EVENTS OF OUTDOOR AMUSEMENTS YESTERDAY.

Closing Day of the Ontario Rifle Association Meeting—The Second Military District—The Small Bore Prizes.

Favorable weather attended the competitors assembled at Garrison common yesterday on the occasion of the closing of the O. R. A. meeting and the inaugural match of the Toronto and second military district.

The small bore competition was the only one of the day. The number of entries was small, owing to the larger number of competitors at the meeting being unaccustomed to practicing with such rifles.

The shooting on the whole was excellent and above the standard. Sgt. D. Mitchell carrying off the first prize with 101 out of a possible 105.

The following is the prize list: SMALL BORE—Open to members—Ranges 300, 500, and 1000 yards; seven rounds at each range.

Table with columns for Name, Score, and Prize. Includes Sgt. D. Mitchell (101), Capt. J. W. Russell (98), etc.

The following is an analysis of the scoring of the present match, as compared with that of last year's match.

The second military district prize was decided on the same shooting, and resulted as follows:

The Westons play their return match with the Mainlands this afternoon, in Queen's park.

Immediately after the press match this afternoon the following minor events will take place: A 100-yard race for gold medal and the amateur championship, between Bonnell and Macdonald.

A match was played at Burford on Thursday, between the Eureka's of that place and the Victoria's of Norwich, which resulted in Burford taking the first game in 20 minutes, and Norwich the next three in 7, 30 and 20 minutes respectively.

Today the Chicago public will have an opportunity of witnessing our national game. As this is the first match game in that city much comment is made as to the manner in which the game will be received.
