

The Free Press - Star

The Want Ads that tell the facts, give the most complete description, are the ones that bring the most replies.

Good automobiles may be purchased very cheaply this year. This very day many high grade used cars are advertised in the Want Ad columns of The Times-Star.

VOL. XX., No. 269

ST. JOHN, N. B., FRIDAY, AUGUST 15, 1924

TWELVE PAGES—ONE CENT

N. B. Fire Losses are Cut Nearly \$125,000 for First Half of 1924

DAVES PLAN TO FIGHT DOWN TONIGHT

26 FEWER FIRES IN THE PROVINCE JANUARY TO JUNE

Money Loss Totaled \$1,023,893; Last Year It Was \$1,145,000.

53 IN ST. JOHN CO. Of 275 Blazes in N. B. Not One Was Reported From Sunbury.

A decrease of 26 in the number of fires, exclusive of brush fires, and a drop of nearly \$125,000 in the losses for the first half of 1924 as compared with 1923 is shown in the report of Fire Marshal H. H. McLellan for the six months ended June 30, just issued.

The losses reported for the six months of this year amount to \$1,023,893, of which \$485,896 was in the first quarter and \$537,997, in the second quarter. For 1923 the losses were \$1,145,677, of which \$425,925 was in the first quarter and \$719,752 in the second quarter, making a decrease of \$121,784 for the six months period.

The number of fires in the six months of 1924 was 529, of which 254 were in the first quarter and 275 in the second quarter. For 1923 the number was 555, of which 258 were in the first quarter and 297 in the second, making a net decrease of 26 in the six months.

Fires by Counties. The quarterly report of the board shows that of the 275 fires reported for this quarter, 63 were in St. John county, 51 in Westmorland county, 29 each in York and Charlotte counties, 22 in Gloucester county, 21 in Northumberland county, 19 in Kings county, 16 in Carleton county, 9 in Victoria county, 8 in Restigouche county, 6 each in Queens and Kent counties, 5 in Madawaska county and 2 in Albert county. Sunbury county was the banner one for the quarter, not a single fire being reported.

TAKES GLOOMY VIEW OF RACE'S FUTURE

Harvard Professor Says American People Are Speeding to Destruction.

Toronto, Aug. 15.—Eugenics has faded to the place of a "science fiction" in the popular imagination. It is all its upholders paint such a sad picture of the future of the race that it is hard to believe that any sane man would take it seriously. A psychologist of Harvard University, speaking last night at a special meeting of the British Eugenics Educational Society here.

"As I watch the American people speed daily, with invincible optimism down the path that leads to destruction, I seem to be watching one of the greatest tragedies of history," exclaimed Prof. McDougall. In the speaker's opinion the condition of the U. S. is desperate if the bulk of the people cannot be brought to the situation which the nation is in owing to disregard of methods of maintaining and improving its stock. These methods, according to Prof. McDougall, are birth control, protective immigration, and wages graded according to family size.

Nor did the speaker confine his pessimism to the new world. Claiming that conditions in the United Kingdom were as bad or worse he said: "I fear very seriously that when, 200 years hence, the list is made up of the great nations whose decline was due to the deterioration of the human race which composed them—nations such as Persia in the past—I fear that the name of a nation which we all love and admire, will have to be added to that list, I refer to England."

Living Cost Is Worrying Austria

Vienna, Aug. 15.—The cost of living in Austria increased six per cent during the month ending today, according to official statistics. The increase is causing grave anxiety, since it is impossible for industry and commerce to make a proportionate increase in wages in view of the serious economic crisis through which they are passing.

Woman's Strange Death Is Puzzle

Springfield, Aug. 15.—Police officials are investigating the mysterious poisoning and death of Mrs. Serafino Susko, 35, who came to Springfield Hospital two days ago with a peculiar skin eruption that caused her skin to peel from her limbs and her tongue was also badly swollen. The indications being that she was the victim of strong lye applied to parts of her body and that she also had arsenic in her system.

FINAL LIQUOR VOTE COUNT ANNOUNCED

Majority in Saskatchewan Are Against Prohibition Law by 38,956.

Regina, Aug. 15.—Official Government returns from the liquor plebiscite July 16, issued yesterday, show a majority of 38,956 against prohibition, while the majority in favor of straight government control was 7,886. Analysis of the figures gives the following results: For prohibition, 80,281. Against prohibition, 119,287. Majority against prohibition, 38,956. For Government control, 89,011. For control and beer license, 81,125. Majority for Government control, 7,886.

BRITISH ARMEN AID TRIBESMEN

Severe Tribal Fighting in the Trans-Jordan Region is Reported.

London, Aug. 15.—According to Central News dispatches there has been severe tribal fighting in the Trans-Jordan region. The fighting has been reported to have broken out in the region of the Beni Sakr tribe and that there were heavy casualties. Afterwards the British army was reported to have dropped bombs on the raiding party.

CUTS HOURS OFF OCEAN RECORD

Mauretania Makes Cherbourg-New York Trip in 5 Days 3 Hours, 20 Minutes.

New York, Aug. 15.—All records for the Cherbourg-New York passage were shattered with the Mauretania's arrival at quarantine late yesterday. Her time for crossing was five days, three hours and 20 minutes. Her best day's run was 642 miles, and her average speed was 23.69 knots an hour.

Wire Briefs

Moncton, N. B., Aug. 15.—Fire today destroyed a barn owned by Alvin Marks on Lewis street. The loss is about \$800 with no insurance.

Rio Janeiro, Aug. 15.—The commander of the Brazilian Federal forces operating in the northern part of Parana State reports that district free of rebels.

Managua, Nicaragua, Aug. 15.—The Nicaraguan Government is sending more troops to the Honduran frontier, strengthening its garrison, due to the rebellion in Honduras and the consequent political unrest.

Toronto, Aug. 15.—Vice-Admiral Sir Frederick Field, commander of the special squadron of the British navy on its world-encircling tour, will spend three days in Toronto and will open the Canadian National Exhibition.

Regina, Aug. 15.—Following the recent liquor plebiscite it is understood here that application is to be made to the Dominion Government for license to erect a brewery in Regina, worth \$250,000.

Saskatoon, Sask., Aug. 15.—When four six-horse teams attached to farm implement ran away on the Sheldon farm, 10 miles west of Hanley, Wednesday, George Alexander, 43, was killed and Joseph Rempel sustained a broken leg. Six discs passed over Alexander's body.

London, Aug. 15.—The Spanish Embassy, dealing with the situation in Morocco, declares the present fighting is confined to the western Tangier section and denies that the Spanish army has met with a reverse.

FACING FIGHT OVER TREATY WITH RUSSIAN SOVIET

British Government to be Stoutly Opposed When Commons Meets.

FACT IS SCORED

Head of Large Financial Institution Denounces Document as Bedlamite.

By H. N. MOORE (British United Press, Wireless). London, Aug. 15.—The Labor Government will face its hardest fight of its existence when the proposed treaty with the Russian Soviet Government comes up before the reassembled House of Commons. Opposition to the terms of the treaty is stiffening throughout the country. Financial interests are practically unanimous in their opposition. Sir George Alexander Touche, head of the Touche banking and chartered accountancy firm in London, Montreal, Toronto, Winnipeg and Vancouver, has issued a statement denouncing the treaty as a bedlamite document. He says: "The treaty is a sham, a farce, a subterfuge, a foot-the-public ramp. The treaty interferes with the crown's prerogative and ignores the British dominions. It violates the Government's own previous declarations."

THERE'S STRIKE ON AT COVENT GARDEN

Porters' Move Makes Londoners Suffer From Shortage of Vegetables.

By H. N. MOORE (British United Press, Wireless). London, Aug. 15.—London is suffering from a severe shortage of vegetables owing to a strike of porters at Covent Garden. It is a curious sight these days to see taxicab and private motor cars leaving the markets loaded with boxes and onions for restaurants and private homes amid the jeers and howls of the strikers. Strong pickets are on duty at the markets, preventing the delivery of produce of this kind.

PLAN MURDER OF BOY COMPANION

California Lads Under Arrest, Pattern Plot After Chicago Crime.

Anahem, Cal., Aug. 15.—(United Press)—Influenced by events of the murder of Robert Franks in Chicago, three youths are arrested here for plotting to murder a nine year old boy. The police say they have confessed.

According to the plans confessed the three youths, who range in age from 11 to 15 years old, had selected Joseph Messner as their victim. Three youths were sent to the family of the youth.

The Messner family paid no attention to the first two notes, but the third one, addressed to the boy, read: "We will kill you with a dagger." The family notified the police. A few days later the three youths were arrested as they stood in front of the Messner home. They were throwing rocks at the front.

The police here feel certain that the boys intended to kill their young friend. Because of the ages of the three youths, the police are withholding their names.

Evicted Carfare, Man Fined \$105

Worcester, Mass., Aug. 15.—If Hugh McKenzie of 18 Portland street had paid his 10-cent carfare, he would have been in \$103. For in district court he was fined \$5 for "hocking" a ride on a trolley, and \$100 for having obscene pictures on his person, which Patrolman John J. Trump found upon him when he was booked at the police station. McKenzie is 26 years old.

Maine Motorcyclist Killed in Collision

Lewiston, Aug. 15.—Vernon L. Allen, 34, of Rumford, was fatally injured Sunday afternoon, when his motorcycle collided with an automobile in which his son and his mother were riding. Allen sustained a fractured skull, dying shortly after being brought to a local hospital.

Booze, In Ambulance, Gets Right-of-Way

Middleton, Conn., Aug. 15.—Booze runners hit upon a clever scheme when they loaded a load of contraband from New Haven over the State road through here in an ambulance. There was a red cross on the ambulance and the driver kept the gong clanging as evidence that someone was in "distress." State police were following him up traffic on the highway bridge over the Connecticut for the ambulance to be unobstructed upon its errand of "mercy." Later state policemen learned what the contents of the ambulance was and gave chase, but the ambulance hid in an old quarry in Portland for several hours and then proceeded on its mission of "relief."

WANT HARRY THAW TO GIVE EVIDENCE

Woman Suing His Sister in Alienation Suit Files Petition.

New York, Aug. 15.—Summoning of Harry K. Thaw as a witness in her \$800,000 alienation suit against the Countess De Perigny was asked in the Supreme Court by Mrs. Madeline Modica. Mrs. Modica sought to show that the Countess, the former Margaret Thaw, sister of Harry K. Thaw, was a party to the shooting of Mrs. Modica's husband, on a visit to a sanitarium in Pennsylvania, where Thaw, Mr. and Mrs. Jeffrey G. Whitney of Boston, the superintendent and chauffeur at the Whitney estate near Woods Hole, Mass., and B. G. Gifford, postmaster there, Mrs. Whitney is a sister of the Countess.

WHISKEY - SARDINE SMUGGLERS FINED

Bangor, Me., Aug. 15.—Consuming only two minutes and a half, the final disposition of the famous Eastport whiskey-sardine smuggling case was made in the United States District Court when the four men involved each paid a fine of \$4,000. Judge Peters called the case at 12:40 o'clock, and the court adjourned two and a half minutes later.

The respondents were: Harry F. Burpee and Charles A. Haycock of Eastport, and Hugh Cleveland, O. T. and J. Plunkett of Cleveland, O. They were given the alternative of paying the heavy fine or of spending 1922 and a day at the federal prison in Atlanta, Ga.

The men were arraigned last March, the trial having been broken through by the influenza epidemic. The trial was resumed today. The men withdrew their pleas of not guilty.

Assistant District Attorney Kenneth J. Conroy, who represented the Government, E. P. Murray, Esq., was present on behalf of the four men.

ADMIRAL RETIRES; SERVED 47 YEARS

Sir John De Robeck May Succeed Jellicoe as New Zealand Governor.

(Canadian Press Cable). London, Aug. 15.—Admiral Sir John De Robeck, who has been Commander-in-Chief of the Atlantic fleet since 1922 and was commander of the Mediterranean fleet from 1919 to 1922, and later High Commissioner at Constantinople, strikes his flag on the battleship Queen Elizabeth today. He thus concludes 47 years of distinguished sea and service.

It is possible that Sir John will succeed Viscount Jellicoe as Governor-General of New Zealand. Viscount Jellicoe has said Harry the day he leaves New Zealand will be the saddest in his life. He is retiring soon.

Admiral Sir John De Robeck was in command of the naval forces on the straits of Dardanelles, when the expeditionary force was being landed in 1915 and mentioned in dispatches at the time.

Admiral Sir John Michael De Robeck is 62 years of age. He was created a baronet in 1919. He is the second son of the fourth Baron De Robeck of Governor-General, New Zealand. He entered the Royal Navy as a cadet and won his way step by step to great distinction.

Australia Provides For Air Service

Melbourne, Australia, Aug. 15.—(Canadian Press Cable)—Hon. E. K. Bowden, Minister of Defense, announced today that \$2,232,000, from the special defence grant of £1,000,000 mentioned in the budget, would be allocated to the air force. This includes \$260,000 for each of two additional units and \$99,000 to be expended on the Laverton depot.

MORE EVIDENCE IS FOUND IN M'COY MURDER MATTER

Bloodstained Axe Handle Taken From Car Puggist Was Using.

OTHER CHARGES

Besides Murder, Former Boxer is Accused of Robbery and Assault.

(Canadian Press). Los Angeles, Aug. 15.—A bloodstained pick-axe handle found in an automobile he had used, lent its weight to the mass of evidence opposing Kid McCoy as he sat in a jail cell here today awaiting the hour of a coroner's inquest into the shooting of Mrs. Theresa Mors, divorced antique dealer's wife, whose death on Wednesday resulted in McCoy's arrest on suspicion of murder.

The former pugilist and motion picture actor, whose true name is Norman Selby, also faced other charges—robbery and assault with intent to murder—growing out of an orgy of shooting in two Westlake district shops where he sought to find and kill Albert Mors, former husband of the dead woman, who, in McCoy's mind, was "the man who caused it all."

This shooting affray, the desire to kill Mors, and the actual wounding of W. G. Ross, Sam Schapp and Ann Schapp, who were in or near Mors' automobile, were charged against McCoy. The police announced that other evidence was available sufficient to refute completely the kid's suicide theory.

RAIN HOLDS FLYERS

U. S. Airmen Unable to Leave Iceland Today—Hope For Tomorrow.

(United Press). Reykjavik, Iceland, Aug. 15.—The U. S. around-the-world airmen were unable to take off early today for Greenland, owing to heavy rain. The flyers will attempt to take off tomorrow morning, provided the weather has cleared.

On Board U. S. S. Lawrence, Indian Harbor, Labrador, Aug. 15.—The destroyers Barry, Coghlan and McFarland yesterday patrolled the waters off Greenland for U. S. army world fliers. The divisions had the cheering news of departure after 12 days of waiting in the harbor here out of touch with world happenings.

When word came that the ice off of Greenland had been broken through by anyone here anticipated an early departure for the northern waters. Officers and men were at dinner when the flagship flashed the signal for leaving today.

Reykjavik, Iceland, Aug. 15.—The U. S. world fliers will not hop off for Greenland this morning. A new and better landing place for them has been discovered 16 miles from Angarsgat. Marking out this new base and bringing thither the supplies from the steamer Gerardus will occupy 24 hours. The Gerardus cannot be moved to the new base, owing to the ice conditions. Therefore the supplies will be carried on rowboats.

SAYS GERMANS NOT EAGER FOR LEAGUE

Financial Adviser to Berlin Government Makes Statement in U. S.

Williamstown, Mass., Aug. 15.—The Germans are not eager to join the League of Nations, Dr. Moritz J. Bonn, Berlin, declared at an open discussion of the league here yesterday. Explaining to his audience, which comprised almost the entire membership of the Institute of Politics, that he had always been an advocate of the league, the speaker asserted that it was useless to try to convince Germany of the justice of the partition of Upper Silesia.

Prince of Wales as Boy Scout

Dressed in the comfortable uniform of the British Scouts, the Prince of Wales with Sir Robert Baden-Powell, chief scout, reviews the Boy Scouts at the annual Scout Jamboree, in London.

St. John Will Get Next Year's Meet Of Oddfellows of Maritimes

The annual meeting of the Maritime Grand Lodge, I. O. O. F., at Wolfville, N. S., adjourned last evening following the election of officers and will meet next year in St. John, according to unanimous decision reached by the delegates. A recommendation that the Grand Lodge appropriate \$35,000 for enlargement of the I. O. O. F. home was decided to be not feasible.

Officers were elected as follows: Grand Master, Rev. G. W. Whitman, Grand Pre, N. S.; Deputy Grand Master, A. C. Barnaby, Bridgewater, N. S.; Grand Warden, M. L. Robinson, St. Stephen, N. B.; Grand Secretary, M. L. MacKinnon, Charlottetown; Grand Treasurer, J. M. Donovan, Halifax; Grand Representative, A. A. Gunn, Stellarton, N. S. (See Page 8)

Wear Knickers; Are Fined \$5 Each

Hammond, Louisiana, Aug. 15.—The newly ordained law of the county commissioners of Livingston Parish, prohibiting among other things the wearing of knickerbockers, was enforced today. The law was enforced by the wearing of trousers by women, had its first tryout when two nurses, claiming to be from Mississippi, were arrested at Hammond Springs, charged with wearing knickerbockers. They were taken before a justice of the peace, entered pleas of guilty and paid fines of \$5 each.

CANADIAN IN FINAL

Carrick to Meet Chicago Entry For Junior Golf Championship.

Chicago, Ill., Aug. 15.—(United Press).—Donald Carrick, a husky youngster from Canada, meets Eldridge Robinson of Chicago today for the western junior golf championship. It is Carrick's third attempt at the western junior title. He battled his way through the field and won his semi-final match with Bob White of Chicago yesterday, 3 and 2. Young Robinson won his way to the finals by beating Horton Smith of Springfield, Mo., 2 and 1.

FEW SEE SQUADRON LEAVE HALIFAX

Hood, Repulse and Adelaide Slip Out of Harbor in Early Morn.

Halifax, N. S., Aug. 15.—The three ships of the world-touring British Special Service Squadron—the Hood, Repulse and Adelaide—sailed out of Halifax harbor at 7:45 this morning. After almost a week of continuous rain which had curtailed all the city's plans to entertain the sailors, the three vessels dropped silently out of the harbor and probably fewer than 100 people saw them go.

Vice-Admiral Field sent a message ashore to the Premier of Nova Scotia expressing appreciation of the courtesies extended to himself and associates. While the squadron was in port it is estimated that more than 10,000 people visited the ships.

Yesterday afternoon the officers and men of the Repulse accorded full naval honors to the funeral of Petty Officer Leonard Hickman, who with a young Halifax girl was drowned on last Sunday afternoon in the North West Arm when their canoe was upset.

The squadron will go to Quebec.

GERMAN REPLY KEPT SECRET IN ANXIOUS LONDON

Ebert's Preliminary Word on French Proposals Received by Marx.

MESSAGES IN NIGHT

Cables and 'Phones Kept Busy—England Hopeful Conference Will Not Fail.

(By LLOYD ALLEN (United Press Staff Cor.). London, Aug. 15.—Before night the inter-continental conferees on the Dawes plan are expected to know whether or not Germany is willing to accept Premier Herriot's proposal for Franco-Belgian evacuation of the Ruhr.

Until well past midnight the German delegates were in conference over the proposal and periodically in touch with Berlin by cable and telephone. Early this morning it is understood they received President Ebert's preliminary reply to the proposal, but were awaiting final instructions.

Upon the final reply hangs the fate of Europe and likewise the fate of weeks of conferring on the vexatious reparations problem.

Is Secret Yet. Ebert's preliminary answer was sent in a special code and the key to it is in the possession of Chancellor Marx only. Every effort was made to guard the answer. Marx informed only Foreign Minister Stresemann and Dr. Luber, financial minister, of the contents.

Despite Prime Minister MacDonald's request that he be informed at the earliest possible moment for Berlin's action, the German delegation did not notify him. Apparently the answer is being saved for presentation to the "Big Fourteen" later today.

The next stages of the Dawes conference are speculative. If the Germans refuse Herriot's proposal it is understood that Prime Minister MacDonald has an alternative proposal before the conference. (Continued on page 2, fourth column.)

EARTHQUAKES FELT IN JAPAN TODAY

15 Shocks Reported, One Lasting 80 Minutes—Little Damage.

Tokio, Aug. 15.—Fifteen heavy earthquake shocks recorded here today. The tremors were heaviest in the district north of here where general alarm but slight damage was reported. The heaviest shocks were felt in Fukushima, a city of 48,000 which is 200 miles northeast of here, and at Chiba, at the north end of Tokyo bay, where one house was destroyed. At Choshi, 75 miles northeast of here, telephone service was suspended by the disturbance, while other towns in the earthquake area reported broken windows.

The main shocks, which registered for 80 minutes on seismographs caused people to run from their homes to the streets. The tremors came after several days of abnormally high tides near Chiba, which caused government seismologists to renew their belief that tide measurements will warn of approaching earthquakes.

DE VALERA TO SPEAK

His Address at Ennis Today Expected to be of Much Interest.

Dublin, Aug. 15.—The address which Eamon De Valera is to make at Ennis today is awaited with general interest as it is supposed he will take up the thread of the speech he was making there just a year ago, when arrested by the Free State authorities and that he will reaffirm the Republican Party policy. Joseph Devlin speaks today at Dundalk and it is expected that as leader of the Ulster Nationalists he will have something important to say regarding the attitude of the latter on the boundary question.

Weather Report table with columns for location, temperature, and wind direction. Locations include Toronto, Victoria, Calgary, Edmonton, Winnipeg, Toronto, Montreal, St. John, Halifax, and New York.

KEEN PLAY TODAY IN TENNIS TOURNAY

Four Thrilling Matches Are Played in N. B. Championships. (Special to The Times-Star.)

Four Good Matches. Four outstanding matches were played this morning. Halley and Miss Firth triumphed over their club associates Firth and Miss Fairweather in the best mixed doubles of the tourney.

Ladies' Singles. Miss Henderson defeated Miss Milligan, 6-3, 6-8. Miss Morse defeated Miss Armstrong, 6-3, 6-2.

Mixed Doubles. Miss Firth and Halley defeated Miss Fairweather and Firth, 7-5, 6-8, 6-1.

Boys' Doubles. Armstrong and Fields defeated Keating and Johnson, 2-6, 6-1, 7-5.

Men's Singles. Drummond defeated H. M. Wood, 6-1, 2-6, 6-4.

THIS TIME GROOM IS SHOWERED. A new idea in showers was sprung yesterday when Fred Welsford, who is to be a principal in an interesting event in the near future, was tendered a kitchen shower at the summer home of Percy J. Steel, Moncton.

Notices of Births, Marriages and Deaths, 50 cents.

PERHAPS THIS IS MISSING MAN

(Special to Times-Star.) St. Stephen, N. B., Aug. 15.—One of the cars that had been out searching for a man Hyder returned early this morning with the news that an answering his description had been seen near the 7 mile house, outside of St. John. Enquiries revealed that he was heading towards St. John.

Residents at Spruce Lake told a reporter for The Times-Star this afternoon that between 8 and 9 o'clock last evening a middle aged man, wearing dark clothes passed there apparently heading for Fairville. He was seen waving his arms and hat and was muttering to himself.

TWO HARVESTER TRAINS ARE AWAY. One Takes 500, Other 900, to The Wheat Fields.

The quietest harvest excursions ever run out of St. John was the consensus of opinion of officials around the depot this morning.

GERMAN REPLY KEPT SECRET IN ANXIOUS LONDON. (Continued from page 1.)

Should the Germans reject the Herriot proposal, it will mean a prolonging of the conference. Practically the entire protocol has been drawn up and the final touches of the final reply have been sent to the French and Belgians.

More than 400 prospective harvesters and between 80 and 40 women and children were on board the first train.

There will be two more harvest excursions leaving today. The first leaves over the Valley road by the C. N. R. in several cars attached to the Valley train which will be transferred to the through C. N. R. train at McGivney Junction and the other by the C. P. R. this evening.

Few from Fredericton. Fredericton, Aug. 15.—(Special)—Interest in the harvest excursion is very light in this section.

Halifax, Aug. 15.—The first C. N. R. harvest excursion special left here this morning, bearing nearly 400 N. B. laborers, at 8:08 daylight.

Salmon Season Is Extended 16 Days. (Special to The Times-Star.) Fredericton, Aug. 15.—Notice has been received of alteration in the fisheries regulations whereby the close season for salmon in St. John waters is made from September 1 to September 28.

ON ROTARY BUSINESS. Dr. H. L. Spangler returned today from Kansas City, where he went on a visit after attending the annual meeting of the officers of the International Rotary at Chicago.

SHIPPING. PORT OF ST. JOHN. Arrive, Friday, Aug. 15. S.S. Canadian Navigator, from West Indies.

MARINE NOTES. The steamer West Cobah will arrive this afternoon from Philadelphia.

BROTHERHOOD TO PROMOTE PEACE

Father and Son Movement Bringing Men of World Closer Together.

Geneva, Switzerland, Aug. 15.—The Father and Son Movement, developed in the U. S. where it has become a recognized institution, is spreading over the world. This was indicated today in a speech by Walter W. Head of Omaha, chairman of the National Father and Son Committee of the United States and also president of the American Bankers' Association, before the World's Committee of the Y. M. C. A. "More than 20 nations," he said, "observe Father and Son Week in the United States alone upwards of

3,000,000 of fathers and sons joined in events during the past year.

The Father and Son Movement originated at a Y. M. C. A. banquet of fathers and sons at Providence, R. I., in 1907, Mr. Head stated. He said further:

"Only as the fundamental principles of world brotherhood are recognized and accepted by the peoples of the world, can we ever hope for world peace. The men who are to direct the destiny of the nations of the world during the next generation are now the young lads who are in our homes today. What greater privilege has a man than to give of himself as a companion, teacher, advisor, and as an inspiration to his son, who tomorrow steps into responsibilities the significance of which we cannot conceive.

"Every man, whether or not he bears the physical relation of father and son, should give serious consideration to his own life, the ideals for which he stands, that his example will always prove to be an inspiration to the boy of today in encouraging the spirit of world brotherhood.

"In the United States we believe it most appropriate to observe National Father and Son Week at that period of the year when Armistice Day comes. This has proven to be an opportune time not only to pay honor and respect to the millions of fathers and sons who gave their lives for the ideal of world brotherhood, but a time for the fathers and sons who survive to reconsecrate themselves to life for that same great objective, world brotherhood, world peace. We are, therefore, planning for the observance this year to come during the week of November 8-16."

The World's Committee of the Y.

M. C. A. is planning to co-operate in making the Father and Son Movement universal. Details are to be worked out by the Boys' Work Division staff, of which E. M. Robinson, former secretary of the Y. M. C. A. Boys' Work in America, is now secretary.

SUMMER COMPLAINT makes little headway with children whose careful mothers protect them from stomach and bowel disorders, hot weather cramps, weakening diarrhoea—with

BAXTER ASKED TO SPEAK AT PICNIC

Truro, N. S., Aug. 14.—The Liberal-Conservatives of Nova Scotia are to have a picnic in Victoria Park, Truro, on Labor Day, according to an announcement made today by Frank Stanfield, president of the provincial organization. Among the speakers announced are Right Hon. Arthur Meighen, Federal leader of the Liberal-Conservatives, and W. L. Hall, provincial leader. Invitations to speak have also been extended to Dr. J. B. M. Baxter, M. P., St. John; Hon. Dr. Landry, Richibucto, N. B., and Lord Beaverbrook, a former resident of Truro, who is now visiting in New Brunswick.

ST. JOHN VISITORS TO THE FAR WEST

The Maple Leaf, published in Oakland, California, publishes the following notes regarding St. John people in its August issue:

Fred J. McDonald of St. John, New Brunswick, was a visitor to California this month, after making a tour of Canada from east to west. While in San Francisco Mr. McDonald was the guest of his sister, Mrs. E. W. Devney, and also had the pleasure of meeting many former friends as well as new ones. Mr. McDonald is connected with the firm of Vassie & Co., Ltd., wholesale dry goods, of which the Hon. W. E. Foster, former Prime Minister of New Brunswick, is president. Mr. McDonald was at one time state secretary of the Knights of Columbus for New Brunswick.

Frank H. Byron of St. John, N. B., is making a round-the-circle tour, taking in all the provinces of Canada, down the coast through Oregon, Washington and California, and will return home by the southern route. Mr. Byron is in the meat and grocery business in his home city, and is taking his first pleasure trip to the far west. Like all visitors, he is in love with California, especially the Eastbay side of San Francisco Bay. While in Oakland Mr. Byron spent a few days as the guest of Mr. and Mrs. Frank D. Griffin.

AUTOMOBILE PARTIES.

Among automobile parties in Fredericton on Wednesday, says the Gleaner, were Eric Thomsen and C. White of St. John, Fred MacNeil of Montreal, D. Cohen of Detroit and Earl L. Stewart of St. John. Mrs. C. Scully of Long Island and Mrs. G. McDermott and Miss McDermott of St. John, Mr. and Mrs. J. W. Holly, Rothsay.

HEINTZMAN & CO.

The Ideal Piano
In all parts of the world the Heintzman & Co., piano is known and is pronounced unparalleled in the history of piano building.

"The rich quality of the tone made the rendering of my 'cello numbers a pleasure such as I have never derived from the accompaniment of any other piano."
—Michel Cherniavsky, of the world-famed Cherniavsky Brothers.

These instruments sold in New Brunswick exclusively by—
THE C. H. TOWNSHEND PIANO CO., LTD.

So would you be a "Convert for Life"

—if this simple food had done as much for you

THESE REMARKABLE REPORTS are typical of thousands of similar tributes to Fleischmann's Yeast.

There is nothing mysterious about its action. It is not a "cure-all," not a medicine in any sense. But when the body is choked with the poisons of constipation—or when its vitality is low so that skin, stomach and general health are affected—this simple, natural food achieves literally amazing results.

Concentrated in every cake of Fleischmann's Yeast are millions of tiny yeast-plants, alive and active. At once they go to work—invigorating the whole system, clearing the skin, adding digestion, strengthening the intestinal muscles and making them healthy and active. Health is yours once more.

Dissolve one cake in a glass of water (just hot enough to drink)—before breakfast and at bedtime. Fleischmann's Yeast, when taken this way, is especially effective in overcoming or preventing constipation. Or eat 2 or 3 cakes a day—spread on bread or crackers—dissolved in fruit juices or milk—or eat it plain.

Write us for further information, or let us send you a free copy of our latest booklet on Yeast for Health. Address: Health Research Dept. 867, The Fleischmann Co., 208 Simcoe St., Toronto, Ont., Canada.

"Constipation and blood impurities became first an annoyance, then a menace, and finally a chronic disability. My nerves were 'on edge'; I became moody, irritable, and subject to intense depression. One day I heard two chance acquaintances praising the merits of Fleischmann's Yeast. They spoke with enthusiasm, but it was their appearance, even more than their words, which decided me. . . . The age of miracles is still here. Inside of a fortnight, I noticed a distinct improvement in my health; in a month I was literally a new man. Within a year my nerves had steadied and my appetite came back. I am today in the pink of condition and a convert for life to Fleischmann's Yeast."
(Mr. Ellery A. Clark, Boston, Mass.)

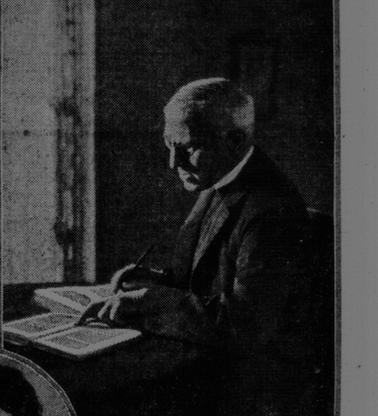

"My face was so covered with pimples that I could scarcely touch it without an exclamation of pain, and so unsightly that I was ashamed to go out. Then a skin specialist advised me to eat two cakes of Fleischmann's Yeast every day, saying that my bodily resistance was low, and that there were not enough white corpuscles in my blood. I took the yeast regularly in a little orange juice, and now my face has changed so that my friends don't recognize me."
(Extract from a letter from Miss Olive Krass Keston of N. Sacramento Blvd., Chicago, Ill.)

"I am a traveling man. Indigestion is a dreaded foe of my fraternity, but I boasted that I had abused my stomach for years. Then indigestion landed a knockout! . . . I grew moody, discouraged, and my work suffered. . . . When a friend spoke to me of Yeast, I had no faith in it. But its effect was rapid, and one day I ordered a big steak, and potatoes, and coffee—a wonderful meal, and no bad after-effects! I again eat anything at any time and any place!"
(Extract from a letter of Mr. W. L. McGahan of Dallas, Texas)

FLEISCHMANN'S YEAST FOR HEALTH comes only in the tin foil package—it cannot be purchased in tablet form. All grocers have it. Start eating it today! You can order several cakes at a time, for Yeast will keep fresh in a cool, dry place for two or three days.

SON, MISSING SIX YEARS, IS LOCATED

The finding of a son they had not heard of for six years was the happy experience of Mr. and Mrs. Edward C. Green of Toronto, last week. The boy

left home to join the naval or military forces, at the age of 17, and has not been heard of since that time until they found him working in Grimby, Ontario. The parents were overjoyed at the discovery of whom they had given up as dead.

"A sedentary life leads to torpidity of the liver and kidneys, to constipation, and to the misery of acute indigestion. No man in such a condition can feel bright and competent to face the duties of the day. He wakes in the morning with a bad taste in his mouth and a dull feeling in his head. Not only Monday but every day is painted a depressing blue. His life is threatened with failure. It was while feeling thus that I determined to investigate Fleischmann's Yeast. Today constipation, indigestion and all their attendant ills have gone—like evil geni before a magic wand. Arabian Nights contain nothing more wonderful."
(A letter from Rev. James E. W. Cook of Wilmington, N. C.)

"Struggling with my dead husband's business I found each day exuding more energy than I could generate. The end seemed inevitable—breakdown for myself and institutional care for my boys and girls. I heard someone joking another about eating Fleischmann's Yeast. I tried it. To my surprise I soon felt a sustaining strength which increased as I used the yeast regularly. With better digestion came improved assimilation resulting in added strength. Every time I buy Fleischmann's Yeast I feel positively ashamed of the trifling price I pay for each of these potent cakes."
(A letter from Mrs. A. C. Cowling, an Oklahoman)

FLEISCHMANN'S YEAST IS MADE IN CANADA

The Audit Bureau of Circulations audits the circulation of The Evening Times-Star.

ST. JOHN, N. B., AUGUST 15, 1924

THE VOCATIONAL SCHOOL

One important thing about the vocational school is that the site should be selected at once, so that the Board may get on with the work. There is a committee which has surveyed possible sites and canvassed the whole field. In its opinion it should be governed entirely by the suitability of the site in regard to location and the necessary area. The fear of criticism should not enter into the consideration at all. No doubt the views of the representatives of the provincial and federal authorities on vocational training will have some weight. So far as cost is concerned, a fair price is a matter of negotiation, and one site may in the long run be worth a great deal more than another. The citizens are not afraid their interests will be sacrificed. They want the school located for service, and with room for expansion. The Board is not asked to build a monument, but a school building. If the building when completed is worth looking at, the people will find it. The thing to do is to consider the service to be rendered and the availability of the school for pupils from a widely scattered area. Prompt action is necessary if the city is not to lose the benefit of the federal and provincial grants. The vocational board and its committee have no axe to grind. They may fairly be left to choose a site. It took a long time to get any action in the matter of the court house, and the railway station is still as it was. It would be folly to urge the vocational school because some people want one site chosen and some another. Let the vocational board get on with its work.

ACCEPT THE INVITATION

In June last The Telegraph-Journal published an article urging that the Maritime Provinces get together and get busy to advance their mutual interests. The London, Ontario, Free Press reprinted the article, and supplemented it by a very strong plea for more general get-together, in which it urged, as The Telegraph-Journal had done, that steps be taken to present the case for these provinces to the people of the provinces west.

The London Free Press did more. It brought the matter to the attention of the Western Ontario Chamber of Commerce, and urged that body to extend an invitation to Maritime Boards to send a delegation to Ontario to discuss the whole matter of Canadian traffic from the Maritime viewpoint.

The Chamber of Commerce has shown its good-will and interest by sending the suggested invitation, urging that a delegation of business men visit Ontario and have a thorough discussion of the whole matter.

This is an opportunity of which the business interests of St. John and the Maritime Provinces generally should avail themselves. A delegation, not necessarily large, but made up of men thoroughly conversant with the whole question of transportation and freight rates, our winter ports and their claims upon Canadian trade, and the difficulties which stand in the way of Maritime progress, could render great service by doing what the Western Ontario Chamber of Commerce suggests.

The invitation has come to the St. John Board of Trade. If no generally representative delegation can be arranged, it would be worth while for this city to send two or three business men, qualified to present the case clearly and forcibly to commercial organizations in Ontario.

When the exhibition is over and business men have settled down again to hard work after the summer vacation season is over, this matter should be taken up and dealt with in a spirit to conform with that which is now characteristic of the citizens in regard to local development and progress. It is an opportunity to benefit St. John, and the expense would be trivial in comparison with the good results which might be obtained.

THE WORLD'S SHIPPING

In a review of the world-shipping situation a writer in the New York Herald-Tribune says the records of Lloyd's Register show that for the first time during peace since full figures were first compiled, in 1895, the total tonnage of maritime nations has shown a decrease. Here are the figures, steam and motor vessels being included—

Year	Tons
1900	16,887,000
1905	22,989,000
1910	29,963,000

Press Comment

HAPPY WESTERN ONTARIO.

(London Free Press)

There is a lot of psychology about good food and bad times. Let us all talk in gloomy mood and even the most optimistic nature will begin to have the dumps. Let us all boast Western Ontario, and there will soon be a better spirit. If you cannot get over the gloom, then just take a tour through the country. Any man who travels through Western Ontario today and does not come back with a happy smile, had better pay a visit in short order to his family doctor.

SALVAGE CORPS ENJOYS PICNIC

Spend Delightful Day at Loch Lomond—Winners At Sports.

The annual outing of No. 1 Company, Salvage Corps and Fire Police, was held yesterday at the Loch Lomond Fishing Club, Loch Lomond, and proved an enjoyable event. The event also marked the forty-second year of the company's existence. The weather was fine and the programme carried off by a most efficient committee. Twelve automobiles, gaily decorated with red and white ribbons and flags, carried the party to and from the picnic ground. An advance party, which left the city early in the morning had everything arranged when members of the company and guests, to the number of about 40, arrived shortly after 10 o'clock in the afternoon.

About 8 o'clock the party were seated at a long table on the veranda of the club house and enjoyed a wholesome salmon dinner prepared by the refreshment committee which had the corps' surgeon, Dr. L. A. Langstroth, as chairman.

Captain K. J. MacRae, of No. 1 Company, presided. After welcoming the guests he spoke on the work that is performed by the salvage corps and also gave a brief sketch of the history of the corps which was organized on June 20, 1882.

Captain MacRae remarked that in No. 1 Company at the present time there were working as active members 1282 men who had for many years been associated with the corps, namely, former captain Charles A. Clarke, a charter member, one of the originals in 1882; S. B. Lordy, who joined in 1883; former Captain G. H. Green, who became a member in 1891; J. L. Fingst, J. C. Mitchell, who joined in 1894.

Captain MacRae spoke feelingly of the death of Jack Fraser and Harry Alexander during the last two years. He spoke of the number of young men who were joining the company, of the harmony which existed between all the members and of the good feeling that existed between No. 1 and No. 2 Companies.

Addresses were also delivered by Mayor F. Potts, Commissioners R. W. Wigmore, T. H. Bullock and W. L. Harding, Captain C. F. Brown, of No. 2 Company; Hon. H. J. Ritchie, H. H. McClellan, fire marshal; H. W. Cole, a former member of the company; J. S. Ritchie, representing Board of Fire; and Charles A. Clarke, the only charter member of No. 1 Company who is still an active member. The dinner was brought in close with the singing of God Save the King.

At the conclusion of the pleasing past, the members and guests started in for a real programme of sports. First came a lively baseball match between teams captained by Jim Christie and Billy Stewart. Commissioner Wigmore proved a wonderful umpire. He stood a great deal of abuse. The Stewart team won by a score of 10 to 0. A tug-of-war team captained by Fred Dolg defeated that in command of John Tonge.

MUSSOLINI'S PROBLEM

(Montreal Gazette)

The detached view is that from the first Mussolini has had the job of trying to control undesirable or violent temper masquerading under his name. The Socialists and Fascists are hurling mutual recriminations, and this is precisely what has occurred. The incident like the Matteotti murder would revive political animosities. And this is precisely what has occurred. The Socialists and Fascists are hurling mutual recriminations, and this is precisely what has occurred. The incident like the Matteotti murder would revive political animosities. And this is precisely what has occurred.

BASEBALL AS A BUSINESS.

(Boston Herald)

"Pop" Anson stayed with his Chicago club 23 years. He served the Colts in the three duties of team manager, club secretary, and team captain, and he also covered first base. He never failed to make a record of 300 or more in batting. Anson did not receive more than \$2,400 for a season's services in all his capacities. Times have changed. Babe Ruth has a salary of \$80,000, and he generally makes over class. Pay checks of \$5,000 and \$10,000 are comparatively common.

In 1896 the Pittsburgh Pirates bought Honus Wagner from the Patterson, N. J., club for \$2,100, and he generally made good. The cost of securing him was the greatest of the season. Today Babe Ruth is sold by Boston to Cleveland at "fictitious low price" of \$800,000.

Clark Griffith, now the head of the American League club known as the Senators, appropriated enough, as they call these comparisons in an article on baseball as a business in the current issue of The Nation's Business, the publication of the United States Chamber of Commerce. He presents his statistics in terms of dollars, attendance, capacity of grounds, and ledger balance, and abundantly makes out his case. The receipts for a day when all seats are taken at the Yankee Stadium are put down at \$69,000. The receipts for the world's series of last year, six games in all, were \$1,003,915. The cost of operating the Yankees, "the most expensive club in the game," is between \$5,000 and \$5,000 daily, or nearly a million for the season. Minor league players are bought on speculation year by year at high prices. This veteran player, for more of the big one are likely to get away. If the law limits the number that may be killed, the angler may continue to practice his cunning without a strain of conscience, for the barbless hook does little harm and those so caught will probably survive when thrown into the water again.

It was used often by Seth Green, the noted pisciculturist of New York State, when he wanted to transfer game fish from one water to another. If we are to fish at all, the use of the barbless hook will put an end to a long controversy, for it will not hurt anybody's feelings as much as the ordinary hook.

HUMAN FISH-HOOKS.

The barbless fish-hook, says the Toronto Globe, is advocated by Harold T. Pulsifer in a bulletin of the American Game Protective Association, and there is much to be said in its favor. It requires more practice and skill, for a trout or a bass is more likely to escape from a slick or badly handled line.

In many places fish have become scarce, and if more escape from the multitude of fishers there will be more of them to be caught by the kiffal. It should add to the stock of fishermen's brains, for more of the big one are likely to get away. If the law limits the number that may be killed, the angler may continue to practice his cunning without a strain of conscience, for the barbless hook does little harm and those so caught will probably survive when thrown into the water again.

HOPES TO RETURN.

A letter was received yesterday by the Board of Trade from Frederick Whelan, who spoke here recently on the League of Nations, expressing his appreciation of the welcome extended to him in St. John and his hope that the visit might be repeated.

CLIMBING.

(May Howell Robinson)

I do not ask that thou, O Life, shouldst roll away
The rugged rocks that block the path
I climb each day—
I knock down, too, conquered steps
Mine eyes might see
In stumbling blocks, just stepping-stones
To heights for me.

Nor would I that mine eyes firm-fixed
On one far goal,
Should shun those number things of earth,
That feed the soul,
Least I should miss the glory
Of the light that lies
On sun-kissed field or tumbling wave
Of childhood's eyes.

LIGHTER VEIN.

The Rabbit's Bark.
"Ma, ever heard a rabbit bark?"
"Stabbits don't bark, dear."
"That's tums! My story book says that rabbits eat cabbage and bark."

No Doubt Of It.

Miss Wethered—"Good gracious! You are not enough hooks on your bathing dress."
Miss Young, sweetly—"Never mind, dear. I will have plenty of eyes."

Changed His Mind.

The old countryman was paying a visit to London, and visited a Labor Exchange. He stood there for a while gazing at a door marked "Women's Department." Then he entered and inquired—"Is this the women's exchange?" The clerk, rather amused, replied "Yes."
"And are you the woman?"
"Then I'll stick to Lisa," said the old farmer in firm tones, as he turned to go.—W. M. Huntly.

Translated.

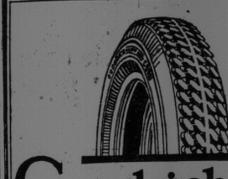

The commercial magnate paid a surprise visit to a branch office and discovered a junior clerk slacking.
"You're free!" he shouted. "Take this note to the cashier."
He scribbled a note in the hand which everybody in the company knew, but which nobody had ever been able to read.
After looking at it upside down and from the northern and eastern aspects, the junior took it to the cashier.
"What's all this about?" asked the latter, after a severe mental struggle and hoping that he had the slip the right way up.
"I can't read it," said the lad, "but the boss said he wanted me to have a 10 rate."

INSTRUMENT ON SHIP DEFECTIVE

Montreal, Aug. 14—Evidence given during an inquiry in the Wreck Commissioner's Court here today into the cause of the grounding of the British steamship Caltrmona at Heath Point, Aug. 7, showed that the accident was due to the ship's direction-finding instrument being defective and that no blame attached to the Department of Marine and Fisheries or to those on board the vessel.

FOR GOVERNOR.

New York, Aug. 14—William Hays, ward, United States District Attorney, today formally announced his candidacy for the Republican nomination for Governor of New York.

Built expressly for trucks and buses; with a tough road gripping tread, fortified sidewalls, protecting ribs of rubber and an extra strong carcass.

The Surprisingly Low Price of Goodyear Balloons

YOU are probably using one of the following popular sizes of straight-side, high-pressure tires—31 x 4, 32 x 4, 33 x 4, 32 x 4 1/2, 33 x 4 1/2, 34 x 4 1/2, 33 x 5.

A year ago to-day you were able to buy these sizes of Goodyear Tires at the lowest prices in the history of the automobile business.

To-day you can buy Goodyear Balloon Tires to fit the same wheels for even less money.

Just think—Balloon Tire comfort, Balloon Tire saving on you

and your car, Goodyear quality—for less than you paid a year ago for high-pressure tires requiring lots of air.

Goodyear quality increased by the invention of SUPER-TWIST, the superior new Goodyear Cord Fabric.

See the Goodyear Selected Dealer regarding a pair or a set of Balloon Tires for your car. Goodyear makes Balloon Tires to fit six sizes of wheels—the wheels now on your car, or new smaller wheels if you prefer their appearance or if you need them for fender clearance.

AMBASSADOR TO RETIRE AT ONCE

Washington, Aug. 11—Dr. Otto Wiedfeldt, German Ambassador to the United States, will surrender his diplomatic post and return to Germany on Sept. 15, having requested that he be relieved by his government in order to return to private life.

Dr. William Cuno, former German Chancellor, will likely succeed him.

ENTERTAIN ON THE PORCH.

When it's your turn to entertain, give your friends a nice little surprise. They'll enjoy it too.

In summer, nothing could be cooler, quieter, and more enticing than dainty luncheon prepared and served on a shady porch.

An electric smoker and grill will do this for you.

"Electrically at your service."

HEALTH MANUAL FOR SCHOOLS

Distribution of Insulin Reported on at Health Bureau Meeting.

The New Brunswick Bureau of Health was in session here all day yesterday at the Health Centre with Dr. G. G. Melvin, chief medical health officer of the province, presiding. The quarterly session was not concluded until after midnight.

At the afternoon session Dr. Desmond reported that the smallpox in Westmorland had come from the Fraser Lumber Co. camp and recommended that the costs be fixed on the Fraser Company. He said that 820 people were vaccinated in Restigouche during this outbreak.

Dr. H. L. Abramson, reporting on the insulin clinics under the auspices of the Department of Health, said that up to the end of May 31,000 units of insulin had been distributed free, and since that time increasing amounts had been distributed.

He also reported on a new method of determining the disease. Reports were heard from H. D. Morris, of Chatham, secretary for Northumberland and Mrs. Wheeler, of Fredericton, secretary for York.

Miss H. McKeljohn, director of Public Health Nursing service, reported that conditions were much the same. There were no new nurses. St. Andrews had decided to affiliate with the Department of Health and to put a nurse's services at the disposal of the department for school purposes if a subsidy of \$100 was paid.

It was decided that the Department of Health undertake to gather material for the compilation of a health manual for schools.

Reports on Schools.

Dr. C. A. King, medical inspector of schools, reporting for Kings, Albert, Charlotte, except St. Stephen, and Queens, said that in 293 school districts, 9,066 were enrolled; 7,221 had been examined, 382 were found defective and 1,975 were vaccinated. Of the

defective 286 had been remedied. Three clinics were held in Kings county. Everything was in pretty good shape. Egan was eager for clinics. The great majority of the people were willing to pay something.

Dr. G. W. Bulley, Woodstock, reported that at McAdam the C. P. R. were going to build a subway to eliminate danger at the level crossing in the yards over which 1,600 people passed daily. The Hartland school he reported to be near completion. It had a room for medical inspection. McAdam had commenced a new school. Marysville had authority for a new school but had not started construction. He reported that there were some districts that were eager to have a doctor.

Dr. W. S. Loggie, Chatham, found 63 per cent of improvement in normals; 25 to 30 per cent of defectives remedied. In Moncton there was a new school; in St. Stephen a new school; in Fredericton a new vocational school proposed. He thanked the nurses for their co-operation.

Dr. Cyr, Campbellton, reported 481 schools examined; 11,297 children examined; 6,284 notices of defects sent to parents; 3,394 vaccinations; not as much contagious diseases as last year. Dr. LeBlanc, Moncton, inspected 265 schools; vaccinated 3,265; inspected 6,646 pupils; out of 55 defects in Salloway school 44 had been remedied; vaccination was a bone of contention in Kent county; 95 per cent of vaccinations were effective.

Dr. Melvin reported that short directions for the care of arms after vaccination had been prepared for distribution to children and parents.

Hon. Dr. Roberts.

Hon. Dr. Roberts said that he was greatly pleased with the reports and the progress the province was making in public health work. There was a great work still to do he said. The grant of the Rockefeller Foundation for the medical inspection of schools was a great honor to have conferred on the province. Preventive medicine was the medicine of today, he said. He expressed the greatest commendation of the work of the late Dr. J. A. McCarthy. His work at the Health Centre was a monument to his ability. The same could be said of the late Mrs. MacLean, who had been his assistant in the social hygiene clinic.

He also spoke of the nursing service in the province saying that the Rockefeller offer was well known and that an effort would be made to bring this matter before the municipalities in the near future.

Dealing with the question of cancer, he said that while on a trip recently he had spent much time in looking into this matter. The consensus of opinion was that cancer would never prove to be a parasitic disease. The belief was that if one could build up the child properly cancer would be prevented in the future. This being the case, cancer had therefore become a public health problem.

ALBANIA RENAMES A HARBOR IN HONOR OF WOODROW WILSON

Boston, Aug. 15.—The port of San Giovanni di Medua, one of the four harbors of Albania, has been recently christened Wilson by order of the Albanian Government.

A cablegram to this effect from Premier Noli was received by the Pan-Albanian Federation of America. Albanians have felt that it was largely through the interest of Woodrow Wilson that their country was saved from partition in the post-war changes in Europe.

THE EVENING TIMES-STAR, ST. JOHN, N. B., FRIDAY, AUGUST 15, 1924

Social Notes of Interest

Mrs. Ernest Fairweather entertained for the pleasure of her daughter, Mrs. J. C. Bradley, of Syracuse, New York, at a bridge at her residence in Charlotte street yesterday afternoon. During the afternoon bridge was played. Mrs. Bradley is in the city to visit her mother.

The reception held yesterday afternoon by Vice-Admiral Sir James A. Ferguson, K. C. M. G., C. B., R. N., the members of his staff and the officers of H. M. S. Calcutta on the quarter deck of the flagship was greatly enjoyed. The limited space of the flagship of necessity made the invitation list restricted much to the regret of the naval hosts. The quarter-deck was gaily decorated with flags and bunting and excellent music was provided by the orchestra of the Calcutta. Dancing was enjoyed and ship's fare proved very tempting when refreshments were served. Amongst the guests were representatives of parliamentary and military circles, members of the Riverside Golf and Country Club and others who had entertained the officers during the visit of the flagship.

Amongst those present were Senator J. W. Daniel, M. D., Hon. Dr. J. B. M. Baxter, K. C., M. P., Lieut. Col. H. C. Spaulding, acting O. C. of Military District No. 7, Mr. W. E. Scully, M. L. A., and Mrs. Scully, Hon. Dr. W. E. Foster, M. L. A., Colonel and Mrs. E. T. Sturdee, Captain and Mrs. A. J. Mulcahy, Captain and Mrs. Campbell, Major and Mrs. E. R. Vence, Mr. and Mrs. F. D. Alward, Mrs. B. N. M. Robertson, Mr. and Mrs. Arthur Hill, Mrs. Frank S. White, Mr. and Mrs. Daryl Peters, Mr. and Mrs. Campbell Mackay, Mrs. A. H. O'Brien, Miss Thelma Alward, Miss

Joan Foster, Miss Elizabeth Foster, Miss Mary White, Miss Elspeth MacLaren, Miss Margaret MacLaren, Miss Emily Sturdee, Miss Kathleen Sturdee, Miss Barbara Jack, Miss Hilda Shaw, Miss Doreen McAvilly, Miss Hortense Malter, Miss Lily Raymond, Mr. Stephen Clarke, Mr. James Peters and Mr. Howard Beady.

Mrs. Collin Mackay entertained informally at a delightful bridge of six tables at her residence in Rotheay yesterday afternoon for the pleasure of her sister, Mrs. Fred N. Stevens, of Montreal. Mrs. W. M. Mackay presided at the prettily appointed tea table and friends of the hostess assisted in serving.

Mrs. Walter Logan, 31 Cedar street, is visiting her son, Robert, at Sussex, for a few days.

Mrs. Charles S. Tompkins, Montreal, is visiting her mother, Mrs. Arthur F. deForest, at her camp at Loch Lomond.

Mrs. James E. Hatchell and little daughter, Betty, of West Somerville, Mass., are the guests of Mrs. Hatchell's parents, Mr. and Mrs. James Semple, Main street.

Mr. and Mrs. Edward Sowers left yesterday for Montreal to visit Mr. Sowers' mother and Mrs. Sowers' brother, George Love, of the Bell Telephone Co., Montreal.

Mrs. Edward Ramsay and her two children, Beatrice and Ernest, left for Boston Monday evening for a visit with her sister, Mrs. George W. Cummings, of Melrose Highlands, Mass.

Mrs. Norman Gregory is visiting her friend, Mrs. M. S. Smith, at Millidgeville.

Mrs. A. M. Rowan, at her summer home at Millidgeville on Wednesday, gave a bridge of eight tables in honor of her daughter, Mrs. A. C. Crichton of Hamilton, Ont. The entertainment

was very greatly enjoyed. The hostess' grandchildren assisted in the serving of refreshments. Prize winners at bridge were Mrs. Clair Gilmour, Mrs. Sherman Dearborn, Miss Wheaton and Mrs. McMurray, of Fredericton.

W. H. Perenciel a member of the Common Council of St. George's, Bermuda, and his wife, are guests of Mr. and Mrs. John Jackson, 43 Britain street.

DON'T KISS THE BABY. Advice about babies is usually given to the mothers. Here is some for fathers, submitted by the New York Nursery and Child's Hospital:

"Don't kiss the baby on the mouth."
"Don't kiss the baby at all during its first two weeks."
"Do not permit anyone else to kiss your wife or baby."

These rules, no doubt, will arouse the indignation of a lot of old-fashioned people, sentimental people and people who "don't believe in germs." And that is all right. If they will only observe the rules, the baby doctors don't care how mad they get.

Kissing, it has been proved to the satisfaction of the medical profession, is responsible for an enormous amount of contagious disease. The lips carry germs of various kinds. Some of them are harmless to adults, but become active and dangerous when transmitted to small children. It is largely because of the foolish custom of kissing babies that, as the hospital referred to declares, "a man of 85 has a better chance of live another year than an infant has of living the first month." Give the infant a fair chance.

It takes courage sometimes to apply such rules. But it pays. A certain Boston doctor, with the courage of his professional convictions, discharged a nursemaid for allowing his baby's grandmother to kiss it against his rules. He tells the story to strengthen the defense of the babies he cares for, against almost universal opposition. And "his babies" nearly always grow up strong and healthy.

Postmistress Wades Her Route

Uncle Sam's mail must be delivered, so when a cloudburst struck in Wisconsin, inundating the village of Thiensville, Elizabeth Albert, postmistress, donned her bathing suit, and, braving the dangers, waded through the water with the mail bag over her arm.

Blouse Important In New Fashion Show

(By Heidi Hoyt, Fashion Editor of The United Press.)
New York, N. Y., Aug. 14.—Dame Fashion has had little to do with regard to sportswear. This fall, however, she will give the blouse one of the most important parts in the fashion show.

The new blouse is made on long, tunic lines, and reaches within an inch of the hem of the underlip. It has the appearance of a well-assembled frock. Crepe de chene, georgettes, chiffon and satin are the materials chosen for the tunic and these are often lavishly embroidered in border effect at the hem.

Tunic blouses may be belted or with a narrow ribbon belt knotted at one side. They invariably follow the blouse for several seasons and are often so scant as to require silts at the sides or up the front. Again, they may have the circular flounce which begins just below the knees and extends all the way around. In this case, the upper portion of the blouse is usually of a light material while the flounce is of black satin or crepe de chene. Joining the tunic to the flounce will be a wide band of embroidery suggesting the tones of the upper blouse and the flounce. The underlip always keeps to the color of the flounce.

Many of the newest tunics follow the Spanish mode by using wide fringe instead of the circular flounce. Fringed crepes make up well this way, as they give the effect of the Spanish shawl. Such frocks are to be worn for formal occasions.

Sleeves of the tunic blouse are both long and short. Sometimes they are again entirely lacking. Nearly all of the blouse manufacturers are sponsoring these long tunic blouses, and many are making matching slips to accompany them. They feel that if the blouse is to return it must return in the semblance of a dress.

Buckles trim many of the Parisian felt hats. Loops of ribbon are run

RECEIVES A WATCH AT FAREWELL PARTY
About 200 of the residents of Lorneville assembled on Wednesday evening at the home of Mrs. Milford McAllister and tendered her a farewell reception. Mrs. McAllister, with her children, Fred, Mildred and Ernest, leave today for Vancouver, where they will make their future home, joining Mr. McAllister, who has been in Vancouver for some time. A gold wrist watch was presented Mrs. McAllister by her friends. She expressed her appreciation and thanks in a few suitable words. Delicious refreshments were served and the evening was pleasantly spent with games and dancing. As the visitors departed farewells were said and all good wishes were extended to Mrs. McAllister and her children for their happiness and prosperity in their future home. Mrs. McAllister will be much missed in the community, as she has been active in both church and social circles.

HAND ORGAN USED IN CHURCH
In a small parish church at Frottscliffe, England, a hand organ is regularly used for services and weddings. It is capable of playing 60 hymn tunes. The sexton turns the handle.

Religious Item
One Sunday two lovers went to church. When the collection was being taken up the young man explored his pockets, and finding nothing whispered to his sweetheart: "I haven't a cent, I changed my pants."
Meanwhile the girl had been searching her bag, and finding nothing, burst out: "I'm in the same predicament."

MAGIC BAKING POWDER
The Secret of Successful Baking consists very largely of choosing a baking powder whose leavening qualities are uniformly reliable. Magic Baking Powder is the powder that never fails you. This is the reason why it is by far the most popular baking powder in Canada.

MAGIC BAKING POWDER

MANY PATRONS AT TENNIS CLUB TEA

Lawn Fete at East St. John Wins Praise for Promoters

The East St. John Tennis Club held a much enjoyed and highly successful lawn fete on the club grounds yesterday and had a large number of guests for the entertainment. The grounds had been very attractively decorated and the table was prettily arranged. The works of art that attracted much attention and were most favorably commented on by the visitors, were the young ladies of the club. Mrs. James Foley was the hostess of the afternoon and Mrs. Fred Foley and Mrs. O. Lawson, poured tea. Those who assisted in serving were Miss Helen Foley, Miss Jean McAllister, Miss Peggy Emery, Miss Grace McParlane, Miss Helen Magee, Miss Florence Josselyn and Miss Dorothy Cunningham. The candy both was in charge of Miss Fred McParlane and Miss Violet Foley. Those who replenished were Mrs. L. Eckerbrecht, Mrs. F. Foley, Miss Breen and Miss Margaret Goldsmith. The general convenor for the tea was Mrs. William MacKim. After tea several games were played for the pleasure of the visitors. The club was much congratulated on the success of the pleasant entertainment.

FIND IOTHERIUM FOSSILS.
Scientists Locate Skull and a Tooth in Eastern Oregon.

Portland, Ore., Aug. 15.—The skull, a tooth and several bones of an eolothere, a large, pig-like creature which roamed the tropical forest of what is now known as John Day Valley in Eastern Oregon, have been discovered by a party of geologists from the University of California.

The skull of the Iototherium is about the size of that of a modern horse. One of the teeth is about two inches in diameter and about three inches long. The geologists also found several bones of the three-toed horse and numerous bones of the rhinoceros, which once lived in Eastern Oregon.

SISTER MARY'S KITCHEN
A Daily Menu For The Stout and Thin
EAT AND--
Lose Weight—Gain Weight

Three large unsweetened stewed prunes, tongue and pineapple salad, 1 cup bouillon, 6 button radishes, 1 head lettuce, 2 ounces hulled lamb or mutton, 1 medium sized steamed potato, 1/2 cup moulded spinach, 1/2 cup macdoine of fruit, 2 pieces rolled oats bread toast, 2 pieces whole wheat bread, 1 gluten roll, 1 pint skimmed milk.
Total calories, 4011. Protein, 447; fat, 162; carbohydrate, 1882. Iron, 0.224 gram.

The tongue and spinach salad for this menu, as for the whole family, is masked with mayonnaise.

The gravy is made of the broth in which the meat was boiled. A rather thin gravy is preferable. Drop the dumplings into the broth before thickening for gravy. Serve caper sauce with boiled mutton.

HELLED TEA AND SALE.
The Mission Band of the Lorneville Presbyterian church and its leaders, Mrs. W. J. Bevis and Mrs. Samuel Wilson, held a tea and sale of fancy work and candy in Coronation Hall, on Wednesday afternoon. The stock in trade was quickly disposed of and a creditable sum realized. The proceeds will be used for missions.

LADIES' AID MET.
The Ladies' Aid of the Lorneville Presbyterian church met in Coronation Hall on Thursday afternoon and evening and completed a quilt. Supper was served. Those present included Mrs. Wallace Galbraith, Mrs. Lisale Evans, Mrs. Robert Evans, Mrs. Albert Wilson, Mrs. George H. Galbraith, Mrs. Wesley Evans, Mrs. W. J. Bevis, Mrs. J. J. Galbraith, Mrs. Bertha Ferguson and Mrs. David McCavoy.

TOMATOES AND EARLY PLUMS

Niagara Tomatoes, the finest flavored grown, are now in good supply. They are all solid smooth Tomatoes. For fancy table use you can get a specially packed variety uniform in size and wrapped in paper.

Emerald Plums, one of the best early kinds, are now here. They are a small green plum similar to the green gage suitable for preserving or cooking. Shiro's large yellow plums of attractive appearance are also available.

Look for This Label It Tells You the Quality of the Fruit You Buy

Every basket of N.P.G. fruit carries a label that tells you the quality of the fruit you are buying. You are certain that you will get just what you ask for.

The N.P.G. Purple Label denotes fruit of the highest and most select quality. The Red Label stands for a fine grade of fruit excellent for both table and preserving. Blue Label fruit is a family grade good for all purposes.

Niagara Peninsula Growers Ltd., are able to guarantee the quality of all fruit bearing their label because it is carefully graded and packed and then inspected before shipping.

If your grocer cannot supply you, telephone our local representative.

Brokers' Opinions

New York, Aug. 15.—Hornblower & Weeks.—"We believe a change in tactics which called for profit-taking during periods of strength should now give way to replacement of stocks on following basis, while the policy of following special stocks for special movements should still be maintained. Best assured that reactions from now on will be contained in equal degree by sharp rallies. This is a phenomenon incident to a period of re-accumulation.

Hutton & Co.—"The rails afford the best purchase. We like Union Pacific and N. Y. Central particularly.

Joseph & Co.—"Market acts as if the advance would be resumed."

Prince & Whitley—"Copper stocks have possibilities for some limited advance if the upward trend in metal continues."

Clark Childs—"In a considerable part of the world, the market is still tentative. We believe in a steady advance, but we are not sure of the general market."

Morning Stock Letter

New York, Aug. 15.—President Coolidge's acceptance speech reveals himself as a cautious man of sound economic principles still favoring the idea which so much has been said in the past which is to be followed in the future. It is not that he is not in favor of the stock market, but that he is not in favor of the stock market as it is now. He is in favor of a stock market which is based on the production of goods and services, and which is not speculative.

Current Events

New York, Aug. 15.—Pacific Gas authorized to sell \$5,000,000 common shares. The stock is now selling at \$25.00 per share.

Atlantic Refining, at months end, has a net profit of \$1,200,000. The stock is now selling at \$45.00 per share.

Pennsylvania system loadings weak. The stock is now selling at \$15.00 per share.

BITTER CLASHES

MARK TRIAL OF CHICAGO YOUTHS

Alienists for State Take Up Practically All of Yesterday's Sessions.

Chicago, Aug. 15.—Two alienists for the state admitted under cross-examination yesterday in the hearing to determine punishment for Richard Loeb and Nathan Leopold, Jr., for kidnaping the killing Robert Frank, that their conclusions that the youths were sane were arrived at in brief conversations under unfavorable conditions and perfunctory physical examinations.

"Patches"

Pretty Artist's Model Is Witness For "Dickie" Loeb In Murder Trial

Germaine Reinhardt, pretty artist's model and stenographer, known as "Patches," took the stand in an effort to save Richard Loeb, slayer of Bobby Frank, from the gallows. The met Loeb at a Bohemian gathering a year ago and was with him often after he had fallen out with Lorraine Nathan, said to have been his fiancée. "Patches" has visited Loeb frequently in jail.

CELEBRATIONS BY METHODISTS

Historical Year Arouses Interest in Many Parts of Canada.

January 1 inaugurated a historical year in Canadian Methodism. The Methodist churches in Canada and the United States are commemorating the centenary of the formation of the Methodist Missionary Society, August 25 and 26 of this year are scheduled for the annual conference of the denomination in Toronto. The centenary of the formation of the Methodist Missionary Society, August 25 and 26 of this year are scheduled for the annual conference of the denomination in Toronto.

U. N. B. MEMORIAL BUILDING COST OVER \$150,000

The Fredericton Gleason says that the new Memorial Building of the University of New Brunswick has been completed at a cost slightly in excess of \$150,000. The construction of the building itself amounted to approximately \$140,000, the additional amount being expended in equipment for the Chemistry, Physics and Electrical Engineering departments, which was ordered recently, will be received and installed within three months.

MARQUIS OF LORNE CAR STILL IN USE

Forty-six Years of Service Have Left Few Marks.

Still in service after 46 years on the road, is the record car number 37, the "Business Car" at present used by William Hippey, superintendent of this division of the Canadian National Railways, says the Moncton Transcript. First constructed for the Marquis and Marchioness of Lorne, it was used by the Marquis and Marchioness of Lorne, who were in Canada in 1878 as Governor General of Canada, it has had a varied career.

GREAT S. TIMBER LANDS PURCHASED

Boston Concern Buys Fraser Property of Some 280,000 Acres.

Halifax, N. S., Aug. 15.—Hollingsworth and Whitney, Boston, have purchased the Fraser timber lands in Nova Scotia. The purchase is for 280,000 acres. The lands are situated in the western part of the province, and are some of the best timber lands in the world.

ACCOUNTS OF ST. JOHN CITY, 1854

Old Report of Corporation Receipts and Expenditures—Amount Raised £20,000

The "Corporation Accounts" of the city of St. John have undergone a great change in the last three score and ten years, as the following account shows, under the caption "Corporation Accounts," reproduced from the year by the Corporation of St. John, 1854, a leading newspaper of that day. The Sussex Record reprints it as follows:

WATER VACATION IN COUNTY SCHOOLS

CAUTIOUS ABOUT OIL FIND REPORT

Melbourne, Australia, Aug. 15.—(Canadian Press.)—The discovery of a large oil field in the Gulf of Mexico, which has been reported by the American Petroleum Corporation, has been met with cautious optimism by the authorities here.

TAKES CREDIT FROM GALILEO

Wetzlar, Germany, July 28.—(Associated Press.)—The Galileo clock, which it credits Galileo with having invented the pendulum, according to Dr. Wetmann, keeper of the public archives of the city. In his opinion it was Jobst Bodeker of Wetzlar, Westphalia, who constructed the first centrifugal pendulum clock.

HAS INTEREST IN NEW BRUNSWICK

Newspaper production is being resumed this week at the Glen Mills of the International Paper Company at Berlin, N. B., according to reports from the company.

Coal Business Of Great Britain

The signing of the new national wage agreement between the British coal miners and the coal owners, is expected to bring about a revival in the coal trade for the next few months, according to the opinion of the Bankers' Trust Company of New York.

WATER VACATION IN COUNTY SCHOOLS

Winchester, Ky., Aug. 15.—A new plan whereby students in country schools are to be given a mid-winter vacation, with correspondingly shorter summer vacations, is to be inaugurated in Kentucky county schools this winter.

WATER MIRROR DECEIVES THROUG

Loveland, Colo., Aug. 15.—A remarkable water mirror appeared here in the middle of the street, when the water in the street was only a few inches deep.

DOLLAR IS DOWN TO ONE-SIXTH TODAY

New York, N. Y., Aug. 15.—Sterling exchange firm demand rates (Franc 2.67, Great Britain 4.54 1/2, Germany 2.67, 2.37-8, Canada exchange 1.6 of one per cent discount).

THE LUMBER MARKET

(Farrington & Jardine's Circular.)—Liverpool, Aug. 15.—New Brunswick and Nova Scotia spruce and pine deals, according to reports for July to the Mersey (including the Manchester Canal) came to a total of 2,100,000 ft. m. The bulk being from St. John and Amherst. The market is very quiet, and the price is very low.

RATES OF EXCHANGE

London, Aug. 15.—In accordance with judgment and order of the Board of Railway Commissioners of Canada, the rate of exchange in connection with shipments of freight between points in Canada and the U. S. from August 15 to September 15, 1924, will be 2 1/2 of one per cent. There will be no surcharge on either freight or passenger business.

THRILLING PLAYS IN CHAMPIONSHIPS

Matches in Tennis Tournament at Sackville Arc Well Contested.

With weather conditions favorable play was resumed yesterday on the Mount Allison University courts, Sackville, in the New Brunswick tennis championships.

Using his famous overhead smash with deadly accuracy, Phil Hallisey, of the Rothsay club, fought his way to victory over Lumsden in the first round of the singles.

J. P. McInerney, of Renfrew, by accurate placements and brilliant net work, easily won over Lumsden in straight sets.

At the meeting of the N. B. Association yesterday the officers elected were: President, C. F. Inches, Rothsay; vice-president, W. T. Wood, Sackville; secretary-treasurer, J. H. Drummond, Drury Cove.

The following are the results for the afternoon's play:

Men's Singles.

McInerney defeated Lumsden, 6-1, 6-3.

Hallisey defeated Crocket, 6-3, 6-3, 6-2.

Bates defeated W. T. Wood, 8-6, 6-2.

Thomson defeated Foster, 6-3, 6-2.

Men's Doubles.

H. W. Wood and T. Hunton defeated Bates and Macdonald, 3-6, 6-4, 6-4.

Richard and Richard defeated Hall and Merceat, 6-2, 6-3.

Thomson and Frith defeated Crocket and Palmer, 6-4, 6-1.

Mixed Doubles.

Mr. and Mrs. Hickman defeated Inghes and Mrs. Harrison, 6-3, 6-1.

Foster and Miss Harrison won from Crocket and partner by default.

Allen and Miss Hilligan defeated H. Hickman and Miss Hickman, 6-1, 6-2.

Black and Mrs. Walden defeated S. Hunton and Miss Wile, 3-6, 6-4, 6-2.

McInerney and Miss Desbarres defeated Merceat and partner by default.

Thomson and Miss Henderson defeated Chestnut and partner by default.

Solvos and Miss Milligan defeated Starr and Miss Armstrong, 6-3, 6-2.

Ladies' Singles.

Miss A. Milligan defeated Miss Frith, 6-1, 7-5.

Miss Henderson defeated Mrs. Hickman, 6-0, 6-3.

Miss Armstrong defeated Miss Desbarres, 6-1, 6-2.

Ladies' Doubles.

The Misses Knight and Costley defeated Mrs. Harrison and Mrs. McLean by default.

Miss I. Harrison defeated Miss M. Wood, 4-6, 7-5, 6-4.

G. Ford defeated S. Wood, 6-1, 6-0, 6-3.

Chestnut defeated Johnston, 6-1, 6-0.

FAIR VALE CLOSE IN ON ROTHESAY

Shut-out Leaders in Fast Seven Inning Game.

Fair Vale made the league standing read Fair Vale, 3; Rothsay, 4; by their defeat of Rothsay last evening 2-0 on the Rothsay diamond.

The game went over seven innings and was featured by sensational baseball on both sides.

Fair Vale garnered their runs in the first and fifth innings. In the last of the seventh Fair Vale fans looked anxious when Rothsay filled the points with none out.

Christie, Fair Vale moundman, proved equal to the occasion, however, fanning one man and he and Craft retiring the next two by a fast double play.

The game was featured by double plays. Rothsay making two and Fair Vale one. The batteries were: Fair Vale, Christie and Higgins; Rothsay, Graves and McCourt.

The next league game will be played between these same two teams at Rothsay on Tuesday evening.

Insist on the Genuine "KANT-KREASE" If it's not a Tooke Collar - it's not a "KANT-KREASE"

"KANT-KREASE" 35¢ Each 3 for \$1.00 SEMI-SOFT COLLARS

Games Tonight

"Joe" Ford and his Newburyport ballfosters will lock horns with the War Vets on the East grounds tonight in what promises to be a merry squabble.

The visitors have not been going well and are keen to make the local boys their victims.

This is not altogether in accord with the idea of the Vets who feel they can do about as good a job as Fred Ericson and Moneton along the mauling lines.

Shanahan, the new pitcher, will be on the firing line for the Vets and "Joe" Dever will be behind the plate.

The newcomer to the Vets line-up is rated high. In his first start against Moneton yesterday, he lost a 13 inning engagement by a lone tally and then, according to reports, some queer decisions were handed out against him.

Like Lee Meadows, a famous big league pitcher, Shanahan wears glasses. He was anxious to go back to Moneton last night but it was thought inadvisable and he will be seen in action here for the first time tonight.

The game starts at 8:45 o'clock. Tomorrow, Newbury plays a doubleheader here with Tippits and Hansen doing the hurrying for the locals.

Over on the Nashvaak Park diamond, the fate of the City League title once more hangs in the balance in tonight's game between the St. Rose's and the Porlands.

A win for St. Rose's will give them a clear title while a defeat would allow the Porlands to tie the series and force the fifth game. Ira Hannah, who beat the Saints on Monday night will go back at them again and probably Eddie Cox will catch for him.

The Saints are planning their hopes on "Bunker" Murphy with Fitzgibbon on the receiving end. Every game the teams have played this year has been a hotly contested one and with so much at stake, tonight's game will probably be the hottest of the year.

The championship of the South End League also is at stake in tonight's game between the St. John the Baptist and the Macleod Gunners as a loss for the former will put their title hopes in this discard.

The Gunners are out to stay out of last place and as they are noted for their uncanny habit of hustling up the game at a moment's notice, Moore or Dalton will twirl for the Saints and Canning or Carpenter for the Gunners.

ROYALS DEFEATED BY THE NATIONALS Junior Team Surprises Fans By Victory Over Senior Club.

The followers of amateur baseball were surprised last evening when the Royals from the South End League met defeat at the hands of the Nationals on the North End grounds.

The score of 6 to 2. Diggs was on the mound for the Royals and he was hit safely when his meant rank.

The Nationals landed on the colored twirl in the first frame and scored four runs which were more than enough to win.

Armstrong was on the mound for the North Enders and he kept the Royals' eight hits well scattered and also struck out ten men. He was supported by excellent support by his teammates.

McAleer for the Royals was the only batter to secure two hits.

"Pete" Friar and "Jimmy" McLeod, the famous batter of the old Royals' team, officiated as umpires.

25 IN FLAG PLAY ON WESTFIELD LINKS

Between 25 and 30 members of the Westfield Golf and Country Club participated in "flag" competition yesterday afternoon and evening on the Westfield links.

Harry Rankine won first place and the prize put up for competition by A. C. Puddington.

BERNSTEIN WINS

New York, Aug. 14—Jack Bernstein, of Yonkers, N. Y., former junior light-weight champion, won the championship aspirations of Luis Vitellini, sensational Chilean scrapper tonight when he defeated the South American in a 12-round battle before a crowd of ten thousand at Henderson's Box, Brooklyn.

BIG BOUT TONIGHT

A boxing match, which is attracting considerable interest is to be staged on Braves Field, Boston, tonight, between Paul Berlenback, of New York and "Hambone" Kelly.

Both boxers have a large following who are eagerly awaiting the outcome. Berlenback with his great string of knockouts is a favorite in the betting.

QUALIFYING ROUNDS TOMORROW

On the Westfield golf links tomorrow afternoon qualifying rounds for the club championship will be played.

This competition is creating considerable interest and some well contested matches are anticipated.

Dad Quick Says First 100 Years Are Easiest

DAD QUICK TALKING SHOP WITH JOCKEY GILBERT

Vancouver, B. C., Aug. 14—You can take it from old Dad Quick the first 100 years are the easiest.

Old Dad has just passed his one hundred and third birthday, and he admits that the beginning of the second hundred finds him slowed up a trifle.

Old Dad is a saddle maker who specializes in jockey harness work. He has built and repaired saddles for jockeys in all parts of the country, and is still actively engaged in his trade.

You see him in the picture talking over a piece of his handiwork with Jockey Gilbert, a western rider of note.

RENAULT TO SEEK MATCH FOR TITLE

Ready To Meet Wills-Firpo Winner To Prove Qualifications.

Italian heavyweight, and Philadelphia interests are seeking Renault's services in a return bout against George Godfrey, Jimmy Daugherty's husky negro heavy-weight.

Renault was elated with his victory over Madden, and was disappointed at his failure to score a knockout, but the Canadian was lavish in his praise of Madden's courageous stand and the likeable personality and gentlemanly conduct of the Irishman in and out of the ring.

"To know Madden personally is to love him," said Renault. "He is one of the nicest fellows I ever met and for that reason I hated to batter him so in our bout. He deserved every bit of the ovation he received as he left the ring, for he stood up gamely under punishment which would have caused a less courageous fighter to fall. I hope now to get a match with either Wills or Firpo, or both of them, and feel qualified to demonstrate that I am an equal to box Dempsey for the title."

Madden spent most of the day in his hotel in West Forty-fifth street. His face was badly cut by the lists of Renault and he was covered with bandages. Madden plans to leave for the home of his folks in Ireland within ten days, where he expects to enjoy a vacation before undertaking further ring engagements.

WATER DEPT. WINS FROM MARTELOS

The Water Department team defeated the Martellos 5 to 4 in a game of ball on the Queen Square diamond last night. The batteries were: For the Martellos, Ring and Stackhouse, and for the winners, Arbo and Jackson.

SOCCER GAME TONIGHT

The Soccer League game on the Barrack Green tonight will be played by the St. Andrew's team and the R. C. N. Y. R. players and will commence at 6:45 p. m. The St. Andrew's team will be chosen from the following: Aylett, Murphy, Rankin, McIntyre, Smith, Simpson, Sharp, Hughes, Neill, Keir, Jones, Livingstone, Thomson and Forteous. These players are requested to be at the Armories at 6:30 sharp.

Ball Problems By Billy Evans

QUESTIONS

1. Can a player, after he acted as pinch-hitter, be used as a substitute runner? In a game between Chicago and Philadelphia this summer I saw Amos Strunk fill both roles for the Athletics.—J. L. P.

2. Batter tops the ball and it strikes the ground in front of the plate, then rolls into foul territory down the third base line. Umpire calls foul ball and batsman remains in his box. The ball strikes something on the ground and rolls fair. The umpire changes his original ruling to fair ball and batsman is thrown out at first. What should be done in such a situation?—E. P.

3. Runner on second base, one out. Runner starts to steal third on the pitch. It is wild and the ball escapes the catcher, going into the crowd back of the plate. The runner scores. Ground rule is one base on an overthrow going into crowd. Team at bat contends runner had base stolen and should be entitled to another base on the overthrow.—H. A. H.

ANSWERS

1. After runner has been used as pinch-hitter and not put into the lineup, he is out for the rest of the day. In all probability, permission was granted Strunk by the Chicago club to be used as a pinch runner. Such a thing happens occasionally.

2. Umpire should have stuck to his original ruling, foul ball, even though it was fair. The runner should not be made to suffer for the mistake.

3. Runner merely goes to third base. No consideration can be given the fact that he probably would have reached third in safety. The play starts with the pitch and, since he was on second, he can only advance to third on throw into the crowd.

SAINTS BLOCK WAY FOR THE TROJANS

Nerve-wracking Game Won by Saints Last Night by 8-6 Score.

Just as the Trojans were all set to confabulate the luscious fruits of victory in the South End League race, they got a right-handed shove into the loss column last night that left them and their many followers in a daze as to just exactly how it happened.

The St. John the Baptists, who have a mean enough disposition to upset the swag for the Trojans, wailed the Orange and Black last night and pushed the Trojans into a daze as to what was going on in the game.

A young gentleman by the name of "Jack" Dalton, who is making quite a name for himself these days, is largely responsible, for his good right arm baffled the league leaders for four innings while his teammates piled up a lead of 8 to 1.

Seven wholesome runs is a healthy enough lead for most scores to start balling the books, but the nervous pressure under which both teams were working last night before a crowd that packed the grandstand and flowed around the playing field accounted for a thrilling last-inning rally by the Trojans that left them short of a tie by the final out.

Alan MacGowan, feathered by the giant all bound and gagged, to the dismay of their supporters, he broke his bonds, rose to his feet, landed several healthy wallops and finally went down with a paste to the jaw for the fatal count in one of the most nerve-racking rounds ever staged on the South End grounds.

Greig, starting the upheaval, got a walk. Wiley was safe on an error and both advanced on a wild pitch. Greig scored on Walter Bartlett's grounder between first and second that was not fielded properly.

Alan MacGowan, who had been fanned and Merryweather was called out on strikes, and the game was over, but not before the fast-weakening Dalton for a free ticket and then up to the plate strode Leslie Kerr. Mr. Kerr was none too pleased with the savage mauling the Saints had given his offerings in the first inning when they scored five runs off him.

He looked through the live wire and picked out one to suit his fancy, plugging a mighty crash to right center that only went for a double under the ground rules. Kerr was given an out when before he hit Wiley and Bartlett scored. Kerr went to third on Cox's out and scored a moment later on Fitzgibbon's grounder which Greig fumbled. Cuthbertson had fanned and Merryweather was called out on strikes, and the game was over, but not before the fast-weakening Dalton for a free ticket and then up to the plate strode Leslie Kerr.

Kerr was given an out when before he hit Wiley and Bartlett scored. Kerr went to third on Cox's out and scored a moment later on Fitzgibbon's grounder which Greig fumbled.

Cuthbertson had fanned and Merryweather was called out on strikes, and the game was over, but not before the fast-weakening Dalton for a free ticket and then up to the plate strode Leslie Kerr.

Mr. Kerr was none too pleased with the savage mauling the Saints had given his offerings in the first inning when they scored five runs off him.

He looked through the live wire and picked out one to suit his fancy, plugging a mighty crash to right center that only went for a double under the ground rules. Kerr was given an out when before he hit Wiley and Bartlett scored. Kerr went to third on Cox's out and scored a moment later on Fitzgibbon's grounder which Greig fumbled.

SAINTS BLOCK WAY FOR THE TROJANS

Nerve-wracking Game Won by Saints Last Night by 8-6 Score.

Just as the Trojans were all set to confabulate the luscious fruits of victory in the South End League race, they got a right-handed shove into the loss column last night that left them and their many followers in a daze as to just exactly how it happened.

The St. John the Baptists, who have a mean enough disposition to upset the swag for the Trojans, wailed the Orange and Black last night and pushed the Trojans into a daze as to what was going on in the game.

A young gentleman by the name of "Jack" Dalton, who is making quite a name for himself these days, is largely responsible, for his good right arm baffled the league leaders for four innings while his teammates piled up a lead of 8 to 1.

Seven wholesome runs is a healthy enough lead for most scores to start balling the books, but the nervous pressure under which both teams were working last night before a crowd that packed the grandstand and flowed around the playing field accounted for a thrilling last-inning rally by the Trojans that left them short of a tie by the final out.

Alan MacGowan, feathered by the giant all bound and gagged, to the dismay of their supporters, he broke his bonds, rose to his feet, landed several healthy wallops and finally went down with a paste to the jaw for the fatal count in one of the most nerve-racking rounds ever staged on the South End grounds.

Greig, starting the upheaval, got a walk. Wiley was safe on an error and both advanced on a wild pitch. Greig scored on Walter Bartlett's grounder between first and second that was not fielded properly.

Alan MacGowan, who had been fanned and Merryweather was called out on strikes, and the game was over, but not before the fast-weakening Dalton for a free ticket and then up to the plate strode Leslie Kerr.

Mr. Kerr was none too pleased with the savage mauling the Saints had given his offerings in the first inning when they scored five runs off him.

PITTSBURG AGAIN
DOWNS THE GIANTS

Now But Five Games Away
—Yankees Hold American Leadership.

New York, Aug. 15.—The National League race today is out of the cut-and-dried class as a result of Pittsburgh's second successive victory over the Giants this time by a score of 3 to 1. The Pirates now are within five games of overtaking the pacemakers. It was Dazzy Vance's turn to pitch and of course the Cincinnati Reds' cue to lose, which they did by the neat score of 5 to 0.

PICKS RENAULT
AS NEXT CHAMPION

Madden Says He Would
Sooner Meet Willis
Than Jack.

New York, Aug. 15.—"Jack Renault will be the next heavyweight champion of the world," said Bartlett Madden in his dressing room following the bout at the Queensboro Stadium recently.

"He's not only the toughest, but also the gamest man I've ever met," was Renault's tribute to the man who he had just belted around for 16 rounds. These sentences were spoken within ten feet of each other, yet neither knew what the other had to say, for a thin partition prevented the words of praise from traveling beyond the confines of each room.

"Why, there's no comparison," replied Bartlett. "I'd rather fight Willis every night in the week than meet Renault again. He's not only lit me harder, but also more often. He was right on me every minute during the last few rounds. Those were terrible minutes, and I never want to go through them again."

BASEBALL HERE
IN YEARS GONE BY

Writer Comments on Sport-
life Article About Joe
Page and Game.

To the Sports Editor, Times-Star:
Sir—I was very much interested in and not a little amused at an article copied from the August number of Sportlife appearing in The Times-Star of Wednesday, Aug. 13, describing how Joe Page introduced baseball to Eastern Canada in 1889.

"Did he hit you as hard as Harry Willis?" Madden was asked. "No, he couldn't put me out," said Madden, and then his face lit up with a smile, and everyone felt better. "I suppose I did put up a game fight, but then that's nothing to boast about. I was beaten by a great fighter and also a clean one, so what's the use of my best; that's all I can say."

SAYS VETS GOT
IT BAD IN MONGTON

Supporter of Local Team
Tells of 13 Inning Con-
test Yesterday.

"Simply a case of being robbed if the game," was the information received this morning from a local fan who attended the 13 inning contest in Moncton yesterday afternoon when the Vets were declared losers by 3 to 4. Both in the ninth and 13th innings, decisions which were not even close, he said, were given against the locals and both of these spilled rallies and the one in the ninth resulted in a Vet runner being out after he had crossed the plate.

Shanahan made his debut in the box for the Vets and he pitched an excellent game, keeping the hard hitters of the Moncton team hitting rollers to the infield during most of the contest when the Vets were leading 2 to 0.

Two hits in the first inning gave Moncton a run and this was the only score until the fourth. In this inning a pass, a slider's choice, a single and Bonnell's double netted the Vets three runs. Two hits gave Moncton a run in their half of the same inning.

The ninth saw the first real case of trouble, although the locals had been receiving what they considered the "raw" edge of the decisions. With a run needed to tie, the Vets staged a rally. Doherty opened the attack with a double to left. Bonnell beat out a bunt, Doherty going to third. Bonnell went down to second while O'Regan fanned. Shanahan hit to centre and Doherty scored. Bonnell also racing home. He crossed the plate on his feet before being tagged. St. John supporters declare, but he was called out. This produced a double for the Vets and the inning ended in a tie.

There was little further action until the 12th, as both teams went out almost in order in the intervening innings. In the 12th Finnamore and Tippetts were out, but on the latter's single "Art" kept on to third and slid in long before Dean tagged him. The base umpire took this play and he called the runner out. This produced a demonstration among the Vets, and it was only after several minutes that the runner out. This produced a bang as a clean hit to centre and Tippetts was caught at the plate, but the locals should have had a run by Finnamore. Towle fled out.

Hits by O'Brien and Walsh and a sacrifice gave Moncton a run in their half of the 13th and the game was over. The evening contest was an easy win for Moncton, as the railway town hits jumped on Towle in the first inning for six runs. Leader pulled the "Iron man" stunt for Moncton and hurled both games. The score of the 13-inning game follows:

Table with columns: Team, AB, R, H, PO, A, E. Includes entries for O'Brien, Walsh, Noman, McCarty, Dean, Sweetman, Bonnell, Shanahan, Finnamore, Tippetts, Stirling, Towle, Leader, Doherty.

OCULT

Betty Compton, known in France as the "occult dancer," soon will visit the U. S. She gets her name through her claim that she "enters a trance" before each performance. A live snake is used in the unusual dance.

FIND SON LOST
FOR 25 YEARS

Manila Police Locate Sol-
dier Lad Settled in The
Philippines.

Manila, Aug. 15.—(Associated Press)—A letter from a mother in Danville, Ky., to the Manila police department has been the means of locating a long lost son. Twenty-five years ago Frank Sapp enlisted in the army and came to the Philippines where he served during the insurrection. At the end of his enlistment he remained here, engaging in various occupations.

In her letter to the police department Mrs. Sapp wrote that her son had never written home since he enlisted in a volunteer regiment, but that she heard indirectly that he was in the Philippines in the lumber business.

The coast guard steamer, Pathfinder, which recently returned after an inspection trip to the Babuyan Islands, brought news that Frank Sapp, an American, operated a sawmill on the island of Camiguin in the Babuyan group and that he had constructed rafts on which he transported 77 natives from Babuyan Island who were panic-stricken by the active volcano.

Fat Chauffeurs In
Germany Taboo

Berlin, Aug. 15.—Fat chauffeurs are not in demand here any longer, owing to the high price of gasoline. There was a time during the infla-

tion period when every German owner of a private car took particular pride in having a sleek, round-faced driver, but nowadays, with gasoline at approximately 82 per gallon, even the wealthy have seen fit to reduce running expenses everywhere possible.

Short, slim chauffeurs, about the size and weight of jockeys, are the ones most in demand, because of the fact that small private cars of the runabout type are exceedingly popular in Germany and a large driver would take up all the seating capacity, leaving no place for the owner himself.

At least 80 per cent. of Berlin's automobile owners hire licensed chauffeurs.

Here's the Price
of Your Car!
Until now you have had to buy your car twice. Once from the agent and once from the repair people. Figures everywhere work out this average—that first cost is half cost of your car.
Cheap Oil and Much Repair
—LOILOIL and Little.
Figures from the Automobile Club of America prove repairs doubled all over the land with the epidemic of cheap oils. LOILOIL brings back the better oil of pre-war days, the real Pennsylvania that went to the war and was never afterward enough to go around. But the watchful ones know it for a terror to repair bills.
Here's why. Seals the piston rings. Gas can't cut through it to dilute the crank case supply. No motor heat comes near burning it.
Therefore—carbon impossible. No grinding grit, no valve sticking, no cylinder scores, no smoked spark plugs. Sparing your bearings. Holds its body for these reasons alone. So it goes at least twice as far—safely. Load up on—

CITY STREETS IN NEED OF ATTENTION

Survey Shows Unkempt Condition—Clean-up for Exhibition Needed.

With the tourist season in full swing and the fall exhibition time coming within a few weeks, the attention of the public has been forcibly drawn to the condition of the city streets.
In spite of any work done by the employees of the city public works department to keep the roadways in the middle of the city in a state approximating cleanliness, a survey made this morning by a Times-Star reporter could bring but one verdict—the streets are dirty. They are not at all nearly so tidy as the streets of a city the size of St. John should be.

ALMANAC FOR ST. JOHN, AUG. 15.

LOCAL NEWS

SOLD AT AUCTION. Auctioneer Roy Potts sold the equipment of the Carb Filling Station, King Square, to O. W. Wood, at public auction this morning for \$187.50.

ALL BY HIMSELF. One man arrested last night on a charge of drunkenness pleaded guilty in the police court this morning and was fined \$8 or two months in jail.

MEETING IS POSTPONED. A meeting of the Civic Power Commission, scheduled for this afternoon, will be postponed until the first of next week, probably on Tuesday.

PAY DAY. The sum of \$13,167.90 was paid out by the city today in the fortnightly labor pay, as follows: Public works, \$5,282.82; water and sewerage, \$8,498.10; harbor, \$3,966.99; ferry, \$319.

TWELVE APPLY. Application for the Knights of Columbus scholarship will close today, and it is expected that the allotment will be made next Monday. Twelve applications had been received up to noon today, and from these two scholarships will be awarded.

ST. JAMES STREET WORK. Commissioner Frink said this morning that he had received several bids for the granite blocks needed in the paving of St. James street, but was not sure when the work would be started, as this depended on the arrival of the steel for the New Brunswick Power Company, which concern intended to lay new rails.

RETURNED TO MONTREAL. J. J. Scully, general manager of the C. P. R. eastern lines, who was on an inspection trip over the northern section of the New Brunswick district, left last evening for Montreal. J. Woodman, general superintendent of the New Brunswick district, who accompanied him on his inspection trip, returned to the city today.

ENGAGEMENTS. Mr. and Mrs. H. H. Davis, 264 Prince William street, wish to announce the engagement of their daughter, Jessie Eileen, to Frank Murray Taylor, eldest son of Mr. and Mrs. B. Taylor, 224 Douglas avenue, the wedding to take place in September.

BOYS IN TROUBLE. Two boys were reported for throwing stones and pulling up sod in Queen Square last night. One appeared in court this morning and was given a lecture. His mother was warned that she was liable to a fine of \$25 if she was not sent below stairs until the other boy was located, and when he was brought to court by Sergeant Dykeman the two were ordered to return this afternoon at 2:30 o'clock.

PICNIC ENJOYED. The annual picnic of St. Phillip's A. M. E. church was held at Grand Bay yesterday, about 140 persons attending. The weather was ideal and an extensive programme of sports and games was carried through without a hitch. Supper was served on the grounds by a committee of ladies of the church. Arrangements for the picnic were in charge of Rev. Claude Stewart, minister of the lodge. In charge of the music were Professor Macallum and Percy Reid.

MASONIC PRESENTATION. A large number were present at a meeting of New Brunswick Lodge No. 22, F. and A. M., held last evening in Masonic Temple, Germain street, including officers of H. M. S. Calcutta. A feature of the evening was the presentation to S. P. McCavour, past master, of a past master's jewel, suitably engraved, and a past grand lodge officer's apron. The presentation was made by R. G. Carson, worshipful master of the lodge. At the conclusion of the business session a social was enjoyed and light refreshments were served. Mr. McCavour is now a resident of Ottawa.

ST. JOHN COUNTY HOSPITAL MATTERS

Meeting of Board Held—Kings County Account Adjusted.

At the meeting of the St. John County Hospital Board of Commissioners, yesterday afternoon, in the office of County Secretary J. K. Kelley, it was reported that responsibility for an account of about \$1,200 had been accepted by Kings County after a conference between Dr. Gilchrist and two of the Kings County councillors and Dr. H. Farris, superintendent of the hospital. The patient in this case came from Westfield parish. Dr. Farris was given authority to call for tenders for supplies at the same time as the General Public Hospital, it being the opinion that better prices could be obtained by the two acting together. An offer to standardize the hospital was received by the American Hospital of Surgeons. Dr. G. G. Corbet was appointed consulting orthopedic surgeon at the hospital. Dr. Farris reported the installation of an internal fire alarm system and that it was working satisfactorily. H. B. Schofield presided, and others present were Mrs. J. H. Frink, W. F. Dean, Dr. H. A. Farris and J. King Kelley, K. C.

WILL REPLACE LONG STREET RY. SECTION

Power Co. to Lay Standard Rails, Fairville Corner to City Line.

M. A. Pooler, general manager of the New Brunswick Power Company, announced this morning that they intend to replace the rails on the West St. John section from Fairville corner to City Line. The new rails will be the standard weight, 80 pounds, and the replacement will start just as soon as the rails arrive. An order has been placed for them and it is expected that they will reach the city in about 30 days. Under the ties, crushed stone will be placed and the entire construction will be similar to that used in Fairville, which was recently completed. The new work it is estimated will cost \$50,000. The company expects to complete the installation of additional lights in Lancaster avenue. Sixty new lights are being placed there, bringing the total up to approximately 200. The new lights will have 200 watt lamps. This work is expected to be completed next week.

ONONETTE HOUSE BURNED TO GROUND

L. E. Rolston's Residence There Destroyed by Fire Yesterday.

To sit on the front veranda and have a neighbor tell you that your house was on fire and then to watch it burn to the ground was the experience through which L. E. Rolston was called on to pass yesterday afternoon when his summer home at Ononette was totally destroyed with all the furniture and clothing in it. The fire occurred about 5 o'clock and the origin of the blaze is a mystery, as there was very little fire in the stove at the time. Mr. Rolston left the house about 30 minutes after 4 o'clock, and then everything was all right. At a quarter to 5 Mrs. Hoyt called out to Mr. Rolston that his house was on fire and in a few minutes the whole structure was a mass of flames. Neighbors did all possible, but soon had to confine their efforts to keeping the fire from spreading to nearby buildings, and in this they were successful. The loss is estimated at \$2,500, partially covered by insurance.

GETS MONEY FOR DAY HE CLAIMED

The R. R. Lee Episode at City Hall Has Been Closed.

The R. R. Lee episode was closed this morning when Mr. Lee called at City Hall and received his money in full, including the day in which he was taking his score and rigging back to its anchorage after doing city work. This matter was referred to the Mayor and city solicitor. It was said today that the solicitor advised the payment of the account as it was rendered.

PROPERTY SALES

The following real estate transfers are reported: Brunswick Realty, Ltd., to City of St. John, property Douglas avenue. Trustees of Lucy DeBury to B. Hoff, property 141-143 Grand street. Heirs of Ethel Hicks to J. A. McInerney, property old Loch Lomond road. Esther B. Smith to City of St. John, property Douglas avenue. K. A. Wilson to J. J. and Grace Goltie, property 141-143 Grand street. K. A. Wilson to G. W. Wilson, property Middle street.

As Hiram Sees It

Hiram said The Times reporter to Mr. Hiram Hornbeam, "I walked in two streets last evening. Both are streets where people live. In one the houses are of brick, the pavement is smooth, and grass and young trees relieve the eye. There are no trees or grass in the first street no children were visible, and only a few people, all well dressed, were met. Many of the families are in the country or on tour. The other street revealed scores of children at play. Most of them were poorly dressed and rather dirty from their play, but unmistakably happy. Here and there women sat on a doorstep. People looked out of open windows. Men stood in small groups, in conversation. There were a few small stores, but people lived over and beside them. There was a constant hum of voices. The contrast between the two streets was so marked that I have been thinking a lot about it. In which street is there greater content and happiness?" "That," said Hiram, "depends on the folks themselves—but I'd say you'd find less skillions in the closet in the poor street than the other one—if you knowed all the way to know—yes, sir."

FALL SHOOTING ARE YOU READY?
