tario show that the fall wheat has been winter-killed to a considerable extent shows a further reduction in the conditio of winter wheat in several of the States.

The Cold Dip. During the recent cold weather here I had three fingers frozen. We had some Hagyard's Yellow Oil in the house and I tried it with good results. Wm. Macklain, Montreal, P. Q.

The London Times says the Sugar Con rence has agreed on a protocol providing r the abolition of the sugar bounties. A Lucky Escape Mrs. Cyrus Kilborne, of Beamsville, Ont., had what was thought to be a cancer in her nose, and was about to submit to a

cancer doctor's operation when she tried Burdock Blood Bitters, which effected a radical cure, This medicine cures all blood diseases, By explosions of natural gas in Buffalo on Thursday last St. Paul's Cathedral was

ishment damaged. She Speaks From Experience. Miss Edith Fox, of Amherstburg, Ont., had a severe case of Quinsy. She writes: "I tried the doctor's medicine, but got no relief. I was told to try Hagyard's Pectoral Balsam. After taking two doses I got relief, and when I had taken three parts of the bottle, I was completely cured."

Tenders for the completion of the Rec River Valley railroad will be called for in a few days, and it is hoped to have the road finished by July 1st.

A Cure For Deafness. There have been many remarkable cures of deafness made by the use of Hagyard's Yellow Oil, the great household remedy for all Pain, Inflammation and Soreness. Yellow Oil cures Rheumatism, Sore Throat and Croup, and is useful internally externally for all pains and injuries.

to a deputation of members of Parliamen a plan formulated by the Government fo

Corsumption Canthe Cured By proper, healthful exercise, and the judicious use of Scott's Emulsion of Cod judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which con-tains the healing and strength-giving vir-tues of these two valuable specifics in their fullest form. Dr. D. D. McDonald, Petit-codiac, N. B., says: "I have been prescrib-ing Scott's Emulsion with good results. It is especially useful in persons with con-sumptive tendencies." Put up in 50c, and \$1 size.

The Synod of Toronto and Kingston on Thursday last substituted a modified d.claration in favor of Prohibition for the mitteefon Temperance.

The U. S. Senate has removed the in junction of secrecy from the committee reports and debate in the Fishery Treaty, though the public will not be permi to hear the discussion.

"Now I guess I've got it," said he confidently trying the bolt again. male native of the soil. Again it refused to open. "Look here, old man," said the robber, "You're trying Shenaneigan on

us. Now I'll just give you five minutes to open that safe or get your brains scattered over it," and he held a Lynch-well, if that ain't a good one. watch-my watch-in his hand to Why, mister, the Lynch family an'-"For God's sake, gentlemen," said

the poor postmaster, with great beads step-dad's father was once first cousing of perspiration breaking out on his an'--" forehead, "you wouldn't murder a man because the combination of his safe is out of order. I'm doing the best I can. ain't you?" Give me a little time.'

With feverish care he began going If you know Jake Lynch, say so." through the combination again, while I almost held my breath for fear he Jake Lynch's birthday and my brother should miss it. And he did miss it. The safe refused to open. The robber threw his rifle to his shoulder. We heard the ominous click of the hammer and the wretched storekeeper fell on

his knees in abject supplication. "Gentlemen, for the love of God, don't kill me in cold blood ! The combination won't work. I've tried to

coyot" replied the robber. "You've Jake Lynch's father an' my father—" got a minute and a half more to live !" In an agony of fear the old man begged and prayed and protested, with a fervor knew Jake Lynch." that left no doubt in my mind of his sincerity, and he had tried and could not open the safe.

The suspense and dread became painful and I could hear my heart beat with anxiety lest the robbers refused "And of course you know him?" with anxiety lest the robbers refused to believe him and kill the poor old man in cold blood. In the midst of Lynch, when the very hoss he rid here his supplications he appeared suddenly to think of a plan to convince them that he told the truth. Taking out on that he told the truth. Taking out an old leather pocket-book he offered it to "That will do. I see that you do." the leader, saying :

"There, sir! The combination's on the page jest as the man't at sold me the safe wrote it. Try it yourself or read it to me and you can see that I follow

I breathed more freely as the man

lowered his rifle, took the book and stood beside old Hensley saying : "Three turns to the left to 118. One and one half turns to the right

Turn to the left till you reach 84 and shoot the bolt." Still the bolt did not shoot, and the

old man renewed his prayer, until, with a volley of curses, the leader flung Mrs. Torrance McNish, of Smith's Falls, the old pocket-book down, muttered that he had half a mind to cut the old akinflint's throat anyhow, hastened to after the best medical aid had failed.

Children Cry for Pitcher's Castoria.

the door. A moment afterwards we heard their herses galloping down the

A long drawn sigh of relief sounded in chorus; the deacon picked up his lank limbs from the floor and began brushing the dust from his knees. The loungers put their hands back into their pockets and looked blankly

"Deacon," said I, "That old safe of yours nearly cost you your life. Did it "Yas," said he, "Once before, I tried

to open it and couldn't." "I should get it fixed at once." pu dan that used to carry the mail and ex-in Finch. "Its a risky think to fool

"Just then a man came in one of the gambling fraternity-and said: "Deaas every one is and always will be who put in the safe this morning."

To my astonishment the old man seized the combination, twirled it carelessly around, shot back the bolt, and street in most such burgs), upon which opened the refractory safe as if to deall the saloons and the blacksmith shop combination in the pocket-book that

"No," said the Deacon dryly, "That's the one I keep for robbers!"

One murning in Wilkesbarre there was a great colliery explosion. Huntheir corpses lay at the mouth of the Sitting at the mouth, by a pale corpse, 'Oh that I had spoken fair to him at

Just behind him stood an office safe | the end!' she mouned. 'Oh that he with the ordinary combination—the could come to life one minute, that I learned, the repository of money and ing will help me now. Oh I could bear
