Trinity University.

TRINITY University was constituted by a Royal Charter bearing date 15th July, 1852, and was thereby endowed with all such powers of conferring degrees in the various Faculties as are enjoyed by the Universities of Great Britain.

The fundamental object of the University is to supply to the people of the Province an academic education of the highest kind, in which secular instruction shall not be dissociated from religious teaching. The University is under the control of the Church of England, but open to all who desire to avail themselves of its advantages.

GOVERNMENT OF THE UNIVERSITY.

By the provisions of the Royal Charter, the government of the University is vested in the Corporation, which body, by an Act of the Legislature of the Province of Canada (15 Vic. ch. 32), is composed of: 1. The Bishops of the five dioceses into which the original Diocese of Toronto has been divided; 2. The Trustees (three in number); 3. The Council.

The Council is made up of the following classes of members:

EX OFFICIO MEMBERS.

The Chancellor and Ex-Chancellors of the University, the Provost and Professors in Arts and Divinity in Trinity College.

MEMBERS NOMINATED

By the Bishops of Toronto, Huron, Ontario, and Niagara, four members each, representing their respective dioceses.

By each Medical, Musical, or Theological College affiliated to the University, one member.

MEMBERS ELECTED

By the Graduates in Arts and Divinity who are members of Convocation (see below), eight members, to hold office for four years, two retiring annually.

By the Graduates in Law who are members of Convocation, two members, to hold office for two years, one retiring annually.

By the Graduates in Medicine who are members of Convocation, two members, to hold office for two years, one retiring annually.

By the Associate Members of Convocation (see below), two members, to hold office for two years, one retiring annually.

By the whole Corporation, seven members, elected for life.

PRIVILEGES OF CONVOCATION.

By the provisions of the Royal Charter, and in accordance with the practice of the English Universities, the Convocation of the University consists of (in addition to the Chancellor, the Provost, and Professors of Trinity College), all Graduates in Divinity, Law, or Medicine, and all Graduates in Arts of the standing of M.A., who from the time of their admission to these degrees have paid annually the sum of five dollars towards the funds of the University.

All degrees must be passed by Convocation before they can be granted by the University, and the Supplicants for each degree must have been previously approved by a Committee of Convocation called the Caput.

Convocation has also been placed by the Corporation in the position of a Standing Committee of that body, so that its members are in this way enabled, through their representatives, to formally lay their resolutions before the governing body of the University. Convocation is represented by fourteen members on the Corporation. (See above.)

An annual meeting for the transaction of business and granting degrees is held every year in the October Term. Other meetings for granting degrees are held: for Degrees in Medicine and Dentistry, in April, and in the other Faculties of Arts, Divinity, Law, Music and Pharmacy, in June.

ASSOCIATE MEMBERS OF CONVOCATION.

Graduates not qualified as above to become members of Convocation, and other friends of the University, may become Associate Members of Convocation by the same annual payment of five dollars. All candidates for associate membership must be approved by the Executive Committee of Convocation.

Associates have the right of speaking, but not of voting, at meetings of Convocation. They also elect annually a member of the Corporation. (See above.)

Local Associations of Convocation have been formed in the chief centres of Ontario. Members and Associates have equal privileges in the government of the Local Associations. Each Local Association elects one member to represent it upon the Executive Committee of Convocation.

There are at present about 500 members and associates of Convocation.

The Chancellor of the University is elected for a period of five years by the members of Convocation in good standing.

The Vice-Chancellor of the University is the Provost of Trinity College.

The Caput consists of the Vice-Chancellor and four members of Convocation, to be elected by Convocation at the annual June meeting for conferring degrees.

The Degrees of the University are open to all persons without any religious test, except in case of Degrees in Divinity, candidates for which degrees are required to subscribe to a declaration of membership in the Church of England, and to the three Articles of the XXXVith Canon.

Benefactions.

The original Endowment of this University was collected by the indefatigable exertions of its founder, the Right Rev. John Strachan, D.D., the first Bishop of Toronto, and those whom his Lordship associated with himself in this good work.

Amongst these the Venerable A. N. Bethune, D.D., Archdeacon of York, afterwards Bishop of Toronto; the Rev. William McMurray, D.D., D.C.L., Rector of Niagara, and afterwards Archdeacon of Niagara; the Rev. T. B. Fuller, D.D., afterwards Bishop of Niagara; and the Rev. Saltern Givens, are worthy of special and grateful mention.

In addition to the offerings of Canadian Churchmen, amounting to over \$100,000, most liberal assistance, exceeding \$50,000, was obtained from England, including the following donations:

The Society for the Propagation of the Gospel in Foreign Parts, £2,000 and seven and a-half acres of land in the City of Toronto.

The Society for Promoting Christian Knowledge, £3,000.

The University of Oxford, £500.

From members of the Sister Church in the United States, \$10,000, collected by the Ven. Archdeacon McMurray, D.C.L.

The following Benefactions have been subsequently given:

1853.—Dr. Burnside, \$24,000.

1864.—Collected in England by Archdeacon McMurray, \$20,000, and by Rev. W. S. Darling, \$2,500.

1865.—Hon. James Gordon, \$2,000.

1866.—Enoch Turner, Esq., Toronto, \$8,000.

1871.—Thomas Clark Street, Esq., \$4,000.

1876.—Family of the late James Henderson, Esq., \$4,000.

These last two amounts were appropriated towards the erection of Convocation Hall, opened in 1877.

1882.—Supplemental Endowment Fund, raised by the Provost and Rev. R. H. Starr, D.D., partly in England, amounting to \$110,000.

In this sum is included a donation of \$10,000 from the Henderson family, specially appropriated to the erection of the College Chapel; a sum of £5,000, promised by an anonymous donor, a member of the University of Oxford, towards the Endowment of a Chair in Divinity and a Chair in Science; and a grant of £3,000 from the Society for Promoting Christian Knowledge, who required a further sum of £6,000 to be raised to meet it as follows:—

£1,500 towards the Endowment of three Fellowships, to meet £3,000 to be otherwise raised for the same purpose.

£1,000 for an additional building to accommodate twenty Students, on condition that £1,500 more was raised.

£500 to endow a Lectureship in History, on condition that £1,500 more was raised.

These grants have now been paid. The new building was opened in Michaelmas Term 1890, and Fellowships in Theology, Classics, and Natural Science as well as the Lectureship in History have been founded, the last by the aid of Convocation having been raised to a Professorship.

In 1890 the Rev. Algernon Boys, Professor of Classics, left his estate of the value of \$6,400 to the Corporation subject to the payment of four per cent. per annum during the lives of certain relatives.

The following Benefactions have been made specially appropriated to Scholarships or Exhibitions: (see page 61.)

1852.—Two Scholarships, founded by the first Duke of Wellington.

1853.—Two Scholarships, founded in memory of the late Dr. Burnside.

1860.—Two Scholarships, founded by the late William Dickson, Esq., of Galt.

1862.—The Pettit Scholarship in Theology, left by W. T. Pettit, Esq.

1866.—The Cooper Exhibitions, being the interest on \$4,000 left by C. W. Cooper, Esq., of Mount Pleasant.

- 1889.—The Talbot Exhibitions in Divinity, being the interest on \$4,000 left by J. Talbot, Esq., of Cartwright.
- 1890.—The Palmer Exhibition in Divinity, being the interest on a debenture of \$1,000 issued by the Chapter of S. Alban's Cathedral, given in memory of the late Ven. Archdeacon Palmer, M.A., D.C.L., by his widow.
- 1891.—The Wilson Exhibition, being the interest on \$2,000, left by the late Ven. J. Wilson, M.A., Archdeacon of Peterborough; the order to be a member of the Divinity Class, preparing for Holy Orders, and accepted for service by the Bishop of Toronto in his diocese.

Subscribers of \$1,000 and upwards to the Supplemental Endowment Fund are entitled to nominate, during their lifetime, one Student, in Arts or Divinity, to an Exhibition of \$50 per annum for three years.

Subscribers of \$750, \$500, \$250, are entitled to nominate three Students, two Students, one Student, respectively, to a three years' Exhibition of \$50 per annum, tenable in Arts or Divinity.

By means of the Annual payments of Members and Associates of Convocation, grants have been made towards augmenting the stipends of the Professor of History, the Lecturer on Modern Languages, and the Fellow in Natural Science.

Urgent Wants.

The sum of \$70,000, is still urgently required to provide for the outstanding expense on the additional building, and for improvements needed in the present building, also to provide Professorial Chairs, instead of Lectureships, in the Departments of Physical Sciences, Natural Science, and Modern Languages.

A Chair in English and English Literature is also much needed.

FORM OF DEVISE OF LAND TO TRINITY UNIVERSITY.

I give and devise unto Trinity College, Toronto, their successors and assigns: All and singular, that certain parcel or tract of land and premises situate and being in the *(describe the land)*. *If for any particular purpose, add to the uses and upon the trusts following, that is to say (e. g., the endowment of any particular Professorship or Lectureship, or the founding of any Scholarship or Exhibition).*

FORM OF BEQUEST OF PERSONAL ESTATE.

I give and bequeath unto Trinity College, Toronto, their successors and assigns, the sum of _____, *(Add, as above, if any particular purpose is desired.)*

Fees for Tuition and Board.

Although residence within the College buildings for Students in Arts is not in all cases compulsory, it is strongly recommended. The common Collegiate life, after the pattern of the English Universities, is in itself a training of great importance. A new residence containing two lecture rooms, and accommodation for two Professors and twenty Students, was opened in October, 1894, the accommodation previously existing being found altogether inadequate.

Students in Arts are ordinarily required to reside in College, but those whose parents live in Toronto are exempted from such residence, and the same privilege is granted by the Executive Committee in other cases on sufficient cause being shown. See page 75, last paragraph.

The Tuition Fees are \$65 per annum.

The charge for board of Resident Students in Arts is \$130 per annum, and for Students in Divinity \$100 per annum.

These fees are payable for Art Students in three instalments, and for Divinity Students in two instalments, terminally, in advance, and on payment being made during the first fortnight of term, a discount of 10 per cent. is allowed. The rent of College rooms varies from \$5 to \$17 per term.

The Steward's account for fuel and extras averages \$15 per annum. Students have to provide their own bedding, carpets, etc.; the heavy furniture being supplied by the College. They will also require a cap and gown and a surplice for use in Chapel.

The rooms in College will be assigned to Resident Students on the first day of Michaelmas Term, beginning at 9 a.m. Letters received by the Dean after September 10th will be taken into consideration, but it is recommended that Students should be present on October 10th, to look after their own interests.

Matriculation.

I. ARTS.

The Examination in July will be that conducted by the Education Department for the Universities. The Pass Examination will be held at Trinity College, Toronto, and at the various Collegiate Institutes and High Schools of the Province, beginning on July 3rd. The Honour papers will be set at Trinity College, and at certain of the more important Collegiate Institutes selected by the Education Department, beginning on July 12th. In July the fee is \$5, except when not more than two departments are taken, in which case the fee is \$2. In October the fee is \$5 if one department is taken, and \$10 if more than one department is taken. The Candidate for Matriculation must have entered on his sixteenth year.

The same privileges shall be allowed in the same circumstances, in the succeeding July Examination, to candidates who have presented themselves for the first time in October, or taken the complete Examination in October.

A candidate for Matriculation who has failed in the July Examination for Second Class Teachers' Certificates, but reckoning the subjects in which he has satisfied the Departmental Examiners, does not require more than three departments to complete the Matriculation Examination, may be allowed to take these subjects at the succeeding October Examination.

Women may present themselves for Examination in one department only, and on passing will be furnished with a certificate to that effect, but if they desire to matriculate they must complete the Examination within the year.

The standard for honours in any department is 66 per cent. for First Class and 50 per cent. for Second Class.

REGULATIONS FOR 1895.

Candidates will be required to take Latin, Greek, Mathematics, History and Geography, and English.

Candidates may substitute for Greek any two of the departments, French, German, †Italian, Divinity, Physics, or Chemistry, provided that French or German must be taken.

* A failure in one paper of a department causes the loss of the department, e.g., a failure in Euclid requires the department of Mathematics to be taken again.

† This subject is allowed in the case of Women only

Candidates not taking Greek may substitute in place of Greek Testament, in the Department of Divinity, Cutts's Turning Points of General Church History, Chaps. I.-XX. (to A.D. 381).

The standard for passing is twenty-five per cent. on each paper and fifty per cent. of the total marks of the Examination, which the candidate is required to take.

The classes in honours in any department are awarded on the aggregate of the marks obtained in the pass and honour papers of the department.

REGULATIONS FOR 1896-8.

All candidates for Matriculation shall take the following subjects:—Latin, English, History, Mathematics, French, or German, and either (1) Greek or (2) the second Modern Language with Physical Science (Physics and Chemistry).

The Examination may be divided into the following two parts, of which (I.) shall be taken before (II.) and in a different year:—(I.) Arithmetic and Mensuration, English Grammar and Rhetoric, Physics, and the History of Great Britain and Canada; (II.) Greek, Latin, French, German, English Composition, English Literature, Ancient History, Algebra, Geometry, and Chemistry.

Junior Leaving certificates will be accepted *pro tanto* at both Part I. and Part II. of the Pass Junior Matriculation Examination, but candidates who desire to compete for scholarships or relative standing will not be granted this exemption in the case of Part II.

Candidates for Honours and Scholarships will be examined only on the Honour papers in a department, always provided that such candidates may receive pass standing on these papers.

The subjects of the Matriculation Examination for 1895 are:—
