The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. ## PRAYERS

TO BE USED AT ALL MEETINGS OF THE SOCIETY, AND OF ITS  
SEVERAL ASSOCIATIONS.

---

Prevent us, O Lord, in all our doings with thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by Thy mercy, obtain everlasting life through Jesus Christ our Lord. *Amen.*

O merciful God, who hast made all men and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live; Have mercy upon all Jews, Turks, Infidels, and Heretics, and take from them all ignorance, hardness of heart and contempt of Thy Word; and so fetch them home, blessed Lord, to thy flock, that they may be saved among the remnant of the true Israelites, and be one fold under one Shepherd. Prosper, O Lord, the labors of those Societies of the Church in the land of our Fathers, which Thou hast deigned to use in the promotion of this object, and which have nourished the Church in the Colonies: and bless in like manner with Thy Holy Spirit and Providential succour the Society in whose cause we are now met, and the undertakings which we have now in hand. "Prosper Thou the work of our hands upon us; O prosper thou our handy work," for the sake and through the merits of the same Thy Son Jesus our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. *Amen.*

Our Father, which art in Heaven, Hallowed be Thy Name. Thy kingdom come. Thy will be done in earth, as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation: But deliver us from evil: For thine is the kingdom, the power and the glory, for ever and ever. *Amen.*

## DIOCESAN CHURCH SOCIETY.

The Annual Meeting of this Society was held at the Mechanics' Hall, on Tuesday evening the 15th January, 1861,—the Bishop of Montreal in the chair.

After prayer the Report was read by the Secretary.

1st Resolution Moved by Rev. J. IRWIN ;  
Seconded by His Excellency Lieut.-Gen. Sir F  
WILLIAMS, K.C.B., the Administrator of the  
Government,

That the Report now read be adopted, printed and circulated by the Secretary.

2nd Resolution Moved by Ven. Archdeacon GILSON ;  
Seconded by GEO. BAKER, Esq.

That this meeting desires to return thanks to Almighty God for the onward progress which His mercy has enabled the Church to make during the past year ; for the additional Dioceses which have been established by our Communion, not only on this continent, but in all parts of the world ; and it is our earnest prayer that He will be pleased to enable us still more and more to bear witness for His truth and prepare the nations for the coming of Christ.

3rd Resolution Moved by Rev. J. H. COIT, D.D., Rector of  
Trinity Church, Plattsburg, U.S. ;  
Seconded by G. SMITH, Esq.,

That in order to insure the permanency and efficiency of the ministrations of the Church in this Diocese, especially in the poorer districts, it is very necessary that some systematic efforts should be made to provide for the maintenance of the Clergy by partial endowments ; and it is the duty of the Lay Members of the Church to endeavour to put into operation some scheme for raising a general Sustentation Fund for the Diocese, towards which " the Society for the Propagation of the Gospel," in England have offered to grant annually very liberal aid.

A collection was taken up amounting to \$130.

4th Resolution Moved by Rev. R. LONSDALL ;  
Seconded by Rev. J. SCOTT,

That the cordial thanks of the meeting be given to all those who have taken an active interest in the working of the Society, during the past year—especially to the Secretary, Treasurer, Honorary Counsel and Lay Committee.

5th Resolution Moved by Rev. C. WETHERALL ;  
Seconded by Colonel MAITLAND.

That the thanks of the meeting be given to the Lord Bishop for presiding on the present occasion.

The Bishop then dismissed the meeting with the benediction.

Total amount of investments for the Widows and Orphans' Fund is \$17,830.00.

During the year there has been an increase in the amount raised in Montreal of \$424.28; and there has also been an increase in the Parishes and Missions in the country of \$695.66.

The Montreal Parochial Association has paid to the Treasurer the sum of \$1520.05, which includes \$155.94 contributed by the Missionary Boxes.

The income of the Society has been, from ordinary sources, \$1046 more than last year.

The sum of \$308.43 was raised in the name of the Society and expended on local objects, independently of the Central Board, as allowed by By-Law No. 7. This sum is not included in the income of the Society, as it does not appear in the Treasurer's accounts.

\$527 have been contributed towards endowments, and \$486 have been received from the sale of Books.

The total amount raised within the Diocese during the year for Church purposes is \$44,764, which is \$6,652 less than last year.

At a special general meeting of the Society in June last, an important alteration was made in the Constitution of the Society; Sections No. 2 and 3, which provided for the encouragement of education and granting assistance to candidates for the ministry, were struck out; and the 5th clause was so altered that the Society cannot now make grants for the erection of churches and parsonage-houses, setting apart of burial-grounds, &c.: the effect of which is, that the funds of the Society are now only available for direct missionary purposes, and for granting assistance towards endowments. This change has been rendered imperative by the further reduction which has this year been made in the grant from the S. P. G., and by the necessity of providing means for the increase of the number of missionaries as occasion may require, as well as securing a sufficient support for those who are already employed in the Diocese.

The Board, however, fully recognizes the important results which have heretofore followed the grants of assistance to the building of churches in various missions, and hopes that, without delay, some organization may be devised whereby that branch of the Society's operations, which has promoted this good work, may be provided for. During the past year no less than six churches, towards which aid has been given by the Society, have been consecrated.

On the 9th February, the Lord Bishop met the Archdeacon and seven of the neighbouring clergy for the consecration of the new Church at Cowansville.

At Pigeon Hill, in the Rev. H. Montgomery's mission, a church capable of holding 250 was consecrated in June by the Lord Bishop, assisted by the Archdeacon and 12 of the clergy.

At the Gore of Chatham a church capable of seating 350 persons, at a cost of more than £600, which has been principally raised by the untiring exertions of the Rev. J. Griffin, the missionary at that station, was consecrated in September last.

At Rexford's Corners, in the Township of Bolton, by the active zeal of the Rev. Mr. Godden, who may be said to be our pioneer in that district, a church has been erected, and was solemnly dedicated to the service of Almighty God by the Bishop of the Diocese—also in September.

In the mission of Hemmingford, on the 17th and 18th October, the Rev. E. Du Vernet had the pleasing duty of assembling his congregations to meet their Diocesan, who had come amongst them to set apart, for the worship of Almighty God, two new churches, which have been erected almost entirely through the exertions and gifts of the members of the Church residing in the mission.

We have again to deplore the death during the past year of a very useful and energetic member of our Society, A. F. Holmes, Esq., M.D. The Central Board have already taken the opportunity, at its meeting on 5th December, of expressing their sense of his valuable services, and also of their sympathy with his bereaved widow.

The want of a Periodical which should give information respecting the condition and work of the English Church, alike in our own country, in England, and throughout the world, having been long felt by most of the clergy, and many of the laity, in this Diocese, it was unanimously resolved, at the last Annual Meeting of this Society, "That, in order to create a greater interest in the working of the Church in this Diocese, an occasional paper, containing information concerning the progress now making in this Province, as well as in England and in other parts of the world, and describing the operations of the great Missionary Societies, be printed and circulated." In obedience to this resolution, the first number of a paper having this object, and called the "Church Chronicle for the Diocese of Montreal," was issued in May, 1860. The present issue is about 700 copies monthly, at 2s. 6d. per annum. The success and usefulness of this Periodical will, we are convinced, from the experience of the last few numbers, be easily secured, if the clergy and their congregations, and especially their Sunday-school teachers, will take an active interest in its circulation. In different parts of the Diocese it has been hailed as a

most useful publication and it is admitted to be doing a good work.\*

From the fifth number of this paper the following important paragraph is extracted :—

#### ENDOWMENTS FOR COLONIAL DIOCESES.

An important step has been taken by the S. P. G. At recent meetings of that Society, the vast benefits likely to accrue to the Colonial Church by a well regulated system of endowments, has been forced on the attention of the members, especially in letters from the Bishops of Adelaide, Nova Scotia, Quebec, and Montreal.

In Nova Scotia, the Bishop and Church Society, looking forward to the time when the grants hitherto made by the Society must cease, or be greatly reduced, have set forth a bold scheme for an endowment fund of £40,000.

The other North American Dioceses are also more and more anxious to see some permanent, though small, provision made for the support of a Church of England ministry.

Under these circumstances, the Society, after very careful consideration, has come to the conclusion that it cannot better promote the lasting interests of the Colonial Church, than by coöperating with the colonists in their efforts to make the Church in their several Dioceses to some extent independent. The Society has, therefore, adopted the following resolutions :

1. That, considering the amount of the unappropriated balance in the hands of the Treasurer, a sum of £10,000 be set apart for the purpose of aiding the colonists in providing permanent endowments for the Church in the several Colonial Dioceses.

2. That not more than £1,000 be contributed to any one Diocese.

3. That it be a condition of each grant that not less than five times the sum contributed be raised from other sources.

4. That it be a further condition that the entire Endowment Fund be invested in securities, and upon a scheme of administration, approved by the Society.

---

\* Applications for this paper may be made to the Clergy of the different Churches ; to the Secretary of the Society ; to Mrs. Walton ; or to Mr. Lovell, St. Nicholas Street.

In the letter of the Secretary of the Society to the Bishop of Montreal respecting these resolutions, there is contained the following information as to the nature of these endowments: "You will observe," he says, "that they have reference to Diocesan efforts for the general supporting of the Church, not primarily to the efforts made locally for the endowment of particular missions."

During the past year aid has been granted towards the stipends of the following clergymen, to the extent of \$2302.79:—

The following Reports have been received from the different Parishes and Missions:—

#### ABBOTSFORD AND ROUGEMONT.

REV. F. ROBINSON reports that the people in his charge are becoming more alive to the true position of the church in this country, and especially in this locality; and they are most desirous that in the changes which must arise out of the withdrawal of the aid formerly received from the Society in England, for the Propagation of the Gospel in Foreign parts, they may not be deprived of the ministrations of the Church.

At Abbotsford, the local provision for the clergyman's salary has hitherto been of an uncertain and fluctuating nature; but at a very full special meeting of the vestry, held for the immediate purpose of settling certain questions relative to the tenure of the pews in the church, the subject of the clergyman's salary was taken up, and a

resolution passed that twenty-five pounds should be raised for that object. It is also resolved that that sum, less five pounds promised by subscription should be raised by a vote upon the assessed value of the property of the members of the Church in the parish. The rate was accordingly laid and a large share of it collected and paid over to the Incumbent. As this has not been done without much inconvenience in a few individual cases, and as our congregation is but small, and has only a very few persons in it of even moderate wealth, this effort cannot but be regarded as an assurance that no reasonable exertion will be wanting on their part to secure the continuance of those ministrations which in times past, under God, have proved such a solace in many a deathbed scene, and such an efficient aid in training up the rising generation not only to be respectable members of society, but, above all, to be "faithful soldiers and servants of Christ."

At the same meeting, a rate was laid upon the pews, to meet the cost of certain repairs upon the church,—thirty eight dollars of which was collected and expended for that object.

The germ also of an Endowment Fund was planted, the Sacramental collections being set apart for that purpose, and it is much to be desired that our people to whom God has given substance, would even from an instinct of self-preservation, if from no higher consideration, regard this as a subject of the first importance, and for which generous sacrifices should be made.

It is to be regretted that these local efforts have reduced our number of annual subscribers to the Society.

The amounts raised during the year, are substantially as follows, viz ;

**ABBOTSFORD**—Annual subscriptions, \$14.16; missionary purposes \$5.50; Widows and Orphans, \$4.08; clergyman's salary already collected, \$35.21; for repairs on the church, \$38.00; incidental expenses, \$5.26; endowment fund, \$7.49; For missionary purposes on Thanksgiving day, \$10.06; total, \$169.76.

**ROUCEMONT**,—For missionary purposes, \$5.50; Widows and Orphans', \$3.20; Clergyman's Salary, \$6.60; incidental expenses \$5.30; for missionary purposes on Thanksgiving Day, \$5.00; total, \$79. Total in both places, \$248.76.

#### AYLMER.

**REV. J. JOHNSTON**:—There has nothing remarkable occurred in this Mission during the past year to call for special notice. As will be seen by the Treasurer's report we have raised through the present year 120 dollars towards the clergyman's income; \$10, for the widows' and orphans' fund; \$7, for the missionary fund; \$3, on thanksgiving day, and \$44 for local purposes. Making in all \$184.

## BEDFORD.

Rev. J. Jones;—I am happy to say that we are getting on a little better with our contributions in this mission. We have now a small deposit of prayer books in the village of Bedford, which we hope will answer a good purpose.

## BERTHIER.

Rev. W. C. Merrick writes;—In the immediate sphere of my own labours, embracing an extensive district along the shores of the St. Lawrence, covering twelve of the old French Parishes, with the assistance of the Catechist, Divine service is regularly performed at four stations separated by long distances. Three Sunday Schools, one Bible Class, and three English day schools are in successful operation. Your missionary renders thanks to Almighty God, for the measure of health which has enabled him to carry out his appointments almost uninterruptedly during the year and also for the tokens of continued blessing which have attended his feeble efforts for the extension of the Redeemer's Kingdom.

It is always a gratifying duty to acknowledge kindly co-operation and the reception of favours. I take this opportunity therefore to offer my sincere thanks and those of the congregations of Berthier and Brandon, to Miss Dixon, and the Catechist, (who while ready to aid in doing good works), have especially contributed towards the efficiency of the Choral portions of the church services by training the children in the practice of Sacred music.

Thanks are also due to Miss Morrison, who again this year undertook the duty of collecting for the Church Society. And among the contributors of the year I have pleasure in recording the liberality of George A. Wood, Esq., of Quebec, who furnished the Berthier Church with a suitable bell.

The following particulars may not be without interest:—

The mission under my charge is situated partly in this Diocese, and partly in that of Quebec.

There are three churches, one of stone, one of brick, and one of wood. The communicants are seventy four in number, and the Sunday School Scholars Sixty-four; the baptisms for the past year were ten; the number of miles travelled on duty, within the limits of the mission were, by the missionary eighteen hundred, and by the catechist four hundred and fifty; and the amounts raised for various church objects were,—at Berthier, Church Society General Purpose Fund, \$54.75; Widows' and Orphans' Fund, \$8.00; Sunday Collections \$102.15; Parsonage Fund \$268.50; Cost of Bell \$120.00; pew rents (applied to

support of missionary), \$91.00; Balance for Church repairs, \$69.68; Carpeting and matting for Church, \$32.00; Church-yard fence, \$22.00; Sunday School purposes, \$12.60. Total \$760.68.

At Riviere du Loup, Diocese of Quebec, Church Society General purposes Fund, \$17.50; Widows' and Orphans' Fund, \$6.80; towards support of missionary, \$45.00; Sunday collections, \$20.00 Total in mission \$869.98.

### BROME.

Rev. R. LINDSAY:—Greater prosperity has been bestowed upon this Mission during the past year than in any since I was appointed to it.

I have received into the church eleven adults and nineteen children from other communion.

The congregations are steadily increasing.

Among the contributions for local purposes are two items which I have put in, not to swell the amount raised in the Mission but to notice a circumstance in our Mission which it was most important should be encouraged. \$92 have been subscribed here for the new church in Potton, \$45 for the new buildings at Lennoxville. In our new Missions and in building new churches all the surrounding Missions have liberally contributed. One member of the Church in Dunham told me when begging for Brome Corner Church that he intended to give to every new Church that he was asked for in the Townships. It is most desirable that every member of the Church should in like manner feel it a privilege to take part in the extension of the Church, especially in new Missions.

The following amounts have been subscribed.

## BUCKINGHAM.

Rev. W. MORRIS writes:—He is happy to report that the church members of his mission still continue to contribute liberally in support of the church. An instalment of the debt due on the purchase of our church organ has been paid this year. His annual stipend, arising from the pew rents in aid of his salary, has been promptly paid in full. He still continues to receive very valuable presents from his parishioners, chiefly in hay and oats for his horse; one of these he mentions in particular, G. W. Eaton Esq., who contributes annually a barrel of flour and a large hog, amounting together to \$20.00 as a Christmas present. This act of liberality is particularized not for praise, but for the information of wealthy persons in other parishes, that they may go and do likewise.

The following sums have been collected.—From the sermon in aid of the Church Society's funds, \$5.50; Sermon in aid of Widows' and Orphans' Fund, \$7.50; Rev. W. Morris' annual subscription \$7.50; Subscriptions to Church Society, \$12.50; total \$33.00. The whole of which has been remitted to T. B. Anderson Esq., Treasurer of the Church Society.

## CHAMBLY.

Rev. J. P. WHITE:—With thankfulness to the Great Head of the Church, I have again the satisfaction, at the close of another year of presenting a favourable report of the amount raised for general Church purposes in the Parish.

Although the numerical strength of the Church has decreased, yet no considerable falling off in the amount of subscriptions to the Diocesan Church Society is apparent; but this, in some degree, is owing to the zeal of those who kindly undertook the office of Collectors; and our thanks are due to them. And here I do not deem it inappropriate to express my thanks to a Lady of the congregation, who for some years past has kindly and unweariedly presided at the organ, with much satisfaction.

During the past year the front-fence of the Church-yard has been painted, and that in the rear most substantially renewed at the cost of £25; and next year endeavours must be used to place new windows in the Church.

The following are the amounts collected during the year:—

Clergyman's stipend,.....	\$280.00

The Church Society, the only Missionary Society in connexion with the Church in the Diocese, is now felt to be a great blessing, and designed ultimately to affect much good; by it the wants of the Church are brought plainly under the notice of the people, and they are consequently stirred up to good deeds in her behalf. A great and arduous but glorious work it is in which the members of the Church Society are engaged—even the attainment of means for the extension and consolidation of the Church in our land:—a work worthy of the greatest self-sacrifice, and which may be aided also by the smallest gift, and furthered by the humblest prayer. And it is to be hoped that *all* the members of our Church in this Diocese, as brethren drawn together in one common cause, may by their cheerful contributions and earnest prayers so co-operate in the great work contemplated by the Church Society, as that by its increased means of usefulness the growing wants of the Church shall be supplied, and the saving truths of the Holy Gospel made fully known throughout our Diocese.

#### CHRISTIEVILLE.

Rev. J. McLEOD.—The amount of our subscriptions and donations on behalf of the Church Society for this year is \$41, the whole sum being remitted to the Parent Society. The collection after sermon, for Missionary purposes amounted to \$10.88; and for Widows and Orphans' fund \$12.53. The offertory collections amounted to \$25.50.

In addition to these the Children's Association in aid to the Church Missionary Society collected \$52, and the contribution in aid of the sufferers in Syria, on Thanksgiving Day, amounted to \$27 25.

#### COTEAU DU LAC.

Rev. T. A. YOUNG:—During the year the following sums were raised in this Mission. Annual subscriptions to the Church Society, \$20.25; collection for Missionary purposes, \$3.50; collection for Widows and

Orphans, \$5.60; towards Clergyman's salary, \$53.25; pew rents, \$43.00 poor Fund, \$8.15; Offertory, \$12.19; towards Parochial Library, \$3.87 and through the zealous exertion of an aged member of the Church the sum of \$5.50, was raised to purchase cushions for the steps of the Chancel, making a total of \$155.31.

#### COWANSVILLE AND CHURCHVILLE.

Rev. J. C. DAVIDSON:—Inadvertently there were omitted in last year's report from this Mission, two items, viz: Mr. Geo. Barker's subscription towards Clergyman's support of \$10, together with Donation, in all about \$20, and the kindness of Geo. Adams, Esq., of Adamsville, in furnishing the materials for the building of the kitchen attached to the present residence of the Incumbent. Services have been without interruption conducted in both churches. In Trinity Church, Nelsonville, for the greater portion of the year in the morning and evening, and at Christ's Church, Churchville, in the afternoon.

The attendance at Trinity Church has been peculiarly encouraging, and there is every reason to believe that ere long many will be led to content themselves with one fold under one Shepherd, and "hold the faith in unity of spirit, in the bond of peace and righteousness of life." In connection with Trinity Church, a flourishing and promising Sunday School has been organized, and here we hope that by the instructions from the Catechism, and Prayer Book, with the Epistle and Gospel for each week, many youthful minds may be duly informed of the

"One only way to life,  
One Faith delivered once for all."

The Christmas decorations at Trinity this year, were very appropriate and handsome, and the attendance on Christmas Eve crowded. The festoons were neatly arranged and encircled the church. The eastern wall took the pre-eminence in respect to mottoes and symbols. The effect was fine, and we hope but typical of the joy which reigned in the heart of every one of the numerous body of communicants on Christmas day. It is with peculiar pleasure that we mention the improvement manifested by the choir, and the perfect success of their efforts in the execution "decently and in order" of almost the full choral service on Christmas day. Thus "while confessing our sins with heartfelt penitence, praying and giving thanks with earnest devotion, hearing the words with attentive and willing minds," we are enabled to speak to ourselves in psalms, and hymns, and spiritual songs, singing and making melody in our hearts to the Lord.

The Missisquoi High School is still vigorously carried on, and is widely extending the blessings of a good education, with all the amel-

orating influences of religion. It is to be hoped [that the support of Churchmen abroad may yet raise it above dependence upon mere local efforts, and that it will be the Church Boarding School for the eastern portion of the Diocese. The liberality of the members of the Church has continued undiminished, as is evident from the Church Society's list of subscriptions, as well as the following summary :—

#### DUNHAM.

REV. J. SCOTT :—Besides two hundred dollars paid towards liquidating a debt which was incurred in the purchase of a small glebe and a parsonage last year, my people have paid something better than three hundred dollars towards my own support ; of which much the larger part has been paid as a rate upon the assessed value of the property of the parishioners. I have reason to thank God that there is generally through my parish a greater interest in the Church, and more attention to her services. In a severe domestic bereavement with which I have been visited during the past year, I have been greatly consoled and

sustained by the kind, deep, and universal sympathy of my own people and my clerical brethren through the District; for which I desire here to express my most sincere gratitude and thanks.

#### EDWARDSTOWN.

Rev. E. G. SUTTON:—What has been accomplished in this Mission during the past year is as follows: Church Society's Subscriptions, \$22; Sermons, Missionary purposes, \$3.18½; Widows and Orphans \$3.40½; Offertory collections Edwardsown, \$19.47½; St. Remi, \$14.30½; Hemmingford \$1.74½; Williamstown, \$1.54½; Church work comprising several objects as stated in list of contributors, \$324.82½; Church Library, \$3; Towards Missionary's support \$115.73½, making a total of \$509.77. In this is included an amount of \$90.50, most generously presented to the Missionary for the purchase of a Church Bell, by a lady of Montreal. But independent of that amount there has been a great increase over last year in the aggregate collections within the Mission. The Church Society's list has indeed fallen; but that is easily accounted for and might have been foreseen. This Mission has contributed to the Society for the last 10 years, amount and number of subscribers increasing every successive year, even when engaged in the difficult and absorbing work of church building. Last year the Bishop recommended the wants of the Missionary to the people, not indeed without cause; but the consequence has been, that when the two lists of Church Society and Missionary support were presented, they have done more for the latter than the former; and therefore this is the first year for ten years that we have to report a decreased Society list. The Missionary regrets this falling off in the Society's amount, especially when it is needing a greater income than ever; but our local wants are very numerous. No parsonage, no glebe &c., and as it is one of the objects of the Constitution of the Church Society to augment the stipends of poor clergymen, our work may perhaps be regarded as a promoting of that object. On the whole we have much reason for gratitude to God for what he has enabled his people to accomplish in this Mission during the past year.

#### FROST VILLAGE.

Rev. D. LINDSAY:—The following amounts make up the financial account of our parish for the past year:—

Mission Fund, F. V.,.....	\$129 87½
Church Society,.....	32 87½
Offertory, .....	36 00
Mission Fund, Stakeley,.....	74 50
Church Society, " .....	5 75
Offertory, Stakeley,.....	10 00
Widows and Orphans' Fund,.....	4 00
Missionary Fund,.....	5 00
Bolton Mission,.....	11 00

In addition to these regular charges, we have expended \$96.00 upon some necessary improvements in Frost Village Church. We have to acknowledge, from the Hon. A. B. Foster, a bronze chandelier and brackets—worth about \$200. By this really beautiful gift we have the privilege of evening service, free from the inconveniences which have always attended our efforts hitherto. I am glad also to observe a spirit of willing liberality towards our brethren who come seeking for assistance in the various works of the Church. Upwards of \$350 have been subscribed by members of this parish for such purposes. Helping one another brings before us the idea of brotherhood, and of our all being engaged in the work of Christ. The total amount contributed for our own Mission, exclusive of Mr. Foster's gift, is \$405. With a little more faithfulness in making our collections, and with more consideration upon the part of those who enjoy the ministrations of the Gospel, as regards their duty of freely giving when they so freely receive, this sum might be greatly enlarged.

## GORE.

REV. J. GRIFFIN:—It is with heartfelt satisfaction to myself, and with humble gratitude to Almighty God, the Giver of all good, I am enabled to transmit to the Society a full and correct account of our operations here particularly the Church building department.

I have labored in this mission among this people composing various congregations (6 in number) now nearly eleven years. I have not been limited for want of opportunities of doing good, but for want of strength I often, in review of my weakness, exclaim, "who is sufficient for these things." Mille Isle and Morin, the most distant parts of my Mission, I have not been able to serve on a Sunday. Consequently, on that day, the people are ready to hear any who come in the way. One cannot repress the sigh, as he reflects on the loss we suffer as a Church in thus leaving so promising a field on that day. A clergyman would be eminently useful there, who would go forth in the spirit of self-denial, firmly maintaining the principles of the Church, and avoiding the spirit of censoriousness, which always drives away rather than unites those who differ from us. These places have been partially supplied, the Lord, Bishop having early in the spring sent a Catechist among them, who is doing a good work by visiting them in their own dwellings, and as stated times collecting them together for Divine Service. He has also timber and building materials prepared to commence building a small Church in the Spring.

The kind friends who responded to my appeals for help, will find their Christian liberality acknowledged below; and will please to accept our warm unfeigned thanks.

The Communion Service was presented, through the Bishop, from R. Hichens, Esq., a merchant in London, England.

The Church Service Books were given by the Christian Knowledge Society.

The Colored Communion cloth, and carpets with a munificent donation (included in the amounts below) were very kindly furnished by J. J. Gibb, Esq.

"The fair linen cloth," the Font, and the Bell were presented to the Gore Church by a benevolent lady in Montreal. The Bell was placed in the turret on the 20th inst., serving to call the people together on the 23rd of Sept. the day of consecration. It is of fine tone (207 lbs. weight), and we hope will prove of great advantage in giving notice for our services.

We want £30 more to be able to say our Church in the Gore is free of debt. We humbly trust in the God of Jacob for help, whose bounties are rich and free, and in our benevolent kind Christian friends (friends of the Church, who have done so much for us already) to help us out of this little difficulty also.

It would argue blindness beyond hope of cure, not to discern the mighty power of God in the signal prosperity we have enjoyed.

May confidence for the future, mingle then with our humble grateful recollections of the past, and our efforts *shall never never cease, until heaven shall cease to bless us.*

## GRANBY MISSION.

Rev. W. Jones.—Seeing that the "Society for the Propagation of the Gospel" is steadily reducing the amount of its annual grant to this Diocese and that the whole of its support will soon be withdrawn. I continue to impress upon the minds of my people the necessity of making some suitable provision for their future wants.

It appears to me that there can be but two ways in which this difficulty can be met; either the present subscribers must double and in very many cases quadruple their subscriptions, or they must put forth every effort to induce all other members of the Church upon whom they can exert any influence to co-operate with them.

During the past year I have endeavoured to work both plans:

1st. I divided the Mission into nine districts, seven old ones and two new ones, and procured good collectors for each, but the amount raised has not exceeded that of former years.

2nd. A year ago I opened two new stations, hoping from an increase of labour to be able ere long to report an increase of fellow labourers in the cause of Christ and his Church; so far the result is encouraging.

During the past year I have held regularly three public services every Lord's day besides several special services in Lent and on the leading festivals of the Church: in all 163 public services and delivered a discourse on each occasion.

Distance travelled for that purpose, 1,300 miles, to which may safely be added as many hundred miles more in visits to the sick and well.

I hope next year we shall be able to report a satisfactory increase in our subscriptions and in the number of our supporters, and desire to thank very cordially our kind friends for their seasonable support.

## GRENVILLE.

Rev. F. Nave;—Nothing requiring special remark has occurred in this mission during the past year. The contributions to the Church Society amount to \$46.05; those towards the missionary's support to \$152.55, and the incidental expenses of public worship, have been \$32.00, making an aggregate of \$230.30.

## HEMMINGFORD.

Rev. E. DuVernet.—Since my last report our two new Churches have been opened for Divine Service; on the 17th and 18th of October we had the pleasure of seeing them set apart for the worship of Almighty God by the Act of Consecration by the Lord Bishop of the Diocese.

The money raised for their erection with the exception of a grant of \$200 from the Diocesan Church Society towards St. John Baptist

Church and another of \$146 towards St. Luke's has been contributed almost entirely by members of the Church residing in the Mission.

The collectors for the Church Society have not yet sent in their Returns, I hope however, to get them before the end of the year.

The following sums have been raised in the Mission during the year.

#### HUNTINGDON.

REV. FREDERICK BURT.—As an accompaniment to the monetary items of the Mission under my charge, I remark as follows: The Congregations worshipping in St. John's and St. Paul's continue as I last reported. The youthful members of my flock are very numerous and scattered over a wide extent of country and for their well being I still hold six Bible and Catechism classes on week-days, and this winter I have entered on a new plan at Huntingdon for the benefit of my Sunday School, from November to May I am obliged to relinquish my usual catechetical address on Sunday mornings to the scholars, except every Seventh Sunday, I therefore on alternate Wednesday Evenings hold a Service with lecture following, the subject of each evening being a Portion of the Book of Common Prayer. The attendance of nearly all the Teachers and Scholars, and the already amended volume of responses on Sundays, testify to the success of the movement. Perhaps, here I may properly mention the presentation of a new Communion Service from a "Friend" through Mrs. J. Morrison our Warden's lady. I have now arranged to administer the Lord's Supper every Seventh Sunday. I must record that we are much indebted to Mrs. A. Steveron who helps us in the celebration of Divine Worship by presiding at the Harmonium in St. John's. We by this thank her for her ever ready and gratuitous service.

I am obliged to the people of New Ireland for their "Bee" for the bringing in of my yearly supply of wood. The Hinchinbrooke people are to be praised for their two "bees" for work demanded on the Huntingdon Church property. Many of them came a long distance and worked hard, right cheerfully. They have also fenced their Church yard. I am much indebted to Mr. Jas. Henderson for untiring zeal and kindness as Warden of St. Paul's with Mr. Platt, as well as to several other

members of the Church whose names it is impossible here to mention ; some of these have kindly ploughed and sowed the glebe land ; I have also received frequent acts of hospitality from those resident in the more distant parts of my mission.

It is my pleasing duty to mention the gift of a Pulpit and Desk for St. Paul's Church from the Trustees of St. George's, Montreal ; also a present of Hymn Books for the children of the Church in this Parish from the St. George's Sunday School, Montreal.

Hindrances of a local character have been battled with in the past year but yet our list of supporters of the Church ministrations increase but *many may do more than they do*, and so bring down blessings on themselves and children and " send portions to them for whom nothing is prepared."

I now conclude with the usual cash items ; first thanking all my coadjutors in the working of the Church for their counsel and ready aid in the past year.

#### LACHINE.

REV. J. FLANAGAN :—This Mission has lost a liberal friend in the death of the late Sir George Simpson Governor of the Hon. the Hudson's Bay Territory, of which this was the Head Quarters for America.

There has been collected in the Parish for strictly Church Society's purposes \$69.50. For clergyman, \$200 ; for debt on Parsonage, \$400. Making in all \$669.50 exclusive of the offertory, which invariably goes to the poor.

The Church was well filled during the summer, as the Parish was the temporary residence of the Commander of the Forces, and a few other distinguished parishioners.

The singing in St. Stephen's is marked with good taste, and reflects credit on the Choir. The Church is out of debt, but there is still a small balance against the Parsonage.

The people, however, in this Mission pay whatever they agree to, and the clergyman has much pleasure in bearing his testimony to this fact. Next year we trust to be quite clear of debt on the Parsonage and grounds, and the humble hope is entertained that this Parish will by-and-by be in a measure self-sustaining.

## LACOLLE.

REV. O. A. WETHERALL.—Regrets that in his Report made in December 1859, a mistake of \$127 was made, that sum having been included in Missionary's stipend, making the total amount \$544.31, instead of \$674.31. In consequence of the very dilapidated state of the Church, an extra exertion has been made this year for the purpose of repairing it, amounting to \$149, in consequence of which your Missionary has been unable to make an annual collection for the Church Society, many of the Subscribers however gave their donations on Thanksgiving day. At a Vestry Meeting held in May last, on examination of the books it was ascertained that the Parish was in debt, when a special subscription was raised which amounted to \$50. During the year the attendance on Divine Service has been good and regular.

The following amounts have been raised in the Mission during the last year.

Church Society from Rev. O. A. Wetherall, 2 years, \$15.00	
After sermon for Missionary purposes,.....	3.12
After sermon for Widow's and Orphan's Fund,....	7.57
Collection, Thanksgiving day,.....	7.45
For local purposes, including Missionary's stipend,	632.75
Total amount,.....	665.89

## MASCOCUCHE.

REV. G. DE C. O'GRADY.—I beg to forward the list of subscribers for Mascouche and Terrebonne, who have put down their names with hearty good will and with liberality, considering the scarcity of fodder (which numbers of the farmers around here are obliged to buy at a high price) and the heavy calls made upon them for local purposes.

Contributions for Local purposes: Grace Church, portion of pew rents to Easter 1860, £26 5s.; portion of arrears of pew rents, 1859, £4 10s.; repairs to parsonage, £4 13s. 4d.; expenses of church £5 17s. 9d.; and subscribed for a shed at church, £22 10s., a sum which will be increased. Total, £63 16s. 1d.

Contributions for Local purposes at St. Michael's, Terrebonne: One year's pew rents to Easter 1860, £10; repairs, 4s. 9d.; sundry expenses, 17s. 6d. Total, £11 2s. 3d.

Collections after sermons in both places, £8 0s. 9d.

The Rev. Mr. Gubbins also lectured at Mascouche for the Irish Society and the sum of £2 15s. 4d. was collected. Subscriptions to Church Society, £25 13s. 1d.; there are also some boxes which have not yet been sent in.

We have been obliged to add two more benches in the aisle of the church to try and make room for the congregation, to hold which comfortably the church is now evidently too small.

I have to report the donation to the Church of a handsome cut stone font, a thank-offering to God from two members of the congregation for mercies vouchsafed.

Our average monthly number of communicants has increased, while the whole number has been added to, though some have left the parish, and we have lost two by death. More than one-half of those confirmed at the last confirmation have become communicants, and we trust are earnestly and consistently looking for that heavenly crown which fadeth not away.

Total amount expended and subscribed in the parish during the year, £111 7s. 6d.

I have again to return thanks to Misses Moody and Ranson for kindly collecting in Terrebonne.

#### MILTON.

REV. G. SLAOK :—I am happy to be able to notice a marked improvement in the contributions to the Church Society from this mission, the subscriptions from South Roxton having more than doubled. I have the pleasure of presenting six names from that part of the mission, to be enrolled as members of the Incorporated Society. In South Roxton a small service has been purchased for the administration of the Holy Communion at a cost of \$10.00, \$7.25 of which was paid from the offertory collection. In Milton a convenient horse shed has been erected contiguous to the Church, at an outlay of \$75.00 in materials and labour. This was a spirited effort for our small community, worthy of commendation.

A shed is an indispensable requirement in most cases in country parishes and renders the attendance upon public worship much more regular during the inclement season and frequent storms of winter. The attendance upon the public services, is, I am happy to say, very good, and the number of communicants at the late festival of Christmas, larger than any one attendance for some time past. Upon the whole, I trust we may hope and believe, that though a small mission, and poor in temporal circumstances, the blessing of the Divine Spirit has not been withheld from the administrations of the Church in this part of the Diocese.

#### MONTREAL.

##### CATHEDRAL.

DEAN OF MONTREAL :—The following are the details of the amounts raised in the Cathedral during the year ending 31st December, 1860, for local purposes :—

Pew Rents, .....	\$6,847.00
Assistant Minister's Fund,.....	262.75
Offertory,.....	3,105.95
Irish Society,.....	24.00
Total,.....	<u>\$10,240.60</u>

There are still unpaid subscriptions to the Building fund of the Cathedral, amounting to \$6,199 a large proportion of which is not yet due.

The whole of the remainder of the square on which the Cathedral is built has been acquired; partly for the site of a See House; partly for the site of a Parsonage, and partly for the site of the Cathedral School House. The latter building, with a suitable residence adjoining for a schoolmaster, has been just completed. The Schoolhouse is a spacious building, with a room large enough for the general meetings of the Church Society, and the Synods, Provincial and Diocesan. In the same building, is accommodation for the Diocesan Library, which has been removed there. In the large room, the boys' day school and the Sunday school will be accommodated, and the girls' day school in a room in the second story, of sufficient dimensions.

A Chapel with free seats capable of holding some 350 persons, situated on the corner of Dorchester and St. Urbain Streets, is nearly completed. It will be served by the Cathedral Clergy. There have been raised for Church Society: subscriptions \$878.20; collections for Missionary purposes \$132.80, and for W. O. \$60, making \$1071.00, and total amount raised \$11429.62.

#### ST. LUKE'S.

REV. J. TORRANCE:—The state of the Church in this portion of the Lord's Vineyard has sensibly improved. It is gratifying to observe that the poor of this district have manifested greater interest in the services of the Sanctuary, as evinced by their attendance in large numbers during the year. The number of the children entered upon the roll of the Sunday School is 120, and the average attendance 75 children.

The great difficulty experienced here, as elsewhere, is in getting permanent and efficient teachers. The following statement comprises the items of the sum total collected in the parish during the year 1860: Diocesan Church Society, \$60.82; General Objects: Church Society Annual Sermon, \$13.00; Widows' and Orphans' Annual Sermon, \$15.00; Dorcas Society, \$100.00; Communion Alms, \$24.00; Collection, Thanksgiving Day, for the poor, \$12.00; Christmas Collection, \$15.00; Sunday Collections, \$120.00; Pew Rents, \$320.00; Judge Aylwin's Donation, last instalment of the debt upon the Church, \$2000; Judge Aylwin's annual subscription towards the Minister's stipend, \$300.00. Total \$2,979.82.

## TRINITY CHURCH.

REV. CANON BANCROFT :—Since my last Report we have taken possession of the edifice formerly occupied by the Cathedral and originally built by the Congregationalists. Through the favour of God we are now comfortably settled, the necessary repairs having been effected under the careful and unwearied supervision of the Church Wardens, Joseph Jones and W. A. Merry, Esquires, whose devotion and zeal, together with the cordial co-operation of the congregation, I would here thankfully acknowledge. This change has been accomplished with the approval of the Lord Bishop and of all parties interested, and will, when financially completed, be in every way advantageous to the interests of Trinity. The Church at present is well filled. The attendance in the Sunday School numbered the last Lord's Day one hundred and ninety-one scholars with twenty-four teachers and officers,—whole number two hundred and sixty-nine. The communicants present on Christmas Day were one hundred and ten,—whole number about two hundred.

I give the following statement of the subscriptions and collections for 1860,—4 months in the old and 8 months in the new Church.

Congregational Collections,.....	\$ 889.26
Pew Rental,.....	2460.34
Church Society, Sermons for,.....	86.95
Church Society, Widows and Orphans,.....	88.30
Church Society, Subscriptions, .....	120.35
Colonial Church and School Society, Sermons,.....	72.00
Poor of Trinity, including Sermons, Donations and Offertory,	419.38

In the above statement of sums raised for the Church Society I have not included two hundred dollars which will, D. V., be paid to the Church Wardens of Trinity Church, Christievillle, Easter next, as per will of the late founder.

## NEW GLASGOW.

The REV. A. D. LOCKHART writes :—In forwarding my Report for the present year, I am happy to say that we have a further increase in the number of subscribers to the Church Society, and this notwithstanding

a severe loss which the people in this part of the Mission and also at New Paisley have experienced from a terrible hail storm which came just at the time the grain was ripe and caused great destruction, so that in many instances the greater part of the crops were left upon the ground.

However, as I said, this severe loss to our people has not diminished their subscriptions to the Church Society, but we have rather an increase of subscribers. I must here bear witness to the fact, that when I called upon them for their subscriptions, there was no complaining of the loss they had sustained, but what they gave, they gave willingly and cheerfully, and I trust, as unto the Lord.

In Kilkenny, accompanied by my Church Wardens, Messrs. Taylor & Foster, we visited with hardly an exception every Protestant family in the township, and this was no easy matter to accomplish, as the houses are so scattered and the roads so bad. Every one gave most cheerfully to the good cause and we have to record an increase of ten subscribers over last year in that township. This is very gratifying indeed, and shows we are not going back in the good work, but rather advancing from year to year.

I must also mention the kindness of Messrs. P. & R. Stevenson in neatly fencing the garden in front of the Parsonage, also the kind manner in which Mr. S. Hamilton and Mr. P. Callaghan came with their mill and thrashed my grain free of charge.

The subscriptions for different purposes are as follows:—Annual Subscriptions to the Church Society, \$38.82½; Sermon for Missionary purposes, \$3.25; Widows and Orphans' ditto \$5.40 cts.; Contributions for local purposes, \$87.55 cts. Total \$135.02.

#### POTTON.

Rev. J. GODDEN:—The Society will be glad to learn that their operations in this Mission have been largely blessed by God during the past year and thus each year since they began their work of faith in this district, your Missionary, through God's blessing upon the efforts which have been made (through the faithful and devoted friends of the Church in Potton and elsewhere,) has been enabled to report a gradual progress.

In my last report to the Society I expressed the hope that before another autumn I should be able to have a new Church erected at "Rexford's Corner;" that hope has been realized and it was with thankfulness to God, and also to the friends of his Church that on the 28th September last I was able to get it set apart for the worship of Almighty God: which happy occasion was made doubly so by the admission of 21 persons to the rite of confirmation, being the 2nd confirmation within the period of four years, the time which the mission has been worked. Twelve persons, 5 adults and 7 children, have been baptized

during the year. Three full services are now held every Lord's day and a Bible Class on a week evening. The order and responses of our congregations are creditable to the people and a source of gratification to the Missionary. The ladies, to whom great praise is due, are still active in every good work. We are sadly in want of a properly conducted day school for the promising children who are growing up under the shadow of the Church, and I do wish from my heart that the Society could help us in sustaining a permanent Christian School in this village.

The thanks of your Missionary and of the Congregation are due to those kind friends who assisted in the erection of our pretty Church and to Mrs. McCord for the gift of \$20 for the purchase of an additional half acre of land.

The following amounts make up all that has been contributed during the past year: Church Society, \$8.00; towards Clergyman's income, \$45.50; new Church, \$1003.27; Offertory Collections, \$32.33; Proceeds of donation party, \$33.26; collected by Ladies for papering Parsonage, \$11.75; Total raised, \$1134.11; in Mission, \$389.59; out of it, \$744.52, exclusive of grants from Church Society and Christian Knowledge Society towards new Church.

#### RAWDON.

REV. C. ROLLIT:—The subscriptions both in Rawdon and Kildare are smaller than usual, which may be accounted for by the facts, that in Kildare great efforts are being made to purchase a glebe, and in Rawdon the people have had to give towards the completion of the new church which now only requires the pews and erection of the furniture of the chancel, to prepare it for public worship. Some of the congregation have been liberal, almost beyond my expectation, but there are others who here, as elsewhere, are remiss in aiding a work which all feel to be necessary.

#### SOREL.

REV. W. ANDERSON reports:—That the subscriptions to the Church Society, amount this year to \$93. Collected for Missionary purposes, \$33.65; for Widows and Orphans, \$30.50; pew rents, \$336; offertory, \$184; endowment fund, \$520; local expenses, \$100; subscription in aid of Church fence, \$35; bazaar proceeds, \$573. Total, \$1905.15. The report, now presented, is by far the most satisfactory one which has ever emanated from this Parish. Every item exhibits an increase, and while local claims have been better sustained, than ever before, it has not been at the expense of the contributions to the Church Society which are considerably in advance of those of the preceding year.

The total thus paid over to the Parent Society, inclusive both of the proceeds of the Sermons above reported, and of the annual subscriptions transmitted without deduction, amounts to \$157.15. The Church Bazaar held in the month of May last was eminently successful, realizing the handsome sum already mentioned. With this amount, the Church spire has been tinned; a substantial fence erected in front of the Church and Rectory, and various other much needed repairs and improvements of the Church property effected. Warmest thanks are due to many friends from Montreal, and other parts at a distance, for their assistance on this occasion. The ladies presiding at the different tables were unremitting in their efforts, to promote the success of the undertaking, and the very best spirit from first to last, seemed to animate the whole congregation.

The Parish is indebted to Thomas Mussen, Esq., of Montreal, for a donation of finest white damask communion table cloth, and napkins. The Endowment Fund has been increased this year by two contributions, one of \$200, from Mrs. John Anderson, long a supporter of the Church, and of every benevolent enterprize; and the other, a legacy, of similar amount, from the late Mrs. Thomas Bray, a spontaneous offering of gratitude to the Lord, at the close of a protracted illness. These, with other contributions to the same fund from friends of the Church, will be found acknowledged in the Appendix. And whether in view of different contributions from its first formation to the Endowment Fund; or, to the Bazaars, from time to time held for Church purposes; or, to valued assistance, rendered from year to year, in the Choir, in the Sunday School, and in every other department of Christian labour, the apostolic exhortation to the Philippians might well be used, with reference to not a few in Sorel; "Help those women, which laboured with me in the Gospel." The Church yet remains to be carpeted throughout, a better bell provided, and a fire-proof safe procured, for the preservation of the Church registers, and records, and very much larger additions made to a Fund, so essential to the future well-being and stability of the Parish, as the Endowment Fund. And, it is confidently hoped, that those, who are already well reported of, for good works, will not, in any additional efforts required, to supply these particulars, be found wanting.

W. H. A. DAVIES, Esq., late one of the proprietors of the Acton Mines, has kindly intimated to the Rector, his intention of *conditionally* making a munificent addition to the Endowment Fund, which it is hoped, will God willing, ere long be received. Meanwhile, it is a most pleasing duty, thus to notice, the *willing mind* which is acceptable with God; and the prompt recognition of the divine command, "freely having received, freely also to give."

The peculiar nature of the soil at Sorel, having caused a slight settle-

ment to take place in the *Rectory* foundation, a centre brick wall was erected, under the building, early in the spring. The board fence round the Church lots, commenced last year, was also completed; both of these works, in the absence of other means of defraying the expense, at the Rector's own cost, amounting with other incident outlay on the Church property, to \$100, included under the heading of local expenditure.

The Church was again beautifully decorated for Christmas, by several ladies and gentlemen of the congregation, under the active superintendence of James Shuber, Esq.; and to the same gentleman, with Mr. Anderson Brown, special thanks are further due, for their willing canvass, in the Church Society's behalf, as also to Miss E. Laprairie, the Society's persevering young friend, for her renewed efforts in the same good cause.

In this brief retrospect of material progress, during the bygone year, coupled with the encouraging facts, that the Sunday School now numbers *seventy* children; that the congregations are in general good; and that the communicants are upwards of *eighty* in number; it is humbly hoped, that the Lord's cause is not retrograding in Sorel; but that with the blessing of the great Head of the Church, the Parish has made a decided advance, towards occupying the position which, as the oldest Protestant Mission in Canada, it should naturally sustain, of "coming behind in no gift."

#### STANBRIDGE EAST.

REV. J. CONSTANTINE:—Our Church here, having become so dilapidated as to be unfit for use, has been taken down this autumn, with a view to rebuilding it next year, which, with God's blessing on the work, we hope to accomplish so far as to render it fit for Divine Service. We have decided to build it a free church. Our Church members are most anxious, to do all in their power, and are well worthy of the kind consideration of their spiritual mother, and without this, they or their children are certain to be lost to the faith of Christ. We shall receive assistance from a few liberal minded persons, among whom may be mentioned, J. C. Baker, Esq., for \$200.00, but we shall still need help, and we have a very strong claim on the assistance of sincere Christians. The following is our summary for the year: Subscriptions, \$33.16; collection for general purposes, \$1.50; Widows and Orphans' Fund, \$2.50; contributed by Ladies' Society, \$15.77; Sunday School expenses, \$6.23; wood, &c., \$2.50; subscriptions to Clergyman's stipend, \$43.50; sums paid towards rebuilding Church, \$102.67½; Chronicle, \$5.00; Total, \$212.83½.

## ST. ANDREWS.

REV. R. LONSDALL :—It affords me much pleasure to report very favourably of this parish. The congregation continue to manifest the same degree of kindness which I experienced on my arrival here. I do not suppose that our congregation here is surpassed by many in devout attention in the house of God. Our communicants on Christmas Day amounted to nearly sixty persons. Hitherto hath the Lord helped us, let us be thankful unto Him and speak good of His name.

The following return will exhibit what has been done during the past year for the maintenance of the Church and her Missionary Society in this Diocese: Towards the restoration of the Parsonage \$348 have been paid, a larger sum however yet remains due to the kind individual who advanced material and superintended the work with zeal and judgment,—for other local purposes \$676 including poor money, repairs and improvements on the Church. Proceeds of Sermon for Missionary purposes, \$11.70; for Widows and Orphans, \$15.25; collected at Offertory on Thanksgiving day, \$9.12; subscriptions for Church Missionary Society, \$50.39½; transmitted to Treasurer of Church Society, \$86.46½. Total collected for Church purposes, \$1112.06½—a sum unprecedented in this parish. We have to thank Mrs. Colonel Johnson for the gift of a handsome chandelier with side lamps for the Church, which were very much needed.

## ST. ARMAND WEST.

REV. H. MONTGOMERY :—During the past year we have had reason to be grateful to Almighty God for his continued presence and favour.

The number of Church members and communicants have been considerably increased, and a growing desire manifested for the services and ministry of the Church by the regular attendance of respectable and attentive congregations at both the principal stations.

A steel bell of clear and powerful tone, weighing 111 lbs., has been purchased for St. Paul's Church, Philipsburg, and in addition to the painting, papering, and other improvements made in the Parsonage last year, the premises have been still further improved and rendered more commodious and respectable.

St. James's Church at Pigeon Hill, which was commenced during the preceding year, is composed of a strong and durable frame work double bricked, and which when the laudable design is fully carried out will seat 250 persons, and cost about 2000 dollars, has by the unwearied and commendable exertions of the Ladies' Association, been finished inside; a clear and silvery toned bell placed in the Belfry by the contractor,udge Hubbard of Franklin county, Vermont; and the whole given up to the Diocese by the building Committee, who generously and praise-

worthily assumed the responsibility of the remaining debt, was on the 7th of June last consecrated by the Lord Bishop, assisted by the Arch-deacon and twelve of the Clergy from the neighbouring parishes and Missions, with the Rector. After the building had been solemnly set apart for Divine worship, the administration of the Sacrament, and the rites of the Church, fourteen persons were confirmed, making in all forty seven, male and female, of ages varying from fourteen up to seventy, who within the last two years, in this parish, have thus openly confirmed and ratified the solemn vow and promise made in their baptism.

Our finances also are all in an improving, and somewhat encouraging condition, as the sums raised for the following purposes will show :

Philipsburg, Ordinary Sunday collections in St. Paul's Church, \$17.92 ; Offertory collections at communion \$13.02 ; Collection for Missionary purposes, \$5.50 ; for Widows and Orphans, \$5.92 ; on Thanksgiving day towards debt on parsonage, \$5.75 ; Pew Rent, \$16.00 ; Rent on Glebe for two years and a quarter up to Sept. 29th, \$36.00 ; Ladies Association, \$93.23 ; Subscriptions to Church Society \$42.50 ; towards Clergyman's stipend, \$107.00. Total, \$342.84.

Pigeon Hill collection at the opening service of St. James's Church in January last, \$11.50 ; Collection on day of consecration, \$16.15 ; Ordinary Sunday Collections, \$7.58 ; Offertory collections at Communion, \$6.92 ; on Thanksgiving day, towards debt on Church, \$3.33 ; Collection for Missionary purposes, \$4.10 ; for Widows and Orphans, \$3.75 ; Ladies Association, \$102.98 ; Donation from Mrs. Dickson, Three Rivers, \$10.00 ; Do. from Rector, \$12.50 ; Subscriptions to Church Society, \$25.72 ; towards Clergyman's stipend, \$38.00 ; towards annual rent of Church lot, \$10.25 ; towards erection of Church, \$600.00 ; Total \$818.21, and Grant from Church Society towards the same object, \$200.00. Making a total raised in both parts of the parish of \$1106,55.

#### ST. JOHNS.

Rev. J. IRWIN :—The Collections and Subscriptions for the Church Society have not been so large during the past year as the Rector would desire, in consequence of the pressure of some local and temporary claims upon the parish. The tabular statement, however, will show that the amount of the annual subscriptions sent to the Treasurer of the Society is the same as that remitted last year. It is hoped that the time is approaching when this and other parishes in the Diocese will see the propriety of remitting the whole sum collected to the Church Society ; particularly with reference to the late ammendment in the Constitution of the Society, whereby it has now become essentially a Missionary organization.

In addition to the amount given, under their separate headings, in the

Tabular statement, it should be mentioned that 35 dollars have been contributed to the Irish Church Society, and about 25 dollars collected for the use of the Church Missionary Society for Africa and the East.

#### SUTTON.

REV. J. S. SYKES:—The second year of my missionary labour in this part of the Lord's vineyard has completed its round. When we look back and see the good fruit of our humble labours we are encouraged still to hope for further success in the work of the Lord. Our prayer is that the Church may put forth her strength, and take her true position, the divinely appointed instrument for administering the means of grace to the people of this land.

Many persons both adults and children have, during the last twelve months, been admitted into the Church by baptism and the number of communicants has increased.

#### FINANCIAL STATEMENT.

*Collections after Sermons for Missionary purposes are as follows:—*At the Church, \$6.50; at the North school-house, \$2.57; at the South school-house, \$2.78; total, \$11.85. After Sermons for Widows' and Orphans' Fund, collected at the Church, \$2.32; at the South-school-house, \$1.53; total, \$3.85. Collected at the Church on Thanksgiving day for Missionary purposes of the Church Society, \$3.50; subscriptions to Church Society, from 51 subscribers, \$48.87½. Towards the Clergyman's support, \$119.00 from 19 subscribers. Contributions towards erection of steps at the parsonage, from Mr. Henry Billings, a large and beautiful Granite Stone; Mr. G. C. Dyer, \$13.00; Mr. J. P. Hunt, \$2.00; Ladies' Sewing Society, \$10.00. Offertory collections, \$19.80. Labour given in cutting hay, drawing gravel for garden, &c., and furnishing parsonage with fire-wood, \$30.00. This is a very low estimate for the many acts of kindness I have received at the hands of those and many friends who are ever ready to lend a helping hand when called upon. In this place I return my sincere thanks to Miss A. E. Dyer, for her kindness in giving her services at the instrument every Sunday and at all other times for the benefit of the Church. Collected at Choral meeting, \$5.27½, towards purchase of lamps for Singing School. For four lots in burial ground, \$8.00.

Total amount raised this year in the mission, \$375.15.

#### VAUDREUEIL.

REV. J. W. PYKE:—Our Report for the year just closed shows, I am sorry to say, a great falling off in our annual subscriptions to the Society. Our record of deaths for the past year is larger than usual. One death

that of Mrs. De Lesderniers, has left a blank in our Church and social circle which will not easily be filled up. She was one of the earliest members of the Church here, and to the last was always a regular attendant on its Divine ordinances. She was ever "ready to give and glad to distribute," for all works of piety and charity, and to us the loss of her example and influence will be great indeed. Her memory is blessed and she sleeps in Jesus.

We are encouraged by the fact that the attendance on Divine ordinances has been regular and satisfactory. Four communicants have been added to our list and the number present on Christmas day was 30.

I am much gratified by a very pleasing act on the part of the ladies of the congregation, and other friends of the Church, who presented me with a very handsome silk gown. I have also received several presents from various members of my Congregation, of more or less value, but all equally valuable and acceptable to the Minister of Christ, as evidences of a kindly feeling and attachment on the part of the people among whom he is called to labor.

The following is a detailed account of monies raised for different Church purposes:—

#### WATERLOO.

REV. A. T. WHITTEN:—The sums raised in the Mission this year are as follows: Annual subscriptions, \$55.00; Widows and Orphans' Fund, \$8.44; Collection on Thanksgiving day, \$6.40; towards Clergyman's support, \$120.00; Subscriptions towards the building of a parsonage house, \$808.00, collected in the Mission, and \$77.00 collected from friends of the Church, in Montreal. St. Luke's Church, Waterloo, has been painted outside and newly shingled, this year, the expenses of which were paid from pew rents.

The old parsonage has been sold for the sum of \$800.00, which, added to the sum raised by subscriptions, amounts to \$1685.00. The New Parsonage, the building of which was let by contract in June last for the sum of \$1785.00, is now ready for use. It is a substantial brick building, two stories high, well planned, and I believe it will be convenient and comfortable. It is built on a piece of land, 17 acres, the gift of the late H. Robinson, Esq., at a convenient distance from the Church.

There has been during the last year an increased desire for the ministrations of the Church. During the summer I held a third service every alternate Sunday ; one at a small village 2 miles distant, the other, 5 miles from Waterloo. A week day service once a fortnight, has been commenced in a part of my mission, where the facilities for attending the Church, for the aged and the young especially, are not very great, and where, in many cases, much indifference for the public services of the Church prevailed. There is a wide field here and the labourers too few to cultivate it as it should be. May it please the Lord of the harvest, in due time to send more labourers into the harvest ; and stir up the people, especially those who have the means of grace amongst themselves, and value them, to give, as God hath bestowed upon them, for the purpose of increasing the ministry of the Church, and adding daily to its members such as shall be saved.

#### WEST FARNHAM.

Rev. T. W. Mussen :—In this mission, we have collected \$25.50 for the Church Society. The collection for missionary purposes, (including that of Thanksgiving day), and that for Widows and Orphans, amount respectively to \$3.35 and \$3.30. The Sunday collections reached the sum of \$44.30 ; \$15.00 were spent upon the parsonage ; \$28.00 were subscribed for a set of Communion Plate ; and of the subscriptions towards the Clergyman's support, \$41.22, have been paid in. Through the kindness of Thomas Mussen, Esq. of Montreal, our Church has been refurnished with a carpet for the chancel, communion cloths, and hangings for the reading desk and pulpit, the value of which amounted to \$60.00. The sum total of what has been raised this year, in and for the mission, amounts therefore to \$220.67.

#### EDUCATION.

Extract from the Report of the Colonial Church and School Society :

The operations of the Society for 1860 have been attended with marked success. The number of students at the Normal School was 60, and the number of juvenile pupils at the Bonaventure Schools were, boys 172, and girls 150. Infant school 110. The report of the working of the country schools was, like that of the city schools, highly satisfactory, showing that the proficiency and good conduct of the teachers were unexceptionable, and that the schools were increasing in usefulness. There are now 22 schools in operation, aided by the Society, in which 1152 scholars are instructed.

In the Depository, as well as in other branches of the Society's operations, much more might have been accomplished had there been funds available. Therefore, while we thankfully acknowledge the efforts which have been made in behalf of the Society, we must again urge the necessity of securing new subscribers and of increased liberality on the part of those who are already such, in order that the Society may carry on successfully the important work in which it is engaged. Nothing less than this will be sufficient to maintain the Society in its present state of usefulness, and to extend its operations. And surely it would be a disgrace to the members of the Church in this Diocese, if, through their want of zeal and earnestness, there should be any failure in carrying on so noble and blessed a work. Let it not, then, be said, that, by the smallness of their offerings, the Society suffers embarrassment, or that the Church is thus in any measure retarded in the execution of her holy mission of extending the Redeemer's kingdom, and of saving from everlasting destruction the souls for whom He died.
