connection with this subject it is proposed to submit to Synod a resolution for the appointment of a Classification Committee who shall continue from time to time to revise the lists just reported, as may be deemed advisable.

The Board desire again to draw attention to the small stipends of the Missionaries of the Board. The stipends which might have been deemed in some degree adequate twenty years ago, are now utterly inadequate to the respectable maintenance of a Clergyman. It may be safely stated that owing to the altered circumstances of the country, and the increased expenses of living, the sum of \$800 now is scarcely equal to the \$600 of 20 years ago; and certainly our congregations generally are far better able to pay \$800 now than they were 20 years ago to pay \$600. The Board would again, therefore, strongly reiterate the recommendation of last year's Report, that the salaries of the Missionaries should in no case be less than \$800. The Sunday School Mission Fund now amounts to \$594.01, and the Board would enlarge upon this subject but for the knowledge that it will by other means be brought prominently before the Synod during its present Session. A separate account has been opened for this fund.

But little alteration has occurred in the position of the Sustentation Fund since the last Report. It has, however, gradually increased by the

accumulation of interest until it now amounts to \$23,144.15; the annual interest of which, say \$1,388, at an average of 6 per cent, will tend to swell the amount. It is to be hoped also that so important a fund will occasionally at least receive bequests from the more wealthy members of our communion.

Thirty-six parishes had not up to April 1st made their returns to the Secretary. There is, however, some allowance to be made, as the fiscal year closes earlier than formerly, of which many of the parishes may not have been aware.

It is, however, greatly to be regretted that any negligence in this respect should occur, as it prevents the Board from making a full and complete return of the state of the Mission Fund.

The receipts on account of the Mission Fund for the fiscal year as far as received are—

The receipts seem less this year than last, owing to the fact that the grant of the S.P.G. is less by \$600 than it was last year, and the Advent Collection was less by \$567.30 than the Special collection of the preceding year, which was largely increased on account of the appeal on behalf of the parishes that suffered from the Ottawa fires, but the actual ordinary collections are in excess of last year.

The Committee of the Book and Tract Fund beg leave to Report, that in pursuance of their duties under the Canon for the management of this Fund, they have during the past year exercised a general superintendence over the Depository under the immediate care of the Rev. T. Bousfield.

On a comparison of the Audited Report, appended hereto, with that presented at the last Synod, it will be seen that the returns for sales exhibit a falling off. This is, in part, accounted for by the fact above mentioned, and also by the circumstance that during the previous year two Synods had been held, on which occasions a large amount of sales takes place.

At the same time your Committee regret that the Clergy and other members of the Church in the Diocese do not, more largely, avail themselves of the opportunities afforded by the Depository for the purchasing of books both for their own and for their parochial and Sunday School Libraries. An increased business would enable the Committee entrusted with the management of the Institution to hold in hand an enlarged stock

Your Committee feel justified in pledging their successors in office to endeavour that the Books held in the Depository for sale shall be offered at the same prices at which they may be obtained elsewhere.

A step towards establishing Branch Depositories has been taken by issuing to the clergy at a considerable discount for cash, certain kinds of stock likely to find a ready sale; and they feel that this plan, if entered upon more fully, would be of much service, especially in the more remote portions of the Diocese.

Your Committee deem it their duty to inform the Synod that, under the powers conferred upon them by the Church, they have increased the percentage allowance on sales made to the manager from 10 to 12½ per cent. As the usefulness of sound and wholesome literature is widely recognized in the present day, your Committee would venture to hope that the members of the Church in this Diocese will, more largely than before, bestow their patronage on an institution which stands in immediate connection with the organization of their Diocese.

All of which is respectfully submitted.

REPORT OF COMMITTEE ON MISSION HOUSES AND INCREASE OF THE MINISTRY.

The Committee appointed by the Synod of the Diocese of Ontario at its 10th Session, and to which were referred the resolutions of the Revs. W. Bleasdel, and K. L. Jones, on the establishment of Mission Houses and the increase of the Ministry, beg leave to report that it is highly desirable that a Mission House or Mission Houses should be established in this Diocese with the following objects:—

1st. To supply the ministrations of the Church in those parts of the Diocese where they are most needed.

2. To be a school for the practical training of young men for the ministry.

They think that a farm of at least 100 acres would be required, on which, if there were not suitable buildings, such might be erected as they were needed.

They would recommend that the Mission House be placed in charge of a Priest; and for his assistants—Priests, Deacons, and Lay Readers.

The Priest in charge would direct all matters in connection with the Mission House; superintend the studies, and assign the work of the young men placed under him; and establish and maintain the supervision of congregations within the bounds of the Mission.

They would recommend that young men should serve at the Mission House not less than three years, and there should be—

- 1st. Students, to be Lay Readers, receiving board and tuition.
- 2nd. Students, Deacons, receiving board, clothing, and tuition.
- 3rd. Priests, Associates, receiving board and stipend.

The farm in connection with the Mission House would require an experienced farmer, whose wife could be housekeeper for the Mission House; and the Students should render such assistance on the farm as the Priest in charge should assign them.

The amount required for farm and buildings might be raised by special subscription, aided by grants from the Venerable S. P. C. K., S. P. G., and other Societies.

The Mission House would depend for support upon—

- 1st. The produce of the farm.
- 2nd. Grant from Mission Board.
- 3rd. Offerings of congregations within the Mission.
- 4th. Offerings from Churchmen within the Diocese and elsewhere.

#### INCREASE OF THE MINISTRY.

With regard to the increase of the Ministry your Committee think that the establishment of Mission Houses would greatly add to the supply of parochial Clergy—in men whose labours in the Mission Fields of the Diocese had given them much necessary experience; and the great success which the "Society for the Increase of the Ministry" in the United States has met, affords ground for expecting that a similar one in Canada would, with God's blessing, be successful likewise. The objects of such a Society would be to secure candidates for Holy Orders, and to provide

Your Committee venture to suggest that a Society formed with these objects might have an Annual Sermon preached, circulate tracts, etc., explanatory of its objects; and be greatly helped by the Clergy seeking out Lay-helpers who might become candidates for Holy Orders, &c.

The funds might be derived from subscriptions, donations, offerings, and bequests, and proceeds of an offertory after Annual Sermon (perhaps on Thanksgiving Day.)

Your Committee feel, however, that so important a matter needs more time than they have been able to devote to it, and would therefore simply beg of the Synod the approval of the principle of the formation of a Society for the increase of the Ministry; and that this part of the Report be then referred back to the Committee for further steps to that end.

All which is respectfully submitted.

T. BOUSFIELD, Chairman.

REPORT OF COMMITTEE TO WHOM WAS REFERRED THE MEMORIAL FROM HAWKESBURY, NAPANEE, AND AMHERST ISLAND.

The Committee to whom was referred the Memorials from the Incumbent and Churchwardens of the Church of the Holy Trinity, Hawkesbury, and from the Rector and Churchwardens of the Church of St. Mary Magdalene, at Napanee, and from the Incumbent and Churchwardens of St. James' Church, Amherst Island, beg to report.

They recommend that the prayer of the Memorial of the Incumbent and Churchwardens of the Church of the Holy Trinity, Hawkesbury, be granted, and that liberty be given them to sell the present parsonage lot, and apply the proceeds towards the erection of a parsonage house in the more suitable locality nearer the Church, and it is recommended that the Lord Bishop do execute to the purchaser of the present parsonage land the necessary deed.

With respect to the Memorial from the Rector of Napanee, your Committee recommend that, upon the transfer of the parsonage plot in the Memorial mentioned to the Incorporated Synod, the Incorporated Synod do sell and convey the said land, and, under the direction of the Rector of Napanee and the Churchwardens, apply the proceeds of the sale to the same purpose as under the original Trust, and that His Lordship the Bishop of the Diocese do, on behalf of this Synod, execute the necessary deeds to the purchaser.

That as to the Memorial of the Incumbent and Churchwardens of St. James' Church, Amherst Island, the Bishop be authorized to lease the land in question on such terms as may be approved of by the Executive Committee.

All which is respectfully submitted.

Chairman.

### AUDITORS' REPORT.

We, the Auditors appointed to examine the accounts of the Treasurer and Secretary of the Synod of Ontario for the year ending the 30th day of April last, have the honour to present the following report of our labours :—

We have examined the Securities belonging to the various funds under the control of the Synod.

Those belonging to the Clergy Trust Fund were ascertained by us to be in the possession of the Treasurer, with the exception of the London Debentures mentioned in the last Auditors' Report. These securities appear by the vouchers produced to us to be still in the hands of the City Bank of London for convenience in the collection of the interest accruing due upon them.

The total amount of the permanent Clergy Trust securities, not including interest, is the sum of \$271,482.

We have also examined the securities held by the Synod in trust for the undermentioned funds, and have found that they were all in the pos-

The Assessment and Widows' and Orphans' Fund accounts were, at the above date, overdrawn—the former to the extent of \$562.10, the latter to the extent of \$292.10.

We found that the various fund balances in the bank books agreed with those in the books of the Treasurer and Clerical Secretary with the exception of the Rectory Lands' and Mission Funds.

The Bank balance of the Rectory Lands' Fund exceeds that in the Secretary's books by \$233.19, the amount of a cheque which has been issued by the Secretary, but had not been presented at the Bank.

The Bank balance of the Mission Fund exceeds that in the Secretary's books by the sum of \$100, owing to the fact that two cheques for \$50 each had not been presented at the Bank for payment when the account was balanced, and for a similar reason the Bank balance of the Divinity Students' Fund exceeds the Secretary's balance by the amount of an outstanding cheque for \$33.33.

We have examined the Clerical Secretary's books of account, and on this occasion have dispensed with the assistance usually given by a skilled

accountant. The payments were all regularly vouched by cheques, and in other respects the accounts seem to be correct.

There are two points, however, to which we feel it our duty to invite the attention of the Synod, they are these :—

The system of acknowledging the receipt of moneys so as to provide a proper check, is not satisfactory.

The system of Book-keeping imposed upon the Clerical Secretary is unnecessarily complicated, and instead of checking errors is calculated to produce them. We allude more particularly to the system of journalizing which is unnecessary in keeping the Synod accounts, composed, as they are, exclusively of cash transactions. The managers of the two leading banks in the city informed us that the banks have adopted a simple system which is quite sufficient even for the complicated transactions of such institutions, and has been found much superior to the old-fashioned system.

In justice to the Clerical Secretary we must say that he is not responsible for the introduction of the present cumbrous mode of book-keeping.

We hope that these important points will, during the present session of Synod, receive serious consideration.

All which is respectfully submitted.

RICHARD T. WALKEM,  
SAMUEL MUCKLESTON.

## REPORT OF THE CLERGY TRUST COMMITTEE.

The anticipations of the last year's Report, with regard to an increased surplus of income above expenditure, have been in a great degree realized, and the Board is now enabled to state, with some degree of certainty, that the next annual Report will show not only that there will be the necessary surplus of \$1,000 before a distribution of surplus can take place, but that there will be on the 30th of April next an additional surplus of \$750, so that in all probability the Committee will be enabled to recommend, at the Committee Meeting in September next, that the senior claimant should be placed upon the list as a recipient of \$400 per annum according to the Canon for the distribution of the surplus. Moreover, as the Debentures of the City of Hamilton and Town of St. Thomas will increase their annual income by the sum of \$585 from the 1st of April, 1874, there is no reason apparent to your Board why, at that date, if not before, two more clergymen should not be placed upon the list.

Since the last Annual Report a number of investments have been made, as the Treasurer's Report will show, so that we are no longer obliged to record, as was done last year, that the sum of \$14,000 was only yielding 4 per cent on deposit notes. The Secretary's Report to your Chairman shows that \$4,000 only remains to be invested.

The Treasurer's Report up to the 1st inst., is as follows :—

The Treasurer begs to submit the following statements :—

Statement of receipts and payments on account of the Clergy Trust Fund for the year ending 30th April 1872, with separate list of Cheques paid Commuted Clergy.

R. M. MOORE, Treasurer.

Some of the statements alluded to in this Report will, as in former years, appear in the Appendix to the Journal of Synod, as they are too long and embrace too many particulars to be read here, such are—1st, The statement of the receipts and expenditures for the year ending April 30th, 1872, with the several lists of cheques paid to the commuted Clergy; 2nd, List of Securities held by the Fund on April 30th, 1872, showing also the annual income derived therefrom; and 3rd, the certified balances of the Accountant in the Bank of Montreal. These statements are all examined and verified by your own Auditors. But for a fuller account of these reports of the Treasurer, members of Synod are referred to last year's Report, pp. 932 and 933.

The last quarterly list of annuitants as furnished by the Secretary and dated 31st March, is as follows:—

It becomes the painful duty of the Committee to record that since the last Annual Report it has pleased Almighty God to remove from the scene of his earthly labors the Rev. John Grier, M.A., one of the oldest Missionaries of this Diocese, and who departed this life November 23, 1871. His widow has received the usual allowance of six months pay of the salary received by her husband from this fund.

All which is respectfully submitted.

HY. PATTON,  
Chairman.

 meeting, how-

ever, in May last, applications for aid were received from Mr. R. W. Garrett and C. V. F. Bliss, and the former received a grant of \$100 and the latter \$150 per annum for three years, from the date of their Matriculation at some Church University in this Dominion; and a fourth grant will probably be made at the next meeting of the Committee, so that one or two additional grants will exhaust the resources of the Fund, the annual income from all sources being little over \$600.

Mr. C. R. Lee having relinquished the idea of presenting himself for Ordination, has refunded the sum of \$200, being the amount granted him while at Trinity College; and the Rev. H. Bevis has also refunded the sum of \$30, he having left the Diocese shortly after his Ordination.

The investments for this Fund amount to but \$3,323.34, yielding an average interest of \$200 per annum.

The annual collections average say \$400.

In concluding their Report, the Committee would earnestly urge upon the Church in this Diocese the great necessity for increased liberality in the contributions to this Fund.

All which is respectfully submitted.

E. H. M. BAKER,  
 Chairman.

### REPORT OF AMELIASBURGH ENDOWMENT FUND.

To the Synod of the Diocese of Ontario—

We, the Trustees of the Ameliasburgh Endowment Fund, beg leave to report that we have submitted the question of the loss of capital sustained by the said Fund, before the transfer thereof from the Diocese of Toronto to the Diocese of Ontario, to the Hon. Lewis Wallbridge, and have obtained his opinion thereupon, which opinion is that the Diocese of Toronto is responsible for said loss.

We also beg leave to report that the capital of the said Fund is now \$4,000, and that, under the present management, said capital will produce an annual salary of \$250, payable quarterly to the Incumbent.

### REPORT OF COMMITTEE ON THE MEMORIAL OF St. JOHN'S CHURCH, RICHMOND.

The Committee to whom was referred the Memorial of the Incumbent and Churchwardens of St. John's Church, Richmond, beg to Report—

That they recommend the prayer of the Memorial, and that the remaining and unsold portion of the north part of lot number nine, in the twelfth Concession of the Township of Goulborn, about 46 acres, be sold; and that the proceeds be applied as desired by the Memorial.

Further that the Lord Bishop of the Diocese be authorized to execute on behalf of the Synod the necessary deed.

All which is respectfully submitted.

Chairman.

### REPORT OF FINANCE COMMITTEE.

The Finance Committee beg leave to report that, not having had sufficient time to consider their Report for the present year, very great objection has been made to the present system, or rather want of system, in properly assessing the parishes and missions; that your Committee believe that an equitable system may be devised if they are permitted to continue their labors until next meeting of Synod; that in the meantime the Assessment for 1872 be voted for the present year, it being understood that any parish which has overpaid the Assessment which the Committee shall think just, it shall be refunded to such parish.
