REMARKS.

The duties imposed by the present Tariff are in Provincial Currency, (24s. 4d. currency equal to 20s. sterling, and 5s. 1d. currency, equal to one dollar,) and levied according to the old weights and measures, i. e., British Weights and Measures in use on the 6th of July, 1825.

Packages in which goods are contained shall be deemed goods within the meaning of the law, and subject to duty accordingly, excepting always such packages as are required only for the security of the goods during the transport thereof, and which do not usually accompany the goods when sold in this Province as being necessary for containing the same.

All duties are payable in CASH; but goods may be entered for Warehousing, and transported in Bond from the Port of Entry, to be Warehoused at any Warehousing Port in the Province, and the duties paid when taken out for consumption; or the goods may be exported from the Province without payment of any duties.

Goods must be cleared the Warehouse within two years from date of first entry.

Cattle and Swine may be slaughtered, and Grain ground in Bond for exportation, under regulations to be made by the Governor in Council; which regulations may extend to the substitution of Beef, Pork, or Meal, in quantities equivalent to the produce of such Cattle or Grain.

WAREHOUSING PORTS.—Amherstburgh, Belleville, Brockville, Bytown, for supplies of the Lumber Trade only, Chippewa, Cobourg, Colborne, Cornwall, Dalhousie, Dickinson's Landing, Dover, Goderich, Hamilton, Hope, Kingston, Maitland, (on Grand River), Montreal, Niagara, Picton, Pres-

cott, Quebec, Stanley, St. Johns, Toronto, Grafton, and Whitby; and such other Ports as the Governor in Council may appoint.

The present Tariff having been framed on the principle of *ad valorem* duties throughout, the following stringent provisions are made for preventing frauds by under-valuation viz :—

One package in each lot, or one in each ten, or a greater number, if necessary, may be opened, and if found not to agree with the Invoice, the whole may be forfeited.

The Collector has the power to take duties *in kind*, i. e., a portion of the goods entered corresponding to the rate of duty to which they are subject, less one eleventh part. Or he can take the whole, paying the owner the value at which they have been offered for entry, with the addition of ten per cent. and the import charges.

When goods are appraised, and found to exceed the value at which they were offered for entry to the extent of twenty per cent., then the duty on such goods shall be *increased one half*, and collected on the appraised value.

Persons smuggling, or attempting to pass goods with a false Invoice, are liable, in addition to former penalties, to a fine of £50, or imprisonment for one year.

All acts of an Agent are made binding on his principal; and persons transacting business with the Customs through an Agent, are to furnish him with the power to act for them in the following form :—

ADVERTISEMENTS.

THE CANADA LIFE ASSURANCE COMPANY.

Incorporated by Act of Parliament.

CAPITAL, £50,000.

HUGH C. BAKER, PRESIDENT.

JOHN YOUNG, VICE-PRESIDENT.

BURTON & SADLEIR, SOLICITORS.

PHYSICIANS,

G. O'REILLY & W. G. DICKINSON.

THIS COMPANY is prepared to effect ASSURANCE UPON LIVES and transact any business dependent upon the value or duration of Human Life; to grant or purchase *Annuities* or *Reversions* of all kinds, as also Survivorships and Endowments.

In addition to the various advantages offered by other Companies, the Directors of this Company are enabled, from the investment of the Premiums in the Province at a rate of compound interest much beyond that which can be obtained in Britain, to promise a *most material reduction of costs*; guaranteeing Assurances, Survivorships or Endowments, for a smaller present payment, or yearly premium, and granting increased ANNUITIES whether immediate or deferred, for any sum of money invested with them. They can also point to the local position of the Company as of peculiar importance to intending Assurers, as it enables such Assurers to exercise control over the Company, and facilitates the acceptance of healthy risks, as well as the prompt settlement of claims.

Assurances can be effected either WITH or WITHOUT participation in the profits of the Company; the premiums may be paid in half yearly or quarterly instalments; and the HALF CREDIT SYSTEM having been adopted by the Board, credit will be given for one half of the first SEVEN premiums, secured upon the Policy alone.
