THE SPEECH.

Unless it be to give the members an opportunity to attend the Ball and Promenade Concert, it is difficult to see any reason why the Legislature should be called together at this time; that is, if the speech with which the Lieutenant Governor opened the Session is to be taken as any indication of the work which is cut out for it. Past experience has rather induced the expectation that the justify an application for a charter looks of our contemporary to give us the facts on which he hopes to justify an application for a charter looks of our contemporary to give us the facts on which he hopes to justify an application for a charter looks of the Provincial Legislature in the place of the plac less than they foreshadowed, but it will be next to impossible for them to do so in this session, for they promise scarcely

THE ANGEL'S VISIT. Do I believe in angels? Yes; And in their prowling to and fro I entertained one long ago,

In guise of age and sore distress. He clambered up the narrow stairs, And by his heavenly smile I knew He was a truant angel who

"Rest thee, old man," I gayly cried, "And share my humble couch and chee Thou shalt not want for comfort here; My home and heart are open wide!" Relieved of temporary cares,

The old man laid him down and slept; And in my thankfulness I wept-I'd entertained him unawares! I never shall forget that night, My happy dream—my slumbers sound; And when I woke at noon, I found

Perhaps in years that are to be That angel will return; and yet I sometimes fear he may forget To bring my overcoat to me.

BELECT STORY.

Helen's Romance.

"And I may go, mamma, may I not? I should enjoy my visit so much." "But you are so young, Helen. I dread with a host of young people all strangers to you, and so much older, doubtless than

the older guests," pleaded the lovely in that she had one friend in the house acted as if he loved mc, and taught me Helen, her soft brown eyes full of en-

ing society manners, or how to act." "for you said only yesterday, brother, that she was too gentle for this rough

world of ours."

"Well, then, Helen, you may go with your uncle and aunt to Mrs. Major's," per said Mrs. Townsend, "but you must stay only the week for which you are invited.

Helensprangup, and ran off to acquaint Ethel and Jenny were eager to assist her pertinence. late in the evening, Mr. Major came with lawyer, and though still young, had already of her triend until she was pronounced in preparations for her journey, and when his large carry-all to convey Helen and her uncle and aunt to his house, the two
