

D'ANNUNZIO DETERMINED TO HOLD FIUME UNTIL IT IS WHOLLY ANNEXED TO ITALY

Enthusiasm of the People of Fiume is for Annexation and With Them it is Either "Fiume or Death."

JUSTICE AND RIGHT IS PEOPLE'S CRY

Soldiers Display An Intense Admiration for Their Commander Considered Greatest in the World.

Fiume, Sunday, Sept. 28. (By the A.)—Gabriele D'Annunzio, the present leader of the Italian forces in Fiume, received the correspondent of the Associated Press this afternoon and gave him a statement expressing his unshakable determination to hold Fiume until it is annexed to Italy.

"We are glad to see you," Fiume, he told the correspondent. "We are here to stay until we are through with our task of having Fiume annexed to Italy. We will not leave under any consideration until our object is accomplished."

"You see the enthusiasm of the people of Fiume to be annexed. You see that the people of Fiume are Italians. We are most firm in our determination to continue until our aim is fulfilled. Our motto remains today as since the beginning of this enterprise, 'Fiume or death.' We are willing to sacrifice all in our effort to gain what we believe to be just and right."

D'Annunzio appeared tired and worn out, and his face showed evidences of fever. During the day he had suffered from an attack of neuralgia and had been confined to bed until late in the afternoon. The last few days he has imposed the severest strain upon the post. He has been rising at 6.30 in the morning to commence the work of reviewing letters and drafting promises.

This has been his task in addition to attending to the work in connection with the forces under his command.

One of his secretaries told the correspondent that he was up early engaged in writing and other work which his assistants were unable to do. He had a number of assistants but they were only boys compared with him.

At the interview D'Annunzio wore the uniform of a lieutenant colonel, with five rows of ribbons, including those of sixteen medals for valor.

The staff of the post consists mainly of young men. There are no officers in Fiume above the rank of lieutenant colonel. Out of nineteen officers on the staff of D'Annunzio, seven won the Italian gold medal for valor, of which only two were bestowed during the war.

The soldiers displayed a most intense admiration for D'Annunzio. One of them said to the correspondent: "He is the greatest man in the world. We are willing to follow him to the death."

The chief of D'Annunzio's orderlies said that the post was a hard work and was able to do more than any other post. He was up early engaged in writing and other work which his assistants were unable to do.

Demonstrations occur practically every evening in Fiume. Sometimes it is the Alpine Mountaineers, sometimes the Arditi or Bersagliers who get up a parade and march through town, singing and obeying the D'Annunzio colors. Out of nineteen officers on the staff of D'Annunzio, seven won the Italian gold medal for valor, of which only two were bestowed during the war.

Ridiculous Assertions. Paris, Sept. 30.—The Jugo-Slav press in Paris says it is authorized to declare that contrary to the assertions of Gabriele D'Annunzio, the Jugo-Slav government never intended to enter Fiume by force and never made military preparations to that end.

It adds that D'Annunzio's assertions are the merest excuse for consumption abroad.

ACTIONS FILED AGAINST PROV. LOAN ASSN.

Fraud Alleged in the Purchasing of the Assets of the Company by the Dom. Permanent Loan Assn.

Toronto, Sept. 30.—Alleging that the directors of the Provincial Building and Loan Association in 1902 accepted a bribe of \$50,000 for the purchase of the assets of the company by the now defunct Dominion Permanent Loan Corporation, and that this was not ascertained till G. S. Clarkson began his probe of the Dominion Permanent books, Kathleen A. Hancock has entered action on behalf of shareholders of the Provincial Building and Loan to recover the sum of \$50,000, with interest at five per cent. for seventeen years. Mr. Clarkson is a complainant in the action, suing as liquidator of the Dominion Permanent Loan Corporation. The action is against E. C. Davies, J. S. Deacon, John Dunn, Thomas Crawford and the executors of Rev. W. Galbraith.

Inflamed Conditions In Adriatic Causing Supreme Council Concern

Paris, Sept. 30.—The inflamed conditions in the Adriatic region and the dissolution of the Italian parliament for the holding of a general election on November 15, as Rome despatches have announced, is giving the Supreme Council much concern in view of the possibility of all the Balkans becoming involved in the turmoil.

DOMINION SECRETARY G. W. V. A. REFUTES CHARGES THAT OFFICERS HAVE BETRAYED THE MEMBERS

G. W. V. A. Has at Least Three Schemes to Submit to the Committee of Inquiry for Raising Money to Aid Returned Soldiers—Officials Have Not Yet Discussed the \$2,000 Bonus With the Gov't—Impartial Enquiry to be Conducted Regarding Further Aid for Returned Men

Ottawa, Ont., Sept. 30.—A statement was issued today by C. Grant MacNeil, Dominion Secretary of the G. W. V. A., refuting charges made by Harry Flynn, President of the Toronto Returned Soldiers' Gratiuity League, who is in Ottawa, to the effect that the officials of the G. W. V. A. had betrayed the wishes of the rank and file and also covering some interesting points regarding the G. W. V. A. position on the \$2,000 bonus scheme.

Mr. MacNeil incidentally states that he never at any time has expressed his intention to submit to the committee of inquiry for raising money to aid the returned soldiers.

"Personally," said Mr. MacNeil, "I am a fervent of the organization I must abide by my instructions. But never at any time have I expressed myself against the \$2,000 bonus plan simply because I have no instructions to do so."

The officials of the G. W. V. A. have not yet discussed the \$2,000 bonus with the government, for the reason that they are not authorized to do so until an impartial enquiry has been conducted into the question of further aid in the re-establishment of the returned men, and the country's ability to pay it.

"We realize the stupendous nature of the demand, and also that the need must be actually established by facts and not by wild and extravagant statements. Furthermore, officials of this organization are not making any attempt to suppress the views of the general membership on the bonus plan. As a matter of fact, at least three proposals will be submitted to the committee, all of which exceed in comprehensive detail the crude scheme first evolved in Calgary.

"There has been no betrayal of the wishes of the general membership. The instructions of the Vancouver convention have been carried out to the letter and an analysis of the activities since then will establish this point. We realize that the question cannot be disposed of by mere denials. They must be backed up by concrete evidence. The Association exists to provide the returned soldiers with a medium through which to express their legislative needs, and we do not intend to abandon our policy to advance the interests of those who represent by reasonable methods. In this respect we are supported by the Dominion executives of the Army and Navy Veterans and the Imperial Veterans of Canada."

DEPREDAATIONS BY GYPSY BANDS IN NOVA SCOTIA

Hypnotise Trader and Lift One Hundred Dollars from His Purse.

Liverpool, N. S., Sept. 30.—Queens County had its share of the depredations of itinerant gypsy bands today. This afternoon, a band of them passing through Brooklyn, N. S., called at the store of Colin McLeod, and before they proceeded on their way they had succeeded in taking from him \$100 of Mr. McLeod's money.

Mr. McLeod, who came here immediately after the occurrence, declares that he was hypnotized by the gypsy. They asked him to take out his purse and they would "bleed" his money for him. He complied, and after the gypsies had left the store and moved on out of the village, Mr. McLeod discovered that while the purse still remained in his hand, \$100 of the money it contained was gone.

He swore out a warrant in Liverpool and armed with this, Constable Pat McAlliffe headed off the gypsies with an automobile and at the point of a revolver forced them to give up the \$100 and an additional amount of \$40 to cover expenses.

JAPS WORKING FOR PACIFIC CABLE

Delegation Sailed from New York for Europe to Arrange for the Purchase of Materials for Laying Cable.

New York, Sept. 30.—Kakichi Uchida, former Japanese vice-minister of communications, sailed for Europe on the steamship Caronia today to arrange for the purchase of materials for the laying of a new Pacific cable. Mr. Uchida represents the newly organized Japan-America cable company capitalized at \$25,000,000, and he said that if permission to land the cable in Seattle from the United States and prompt delivery of the cable made it should be in operation between Yokohama and San Francisco early next summer.

UNIONISTS OF LIBERAL RANKS HOLD CAUCUS

Have Decided to Continue Their Allegiance to the Government to Work Out After War Conditions.

EXPECT PLATFORM OF PROGRESSIVENESS

Expected That Policies to be Announced by Prime Minister Thursday Will Meet With Approval of All.

Ottawa, Sept. 30.—Beyond the statement that Liberal Unionists have decided to continue their allegiance to the Government, and have expressed the hope that a progressive platform will be adopted which will keep the various elements together, little news has emanated from the caucus held in the east block today.

"The consensus of opinion was that as the members were elected to support the present Government, it was their intention to continue to do so and the hope was strongly expressed that the government would be able to carry out its policy to evolve a progressive platform satisfactory to the country to meet the after war conditions."

There were present at the caucus the Liberal ministers in the person of Hon. Meesa, Rowell, Calder, Newburn, Macleod, and Sifton, together with cross-benchers in the person of Dr. Clark, Red Deer; Johnson, Last Mountain, and others. In addition there was a fairly full representation of the Liberal Unionist rank and file.

It has been rumored that Conservative Unionists would also hold a separate caucus, but this is not considered likely. Sir Robert Borden had a turn for the better today, and if his condition improves it is expected to hold a general caucus on Thursday.

Conservative Unionists declare that they are united to wait for that, and to express their views in the presence of all the elements of the government following.

It will be evident from the brief statement given out today that the continued support of Liberal Unionists is more or less contingent upon the policy which the government adopts. Numbered among these Liberals, however, are men who before entering parliament, had little personal conviction of any kind, and who were more or less compromise candidates. There are, however, a few who are called low tariff advocates. To these two classes the matter of policy is of but little consideration. They will stick over, are men who before entering parliament, had little personal conviction of any kind, and who were more or less compromise candidates.

JOHN MITCHELL LEFT ESTATE OF QUARTER MILLION

His Holdings Were Mostly in Stocks and Bonds According to Petition for Administration Filed Yesterday.

White Plains, N. Y., Sept. 30.—John Mitchell, former president of the United Mine Workers of America, left an estate of \$250,000, mostly in stocks and bonds, according to a petition for letters of administration filed in the court of West Chester County today.

In a will written in his own hand shortly before his death, but believed to be invalid, because it lacked witnesses, the labor leader bequeathed all but \$10,000 of his estate to his wife and children. The \$10,000 was to be divided among other relatives and close friends.

TROOPS ON DUTY IN MAIN DEPOTS OF LONDON

District Underground Railway Started An Eight Minute Schedule Yesterday.

London, Sept. 30.—The district underground railway started an eight minute schedule today between Hammersmith and Mansion House station. Troops were on duty in all the main London depots today.

The waiting rooms have been transformed into temporary quarters for the soldiers. The men of the Severn Tunnel branch of the National Union of Railwaymen have given the government forty-eight hours' notice to withdraw the military guard guarding the tunnel. Unless the troops are withdrawn the pump men are to be called out.

BRITISH TROOPS OCCUPY ODESSA

Vienna, Sept. 30.—Troops from the British fleet in the Black Sea have landed in Odessa and have occupied the city, according to advices received in Budapest.

Most Successful Results Attend British Gov't's Handling of Strike

London, Sept. 30.—The following statement was issued by the government today: "Railway services are improving. Schedules prepared by the companies yesterday were exceeded. Minor acts of sabotage were reported yesterday. In one case during the night red danger lights of certain signals were altered to green. Fortunately no loss of lives occurred. Necessary steps have been taken."

"The distribution of food continues successfully, thanks largely to the admirable spirit and efficient work of volunteers. Offers of voluntary service has been overwhelming. They are being collected as rapidly as possible and calls for service will be issued increasingly from day to day."

"Railway horses and live stock abandoned by the strikers are being cared for."

Agriculture And Allied Interests Under Consideration

Special Bills Before Parliament Gave Agricultural Representatives An Opportunity to be Heard.

Ottawa, Sept. 30.—Agriculture and Allied interests were to be the focus of the Commons today. Sir George Foster's resolution on which are based bills to continue in force for a time after the declaration of peace, the Wheat Board and the Board of Grain Supervisors, and the bill respecting the salaries of the members of the Board of Commerce afforded agricultural representatives an opportunity to put forward their views.

In connection with Sir George's resolution, the minister dealt with the fixing of the price of Canadian wheat, emphasizing the point that while the Canadian farmers will receive anything above the fixed price of \$2.15 per bushel, the United States farmers will receive the fixed price only. He held out the hope that there would be considerable market overseas for the Canadian product.

When the Board of Commerce bill came up for second reading the attacks on Mr. W. F. O'Connor, the assistant chairman, broke out anew.

Mr. Donald Sutherland declared that if the board continues to make rulings such as it has made, the movement from the country to urban circles will be aggravated. Referring to Mr. O'Connor's statement that his hands were tied, Mr. Sutherland offered the observation that "He was not tongue-tied."

CARMANIA DOCKS AT HALIFAX

Halifax, Sept. 30.—The steamer Carmania, which arrived today with soldiers' dependents and a large number of passengers for New York, brought also 450 of a crew intended to take charge of the overhauling of the Imperator. The steamer sailed for New York at four o'clock this afternoon.

The men learned on arrival of the change in the arrangements under which the liner is not to pass to the Cunard Line as expected.

VILLAGE OF OROMOCTO LAID IN WASTE BY FIRE FIEND

Flames Breaking Out at Noon Yesterday in the Valley Lumber Co's Mill Leaped With Lightning Rapidity to Adjoining Structures, Wiping Out Stores, Residences and Churches, Entailing a Loss of Approximately \$250,000—Serious Blow to the Thriving Village.

Oromocto, Sept. 30.—Fire which broke out shortly before noon today, wiped out a large portion of the village of Oromocto, Sunbury county, and threatened the entire place with destruction. The flames broke out in the Valley Lumber Co's mill, on the bank of the Oromocto River, in the western end of the village, and within a short time the plant had been entirely destroyed, as well as several million feet of lumber piled alongside the mill.

A terrific, variable wind which, at times, reached the proportions of a gale, was blowing and the flames shot up into the air almost 300 feet over the mill. The wind swept the flames in the direction of the buildings which had been destroyed in the last big conflagration, about a year ago, and within a short time half a dozen or more houses and stores were ablaze, and the entire village seemed doomed, with the exception of the buildings on the hill back of the mill, where the residence of R. B. Smith, M. L. A. is located, and other buildings in the district near the old location of Stocker's Hotel.

Calls for assistance were sent out by telephone to Fredericton, and members of the fire department were despatched to Oromocto where they arrived before one o'clock with hand chemicals and other fire fighting apparatus. They at once entered upon the work of salvaging goods from the stores of A. B. White and Thomas McElroy, which seemed in imminent danger, and later they went to the registry office and houses nearby, which were then catching fire from sparks carried from the burning mill in flames, and worked hard to save them.

Kolley's Hotel, with all its outbuildings, was destroyed as well as the house and store of Leo Higgins, and several adjoining houses, while houses all the way along the main road which leads up over the hill were ablaze. The sidewalks, fences, grass and trees along the road were in flames all the way up to the top of the hill near the Anglican church, and as long as the gale of wind continued there seemed no hope of saving the whole village from destruction.

There was a marked shortage of vehicles and help to move stuff from the burning and threatened buildings, but men, women and children of the place, as well as the occupants of

BOTH SIDES IN BIG STEEL STRIKE ARE CONFIDENT

Strike Leaders and the Representatives of the Companies Continue to Give Out Conflicting Reports.

INCREASED TENSION IN CHICAGO

Leaders of Strikers Are Disturbed Over Decisions from Allegheny County Courts.

Washington, Sept. 30.—Both sides in the steel strike of the steel workers, now in its tenth day, are awaiting developments at the industrial conference which will open at Washington next Monday, and it was said last night that there seems little chance of a "break" either way until then.

Throughout the affected territory there was little material change yesterday. Strike leaders and representatives of the companies continued to give out conflicting statements—the former maintaining that they were not only holding the men already out, but making substantial gains; and the latter that the plants were being operated with more men than at any time since the strike began.

Labor leaders announced that the daily bulletins would be sent out to inform the men of the course of the strike. Circulars yesterday urged the men to stick together, and declared that the steel workers "have almost every plant in the country shut down."

In the Pittsburgh district, indications were that the day had brought little material change, while in Chicago it was said that the tension between the men and the company forces, but no serious violence was reported. The plants were operating from 25 to 30 per cent. of their normal forces, it was stated. Reports of labor headquarters said it was "absolutely peaceful" in the Chicago territory and that there was picketing at all points.

The strike leaders were said to be somewhat discouraged by the decision of the Allegheny County Court in upholding the action of the Mayor of Duquesne in preventing mass meetings in that city.

Authorities at Wheeling, Ill., conferred with union leaders in regard to calling on Governor Lowden for state troops, but the labor men gave assurances that they would redouble their efforts to control the strikers and the request for troops was held in abeyance.

Governor Goodrich, of Indiana, sent Colonel J. R. Mitchell to Gary to inspect the situation. The authorities speculated that they had an intention of asking for state troops unless the situation grew materially worse.

The Bethlehem Steel Company said that no reports of disorder had been received and that the strike situation showed improvement over Monday.

Fireworks Failed To Break Forth

Ottawa, Ont., Sept. 30.—The fireworks which were expected to be set off at today's meetings of the special committee on soldiers' civil establishments did not materialize. Instead, the committee dealt largely with figures supplied by witnesses from the Army and Navy Veterans and the Imperial Veterans, while Sergeant J. Harry Fyran, of the Gratiuity League, addressed a mocking downtown.

There was a fairly large attendance at the afternoon session, but when it was announced that the fireworks were to be heard, the gallery melted away to nothing in a few minutes.

E. Brown-Wilkinson, of the Army and Navy Veterans, Winnipeg chair, occupied the stand nearly all afternoon. He further outlined the demands of his organization for larger pensions for widows, dependents and disabled men; greater aid to re-establishment, and equal treatment in regard to gratuities and training for Canadians who served with the Imperial forces.

In the evening, Major Scharschmidt, of the Imperial Veterans, estimated the grand total required for proper re-establishment of all classes of Imperial soldiers as \$9,000,000.

Hon. J. A. Calder estimated it would be over \$10,000,000, using Major Scharschmidt's figures on the various classes, and a revised total was \$7,457,000. This was for re-establishing 23,000 men, of whom 30,000 had not gone overseas. Most of the latter were R. A. F. men who were held in Toronto.

LEGISLATION IS AIMED AT U. S. STORAGE PLANTS

Washington, Sept. 30.—Additional legislation recommended by President Wilson, as a means of reducing living costs, was passed today, by the House and sent to the Senate. It would limit the time of holding food in cold storage to twelve months and require that when released such food be plainly marked with the date it was placed in storage.

EDGAR BEERHAM STILL AT LARGE

Man Who Escaped from County Jail Was Supplied With Acid, Vaseline and Hack Saw Outfit by Some Visitor.

Edgar Beerham, who escaped from the county jail some time between 11 p. m., Friday and early Saturday morning, while waiting his sentence on the charge of burglary from the store of W. E. Thorne and Co., is still at large and the police have no clue as to his whereabouts.

The prisoner made his escape by cutting the bars of a cell window, thus effecting egress from the building. In the morning there was found in his cell a bottle of acid, a jar of vaseline and a steel hack-saw outfit, which must have been smuggled to the prisoner by a visitor to the jail at some time, as he received no bulky parcels by mail and all that came were thoroughly examined.

In the meantime, telegrams and phone messages have been sent to all outlying districts and it is expected that the fugitive will soon be apprehended, together with the person who aided in his escape, and who, it is thought by the authorities, is at present with him.

KING'S DAUGHTERS' SPECIAL MEETING

At Session in Guild Rooms Last Evening Committees Were Appointed for the Coming Tag Day.

At a special meeting of the King's Daughters held in the guild rooms last evening committees were appointed in connection with the coming tag day. The meeting was large and enthusiastic and arrangements are well under way for a successful appeal.

The wards who will be in charge of the following circles:

- Dukes—Ministering. Prince—Opportunity. Victoria—Good Cheer. Dufferin—In His Name. Kings and Sydney—Lead a Hand. Lansdowne and Lorne—Comfort. Queens—Doorkeepers.

The Doorkeepers' Circle will also look after the street corners. Other committees were as follows: Advertising, Mrs. J. Lecheur, Mrs. W. H. Nice; tags, Mrs. Gray Murdoch and Mrs. William Taylor; banks, Mrs. T. N. Vincent; finance, Mrs. A. Pierce Crockett; Mrs. George Dishart and Mrs. W. H. Nice; refreshments, Mrs. H. Colby Smith and Mrs. W. J. Dineham.

A letter was received from Mrs. T. N. Vincent offering the assistance of the Free Kindergarten Association and it was reported that the Y. W. C. A. would lend the boxes. Mrs. Moore of the Salvation Army offered any possible assistance on the tag day.

The president, Mrs. A. Pierce Crockett, presided.

Toronto, Sept. 30.—A Dominion wide organization of returned soldiers, the veterans council, is to be formed to take in the following organizations: United Veterans League, Grand Army of Canada, His Majesty's Army and Navy Veterans, and the Army and Navy Veterans of Canada.

The G. W. V. A. is being asked to join the veterans' council. The recently formed United Veterans League of which J. H. Flynn, of Toronto is president, is the prime mover in the new association.

Soldiers' And Sailors' Monument

Impressive Ceremony at the Unveiling in Fernhill Cemetery Yesterday Afternoon —Is the Gift of the I. O. D. E.

Under the clear autumn sky, with the falling leaves from neighboring trees giving nature's proof of the passing time, the Soldiers' and Sailors' Monument at Fernhill Cemetery was unveiled yesterday afternoon in the presence of an invited number of guests, including Lieut.-Governor Wm. Pugsley, Mrs. Pugsley, Col. A. H. H. Powell, representing the military authorities; Capt. A. J. Mulcahy, representing the Navy; Mrs. Hugh MacKay, regent of the Municipal Chapter of the I. O. D. E.; members of the Valerians, DeMolles and Royal Standard Chapters; Mrs. J. H. Tilloson; E. T. Sturdee, president of the Fernhill Cemetery Company; J. A. Leitch, A. W. Adams, C. G. Scammell, G. W. Ketchum, F. A. Hamilton, A. L. Rising, Peter Campbell and H. C. Rankine. Invitations were also sent to representatives of the G. W. V. A.

In a few brief remarks, Mrs. Hugh MacKay, president of the Municipal Chapter of the I. O. D. E., in the presence of the monument, how each chapter had volunteered to contribute towards the effort, and the results which had made the present memorial possible. On behalf of the Daughters of the Empire, she then presented the monument to the province through its representative, Lieut.-Governor Pugsley.

After acknowledging the gift, the Lieut.-Governor, in turn, placed the memorial in the safekeeping of the Fernhill Cemetery Company, and to his address the president of the company, E. T. Sturdee, briefly responded. The monument stands in the centre of the Field of Honor, resting on a solid concrete foundation donated by the Fernhill Cemetery Company, which is four inches above the level of the road, and extends twenty inches all around beyond the base, giving an opportunity to study the stones closely.

There are two large bases of solid granite. The centre one is a laurel wreath, with the dates 1914-1918; to the left is a scene showing artillery in action, while on the right is seen infantry wearing steel helmets and using a machine gun; and further to the right is also a bronze plate showing a battle cruiser steaming at full speed and with smoke pouring out of her funnels. Above this base stands the die or main shaft with sloping buttresses on each side. The top bears a large bronze of the crest of the I. O. D. E. showing crown and Union Jack very well brought out, while just below in circular form are the words "Our Honored Dead"; below which, filling the semi-circular space, is a Latin cross with gothic armaments; then follows the inscription: "Erected by The Imperial Order Daughters of the Empire, St. John, in memory of the Sailors and Soldiers buried in this Plot. For King and Country. Underneath this again in semi-circular form are the words, "Their names liveth forevermore," which is the motto chosen by The Imperial Graveyarders' Commission, at the suggestion of Rudyard Kipling. Underneath this is a fouled anchor and a maple leaf, all the lettering and emblems being in relief and polished. The total height is about twelve feet, and as the Naval and Military Plot

stands some five feet from the level of the avenue, the monument looks very imposing. It is manufactured of Spoon Island granite, with not a flaw or dark spot throughout, the field guns and large shells on either side making a striking finish. The work was done by John S. Seaton, and the bronze castings by Messrs. McAvilly from designs made and carved by John Rogerson. There are now in the plot thirty-three soldiers' graves, each marked by a white headstone with number and initials, in addition to a small Union Jack, while a lady interred in soldiers keeps fresh flowers continually on the plot. The bronze on the monument, at present bright, will soon turn dark, with the exception of the flag on the crest, which is polished.

On either side of the memorial is a light field gun, suitably mounted, and at the base of the structure are brightly polished shrapnel shells. At the base of the mound is the inscription in bold relief, "The Field of Honor

CUSTOM RECEIPTS AT MONTREAL IN BIG INCREASE

Inland Revenue Returns Reveal Spirituous Liquors as Playing An Important Part in Gov't Revenues.

Special to The Standard. Montreal, Sept. 30.—Customs receipts for the port of Montreal for the month of September constituted a record for two years, the total collected being \$3,731,015. This is the second largest amount ever collected, the largest in the history of the local office being in May, 1917, when the sum was \$4,029,715. The amount taken for the month just closed exceeds the same month last year by \$206,194, and the increase over August of this year is \$469,934. The very substantial advance in the customs receipts is said to be due to the general activity of business and shipping, and had there not been interruptions, owing to strikes on the other side, it is probable that the amount would stand still higher.

Inland Revenue receipts for the division of Montreal also showed an increase for the month just closed, the total receipts being \$2,464,266, an increase of \$444,141 on the corresponding month last year. On the other hand, this was a drop of about \$340,000 on the month of August of the same year, and a decrease of \$40,000 on the month of September. It is estimated by Chief Inspector Bernier that spirits must have contributed about \$150,000, which would show an increase of \$40,000 for the same commodity over the previous month. The supposition is that private household stocks which were taken before May last are being replenished.

YOUTH CAUGHT IN WATERWHEEL IS CRUSHED TO DEATH

Halifax, N. S., Sept. 30.—James Lester Burdidge, aged eight years, was instantly killed at Dartmouth this afternoon. The boy was playing in the canal near the water wheel which supplies the Dartmouth Machine and Forge Company with water, in some manner he became entangled in the wheel and was whirled round and round. The wheel was stopped, but the boy was dead, his body being terribly mangled.

The groom, the son of Mr. and Mrs. T. V. Monahan, Barker House, Fredericton, is the popular deskman at this well-known hostelry, and by his courteous attention to the travelling public has made many warm personal friends who extend congratulations and best wishes to him and his bride.

The bride was attractively gowned in a travelling suit of blue, with corsage bouquet of American Beauty roses, and picture hat to match. She was attended by Miss Gertrude Hildebrand, of Fredericton, a school girl friend, who was similarly gowned. The groom was attended by Mr. S. H. Hanson, of this city.

POPULAR C. P. R. CONDUCTOR DIES

Charles McGibbon, for Many Years on the Gibson Branch Passes Out from Stroke of Apoplexy.

Fredericton, Sept. 30.—This community was saddened when it was learned tonight that Charles McGibbon, a most highly respected and popular conductor in the service of the C. P. R., had passed from the chamber of life to the chamber of death, following a stroke of apoplexy. The deceased has been in the employ of the C. P. R. for thirty-five years, and during the past twenty-one years has been the efficient and popular conductor on the Gibson branch, running between Fredericton and Woodstock. He was taken suddenly ill at Southampton today on the return run from Woodstock. Life left the body just as he was being carried into his home in this city.

During his long years of service Conductor McGibbon has made a host of friends, among the travelling public who will regret his sudden passing.

The deceased was born at Maugeville 60 years ago. He is survived by his wife and two sons, Dr. Roy McGibbon, of the Canadian Dental Corps, now stationed at the military hospital in Fredericton, and Lieut. Frank McGibbon, recently returned from overseas.

Funeral services will occur Thursday afternoon under the auspices of Horam Lodge, F. and A. M.

MONAHAN-LOVE

Popular Young Couple of Fredericton Married in This City Yesterday.

A quiet but impressive and interesting wedding ceremony was celebrated yesterday afternoon when Ray H. Goodwin, of the Centenary Church, united in the holy bonds of wedlock Miss Guida Love, of South Devon, and Mr. Louis Monahan, of Fredericton.

The bride, who is a young lady of charming personality, was the most efficient and obliging operator at the telephone desk in the Government building at Fredericton, and has a host of friends who join heartily in extending best wishes for a happy wedded life.

The groom, the son of Mr. and Mrs. T. V. Monahan, Barker House, Fredericton, is the popular deskman at this well-known hostelry, and by his courteous attention to the travelling public has made many warm personal friends who extend congratulations and best wishes to him and his bride.

SENSATIONAL DEVELOPMENTS IN HARLAKE ROBBERY

Label Cases Against Two Quebec Newspapers Have Been Filed by Peter Berco-vitch, K. C.

Quebec, Sept. 30.—There have been further startling developments in connection with the Harlake train robbery, in as much as it is now known that besides the haul of \$71,000 for which George Topping, J. T. B. Provan and J. E. Levesque are jointly held, a package of jewelry mailed by the firm of Henry Birks and Sons, of Montreal, was stolen on the morning of the hold-up of the mail car. Another sensational side-issue of the case is a threatening action for libel by Mr. Peter Berco-vitch, K. C., against two Quebec newspapers, for publishing statements which they attribute to Mr. Justice Langelier, and in which the judge was quoted as criticizing Mr. Berco-vitch for not turning the money over to the authorities. The case was found in. According to the newspapers in question the judge said: "If the money was found and carried through the streets, it is irregular and inadmissible. The court does not know that the money has been found. The place for this money is in the hands of the clerk of the Crown so that it be impounded."

The publication of this statement caused a sensation in the city and about the court house and at the resumption of the inquiry this afternoon Mr. A. Hinfret, K. C., acting for Lady's agency with Mr. Berco-vitch, called the attention of the court to a seven column heading in a newspaper which read: "Judge Langelier criticizes Mr. Berco-vitch."

Mr. Hinfret objected to the report, and stated it was devoid of all foundation of truth.

Judge Langelier said that the objection raised was justified, as he had never criticized the actions of Mr. Berco-vitch and was not there to comment on the actions of any lawyer in the case.

Mr. Berco-vitch stated tonight that he was very much annoyed about these false reports, and stated that he would exact a complete retraction, and an acknowledgment that the reports were false and an explanation of regret from the newspapers for having published them. Mr. Armand Lavergne is acting for him in the matter.

ITALIANS AT TRAU REQUEST HELP

Claim to be Oppressed and Ill-Treated by Serbians.

Rome, Sept. 30.—The Italians at Trau, Dalmatia, have requested the Italian government to send a ship to Trau for their protection and to obtain the release of a prominent Italian arrested by the Serbians. The government has replied that it cannot interfere for the maintenance of order in sections of Dalmatia entrusted to the care of the Americans, but that it will convey the appeal to the American commander, Rear-Admiral Andrews.

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt nervous most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months and am now well. I do not think the Vegetable Compound can be beaten for women's ailments.

The majority of mothers nowadays overdo their work, and many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in their lives that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthine.

Formation of A Musical Society

Meeting Held in Imperial Theatre Yesterday—Committees Appointed and Addresses Given—Will Carry on Series of First Class Concerts.

A largely attended meeting of those interested in the formation of a musical society was held at the Imperial Theatre yesterday afternoon and a provisional committee was elected who will act until Oct. 31st when the first official meeting of the club will be held. W. H. Golding acted as chairman and Mrs. Louis Lecheur was appointed secretary.

Mr. Golding spoke of the splendid societies which flourish in other cities such as the Orpheus Club in Halifax, and felt sure that there is much talent in St. John which could be brought out. He said that possibly lycium talent, such as stringed instruments or other performers, might be brought here and that there are great choral possibilities in the city. Mr. Golding stated that he had interviewed W. R. Chapman with the view of once more getting St. John into the chain of its well known festivals, and this might be brought to pass later on. During his address Mr. Golding voiced the hope that all classes would work together for the good of this enterprise and that no distinctions would be made on any personal grounds.

Moved by W. F. Hatheway, seconded by Mrs. A. D. C. Wilson. "That this meeting, believing in the power of good music to be one of the greatest social and artistic forces to war a better community life and a nobler citizenship, desires to form a musical club in this city, with the object of carrying on a series of first class concerts to be held on week evenings from December 1st to May 1st, next. Membership fee to be not higher than \$5.00 per year."

Why Stay Fat? You Can Reduce

The answer of most fat people is that it is too hard, too troublesome and too dangerous to force the weight down. However, in Marmola Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or exercise, and have the added advantage of cheapness. A large case is sold by druggists at \$1. Or, if preferable, they can be obtained by sending price direct to the Marmola Co., 364 Woodward Ave., Detroit, Mich. Now that you know this you have no excuse for being too fat, but can reduce two, three or four pounds a week without fear of bad after-effects.

Don't Neglect Your Breakfast

The Fear of Indigestion Often Prompts One to Start the Day Wrong. Eat What You Like, Take a Stuart's Dyspepsia Tablet And You're Safe.

Breakfast offers many of the most savory dishes of all the things we eat. And yet more people than otherwise go without breakfast save a roll and cup of coffee for fear of indigestion. If you like a fried egg, or some buckwheat or sausage for breakfast go to it and follow with a Stuart's Dyspepsia Tablet. You'll have no trouble. The average person who neglects breakfast will be hungry before noon. Most men smoke to kill the appetite, or munch on something to carry on till lunch time. An empty stomach under these conditions is not storing up energy, but on the contrary, is susceptible to many influences that may work hardship for the next meal.

OPERATIONS AT DOUGLAS BOOM ARE RESUMED

Lack of Water Has Greatly Retarded Work and a Suspension of Activities for a Time Was Necessary. Fredericton, Sept. 30.—Rafting operations at the Douglas boom, which had been suspended for some weeks on account of lack of water, are being resumed again today. Between 1,000,000 and 2,000,000 feet of lumber are at the Douglas booms to be rafted and a crew of 25 men will start work at once.

The corporation drive at Grand Falls was estimated to be about 2,000,000 feet, and by the time it reached Bristol it had reached about 4,000,000 feet. Some logs had been stranded on the bars and two bridges, but with the recent raise in water these have been gotten into the drive and today it was said that it had reached Upper Woodstock.

The next business was the appointment of a committee who will endeavor to find a chairman and get members for the club and those named for the duty were W. F. Hatheway, F. G. Spencer, Neil McLean, Louis Lecheur, Mortimer Robertson, W. H. Golding. During the discussions Mrs. Williamson told of the management of the Orpheus Club of Halifax. Mr. Smith asked of the plans for dramatic performances, and Rev. F. S. Dowling spoke of his interest and sympathy for the movement.

Registering Women On Voters' Lists

City is Being Well Canvassed to Arouse Interest—List of New Justices of the Peace—Many Women Registering.

The city is being pretty well canvassed to arouse interest in the importance of women registering on the voters' lists. Yesterday morning, at the Imperial Theatre, a meeting of the Local Council of Women was held. Mrs. F. E. Holman presiding. The work of canvassing the city has been suggested by the Women's Suffrage Association, members of which have already done much personal interviewing. Fifty members of the Daughters of the Empire started off yesterday morning and were assisted by members of other societies affiliated with the Council. Houses will be visited and women shown how to fill in the cards.

Slides have been prepared which will be shown on the curtains of the theatre Empire street on Friday morning. The appointments will be published in the Royal Gazette and the new J. P.'s sworn in today. The list is as follows: Usher Miller, 78 Douglas avenue; Joseph W. McAlary, 29 Victoria street; Frank Watson, 424 Douglas avenue; George S. Bishop, 121 Wright street; Joseph E. Smith, 417 Main street; Oscar F. Price, 101 Adelaide street; Arthur S. Connors, 61 Adelaide street; Herbert W. Bromfield, 20 Cranston avenue; H. S. Keith, 50 Princess street; F. Lloyd Campbell, 20 Elliott Row; Lawrence E. Manning, 158 German street; Ralph S. Stephenson, 111 George street; Harold Vincent, 123 Carmarthen street; Frank T. Lewis, 62 St. James street; Robert J. McPherson, 191 Paradise Row; Hugh H. McLaughlin, 79 S. Keith; Kenneth L. G. Bailey; C. Joseph Mellday, 141 Wentworth street; Murray Log, Fairville; Jas. E. Arthurs, 65 Mechanic street; Frank W. Merrill, 109 Acadia street; Walter K. Brown, 510 Main street; Michael D. Sweeney, 234 Douglas street; Matthew A. Malone, 54 Lansdowne avenue; James P. Quinn, 134 Elm street; Charles A. Owens, 7 Elliott Row.

In the West End. Through the efforts of Rev. W. R. Robinson, the parlor of the Ludlow Street Baptist Church is opened every night this week, and W. M. Campbell, a Justice of the Peace, is present, ready to register all women who wish to have their names on the voting list. Mr. Robinson explains that the church is open for all women who wish to register and is not confined to members of the congregation. About one hundred women were registered on Monday night, and another large number last night.

In the County. It was pointed out by an official in the county yesterday that some time ago the first of last month young ladies canvassed and obtained the names of nearly six hundred women who have been placed on the voters' list, said names having been handed in to the County Secretary. These names will be published about the different parishes next week, and any women who do not see their names on the list can then call on the registrar and have their names placed on the list. The list does not close until Oct. 25th, being different from that in the city. A Gentle Hint. Do you know what ward you live in? One of those in charge of a registrar

Hearing Resumed In Manslaughter Case

Preliminary Hearing Resumed Yesterday in Charge Against Robert Hickey Who Drove Car Which Caused Death of Marion Crawford.

Yesterday morning and afternoon the preliminary hearing was resumed in the manslaughter charge against Robert Hickey. Dr. G. O. Baxter testified that he had been summoned to attend Marion Crawford after the accident. She was suffering from shock, both legs were cut, her nose was broken. He attended her from the time of the injury until September 1st, the day of her death. She died from the effects of the accident.

Dr. Abramson, provincial pathologist, who made an examination of the remains of the girl, was the next witness. He said his opinion was that the fracture of the skull was the cause of the death. Frank McBriarty testified that he was on the scene of the accident on the day in question and did not hear the automobile horn sounded. He judged the car was being driven about twenty miles an hour. He saw the car swerve and did not believe the defendant deliberately struck the girl. He looked on it as an accident.

JOINT MEETING HELD YESTERDAY

A joint meeting of the St. John and Kingston Diakonies was held yesterday. Holy Communion was celebrated in Trinity church, Rural Dean Sampson being the celebrant, assisted by Rev. Canon Armstrong.

After the service the members adjourned to the church of England institute for a discussion on the Anglican Forward Movement. The speakers on this subject were His Lordship Bishop Richardson, Rev. Archdeacon Crowfoot, Rev. Canon Armstrong and Mr. Smith, Organizing Secretary of the Forward Movement. After the morning meeting the members adjourned to Bond's where luncheon was served.

Police Court Cases Yesterday

Number of Minor Cases Dealt With—Much Interest Taken in Liquor Case Against Fred Paddock.

In the police court yesterday morning William Williams pleaded not guilty to being drunk, using abusive language and carrying an offensive weapon. He was remanded. Fred O'Keefe pleaded guilty to drunkenness, but not guilty to breaking and entering a house. He was remanded. Wm. London, charged with obtaining money under false pretences, was remanded.

Three drunks pleaded guilty and will be dealt with later. Charles Paddock, Sr., was charged with allowing his son, Frederick Paddock, to use his premises for illegal purposes. Inspector Merryfield told of being in company with Inspectors Kerr and Linton when armed with a search warrant they called at 244 Brackets street on Sept. 24th and in the coal cellar found four unopened barrels. He broke open the barrels and found two to contain Hogue gold labelled whiskey and the other two bottles of Old Club whiskey. Another barrel was part full of John Deypper gin in square faced bottles. There was also another barrel part full of bottles of House of Lords whiskey, another was part full of assorted liquors. Around the barrels were hundreds of straw and paper wrappers such as are used around liquor bottles. On going into the kitchen Inspector Linton entered the pantry and brought out a five-gallon can full of alcohol.

FREE INSTRUCTION AT NIGHT SCHOOLS. An Opportunity for Everyone to Better His Educational Condition is Offered by School Trustees. Six new pupils enrolled in the classes of the night school last evening, making a total of 78 now receiving instruction. The instructors said last night that there was still room for more pupils in all the classes. All those who wish to start at the beginning would report at the school at once. The age of the pupils range from 15 to 40 years, and the works cover the instruction carried on in the first ten grades of the common schools. The elementary classes meet on Tuesday, Thursday and Saturday evenings, while the more advanced classes are held on Monday, Wednesday and Friday evenings. Many returned men have taken advantage of the opportunity of bettering their educational condition and have enrolled in the different classes. The school board is to be commended for making available these classes which give those, who had not proper chances of education in early life, to better their condition. A Thousand to One. LEADING FIGURES IN THE COMING CONCLAVE OF CAPITAL AND LABOR

While manufacturers are the greatest body of employers and most directly interested in the labor problem, they will have a representation of only five out of the forty-five members of the Industrial Conference that President Wilson has called to meet at the White House on October 4. declares William H. Barr, president of the National Founders' Association, in his weekly letter to the membership in Chicago. Labor will have fifteen delegates at the conference, Mr. Barr explains; the general public will have fifteen appointed by President Wilson; general members and the manufacturers will have five each, and there will be two financiers and three farmers. "Manufacturers, who are the greatest body of employers and the most directly interested in the labor problem, will have only five men to speak for them," declares Mr. Barr. "The National Grange is the one truly representative farmers' organization in the United States and is permitted to select only one of the three farmers' representatives, while the two others will be selected by organizations having views differing in many respects from the National Grange."

ST. JOHN, N. B., WEDNESDAY, OCTOBER 1, 1919.

WOMEN AND THE BALLOT.

For more than a generation there has been agitation in every province in Canada, in every state in the Union, and in every corner of the civilized world, in favor of women's franchise. These various governments which, recognizing the justice of the claim, were first to extend this privilege, were held up to the rest of the world as examples of progress, and suffrage societies operating in every part of the country, were inspired by each new success to intensify their campaign for the ballot. In New Brunswick, and with headquarters at St. John, an organization of women, which had secured the cooperation of influential men, worked unceasingly year after year to bring about the result which has recently been attained. After various attempts in the provincial legislature, the concession, a perfectly just one, was granted, and women were accorded the privilege of voting on an equal footing with men. In the last federal election the franchise was extended to include mothers, wives, daughters, sisters and other near relatives of men serving in the ranks, and because of the peculiar circumstances surrounding that election the women's vote, in some communities at least, was reasonably large. But now it appears that having secured in this province the right for which they fought, the women have lost interest. The revised lists of voters are now being prepared, but women who have asked for the ballot, who have condemned mere males for improperly withholding from them this privilege, now show little disposition to make use of it. All that they have to do at the present time is to make application to the revisors to have their names placed on the voters' lists. They are not doing it spontaneously and evidently have no intention of exercising themselves, although in the very near future the opinion of the people of this province will be asked on matters in which women are popularly supposed to be more directly concerned than are the men. It is true that some realize the advantage of participating in election contests, are attending to this important matter, but many whose names have been entered on the new lists have been induced to take this step by husbands, brothers, fathers, members of political committees, or through the arguments and representations of women's organizations or churches to which they belong. Those who have acted voluntarily, and in appreciation of the privilege accruing through this registration, are few in proportion to the whole. If one may judge by the facts as they appear to us, what the women wanted was the right to vote and not the privilege of exercising the franchise. They rebelled against the restricted ballot which they claimed constituted a mental inferiority, and were determined to carry on the fight to the finish until the franchise was extended as desired. Now when granted the right to vote they have lost interest in the fight. Women of St. John and of New Brunswick generally know that they can vote whenever they wish by placing their names on the voters' list, and this knowledge seems to satisfy them. Enjoyment of the privilege, rather than the exercise of the franchise itself, appears to have been their goal. Were this not the case there would be a rush to have all names listed during those last few days. If women really want to vote, let them show it by registering this week.

EARNING AND SPENDING.

Thomas W. Lawson says that the people of America are levelling themselves to an orgy of gambling, that trading on the New York stock exchange is ten times greater than ten years ago and that everybody is out for easy money, willing to take a chance of loss in the effort to obtain something for nothing. Whether this is true or not, it must be admitted that this country with many others is experiencing a period of wasteful expenditure and of extravagant living. Riches are unequalled. There is not enough money in the world for everybody to have as much as he wants, and the more that workers receive for their labor, manufacturers for their products, merchants for their stocks, the more they will have to receive. The wealthy man today is living more economically than ever before, speaking comparatively, in that excessive incomes are reduced by taxation and by other means. Profiteering is rampant and costs have gone up to such an extent that no matter what increase in wages the working man and the salaried man may receive, more than that increase is at once gobbled up by advancing prices. And the person of moderate income who is not subjected to excessive taxation, the demands of whose home do not call for such expenditures as seem necessary in wealthier families, is in reality largely to blame for the present state of affairs. He is the one who should strive his utmost to live, not more

cheaply—for that is impossible just now—but more conservatively than ever before, to give up luxuries, to purchase moderately, and to refrain from compliance with the demands of those who are recognized as responsible for advancing costs. It is apparent to all, that the working class and the middle class are just as much to blame for the present situation as are the profiteers—so-called—in that they have permitted themselves to become parties to a carnival of extravagance which must inevitably produce unfortunate results. The whole tendency of the times, due to this riotous waste, is upwards. Some day the turning point will come, whether by government action or through the common sense of the people, and when that day arrives, when the index figure of the living cost begins to move downward, then will be the real test of the ability of our people to stand against circumstances. The man who is able to put by in these days of higher wages something against the time when his condition may not be so fortunate is the one who will come out of the period of reconstruction with satisfaction to himself and comfort to those who are depending upon him.

TODAY'S GUESTS.

Today the executive of the Canadian Manufacturers' Association meets in St. John. At the last meeting of the Association the suggestion was made that at least one executive meet in this city in order that the members of the committee might have opportunity of visiting this province and of coming into closer touch with the local manufacturers and of conferring with them on such problems as may present points of common interest. As a result of that suggestion this meeting has been arranged, and it is gratifying to note that among those who are attending from outside places are a number of the most prominent figures in Canada's industrial life. These visitors are welcomed today with added satisfaction because of the fact that all of them are not members of the C. M. A. executive, but are sufficiently interested in the prosperity of the Maritime Provinces to make this trip. These men have already spent part of a day in Fredericton discussing with manufacturers there some of the problems which are called upon to face, and after their conference in St. John it is the intention of the party to visit other provincial points in an endeavor to smooth some of the difficulties which beset every branch of industry in these somewhat disturbed days. The process of readjustment in Canada is one which calls for the warmest cooperation of all, and while those who have troubles of their own, yet their personal interest in the problems of others is an excellent indication of harmonious action towards the restoration of Canada's industrial prosperity.

THE PRICE OF PORK.

The Board of Commerce has ordered a reduction in the price of pork products in Canada. Packers declare that this cannot be done without adversely affecting the hog-raising industry and compelling the packers to do business at a loss. In this instance the Board of Commerce will do well to insist on the application of its order. The prices charged today for pork products by the principal Upper Canadian houses are absurd in the extreme, but fortunately many sections of Canada are not wholly dependent upon the products of these big packing houses. At this season of the year local packers are getting in their fine work and are producing hams, bacon and all other varieties of pork at prices much below those demanded by the bigger concerns. In the city of St. John, for instance, hams and bacon upon which our people usually depend during the cooler months, are today on sale at from ten to fifteen cents per pound less than is charged by the big Upper Canadian plants. And these products are just as good during this period of the year as the best that can be obtained from outside. We have three or four local houses which are today turning out hams and bacon second to none, selling at from thirty-five to forty-five cents per pound wholesale and retailing at from forty-one cents to fifty-five cents per pound. Superior United States products can be landed in St. John to sell today at considerably less, retail, than Upper Canadian houses are charging dealers for their wholesale shipments. And all this in the face of the fact that hogs in Canada are quoted at lower prices than in the Eastern States and that importations from that country are subject to duty. The Board of Commerce, if it is deluded into the subject sufficiently, is in possession of absolute information that in certain lines of products Upper Canadian packers are enjoying a profit greater than any business house should demand.

WHAT THEY SAY

Time For a Decision.

New York Herald: Has the time arrived when it must be decided whether we have a government of law or a government of class—a class bent on destroying the social and economic structure and confiscating private property?

A Sickly Smile.

Springfield Republican: One may perhaps smile on reading that a federal food administrator in New York has announced that he will investigate the prices on clothing and shoes. But there is evidence of profiteering, and the public will not care what official does the work if relief is obtained.

Meet The Issue.

New York World: It must be that wrongs so glaring and so intolerable, amounting to civil strife, are unnecessary among self-governing peoples. Liberty to quit work in concert carries with it no license to promote conspiracy and rebellion and no right to establish the dictatorship of a class. Government which cannot or will not meet this issue at the threshold can never be secure.

Read Congratulated.

New York Sun: We congratulate the Missouri senator upon his noble service to the cause. All the more credit to him because he is a democrat! We note with especial gratification the steadily increasing number of democratic senators who refuse to be dragooned by partisan commands and appeals for Mr. Wilson's personal benefit into a position which their American patriotism cannot tolerate.

Honor to Albert.

New York Tribune: King Albert will get every hand in America worth counting, not because he happens to be a king, but because he proved himself to be a man, a great hearted, courageous leader. Small minded socialist mayors will only be conspicuous by their absence. Nowhere, in our country, however ruled, did a finer figure than King Albert arise. He is one of America's heroes in the great war and it will be a privilege and a pleasure to honor him.

Strikers' Poor Case.

Philadelphia Public Ledger: It is certain that the strikers enter the conflict handicapped by their uncompromising refusal to listen to wise counsels of moderation and delay. They had nothing to lose by waiting to present their case before the nation through the coming conference, their pretense to the contrary notwithstanding. The American people are not blind to the undisputed fact that the workmen in the steel industry are among the best paid in the country. In the strike agitators can hope for scant sympathy, and are not blind to the undisputed fact that the workmen in the steel industry are among the best paid in the country. In the strike agitators can hope for scant sympathy, and are not blind to the undisputed fact that the workmen in the steel industry are among the best paid in the country.

A BIT OF VERSE

EARTH SONG.
Mother and makers of us all,
The flags are down, the trumpets
Dead war beneath its splendid pall
Has yielded place to living peace.
By all we wrought and all we said,
Make thy sons worthy of their dead.
We tore thy breast with steel and
And in the hate that brimmed to
Hard-ensetting in thy holy name
We drenched the fields with brother
blood.
By that wild tempest hot and red,
Oh, make us worthy of our dead!

The pain, the wrath, the shame, the
scorn
Are passed like the cloudy night;
The promise of the morning
Is golden in the people's sight.
What thought is here that we should
dread
If we be worthy of our dead?
There comes no challenge loud and
vain,
No vaunting of unchastened pride;
No kingcraft fills a world with pain
That wrong of might be defied
Oh, not in vain the millions bled
If we be worthy of our dead!

The little voices faint and fall;
A grander music fills our ears,
Only in dreams we hear the wail
Fading from the maddened years.
While the new days lift up their head,
Worthy of us and of our dead.

Above the graves the grasses nod,
Below the fort, the poppies bow,
Mother of all, to thee and God
The war-taught nations make their
vow.
By stars that shone and hopes that
led
We shall be worthy of our dead!
—David McKee Wright, in the
Washington Bulletin.

THE EDITOR'S MAIL

The Editor of The Standard.
Sir,—The contractors who are treaching and backfilling the water pipe in Brussels street had been at work in the Dry Lake trench for a year and a half with a crew of 25 or 30 men at four to five dollars a day. They got \$15,000 for the work. Can someone tell me who paid the difference? And they are excavating and backfilling the trench in Brussels street and have not made any entrances to alleyways or stores or used a pounder on the backfilling for four days as I know. Any town contractors who would do this work would have an inspector over him who would see that the people have proper entrances made for them and that the backfilling specification was carried out by having two men pounding the earth for one man shovelling into the trench. Is this the reason these men can get city contracts and finish this way when town contractors who have been in the city all of their lives cannot. If the city fathers would tell us all about it through your paper I know it would interest a good many of your readers.
Thanking you for your kindness in publishing this letter.
CHARLES J. CAIN.

WEDDINGS

Calvin-Brown.
A very interesting event took place last evening when Joseph Calvin of 3 River street, was united in marriage to Mrs. Ella Brown of Hilyard street, widow of the late Wallace Brown. The marriage was celebrated at the home of the groom, Rev. Neil McLaughlin performing the ceremony in the presence of a large number of friends. The bride was attended by Miss Eva M. Stevens and Alonzo Stevens supported the groom. A number of beautiful presents were received and the guests were entertained at a wedding supper.

WILL HOLD CONVENTION.

The Motion Picture Exhibitors' League of the Maritime Provinces will hold a convention in St. John on October 22nd and 23rd. It is expected that a number of members will attend and that many matters of interest to the film business will come up for discussion. The exhibitors in Nova Scotia are especially interested members. W. McLaughlin, manager of the St. John Opera House, is president of the league.

Clear vision depends in part on the muscular control of the eyeball and its parts. Age tends to slow down these muscles and to restrict the elasticity of the inner lenses. The most noticeable effect is increasing difficulty in seeing well at close range. Properly fitted glasses restore normal sight, and protect the eyes from injury through strain. The sensible thing is to have your eyes examined every year or two by a competent optometrist and be guided by his advice. You can have such an examination made here.

"Beats Anything I Ever Heard Of"

St. John Man Was Getting Weaker Every Day—Tanlac Puts Him on His Feet.

"I would actually give my whole week's pay for a bottle of Tanlac rather than be without it," said Ernest B. Williams, who lives at 101 Simonds street, St. John, New Brunswick, while talking to a Tanlac representative the other day. "I had been suffering from indigestion and stomach trouble for about two years," continues Mr. Williams, "and this trouble was getting the best of me mighty fast. I was getting weaker and weaker every day, and had reached the point where I was hardly able to work at all. I didn't have any appetite to speak of, and what little I managed to eat would sour on my stomach and cause me to suffer for hours at a time. Sometimes my head would ache so bad I just thought it would burst. My back ached a lot, too, and very often my legs would hurt so bad I could hardly stand on my feet. I was so restless and nervous at night that I hardly ever slept much, and would feel so tired and worn out every morning I could hardly pull myself together enough to go to my work. While in this weak, run-down condition, I had an attack of the 'flu' and this about put the finishing touches to me. "Well, I managed to pull through this spell of influenza, but it certainly left me in bad condition. It just seemed that I would never get started up hill again, for nothing I tried did me any good at all. We had heard a good deal about Tanlac, and a friend of ours told my wife about how much relief this medicine had brought her, so I decided to give it a trial. Well, sir, I have only taken three bottles of Tanlac so far, but the way I have improved beats anything I ever heard of. Why, I have such a fine appetite that I am actually hungry all the time and I have gained nine pounds already. I can just feel myself getting stronger every day, and I know I am gaining in weight right along. I am not restless and nervous at night any more, and sleep like a log from the time I hit the bed until time to get up in the morning. I wouldn't take anything in the world for what Tanlac has done for me, and you can count me to say a good word for it every chance I have. "Tanlac is sold in St. John by Ross Drug Co., and P. W. Minto under the personal direction of a special Tanlac representative.—Advt.

Common Council Regular Meeting Held Yesterday

Tenders for Granite Curbing Considered Too High—Several Increases to Pay of City Employees Approved—Other Business Transacted.

The common council in session yesterday afternoon decided not to accept tenders for granite curbing as the price was considered too high. Several increases in the pay of city workmen were approved. Andrew J. Mulcahy and James McKinney were re-appointed as port wardens. Other matter of a routine nature were dealt with. Mayor Hayes, Commissioners Fisher, Jones and Bullock with the Common Council Clerk were present.

The minutes of the last meeting were read and confirmed. The report of the committee of the whole was received and adopted as follows: That the minutes of the last meeting be read and confirmed. That John Casey, employe in the ferry service, who has been unable to attend to his duties owing to sickness, be allowed half pay for one year from November 1st last. That John Hamilton, ferry employe, who has been absent from his duties on account of sickness be allowed half pay for time he was off duty. That a lease be given to Mrs. Elizabeth Toner, of the dwelling in her occupation at Misepic, and owned by the city, for one year from November 1st, at a yearly rental of \$5.00, the lease to contain the condition that Mrs. Toner give up possession at any time on receiving three months' notice to do so.

That the offer of Scovill Bros., Ltd. to make and trim policemen's overcoats according to specifications for \$30 each be accepted. That the offer of W. C. R. Allan of Fairville, of \$600 for a conveyance in fee simple of part of lot No. 4, Block 8, Parish of Lancaster, now under lease, be accepted and that a deed be issued under the common seal upon payment to the chamberlain of the purchase money. That the agreement with the department of public works of Canada indemnifying the government against possible damage of city property by dredging about to be undertaken by said department at the request of the city be approved and that the common seal be affixed thereto under the hand of the Mayor and Common Clerk. That the commissioner of water and sewerage be authorized to have the timber property at Grand Bay owned by the city and which was purchased by the Misepic Mill dressed with a view of finding out what lumber is now standing on the property. The commissioner of harbors, ferries and public lands recommended that Andrew J. Mulcahy and James McKinney be re-appointed as port wardens for the port and harbor of St. John.

Commissioner Fisher said he had been spoken to about this matter and had intended to ask to have it taken up in committee, although he had nothing to offer in the way of suggestions. Mr. Bullock said the men mentioned were qualified for the work. The appointments were then approved. Chester G. Beveridge asked for a lease of the site on Rodney wharf, at present occupied as a fruit stand. He offered to pay \$225 a year rental. This was referred to the commissioners of harbors. Mr. Bullock reported that he intended offering employees in his department the increase approved by council. He wanted to increase the wages of the wharf builders from \$3.70 to \$3.95 a day. Commissioner Fisher asked authority to increase the pay of two men in his department from \$4 to \$4.50 a day. The men were not permanent but worked for the city during six or seven months of the year. The men in question were John Thompson and James Ewart. The tenders for granite curbing will be sent back to the tenders as the prices were considered too high. Mr. Fisher said the former price was

THROUGH SLEEPER FROM ST. JOHN TO QUEBEC. Will Leave Tri-Weekly via Valley Road and Transcontinental. Canadian National Railways will Commence Operation of Valley Section on October 1st. Commencing Wednesday, October 1st, the Canadian National Railways will begin the operation of the St. John and Quebec Railway (Valley Railway) out of St. John. On Tuesdays, Thursdays and Saturdays a passenger train, No. 47, will leave St. John at 1:55 p.m., running over C. P. R. tracks to Westfield Beach, and from thence over the Valley line to Gaspé, Fredericton, Woodstock and Centreville. On Monday, Wednesday and Friday the service will be by mixed train the No. 241, which will leave St. John at 6:00 a.m. Particulars of this service will be included in next issue of Canadian National time table, and in the mean time information can be obtained at the city ticket office. On Tuesdays, Thursdays and Saturdays a buffet sleeper and parlor car will be attached to No. 47 and will run through to Quebec via Fredericton, McGivney Junction and Edmundston. This car, on arrival at Fredericton, will be attached to No. 28 passenger train leaving Fredericton at 6:25 p.m. and at McGivney Junction, will be picked up by No. 501 express on the Transcontinental leaving McGivney at 8:10 p.m. This train reaches Edmundston at 11:00 a.m. and arrives at Quebec (via the Bridge) at 11:00 a.m. Besides accommodating passengers from St. John, this service will be of benefit to travellers from Fredericton and points along the Transcontinental. The need of a sleeper between Edmundston and Quebec has been felt for some time as travel is quite heavy in this section.

Mrs. George H. Waring arrived on the steamer Governor Dingley, yesterday afternoon, having spent a few enjoyable weeks visiting friends in Boston.

MAY ASK CANADA TO UTILIZE OWN FUEL RESOURCES

Arthur V. White Explains Why Pennsylvania Coal Fields Are Hard Pressed.

That Canada can not go indefinitely depending on goodwill of American coal exporters, to keep her supplied with fuel, but that she must take steps to develop her own coal resources, was the plea of Arthur V. White, of the commission of Conservation in an address delivered at Niagara Falls "in some respects," said Mr. White, "is more important to move coal and have it adequately stored and distributed throughout the country than it is to remove grain out of the country."

In 1912, Britain supplied for export to continental Europe about 50,000,000 tons of coal, or which France took 20,000,000 tons, Italy 1,650,000 tons, Sweden 4,500,000 tons, Norway 2,500,000 tons, Spain 3,650,000 tons, Denmark 3,000,000 tons, Holland 3,010,000 tons, Portugal 1,350,000 tons, other Mediterranean countries 3,500,000 tons. In addition Great Britain sent about 9,800,000 tons to South America and 5,000,000 tons to other parts of the world.

Cincinnati Is Baseball Crazy

Joe Page Tells Fans of Situation in Cincinnati on Eve of Big Series.

(By Joe Page.) Cincinnati, O., Sept. 30.—Cincinnati has gone thoroughly baseball crazy. One and all are out for the big series. A mob that will not only tax the capacity of the park but thousands may be expected to rush the grounds. The five reserve police forces will be on hand to protect any such work. Reuther is announced to pitch the opening game. Notwithstanding I still think that Slim Sallee will be found to have the honors in the opening game. The betting tonight is ten to eight that the White Sox will win the first game. An offer was made to eight hundred to sixteen hundred that the White Sox would take the first two games.

BUDGET SYSTEM IS PROPOSED TO CURB U. S. CASH FLOW

Washington, D. C., Saturday.—Extravagance in government departments rather than wasteful legislative practices is the basis of a demand for a budget system, according to assertions made today to the House Committee on Appropriations by members of the House.

This contention was maintained by members of both parties, including Representative Kitchin, Democrat, of North Carolina; Campbell, Republican of Kansas; Taylor, Democrat, of Colorado, and Garner, Democrat, of Texas. C. W. Collins, a budget expert in the reference library of Congress, recommended that control of the budget be placed with a cabinet officer.

Mr. Collins said government agencies made little or no effort to keep down expenses. Members of the House resented this, because it included the legislative branch of the government.

"DESTINY"

MARY BURTON LOVED JEFFERSON EDWARDS, her girlhood sweetheart. But Hamilton Burton, her brother—the earl of Wall street, who knew no law but his own will—forced her to marry him. It was not the first time the will of brother and sister had clashed. Up to that time, Hamilton had had his way. But in the matter of her love, Mary was not to be gainsaid. And so—But that is the story of "Destiny," a powerful drama of human emotions and conflict, in which Dorothy Phillips is the most delightful interpreter of the leading roles—a sweet wisp of girl, but powerfully dramatic and convincing.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat which clogs Kidneys, then the back hurts.

Most folks forget that the kidneys like the bowels, get sluggish clogged and need a flushing occasionally, else we have backache and misery in the kidney region, as headache, rheumatic twinges, liver, acid stomach, sleeplessness, all sorts of bladder disorders.

You simply must keep your kidneys clean and, when the moment feels an ache or pain in the kidney region, get about four ounces of Salts for any good drug store. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act like a delightful afterthought.

This famous salt is made from acids of grapes and lemon juice, combined with lithia, and is harmless, slugs clogged kidneys and stimulates them to normal activity. It is not a cathartic, it is the only salt that no longer irritates, thus bladder disorders.

Jad Salts is harmless; inexpensive, and a delightful afterthought. It is a water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist has bottles of Jad Salts to folks who here in overworking kidney territory it is only trouble.

Try Making Your Own Cough Remedy

You can save about \$2, and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get any druggist 2½ ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is 16 ounces of really better cough syrup than you could buy ready-made and saves easily \$2. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

MONEY MARKET BEATS STRIKE AS TRADE FACTOR

Call Money Opened at Six Per Cent. and Advanced by Rapid Stages to a Limit of Twelve Per Cent.

New York, Sept. 30.—The money market beat the strike as the factor of primary importance on the stock exchange today, although yesterday's flurry in call loans to the highest rates in many weeks effected no diminution of bullish operations.

Call money opened today at six per cent., soon advancing by rapid stages to ten and twelve per cent., but dropped to its initial rate just before the close of the market, when all demands of the day had been met.

These fluctuations were not considered unusual by money lenders in view of the interest and dividend disbursements aggregating upwards of \$125,000,000, which marked the advent of the fourth quarter of the year.

Crucible Steel was again the star performer on its further rise of almost seventeen points to the new high record of 247, the event being concurrent with the announcement of the resignation of the company's chief executive.

Other steels and related equipments, such as Bethlehem "B," Sloss-Sheffield Republic and Pennsylvania Seaboard, Baldwin and American Locomotive, New York Air Brake and In Pressed Steel Car registered extreme gains of two to almost nine points.

To the Electors of the Federal Con-
stituency of Carleton-Victoria:
Having been nominated by a Con-
vention of the UNITED FARMERS OF
NEW BRUNSWICK, which was held
in Woodstock on September 2nd, to
contest the coming bye-election in the
above constituency to fill the vacancy
caused by the resignation of the Do-
minion Minister of Public Works, and
as the Election is to be held on Oc-
tober 27th and the time being so short,
it will be impossible for me to per-
sonally call on all the Electors in the two
Counties, I, therefore, take this oppor-
tunity to state to you what the aims of
the UNITED FARMERS are.

They are, in brief, as follows:
THE UNITED FARMERS are
strictly independent of both the old
Political Parties, and their representa-
tives will be perfectly free to support
any measure that is for the best in-
terests of the Farmers of Canada, and
just as free to oppose any measure
that they feel is not in the interest
of the Farmers.
And Canada, being an Agricultural
Country, we believe that any legisla-
tion that is beneficial to Agriculture
is indirectly beneficial to every citi-
zen of Canada.

THE UNITED FARMERS also stand
for PURITY in elections, as they be-
lieve that the lack of this is the start-
ing point of all the Political Grift
and Corruption which is so much in
evidence in Canada today.

We would therefore appeal to every
loyal citizen of Canada to support the
FARMER'S PARTY, and to the Elec-
tors of Carleton-Victoria, to support me
as the UNITED FARMERS' Candidate
in the coming Bye-Election.
Yours sincerely,
T. W. CALDWELL

SERVICE AGAIN NORMAL.
The break in the water main at Elmwood Square was quickly repaired yesterday and the service is again normal.

PAYING WATER RATES.
There has been a steady flow of people at City Hall the last two days, paying their water rates. The last charge for the five per cent. discount is today.

MEETING NEXT TUESDAY.
It was announced yesterday that the Municipal Council would meet on Tuesday of next week and the usual business of the finance committee was to be held on Friday of this week.

THE HARBOR REVENUE.
An increase of \$3,662.21 in harbor revenue is reported for the past month in comparison with the corresponding period of the previous year. The increase was due to higher rates for harbor anchorage, side and top wharfage fees. The figures: 1918, \$4,283.94; 1919, \$4,866.15.

MRS. TWining HONORED.
Mrs. Twining, of Warren Cottage, Kingston Hill, Eng., formerly of Fredericton, and her grandson, Lord Dufferin, have been spending some weeks at Dufferin. Mrs. Twining has been awarded La Palma d'Or and La Medaille de Reconnaissance Française by the French government for her war services.

AT GLEN FALLS.
A pleasant social evening was spent by the members of the congregation at the church at Glen Falls. The entertainment was arranged by the ladies of St. Mary's church and the programme consisted of selections by St. Mary's Band and readings by Mrs. Buckley, Mrs. Brown and Mr. Clayton. Refreshments were served.

NOVELTY SHOWER.
At the home of Mr. and Mrs. W. G. Smith, Princess street, a novelty shower was given in honor of Mrs. Grant Smith, a bride who recently arrived in St. John. About thirty-five friends of Mr. and Mrs. Grant Smith were present and brought with them many useful and dainty gifts. A pleasant social evening was spent.

NO BUILDING PERMITS.
No building permits were issued during the month of September by Building Inspector Carleton. In 1919, no permits were issued during August or September, while in August of last year four were issued. Several permits for repairs of minor nature to buildings were granted by the inspector, but they were not of a character to add materially to their value.

HARBOR DREDGING.
Two tenders have been received for the dredging to be done by contract in connection with the cleaning up of the berth at West St. John. Announcement of the award of the contract will probably be made within the next ten days.
The public works department will do a considerable portion of the work with the dredge fielding.
St. John, who before the war was well supplied with dredging boats has at present only a few dreges available. Among the craft at present here is the Beacon Bar, which, with four scows, was recently purchased from the Maritime Dredging Company by J. A. Gregory, of Lancaster. The Beacon Bar and scow are being overhauled and put in good working order at Gregory's pond. Another machine here is the steam shell digger owned by J. S. Gregory.

Sugar Refinery Strike
Situation Unchanged

Union Officials Report More Than Five Hundred Men Out
—Company Says Refinery Still in Operation—Mayor Takes Action—Strikers Listen to Address Last Night.

The Sugar Refinery strike situation remained unchanged last night. The union officials reported more than five hundred men out, while the company said that the refinery was still in operation and local deliveries had been made yesterday.

The members of the union met in the Longshoremen's hall, Water street last evening and listened to addresses by labor men and others. J. A. Barry was present and indicated his sympathy for the cause of the men, and ordered them to conduct the strike in an orderly manner. Labor men also spoke and asked the men to follow the advice of their leaders. The feeling of the meeting was that the strike was progressing satisfactorily.

Mr. A. Campbell, president of the Trades and Labor Council announced that Mr. Quirk, representing the Minister of Labor, would be here today to look into the conditions surrounding the strike.

In reference to a statement made that strikers had prevented local consumers from getting to the refinery for sugar for local merchants, Mr. Campbell said that some of the men had announced to the teamsters that there was a strike in progress and some of them would not go into the refinery for loads, but that the strikers had used no threats and that nothing had been done, nor would be done to prevent local people from getting sugar.

Mayor Hayes had been asked to interview the company management with an idea of making some arrangement, but the conference could not be arranged yesterday. It is expected that His Worship will meet the refinery officials today.

Mr. Seidenstecker, refinery manager, said last night that work was still going on at the refinery and that deliveries had been made during the day.

Mr. Campbell, who is in charge of the strike, said that the other unions in the city had expressed their sympathy and support for the strikers, but no action would be taken by the other unions unless the sanction of the controlling bodies was secured. He said that the strike would be conducted in a lawful manner. There was a rumor that some men from outside had arrived, but there was no official confirmation of this.

CONGREGATIONAL
DINNER ENJOYED

Large Attendance in St. Philip's Church Last Evening—
Proved One of Most Successful Functions.

Favored with an exceptionally large attendance, the congregational dinner in St. Philip's church last evening proved one of the most enjoyable and thoroughly successful functions that the community has yet held.
Tables were laid out with choice viands were arranged about the auditorium and were most tastefully decorated with cut flowers and potted plants. The hall, too, was well decorated, giving an air of festivity that was augmented by the happy gathering present.

Much credit for the success of the entertainment is due the members of the dinner committee, Mesdames Marjorie Ross, Esther Ross and Amelia Williams, while the tables were under the capable direction of Mrs. Jessie Dixon, Miss Bella Langford and Mrs. Ivan Middleton, all members of the Willing Workers' Circle, for the benefit of which the dinner was held.

C. P. R. FIREMAN
BADLY INJURED

John Costley, Jr., a fireman on the C. P. R. had his shoulder blade fractured and several ribs broken Monday night at McAdam Junction when he was blown through the cab window of the locomotive by the bursting of a super-heated boiler tube.
He was brought to the city on the noon Boston train yesterday and though suffering intense pain, was still conscious. His sister, Miss Blanche Costley, met him at the depot and he was rushed to the General Public Hospital where he was reported last night to be resting much more easily. An X-ray examination will be made today.

CITY CORNET BAND
FAIR IS BOOMING

Last night the City Cornet Band lunged up another record for attendance at their seventh annual Around the World Fair now running in St. Andrew's Rink, and the attendance was far ahead even of the most sanguine expectations.
The fair went with a splendid swing and it was a continual round of enjoyment from the time the doors opened until the closing hour. The booths did a thriving business and everyone was happy. The scenic setting of Niagara showed off to splendid advantage and the effect was greatly heightened by the running water and improved lighting effects.

A splendid programme was played during the evening by the Juvenile Band and it is no exaggeration to state that many lavish compliments were paid to these talented school boys and their instructor, Bandmaster Wade, as well as to the "father of the band," James Connolly.
Much complimentary reference was made by visitors last evening to the splendid decorative effects secured in the rink and when it was pointed out that it had all been done in about a week's time additional praise was forthcoming.
The fair will continue the week-end and for the rest of the week.

First Session
This Morning

Canadian Manufacturers' Association Delegates Will Meet in Board of Trade Rooms—The Programme and Delegates Who Have Arrived.

This morning in the Board of Trade rooms there will be held an executive meeting of the Canadian Manufacturers' Association. Delegates from various parts of the province will be present in connection with the meeting together of the Maritime and Eastern Canada manufacturing interests will be thoroughly discussed.

The questions of re-construction and trade expansion are also on the programme and it is expected that the meeting will be one of great benefit to all interested.
In the afternoon, W. S. Fisher, city vice-president of the association, and the other local members, will entertain the visiting members with a banquet around the harbor in the steam yacht, the Maritime division of the association will be present, and will be placed at the disposal of the visitors by John C. Chesley, agent of marine and fisheries. An automobile tour of the city is also on the programme.
Tonight there will be a luncheon, with some addresses, at the Union Club tomorrow morning the visiting members of the executive will meet the members of the Maritime branch, who are expected here from all parts of Nova Scotia, Prince Edward Island and this province, and on Thursday evening there will be a banquet at the Manor House, Glen Falls.

Among those who are in the party, which arrived last night from Fredericton are:

F. Howard, of the Phoenix Bridge and Iron Works, Montreal, president of the Canadian Manufacturers' Association; J. E. Walsh, Toronto, general manager of the association; J. F. Sterrett, Toronto, general secretary; J. R. K. Bristol, manager of the tariff department of the Maritime division of the executive council, in addition to those who are in the party C. Howard Smith, of the Howard Smith Paper Mills, Montreal; A. W. Shopshire, of the Sterling Action and Keys Company, Toronto; S. Harris, of the Harris Lithographing Company, Toronto; H. A. Telfer, of the Telfer Manufacturing Company, Toronto; H. W. Fleury, of J. Fleury and Sons, Ancora; George Douglas, of Thornton and Douglas, Hamilton, Ont.; M. R. Muldrum, of the Herbert Morris Crane and Hoist Company, Niagara Falls; George D. McKinnon, Sherbrooke; P. E. Joubert, Montreal, and P. W. Stewart, of Cluet Poubody and Company, Montreal.

Mayor Hayes said that in the meantime he would have instructed the chief of police to arrange for protection of the citizens from persons who might be responsible.

Local Supplies.
An evening paper announced that the chairman of the Commerce Court had instructed the Atlantic Sugar Refineries, Ltd., to supply the local demand for sugar. Mr. Seidenstecker said last night that he had heard nothing of this so far, excepting what appeared in the paper. He said that in a local people during the month of September was in excess of previous months and amounted to 2,600,000 pounds. Local deliveries had been made yesterday.

Change From New
To Old Time Today

City Employees and Schools Resume Standard Time This Morning—Business Houses and Banks Continue New Time—Railroads Change October 27.

Members of the police force were notified yesterday that starting with this morning, the organization will return to the old or standard time. The police courts, however, will adhere to the daylight saving plan until further notice.

Today City Hall and all city employees will resume the old time, while the railroads, business houses, banks and newspaper offices will continue the new time until October 27, at which time the new railway schedule will take effect. It is understood that the Retail Merchants' Association will follow the retail schedule and the banks and the customs' house will stand in line. The post office messengers will continue to work on the old time until October 27. A dispatch from Ottawa states that Canada immediately after two o'clock on the morning of October 27. At that hour all over Canada trains will come to a standstill for an hour and checks will be do likewise or be turned in order to switch industry and all the Dominion back to the old time. There is no federal law or order-in-council governing the matter in Canada. The day adopted daylight saving so that their time tables would agree with those in the United States. All through western Canada the cities, but for convenience sake, the east, daylight saving has become a matter of the universal rule as though a law had passed.

The hour of two on October 26 was selected because the night following is the one when such a change can be made with the least industrial disorder. With the least delay later than usual and arrive at their destinations on time.

St. John Business College Evening Classes. The opening of these classes for the winter term is always earnestly watched for; many capable bookkeepers and stenographers got their training at these classes. Opening night, Wednesday, October 1st at 7.30 o'clock.

FASCINATING AUTUMN DRESSES.
AT DYKEMANS.
Notwithstanding the stated condition of the making up trade this firm has been able to get along such generous shipments, that they are showing one of the most complete assortments of Serge, Jersey and Silk Dresses that can be found anywhere. The attractive feature about these Dresses is that the firm's buyers secured them from factories that do not sell to other merchants in St. John, and the designs shown are exclusive and eminently in advance of all others, in style and color. The prices are moderate considering the quality, style and fit of garments. Silk Dresses \$12.50 to \$75.00. Jersey Dresses from \$22.50 to \$55.00. Tulle from \$12.00 to \$35.00. Serge Dresses from \$12.50 to \$55.00.
