Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. RESOLUTIONS *unanimously adopted at the Annual Meeting of the Auxiliary Society for the District, held at Quebec, on Monday Evening, June 29, 1848. The Rev. Doctor RICHEY in the Chair.*

After the reading of the Report by the Secretary, the Rev. C. CHURCHILL, it was Resolved unanimously,

I.—That this Meeting receives with satisfaction, and recommends for distribution the Report which has now been read, and expresses its devout thanksgivings to Almighty God for the success which has attended the efforts of the Wesleyan Missionary Society, in common with other Protestant and Evangelical Institutions.

II.—That this Meeting devoutly recognizes the importance and necessity of more fervent prayer to the Great Head of the Church for the removal of the obstacles to Missionary enterprise which still present themselves in different parts of the world,—for the universal increase of zealous and devoted labourers in the mission field—and for the more copious out-pouring of the Holy Spirit upon the Church and the world at large.

III.—That while this Meeting commends the assiduity which has marked the efforts of the various Branch Societies in this District, during the past year, it regards at the same time the aggressions and activity of the enemies of the truth, and the amount of spiritual darkness and destitution which still rests upon the heathen world, as a powerful incentive to renewed efforts;—and pledges itself to continued and increasing exertions in each department for the future.

IV.—That this Meeting thankfully recognizes the exertions of all parties who have engaged in the laudable enterprise of sustaining and extending these important Missions, and resolves that the following persons constitute the Officers and Members of this Auxiliary Society during the ensuing year:—

REPORT.

In presenting the Annual Report of the CANADA EAST AUXILIARY WESLEYAN MISSIONARY SOCIETY for 1848, the Committee beg to remark that while the general distress and commercial embarrassments of the year which is past, awakened in their minds the most lively concern respecting the annual income, necessary to sustain in an efficient manner the operations of the PARENT SOCIETY, now so extensive and important—the announcement of the Income and Expenditure for the year 1847, very lately received, has excited in their minds the most devout feelings of grateful thanksgiving, that so much has been done to sustain operations with which the spiritual condition of so many of their fellow creatures is so largely identified. Although the aggregate amount is smaller than that of the year preceding, yet there is a powerful proof elicited from the returns, of the deep interest felt by the Wesleyan Church throughout the world, in upholding this mighty enterprise—of the increasing desire to manifest its profession of attachment to the Redeemer's Kingdom, in extending its borders to “the utmost verge of the green earth.”

The following is the Report (Financial,) for the year 1847, 31st December:—

FINANCIAL STATEMENT.

Total amount of Income from all sources,.....	103,619	1	9
Balance in hand from 1846,.....	4,994	9	4
	108,613	11	1
The Expenditure for the past year has been.....	114,606	17	6
Leaving a deficiency for 1847, to be provided for, of.....	5,993	1	5

The present duty of the Committee is to offer a brief Review of the different Stations occupied by the Society.

I. EUROPE.

1. MISSIONS IN IRELAND.—The Society now occupies 20 Stations in 13 different Counties—some of which are in large towns or villages, others are extended through large tracts of country, and several are in the most remote parts of the country, where, though the Congregations are small, yet the Word of God is precious, and is gladly received.

The number of Mission Schools is 62, containing about 4,000 children.

It will be very naturally expected, that the famine and pestilence which, by permission of Divine Providence, have visited this unhappy country, with the powerful political agitation which now prevails, will have been severely felt within the range of the Society's operations.

The distress and suffering in some of the localities have been shared by several of the Missionaries themselves, yet the most gratifying intelligence has been received from those self-denying men, from time to time, of their unwearied diligence, their untiring zeal, and encouraging success.

2. **FRANCE.**—The most disinterested statement, and most gratifying which could be presented to the public respecting the operations of the Wesleyan Missionary Society in France, may be found in the testimony which has recently been borne in London, both in public and in private, by the Rev. Dr. Baird, who, from many years' attentive observation, personally, of the state of religion upon the continent of Europe, is so competent to decide upon the kind of means needed for its advancement—who says, "The Wesleyans have done much for France, but I would say to them, that not fifty, but a hundred more of their Missionaries are wanted here."

3. **SWITZERLAND.**—The state persecution of religion in the Canton de Vaud, still continues to be severely felt. The labours of the Missionaries during the past year, have sometimes been violently interrupted—yet they still maintain their position, and we are not without hope that, in the Providence of God, the vigour of the persecution will soon have exhausted itself, and the free and unfettered efforts of the Missionaries be brought to bear upon the prejudices and superstitions of the people.

4. **IN SPAIN**—the labours of the Missionary have not been in vain in the Lord.

In Europe, we have 30 Stations; 50 Missionaries; 4,789 Members; 7528 Scholars.

II. ASIA.

1. **NORTH AND SOUTH CEYLON.**—In the respective Singhalese and Tamul Districts, all the Missions are reported to be in a state of useful efficiency and vigour. In the South especially, the Missionaries report an increase of 37 Members, besides 35 in the Kandyan provinces, which have not been taken into account. The printing press is employed on the Singhalese translation of the Scriptures, and in the multiplication of useful school books and tracts. The native Normal School, of which the Rev. Dr. Kessen is the Rector, has prepared 30 Students, who are about to be sent throughout the country, to take charge of Schools, under the patronage of Government. As a proof of the estimation of the usefulness of our Educational Institutions by the British Government, we observe that it has passed the following native Educational Estimate for the current year, viz:—

Native Normal Institution,.....	£ 7900 0
Preparing and Publishing Books in vernacular languages,.....	468 0 0
Establishing Thirty Singhalese Schools,.....	1142 0 0
Salaries to Singhalese Masters in English Schools,.....	200 0 0

£2600 0 0

2. **PRESIDENCY OF MADRAS AND THE MYSORE TERRITORY.**—The records of the Madras District for the year, are in miniature those of the Christian Church at large. The Missionaries are reported to have been diligently employed in the different departments of the work, and their success has been encouraging. Some interesting accounts of conversions and happy deaths have been received both from Madras and the country Stations of the Mysore country. The Schools, also, both Sabbath and Day Schools, are in a state of pleasing efficiency. The total number of books printed at the Mission Press, in Bangalore, during the year, has been 10,760. No. of pages, 843,420.

3. **AUSTRALASIA AND POLYNESIA.**—In Australia Felix, South Australia and Western Australia, the labours of the Wesleyan Missionaries are confined chiefly to British settlers and their descendants. The work generally on this account does not present such a variety of details—interesting from their novelty, as is presented where the efforts of the Missionary are employed in evangelizing the barbarous aboriginal tribes of distant lands; nevertheless, in the erection and enlargement of Churches—in the increase of numbers—and an extending and growing interest manifested in the prosperity of the Redeemer's Kingdom, at their local Missionary Anniversaries—the prospects of the Society are very encouraging in New South Wales.

IN VAN DIEMAN'S LAND there is a reduction of the number of Church Members, through emigration from the Colony, but there are cheering indications of good, for the encouragement of the faithful and devoted labourer, amidst every source of discouragement that exists.

IN NEW ZEALAND.—Under the excellent general superintendence of the Rev. Walter Lawry, whose episcopate extends to the Friendly and Fejee Islands also, the state of the Mission is such, as at once to excite in the mind of the Christian philanthropist feelings of gratitude towards Him who, in the midst of wars and tumult, has to so great an extent preserved in peace the infant Churches gathered after many years of patient and prayerful exertion, from amongst a people who were sunk in ignorance and cruelty—and of anxious solicitude that the native converts may hold fast their profession, your Committee look with thankfulness upon the fact, that so many of these converts who have been exposed to all the evil influences attendant upon a state of warfare and of incipient civilization—have proved faithful in the hour of temptation and trial.

IN THE FRIENDLY ISLANDS.—The death of Josiah Tubou, an aged and Christian King, has placed upon the throne the old and tried auxiliary of our Missions, King Geo. Jaafaahan, of Habai, a leader and local preacher in the Church of Christ—a Christian Sovereign among his people. In one Circuit, 22 Infant Schools are in vigorous operation—in nearly all, the Work of God is in a prosperous state.

IN FEJEE.—There has been during the year, an extensive revival of religion—there have been printed at the Mission press, 3000 Hymn Books, and

60,000 Society Tickets. The Missionaries are all engaged in preparing a correct translation of the New Testament, in the language of Fejee.

In Asia at large, including Australia and Polynesia, there are 29 Stations; 59 Missionaries; 9593 Members; 16,498 Scholars.

III. AFRICA.

SOUTHERN AFRICA.—The Society's Missions on the South Eastern border of the Cape Colony, in common with others, have been placed in circumstances of deep and painful interest. The storm of war has swept over the country, and the beneficial labours of the Ministers of the Gospel of Peace have been rudely interrupted.

Through Divine mercy, the Mission families have been preserved from personal violence—although exposed to much privation and alarm.

In the Cape District, in Albany and Caffraria, and also in the Bechuana District, notwithstanding the troubles alluded to, there is devout reason to thank God and take courage.

WESTERN AFRICA.—The Superintendent of the Sierra Leone District, writes thus: "I would express my conviction that the Work of God is prospering in every place, while the very orderly state of things in all the Circuits, speaks well for the brethren that are there employed."

At the Gambia, the operations of the Mission have been seriously interrupted by affliction and death. The Gold Coast and Ashanti Missions have been re-inforced by additional labourers, and a decided state of spiritual improvement is a source of encouragement to all.

In Africa, we have 53 Stations; 60 Missionaries; 8,531 Members; 15,461 Scholars.

AMERICA.

1. WEST INDIAN MISSIONS.—In the five large Districts in the West Indies, there is found a seriously inadequate supply of Ministerial labour. The appeals on this subject are painful to read in the present financial position of the Parent Society—at the same time, it is a matter of encouragement to know that the untiring efforts of the Missionaries have, with the Divine blessing, realized the most beneficial results. In the whole group, we have 53 Stations, 89 Missionaries, 54,760 Members, 23,674 Scholars.

2. BRITISH NORTH AMERICA.—This comprises the following Districts, viz.: Eastern Canada, (the District of Canada West having during the year been united with the Canada Conference)—Nova Scotia—New Brunswick—Newfoundland, and the Hudson's Bay Territory. In these Districts, there are found (exclusive of the Canada Conference, which returned last June a membership of 21,749,) 99 Stations, 105 Missionaries, 18,132 Members, 12,458 Scholars.
