The copy filmed here has been reproduced thanks to the generosity of:

Harold Campbell Vaughan Memorial Library
Acadia University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Harold Campbell Vaughan Memorial Librar,
Acadia University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

ELECTORS OF THE PROVINCE OF QUEBEC.

The great right of suffrage, it is once more your duty to exercise. Every instinct of patriotism urges you to use it well; to use it against corruption in high places. The verdict of the ten jurymen in the Senecal-Laurier libel suit was practically to the effect that the Province was ruled by "A DEN OF THIEVES." Only two jurymen took an opposite view of the case, although all the influence of the Government was exercised to the utmost, although the Chapleau Ministers showed the interest they took in the trial by assisting the private prosecution by two Crown lawyers, while the Hon. Mr. Laurier, his counsel being ill, was not allowed to address the jury in his own behalf. *The Government was practically on its trial, for honest administration, and ten of the jurymen condemned it.*

Consider the state of public affairs in this Province. After thirteen years of rule by the Chapleau party, we have a PUBLIC DEBT OF OVER \$17,000,000. The real deficit for the first ten months of the year 1880-81 was \$880,431.40. For the whole year the deficit must be over \$900,000.00, although the treasurer of the Province endeavors to hide the true state of affairs by charging much of this deficit to capital account. The deficit of the year 1879-80 was \$594,946.14.

The Hon. Mr. Joly during the twelve months from July, 1878, to 1879, in which he was in office *reduced the controllable expenditure by \$244,614.00*, and had estimated to reduce it still more in the ensuing year, estimates which the Chapleau Government exceeded.

Mr. Chapleau boasts that he obtained a loan in France at a little over 98, but the truth is, after deducting the difference of exchange and other charges, the loan was obtained at less than 95.

It is his intention also to sell for \$8,000,000 the Q., M., O. & O. Railway, which cost the Province \$13,000,000 to build. The Province has good reason to fear the sale, by such a Government, of its most valuable asset. In a few years nothing but the \$13,000,000 of the debt would remain.

Provincial bankruptcy stares us in the face. DIRECT TAXATION is inevitable, unless the Government is checked in its reckless career. Two Conservative administrations of the Senecal-Chapleau party have already threatened us with it. If the Senecal-Chapleau-Paquet faction is returned, the evil day will at last have dawned.

Vote, electors of the Province, to keep the *Provincial tax-gatherer* from your doors! Vote for retrenchment in the Civil service! Vote for an end to the present profligate and extravagant expenditure of public money! Vote for honesty of Government, as proclaimed for the Hon. Mr. Joly! Vote for the *abolition of the Legislative Council*, the asylum of political refugees and irresponsibles, who have already cost the Province over \$500,000 and are a standing hindrance to righteous legislation and *popular Government*. Vote for reform in the Primary School system! Vote for the Liberal candidates, the supporters of honest and economical administration! Vote against a Government, which obtained power through the purchased votes of five men, elected to support Mr. Joly, but who basely yielded to the hopes of plunder held out by Messrs. Senecal and Chapleau! Vote for Reform!
