WHAT'S THE DATE ON YOUR LABEL? IS IT JANUARY, 1923? If so your subscription will be due this month. The figures tell you the year. For instance: July, '23, means your subscription was paid to July, 1923, and is six months overdue.

VOL. L. No. 42.

BRIDGETOWN, Annapolis County, N. S.

WEDNESDAY, July 17th, 1923.

Terms:—\$2.00 Per Year In Advance.

SINGLE COPIES FIVE CENTS

HOCKEY TEAM WIN ONE AND LOSE ONE

Bridgetown Defeats Annapolis 6-2—Loses to Middleton 4-0

In a game which was fast and also somewhat rough in spots, Bridgetown hockey team took Annapolis into camp with a score of 6 to 2, in the Annapolis rink on Friday night of last week.

The Annapolis team started out very vigorously with a determination to win, but did not regulate their playing all to the puck, and consequently penalties were handed out somewhat freely.

After five minutes play McDormand made the first score for Annapolis, and Jackson, with a long shot from centre ice, evened matters up. Donaldson added another and Ruggles made it three. Buckler for Annapolis, landed one in the net before the end of the first period.

In the second period Bridgetown ran the score up two more, Ruggles and Jackson getting the tallies. In the third period both teams put up a big battle, but the only scoring was done by Ruggles.

V. Melanson, of the Digby team, refereed, to the satisfaction of all. A large number of supporters from here went with the team to Annapolis. Bridgetown is behind their hockey team and Tuesday night's game put joy into their hearts, for it was the first time in many years that the locals were able to come home victorious from Annapolis.

Ruggles and Donaldson were in top form in the forward line. Jackson and McKenzie proved themselves a hard defence to penetrate Jackson's rushes up the ice and two scores proving a feature of the game. Donat in goal showed marked improvement in form.

After the game the local boys were treated to an oyster stew at Frost's by the Annapolis team and greatly appreciated this thoughtful hospitality.

Line-up of the teams was as follows:

W. Donat	Goal	Brittain
M. Jackson	Defence	Buckler
H. T. McKenzie	Centre	McDormand
J. Ruggles	Right Wing	Pickels
J. Roberts	Left Wing	Darling
R. Donaldson	Referee—V. Melanson.	Ripps

On Friday night last Middleton hockey team defeated Bridgetown here by a score of 4 to 0.

The ice was in good condition and both teams worked at high pressure throughout. Middleton was better supplied with subs than the locals, having five. These were relayed in with good judgment and good effect. Both teams hit a lively pace and went in to win.

While good individual work was done, both sides Middleton as a team worked rather better together.

A strong defensive defence and splendid work by the goal keeper, Cleveland, with pronounced elements in giving Middleton the big and only goal of the game, individually the work of Fred Fisher and Robie Thompson, was high class. Jack Ruggles at centre played a great game for Bridgetown, and some very near scoring on a number of occasions.

From the first period both teams went at it hammer and tongs, and with rapidly varying advantages in position. The local boys rained shots pretty fast for a time at the Middleton goal, but Cleveland blocked them all. Some little time before the close of the first period Thompson scored for the victor.

The second period was also lively, and E. A. Hicks in goal was a very busy man at times.

Cox and Palmer, however, each managed to score in the period. The visitors were quite frequently penalized for short periods. In the third period Andrews secured the final score.

Harry Donaghy refereed in a most satisfactory manner.

Line-up as follows:—
Bridgetown: Middleton:
E. A. Hicks, Goal C. Cleveland
M. Jackson, Defence M. Moore
H. T. McKenzie, K. Fisher
Jack Ruggles, Centre Fred Fisher
J. Roberts, R. W. C. R. Cox

OUTDOOR LIFE IN NOVA SCOTIA VS. DOCTOR BILLS

(By Dr. M. E. Armstrong.)

For some years now, people in the city and in the country, everywhere, have been recognized the benefits of outdoor life. The economist cries "back to the land" as an offset to the crowding of the cities, that we may have an increased supply of food products and staples and less distress and unemployment in the urban centres.

But this cry is more than an economic warning or prophecy; it is a hygienic measure of vital importance to the whole human family, but never as fully recognized as today by the business world or by medical science.

The discovery that we resist the infection process much better in the open air than anywhere else has led to the broader fact that the outdoor life or return to nature, is a balm for many ills and as a tonic and restorative to the weary, or weakened or exhausted or overworked we have no medicines to equal the wildwood, the sea shore, the open country life where we can live, eat and sleep in the open air.

During the past half century we have been looking more and more in the direction of out-of-doors and recognizing its hygienic and health giving properties. The houses of our grandfathers were built without verandas or with narrow ones that were more for looks than comfort but the broad verandas and the open sleeping porches of to-day will permit living and sleeping out of doors during the summer months.

The half holiday or even the whole day in some lines of business recognizes the same hygienic principle and it is well known that the business and office man can do better work and more intense work because he has a half day during the working week when he can flee to the country or have some hours in the open.

The increased interest in sports—baseball, cricket, golf, lawn tennis, and many others are along the same line and all help to bring people into the open air and are by no means an unmitigated evil even under their worst conditions.

The numerous books to-day on gardening, on nature and nature-study also show which way we are trending. We have hand-books on birds and wild flowers, ferns and seaweeds, on camping and hunting and fishing, all of which call us out into the open air and the country-side and into the silences of the woods and hills and seaside where manifold life on all sides abounds, and where with these aids we can become familiar with the world of nature while its very breath invigorates our bodies and its beauties charm our imagination. All of this diverts our attention from shop and office and business routine.

Talk about blood builders and restoratives and patent medicines and even doctor's tonics! We have nothing that can match this open air and out-of-door life of a month or longer in our Nova Scotia summer climate with its delightful atmosphere. Our Nova Scotia Summers are becoming better known each year as presenting more of the advantageous points and fewer of the objections than most Summer resorts.

What have we to offer the tourist and those seeking rest and health? We can give them cool Summer days, for the most part with fine weather and lots of sunshine, with pure water supply and plenty of it, with freedom from malaria and typhoid. We are so near New England and even New York that 24 hours' trip by rail and steamer will reach any part of Western Nova Scotia. The numerous bays and inlets from the sea, with tidal waters and sloping banks and shores that are clean, dry and of sandy or gravel formation of soil and covered often with hardwood or evergreens, provide all that could be wished or desired for those liking a seaside outing. The sea breezes that always

blow inward during the day-time are cool and refreshing and bear with them just enough iodine to be beneficial to both the sick and well. No need here of medicines from a bottle or appetizers or aids to digestion. These all come with the air we breathe. All the way around Annapolis Basin the shores are well adapted for outdoor living and a playground for children. Boating, fishing, swimming, clam digging and many other recreations are always ready. Railroad and telephone and daily mail service are close at hand; living supplies are nearby and reasonable in price.

There are plenty of hillside and lakeside or river bank locations in the woods, or near the forests still more inland that offer as delightful locations for a few weeks vacation or a summer's rest. In fact, our delightful Summer atmosphere with its variations according to the part of it we touch should in time bring to our shores many thousands of Summer visitors and families seeking rest and a change.

The span of life has been extended about ten years in the last half century, and men are working almost ten years longer than they used to. It is also said that we are better physically and that our women are bigger and stronger than their grandmothers were. These conditions have quite largely come about by our increased and growing love of outdoor life and our longer hours in the open.

One needs no better proof of the benefits of out-of-door life compared with shut-in conditions than the vital statistics of Halifax city published in The Morning Chronicle a few days ago (December 23rd). There we see that in January last year there were 106 deaths recorded for the month, while in July there were but 47. In February the toll was an even hundred, while in August it dropped to 44. During March another hard month of being shut in, there were 62 deaths, while September only registered 38. We thus have a total of 268 for the three Winter months when there was little chance to get in the open air and although able to keep warm. For the three Summer months, there was a total of 129, or less than half the number in the Winter days when windows and doors must be closed.

The improved condition of the main highways and the coming of the automobile has almost annihilated distance, so that country by-ways and roads have become near enough to be quite within the reach of all, and it should be the endeavor of all to spend as much time and as many hours in the open air away from the dust of the city and town, with its particles of solid irritants, with emanations of every sort and description to irritate our respiratory apparatus and poison our systems and live in the dustless atmosphere of the open fields and woods or sea shore with their marvellous sedative effects, with abundance of fresh air and the smell of the earth that will bring health, vigor and the joy of life.—Morning Chronicle.

M. E. ARMSTRONG.
Bridgetown, N. S.

The above article following was written for The Morning Chronicle by special request.

PRIVATE BREW EATS IRON AND STARTS ON LEAD
Brantford, Ont.—Bootleg whiskey drinkers take terrible chances—and not only through the "red eye" itself. In the local revenue department is shown a still which contained so potent a liquor that it ate off the galvanic covering and then started on the lead foundation.

A WORD TO OUR SUBSCRIBERS

During the past few weeks we have been greatly pleased with the receipt of subscription monies and renewals for THE MONITOR. We have many readers who look after the matter of subscription payments as exactly and conscientiously as they look after any of their business affairs. We know our readers will all acquit us of dunning for subscriptions thru the columns of THE MONITOR. In fact we have not referred to all of this phase of matters for nearly nine months. We do not at all share the opinion sometimes expressed by publishers that subscribers who allow their accounts to run into arrears are endeavoring to evade payments and get their papers for nothing.

Non payment of subscriptions is largely a result of carelessness and putting off. The delinquent receives a bill, his due date is on his label in any case. He says "I will pay that to-morrow, next week, or the next time I am in the office." Time drifts from day to week, from weeks to months, and months to years. It is only two dollars. That will not make much difference anyway." Get a few hundred people thinking the same thing and acting on it, and see whether it makes any difference or not to the publisher.

There are one or two things which we would like to bring to the attention of readers who either do not

pay or have grown forgetful. Every newspaper publisher has to run his business on practically a cash basis. His staff has to be paid weekly. His newspaper and supplies generally, thirty days from date of shipment. Many other incidentals, such as renewals, etc., C. O. D., insurance, and a dozen other things cannot wait. This is a frank statement of things as they actually are. No designed primarily as a matter of complaint, but rather as an attempt to call to the attention of subscribers matters apt to be forgotten or overlooked. If this brief article puts on delinquent subscribers a "thinking cap" that leads to action, THE MONITOR will feel repaid. We thank you.

RECORD-BREAKING STORM PERIOD

Traffic and Business Much Demoralized.
The snow storms of the past few weeks are beginning to get beyond our count and we can all say we have too much now of a good thing. Conditions are quite familiar to all our readers so we shall not dwell long on the matter. Suffice to say that not in the memory of old inhabitants has so much snow been seen on Queen Street where the banks still stand higher than a man's head. Chief Bishop had some twenty-eight shovellers out Sunday to make going possible and about six miles of streets were gone over. All through the county conditions are very bad and for the past few days very little travelling has been possible except on snow shoes. There was no express through with mails from Friday afternoon till Monday afternoon and the first train from Yarmouth since the storm arrived here at 1 a. m. on Tuesday morning and transferred mail to the express from Halifax. Both expresses crossed here on Tuesday and traffic is getting back to normal. The C.N.R. track has been cleared and engine and snow plow went thru here West on Sunday morning.

INTERESTING MEETING OF WOMEN'S INSTITUTE
The regular meeting of the Women's Institute was held in the Board of Trade room, July 11th, with a good attendance. Many grateful reports from the recipients of Christmas boxes were given.

Mrs. Price, on behalf of the Institute, extended to Mrs. E. C. Young, hearty congratulations on attaining her 80th birthday, and hoped she may be spared to enjoy many more anniversaries, and to continue her valued help in the Institute. Mrs. Young thanked the ladies for their kind remarks.

After transacting much business the meeting was brought to a close by the serving of refreshments. The Women's Institute wish to thank the citizens of the town who responded so generously in giving to the Xmas boxes.

GOLD MINING BETTER
Reports from Goldenville indicate that production of gold at last has greatly increased. The Sherbrooke Mining and Power Co. is said to have struck very rich ore of late, and for the first time in years the operation of their plant is likely to be profitable. Despite low yield in recent years this company has steadily carried on, and if they have at least struck something good, the disinterested public will be glad their perseverance has been rewarded.—Antigonish Casket.

ISLAND TO VOTE ON ALLOWING CONTINUED IMPORTS OF LIQUORS
Charlottetown.—On January 22nd, in accordance with the Dominion Election Act, a plebiscite or referendum of the registered voters of the Island, men and women, will be taken on the question of whether they wish to prohibit the importation and exportation of intoxicating liquors.

The result will be decided as follows:—
"Shall the importation and the bringing or intoxicating liquors into the Province be prohibited?"
The plebiscite is being taken for the following reasons:—Prince Edward Island is under a prohibition law which controls the sale and disposal of intoxicating liquors within the Province. It is also under a federal law, the Doherty Act, which prohibits the importation of liquor for use within the Province except for medicinal, medicinal and mechanical purposes.

MELVERN SQUARE
Miss Winnifred Jacques is spending the Winter with her aunt, Mrs. Nelly, in Greenwood.

The Sewing Circle met with Mrs. Miner Sprowl last week.

Mrs. George O'Neal spent last week at the home of Mr. Walter Walker, of Kingston.

A good many years since we had as much snow in the roads as there is now.

Mrs. Sumner Brown is visiting her parents, Mr. and Mrs. Edward Van Buskirk.

Glad to report Mrs. Timothy Phinney much better.

EXPLANATION
With impassable roads, and bad weather, explains scarcity of local and county news generally this week.

The ordinary person's lungs contain 76,000,000 air cells.

NOTES AND NEWS OF LAWRENCETOWN

Budget of Social, Personal and Church News, Interesting Recital
Snow storms, high snow banks round the house; long or short tunnels to get out or in the homes, therefore hunting for items was not easy. Sunday the usual services in the churches. An average number out, but bad roads prevented many from attending the places of worship. Rev. H. Rackham preached and held a communion service in the Methodist Church.

Sunday evening an organ recital was held in the Baptist Church. Miss Whitman, daughter of Rev. A. D. Whitman, and Mrs. Ralph Shaffner were the organists for the evening. The choir was out in force and gave splendid selections. Mrs. Edgar Shaffner, Mrs. L. Hanley, Mr. Alton Brown and Mr. Sanford gave some sacred songs in a reverent impressive manner that touched the hearts of those present. Really, Lawrencetown has reason to be proud of its choir and trained musicians, who so faithfully do their part in the public worship. Rev. A. D. Whitman gave a short address in which he spoke of the power good music stood for in the home, the church, and in the life. Mr. Edgar Shaffner at the conclusion, spoke a few well chosen words of thanks and heartfelt appreciation to the organists and the choir. A collection was taken and we think was enough to finish the debt on the organ.

Monday afternoon the Baptist Ladies' Aid met at the home of Mrs. W. Shaffner. The circle was well attended. Good reports were read, letters from Missionaries in India were read, giving an interesting account of Mission work in that far away land. Mrs. L. Wallace gave an account of Home Mission work, and related some very strange experiences. This lady also sang some beautiful hymns. Mrs. L. Wallace is well known as an accomplished singer and an active evangelist.

A very pleasant piece of news was the announcement of a marriage at an early date of two well known Missionaries belonging to the Baptist Mission among the Telegos in India. Monday evening Methodist ladies met for circle work at the home of Mrs. W. Price.

Methodist W.M.S. met at the home of Mrs. Palfrey. Average number attended.

Thursday afternoon the Women's Institute met at the home of Mrs. A. H. Whitman, the meeting being very well attended. A good program was arranged and carried out. Mrs. W. Bent gave a bright account of her visit to various cities of the U.S.A. Mrs. H. Phinney told of a trip thru Cape Breton. Told of the kindness of the people, the beauty of the scenery, then told of seeing the lonely mountain top, the last resting place of Alex. G. Bell. Mrs. Chipman Archibald gave a delightful talk "Camp Life". She told of the lakes, rivers, wild animals, Mrs. fishes, sunrise and sunsets, and a description of a lonely lake, and the world of the snow, and of the wild and bear herds. One and all decided a camp life as Mrs. Archibald portrayed was truly ideal.

The Lawrencetown school has opened with bright prospects for the coming year.

Mrs. Corkum is now on Bridge St. boarding at Mrs. A. Beals.

Miss Troop has returned. She resides with Miss S. Banks.

All were glad to see Mrs. West out again after her rather severe illness.

Rev. L. and Mrs. Wallace have gone back to their home Mission field in N. B.

Mrs. Robert Longley has heard of the safe arrival of her son, Rev. R. Longley, and family, at their station in China. They had a good voyage, only took about a month.

The snow shoe club had several enjoyable hikes through the holidays.

Miss Elizabeth Morgan has accepted the position as Principal of the Kindergarten Department in the fine up-to-date school building, Alice Street, Truro. Miss Morgan has been very successful in this department of education.

Mrs. R. Longley is in town for the Winter.

Mrs. N. Charlton has been ill, but is recovering.

IN THE MUNICIPAL COUNCIL

The Municipal Council of the Municipality of Annapolis County met in Annual Session in the Court House at Annapolis Royal on Tuesday, Jan. 9th, 1923, at 10 o'clock a.m.

The Bailiff Boxes having been opened and the returns of the Presiding Officers having been examined the following Councillors were declared elected by the Clerk:—

- Wards—
- 1. J. A. Balcom, Margaretville.
- 2. Arthur Borden, Middleton.
- 3. Fred W. Bishop, Paradise.
- 4. Joseph I. Foster, Bridgetown.
- 5. Aaron Phinney, Granville.
- 6. Samuel Pickup, Granville Ferry.
- 7. Frank S. Mills, Victoria Beach.
- 8. Elias Rawding, Clemensport.
- 9. W. G. Clark, Bear River.
- 10. W. A. Marshall, Annapolis Royal.
- 11. C. L. Piggott, Bridgetown.
- 12. T. R. Charlton, St. Williamston.
- 13. J. C. Grimm, Springfield.
- 14. A. D. Thomas, St. Milford.
- 15. Myers Gibson, Dalhousie.
- 16. Leslie Armstrong, Torbrook.

The Oath of Allegiance and Qualification of Councillor was then administered to the several Councillors. All present except J. A. Balcom.

W. G. Clark was unanimously elected Warden, and on taking the chair addressed the Council as follows:—

The Warden's Speeches

Gentlemen:—The meeting of this Municipal Council, its members bringing as they do a fresh mandate from our constituents, marks an epoch in the history of Annapolis County. Our surroundings to-day are vastly different than when we last met. During the interim this building has been thoroughly re-modelled and brought to a condition of excellence that is in keeping with present day requirements and will provide all necessary accommodations for the next century. This has been done too without destroying the former outline or historic character of the building, and when the report of your building committee is submitted, I think you will find the work has been completed at reasonable cost. This Municipality may justly feel that it now has, in this structure, a Court House that compares very favorably in all its appointments with any in the Province of Nova Scotia.

It is perhaps fitting that at this time, we recall and compare the conditions to-day with those existing at the beginning of 1922, to ascertain what progress, if any, has been made, in getting back to a condition of normality and what the year 1923 has in store. The opening months of 1922 were not of a very encouraging character and deflation still persisted. With the approach of mid-summer, a better feeling was manifest and since that period, we have been assuredly on the up-grade. This feature has been demonstrated by increased Bank clearings, larger Customs revenues, greater activity in coal and steel and the dominant note to-day is, that notwithstanding some clouds yet upon the horizon there are many factors which justify industrial and commercial confidence. During the aftermath of the war period our basic industry, agriculture has been the hardest hit, yet it is a fact worth remembering, that it nevertheless represents the largest single item in the year end summary of Nova Scotian products. Agricultural wages have practically reached normal, but the cost of living has not been proportionately reduced, and the middleman is finding more profit in marketing than producing.

Bountiful crops have rewarded agricultural effort, but prices to date have been, and are, very disappointing, and while the buying power of the farmer is reduced, by so small a reward for his industry and enterprise, there cannot be a full return to desired conditions.

Transportation costs are more than double the rates prevailing in 1914, and will constitute an impossible handicap until this feature is satisfactorily adjusted. Besides operating adversely in marketing the output of the farms it also is bringing into competition with the railway, motor transport. A matter of vital importance to transportation companies, and they may find their profits seriously diminished through the maintenance of what are practically prohibitive rates, unless there is a getting together of these diverse interests. The lumber industry is also showing signs of improvement and the cut in 1923 will be materially greater than in 1922, although probably not more than 50% of the pre-war period. The manufacture of pulp, now one of Canada's greatest industries, is rapidly gaining ground and is again on a remunerative basis. So far as this Municipality is concerned, it would be a material aid to the restoration of business prosperity, if the industry within our borders which was compelled to cease operations in 1921 for lack of water, could complete the necessary arrangements and resume

business. Present indications point to this possibility.

One of the live issues before us as well as other sections of the Province, is the development of Hydro power. Recent investigations indicate the possibility of developing at least 300,000 h.p. in Nova Scotia, of which only 16% or 47,000 h.p. has been harnessed. The scarcity and high price of coal, point not only to the desirability, but emphasize the necessity of bringing into use this power, to place the industries of the Province on a parity with those of other Provinces who already have a Hydro policy highly developed. Nova Scotia, with its 2,000 miles of coast line, its splendid harbors, open twelve months in the year, with the most intelligent class of labor to be found in any country, is ideally situated to enter into the trade of Eastern United States, West Indies and South America, and industries situated in the interior of Canada without the advantage of our location and cheap water transportation could not successfully compete with natural industries operating in this Province once cheap power was assured. In the past, our greatest industries were located in the interior where enormous development work was necessary, but to-day a suitable location is found, the industry developed and power carried to it by the electric cable.

The possibilities of development are too great to be more than suggested at this time, but I feel assured, that where nature has made such a setting as this Municipality affords, the most careful study will be given to such propositions as may later come up for consideration in connection with Hydro power.

To provide funds for the cost of re-modelling this building, your committee, under the authority vested in them, placed upon the market \$25,000.00, 15 year, 5 1/2% bonds and disposed of them at a price slightly above par. Recently the Province of Ontario marketed a substantial issue of twenty year bonds bearing interest at 5 1/2% which sold below par, it may therefore, be inferred that the price realized by your committee was a satisfactory one. Certain matters directly affecting all Municipalities will be laid before you during this session. When the Municipal Act was first enacted, large powers were conferred upon Municipal Councils. Gradually these powers have been, either restricted or negated by legislation, until at the present time, practically the only obligation still remaining is, performing the office of Collector for the Provincial Government, paying taxes and shovelling snow. Under Chapter 52, Act of 1921, the amount of the Highway Tax payable by the Municipality to the Provincial Government is defined at 3-5 of one percent on all property and income rated or rateable for the ordinary purposes of the Municipality according to the provision of the Assessment Act, and in addition a poll tax varying from one to three dollars, and while this Act specifies the amount the Municipality shall pay to the Government as Highway Tax, it compels the payment of an amount which the Act in question does not enable the Municipality to collect from the individual. The result of this imposition is that instead of paying 60c on the hundred dollars or 3-5 on 1% the rate is increased by this adroit addition to about 75c on the \$100.00. This matter should receive the careful consideration of the Highway Committee and such representations made to the Provincial Government as are deemed desirable in the premises. Another feature worthy of consideration is, as to whether the time is opportune to advocate adding a Department of Municipal Affairs to our system of Government. These departments are functioning satisfactorily in other parts of Canada and recent legislation indicates that some closer cooperation than is now apparent should exist whereby the interests of Municipalities would be safeguarded. Having touched only a few of the matters to be considered, let me conclude by asking all committees to get in their reports as early as possible and to give the usual careful supervision to all matters that may come before them, remembering, that all estimates for the coming year, should be carefully scrutinized and while the efficiency of any necessary service should not be impaired by too scanty an appropriation it is only by practicing the most rigid economy in public, as well as private expenditures, that we can lighten the burden of taxation, which is already a most serious load and is operating adversely to the return of that prosperity we all desire. I am advised by our Treasurer, that we start the New Year with a comfortable balance to our credit of about \$14,000.00.

Asking your co-operation in the transaction of the business of the session, and trusting our efforts may result in advancing the interest of

this Municipality, I am, Yours very truly, W. G. CLARKE.

The following were appointed a committee to nominate Standing Committee:—F. W. Bishop, A. D. Thomas, Elias Rawding.

The Minutes of the last Annual Session of Sept. 5th were read and approved.

The report of the County Medical Health Officer was read and on motion laid on the table.

The report of the Superintendent of the County Hospital was read and on motion laid on the table.

A communication was read from the Secretary of the Union of Municipalities, stating that the next meeting would be held at Amherst, and asking that delegates be appointed, also that the annual fee of \$15.00 be paid.

Ordered that the said fee of \$15.00 be paid the Union of Municipalities.

The committee to nominate Standing Committee reported as follows:—Finance—Elias Rawding, A. D. Thomas, J. A. Balcom.

Tenders and Public Property—F. W. Bishop, C. L. Piggott, Leslie Armstrong.

Assessment—W. A. Marshall, A. Borden, J. C. Grimm.

Inaane—J. I. Foster, Myers Gibson, Stewart Mills.

Highways—Warden, A. D. Thomas, Aaron Phinney.

Jury Lists—Pickup, Charlton, and Clerk. On motion the report was received and adopted.

The Auditor's Report was read and on motion received and adopted.

Council adjourned till 2.30 p.m.

Tuesday Afternoon

Council met at 2.30 p.m. All present except J. A. Balcom. Minutes of previous meeting read and approved.

Ordered that the piece of road in Clarence running from Judson Chute's corner to the watering trough on the side of the Mountain be added to road section No. 4 in Ward No. 4. And that the piece of road in Hampton running from Charles Milburn's north line to the J. A. Mitchell bridge be added to road section No. 15 in Ward No. 4.

On motion a delegation was heard, from the Annapolis Royal Historical Association, asking for the use of the Court House in which to hold their meetings four times each year.

On motion the Health Officer's Report was received and adopted.

Ordered that Dr. Armstrong be Medical Health Officer for the ensuing year, with a salary of \$100.

Ordered that Edwin Merry be supplied with one hundred and twenty rods of wire fencing for the Squirrel Town road in Albany.

On motion the report of the Superintendent of the County Hospital was received and adopted.

Council adjourned till 10 o'clock p.m.

Wednesday Morning

Council met at 10 o'clock a.m. All present except J. A. Balcom. Minutes of previous meeting read and approved.

The report of the Medical Attendant at the County Institutions was read and on motion received and adopted.

The report of the Temperance Act Inspector was read and on motion received and adopted.

Ordered that Elias Messenger be appointed Temperance Act Inspector for the ensuing year with a salary of \$150.

Ordered that W. A. Marshall be Deputy Warden.

The report of the Committee on Tenders and Public Property was read and ordered to be laid on the table.

Ordered that the piece of road extending from the Fraser road to George Walker's west line be taken from road section No. 10 and added to Section No. 9 in Ward No. 8.

The report of the Committee on Inaane was read and on motion received and adopted.

Ordered that Councillors Bishop, Piggott, Armstrong and the Clerk be a committee to nominate Revisors for the year 1924.

Council adjourned till 2 o'clock p.m.

Wednesday Afternoon

Council met at 2 o'clock p.m. All present except J. A. Balcom. Minutes of previous meeting read and approved.

Ordered that J. A. Rice, F. H. Willett and Eri Nelly be the Board of Revision and Appeal, and also Revising Assessors.

Ordered that Fred Shaffer and F. B. Baker be Auditors.

Ordered that Edward Berry be Draw Keeper of the Annapolis and Granville Bridge with a salary of \$200 per year.

Ordered that John Adams be Draw Tender of Victoria Bridge with a salary of \$150 per year.

Ordered that the Warden Treasurer,

with Councillor Bishop and Thomas, be the Arbitration Committee.

Ordered that Bye Law No. 31 be adopted for the present year to enable the Municipality to borrow \$12,000 for Municipal purposes.

The report of the committee appointed to nominate Revisors was read and on motion received and adopted.

The following are the Revisors for the year 1924:

- Section—
- 1. Frank Atchison, J. Abner Phinney, Lamert Spinney.
- 2. Benjamin Bartheaux, E. L. Chipman, Spurgeon Phinney.
- 3. Harry Parker, John Tius, Eugene Sanders.
- 4. C. W. Croscup, Stephen E. Thorne, David Milner.
- 5. B. C. Clarke, Adelbert Minard, C. F. Morton.
- 6. Henry Messenger, John Todd, Alister Chipman.
- 7. N. G. Charlton, Abner Morse, Charles Marshall.

Councillor Piggott made a report as delegate to the Annual Meeting of the Union of Municipalities at Kentville last summer, giving some very interesting information.

The following were appointed as delegates to the next meeting of the Union of Municipalities:—Warden, Treasurer, Councillors Bishop and Pickup.

On motion the report of the Committee on Tenders and Public Property was received and adopted.

The report of the Annapolis County Farmers' Association was read and on motion received and adopted.

Council adjourned till 10 o'clock a.m.

Thursday Morning

Council met at 10 o'clock a.m. All present except J. A. Balcom. Minutes of previous meeting read and approved.

Ordered that the lists of Ward Officers as handed in to the Clerk be the Ward Officers for the ensuing year.

The report of the Committee on Assessments was read and on motion received and adopted.

Ordered that Sheriff J. H. Edwards be Jailor and Keeper of the Court House and Jail with a salary three hundred and sixty dollars per year.

The Treasurer's Report was read and on motion received and adopted.

Ordered that sixty dollars per year for five years be paid for lighting the Annapolis and Granville bridge provided ten lights are provided egg the bridge and approaches kept properly lighted.

Ordered that the Committee on Tenders and Public Property procure a safe for the Treasurer.

Ordered that the Clerk procure a book and make a record of all taxes recorded against properties, including those in the past.

Ordered that the Poll Tax for Municipal purposes be two dollars for each and every male person from the age of eighteen to sixty years.

Ordered that this Municipality assess for road purposes, a sum equal to three fifths of one per cent of the value of all property and income as shown by the Assessment Rolls for the current year, and in conformity with the requirements of sub section A Section 12 of the Acts of 1921.

Ordered that Bye-Law No. 10 be amended to read as follows:—The Treasurer shall receive the sum of seven hundred and fifty dollars per year, and the Clerk shall receive the sum of seven hundred and fifty dollars per year. Those amounts to cover all services rendered the Municipality.

Ordered that Bye-Law No. 21 Sec. No. 1 be amended to read as follows:—The Warden shall be paid a salary of two hundred dollars per year.

Historical Society

Respecting the request of the Historical Society for permission to use the Court House for the purpose of their meetings.

The Council desires to state that, owing to the Court House building not yet having been taken over from the contractors, and the policy of this Council as to the purposes for which it may hereafter be used, defined—we are unable at present to give a definite answer to said request. While in full sympathy with the work and purposes of your Society.

Copy to be sent by Clerk to Mrs. J. M. Owen, President of Historical Society.

Moved by Councillor Charlton, seconded by Councillor Phinney, and passed.

COURT HOUSE

Whereas during the past year the Municipality of Annapolis has remodelled and enlarged the Court House situated at Annapolis Royal, and made it equal in its appointments to any Court House in any Municipality in Nova Scotia.

Refund of Bad Rates and Road Tax

PEPs
THE REMEDY YOU BREATHE

These unique Peps tablets provide an entirely novel method of treating coughs, colds, bronchitis and throat troubles. Locked up in each Peps tablet are powerful medicinal fumes which are released when a tablet is dissolved on the tongue and are there carried with the breath into the furthest corners of the chest and lungs.

This real breatheable remedy gets to the vital spots which can't possibly be reached by liquid physic swallowed into the stomach.

Peps hands lower fee, all druggists

for THROAT & CHEST

Therefore resolved that this Council hereby requests the Legislature of the Province of Nova Scotia to relieve this Municipality of any obligation, real or implied, whereby it is required that Courts may be held at any point in the Municipality outside of the shire town of Annapolis Royal. We further request that any legislation, if such exists, requiring any Court to be held other than as above stated be repealed.

Moved by Councillor Armstrong, seconded by Councillor Charlton, and passed.

ROADS

Whereas Sub Section B, Section 12, Chap. 52 of the Acts of 1921, requires the Municipality to pay in addition 3-5 of 1% of the Assessment a road poll tax of \$3.00 for each person from eighteen to sixty years of age, and not assessed, and a poll tax \$1.00 when assessed.

And whereas the imposition of such an amount increases the rate to about 75 cents on the \$100, and the increase in the face of a decline in the rate of wages of about 33%.

And whereas the raising of the tax for Municipal purposes by an amount sufficient to meet said increased road poll tax has resulted disastrously inasmuch as a large percentage of these polls cannot be collected.

And whereas young men of eighteen to twenty-one years have no voice in the government of the country and resent taxation without representation.

And whereas enactments of this nature create hostility to legislation and drive our young men from the Province.

Therefore resolved that this Municipal Council protests against the imposition of a poll tax for road purposes and respectfully requests the Provincial Legislature to repeal such Road Poll Tax.

Moved, seconded and passed.

Ordered that copies of the foregoing resolution be forwarded to the Government and the members for the County.

Health Nurse

Whereas there has been exhibited in some sections of this Municipality a desire for the services of a Health Nurse.

And whereas this Municipality believes the results of such service can be secured through the combined efforts of the Trustees of our schools in co-operation with our local physicians under an arrangement which will be equally effective and much less expensive.

Therefore resolved that this Municipal Council go on record as not desiring the services of a Health Nurse during the coming year.

Moved, seconded and passed.

Council adjourned, Sits die

FREEMAN FITCH, Municipal Clerk.

REPORT OF COMMITTEE ON ASSESSMENTS, 1922.

To the Warden and Councillors of the Municipality of Annapolis: Gentlemen:—Your Committee on Assessments beg leave to report as follows:—

We have examined the claims submitted and recommend the following to be relieved of the sums set opposite their names:

Refund of Bad Rates and Road Tax

TOWN OF GLACE BAY WINS AN IMPORTANT DECISION IN COURT

Supreme Court Reverses Decision of
County Court Judge Re Bank
Come Taxes.

Sydney.—Glace Bay has won its
fight in the courts for the right to
impose local income taxes upon the
profits derived by the banks upon
funds deposited in that town.

Notice of the decision of the Su-
preme Court of Nova Scotia was re-
ceived in a wire to Hon. D. A. Cam-
eron and Major C. B. Smith, who
have been conducting the case on be-
half of the town of Glace Bay.

The town imposed the income tax
upon profits derived by the various
banks from deposits made by the
people of the town and invested in
various ways by the banks. The
Royal Bank made a test case and
County Court Judge Finlayson de-
cision in favor of the bank. Then
the town appealed to Halifax, with
the result that Judge Finlayson's de-
cision is reversed.

As the principle is important, it
is understood that the banks will ap-
peal to the Supreme Court of Canada.

THE RECALL IN ACTION

St. John, N. B., is quite advanced
along the new ideas from across the
line and has that chance for changing
the voters' minds known as the "re-
call." By it, if the voters find they
have made a mistake in the candidate
whom they elected; or if he swerves
from the pre-election platform and
promises, the voters can demand that
he drop out of office and present him-
self, if he wishes to seek re-election.

In St. John at the last election Mr.
McLellan sought to become mayor, his
platform being municipal ownership
of the electric system. He was duly
elected, but the citizens accused him
of flitting with the Power Company
and demanded his recall. A new elec-
tion was held as Mr. McLellan sought
to regain his lost seat, but he was
defeated by a large majority.

After the recent election Mr. Mc-
Lellan spoke in public very bitterly
about reprisals on those who had de-
fected him. This was unwise, to put
it mildly, and the respect he had for
the minority who voted for him will
be seriously shaken, if not impaired.
A candidate for public honors should
know how to take a defeat like a good
sport; then he gains respect from
both sides. But if he squalls, he
loses even his friends.—Municipal Re-
view of Canada.

FAMOUS WILLS

Famous wills occupy an important
niche in history. There have been
wills placed on record that for brevity
establish a record and others which
for sardonic ironies would be hard
to eclipse. To all such may be added
the uncommonly humorous will of
Richard Baxter, in which the author
of "The Saints' Everlasting Rest"
gives away, not copies of that far-
famed book, but flannel waistcoats!
There is also the beautifully written
will of Robert Browning with all the
lucid letters and nouns substantive
in old capitals. There is Victor
Hugo's equally elegant will, "dicte
et signe per moi," and there are the
long-detailed and again the princely
expressed wills. Shakespeare's con-
tains over 1,500 words; Coleridge's
over 2,500 words. The former begins
with becoming orthodox. "In the
name of God, Amen," and the latter
calls upon the Almighty no fewer
than seventeen times! In those days
everything was well written, whether
wills, or bills, or thrills.—(Montreal
Gazette.)

STONEY BEACH

Mrs. S. H. Blaney on Wednesday,
January 10th.

HEARTACHE

It isn't the thing you do, dear,
It's the thing you leave undone,
That gives you a bit of heartache
At the setting of the sun.
The tender word forgotten,
The letter you did not write,
The flower you did not send, dear,
And your haunting ghosts at night.

The stone you might have lifted
Out of a brother's way:
The bit of heartsome counsel
You were hurried too much to say;
The loving touch of the hand, dear,
The gentle, winning tone,
Which you had no time nor thought
for.

For life is all too short, dear,
And sorrow is all too great,
To suffer our slow compassion,
That lasts you a bit of heartache
And it isn't the thing you do, dear,
It's the thing you leave undone,
Which gives you a bit of heartache
At the setting of the sun.
—Margaret E. Sangster.

FIFTY THROUGH TRAINS ARRIVE AND DEPART IN 24 HOURS AT TRURO

To prove that Truro is an important
railway centre and a steadily grow-
ing prosperous town, let it be known
that on the 27th of December there
were fifty-three passenger and freight
trains arrived and departed from
Truro railway yard.

These trains were all of good size
and loaded with passengers and valu-
able products.—Truro News.

The man who is tired of himself
seeks worse company.

Make your mistakes a stepping-
stone to success.

SOCIAL SERVICE COUNCIL WORK

To the Editor of The MONITOR,
Bridgetown, N. S.

Sir,—Will you kindly allow me
space in your paper to call the atten-
tion of your readers to the invaluable
work being done by the Social Service
Council of Nova Scotia.

This organization for many years
bore the brunt of the fight for the
prohibition of the liquor traffic in
Nova Scotia. Through its efforts we
have prohibition and many of the im-
proved social conditions that seem to
be impossible of attainment until the
drink traffic is first suppressed.

The liquor interests, however, are
using desperate methods to discredit
prohibition, and it is absolutely neces-
sary for us to work unceasingly and
earnestly. Failure to do our duty at
this time would be disastrous.

The Social Service Council does
more than promote the cause of
temperance. Its programme includes
Obedience to Law; the Care of De-
pendants, Delinquents and Defectives;
the Welfare of the Child and of the
Home; Wholesome Amusement and
Recreation; the Application of Chris-
tian Principles to Industrial Relations;
and Good Citizenship.

The Council is un denominational in
its organization, representing all the
churches in Nova Scotia—both Roman
Catholic and Protestant. It also em-
braces all the temperance societies,
the Y.M.C.A., and the Y.W.C.A.,
and the Society for the Prevention of
Cruelty. Under the able leadership
of its General Secretary, Rev. H. R.
Grant, D.D., it undertakes to promote
educational, legislative and social re-
form work, that from its nature can
only be done with the maximum of
efficiency on an interdenominational
basis, working through its provincial
council and its local councils in every
county.

The organization therefore belongs
to every good citizen and to all the
churches. Each member can speak
of it as "our organization" for fur-
thering the teachings of our church
on social, moral and industrial better-
ment. It is—

"The tie that binds
Our hearts in Christian love,"
and therefore worthy of our liberal
support.

The Social Service Council asks
Annapolis County to contribute three
hundred dollars for the support of its
work this year. This amount is divid-
ed as follows:—fifty dollars from each
of the towns of Annapolis, Bridgetown
and Middleton, and the balance of one
hundred and fifty dollars from the
rest of the county. This is a com-
paratively small amount compared
with what the county would have to
pay for law enforcement of the liquor
traffic alone if we did not have prohibi-
tion. The Council has been oblig-
ed to carry on its work on borrowed
money. The contributions for the
support of its work ought to be paid
before the 29th inst., as its year closes
this month. Collectors will probably
soon wait upon the citizens. May I
bespeak for the Council a hearty and
liberal support on the part of every
one.

Yours sincerely,
ROBERT B. THOMAS,
Acting Corr. Secy-Treas.
for Annapolis County.
Granville Ferry, N. S.
Jan'y. 8th, 1923.

CONCENTRATED ENJOYMENT

During the year which has just
commenced The Family Herald and
Weekly Star of Montreal plans to run
at least ten stories in serial form.
They will be the best obtainable, re-
gardless of cost. In book form each
story would cost the reader two dol-
lars, which is all one has to pay for
an entire year's subscription to The
Family Herald and Weekly Star, con-
taining the whole of the ten splendid
stories and a great wealth of most
absorbing matter—never before at-
tempted in any paper. One must
bear in mind also that these exciting
serial stories represent less than
one-tenth of all the reading in this
wonderful combination of a farm
journal, home magazine and weekly
digest of world news. The Family
Herald and Weekly Star of Montreal
is the most economical journal for
the home, because it satisfies every
member of the family at a very low
cost.

A subscription of only \$2.00 sent in
immediately to the Family Herald and
Weekly Star of Montreal will bring
you the opening chapters of two great
stories; and "52 issues of concentrated
enjoyment."

PORT WADE

Our teacher, Miss Croscup, arrived
here Saturday evening to take up the
arduous task of teaching a country or
rural school in the winter months.

Ralph Apt, of Kentville, arrived at
his old home on Friday last for a
short visit with his mother and sisters,
and a call among his old friends.

Miss Delta White, of Yarmouth, is
here on a two weeks' visit with her
grandmother, Mrs. Jane Litch.

If money could be as plentiful as
snow we would have heaps of it—
nearly two feet in the woods and
more coming.

The past week we have heard of
teams going y in the evening, and
decided that the Port Wade Lumber
Co. had put on a night crew.

It is possible that wedding bells
will be heard here in the very near
future.

William Rogers has purchased a
nice span of black horses. Success
to him for the New Year.

VICTORIA BEACH

A gathering of relations met at the
home of Mr. and Mrs. Walton Casey's
on New Year's night. An enjoyable
evening was spent by all.

Roy Casey returned home Tuesday
from St. John, where he has been
on business.

Sorry to report Mrs. Henry Casey
on the sick list. We wish her a speedy
recovery.

Thursday, the 4th, the steamer
"Empress" did not cross the bay on
account of the storm.

Every one has been housed this
week on account of the storm. This
seems to be an old-fashioned winter.
Almost too much snow for the men
in the woods.

Mrs. Martha McGrath gave a birth-
day party on Jan'y. 6th. She receiv-
ed many useful presents from her
friends and relatives.

BIG SCHOONER IS DRIVEN ASHORE IN STORM AT DIGBY

Digby.—The large tern schooner
Gertrude Parsons, of Windsor, which
came here to load lumber, was torn
loose from the wharf by the terrific
gale and driven ashore about 12:30
o'clock on the rock beach between
the Salvation Army Barracks and the
Red Raven Cafe. She is only a few
feet away from the Main street, with
her masts lashed over the street.

Foot Saved in 4 Days!

"Nothing but Zam-Buk could have
done it," says Mrs. A. Perryman, 190
John Street, North, Hamilton,—in
describing how her right foot, crushed
by a wagon wheel, was healed. "The
flesh was terribly bruised, blackened
and inflamed, and I fainted away with
pain. When it was quite impossible for me
to move about, my husband's mother got
me to try Zam-Buk. It was surprising
how it worked. Within TWO DAYS all
swelling and discoloration had disappeared
and pain was banished. In FOUR DAYS,
through this timely use of Zam-Buk, I
could get about as usual; the injured
foot was thoroughly healed."
Zam-Buk is the powerful antiseptic
healer which quickly frees the skin of
corruption and disease and grows new
healthy tissue. No common ointment
or salve can possibly compare with
Zam-Buk. Get a box to-day! 50c. all
dealers or FREE SAMPLE for ic.
postage from Zam-Buk Co., Toronto.

ZAM-BAK For Healing!

A NEWSPAPER INCOME

Subscriptions and advertising are
the two main sources of revenue a
newspaper has, and often the sub-
scriptions do not pay for the cost
of white paper.

Newspaper advertising is the great-
est business getter there is. This is
acknowledged by men who have tried
it and know; people read advertise-
ments in newspapers. They have
been educated to do it.

We asked one of our business men
the other day, how his business was.
"Very poor," he told us. Have you
a good stock? We enquired. "I'll tell
the world I have," he said. "But he
doesn't tell the world. He doesn't
even tell the people here in his home
town. Consequently they read of the
other fellow's goods and prices, and
there they go and buy. The other
tells the world—in the roper way.

You can't all be Wanamakers, but
you can advertise in proportion to
your business. And the results sure
if you advertise honestly and give
service. A newspaper can bring
people to your store.

What is being done in the big cities
can be done right in this town, if
you will show the pep, give the ser-
vice and advertise. Make business
good. You can do it by using printer's
ink.

BEAR RIVER

Elmer Rice is visiting his parents,
Mr. and Mrs. Omer Rice.

Miss Marjell Kinney left on Tuesday
for Boston, where she will spend the
winter visiting relatives and friends.
Reginald Benson, who has been
spending the holiday season in Bos-
ton, returned home on Tuesday.

Clifford Rice spent the Christmas
holidays in Amherst, the guest of Mr.
and Mrs. B. C. Munroe.

The W. M. A. Society met at the
home of Mrs. Judson Dunn, January
4th, and was largely attended.

The Keith Lodge, A. F. & M., was
host to a large number of its members
and their friends on St. John's Eve,
December 27th.

Miss Echel Chute is visiting friends
in St. John.

Mr. Killmaster, of St. John, who
has been spending the holiday season
at the home of Mr. M. F. Chute, re-
turned to St. John on Thursday.

Mr. and Mrs. John R. Chute and
daughter, Mary, were guests of Mrs.
B. S. Jones, New Year's day.

Mrs. P. H. Reed, who has been
spending some time in Annapolis
Royal, returned home on Saturday.

Mrs. W. E. MacLure, of St. John,
is a guest at the Grand Central Hotel.

Miss Orrell Deck is spending a few
days at Greenland.

Mr. and Mrs. Walter J. Sutherland
left on Wednesday for New York,
where they will sell for England and
other European countries, during
their absence Mrs. Rose and little son,
of Halifax, will be the guests of their
daughter.

The Monthly Meeting of the Women's
Institute met in Division Hall
December 8th.

EDITORIAL NOTES

THEY
The men who try to do something and fail, are infinitely better than those who try to do nothing and succeed.—(Lloyd Jones.)

BE A SPORT

A Lethbridge judge says that less than one per cent. of the prisoners who come before him have ever engaged in athletics. There is food for serious thought in that statement.—(St. John Telegraph.)

HYDRO DOES IT

"Some of those young married women with vacuum cleaners, and electric washing machines who pay less than \$2 a month bills won't remember when their mothers paid \$3 to \$10 just for electric light and other people's mothers cleaned smoky lamp chimneys.—(Toronto Telegram.)

MONEY IN TREES

Wealth lies in our trees, and it would be a policy of literal madness to neglect them. We owe it as a duty to posterity to do everything that lies within our power to see that the process of development is unimpeded by any lack of care.—(Forestry News-Letter.)

WE SHIVER

As the United Mine Workers make public their plan for the nationalization of the coal mines one notes with interest that one reason why we have coal strikes is that there exists "an excess of 200,000 miners in the anthracite industry."

The existence of this excess causes the difficulty in providing for all miners the steady employment and high wages they demand.

Also it explains in perfectly convincing fashion our empty coal bins. There is too much coal in the ground and there are too many miners to dig it out of the ground.

That is why we have a coal shortage.—(Worcester Telegram.)

KEEP FRIENDSHIP IN REPAIR

There is nothing as valuable as a true friend. Fame and fortune are often fleeting. They are largely the creatures of circumstance and they seldom endure. The Prince of to-day may be the pauper of to-morrow. Just a turn of the wheel and life's conditions are often reversed. Few indeed of us escape something of these experiences. And it is in the days when fortune is not smiling on us that we realize the value of friends.

It has been truly said that "he that would have friends must prove himself friendly." The friendly man seldom lacks for friends. There is a law of compensation in life that keeps things evened up. What we give we get. "The liberal man deviseth liberal things and by liberal things shall he stand" was said by the psalmist of old, and it is true.

With friendships like everything else it is the little things that count. It is our business as has been said to "Keep our friendships consistently in repair." One of life's real tragedies is its broken friendships and estranged lives. Where mutual regard and esteem and helpful co-operation ought to exist, we too often see strife and bitterness. It is a good motto to forgive and forget. Differences of opinion on matters that may seem important, are altogether unimportant, when the keeping of friendships are in the balance. Remember that the other fellow has just as good a right to his opinion as you have, and don't forget that he may possibly be right after all.—(Picton Gazette.)

THE EDITOR'S CONSOLATION

Mr. Stewart, (Editor of The World) is confined to his room in Hotel Touraine by the failure of one of his legs to function properly, and says, "If this is the beginning of a break-up, it is consoling that it should start with a leg instead of with the head."—(Chatham World.)

BRIDGEWATER MENACED

The Ku Klux Klan Has Made Its Appearance In Our Midst. A Lady's House Invaded. Herby Hangs a Tale.

The marauders known as the Ku Klux Klan who have terrorized many sections of the States and portions of Canada, have, evidently, an organized branch in Bridgewater, if we are to believe alarming current reports.

It seems that one night of last week a number of these pests of society, arrayed in the white regalia or uniform of the Klan, forced their way into the residence of a prominent lady of Bridgewater, captured her unawares, and after forcing her on her knees—a posture she was accustomed to take—compelled her to take a weird and blood-curdling oath accompanied by a large potion composed of ill-smelling and worst-tasting ingredients. They added insult to injury by reading a long-winded address full of dire threats and queer dope until the poor victim was a wreck of her former self.

After filling themselves with all the good things they could lay their hands on the evil band departed.

This tale of woe is written in the hope that the town authorities will see to it that the "silent policemen" who decorated some of our streets the past Summer, are brought forth from their obscurity, armed with ancient eggs and placed on guard about the premises of unprotected females.

ROOSTER LIVED FIVE HOURS WITH ITS HEAD CUT OFF

When we published a story a short time ago about a party in New Brunswick who had cut the head off a rooster and that the bird apparently survived the ordeal for over four hours a good many of our readers said that if the item had appeared in any other paper but The Farmer, they might have doubted its veracity, or words to that effect if not quite so politely put. Of course we were not in a position to vouch for the story, as it happened off the island; but this one we can and it has the New Brunswick item along the same line skinned a mile. At Christmas, Mr. W. J. Muttart, of Summerside, was asked by a neighbor, Mrs. Hedley Brehaut, if he would relieve her of the dire necessity of despatching three cockerels, which were needed for the festivities. They were lusty Rhode Island Reds and at 9:30 a.m. Mr. Muttart chopped their heads off and made a good job of it. He put them, necks down in a coal scuttle and deposited them in Mrs. Brehaut's kitchen. The good lady was busy with other preparations and it was three p.m. (5½ hours after their heads had been cut off) before she took the birds from the scuttle to pick them. Two were apparently dead alright; but the third fluttered its wings in great shape and made a very creditable effort to crow with what was left of the body end of its neck.—(The Island Farmer.)

SAYS WORK WOULD MAKE THE PRISONERS PAY ALL EXPENSE

General Hughes Says 1,613 of 2,800 Men in Penitentiaries Are Less Than Thirty Years Old.

Ottawa.—That if the government would give them work to do the penitentiaries of Canada would pay for themselves was one of the assertions of Brigadier-General W. St. Pierre Hughes, Superintendent of Penitentiaries under the Department of Justice, in an address to the members of the Rotary Club recently.

General Hughes said that ever since 1896 an annual appeal had been made to the government to give the penitentiaries work, but without avail. The speaker gave some examples of the work of reformation being conducted in the penitentiaries of the Dominion and particularly among young men.

THE POTATO TRADE

During the last two weeks about 100,000 barrels of potatoes have been shipped from the Maritime Provinces to Cuba. Three cargoes have been shipped from Prince Edward Island, two from Nova Scotia and one from St. John. Another is to be forwarded shortly. Conditions in Cuba are improving, the Cuban government's recent \$50,000,000 loan, floated in the United States, having aided to relieve the financial situation. The potato market in Aroostock County continues dull and largely nominal, producers showing little interest. Prices continue low.

Evening gowns of silk tulle woven with metal threads have long sleeves of crepe georgette.

Constipation Banished

A druggist says: "For nearly thirty years I have recommended the Extract of Roots, known as Meher Seigel's Curative Syrup, for arresting and permanently relieving constipation and indigestion. It is an old reliable remedy that never fails to do the work." 30 drops thrice daily. Get the Genuine. 50c. and \$1.00 bottles.

NOTES AND NEWS OF LAWRENCE TOWN

Mr. Forman Bishop has been indoors for a week or so, a severe cold has been the cause.

Mr. Charles Balcom has had a severe attack of illness.

Mr. F. Hall has returned to his home in New York.

Mr. Donald Foster has spent a few days in Lawrence town.

Miss Margaret Burbridge spent some days in town at the home of Mrs. E. Shaffner.

Miss Prince spent Sunday with her mother, Mrs. W. Prince.

Mr. Morse D. and Mrs. Balcom are home, having had a visit to their daughter's, Mrs. H. McClelland, Belmont.

Mrs. Pearl Pigeon is spending a few weeks in Belmont.

The Women's Institute intends to have some good lectures during the season. Several well known gentlemen have promised to lecture in Lawrence town. It is hoped that perhaps a lecture upon "Canadian Art" will be given by a well known lady writer.

An event of unusual interest took place in the Lawrence town Baptist Church on the evening of January 7th, when Miss Stella Whitman gave an organ recital. She was ably assisted by Mrs. L. F. Wallace, Mr. P. Pearson and regular members of the choir.

Miss Whitman, a daughter of Rev. A. H. Whitman, pastor of the church, is a teacher of music at Mt. Allison Ladies' College, and is a very brilliant and talented musician. She, as well as the other members of Mr. Whitman's accomplished family, is ever ready to help with the music and social life of Lawrence town. The audience was enraptured with the beautiful numbers rendered by her on the new memorial organ, which makes occasions of this kind possible.

Mrs. L. F. Wallace, when visiting her birth place, has always been willing to give of her wonderful talent, and has had a prominent place in the music of the church since childhood.

Mr. P. Pearson is a new comer but has proved himself a valuable help and we heartily welcome him and family.

The two quartettes, beautifully sung by Mrs. E. C. Shaffner, Mrs. L. D. Hanley, Mr. Jas. Sanford and Mr. Alton Brown, and the duet, sung by Misses Georgie and Frances Whitman were much enjoyed by all present.

The regular choir rendered two numbers in its usual splendid style, and the church is justly proud of its choir.

Rev. Mr. Whitman gave a short but inspiring address on the relationship of music to our lives. This was given in choice language and was in itself a piece of harmony.

At the close of the service, Mr. E. C. Shaffner moved a hearty vote of thanks in behalf of church to Miss Whitman, Mrs. Wallace and Mr. Pearson, also regular choir, for the wonderful evening of music. This was ably seconded by Mr. L. D. Hanley. Both Mr. Shaffner and Mr. Hanley had rendered great assistance in the purchase of memorial organ which is placed in church free of debt.

The following is the program: Prelude: "My Sweet Repose"—Schubert—Liszt.

Violin Solo: "Tranmeru", Mr. Pearson Invocation and Scripture Reading—Rev. A. H. Whitman.

Quartet: "The Year Sins Be As Scarlet".

Organ Solo: Gloria 12th Mass. Mozart, Miss Stella Whitman.

Duet: "Come Holy Spirit" Jerome, Misses Georgie and Frances Whitman.

Violin Solo—"Largo", Mr. Pearson.

Chorus, by Choir.

Solo: "Hold Thou My Hand", Mrs. L. F. Wallace.

Organ Solo: "Chanson Du Soir", Miss Stella Whitman.

Quartet: "My Lord Abides", Schuber—Liszt.

Chorus, by Choir.

Organ Solo: "Shepherd Boy's Song", Miss Stella Whitman.

Address, Rev. Mr. Whitman.

Remarks: Mr. E. C. Shaffner, Mr. L. D. Hanley.

Closing Hymn, Postlude

Natural Tuscan embroidery trims brilliantly colored faille hats.

A suit of navy twill is trimmed with red soutache. The front of the jacket is draped to one side.

In September, 1892, a cheese weighing 22,000 pounds was made at a Perth County creamery for exhibition at the World's Fair in Chicago in 1893. The total amount of milk used in its manufacture was 207,200 pounds.

A pie sale and dance was held at Mr. Nathan Fancys on Wednesday evening, Dec. 20th. A good time was enjoyed by all, and the sum of \$20 was realized for church purposes.

Mrs. Louisa Lowe, who has been employed in New Germany, spent Christmas with her parents, Mr. and Mrs. Nathan Fancys.

Miss Ernestine Wright, who has been employed at Middleton, has returned home.

A pie sale was held in U. L. Wright's hall on Tuesday evening, Dec. 26th. The sum of \$30 was realized for Mission Band purposes.

Mr. Ford S. Kaulback, who has been employed at Bridgetown, spent his Christmas holidays with his parents, Mr. and Mrs. Hamford Kaulback. Mr. and Mrs. Guy Kaulback were visitors at the same home.

Mr. Jason Lowe, who spent Xmas with his parents, Mr. and Mrs. Wm. Lowe, of Cherryfield, has returned to Lawrencetown.

Miss Mary Oickle, of Cherryfield, spent a few days with friends at Lakeview recently.

The many friends of Mr. George Taylor will regret to learn that he is laid by with rheumatism.

SLIPPING AWAY

They are slipping away—those sweet, swift years Like a leaf on the current cast; With never a break in their rapid flow, We watch them as one by one they go Into the beautiful past.

As slight and swift as a weaver's thread Or an arrow's flying gleam; As soft as the languorous breezes hid, That lift the willow's long golden lid, And ripple the glassy stream.

As light as the breath of the thistle down, As fond as a lover's dream; As pure as the flush on the sea-shell's throat, As sweet as the wood bird's wooing note, So tender and sweet they seem.

One after another we see them pass Down the dim-lighted stair; We hear the sound of their steady tread In the steps of the centuries long since dead, As beautiful and as fair.

There are only a few years left to love; Shall we waste them in idle strife? Shall we trample them under our ruth less feet, Those beautiful blossoms rare and sweet, By the dusty way of life?

There are only a few years—ah, let No envious taunts be heard; Make life's fair pattern of rare design, And fill up the measure with love's sweet wine, But never an angry word.

ACROSS THE YEARS Come back to me across the years, dear friends that once I knew, Your smiles a blessing were to me, your hearts were warm and true. My friends are passing in and out, I constantly am told, And though I have new friends today, I dearly love the old.

Come back to me across the years, the carefree years of youth, When I, a glad and happy child, played at my mother's door; Though now I have some youthful friends to whom I fondly hold, And though I love them very much, I higher prize the old.

Come back to me across the years, the years ere fear and doubt, Had sought to cross my youthful mind and needed shutting out; Come to me as you used to come, in the departed years, Ere I had known life's bitterness, and my cheeks felt hot tears.

For O, the years their hardships bring of which youth nothing knows, When every hour is filled with joy, whatever comes or goes, Then I was happy in my dreams, and knew no grief or pain, Come back to me across the years, and make me young again!

INSTALL EQUIPMENT TO AID IN BUILDING BETTER HIGHWAYS

Much Waste From Inferior Materials Expected to be Avoided if Use Made of Ottawa Facilities.

Ottawa.—The Canada Highways Commission has imported, according to the Chief Commissioner, A. W. Campbell, complete equipment for conducting standard tests on cement, tars and road oils.

This equipment was obtained from New York, has been installed in the laboratory for testing materials, Department of Public Works, which now has complete testing equipment in the hands of an experienced and capable staff for making tests on all kinds of road materials.

Personal Mention

John Fisher returned to Windsor on Tuesday to resume his course at Kings College.

Mr. A. B. Thorne, of Lower Granville, was a recent visitor at the home of Mr. Howard Crosscup.

Mr. H. F. Williams returned home on Friday after a trip to Yarmouth, where he bought a car load of fat cattle.

Miss Rebekah McMillan, of Sherbrooke, is spending some little time in town, the guest of her uncle, Mr. A. A. Dechman.

Dr. Dechman has returned from Sherbrooke, where he was attending the funeral of his brother, the late Mr. David Dechman.

We are sorry to report Mr. Howard Crosscup, South Street, still on the sick list. He has been confined to his home since Jan. 10th.

The many friends of Dr. F. S. Anderson are pleased to learn that he returned from Victoria General Hospital on Friday last and is greatly improved in health.

COMPENSATION

The singing and the dancing, The laughter and the fun, The wooing and romancing, Are over soon and done, The flirting and the courting, The frolicking and play, The revel and the sporting, Endure but for a day.

In time the blood grows colder, In time the eyes grow dim, And as we're waxing older We live with waning vim, Youth and its magic passes, And by the frost of years, Is blighted, like the grasses, When Winter's snow appears.

Aye, all the merry clamor, And all the music sweet, The spell of youth, the glamor, Pass on with flying feet; The feasting and the folly, Are glories swiftly past; But oh, they make life jolly, The little while they last!

ALBANY

A wedding reception was given at the residence of Mr. and Mrs. Joseph Mailman on Friday evening, January 5th, in honor of their daughter, Gladys, who was recently married to Mr. Clyde Leander Marshall, of Clarence.

All the members of Mr. Mailman's family were present excepting Mrs. McGowan, who was prevented by the weather, but arrived next morning. Among the out side guests were Mr. Marshall, father of the groom, and Mr. and Mrs. Andrew Mailman and baby, of Middleton. Despite the roads which were almost blocked, the house was filled with guests.

The presents were numerous and useful. Quite a number of envelopes containing cash were noticed on the gift table. The many friends of our genial girl Gladys (now Mrs. Marshall) wish the happy couple many years of happy wedded life.

Mrs. Henry Bruce, aged seventy-eight years, passed away at the home of her daughter and son-in-law, Mr. and Mrs. Maynard Oakes, on the night of Dec. 20th. Her husband predeceased him by only seven months, thus their spirits were separated soon to be reunited in their Father's home above. Funeral services conducted by Rev. A. H. Whitman at the home, interment at Middleton.

Fine silk braided together in strips makes the entire over-dress and long sleeves of an evening gown of white silk tulle.

The train of the moment is placed a top of painted porcelain.

INSTALL EQUIPMENT TO AID IN BUILDING BETTER HIGHWAYS Much Waste From Inferior Materials Expected to be Avoided if Use Made of Ottawa Facilities. Ottawa.—The Canada Highways Commission has imported, according to the Chief Commissioner, A. W. Campbell, complete equipment for conducting standard tests on cement, tars and road oils. This equipment was obtained from New York, has been installed in the laboratory for testing materials, Department of Public Works, which now has complete testing equipment in the hands of an experienced and capable staff for making tests on all kinds of road materials.

Your success and our success are so closely related that we feel prompted to tender you our New Year's greetings in a whole-hearted way. E. C. SHAND Windsor, N. S. There are 40,000 lakes in Newfoundland.

Bridgetown Electric Light, Heat & Power Co. LIMITED IF you want anything Electrical call on us. We will do our best to oblige. CHAS. M. CHISHOLM, Manager

STORMY TIMES IN PORT There were some stormy scenes in the vicinity of the dredge one day last week. The cook threw up his job and was assaulted by the captain. The cook took action for assault and his assailant paid, it is said, \$45.00 rather than defend the action in court. The plaintiff received thirty bucks as his share. He was luckier than the boy who was run over by a bike and severely injured.—Archat Record. The Moncton Transcript, Ltd., has a capital of \$99,000 and this big co-operation is ready to carry on the affairs of the Transcript newspaper separately from the rest of the estate of the late John T. Hawke. The ownership of the Transcript is still vested in the daughters and other heirs of Mr. Hawke. The Transcript property is valued at \$25,000 for assessment purposes, but to nature as a going concern is fully \$100,000.

MUNICIPALITY OF ANNAPOLIS
Road Sections Overseers and Their Duties.

32. (1) The Council shall divide the Municipality into road sections, in the best and most convenient manner so as to effectively ensure the performance of the duties required by sub-section (2) of this section, and shall appoint an overseer for each such section.
(2) It shall be the duty of such overseer during the winter, whenever the highways become impassable from snow, to order all male persons between the ages of 18 and 60 residing within his section, to work with their shovels, horses, oxen and teams, upon any of the highways in order that the same may be rendered passable, and every person so liable who does not comply with any other such order, shall be liable to a penalty of ten dollars, and any such order shall be sufficiently communicated to the person required to obey the same if sent, left or given verbally or in writing at the usual place of residence of such person at or before the hour of nine o'clock in the forenoon of the day on which such person is required to work.
(3) Until such division is made, the road sections or divisions, constituted and existing before the coming into force of this Act, for the performance of Statute Labor, shall continue to exist for the purpose of this section.
(4) Any overseer failing to act or failing to perform any of the duties imposed on him by this Act shall for such offence be liable to a penalty of twenty dollars. All penalties imposed by this section shall be recoverable under the provisions of Summary Convictions Act.
Removal of Snow, Petitions to Rate and Collect Expense.
32. (a) Notwithstanding the provisions of said Section 32, a majority of persons referred to in said section may petition the Council at an annual or semi-annual meeting to have the future expense of the removal of snow from the highways and making them passable in the road section or division in which said persons reside, and, or, upon all the real and personal property within the said road section or division and realizable thereon according to the rate roll of the polling district in which said road section is situated.
Expense, How Rated and Collected.
(2) If the Council approves of said petition, it shall by resolution agree to pay any expense so incurred in carrying out the request of such petition for the removal of snow, and shall direct that any expense so incurred be collected and collected by so much on the dollar on the assessment value of the property and income assessed in respect to the rate-payers residing in said road section and, or, by a levy of a Poll Tax upon all persons liable to be ordered out to work in said road section and the same shall be collected from such property and income and, or, persons only in the same way in all respects as a general Municipal rate is collected. The Council shall also make all necessary regulations to give effect to said resolution.
(3) Every such resolution shall be and remain in force until the Council shall by resolution rescind the same.
Rainy Summer weather, although unpleasant for holiday-makers, is very healthy, as it helps to destroy the germs of hot-weather ailments.

NOTICE

TOWN OF BRIDGETOWN
Office of Town Clerk and Treasurer.

Notice is hereby given that the assessment roll for the town of Bridgetown upon which the rates will be levied in and for the said town for the year 1922, has been filed in the office of the undersigned, the town clerk, and that the said roll is open to the inspection of the rate payers of the town, on or before the tenth day of February, give notice in writing to the undersigned, the town clerk, that he or it is over-assessed in such roll, may, on or before the tenth day of February next, give notice in writing to the undersigned, the town clerk, that he or it is under-assessed in such roll, and shall in such notice state particularly the grounds of objection to such assessment.
And further take notice that if any person assessed in such roll claims that any person, firm, company, association or corporation has been assessed too low, or has been omitted from or wrongfully inserted in such roll, he may, on or before the tenth day of February, give notice in writing to the undersigned, the town clerk, that he appeals in respect to the assessment or non-assessment of the said person, firm, company, association or corporation, and shall in such notice state particularly the grounds of his objection.
Dated at Bridgetown, this fifth day of January, 1922.
J. E. LLOYD, Town Clerk, 41-21.

THE HORRORS OF INDIGESTION

Relieved by "Fruit-a-lives" the Fruit Medicine

Indigestion, Weak Digestion or partial digestion of food, is one of the most serious of present-day complaints—because it is responsible for many serious troubles.
Those who suffer with Indigestion, almost invariably are troubled with Rheumatism, Palpitation of the Heart, Sleeplessness and excessive Nervousness. "Fruit-a-lives" will always relieve Indigestion because these tablets strengthen the stomach muscles, increase the flow of the digestive juices and correct Constipation, which usually accompanies Indigestion.
50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

LITCHFIELD

Miss Susie Carr, of Lequille, is visiting here at present.
Mr. Charlie Burnie has returned home from his visit in Boston.

Quite a lot of sickness around lately, but we hope for all a speedy recovery.
Messrs. Eber Hamilton and Pearl Hardy left last week for St. John in the lumber woods.

Thanks to Mr. Othello Ellis for some nice calendars of the Paradise Garage. Frank Balcom proprietor.
Mrs. Manassah Halliday, of Lynn, Mass., has been visiting her brother, Mr. Edward Wilson.

A clear old-time winter. Lots of snow and cold weather and the men are called out quite frequently to keep the roads open.

Misses Greta and Addie Hamilton have returned to Carleton, Yarmouth County, after spending the Christmas holidays at their home here.

Mr. Danie Robinson has opened a vulcanizing shop. All kinds of rubber foot wear and automobile tires quickly repaired. We wish him every success.

VICTORY

We wish the editor and staff a prosperous and happy year.

We are sorry to report Mr. Kenneth Milberry on the sick list.
Mrs. Fred Simpson is visiting at Mrs. Stewart Potter's, Clementsvalle.

Mrs. Simeon Darras is boarding at Mrs. George Rosenenants' for the winter.

Mr. and Mrs. Audrie Selig spent Xmas with her parents, Mr. and Mrs. Lemuel Hewey.

Mr. and Mrs. George Darras, of Carleton, were the Xmas guests of Mrs. William Oickle.

Mr. Oscar Berry has been working at Bear River East to Mr. William Berry's, who is in poor health.

Miss Annie Simpson, of New York, is spending Xmas holidays with her parents, Mr. and Mrs. John Simpson.

Mr. Fred Simpson, of Welsford, spent Christmas with his wife at his parents', Mr. and Mrs. Joshua Simpson.

Mr. Simeon Darras, of Carleton, and wife, of Greenland, were the Xmas guests of Mrs. Stannage Curriel.

We sincerely regret to report Miss Ethel Hevey on the sick list. We trust at next writing she will be on the road to recovery.

Mr. and Mrs. Stewart Potter and daughter, Gertrude, of Clementsvalle, spent Xmas with her parents, Mr. and Mrs. Joshua Simpson.

Mrs. R. Cross and little son, who have been visiting her parents, Mr. and Mrs. William Oickle, have returned to their home at Deep Brook.

Miss Mary Simpson, who has been teaching at Plympton, Digby Co., spent her Christmas holidays with her parents, Mr. and Mrs. John Simpson.

SALE OF FISHING PRIVILEGES AT ST. JOHN

The sale of the fishing privileges in St. John harbor, last week netted \$4,123.30, as compared with \$3,288.45 last year, an increase of more than \$740. The proceeds last year were nearly \$2.00 less than they were in 1921, when there was a slump of some \$13,000 from the 1920 receipts. The following are the returns for the last ten years:—1922, \$4,123.30; 1921, \$3,288.45; 1920, \$5,191.85; 1919, \$11,044.10; 1918, \$12,644.40; 1917, \$8,314.50; 1916, \$5,250.20; 1915, \$1,802.50; 1914, \$2,159.85. The bidding, except in a few instances was not keen. The Diving Bell lot on the West Shore, which sold last year for \$750, and has brought as high as \$5,000 or \$6,000, was knocked down for \$400. A feature of the sale was the purchase by Hilton Belyen, veteran oarsman, of Lot C in Courtenay Bay, which was sold last year for \$16, and for which Hilton was forced to pay \$321.

A Happy and Prosperous New Year to the editor and staff and all the MONITOR readers.

Lloyd Armstrong, who spent the Xmas holidays with his parents, Mr. and Mrs. B. M. Armstrong, has returned to Halifax, where he is attending Business College.

Miss Vera Barteaux spent the Xmas holidays with her parents, Mr. and Mrs. Stanley Barteaux.

Mrs. Clyde Carter, from Halifax, spent the Yule-tide with her parents, Mr. and Mrs. A. W. Slocum.

Miss Clara Armstrong, teacher at Victoriavale, spent the Xmas week at home.

We are sorry to report: Mr. Lemuel Elliott on the sick list. All join in wishing Lem a speedy recovery.

Mr. David Whithy is calling on friends in this place before returning to his duties at Truro.

Roscoe Elliott expects to return to Truro where he is attending college.

Miss Dora Tooker is spending her vacation at home.

Mrs. B. M. Armstrong and Deacon Byard Marshall attended the funeral of the late M. P. Marshall, Middle-ton.

Our teacher, Miss Edith Porter, spent her vacation at her home in Hall's Harbor.

Miss Elma McKenzie is spending a few days with her aunt, Mrs. B. Barteaux.

Miss Eleanor Lynn spent Xmas with her friend, Miss Clara Armstrong.

Mrs. B. M. Armstrong called on friends in Port George on Wednesday.

Mr. Frank Mosher had the misfortune to lose one of his horses.

For good skating, come to J. S. Miller's mill pond. Always lots of "company".

On the evening of Dec. 19th, the school at Victoriavale gave a concert in the church. The programme was carried out in a manner which reflects great credit on the teacher, Miss Clara F. Armstrong, and also the children. Two readings by Mrs. Perley Ward deserve special mention.

At the close of the programme Santa Claus came in, to the delight of the little ones, and distributed the presents from the well loaded tree. Programme as follows:—

Song—Christmas Bells.—By school.
Recitation—"Welcome"—by Ronald Legag

Recitation—"Christmas Wish"—by Beatrice Wood
Dialogue—"Why We Make Gifts"—by Margaret Pates and Addie Brown.
Duet—"Ring the Merry Xmas In"—By Elma and Hazel Baker.

Duet—"Xmas Bells"—By Viola and Edith Baker.

Exercise—"Xmas Candles"—By Four Girls.
Reading—By Mrs. Perley Ward.
Pantomime—"Sally's Xmas"—By Six Girls.

Singing—"Merry Xmas"—By the School.
Speech by Rev. M. Whitman.
Closed by singing "God Save the King."

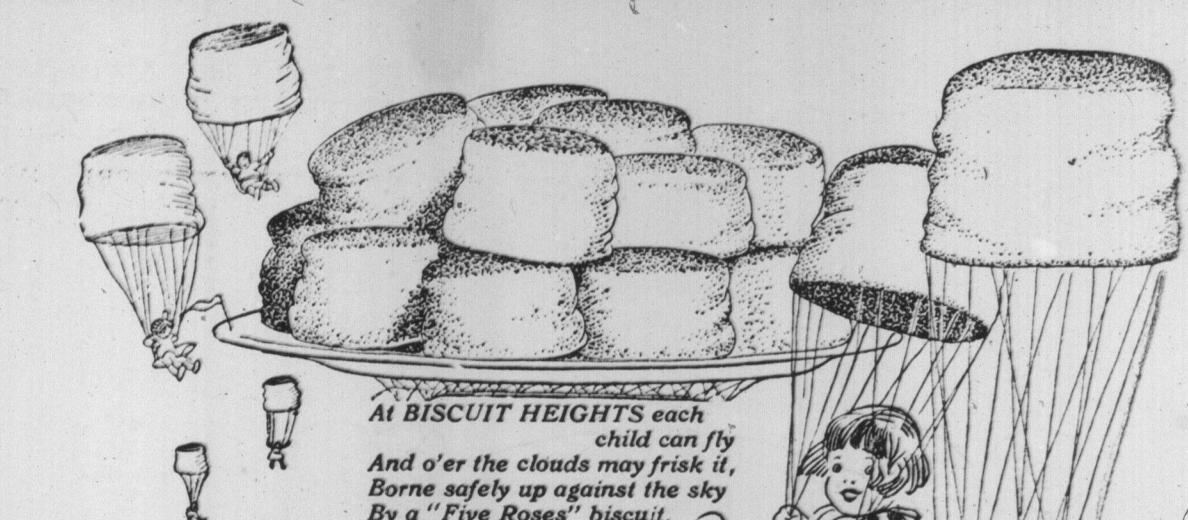

SOME GOOD IN ALL

In every breast there is a well of feeling,
Whose depths are mov'd at an appointed time,
Disclosing precious jewels, and revealing
Love, Hope and Faith, or Energy sublime.

The heart of every sinful man containeth
A hollow'd spot, as pure as childhood's dream;
Which 'mid the poison round it, still retaineth
Some crystal drop from truth's eternal stream.

The tear of penitence, the sigh of sorrow,
The agony of soul for life mispent,
The promise of improvement for the morrow,
Are all to Heaven, on mercy's pinions sent.

The heart, beneath a smiling mask, may smother
Its anguish, tho' by fiercest trials torn;
Then judge not harshly of thy erring brother—
God only knows the sorrow he has borne.

At BISCUIT HEIGHTS each child can fly
And o'er the clouds may frisk it,
Borne safely up against the sky
By a "Five Roses" biscuit.

Biscuit Heights

A IRY, full-blown biscuits light as thistledown! Bake them with FIVE ROSES Flour. Know the joy of creating a perfect product! No common flour can give you at every baking that satiny yielding finish, or the even layers of dainty texture that users of FIVE ROSES expect as a matter of course.

Get out your FIVE ROSES Cook Book to-day. Start on some of the delightful tours through its many attractive pages.

FIVE ROSES FLOUR
for Breads-Cakes-Puddings-Pastries

The famous Five Roses Cook Book, used in over 650,000 homes, mailed on receipt of thirty cents. Lake of the Woods Milling Co., Limited, Montreal or Winnipeg.

TRUST IN GOD AND PERSEVERE

Brother is life's morning clouded,
Has the sunlight ceased to shine;
Is the earth in darkness shrouded;
Would thou at thy lot repine?
Cheer up brother, let the vision
Look above, set light is near;
Soon will come the next transition,
"Trust in God and persevere!"

Brother, has life's hopes receded,
Hast thou sought its joys in vain;
Friends prove false when mostly
needed,
Foes rejoicing at thy pain?
Cheer up brother, there's a blessing
Waiting for thee, never fear;
Foes forgiving, sins confessing;
"Trust in God and persevere!"

Brother, all things round are calling
With united voice "be strong!"
Though the wrongs of each be galling,
They must lose their strength ere long.
Yea, my brother, though life's trouble,
Drive thee near to dark despair,
Soon 'twill vanish like a bubble,
"Trust in God and persevere!"

He from His high throne in Heaven,
Watches every step we take;
He will see each fetter riven,
Which oft foes in anger make;
Cheer up, brother, He has power
To dry every bitter tear,
And though darkest tempests lower,
"Trust in God and persevere!"

Brother, there's a quiet slumber
Waiting for thee, in the grave;
Brother, there's a glorious number
Christ in mercy deigns to save;
Wait then, till life's quiet even
Closes round thee, calm and clear,
And till called from earth to Heaven,
"Trust in God and persevere!"

\$5,000 LIVE LOBSTERS LOST BY ONE SHIPPER IN BAY FUNDY STORM

St. John, N. B.—The last storm which lashed the island and mainland of Passamaquoddy Bay caused a serious loss to Burpee Wilson, of Eastport. Mr. Wilson had 25,000 live lobsters, caught off Grand Manan, in a big lobster float. The seas smashed the end of the float in, with the result that the lobsters went joyfully scurrying out into deep water. At present prices Mr. Wilson's loss is about \$15,000.

A motor boat owned by Capt. James Miller, sunk at her dock, but this was the extent of the damage to small shipping in the bay, as practically all craft had been hauled up for the season.

Better Mettle More Work

Balanced Feed a Money-Maker

Why is it that 100 lbs. of oats goes further than 100 lbs. of corn in feeding horses and mules? Everybody knows this is so, and that it is because oats is better balanced than corn.

Purina O-Molene is a carefully milled product, and is better balanced than either corn or oats. Two thirds of a ton of Purina O-Molene goes as far as a ton of oats and much further than a ton of corn. Why not let us prove this to you? Phone us for samples and prices.

Sold in checkerboard bags only, by

For Sale By The Banner Fruit Co., Ltd.

NEW : GOODS

"If it has a wringer it isn't a Laun-Dry-Ette"

LAUN-DRY-ETTE

electric washing machine

WASHES AND DRIES WITHOUT A WRINGER

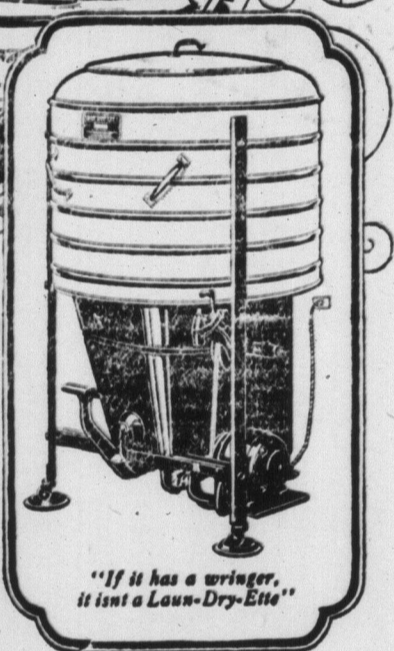

Every Button on and they are all like that-

THE Laun-Dry-Ette does not smash buttons nor tear them off. It does not injure patent fasteners and hooks. It can't—for it has no wringer.

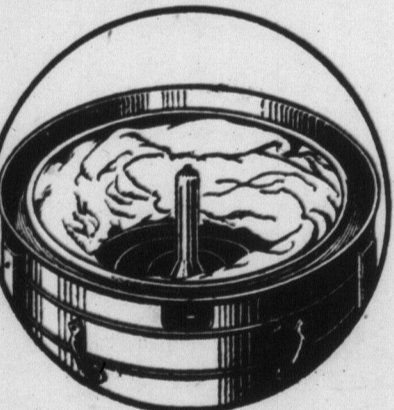

The Laun-Dry-Ette dries the clothes by centrifugal force. Pressure on a pedal raises the dryer above the water, and the turn of a switch starts the dryer revolving so that in one minute the entire tubful of clothes is wringer-dry.

And there is never any need to handle wet clothes. You handle only moist clothes, regardless of whether you are washing, rinsing or bluing. This means that you can keep your hands soft and white.

The Laun-Dry-Ette requires no extra tubs. Washing, rinsing and bluing are all done right in the Laun-Dry-Ette. The Laun-Dry-Ette is the one electric washing machine that does all the work.

The greatest advance in washing methods since the introduction of electric power. Approved by Good Housekeeping Institute. Seventh successive year. Thousands in use.

This shows the dryer in upper position. After it has wringed the clothes wringer-dry, the water is in the lower part of the Laun-Dry-Ette, ready for the next tubful of clothes. Please write for a demonstration.

"What Pleasant Memories Her Picture Revives"

Pleasant memories! How subtly does one's portrait recall the joys of yesterday, and bridge the gap of miles away. No other picture is freighted with a happiness so real, so vivid, so enduring. A portrait of a loved one can be seen without an occasion and "revives" whenever it is viewed.

	9.00
\$119.27	

Mrs. E. C. Turner, parcel, W. W. Chesley, parcel, W. H. Maxwell, parcel, W. A. D., Bridgetown, parcel; W. L. Bear River, \$10.00 to purchase treat for inmates of County Home Xmas day.

DRY RHYME IN LONDON POKES FUN AT YANKEES

London.—In the main dining room of Simpson's, the famous restaurant in the Strand, there is a painting of the quasi-historical incident of the dish of four-and-twenty blackbirds being set before the king. Not long ago a couple of English frequenters of the restaurant arrived at a state of mind wherein the production of the following rhyme was achieved:—
Four-and-twenty Yankees,
Feeling mighty dry,
Took a train to Canada
And bought a case of rye.
When the case was opened
The Yanks began to sing:
"To blazes with the President,
"God save the King!"
The parody is going the rounds of London's clubs and hotels to the accompaniment of much laughter—and feeble grins from Americans.

Local Happenings

The Annual Business Meeting of the Baptist Church has been postponed till Wednesday evening, Jan. 24th.

Elizabeth Eaton of Wolfville, has won the first prize of \$30.00 for the best fish receipts submitted to the National Fish Co., at Halifax.

A small owl took up its post on a large tree in front of Mr. Karl Freeman's store on Tuesday and was captured by a net thrown over it. The presence of a bird of this kind in town is very rare.

Rev. D. B. Harkness, a former pastor of the Wolfville Baptist Church has resigned as Secretary of the Social Service Council of Manitoba to accept a Judgeship in the Juvenile Court of that Province.

Owing to the storm there was no service in St. Mary's, Belleisle, last Sunday. Next Sunday the service will begin at 2 p.m. instead of 3 o'clock, and will be followed by the annual Congregational meeting.

Rabbits were never more plentiful than they are now. In some parts of the Province they are selling at 10 cents a pair, though the Pictou small boy holds the price firm at 40 cents a pair.—Pictou Advocate.

The address of Mr. C. S. Bothamley, the President of the Annapolis County Farmers' Association, received too late for insertion in this issue, will appear in our next. It will be found interesting and well worth perusal.

The young ladies' hockey team is making good progress and has already had two practices. Shortly they will play a team composed of the married ladies and are also making arrangements for games with Middleton and Annapolis ladies.

Mrs. Fred Bath, her many friends will regret to learn, suffered painful injuries on Monday when she slipped at the top of the cellar stairs and fell to the bottom. Fortunately no bones were broken but she suffered injuries which may keep her confined to her room for some days.

Please keep Tuesday, Jan. 30th, in mind as the date of the Recreation Hall monthly entertainment. This one will be under the auspices of St. James' Church. Part I will consist of a miscellaneous musical and literary programme, and Part II, a farce entitled, "Old Cronies". The Bridgetown orchestra will also be in attendance.

The storm upset many scheduled meetings and the like. Amongst these was the annual business meeting of the "Rector, Wardens, Vestry and Parishioners" of the parish of Bridgetown, which was to have taken place on Monday evening last. The meeting has now been called for next Monday evening and will be held in St. James' Church school room, beginning at 7.30. An important item on the agenda will be a report from the Cemetery Committee. It will be recalled that at the time of the Bridgetown Centennial Celebration the matter of the care of the C. of E. Cemetery was brought forward. A meeting was held and a committee appointed to look into possibilities. This committee has been at work and will report at the meeting next Monday evening. For this reason, as well as for the regular business, a large attendance is asked.

WEST INGLISVILLE

We wish the editor and staff a happy and prosperous New Year. Messrs. Leonard and Wilbur Banks have returned to Dalhousie after spending the Xmas week with their families.

Mr. Hardy Banks, of Barrington, was here with visiting his sister, Mrs. John Banks.

Mr. Fred Barbeau spent Xmas day with his sisters, Mrs. Walter Baker, of Meadowvale, and Mrs. John Barbeau, of Nictaux.

Miss Eva Banks, who is attending school at Lawrenceville, is stopping with Mrs. Chester Banks during the winter months.

Miss Madeline Layte, of Lawrenceville, has been visiting her friends, Miss Marjorie Durling, and Hilda Banks.

Mr. and Mrs. Wilbur Banks and children spent a few days during the Xmas week with friends at Mount Rose and St. Croix Cove.

Mr. John Banks, who has been confined to the house for some time, is able to be around again.
