The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## RULES ADOPTED BY THE CHURCH SOCIETY.

DECEMBER, 1859.

1. Whereas, it frequently happens that persons from various parts of the Diocese, and from other Dioceses, make application for assistance in building Churches, Parsonages, &c., to the Clergy and Laity of the Church throughout the Diocese, without any recognized authority and proof of the facts of the case for which application is made: Resolved, therefore, that the Bishop be respectfully requested to establish as a rule in the Diocese that no clergyman or layman be permitted to collect money for any Church purpose beyond the bounds of his own mission, or to proceed to any other Diocese for the same purpose, without the sanction and approval of the Bishop, given as a heading to his Subscription list; and that it be the duty of such collector to communicate with each clergyman before he makes a collection in his parish; and that, on his return from his collecting tour, every person collecting shall present his Subscription List to the Bishop, and account for all money received. And further, that no person from any other Diocese shall make collections within this Diocese without first obtaining the sanction of its Bishop, under his hand and seal.

2. Resolved, That inasmuch as great inconvenience and loss arise from the delay that often takes place in making the collections for the Church Society and transmitting them to the Secretary, the Clergy are therefore requested to make the collections on some Sunday during the month appointed for each collection, and to see that they are forwarded without delay to the Secretary.

DECEMBER, 1860.

3. Resolved, That no change shall be made in the Constitution of this Society, unless notice has been given at the previous quarterly meeting; and further, that all proposed changes of the Constitution shall be brought before the Standing Committee for them to report upon.

MARCH, 1861.

4. Resolved, That all applications for grants of money, books, &c., shall be submitted for the consideration of the Standing Committee previous to action by the Society thereon.

---

OCTOBER, 1862.

5. That, seeing it is absolutely necessary for the successful working of the Church Society and the furtherance of the various objects embraced by its Constitution, that all parts of the Diocese should co-operate: Be it therefore Resolved, that no assistance be given to any Parish or Congregation unless all the collections are regularly made by such congregation, and a Parochial Association established in connection with the same, from which collections are annually made for the Society; and further, that the Bishop be respectfully requested to apply the same rule to the S. P. C. K. Fund, for assisting in the building of Churches in the Diocese.

## JUNE, 1867.

6. That no resolution passed at any meeting of the Society shall be considered to be in force until brought up and confirmed at the next meeting, except such as refer to business which has been brought before the Standing Committee, or such as ask for the appointment of Committees.

## JUNE, 1868.

7. That all applications for aid from the Society must be with the Secretary at least three days before the meeting, otherwise they cannot be entertained until the following meeting.

8. That grants made from the General Purposes Fund, and not claimed by the expiration of two years from the time that they are promised, be cancelled.

9. That every application made to the Church Society by Clergymen regarding arrears of salary due by their congregations, be signed both by the Clergyman and the Church Wardens, with a view of making known to such congregations the amount of arrears due, and of influencing them thereby to a due regard to their obligations in relation to the salary of their Clergymen.

## CONSTITUTION

**Adopted by the Society and Confirmed by the Bishop.**  
—o—

**FIRST**—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Huron, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making a provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

**SECONDLY**—For the encouragement of education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.

**THIRDLY**—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

**FOURTHLY**—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.

**FIFTHLY**—For obtaining and granting aid towards the erection endowment and maintenance of Churches, according to the establishment of the said Church in the said Diocese; the erection and maintenance of Parsonage Houses; the setting apart of Burial Grounds and Church yards; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowments.

## I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said ;—

PREVENT US, O Lord, in all our doings, with Thy most gracious, favour, and further us with Thy continual help ; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord.—AMEN.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we humbly beseech Thee to prosper with Thy blessing the designs of this Society, and to comfort with Thy grace those benefactors who contribute to its support. Visit with Thy favour our Sovereign QUEEN VICTORIA, and all in authority under her; and so rule their hearts, that they may in all things seek Thy honour and glory. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. Inspire continually the Universal Church with a spirit of truth, unity and concord; and because it cannot continue in safety without Thy succour, preserve it evermore by Thy help and goodness; and may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord.—AMEN.

OUR FATHER, which art in Heaven, hallowed be Thy name. Thy kingdom come. Thy will be done in earth, as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever.—AMEN.

## AND WHEN BUSINESS IS ENDED.

ALMIGHTY GOD, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving-kindness to us and to all men; more particularly for the providential support by which this Society has been enabled to extend the knowledge of Thy sacred Truth. But above all, for Thy inestimable love in the redemption of the world by Thy blessed Son; for the means of grace, and the hope of glory which thou hast given us, in the same our Lord and Saviour Jesus Christ; to whom with Thee and the Holy Ghost be all honour and glory, world without end.—AMEN.

THE Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us all evermore.—AMEN.

## II.

That the Society shall consist of the Lord Bishop of the Diocese, and of all Clergymen and Laymen who shall contribute to its funds.

And further, that no constitution, by-law, rule, or regulation of the Society, nor any abrogation, repeal, change or alteration of the same, shall be of any force or effect until it shall have been confirmed by the Bishop, in writing, under his hand.

## RESOLUTIONS

PASSED AT THE THIRTEENTH ANNUAL MEETING, HELD  
ON THURSDAY, JUNE THE 8TH., 1871.

---

The Annual Meeting of the Church Society was held in the City Hall, London, on Thursday evening, June 8th., 1871—Ven. Archdeacon Brough, Vice-President, in the Chair.

The Report was read by the Secretary.

Moved by Very Rev. Dean Hellmuth, seconded by Rev. G. Keys, and

1. *Resolved*—That the Report now read be adopted. Carried.

2. Moved by Rev. A. Jamieson, seconded by Rev. H. Bartlett, and

*Resolved*—That while our heartfelt thanks are due to Almighty God for the success of the past year, still the increasing wants of the Diocese call for increased exertions being made to forward the objects of the Church Society. Carried.

THIRTEENTH ANNUAL REPORT  
OF THE  
INCORPORATED CHURCH SOCIETY  
OF THE DIOCESE OF HURON.

In presenting their Thirteenth Annual Report, the Standing Committee are gratified in being permitted to appear before the Society with an income largely increased over any former year; and yet, while much exertion has been made, the members of the Society who study the figures appended to this Report will not fail to see that there are parts of the Diocese, and these not the least important parts, where, as compared with their ability, little has been done to forward the objects of the Society. It is evident then that if all would exert themselves to forward the work—and especially the clergy, upon whom so much depends—much more might be done to bring the annual income of the Society nearer to what the ability of our people, if properly drawn out, would enable them to subscribe.

**Income.**

During the past year, the Income derived from the Diocese has reached \$10,022.87. This is \$727.35 more than last year, and \$438.87 in excess of any previous year.

\* Besides a collection made this year for the distressed Lancashire operatives, which yielded \$1719.75. † Also \$2152.82 contributed this year towards the Sustentation Fund capital. ‡ Also, \$7062.65 contributed to Sustentation Fund. § Also, \$8986.25 contributed to Sustentation Fund, besides legacies received, \$5630.50, for same object.

**General Purposes Fund.**

From this fund during the past year the following grants have been made:—Books for Sunday Schools, \$252.81; for Tracts for distribution,

\$87; to Churches and Parsonages, \$900; besides \$920 carried to the credit of the Widows' & Orphans' Fund, and \$1293.42 to the Mission Fund; and further grants, amounting to \$500, have been promised towards churches and parsonages now in course of erection.

#### ***Mission Fund.***

The Mission Fund closes the year still largely overdrawn. This is caused by the additional expenditure for grants to Churches and Parsonages during the year from the General Purposes Fund, and the increased grant to the Widows' and Orphans' Fund. Had it not been for this, the Mission Fund debt would have been reduced by this time to less than \$1000; at present it is \$2293.58.

The Investments of the Sustentation Fund are now \$19,300, and before the close of another year will be about \$30,000, so that the Mission Fund will receive increasing help each year from the Sustentation Fund, and will thus be able to attempt what is absolutely necessary under the present circumstances of the country, viz., to increase the stipends of those clergymen who receive annual grants from this fund.

The Committee would therefore bespeak greater exertions on the part of the Clergy and Laity throughout the Diocese for the Mission Fund, which is the most important branch of the Society's work.

#### ***Widows' & Orphans' Fund.***

As years roll on, the claims on this fund increase. We have now nine widows of clergymen receiving pensions from this fund, which causes a demand for \$1800 a year from the Widows' & Orphans' Fund. It was felt during the year that unless some effort was made to sustain this fund, the small pensions now given to our widows would have to be reduced; hence an alteration has been made in the By-Law, and the General Purposes Fund of the Society now pays the W. & O. Fund ten dollars a year for every clergyman in the Diocese instead of five as heretofore. The Investments belonging to this fund now nearly reach \$30,000, which affords, according to our numbers, far better security than is offered to the Clergy by any other Diocese in Canada.

#### ***Depository Fund.***

During the past year the sales of books amounted to \$659.46; this includes Sunday School libraries purchased from the S. P. C. K. during the past year, a number of which are still in stock, and are sold for the use of Sunday Schools without any additional charge above what they cost.

#### ***Sustentation Fund.***

During the past year \$8,966.25 have been received from the Diocese for this fund, besides two legacies: one from the late Hon. G. J. Goodhue,

of \$2,500, and the other from the late John Bowman, of London township, of \*\$3,130.50, making \$14,596.75 received during the past year, and a total of \$23,812.22 already received for this fund from the Diocese, besides \$5,280.55 from the S. P. C. The investments belonging to this fund are now \$19,300, besides a balance of over \$7,000 waiting for investment.†

#### **Trust Funds.**

The capital of the Commutation Fund has been increased during the past year by the reinvestment of debentures matured. At present the fund shows in debentures an increase of \$12,440.91 over the sum received from the Diocese of Toronto, besides the \$3,000 which was granted to the interest account of the Episcopal Fund.

The surplus income has been increased by the passing away of another of the clergy who assisted in forming this fund, and also by reinvestment of capital; thus from 1st July next, three more of the non-commuted clergy can be put upon this fund for \$200 a year each. This will make eight additional clergy who have been put upon this fund.

#### **Episcopal and Archdeacons' Fund.**

The interest of this fund appears, at the close of our financial year, to be still overdrawn by \$656.52; but there is \$453.39 interest overdue and unpaid, and this would reduce the indebtedness of this fund to \$203.13. Had it not been for the extra heavy outlay for repairs, incurred during the past year, as will be seen by the accounts, this fund would now be out of debt, and would be in a position, after paying the Archdeacons and all expenses, largely to increase the Episcopal stipend. Before the end of the present year the Committee anticipate that the fund will be able to do this.

The statement of the various other accounts will be found in the Appendix.

Such is a brief review of the principal funds administered by the Society; and the Committee are thankful to be able to show that the various funds, with the exception of the Mission Fund, are in a satisfactory position; and as regards the Mission Fund, it only requires a little more zeal in the cause and combined exertion on the part of the Clergy and Laity throughout the Diocese to enable it to perform all the work that it is required to do. During the past year one of our older Clergy—Rev. H. Revell—has been called away, leaving another warning to all that “the place which knows us now will soon know us no more;” hence the duty that lies before us, to be faithful to the trust reposed in us, and to the privileges accorded in us of being permitted to assist in forwarding the important objects for which the Church Society of this Diocese was established.

\*The legacies left to the Diocese by the late J. Bowman in full are as follows:—

Sustentation Fund.....	\$3130 50
St. George's, London Township .....	2150 00
100 acres to W. & O. Fund, valued at...	4000 00

\$9280 00

†Mrs. Nugent, of Belmont, has given half an acre in the city of London; and Sutton Frizell, of Woodstock, a town lot in Woodstock.
