FREDERICTON.

FREDERICTON, N. B., Dec. 15, 1882.
I take pleasure in certifying that I have sold Dr. Watson's Balaam of the Wild Cherry for thirty years, and know it to be one of the oldest as well as the most reliable preparations in the market for the cure of COUGHS, COLDS and THROAT and LUNGS COMPLAINTS. I know of no article that gives greater satisfaction to those who use it, and do not hesitate to recommend it.

Having sold PERUVIAN SYRUP since its first introduction, and knowing that its use has been attended with great success in cases of DYSPEPSIA, GENERAL DEBILITY OF THE SYSTEM, and diseases originating in a bad state of the blood, I am satisfied that it is a remedy of great power, and deserves the attention of invalids.

Both articles have given very general satisfaction to my customers, and are esteemed as household remedies. Owing to the uniform character of these articles they have maintained their hold upon the public here for many years without any puffing or extra advertising.
