GERMANS ARE THROWN BACK

French Troops South of Montdidier Turn Upon Enemy in Violent Attack and Administer Severe Defeat Over a Front of Seven Miles, Inflicting Enormous Casualties and Taking More Than a Thousand Prisoners—British Transport Sunk.

GERMAN NAVY PREPARED TO SAIL OUT TO FIGHT

Feverish Preparations Proceed for Attempt to Win War. FOR COMMAND OF SEA. Kaiser's Fleet, to Emerge if Allies Fall Behind Paris.

Washington, June 11.—Further evidence that Germany, in its efforts to end the war this summer, is planning to support its land offensive by sending its high-seas forces against the combined British and American grand fleet is given in an official despatch today from Switzerland.

"A telegram of an official nature," says the despatch, "is being spread broadcast in Germany, which says that the German admiralty is considering a big naval offensive. Orders are supposed to have been given to keep the whole fleet in readiness, and a certain number of naval officers of high rank have been recalled from Switzerland and other neutral countries, where they have been spending their leaves."

TEN BOMBING RAIDS ON BELGIAN COAST

British Seaplanes Constantly Attack Zebrugge, Thourout, Bruges and Other Targets. London, June 11.—During the period between June 6 and 9, inclusive, ten bombing raids were carried out, according to an admiralty statement today. The objectives were Thourout, Zebrugge lock gates, the Brugeseise works, Bruges docks, Bruges Canal, Ghistelles airdrome, Marliater airdrome, St. Denis-Western airdrome and the Mostacker airdrome.

BRITISH TRANSPORT AUSONIA DESTROYED

Forty Members of Crew Missing; Ninety Picked Up—Submarine Sank Ship. New York, June 11.—The British transport Ausonia, owned by the Cunard Steamship Company, has been torpedoed and sunk by a German submarine several hundred miles from the British coast while on her way westward, according to private cable message received here today. Ninety members of her crew were picked up by another steamship eastward bound and landed on the English coast, the message said. Search is being made for forty more of the crew who are reported missing.

FRENCH BLUE DEVILS COMING TO TORONTO

Famous Soldiers Will Visit the City for Three Days at the End of June. The famous French "Blue Devils," many of whom wear the Mons star, will arrive in Toronto on June 29 and remain until July 1. Full arrangements for their reception will be made today at the parliament buildings. The men were about to leave for France when, thru the efforts of Hon. Claude Macdonell and Ambassador Reading, the French Government gave them permission to visit Canada. Mayor Church has been active in having Toronto added to the list of Canadian places which the French heroes will visit, and as he said last night, "when the blue devils arrive there will be the devil of a time in Toronto."

MAJOR BISHOP MADE SQUADRON COMMANDER

Canadian Associated Press Cable. London, June 11.—The following Canadian promotions are announced: Major W. A. Bishop, the famous airman, is gazetted squadron commander; Capt. C. A. Morse is gazetted flying officer.

ITALIANS STOP ENEMY ATTEMPTING SURPRISE

Rome, June 11.—The official communication says: "At Monte Korno, in the Frenzela valley and Cortellazzo the hostile infantry vainly attempted surprise attacks."

TORONTO IS SWEEP BY ELECTRIC STORM

One of Worst for Some Time Rages for Over an Hour. LITTLE DAMAGE DONE. Torrents of Rain and Vivid Lightning Make Spectacular Evening.

One of the worst electrical storms that Toronto has seen for some time raged over the city for over an hour last night. The rain fell in torrents, and the lightning and thunder followed each other in quick succession.

ENEMY LINES RAKED BY BRITISH AIRCRAFT

Aviators Attack Every Target Seen Behind German Battle-front in France. London, June 11.—The official statement on aerial operations to-night says: "In spite of the cloudy weather yesterday our airmen on the French battle front worked early and late, dropping eight tons of bombs on enemy troops, transport and ammunition dumps, guns and trenches. Direct hits were obtained on the railway at Roy-sur-Matz and concentrations of infantry in the triangle comprising Montdidier, Riquebourg and Roye."

WAR POSITION TOLD

Premier Lloyd George Explains at Great Length Whole Situation. London, June 11.—It is understood that at today's meeting of the imperial war cabinet Premier Lloyd George explained at great length the whole war situation. The chief subject for tomorrow's meeting of the imperial conference will be the arrangement of the agenda.

IMPORTANT POINTS RETAKEN BY FRENCH COUNTER-ATTACKS

Engagement So Far Amounts to Considerable Allied Success, With Advance on Seven Mile Front—American Troops Carry Belleau Wood in Brilliant Attack. The French troops fighting south of Montdidier have turned upon the Germans in a violent attack and administered a severe defeat to the enemy over a front of about seven and a half miles between Rubescourt and St. Maur.

THREE BALKAN VILLAGES TAKEN IN BRILLIANT ACTION BY FRENCH

Allies in Macedonia Gain Important Success Southwest of Pogradetz, Occupying Crete, Kamia and Popcisti. Paris, June 11.—A French official communication says: "Eastern theatre: Heavy artillery activity continued on both sides west of the Vardar, particularly in the region of Stria di Legen. In the region of Dobropolje the enemy, after violent artillery preparation, attempted a surprise attack against the Italian positions, but were repulsed, leaving prisoners in our hands."

AMERICANS ADVANCE INTO BELLEAU WOOD

Two Hundred and Fifty Prisoners Taken With Important War Material. Washington, June 11.—American troops northwest of Chateau Thierry this morning advanced their position in Belleau Wood, capturing 250 prisoners and considerable war material, including a few machine guns and two trench mortars, according to General Pershing's report to the war department today.

LT.-COL. E. C. ARNOLDI DIES IN HOSPITAL

Commander Canadian Expeditionary Force Artillery Brigade, Succumbs to Complication of Brain. Lieut.-Col. E. C. Arnoldi, who for three winter training seasons has been commander of the Canadian Expeditionary Force Artillery Brigade, stationed at Exhibition Camp, Toronto, died from congestion of the brain at 8:30 last night in the Toronto Military Base Hospital, Gerrard street east. He had been at the base hospital earlier this year, but had left fairly restored to health.

FIRE IN GREY COUNTY FARM LEAVES NO SURVIVORS TO TELL THE TALE

Owen Sound, June 11.—One of the worst fatalities in the history of Grey County has been reported here from one of the remote parts of the county. A farm house with all its occupants, five in number, was destroyed by fire at an early hour Saturday morning last. The home was that of Richard Lyons, Euphasia Township, who lost his life together with his wife and their only son, Lawrence, aged eight years.

FRENCH STRIKE A HARD BLOW

Paris, June 11.—The French have struck the Germans a hard blow along a front of about seven and a half miles between Rubescourt and St. Maur, recapturing Belloy, Genlis Wood and the heights between Courcelles and Mortemer. The official announcement by the war office tonight of his gain says the Germans suffered heavy losses and left more than a thousand prisoners and some guns in the hands of the French.

AMERICANS ADVANCE INTO BELLEAU WOOD

Two Hundred and Fifty Prisoners Taken With Important War Material. Washington, June 11.—American troops northwest of Chateau Thierry this morning advanced their position in Belleau Wood, capturing 250 prisoners and considerable war material, including a few machine guns and two trench mortars, according to General Pershing's report to the war department today.

MEET GROWING RESISTANCE

With the French Army in France, June 11.—The strongest effort made by the Germans in the course of last night an d this morning in their new offensive was in the direction of the railroad connecting Estrees-St. Denis and Montdidier. The Germans met with such resistance that they renounced for the moment their attempts in this region.

captured the crest running southwest of Marquiesse, between Perte farm and Loges farm.

Late last night the allied infantry re-entered the Village of Mery, which had formed a protective point for the German advance thru the valley.

Seeing their progress hindered on this side the Germans turned towards the other flank and nearly reached Ribecourt, to the north of which place the hottest encounters occurred in the woods of Dreslincourt.

The enemy will be forced to debouch on the plain near the Oise River where he will find himself without the shelter of woods and will be subjected to a concentrated fire of allied artillery and machine guns.

The Germans have found it necessary to bring forward more divisions to fill the gaps in their ranks caused by the terrific allied gunfire.

The enemy's possession of the height of Ecouvillon, below Thiescourt, enabled him to filter troops thru the small valleys, making the position of the allies occupying the small hillocks perilous and causing them to retire.

The whole countryside hereabouts is dotted with these small hills, which are called mountains, forming a kind of bastions, which, when turned from one side or the other, become absolute traps for the occupants. Most of the valleys between run toward the banks of the River Oise.

GAINS ON EASTERN SIDE.

The third day of the German offensive on the front between Montdidier and Noyon saw the Germans still making progress from the centre of the line eastward of the Oise River, but being held back in their attempts to bring their positions southeast of Montdidier in alignment. Everywhere they were continuing to pay an exorbitant price for every gain they made.

Having reached the Oise in the region of Ribecourt the enemy, if he purposes to try and fight his way along the west bank of the stream, soon must emerge in force upon the lowlands bordering the waterway, where the troops of General Foch are said to be in strong array, both in men and guns, waiting to dispute the road to Paris.

Also nearly 300,000 men are being employed by the Germans in their efforts to open a way toward the French capital, their progress is slow when compared to progress on other days. Numerous divisions of the attacking troops have been cut to pieces by the French gunners and forced to withdraw from the battle in order to fill the gaps with fresh men. Not an inch of ground has been given up without excitement by the French of a terrible toll in men killed or wounded. And nowhere has the defending line been pierced.

STILL IN CENTRE.

The apex of the salient driven by the Germans is still in the centre, south of the Village of Marquiesse. To the west of this point the Germans at one time also reached the Aronde River, but were driven back for considerable distances by the French in heavy counter-attacks. The French also are counter-attacking southwest of Noyon, according to the German official communication, which says, however, that renewed efforts of the French to regain lost territory were repulsed with heavy losses.

The German war office claims the capture of 10,000 additional prisoners, which, with the number of captives reported last Monday, would bring the total to 18,000 in the present fighting.

Since the new offensive began along the Soissons-Rheims sector, May 27, it is asserted by the German official communication that the army group of the German crown prince has taken about 75,000 allied troops captive.

QUIETNESS IN AISNE SECTOR.

Comparative quiet still prevails on the front between Soissons and Rheims, also the Germans announce that northwest of Chateau Thierry, where the American marines, fighting side by side with the French, have several times decisively defeated the enemy, the Germans have repulsed, with heavy losses, attacks delivered against their front. In none of the most ambitious operations carried out in many days, Field Marshal Haig's troops in the Amiens sector have struck the Germans a nasty blow. It was the Australians who carried out the manoeuvre, and they succeeded in advancing their line half a mile over a mile and a half front and took nearly 300 prisoners, including five officers. In addition twenty-one machine guns and a trench mortar were captured.

On the Italian front there has been no infantry fighting of importance, but numerous small affairs between patrol parties continue of daily occurrence. The artilleries of both sides are keeping up mutual bombardments.

Another "peace offensive" by Germany and Austria-Hungary apparently is in the air. It is asserted that in Berlin the government and the high army command are discussing a declaration of war aims, while from Vienna comes the news that the Austro-Hungarian foreign minister, in an interview, has reiterated that he still adheres to the policy of peace by understanding and that the dual monarchy seeks no annexations.

CONSIDERABLE ALLIED SUCCESS.

London, June 11.—The correspondent with the British military service writes:

"In the Montdidier-Noyon sector the enemy attack is meeting with so little success, in proportion to the heavy sacrifices he is making, that so far the engagement may undoubtedly be characterized as a considerable allied success. The French continue to hold stubbornly on both flanks at Ville, taking over 500 prisoners, a signal proof of the enemy's desperation.

"In the centre the advance of about three miles forced by the first enemy onslaught was followed on the second day by a further advance of about two miles on a still narrower front. But for these very limited and, so far, useless gains, the enemy has had to pay a price so heavy that he has at last been compelled to draw upon Prince Rupprecht's till now jealously withheld reserves. This is a point of deep significance.

ENEMY TAUGHT SEVERE LESSON.

"The enemy apparently anticipated a success as easy for him as that on the Aisne and he has been taught a severe lesson. He has a temporary numerical superiority and the initiative on the western front, yet even that is proving insufficient to overcome the determination of the allied defence. Some ground will inevitably be gained by the enemy and the salient at Noyon is becoming so acute as to necessitate a rectification of the line, but if the enemy is made to pay the same price as hitherto, such transfer of ground will within limits be to the allied advantage."

AS PARIS SEES BATTLE.

Paris, June 11.—The battle along the front continues with fury. Attacks and counter-attacks follow each other without interruption. The losses of the Germans are formidable. The evening journals, in reviewing the results which have been obtained during the past two days by the Germans, agree that they are not to be ignored, but doubt that they were worth the losses which the Germans suffered.

"Along the whole front," says The Journal Des Debats, "the situation is not modified sensibly. The generally believed objective of the enemy is Compeigne, but this city has not been reached. The advance along the right bank of the Oise is not sufficient to disturb our positions on the opposite bank of the river between the Oise and the Aisne. At the end of the line the situation upon the plateau of Montdidier is not changed."

German Version of Battle.

Berlin, via London, June 11.—The number of prisoners taken by the Germans in the new offensive has increased by more than 10,000, making the aggregate of prisoners since May 27 about 75,000, says the German official communication issued today.

The communication adds that the Germans have repulsed with heavy losses attacks northwest of Chateau Thierry, in which region American marines and French troops are opposed to them. The text of the statement reads:

"Fighting activity, which has been moderate throughout the day, revived only on both sides of the Somme. After the firing had greatly increased the enemy attacked in the evening between the Ancre and the Somme.

OPEN-AIR BATHS BECOME POPULAR

New One at Victoria Park Leads to Proposals for Others.

The building of a swimming tank by Sir John Eaton at Victoria Park for the Eaton Boys' Club has led to a great deal of discussion of open-air baths.

The Toronto Street Railway Co. is considering the erection of a large one on East Queen street, next to Scarborough Beach. Conditions there are such that the building of a large swimming tank would require little or no excavation, and with their own waterworks system, capable of delivering over a million gallons a minute, it would be an easy matter to have clean water daily if necessary.

Yesterday a new champion to this cause was discovered in the person of John Walker, who is in charge of the bathhouse and life-saving station at Scarborough Beach. Mr. Walker is a former soldier, and served over two and a half years at Balaclava. He is an ex-champion swimmer of England, and was in charge of the baths at Tunbridge Wells, the largest in the world, for seven years.

Mr. Walker stated that one reason for his coming to Canada was that he understood that the Ontario Street Railway was to be part of every school child's education, and thought there was a chance of his position as instructor in swimming. He thinks that if the bath is to be built it should be 100 yards long and from 3 feet to 6 inches deep, as these championships races and diving competitions could be held there. He would be paying proposition from the start, and is a grand chance for the school children to learn to swim.

Mr. Walker told of his success in teaching children in England, who, after only two months' instruction, took part in championship races. Mr. Walker has already saved seven people from drowning this season, all being up from canoes or rowboats. Acting on instruction gained from Mr. Walker, C. W. Keen of 23 Park avenue, who is a non-swimmer, while out in a canoe, was able to rescue one of the two most upset in the lake, a night or two ago. The men refused to give their names, but it is understood they are in bed as a result of their experience.

FOREST SCHOOL PUPILS LEARNING FROM NATURE

The children of the Forest School, Victoria Park, as a result of living close to nature, are becoming much interested in birds and flowers, many of the pupils being able to identify as many as 20 different birds, and to name the flowers in their neighborhood. The whole school were interested spectators of a fight between two flickers for the possession of a nest the other day. The lovely bluebird also nests close to the school, while the warblers, some of which are very common, are a delight to the children.

Riverdale REGISTERING IN RIVERDALE

People in the Riverdale section going out of town find the police station a convenient place at which to register. Over 20 registered yesterday at No. 4, Pape avenue station, during the day.

ALFRED PETER BURIED

The funeral of the late Alfred Peter, 12 Bright street, died of a heart ailment who died at St. Michael's Hospital from injuries received on Wednesday last when struck by a street car on Queen street, took place yesterday afternoon at Trinity Church, officiated by the Rev. J. J. O'Rourke, pastor of the church. The child was a member of the primary class at the church, and was only 11 years of age. He was a pupil of the public school, where he was very popular with his school companions.

DAVIDSON FUNERAL TODAY

The funeral of the late Mrs. Mary Davidson, who died from a paralytic stroke on Sunday at her late residence, 271 Pape avenue, in her 85th year, will take place today to Norway Cemetery, at 10 o'clock, officiated by the Rev. J. J. O'Rourke, pastor of the church. Mrs. Davidson was an active member of the church, and was survived by her husband and one daughter.

Islington DEATH AT ISLINGTON

The death occurred on Monday at Islington of Eliza Ann Tier at the age of 82 years. She was the widow of the late Mr. James Tier, who was only 11 years of age. The funeral will be held at St. George's church, where she was buried, on Wednesday.

SCORE'S EXCLUSIVE SUMMER "TOGGERY"

There was a time when men thought that most anything would do for summer wear so long as it was comfortable, but they demand good style, something away from the ordinary. There must be quality. Score's specialize in summer wearables for men of discriminating choice, and present stocks will be ample proof of it in making selections in underwear, shirts, collars, neckwear, hosiery, gloves and ties. The store is located at 100 Dundas street west, Toronto.

Brampton HISTORICAL DOCUMENTS

H. W. Dawson has two relics of the old days of Brampton, in the shape of two bills printed on Colonial paper, and presented by the late Mr. W. W. Mackenzie. One of the bills is for the sale of the land on which the town of Brampton is situated. The other announces that a fair is to be held twice a year at Scarborough Tavern for the sale of stock.

A local break-thru by the enemy on the Corbie-Braye road was brought to a standstill by a counter-attack.

"During the two storming days the attack by the army of General von Hutler led to the intended results and put us in possession of the hilly district southwest of Noyon. The thrust was directed against the strongest position of the enemy, who was deeply ebullient in preparation for the attack. In spite of this the French divisions could not withstand the impetuous shock of our troops.

French Reserves Reported. Divisions of the French army reserves, who were brought up for centred counter-attacks, were also repulsed yesterday in bitter fighting.

"On the right wing of the attack the troops of General von Oettinger maintained the lines which had been captured from the enemy south of Assainvillers against violent counter-attacks.

"The troops of General von Ebern are fighting in the neighborhood of Courcelles and Mery. On both sides of the high road between Mery and Estreux St. Denis they captured the ridge east of Mery, broke thru the fourth enemy position and drove him back on the Aronde River.

"In spite of the stubborn enemy defence the troops of General von Schoeler fought their way across the Matz, and after storming the heights of Marquiesse and Vignamont pressed forward in an uninterrupted assault as far as Antheuil.

"In continuous fighting General Hoffmann's corps penetrated the enemy's position and entanglements on the heights south of Thiescourt. On the slopes running south to the Oise we pressed forward as far as Ribecourt.

"The number of prisoners has increased by more than 10,000, thus raising the number of prisoners captured by the army group of the German crown prince since May 27 to about 75,000.

"On the front from the Oise to Rheims the situation is unchanged. Renewed attacks launched by the enemy northwest of Chateau Thierry broke down with heavy losses.

"The official report from headquarters tonight says: "On the battlefield southwest of Noyon renewed French counter-attacks failed, with the heaviest losses for the enemy."

A STREET CAR SERVICE INTO ROSEDALE AND LEASIDE—A WAR MEASURE

The Dominion Government are building a big military hospital in Rosedale (in the city), and extensive shops and yards in Leaside adjoining the city, and they are asking the city to help them out with a street car service. The Imperial munitions board have a large body of men in their Royal Air Force camp at Leaside, and are likely to build permanent barracks. They, too, want street car service. One thing would serve these three government activities, not to mention the big munition plant at Leaside. All these mean the expenditure of large sums of public money.

What is the attitude of Toronto in the matter? Are the officials in the city hall, members of the board of control and of the city council willing to help out in these war measures?

When Mayor Church opens his meeting on Thursday in regard to the headquarters of the national railway being in Toronto, what is he to say in the attitude of the city in respect to street cars and other municipal services? Handshakes, flowers for buttonholes, shouts for Sir Adam Beck, will not quite fill the bill. Why can't Sir Adam come along with an extension out that way of his long-promised hydro-electric radials?

Two years ago The World suggested under-decks for street cars and vehicles in the two new cement viaducts over the Rosedale ravines for this very purpose. But Mr. Harris and Mr. Bradshaw offered no encouragement. Here is the situation set out in a statement made to the World yesterday:

Said the manager of a branch bank near the new Yonge street station: "I've been looking up and they've made significant new concrete viaducts, just completed by the Canadian Pacific across the Reservoir ravine and the 'Bell Line' ravine, and anyone who looks at them must be struck with the folly and inaction of Mayor Church, Commissioner Harris and Treasurer Bradshaw, that they hadn't the courage when these plans were up for approval, less than two years ago, to negotiate with the C.P.R. officials and the Dominion Railway Board for an under-deck for public traffic in both of these structures. Chairman Drayton was ready to hear the city and to act, but neither Mr. Harris nor Mr. Bradshaw would open his mouth."

"The west viaduct (three tracks), cost \$225,000, and the Bell Line one (two tracks), \$175,000. Splendid under-decks could have been built into them for about \$100,000 for the two, perhaps for less. Not only did they allow under-decks, but a subway north and south could also have been secured at all the ends of these bridges. When the city builds bridges here it will cost over half a million, and it will involve at least two years' time. If the city acted then, it would have the bridges now and the problem off its hands for all time at a cost of \$100,000. Even the C.P.R. was willing at the time to do all the work and let the city pay its share of the cost after the war. But the city would not even open its mouth. Go and look at these viaducts, and you will see what I say is true."

Here was the way to the hospital and to Leaside. But criticism of past failures will not mend matters. It is still in order to try and get something done, even if it has to be done as a war measure. The question is how to get street cars to the military hospital and on to the flying camp and the national railway yard.

Not that it isn't something of a problem to find a way to get street cars in and out of Rosedale to serve these public institutions. The first consideration is a quick route; next a single-track one if possible. But if the city authorities, the Canadian Pacific, the Canadian Northern, and the Railway War Board, the Hydro-Electric Commission, the Board of Control, the teachers and pupils alike. There was a large attendance of parents and friends.

MOONLIGHT ARRANGED

To provide comforts for members of the Canadian Mechanical Transport section of Earls Court and district, a moonlight trip has been organized to Cayuga place tomorrow night on the Sps. Cayuga. The net proceeds will be used to purchase comforts for the boys overseas. Sergt. E. J. Hollings, president, and Sergt. J. R. Jarvis secretary.

West Toronto GARDEN PARTY HELD

A garden party for the benefit of the Canadian Mechanical Transport section of Earls Court and district, was held at the home of W. B. and Mrs. Chamberlain, 490 Indian road, last night. Three vocalists, a comedian, two dancers and a Hawaiian orchestra provided the entertainment. Raffles, a fish pond, and a refreshment booth, added to the enjoyment and incidentality to the receipts, which, it is thought, will amount, what all in, to about \$100 despite the rain.

SERG. F. H. THOMAS HAS RETURNED HOME

Sergeant F. H. Thomas, of 77 Fairview avenue, who was with the MacLean Publishing Co. for eleven years previous to enlisting, is one of the West Toronto men who returned last week.

Sergeant Thomas enlisted in December, 1914, with the 12th Battalion, "The Pals." He spent ten months in France, and after suffering from trench fever and being gassed, was last December sent to England, where he has since been in various hospitals, and is now invalided home.

Two brothers are also serving. Evan in France, and Basil, still in Canada. WILL REPLACE LOST MEDALS.

Ottawa, June 11.—It is announced in militia orders that, in cases where medals and decorations have been lost in the Halifax disaster they will be replaced at the public expense if satisfactory evidence is produced that their loss was not due to any negligence on the part of the officers or soldiers concerned.

Earls Court EARLSCOURT FAIR PROVES POPULAR MOVE

Sir W. H. Hearst has sent a letter to the Earls Court Fair committee congratulating Earls Court on the decision to hold this exhibition in Earls Court. The premier points out the necessity of conservation, the growing of vegetables and other foodstuffs to help win the war, and he further says a commendable spirit is shown in the attention to this northwest section of Toronto for its loyalty and enterprise. A similar letter has been received from Mayor Church.

Several Earls Court merchants have signified their intention to co-operate by offering valuable prizes. At a meeting of the fair fall committee, held on Tuesday evening, consideration was reported, and a large number of entries have already been sent in. President F. A. Cowan presided.

EARLSCOURT CITIZENS INTERESTED IN PEAT

Earls Court citizens who went short of coal last winter are taking an interest in peat and coal brigades, and two members of the British Imperial Association are making the necessary arrangements for a supply of peat. It is the contention of these citizens that plenty of space can be found in Earls Court to store sufficient of this product to meet the needs of the general use among the smaller consumers, who cannot afford to stock coal thru the summer.

EXHIBITION BY PUPILS

North Dufferin Street School, Earls Court, was the scene of a pretty exhibition of folk dancing, drills, various games and calisthenics on Tuesday afternoon. The pupils have been rehearsing for some weeks, and the result was a most satisfactory exhibition, which did credit to

EATON'S DAILY STORE NEWS

The Bathing Suit! The Joy of the Summer Season! They're Here in Wide Array Ready for Your Selection.

Whether It's for the Swimm' Hole or the Fashionable Beach, There Are Bathing Suits Here for Boys and Men.

It's second nature for boys to go swimming and many a boy never grows up in this respect, although he probably finds as he grows older that the swimming hole bathing suit is hardly "smooth" enough for the fashionable beach. Whatever the need—here are bathing suits of cotton and wool. In many styles to suit either the amateur or professional swimmer.

For the professional there is the one-piece bathing suit and for the amateur bather who does not mind a little less freedom, for him we have a one-piece suit with skirt.

At 39c—A very popular bathing suit for boys is this boys' one-piece cotton bathing suit in navy, with 2-button shoulder. Sizes 22 to 32. Each, 39c.

At 50c—For a good serviceable suit at this moderate price we offer this boys' one-piece with skirt, 2-button shoulder, in navy blue only. Sizes 22 to 32. Each, 50c.

At 75c—Boys' suits, two-piece style, jersey with quarter sleeves, navy with white or red trimmings. Sizes 22 to 32. Each, 75c.

At 79c—Men's bathing suits, cotton, one-piece style, with skirt, 2-button shoulder. Sizes 34 to 44. Each, 79c.

At \$1.25—One-piece with skirt, better quality, in navy with gold, white or red trimmings. Sizes 34 to 44. Each, \$1.25.

At \$4.00—All wool suits, 2-piece style in heavy ribbed weave, V neck and no sleeves, made in natural grey with white trim, or in 2-inch club stripes in combinations of black and gold, light and dark blue, purple and myrtle, light and dark grey or maroon and cardinal. Sizes 34 to 44. Per suit, \$4.00.

At \$1.50—Men's, medium weight, 2-piece style, in grey with cardinal trimmings, or in navy with gold or red trimmings, made with quarter sleeves. Sizes 34 to 44. Each, \$1.50.
At \$2.50—Men's, athletic style, one-piece with skirt, one-button shoulder, medium weight ribbed worsted, in black with white or red trimmings. Sizes 34 to 46. Suit, \$2.50.

At \$7.50—Men's, 2-piece style, in extra fine quality worsted in fine elastic rib, in brown heather mixture, with wine color or light gold trimmings on shoulder, skirt and bottom of trunks. Made without sleeves in sizes 34 to 44. Per suit, \$7.50.

Men's Outing Shirts, Each 79c

A cool, soft outing shirt will enable you to be both cool and comfortable. These Outing Shirts are of plain white medium weight duck, with attached lay-down collars, which are reversible; have yoke and breast pocket, long sleeves and single band button cuff; sizes 14 to 18. Each, 79c.

Two-piece Underwear for boys, garment, 45c. One line is in fine natural shade balbriggan, the shirts being made with short or long sleeves, and the drawers in ankle or knee length; the other is in porous knit, white only, with knee length drawers and short sleeves; sizes 22 to 32 in either style. Per garment, 45c.
—Main Floor, Centre.

Men's Athletic Style Combinations, Special, Suit \$1.48

It's an excellent saving chance for the man in need of a supply of summer underwear. In the lot are suits in fancy or corded madras, soisette, mercerized cotton, or in fibre silk and cotton mixtures; in knee length, and without sleeves. Sizes 30 to 42. Per suit, \$1.48.

Share in the Clearance of Men's Negligee Shirts, Each 98c. Fine shirtings in effective stripe patterns in many shades, in coat style, have laundered or soft double cuffs; sizes in the lot 14 to 17½. Special, 98c.

Boys' Plain White Cotton Jerseys, in pullover style, with elastic ribbed neck and short sleeves. Sizes 26 to 32. 29c.

Men's White Cotton Night Robes, with collars or V-shaped neck and slipover cuffs, trimmed with braid in sky, navy, red or white; have breast pocket and full sized bodies; sizes 15 to 18. 75c.

Extra Special! Japanese Toyo Hats, Today \$1.69

If you find it hard to get your fit in a stiff straw hat then you will no doubt be interested in these specially priced, easy fitting Toyos. They are imported unshaped, and are then blocked and finished by expert Canadian workmen, who know the season's styles. They are in crease crown with pencil, roll or flaring brims, hollow crown telescope with roll edge, and boater shapes. They have puggaree and black bands. This is exceptional value, therefore early shopping is advisable. For this item we cannot take phone or mail orders, and only one hat to a customer, the quantity being limited, 480 hats in the lot. Sizes 6¾ to 7¾. Special today, each, \$1.69.

Men's Sennit Straw Boaters at \$1.75

Now some men don't care for Panama Hats and to such this item will prove of interest. These hats have 3¾ in. crowns with medium brims, comfortably fitting sweatband and neat black band and bow. Sizes 6¾ to 7¾. Each, \$1.75.

Straws for the Kiddies

They are in three shapes, small, medium and large. They have flexible brims, which may be turned up or down, and are made from good Canton braids. Sizes 6 to 6¾. Each, \$1.50.

Men's or Boys' Lightweight Caps

They are made from fibre silk mixtures and lightweight cloth materials, which makes a cool, sensible headgear for motoring, bowling or other outdoor activities. They are in plain shades, fancy stripes or large and small checks. Some have unbreakable canvas peaks which allow them to be rolled up quite small and carried in the pocket. Most have four or eight-piece tops. Sizes 6¾ to 7¾. Each \$1.50.

USE CENTRAL "Y" AS BASE HOSPITAL

Mayor Church Tells Third Battalion Veterans of New Proposal.

ANNUAL DINNER HELD ARE EXPECTED SHORTLY

Speakers Pay Tribute to Services Rendered by the Soldiers.

Upwards of a hundred and fifty members of the Third Battalion (Toronto Regiment) Veterans' Association attended the annual dinner of the organization...

The event was featured by addresses by leading citizens and soldiers, honoring King, the fallen heroes, and the "Regiment" by toasts, and the presence of scores of Toronto men who had played a valiant part in stemming the advance of the German hordes.

Those present included Mayor Church, Lt.-Col. James George, A.A.G., representing Toronto military headquarters; Amelius Jarvis, A. A. Allen, C. A. B. Brown, Wm. Banks, sr., Major C. W. Wright, president of the Third Battalion Veterans' Association; Lt.-Col. R. S. Wilson, Major Carson McCormack, Capt. F. Moran and Capt. H. C. Good.

Mayor Church declared that no words could adequately express the appreciation of Toronto's citizens for the great services rendered and sacrifices made on the western battlefield by the members of the 3rd Battalion and of the other units representing the city of Toronto and the Dominion.

He believed that a memorial to the fighting units of the Canadian army at the front, in times like the present, rendered more service to the empire in one week than "a car load of public men."

His own appreciation of the soldiers was such that he would advocate the erection of a memorial to the fighting units of the Canadian army at the front, in times like the present, rendered more service to the empire in one week than "a car load of public men."

RAILS AVAILABLE NOW FOR VIADUCT

Manager of Street Railway Company Will Hand Them Over to City.

NOTHING IN WAY NOW

Railway Board Will Not Insist on Pape Avenue Line.

The World of yesterday got all hands busy on the whereabouts of the street car rails for the Don viaduct; and after the railway board got into session up in the Queen's Park, Robert John Fleming admitted that he and them, and would hand them over to Colonel Roy Harris on terms agreed upon by Chairman McIntyre. Every one had a word in his hand, and was anxious to help out. The session was as smooth as the proverbial milk pond; all differences were practically smothered and this week should see the commencement of the laying of the rails.

WAR SUMMARY

THE DAY'S EVENTS REVIEWED

In the battle which is still raging fiercely between Montdidier and the Oise, yesterday saw both sides at tacking, and on the whole the French made much larger gains than the Germans.

While the French troops were thus advancing on their left, the Germans received another rebuff in the centre. The enemy had pushed forward to Lodge Farm and Anthelm, and was trying to advance further at the neck of the peninsula.

On the right wing the French have not yet checked the enemy progress, for he increased his pressure upon the neck in gaining a foothold at Marchmont and Bethancourt.

The allies have prepared a suitable reception in the Oise flats. They have massed forward of artillery there so that to smother his troops by their fire as these emerge from the woods.

This latest enemy effort in France thus appears to have about spent itself, for the French have begun attacking the enemy in their turn, throwing him back on two-thirds of the battlefield and virtually checking him on the left.

The French took over 1,600 prisoners yesterday, while the Germans claim that they took 2,000 prisoners for this last attempt to total prisoners and a few guns. East of Paris a little further on the right, the allies have prepared a suitable reception in the Oise flats.

They have massed forward of artillery there so that to smother his troops by their fire as these emerge from the woods.

Inaugural Grand Last of Sam Langford Circuit at Toledo As Real Prize Fighter

Toledo, O., June 11.—To make the inaugural grand circuit meeting on the new Fort Miami track, which opens July 15, one of the most notable of the season is the aim of the officers of the Toledo Driving Club.

A despatch from Panama reads: Sam Langford, the veteran negro pugilist, attempted a come back here against Harry Wills, who defeated Sam a few months ago.

Langford is only 32 years of age. A wonderful fighting career Langford had. He was handicapped by his color for if he had been a white man he would have made a great fortune in the ring.

Langford was born in 1886. He began fighting in 1902 at the age of 16. He was a lightweight. Among the famous old-timers who felt the weight of his punch were Tim Kearns, Patsy Semmes, Young Griffo, Joe Gans, Willie Lewis, George McFadden, Young Peter Jackson, Larry Temple and scores of others in nearly about equal fame in their day.

It is believed that the canners in connection with the war chest drive met, with greater success today than that of yesterday, when the sum of \$17,000 was subscribed for.

BIG ZOO SEA LION TO HAVE OPERATION

Civic Property Committee Authorizes Act to Prevent Annoying Roars.

MINOR SURGICAL TRICK

Some Expedient Has Proven Successful in Respect to Mules.

The big sea lion at Riverdale Zoo is to undergo a surgical operation. His roars annoy the neighbors. An authority on veterinary science thinks he can be made as quiet as the proverbial mule by simply removing some part of the creature's anatomy.

It has been done in the case of mules who have a habit of braying at opportune times, and would no doubt be equally as successful with the big sea-lion. However, the veterinarian is not running any chances of damage to the animal if the operation is successful. He is willing to take the job, but will not be held responsible for the result.

When the civic property committee met yesterday afternoon the fact was disclosed that the members, while having no personal feelings against the sea lion, were nevertheless very much annoyed by the noise he made. It was Mr. Rick's opinion he should be moved to some other place, and furthermore he should be kept in a cage which would be abolished. It cost \$25,000 a year to maintain it.

Mr. P. M. Johnston said he had been assured by a veterinary surgeon that an operation could be performed on the sea lion which would prevent it from making the night noises, and it had recently been performed with success on mules and horses, and the cost would be nominal.

Mr. Johnston also stated that such an operation is only nominal, would like to see one performed on Controller McBride.

Mr. McEwen wanted the number of animals at the zoo reduced one-half. Revenue Possibilities. "It is possible for the city to get a revenue from the zoo, if such an active place," said Controller O'Neill. "I am opposed to reducing the number of animals."

The zoo is one of the greatest advertising features the city has, said Mr. Gibbons, "and should not be interfered with."

Mr. McKelvin thought that in future no more animals should be added to the city's collection. This was the general opinion of the members, and a recommendation was passed that no more animals should be acquired unless permission was given by the committee.

Meanwhile it was remembered that the particular case of the sea lion had remained unsettled while the whole lot of the members was being discussed. As if wishing to settle a disagreeable subject the aldermen quickly decided to let the specialist in touch have a look at the animal with a view to removing them.

FAREWELL TO YOUNG WOMEN MISSIONARIES. St. James' Cathedral was last evening the scene of an impressive service when six young women were accorded a farewell dismissal to their respective posts in the mission fields of Kangra, Rajputana, Japan and China.

The Bishop of Toronto read the prayers of dismissal. Principal O'Hara of Wycliffe College read the prayer and Provost Macklem of Trinity College said the litany. Rev. Canon Gould, the general secretary of the missionary board, delivered the address to the congregation, and related to the part the womanhood of the Christian world was taking in the great struggle against the forces of the anti-Christ.

In sending these young women over to the far fields to hold the missionary battle line we are availing ourselves of opportunity and are taking part in the great war," said the bishop, who stated that the enlightening of women in the China field, and highly developed as they were, formed a band as restless and enthusiastic as the cause of real religion such as the other sex could secure. "The light of womanhood," said the bishop, "is that of womanhood. The work of women in the missionary field, always indispensable, has today become a work of unmeasured grandeur. In conclusion, the speaker pointed to the necessity of the qualities of enlightened enthusiasm, of perseverance, of wide vision and of deep, abiding sympathy."

The party of missionaries will leave within a few weeks for their new fields of endeavor, via the usual route.

BEAUTY CHATS

By EDNA KENT FORBES.

DRAFTING WILL RESUME

Reporting of men drafted under the Military Service Act to the depot battalions in Toronto district has been temporarily halted. The men called up have been reporting to the colors since early in June at the rate of 150 a day at Niagara Camp and 75 a day in Toronto. The calling of men to the colors will be resumed again shortly.

Answers to Beauty Queries

Vera H.—I'll print those recipes in a few days. Black Eyes—General reduction reduces the but also. Ice rubs, without using any cold cream or oils, reduce because they are very astringent. With a cream massage, the ice rub does not reduce, as the cream nourish the tissue; but used alone, ice reduces flabby flesh.

Mrs. Shaffery—Send me a letter with a self-addressed, stamped envelope enclosed, and I'll send you the formula for the hair stain, also the tonic and the beauty lotion. Mrs. E. M. Paul also offers the suggestion of a marble in the kettle to prevent the coating of lime. She also says a clam or oyster shell will be as effective.

Paty—No, rubbing the spirits of camphor on the bust will not make it larger. This, you know, has been used largely to dry up the breast after nursing—and has resulted, generally, in completely flat breasts. Many stout women have written me that it is fine for reducing large busts, if simply massaged on, and I have gladly passed the suggestion along.

Genevieve—I have written chats about the girl who talks little, from lack of words, as you call it. It is akin to bashfulness, yet it is not that.

THE SAFEST MATCHES IN THE WORLD

Also the Cheapest ARE 'SILENT 500'S'

Safest because they are impregnated with a chemical solution which renders the stick "dead" immediately the match is extinguished. Cheapest because there are more perfect matches to the single box than in any other box on the market. Wait time economy and your own good sense will urge the necessity of buying none but EDDY'S MATCHES.

WOMEN ARE GATHERING FOR BRANTFORD MEETING

The general sessions in connection with the annual meeting of the National Council of Women in Brantford are being held today. Preliminary meetings consisting of conferences of special committees, during which reports from the provincial vice-presidents and conveners of standing committees were given, were held yesterday.

Delegates from all over Canada are present. Many have delayed until today, when the general conference opens. Mrs. Torrington is presiding, with Mrs. Rhy's Fairbairn, corresponding secretary, and Lady Falconer, recording secretary. Provincial vice-presidents include Mrs. Sanford of Hamilton, Lady Taylor of Winnipeg, Mrs. T. Frost of St. Catharines, Mrs. C. C. Edwards of Macleod, Alta., Miss Carmichael of Glasgow, N.S., and Mrs. H. W. Dayton of Virden, Manitoba.

At luncheon yesterday the delegates were the guests of the Local Council of Women. The remainder of the convention will be guests of various societies of the city.

A good deal of uncertainty seems to prevail as to the nominees for the presidency, the names of Mrs. Plumpton, Mrs. L. A. Hamilton and Mrs. Sanford of Hamilton being all mentioned in the connection.

LODGES

PASTOR OF COOKE'S BECOMES AN ORANGEMAN

The monthly meeting of Cameron L.O.L. No. 118, held last night in the County Orange Lodge, Queen and Berti streets, was large and enthusiastic. Rev. Dr. Patterson of Cooke's Church, and L. A. Haun were initiated in the Orange degree and thus become members of the association.

Dr. Patterson said he had always supported the Orange Association, but that he had had the idea that he could do more for it by remaining outside than becoming a member. His view, however, had changed, and he was glad that he came in and said he was sorry he had not done so sooner.

The meeting adopted a resolution that hereafter the July meeting of this lodge will take the form of a memorial meeting, at which honor will be paid to the soldiers who have fought and died in the great war, thus connecting the principle that is being fought for on the plains of France and Flanders with the principle which was vindicated in the battles of Derry, the Boyne and Aughrim.

WILL NOT STRIKE

There was a rumor running abroad at the Labor Temple last night that the match spinners of Toronto would strike in the near future. Inquiries from various quarters generally discredited this assumption. The secretary of the local refused to deny or affirm the rumor.

"FAUST" PRESENTED AT MASSEY HALL

Gounod's Great Opera Staged for Benefit of Italian Red Cross.

Toronto's Italian population was widely represented at Massey Hall last night when the opera, "Faust," was given in a rendering by pupils of Maestro Carboni in aid of the Italian Red Cross and to honor the centenary of Gounod, the great composer.

Maestro Carboni conducted through the entire presentation, superbly rendered by principals, and a chorus and symphony orchestra of 200. The program opened with the British National Anthem and the Royal Italian March sung with the whole audience standing. Controller Maguire, representing Mayor Church, spoke briefly on the gallant response of Italians in Canada who have answered their country's call and also of the many who have fought with the Canadians. He expressed his pleasure in being able to thank the Italian citizens of Toronto for the splendid work they were doing, while special mention was made of Signor Carboni and the splendid patriotic concert he had arranged.

In the cast, the work of Giovanni Martino as Mephistopheles and Luthi Thom as Marguerite proved the triumph of the evening. Miss Thom sang in superb voice throughout the entire presentation, while her most difficult solos were insistently encored. Mr. Martino is the possessor of a powerful and wonderfully dramatic voice with a spirit which never failed to excite the enthusiastic applause from his hosts of admirers.

J. F. Hallman as Faust gave a thoroughly fine rendition throughout, in which a tenor voice of rare quality and fine range was displayed. J. Deschamps was many and convincing as Valentine, and proved himself the possessor of a fine baritone voice. S. Winnifred Parker sang Sibel and F. Fenton Box was pleasing as Martha, while L. Dusseau sang the role of Wagner.

WEEKLY BAND CONCERTS

With the permission of Lieut.-Col. Barker and the officers of the Second Garrison Battalion, the band of the regiment will play a weekly concert in Exhibition Park on Wednesday evenings, commencing at 7.30 o'clock. The grounds will be open to the public.

FLEET FOOT ALL SUMMER

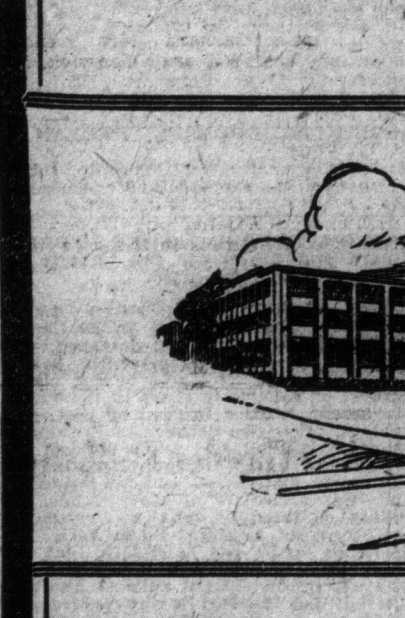

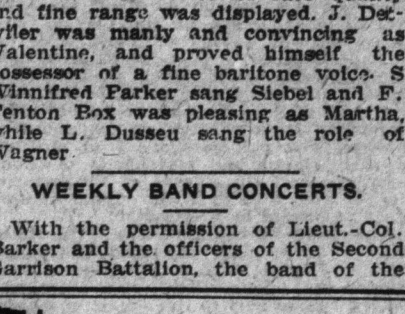

WEAR "Fleet Foot" and walk in the most attractive, most comfortable and certainly the least expensive summer footwear you can put on.

WEAR "Fleet Foot"—not only for evening but also for every day wear. There are styles for men, women and children—for all summer sports—for town wear, holiday wear and summer resorts.

Your dealer will help you make the change from leather to Fleet Foot with pleasure and profit to yourself, for "Fleet Foot" costs so much less than leather that it is a real economy to wear them.

None genuine unless stamped "FLEET FOOT" on the sole. The best shoe dealers sell "Fleet Foot."

A Service and A Safeguard

IF THE ORGANIZATION behind The Farmers' Dairy were not so distinctly unusual, this institution would be nothing more than an ordinary dairy.

But it is not an ordinary dairy. In a very definite degree, its functions rank higher than merely supplying so many thousands of Toronto's homes with a daily supply of milk.

The men who own The Farmers' Dairy are farmers themselves. And they are good farmers, men with ideals and a deep sense of their relation to the community they serve.

They built The Farmers' Dairy in order to provide a better channel for their products. They made it the most up-to-date, most scientifically equipped dairy on the continent.

They established unusually high standards of sanitation, attention and precaution on the farms supplying milk. The better tended cows are, the richer the milk they give. The more people that buy this milk the more strict and careful should be the methods of handling it.

So in a very vital way The Farmers' Dairy is more than an ordinary dairy. It is a service and a safeguard. And milk from The Farmers' Dairy is better than ordinary milk. Yet it costs no more.

TENDERS FOR COAL. SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for Coal for the Dominion Buildings," will be received at this office until 10 o'clock noon, on Thursday, June 27, 1918, for the supply of coal for the Public Buildings throughout the Dominion.

Persons tending are notified that tenders will not be considered unless made on the printed forms supplied, and each tender must be accompanied by an accepted cheque on a chartered bank, in full of the amount of the tender. Public Works, equal to 10 per cent of the amount of the tender.

By R. C. DESROCHERS, Secretary, Department of Public Works, Ottawa, June 6, 1918.

SENTENCED FOR THEFT; NOT MALE IMPERSONATION. Kingston, June 11.—It transpires that the Cote woman, popularly known as "Venus" Cote, is not serving two years in Portmouth Penitentiary for wearing male attire, as was first reported. The story was that she was sent to the penitentiary for two years for wearing male attire, and on the strength of this application has been made to the department of justice for her release.

The woman was sent up for five years for the theft, she having broken into a house and stolen a quantity of silverware, clothing, etc. In addition, she broke jail after her arrest, and was not captured for several days.

TO REORGANIZE FOOD BOARD. Winnipeg, June 11.—A complete reorganization of the Canada Food Board, including a change in personnel, is being urged by the Dominion Consumers' Protective Association. At its invitation the executives of a number of local organizations, including the Great War Veterans' Association and the Army and Navy Veterans' Association, will attend a meeting tomorrow evening to discuss the future of the food and coal problems.

The A. R. Williams Machinery Company, Limited, 64 Front St. W. Toronto. Phone Contractors Dept. Adelaide 20.

CORN DOING WELL, SAYS CROP REPORT

Excellent Germination Has Been a Surprising Feature of This Season.

The report states that spring grain never looked better at the end of the first week in June. Fall wheat is beginning to head in some of the western counties, but the yield will be small. Prospects are good for fairly full hay crop to be cut about a week or two later.

Summer and fall apples give promise of good yields, but Spys and Redwines have not set so well as last year. Choice beef animals are scarce and prices are high. Hogs have decreased in value, says the report, but young pigs are still in demand.

CROP ABOVE AVERAGE. Weekly Report by Canadian Northern Farmers' Outlook.

Winnipeg, June 11.—The Canadian Northern Farmers' Outlook issued its weekly crop report which is a very optimistic document. With the advent of warm weather the grain crop is doing well along the lines of the railway.

Watermelons—55c to \$1.25 each. Apples—\$1.50 to \$2.25 per 11-quart basket. Peaches—\$1.50 to \$2.25 per 11-quart basket.

NEW STAR FIRST SEEN BY EUROPEAN GAZERS. Cambridge, Mass., June 11.—The independent discovery by many observers of the new star in the constellation Aquila, announced from Washington on June 9 as having been seen by Professor C. T. Olivier, of the University of Virginia, has been reported to the Harvard College Observatory. It was first reported here by Warren H. Cudworth, of Norwood, in this country and Europe.

ADVERTISEMENTS BARRED TO CHECK ESPIONAGE. London, June 11.—The French military authorities have taken an important step with the object of checking the operations of enemy spies. General Dubail, military governor of Paris, has issued orders forbidding the sending abroad of newspapers and periodicals containing advertisements. If journals wish to retain the custom of advertising, they must be necessary for them to have special editions in which advertisements are blocked out.

Child Taken Dead From Canal; Hand Still Clutching a Cone. St. Catharines, Ont., June 11.—With his hand still clutching an ice cream cone, the body of a seven-year-old son of George Lucking, of Thorold, was found below Lock 25, old Welland Canal, this afternoon. He had been missing since 8 o'clock last night, and is believed to have fallen from an unprotected temporary bridge across the lock.

WHOLESALE FRUITS AND VEGETABLES

Pass—The first green peas for this season arrived on the market yesterday (just two weeks and two days earlier than the first shipment of a year ago). White & Co., Limited, having shipment from the Erie Co-operative Association and Seth Tinsley of Kingsville, which sold at \$1.25 per 11-quart basket, and McBride Bros., a shipment from Wm. Woodside at Kingsville.

Strawberries—Several shipments of Canadian strawberries came in yesterday, and they, too, were of very fair quality, but the boxes were much too slack (they would only have about half as many berries in them as the American boxes), and shippers would get much better prices if the boxes were well filled.

Watermelons—Several shipments of watermelons came in yesterday, and they, too, were of very fair quality, but the boxes were much too slack (they would only have about half as many watermelons in them as the American boxes), and shippers would get much better prices if the boxes were well filled.

Apples—Apples are doing well, and the quality is not being first-class. The Boston market is considerably better than head.

Cabbage—Cabbage is becoming quite scarce, and the market is steadily advancing—now selling at \$3.25 to \$3.50 per crate.

Tomatoes—Stretch & Sons had a car of tomatoes, selling at \$3.25 per four-basket carrier; pineapples, selling at \$5.50 to \$6 per crate; watermelons, selling at \$2.50 to \$3 per crate.

Onions—D. Spence had a shipment of Canadian onions from Reid Bros., Aldershot, N.S., selling at \$2.25 per 4-basket carrier; pineapples at \$6 per case; head lettuce at \$1.25 per case.

White & Co., Limited, had a car of watermelons, selling at 70c to \$1 each; a car of tomatoes, selling at \$2.25 per 4-basket carrier; a car of watermelons, selling at \$2.25 per 4-basket carrier; a car of watermelons, selling at \$2.25 per 4-basket carrier.

Onions—Onions are doing well, and the quality is not being first-class. The Boston market is considerably better than head.

Apples—Apples are doing well, and the quality is not being first-class. The Boston market is considerably better than head.

Watermelons—Watermelons are doing well, and the quality is not being first-class. The Boston market is considerably better than head.

Onions—Onions are doing well, and the quality is not being first-class. The Boston market is considerably better than head.

\$19.45 is less than cost of production, so you see what an opportunity it is. Developed in the celebrated Fox (English) serge; guaranteed pure wool; fast color, in a rich indigo dye, which is becoming scarcer every day, popular three-buttoned single-breasted sacque style; soft roll lapels.

Also some young men's two-buttoned form-fitting models; splendidly tailored, with wool linings and trimmings to match. Sizes 34 to 44, at \$19.45.

2-Piece Outing Suits \$15.00 For Regular and Stout Men.

They've got style in their make-up, which few suits have at this price; single-breasted three-button unlined sacque models, developed in medium grey cool cloth; patch pockets. "Regulars," sizes 36 to 44; "stouts," sizes 38 to 48. Today, just \$15.00.

Young Men's Suits \$15.00

If \$15.00 is your price, this is your suit; single-breasted two-button sacque model, developed in dark grey Palm Beach cloth, with effective grey stripe; all-round belt and patch pockets. Sizes 33 to 39. For \$15.00.

Youths' Suits at \$15.00

Single-breasted two-button form-fitting sacque suits, in a medium grey all-wool worsted, with smart check; patch pockets. Sizes 32 to 35. And only \$15.00.

Sale of Men's Shirts 87c 3 for \$2.50

Regular \$1.25, \$1.50 and \$2.00. Any color and pattern that is right; and the workmanship is in them, too; you'll see that. Soft French cuff shirts, laundered cuff shirts, shirts with collars attached, and sport shirts for summer wear. The best shirtings; coat style. Sizes 13½ to 18. Regularly \$1.25, \$1.50 and \$2.00. Today, 87c, 3 for \$2.50.

Men's \$5.00 and \$6.00 Panama Hats Down to \$3.95
