College of Physicians and Surgeons OF ONTARIO.

ANNOUNCEMENT FOR THE ACADEMIC YEAR, 1882-83.

"THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO" is the name adopted by the Medical Profession of the Province of Ontario, in its corporate capacity. As every legally-qualified Medical Practitioner in the Province is a Member of this College, it is not an Institution for the teaching of Medicine.

The Medical Profession in Ontario was first incorporated under this name by an Act of the Parliament of Canada passed in 1866. This Act was subsequently repealed by the Legislature of Ontario in 1869, and now the affairs of the Profession in this Province are regulated by an Act passed in 1874 (37 Vict., cap. 30), commonly known as the "Ontario Medical Act."

By this Act, the "COUNCIL OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO" is empowered and directed to enact By-laws, for the Regulation of all matters connected with Medical Education; for the admission and enrolment of Students of Medicine; for determining from time to time the Curriculum of the Studies to be pursued by them; and to appoint a Board of Examiners before whom all must pass a satisfactory Examination before they can be enrolled as Members of the College, and thus be legally qualified to practise their profession in Ontario.

The Council, moreover, has power and authority conferred upon it by this Act to fix the terms upon which Practitioners of Medicine, duly qualified in other Countries, may be admitted as Members of the College of Physicians and Surgeons of Ontario; this being the only mode in which they can become legally entitled to practise their profession in this Province.

For the information and guidance of Students of Medicine, the Profession and the public generally, the Council, in conformity with the Ontario Medical Act, hereby promulgates for the year 1882-83 the REGULATIONS which hereinafter follow, repealing all others heretofore in force.

2.
