THE CAMPBELLTON GRAPHIC

Campbellton, New Brunswick, January, 13th 1911.

The dampness which destroys lumber only intensifies the strength and hardness of Concrete.

You can impair a wooden trough with comparatively little use; but it takes a powerful explosive to put a Concrete water tank out of business.

Which

is your choice—expense-producing Wood, or money-saving Concrete?

We'd be glad to send a copy of our book, "What the Farmer Can Do With Concrete,"—Free—if you'll ask for it. It tells the many uses of Concrete in plain, simple language—tells how to make

Which is Your Choice?

Stodpy, leaky wooden troughs, or clean, durable Concrete?

Wooden drinking troughs are about as reliable as the weather.

They are short-lived and require replacing every few years—not to mention continual patching to keep them in repair.

The best of wood cannot withstand, for long, constant dampness and soaking. Its tendency to rapid decay soon shows itself in leaks and stagnant pools of water around trough.

Contrast with this the durability, cleanliness and well-ordered appearance of Concrete.

Campbellton's Progress Since Disastrous Fire

Large Number of Buildings Already Erected—
Many of Brick and Stone—Business in all
Lines Increasing Weekly

NEXT SUMMER A BOOM ONE

July 11th 1910, is an unforgettable date with all our townspeople. So much so that we have now reduced our dates to two terms—Before the fire and after the fire. Our town was destroyed, but with dogged determination we got down to work to rebuild from our shattered homes and desolate hearths, a new town. And how have we succeeded! On the 11th of July we had roughly 1200 buildings, valued at the assessable value of \$2,100,000. Today six months after, we have roughly 600 buildings temporary and permanent, and many of these would be an ornament to any town. In this we have shown the Province, Canada, even the whole world what can be accomplished by a body of people banded together to seek the best interests of their town. In Water street alone there are nearly

20 brick buildings including the Banks, and many more will be in course of erection by the summer. We are making the town better than it was, and it behooves us now to keep up the high standard of building which has been set. Campbellton has got to go. All around we see towns of the growing power of our town. Our credit has been established, an increased volume of business is being done daily, and will continue so, and once the industries have been reestablished we shall feel the benefit of a great wave of prosperity. The stores of our town have shown the way in building large and commodious premises, their orders are eagerly sought for by the wholesale houses, which show to us that even they who are on the outside feel that there is a great future for Campbellton. At present

there are numerous brick buildings planned out, and by the end of next summer, Water street will be almost a purely business thoroughfare and as a centre of commerce will not be far behind many of our larger towns in the province.

The Mayor and Council are men of high integrity and in the face of much trial, disappointment, and discouragement have stuck manfully to their work, and they are glad to feel that they have the unqualified support of the townspeople.

Altogether the outlook is very good. It is most refreshing to observe the spirit of the people who have lost all seeking to build better homes for themselves, and consequently raising the town to a more secure and safe footing.

REPORT OF RELIEF COMMITTEE

The first report of the Relief Committee makes interesting reading. A glance at the figures given below will give an idea of how much good has been done in housing and feeding those left destitute, and the committee are glad to report that the Relief Houses are all occupied, and although not so warm as a \$5,000 mansion, still all are under cover and not suffering altogether from the cold. The figures up to Dec. 31st, 1910 are as follows:

Total Subscriptions	\$108,282.51
Bank Interest	858.26
Total	\$109,140.77
General Relief	\$498.76
Guard Account	905.50
Salaries Account	952.84
Expense Account	673.32
Sanitary Account	1067.45
Cash Grants Account	328.50
Building Account	33913.87
Town Water Loan	750.00
Poor Goods Orders	515.00
Total	\$86,674.74
Cash in Bank of N. S.	\$15,446.21
Cash in Royal Bank	11,278.05
Cash in Bank of N. B.	15,722.77
Total	\$102,447.03

In connection with this balance we would be glad to point out that this sum of \$102,447.03 in the Banks includes certain sums appropriated for the various schemes of the Committee and not yet taken up from the Banks, the next sum available for appropriation being \$7,822.10.

Granted, Adding \$50,000 to Wage Bill.

The Intercolonial Board of Management has decided to grant substantial increases in pay to firemen and engineers. A general increase of 7.12 per cent was decided upon, and this will mean an addition of fifty thousand dollars to the wage bill of the road. The application of the conductors and other employees for increases will be considered shortly.

ALARMING FIRE AT EAST END

On Monday evening fire broke out in the temporary building occupied by F. S. Blair & Co., as an office and P. S. Martin, store and skating rink at the east end of the town. The flames had got a good hold before the alarm was blown, and the building thoroughly gutted before the fire was extinguished. Notwithstanding a stream from the house was playing all night the smouldering ambers caught again early on Tuesday morning but the fire was easily subdued by Mr. James Alexander, Charles Anderson, Wm. Jackson (fireman) T. Chalmers and Fireman Noble with the hose wagon. Town engineer Black also turned out with his staff, and saw that at both outbreaks, there was ample pressure of water at the hydrants which were working in good order. The fire was just rather close to be comfortable at Mr. G. E. Asker's house, but the ladies of the household did yeoman service in running out their own hoses at the first fire, and Miss Stella Asker tramping through the snow drifts in the early morning to give the second alarm. By the way, there was a watchman placed on the premises and after the fun was all over, he was found in another place asleep. The loss has not been estimated but we understand is fully covered by insurance.

WEATHER REPORT
The weather of the past week has been very variable. On Monday a severe snowstorm raged, the high winds drifting the snow very deep. The conditions point to another heavy snow storm. Thermometer readings a.m. as follows:

SNOW STORM

Quite a heavy snow storm was ex-
perienced here on Monday, the high
wind drifting the snow into quite de-
cent-sized drifts. It interfered with
quite a number of meetings, most of
us having had enough of wading in
the day time and preferring to stay at
home at night.

CAMPBELLTON METHODISTS

The Graphic desires to contradict a
statement which has appeared in
many papers in the Province,—That
the Board of Methodist Ministers in
Toronto had promised our friends
here \$10,000. The facts are these:
That the Board in Toronto, hearing of
the endeavor being made to raise the
sum of \$10,000, sympathized deeply
with the brethren in Campbellton
and promised their support in this
laudable object. Their help and sup-
port are very acceptable to the Meth-
odists of Campbellton, but this, as
will be seen, puts quite a different
meaning on the paragraph, which has
already appeared and therefore is
misleading.

SUCCESSFUL R. C. PASTOR

The Rev. F. C. P. Campbell, who
was for a long time Parish Priest at
Upper Charlo, has been most success-
ful since his induction to the charge
at St. Patrick's Church, Mount Pleas-
ant, Vancouver, Father Campbell
was the first secular priest given a
Roman Church in Vancouver, and
since the opening of his new church,
has almost doubled the membership
which now stands at about 1000. The
Rev. Father keeps a deep interest in
his young people, establishing a Social
Club, which has been very successful
and has got his choir down into strict
training with the result that the
music for Mass and Benediction has
left nothing to be desired. The many
friends of Father Campbell are great-
ly rejoiced at the success of his minis-
try.

SUCCESSFUL WHIST PARTY

A largely attended party was held
in the ward of the Hotel Dieu on
Wednesday evening, the proceeds of
which were for the benefit of the
Hospital. Nineteen tables were occu-
pied for whist playing, Dr. Martin and
Mr. Philip Dupuis acting as scores.
The Mother Superior acted as chair-
one and Misses Vermette and McIn-
tyre looked after the ladies. The
prize winners were: Ladies' 1st, Mrs.
Dr. Pinaut; 2nd, Miss Vermette;
Booby prize, Miss L. LaCasse; Genti-
men's 1st, Mr. Marquis; 2nd, Mr.
H. Mowat; Booby prize, Mr. Wm.
Walsh. After cards, tea, coffee and
cake were served by the ladies. A
series of these parties will be held
during the winter and for such a
worthy object should have the sup-
port of all.

WEEK OF PRAYER

Last week was observed in Camp-
bellton as a week of special prayer.
There were good attendances at all
the meetings, the members increasing
each evening, yet our people could
have come out in larger numbers. At
Friday evening the subjects were,
"The Home," "The Teacher," and
"The Press." Rev. Mr. Schumann
emphasized the opportunity the press
had for doing glorious and abiding
work, and pleaded for a continuance
of the power it had and should always
show on the side of truth and right-
eousness. Rev. Morris spoke briefly
on his trip and Rev. Mr. Drumm
pleaded for a New Home Life, for pa-
rents to strengthen the moral teaching
by precept and example of their young
people, giving them the attention, the
care and nurture, which was too often
divorced in some cases on pet poolies
and fancy cats, leaving the care of the
young immortal souls to the tender
mercies of often a pernicious compan-
ionship.

Gladly Testify for "Fruit-a-tives"

One reason why "Fruit-a-tives" is winning a welcome in the hearts and
homes of thousands from coast to coast, is because so many of the leading citizens
of Canada have spoken so strongly in favor of this wonderful fruit medicine. In
every province—in every city—in every hamlet—throughout the three million,
seven hundred square miles of the Dominion, there are many who owe their
health and some who owe their lives, to the marvellous virtues of "Fruit-a-tives".
Nelson BANISTER, Esq., (Capt. "A" Squadron, 12th Manitoba Dragoons) of
Oak Lake, Manitoba, says—"I was stricken with Sciatica and Neuralgia of the
Heart—was in bed for six weeks—I tried "Fruit-a-tives" and it completely
cured me. Today, my whole family use "Fruit-a-tives".
PAUL J. JONES, Esq., retired merchant of Sarnia, Ont., testified "I suffered
for 25 years with Constipation, Indigestion and Catarrh of the Stomach. I gave
"Fruit-a-tives" a trial and find it the only remedy that does me good and I
cannot praise it too highly".

Mrs. LIZZIE BAXTER, 5 Home Place, Toronto.—"I was a terrible sufferer
from Rheumatism for nearly a year. Two doctors treated me but I became a
helpless cripple. I saw "Fruit-a-tives" advertised and decide to take it. After
taking five boxes, I was well".

HENRY SPEARS, Esq., the well known Justice of the Peace of Moorefield,
Ont., "I suffered from severe indigestion for almost two years and became
helpless. Two experienced doctors pronounced my case hopeless. My
son asked me to try "Fruit-a-tives" and from the outset of taking these won-
derful tablets, I was better and "Fruit-a-tives" completely cured me".

N. JOHANN, Esq., a well known and highly esteemed citizen of Grande
Ligne, P. Q., says "I heartily recommend "Fruit-a-tives" to all who suffer with
Constipation".

H. MARCHESSAULT (High Constable of Province of Quebec), St. Hyacinthe,
says "Fruit-a-tives" cured me of Chronic Pain in the Back".

EDWIN ORAM, Sr., of Sydney Mines, N. S., writes "For many years, I
suffered from Indigestion and Dyspepsia—lost 25 pounds—and thought the disease
was Cancer. After taking three boxes of "Fruit-a-tives", I was much better and
now I can say that "Fruit-a-tives" has entirely cured me".

Be guided by these letters of Canada's well known men and women. Try
"Fruit-a-tives" and see for yourself that it will do for you what it has
done for thousands of other sufferers.

MISFORTUNES OF EVANS FAMILY

Boston, Jan. 4.—Through four gen-
erations a strange series of misfor-
tunes has relentlessly pursued that
branch of the Evan family which be-
came extinct with the death of Robt.
D. Evans, the wealthy rubber and
copper magnate. That a wrong done
by a brother long ago will now be
righted is the avowed belief of the
claimants to the Evan millions. A
century ago four brothers, John,
Walter, Robert and Richard Evans
were forced to leave England. Walter
secretly slipped back, turned the fam-

ily property into cash, bought a sail-
ing vessel and became a sea captain.
The vessel was lost with all on board.
His eldest son, Robert, met with some
accident. He died a bachelor. John
and William, two other sons, met
violent deaths. Richard, the second
eldest, also became a sea captain.
Then fate overtook him and he died
at Black River, New Brunswick. His
son, while on a voyage, met with a
serious accident, which caused his
death soon after he had returned to
New Brunswick. He was Capt. John
Evans, father of Robert D. Evans,
whose millions are now sought by
other branches of the family.

AFTER SUFFERING TEN YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

MARLBTON, N.J.—I feel that Lydia E. Pinkham's Vegetable Compound has given me new life.

I suffered for ten years with serious female troubles, inflammation, ulceration, indigestion, nervousness, and could not sleep. Doctors gave me up, as they said my troubles were chronic. I was in despair, and did not care whether I lived or died, when I read about Lydia E. Pinkham's Vegetable Compound; so I began to take it, and am well again and relieved of all my suffering. —Mrs. GEORGE JORDY, Box 40, Marlton, N.J.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

JACQUET RIVER

Ray Utican left on Wednesday morning to attend St. Michael's College in Chatham.

Miss M. Irene Utican who conducted a successful millinery business in Campbellton previous to the fire is spending a vacation with friends here. Miss Utican has been working with J. S. Wilcox, St. John, for the last season. We understand that Miss Utican contemplates reopening business about March 1st. Her many friends will be pleased to welcome her back to Campbellton.

Public school Christmas Examination and Entertainment at Jacquet River. Scholars acquit themselves in fine style, to the great delight of their parents and friends.

Following the usual custom examinations touching on the most important subjects, taken up during the term, were held in each room on Thursday, Dec. 23rd from 1:30 to 2:30 P.M.

The pupils acquitted themselves in a most creditable manner. Geometry, in two classes, reading, arithmetic, writing and composition were particularly noticed in Miss McNair's room. The work showed great energy and devotion to study on the part of the pupils. Passing on to the Primary Department which has been ably controlled by Miss Minnie E. Harquail for the past two years, the visitors was most pleasantly surprised and entertained.

The knowledge of spelling, history, Geography and letter-writing displayed by those "wee tots" was astonishing. The lady like deportment of the girls and the manly and noble behavior of the boys, occasioned many expressions of praise, and congratulations for both teachers and pupils, from every visitor present. Promptly at 2:30 the pupils from the Advanced Department assembled in Miss Harquail's room, and assisted the little ones in rendering the following programme of recitations, songs and dialogues.

Song—"The Christmas Welcome" School.

Recitation—"Santa Claus and the Mouse"—Winifred Dempsey.

"—Coasting by Night"—Charlie Daley.

"—Kiss Dolly Good-Night"—Hilda Hickie.

"—Contentment"—Harry Lutes.

Dialogue—"Love of a Bonnet"—Girls—Advanced Dept.

Recitation—"The Little Seamstress"—Lou Davidson.

"—Santa's Mistakes"—Helen McMillan.

"—The striped stocking"—Leonard Foley.

Song—"Canada, Land of the Maple Tree"—Advanced Dept.

Dialogue—"Three Little Mothers"—Adeline Daley, Katie McMillan, Delphine Clarke.

Recitation—"The Shiniest Dime"—Luella Sliger.

Song—"Jingle Bells"—Primary Dept.

Recitation—"My Dolly"—Marie Sliger.

"—Arithmetic"—James Donnelly.

Dialogue—"Doctor Brown"—Leonard Foley, Winifred Dempsey.

Song—"Christmas Bells"—Advanced Dept.

Recitation—"Hush-a-bye Dolly"—Amanda Hickie.

"—The Naughty Boy"—Sanford Culligan.

"—Mary and Dinah"—Frances Devereaux.

Recitation—"Work Box"—Hilda Hickie.

Song—"What's the meaning"—Primary Dept.

Recitation—"The New Year"—Emily Goodin.

"—Five O'clock Tea"—Edith McMillan.

"—A Petition from Santa Claus"—Gordon McMillan. God Save the King.

At the close of the exercises the children from Grade four, who had recently graduated from Miss Harquail's class, presented her with a very neat hand-bag. The gift was accompanied by an address read by Miss Helen McMillan as follows: Address to Miss Harquail.

We the pupils of Jacquet River school hear with regret, that you are about to leave us.

We cannot let you depart, without expressing our thanks to you for the interest you have taken in our welfare. During your stay with us you have endeared yourself to us by the careful painstaking manner in which you have discharged your duties, and by your kind and impartial treatment of all.

As a slight token of our esteem please accept this hand-bag, and as you glance at it from time to time, think of the boys and girls who are so warmly attached to you.

Wishing you a Merry Christmas and a very Happy New Year, we will say "Good-Bye".

(Signed)—Lou Brown, Adeline Daley, Katie McMillan, Edith McMillan, C. Morrissey, H. McMillan.

Miss Harquail, in a few well-chosen remarks, thanked the children for their kind remembrance and token of their appreciation of her work. Mr. McDaniel, Manager of the Royal Bank of Canada here, one of the visitors present, then addressed the children; also Mrs. (Dr.) R. L. Ellis and Mr. Mitton expressed themselves as being delighted with the children's work, and regretted sincerely Miss Harquail's leaving the school.

The writer might add here, that in the necessarily curtailed review of the excellent examination and entertainment provided by the public school children of this village, it would be quite impossible to give adequate credit by individual mention, to the several parties, to whose untiring efforts, its successful consummation was so largely due.

It must suffice to say that the teachers Miss Katie McNair and Miss Minnie Harquail with the co-operation of every pupil of the school provided an entertainment entirely creditable to all the participants, and unqualifiedly satisfactory to the parents and friends of the children, and the citizens at large.

Miss Harquail has proved herself a most efficient worker and both as a teacher and socially she will be very much missed in Jacquet River. In return for her devotion to duty in our district the people unanimously join in wishing her every grace and blessing in her new field of labor.

COUNCIL ECHOES.

Quite keen discussion was on regarding the closing of Sugarloaf Street. No reply has yet been received to the Town Clerk's letter on last week's resolution.—Feeling is strong that the I. C. R. are shuffling but the matter is hung up pending a reply from the Board of Management.

Some of the Council were of opinion that the town horses were not getting enough to do, and they are now going to get a little more hauling to do to reduce their fat and put them in better condition.

There is a possibility of a motion going before the Council to change the night of meeting to a Monday or Friday evening. This will depend a great deal on the action the merchants of the town will take on the question of early closing.

Appropos of the discussion on placing the phone in the Police Station for the use of the Fire Department, would it be right to point out that there was considerable delay in turning in an alarm for the fire at Martin's store on Monday.—As far as we can learn the fire was burning from twenty minutes to half an hour before the alarm was given,—and at the second fire it was only at the third attempt that the lady who gave the alarm succeeded in getting a response from the Power House.

Town Treasurer Lingley reports that the rates are coming in not so badly at all; for a time like this.—The total Assessment is round \$12,000, of which about half has been collected.—This Assessment represents a ratable value of about \$900,000.

ALFRED ROBINSON

Mr. T. Alfred Robinson son of Mrs. John G. Almond of Hopetown Que., and the late Mr. Thomas Robinson, was called suddenly beyond the "Great Divide" on Saturday morning Dec. 31, 1910. New Year's Eve, at the early age of twenty-one years and ten months, at Sudbury, Ont., where he was occupied as brakeman on the C. P. R. line. On Friday night Alfred fell from a car in motion sustaining injuries which resulted in death eight hours after. His last words were, "Take me Home."

Mr. W. J. Baxter a young friend of deceased accompanied the remains east reaching Hopetown, Que., on Tuesday afternoon. Under such sad circumstances the grief of the home ones was pitiful to behold, a son beloved, kind and faithful, a brother young, manly, full of life and hope who went out nine months before was brought back lifeless in his dark casket. But He doeth all things well.

The funeral took place on Wednesday to Shigawake Anglican church and was largely attended. Rev. Messrs. J. Prout and A. T. Love conducted the service. The hymns sung were How Bright These Glorious Spirits Shine, Come Holy Ghost Our Souls Inspire, As Pante the Hart etc., and On the Resurrection Morning. Before the sad procession left the house in Hopetown, Mrs. Reuben P. Travers sang very sweetly, O Love That Will Not Let Me Go. The pallbearers were Messrs. James Travers, James Robinson, Cluny Robinson, Reuben Travers, John Powers and Percy Ross. Two large wreaths were sent from friends in Sudbury where Mr. Robinson had made many friends, and many other friends from Shigawake laid their tributes of affection on and around the casket.

The death of Miss Minnie Niven occurred on Jan. 6th at the home of H. C. Niven after a lingering illness of 18 months, interment took place on Jan. 9th in the Presbyterian Cemetery, the deceased leaves one brother Arthur of Campbellton who was here to attend the funeral. Funeral services were conducted by the Rev. S. J. McArthur.—Advocate.

CHILD LOST

Robert, the seven-year-old son of Robert Allen, of Chatham strayed from his home Thursday an it is feared that he has been drowned off the Post Office wharf. The little fellow was not missed until early in the evening and then Mr. Allen telephoned around to various places in an effort to find him, but to no purpose. Finally the distracted father learned that the boy was last seen on the wharf near a spot open by the flood tide. Men are now engaged in grappling at the spot, which is close to the wharf. The current is swift there and if the worst has befallen the little fellow, the chances are against recovering the body.

Are Your Children Properly Fed?

LET us talk about the right feeding of children. Of course, you want your children to grow up strong and healthy; you want to equip them for the battle of life with rugged constitutions and good red blood. Now, the first step is to see that they are properly fed. And these words "properly fed" mean much in the diet of children. For it isn't quantity that counts, but quality.

There is no better food under Heaven for growing children than plenty of first class bread and butter. They thrive on it, grow strong and fat and rugged. Their systems crave it because it is a complete, well-balanced food.

But the bread must be good—the very best, and the best is made from ROYAL HOUSEHOLD FLOUR which contains the full nutriment of Manitoba Red Fife wheat—for only wheat of this character contains enough of the right quality gluten to balance the starch. Gluten makes bone and muscle, starch makes fat. It takes the right combination of both to make properly balanced bread.

Bread made from OGILVIE'S ROYAL HOUSEHOLD FLOUR is richest in blood building, muscle building, health building gluten. Children like it better and thrive better on it.

With "Royal Household" you need never have anything but the very best results for it is always the same, absolutely uniform, year in and year out and is just as good for Pastry as it is for Bread.

If parents knew this important difference between ROYAL HOUSEHOLD FLOUR and other flours they would never use any but "ROYAL HOUSEHOLD".
