### BREEZY BUDGET FROM BUSY BATH

Case of Theft—Aroostook Workmen Come to N. B.—A worthy industry—Personal and Social Notes

On Saturday night or early Sunday morning there was stolen from the Central Hotel stables a number of furs belonging to David Feldman of Woodstock. Immediately upon discovering his loss Mr. Feldman had a warrant sworn out and he and Constable J. Ryan have been scouring the country in search of one whom they have good reasons to suspect. At the time of writing, however, the suspect has not been apprehended. Mr. Feldman places his loss at \$50.

Miss Josephine Loherty, Holmesville, spent the week-end in town, the guest of Miss Frances Maloney, at the home of Mr. and Mrs. Geo. Tompkins, Church street.

William Armstrong, Lakeville, was calling on friends in town on Saturday.

Mont Belyea, Fredericton, spent Wednesday here.

D. Currie, Montreal, was in town on Thursday of last week in the interest of the Canadian Packing Company, Montreal.

Congratulations! Born to Mr. and Mrs. John Gallagher, Jr., a son—Thomas John, being christened on Sunday morning at St. Joseph's church. The sponsors were Mr. and Mrs. Thomas Gallagher.

Robinson Longstaff, Knoxford, was a caller in town on Saturday.

Wash Turner, Plaster Rock, returned to his home during the week.

John Ryan, Jr., who only recently returned from the west, has contracted measles and although he is confined to his home his condition is not thought to be in any way serious.

G. F. Seeley, manager of the Hartland Electric Co., was a business caller in town on Wednesday and Thursday of last week. The Hartland Electric Co. have now two crews engaged in wiring operations, and it is expected that a third crew will start work shortly.

Messrs. Lavelle and Clark, Edmundston, electricians, are also in town. They have just completed wiring the residence of G. F. Gibson and are now engaged wiring the store of Behan & Co. And also the residence over the store.

Frank Doherty, Holmesville, was called to Woodstock on business Thursday last.

Clarence Tompkins, Florenceville, spent the week-end here, the guest of his cousin, Chipman Tompkins.

Mrs. Matthew Gallagher and children have returned after a very pleasant visit, spent with relatives in St. John.

Clinton Clark, Woodstock, was a caller here for the first time in the interest of the Baird Co. He is relieving Mr. Shaw, their regular representative, who is spending the winter months in California.

Mrs. M. G. Keenan was called to St. John on Monday of this week owing to the illness of her sister, Mrs. McGuire. Charles McGinley was in Hartland on business during the past week.

The C. G. I. T. Girls met at the home of Mrs. Harden Craine on Saturday afternoon.

Many here will learn with regret that John Patterson of Kintore, who lately resided here, had the misfortune to injure an eye, which may necessitate its removal. Mr. Patterson left on Monday for Hamilton for medical treatment.

An enjoyable whist was held under the auspices of the ladies of St. Joseph church at the home of Mrs. M. E. Commins, on Wednesday evening.

Operations were commenced last week on the George Ryan bridge, O'Donnell Settlement, about three miles from here, under the supervision of Bridge Inspector H. W. Craine.

The many friends of John E. MacIntosh, of the firm of MacIntosh Bros., local lumbermen, will regret to hear

that he is confined to his home by a severe attack of rheumatism.

Beecher Craine and family who recently returned from Van Buren, are occupying the house on Church street, recently owned and occupied by James Young.

Mrs. Marvin Archibald and children Marcella and Porter of Monticello, are visiting at the home of Mrs. Archibald's parents, Mr. and Mrs. J. N. Deost.

Wendall Wilson entertained a number of his friends on Monday evening, it being the occasion of his fifteenth birthday. Among those present were: Misses Marion Craine, Madeline and Helen Giberson, Messrs. Charles Kearney, Hazen and Ronald Tompkins, Claude Nixon, Tracey Giberson and Neville Giberson.

A very large number of teams passed through town during the past week en route to the lumber woods, a large number coming from Aroostook county, where it is rumoured that the wages offered are not as alluring as those being offered by our own lumbermen. Most of the teams were bound for the head-waters of the Miramichi.

A great deal of farm produce is on the move. The below mentioned are the average prices which were paid by local merchants during the past week: Hay, pressed, No. 1, \$11; Potatoes, \$1.65; Pulp, \$10; green wood, elabbed 16 in., \$10. Long lumber and lath were also on the move.

An interesting experiment is being tried out by two Wicklow men, who believe that the Carleton county farmers can grow wheat, which when manufactured into flour by Carleton county millers, should be welcomed by Carleton county housewives. To this end they put up their flour in neatly arranged 98 lb. bags, bearing the words in red lettering, "98 lbs.—Andrew and Otis Shaw, Growers of Seed Wheat, Florenceville." A certain amount of this flour has been left for sale with local dealers, and those housewives who have used it declare it to be of real good quality.

### TOWN LIGHTING CONTRACT MADE

All Parts of Town Will Have Light But Cost Will Be Greater

The special committee of the Town Council appointed to deal with Hartland Electric Co. for street lighting had a conference with the company on Saturday evening and as a result arrangements were completed for having the street lighting wires extended south to near the residence of A. D. Kennedy, north to near the Andrew Alton residence, east on the Rockland road to near the Birmingham home and out to the end of Hillcrest. This is altogether a much greater service than was planned for a month ago, but the demand of the remote citizens was insistent, and their interests were provided for notwithstanding the proportionate cost was great.

When completed Hartland will have a most creditable street lighting service.

### HYDRO SURVEYS EXPECTED SOON

Conferences to be Held Regarding Development in Northern N. B.

Fredericton, Jan. 21—Surveys for a hydro transmission line which would connect up the North Shore counties from Campbellton south with the proposed hydro development at Grand Falls on the St. John River and would also provide for construction of a highway across the northern counties of the province, from Campbellton in Restigouche to St. Leonard's or Edmundston in Madawaska county, are expected to be ordered soon.

Conferences will be held here this week in which Premier Veniot and Hon. J. E. Michaud, member of the New Brunswick Electric Power Company, are expected to participate.

### THOUGHT TWO TOWNS AFIRE

When Tree Fell on High Tension Wires—General News from Bristol

Mrs. E. R. Marich entertained a few friends at cards Wednesday evening in honor of Mr. Marich's birthday. Delicious refreshments were served. Those present included Mr. and Mrs. A. W. Phillips, Mr. and Mrs. S. N. Banks, Mr. and Mrs. H. D. Street, Mr. and Mrs. L. A. Noble, Mrs. James Peters, Miss Doris Peters (East Florenceville), Miss Florence Snow (Woodstock), Misses Zella Wood, Iola McIntosh, Doris Phillips and Eva Price, Messrs. H. Hovey, J. Crocker.

Miss Margaret Black spent the week-end at West Florenceville.

Miss Gladys Perry spent the week-end at her home in Glassville.

Miss Flora Lockhart who has been visiting her grandparents, Mr. and Mrs. Lewis Lockhart, returned this week to her home in Wapeke.

A number of the younger set went on a straw ride Friday evening to the home of Mr. and Mrs. Ansley Lockhart and all enjoyed the candy pull which followed.

S. Darts returned home from Millbrook on Monday. There was great excitement Wednesday at 3:30 o'clock in the morning when in the midst of the raging storm the cries of fire were heard. Bristol believed that East Florenceville was burning while East Florenceville thought the same of Bristol. It was soon discovered that a large tree had fallen across the electric wires midway the two towns, breaking the wires and causing the big blaze, which was really orth seeing. The damage was repaired the next morning.

Mrs. Oakes of Killowean has been visiting her sister, Mrs. Leverett Guisey.

The large crew of N. B. Telephone men who have been working in this vicinity for several months moved to Lakeville on Thursday to do similar work.

Miss Florence Snow of Woodstock spent three days of last week with Mrs. E. R. Marich and returned home accompanied by Mrs. Marich on Saturday.

Miss Snow leaves soon for Boston where she is employed.

### SPECIAL SERVICES AT BAPTIST CHURCH

Good Results are Manifest and the Meetings Continue

The services, last Sunday, at the Hartland United Baptist Church were of a special nature and exceptionally well attended. In the morning the sermon was delivered by Rev. Capt. F. C. Rideout of the United States Army. Capt. Rideout took for his subject "The other Christ," and for more than an hour held the closest attention of his large audience. A duet, "The Old Rugged Cross," by Miss Elizabeth Hayward and Mr. G. E. Knight was specially well rendered.

In the afternoon at the close of the Sunday School, a men's meeting was held in the auditorium. The pastor asked for a hundred men, and much to the delight of all more than a hundred assembled and enjoyed a most inspiring service. The address of the afternoon was delivered by Mr. G. E. Knight on the subject, "What will the Harvest be?" Mr. Knight is a clear, forceful speaker, and because of his wide experience with men was able to hold the undivided attention of his audience to the end of his inspiring address.

In the evening the pastor, G. F. Bolster preached on the subject, "Lost." The congregation that assembled was one of the largest ever seen in the church. The duet by Miss Hayward and Mr. Knight, and the solo by Mr. Knight were well received by the large audience.

The special meetings which have been in progress for the past two weeks will be continued through this week. Thus far a considerable number have accepted Christ as their Saviour while others have had their spiritual life revived.

Next Sunday the pastor will preach at both the morning and evening services. In the evening the subject will be "Why I believe in and practice immersion." At the close of the evening service the ordinance of baptism will be administered.

Today dealers are paying \$1.50 for potatoes; \$1.10 for hay; 40 cents for oats; 40 cents for eggs; 35 cents for butter. Farmers and all of us are delighted with the advancing prices of potatoes.

#### Five City Blocks

Moir's plants in the centre of the city of Halifax are all heated by a central heating system, the steam being carried by underground conduits over an area covering five blocks. Other plants in other sections of the city have their own heating systems.

More than one clergyman

gives in his recipe for domestic happiness, directions to the husband to bring home chocolates to his wife just as he did before he was married.

But then—man likes Moir's Chocolates so well that there might be a row over the division, unless one arranged to take one layer, the other the second.

## "I could not walk"

Headaches, dizzy spells, pains in the back, swelling of feet and ankles, suppressed, scalding or painful urination—these are all indications of kidney trouble. Read how Gin Pills relieved one sufferer:

"I am seventy-eight years old and have suffered from kidney trouble for over two years. I had swollen feet and hands, sleeplessness and dizziness so that I could not walk. I began taking Gin Pills and now the swelling has left and I do not have any dizziness, and sleep well. I can recommend Gin Pills."

(Signed) Esther J. Odell.

Gin Pills will relieve you, too. Order a fifty-cent box from your druggist to-day.

National Drug & Chemical Co. of Canada, Limited, Toronto, Ontario.

Gin Pills in U.S.A. are the same as Gin Pills in Canada.

## EDMUNDSTON BOARD OF TRADE

The following is the report of the Secretary of the Board of Trade for the year 1923, given at meeting on Jan. 9, 1924:

To the President and Members of the Edmundston Board of Trade, Gentlemen:

As Secretary of the Board of Trade I beg to submit the second annual report showing operations for the past year.

Your Board is now in the third year of its existence with a total membership of sixty-three. During the course of last year we have lost one member by death, Mr. Jos. Michaud who was one of our leading merchants and a most respected citizen. Twelve other members have dropped their membership for various reasons, but to offset this loss we have added fourteen new members to our ranks, so that our membership is about the same as last year, namely, sixty-four, a net increase of one member during the course of the year.

**MEETINGS**—During the last year eight meetings have been held, and I am pleased to state that the attendance has been comparatively good. Those who have taken the trouble of attending our various meetings deserve credit and congratulations for their interest in local affairs and the good work they have done. Your Board has endeavored to further the interests of our town in many respects, and it is a pleasure to note that its efforts have met with some degree of success.

**GRAND FALLS POWER**—This very important question was first brought up at our last Annual Meeting, January 10th, 1923. Copy of a resolution which had been adopted at the Madawaska County Council was submitted, and after considerable discussion, the question was enthusiastically endorsed by our Board. A similar resolution was drafted and voted by the meeting, and delegates were at once appointed to represent the Board of Trade at the interview with the Provincial Government which took place at a later date during the session.

At a later meeting, in February, the question received more particular attention and a special meeting of the Board was held in order to go into the matter more fully. As a result of that meeting we got in touch with nearly all the Boards of Trade and Municipalities in the central and northern part of the province; our President, Dr. Laporte, sent to each one of the above, namely, through Mayors of towns and municipalities and Presidents and Secretaries of Boards of Trade, and also the heads of some large concerns, a personal letter in which was outlined in a very able manner the advantages to be derived by our province at large through the development of the Grand Falls power. Your Secretary received from all the parties interested in the question a lot of correspondence, and it was a pleasure to note that the movement which had been so wisely started received an immediate and hearty endorsement from all those who had been approached.

The Grand Falls Board of Trade having started a somewhat similar movement arrangements were made with them, and we worked in conjunction with our friends from Grand Falls in order to broadcast the question and arouse public interest. The papers of the province started to give publicity to the Grand Falls power question and

we had the opportunity of gathering therefrom a lot of valuable information. Finally, a joint meeting of delegates from County and Municipal Councils and Boards of Trade from several parts of the province was arranged to meet the government during the course of last session, and an interview took place with Premier Veniot and his cabinet. The question seems to have received very favorable consideration on the part of the government at that time, and although no promises were made, the different delegates returned with the impression that the agreement existing between the government and the International Paper Company would not be renewed. Some time after this it was with a feeling of pleasure and relief that we learned the Provincial Government had resumed its rights over the Grand Falls power. The people of the province thereafter got assurances that the Grand Falls power would be developed if it was shown that the enterprise could be self-supporting, and become a paying proposition.

With this end in view the government made surveys and it was shown that the amount of power could be developed from the Grand Falls was about 150,000 h.p. Mr. C. O. Foss, Chief Engineer of the New Brunswick Electric Power Commission was sent around the province, and the different towns and municipalities were invited to sign contracts for the purchase of electricity at cost. Our town Council following a petition signed by a large number of the leading citizens and taxpayers, and a resolution passed by our Board at its meeting of March 7th, 1923, signed an agreement for the purchase of 5000 h.p., several other towns and municipalities in the province entering into a similar agreement, as well as a few large corporations. We have information to date that enough power has been sold to warrant the development of the Grand Falls power, but although almost a year has elapsed since the government was approached on the question we are yet to know when this mighty power will be developed.

On December 5th last a telegram was sent by your Secretary to one of the government ministers while the cabinet was in session at St. John, N. B., asking if the government had received report from the engineers or made any decision regarding the Grand Falls power. The reply was No. We have since learned that the expert engineers who are working on the development of Grand Falls power have not yet made their report. There is no doubt that this very important matter is receiving the attention it so justly deserves, and although the development of the Grand Falls power may look to some people as a dream of the future, the work which has been done by our Board and all other parties interested should not be lost. It is to be hoped that the people of this province will never give up his question until we see the mighty Grand Falls power distributing electric energy throughout the province, thus contributing materially and to a large extent towards its advancement and industrial development.

**FIRE INSURANCE RATES**—As our members are well aware our town was subject since a couple of years to a 50 cent sur-charge on mercantile insurance risks. This sur-charge was in the way of a penalty imposed upon Edmundston on account of certain deficiencies in the electric wiring and lack of an adequate fire protection system. The joint efforts of the Town Council and Board of Trade were united in order to induce the New Brunswick Board of Fire Underwriters to take off that 50 cents surcharge. Mr. Ellsworth, Engineer of the N. B. Board of Fire Underwriters, was sent here on one or two occasions and had interviews with the Town Council and Board of Trade. The electric wiring was thoroughly inspected, deficiencies were found were remedied, the fire protection department was improved considerably, thanks to our Mayor and Aldermen, and finally our efforts were rewarded with success. On January 10th of last year while our Board was in session a telegram was received from the Honorable J. E. Michaud, who was then in St. John, informing us that the Board of Fire Underwriters had decided to take off the surcharge. This was good news indeed which have since meant to our merchants (and the proprietors of mercantile establishments) the saving of several hundred dollars in fire insurance premiums. This shows that with proper efforts we can always obtain what we have a right to fight for.

The Town Council is also to be complimented on the installation of an improved fire alarm which has been in operation for a few months and is giving much satisfaction. Together with the other improvements which have been made our fire protection department is in good shape and there is no reason why our insurance rates should be increased in the future.

**SMOKER**—On February 5th, 1923, we held a smoker in Mr. Jos. Telfer's new hotel, "The New Edmundston Hotel," and gave our former secretary, Mr. W. R. Belyea, a little send-off

party, he being presented with a beautiful traveling bag given by his fellow members of the Board as a token of their appreciation for his untiring efforts and good fellowship. Mr. Belyea having played no small part in the organization of our Board, and having at all times shown more than ordinary interest into the welfare and development of Edmundston, his departure was considered as a loss to our Board and the town as well. Some of the questions discussed during the term of office, and I might say that on account of this he also deserves some of the credit for the work we have done during the course of last year.

**BAND, STAND AND COUNTRY MARKET**—At one of our meetings it was mentioned that the town intended to erect a band stand for the use of Edmundston Harmony and also for the purpose of allowing them to give concerts during the summer season. This was heartily endorsed by our Board and we are now pleased to see that a nice band stand has been erected in a conspicuous place on the town's land facing the post office. The lower part of the stand contains a well finished room large enough for the use of our bandmen in holding their practices and meetings. The Town Council deserve the people's appreciation and thanks for having fulfilled a desire which was dear to the hearts of our bandmen who were practically without a location, notwithstanding the fact that the premises can also be used for other purposes as well, the vacant ground around allowing ample space for holding meetings, etc.

The question of a country market was also brought to our attention about a year ago, it being, I believe, a suggestion of our former Secretary, Mr. Belyea. Our board at once took some interest into the matter and suggested to the Town Council that arrangements should be made for the building of a country market in a suitable location, so as to allow the farmers to sell their products there on certain days in the week instead of having to peddle them all around town. Our town council has not yet seen fit to act upon this matter, and as the question has never received a special study on the part of our Board, and also considering the fact that there are only three country markets in the province, namely, St. John, Fredericton and Moncton, it would seem that our civic authorities are rather doubtful as to the ultimate success of this enterprise. There is no doubt that the question could be parties interested, and if it was shown that a country market would be to

the best advantage of the consumers and not a detriment to our merchants, there is no reason why it should not receive favorable consideration. What is good in one place sometimes is not in another one, depending upon local conditions and the demand for same.

**NEW INDUSTRIES**—Our Board follows its tradition which is to uphold and advance the interests of Edmundston in trying to interest new industries to establish themselves here also has something to show in that direction, although our work so far has not materialized. It is simply a question of time and we are in hopes that some day we shall be accountable for having at least helped in some measure of success to bring what we so much need for the further development of our town, namely, New Industries.

In July last we had the good fortune of meeting a representative of one of the largest lumber firms in the Dominion who was interested in the construction of a crosscutting plant for hardwood railroad ties. Our town and its local advantages seemed to appeal to him, and arrangements were at once made to have this gentleman meet the members of the Board of Trade. After exchanging views and discussing the matter from several viewpoints it was decided that a letter should be sent to that firm outlining the numerous advantages offered by this locality for an industry of that kind. A long letter addressed to the head of that firm was at once written by the secretary and handed to their representative the following day.

## LIFE BURDENED BY DYSPEPSIA

Health and Happiness Came With "Fruit-a-lives"

Made From Fruit Juices and Tonics

"Fruit-a-lives" the wonderful medicine made from the juices of apples, oranges, figs and prunes, is one of the greatest means of doing good that this country of ours has ever known.

"Fruit-a-lives" is bringing health to hundreds and hundreds of people who suffer with chronic Constipation, Biliousness and Dyspepsia.

Mr. Frank Hall of Wyndale, Ont., says, "I purchased a box of 'Fruit-a-lives' and began the treatment. My condition improved immediately. The dyspepsia ceased to be the burden of my life as it had been, and I was freed of Constipation."

50c a box, 6 for \$2.50, trial size 25c. At dealers or sent by Fruit-a-lives Limited, Ottawa, Ont.

We understood at the time that some other towns in the province were also seeking to interest the same people, and the matter was given more credence when we learned that actual advance had been already made by some people in a different locality. Nevertheless, we were finally informed that this matter was receiving serious consideration and when time would come to do something our representative the following day.

## WANTED

POTATOES, HAY, PULPWOOD, LATH and LONG LUMBER

WE CAN PAY YOU HIGHEST PRICES

Hatfield & Company, Ltd.  
Hartland, N. B.

## Central Meat Market

## LOCAL AND PERSONAL ITEMS

Rev. H. R. Bell will preach as follows: Centreville 11 a.m.; Lakeville, 8 p.m.; Good Corner 7 p.m.

"Brass" on Wednesday evening was an intricate tale of wedding rings and infidelity. Monte Blue, usually addicted to comedy roles, added new laurels to his list of achievements in the part of the husband, while the disloyal wife was played by Marie Prevost. Thrills and tense situations ran the gamut. The captions were most cleverly handled and the film afforded genuine entertainment with variety.

On Saturday evening Thackeray's "Vanity Fair" was screened and its marked success reflected great credit on the producer Hugo Ballin. His wife Mabel Ballin was most appealing in the principal role of Becky Sharp. George Walsh as the husband was cast in a strong character part, which he portrayed in a most striking fashion, while the entire supporting cast, including Hobart Bosworth, Harrison Ford and others was exceptional. A Harold Lloyd comedy lightened up the program.

On Thursday evening Carleton Lodge F. and A. M. will hold their regular communication when five candidates will be raised to the Master Mason degree. A new carpet has been purchased for the lodge room, and this with new electric lighting fixtures will lend such an air of enchantment and disguise to the place that its members will think they are paying a fraternal visit elsewhere.

Miss Alice Niles returned on Wednesday from a visit at Andover with Mr. and Mrs. J. W. Niles.

Miss Priscilla Wakeling, who is teaching at Royalton, spent the weekend at home.

Mr. and Mrs. Robert Jones of Lakeville were in town on Saturday.

The United Baptist and Methodist denominations of Centreville and Florenceville have just finished a series of special services extending over a period of two weeks. The meetings on the whole were well attended and considerable enthusiasm manifested.

Roy Wildman who is working at Boundary was home over the weekend.

Mr. White, the new express messenger on the C. N. R. has leased the Kennedy House and is occupying it.

Miss Ella Ebbett has taken the school at Tracey Mills for this term. Miss Faye Buchanan and Miss Annie Mackay spent Sunday in Royalton with Mr. and Mrs. W. H. Buchanan.

Cyril Brown and Eric Brown are in St. John.

B. E. Cliff and R. B. Tracey, councillors for Wilmot and Wicklow, respectively, returned from Woodstock on Saturday.

Mr. and Mrs. J. H. C. Kinney and children of Lakeville visited Mr. and Mrs. Harvey Kinney on Thursday.

Harry Patten left on Thursday for Truro, where he met his wife and two children en route from Cape Breton. They returned to Centreville on the Valley Saturday evening.

Mr. and Mrs. Max White of Grand Falls are visiting the latter's parents, Mr. and Mrs. F. K. P. MacKenzie.

The Centreville Roller Mill is a scene of busy activity these days, drawing business from a large radius. This has been materially increased since the fire which put the roller mill at Mars Hill, Me., out of commission.

A. A. H. Margison of East Centreville is showing considerable enterprise in extending the new electric light system out to his home, a distance of two miles.

Charlie Estabrooks has returned from a trip to St. John, where he was the guest of his brother, F. J. Estabrooks.

## PIONEER NEWS

Clifford McWald underwent an operation on Friday for a serious case of appendicitis at his home here. Dr. Wright of Lakeville and Dr. Belyea of Hartland were the attending surgeons.

Stanley Savage is planning to leave this week for Detroit to take up a course of instruction in electrical work.

Rev. H. Miller will conduct a Bible class at the home of Mr. and Mrs. George Prior on Thursday evening, Jan. 24.

Miss Velma Nelson of Charleston, was recently the guest of Mrs. Jane Nelson. Miss Nelson will attend the school at Lakeville for the term beginning January 21, taught by Miss Marjorie Barker.

Our young and eager aspirants after intellectual attainments are under the efficient management of their teacher, Mrs. Albina C. Brooks and are learning that the heights of knowledge are not attained by sudden flight on pathways strewn with roses, but by patient plodding, with sometimes a few briars and thorns along the way to catch their unwary feet.

A word of appreciation of the faithful service rendered by our teachers should be more acceptable than the distorted views of some who magnify molehills into mountains. The writer would prefer to be a booster rather than a knocker.

## Florenceville Facts

The Women's Missionary Aid Society met at the home of Mrs. A. D. McCain on Tuesday. After the work was finished dainty refreshments were served by the hostess.

The young ladies sewing club organized by Miss Inch met with Miss Doris Peters on Friday evening.

Mr. and Mrs. Harley Boyer spent Sunday with Mr. and Mrs. E. W. Saunders at East Florenceville.

Mr. and Mrs. George Perley were guests of Mr. and Mrs. Watts Stickney on Sunday.

Miss Margaret Black of West Glassville was the guest of Miss Florence Nicholson over the weekend.

Claire Boyer and Miss Marjorie Boyer of East Centreville spent Sunday with Mr. and Mrs. Don Boyer.

Mr. and Mrs. Clinton Trafford of Connell were the guests of Mrs. Trafford's aunt, Mrs. Emeline Ebbett, on Sunday.

J. Roy McCain is able to be around again after his accident.

Dr. R. B. Hagerman is among the numbers that has recently had a radio installed. C. N. Boyer was invited to the doctor's on Friday evening to hear a concert, broadcasted from New York.

The many friends of Gene McCain will be pleased to know that he is able to be around the house again.

H. M. Estey visited the lumber camps at Juniper spending the weekend among the tall timbers.

J. W. Peters attended the meeting of the Council at Woodstock last week.

A. D. McCain spent a few days in Woodstock last week.

Mrs. Harley Boyer went to Bath on Monday to spend the week with her mother, Mrs. Annie DeMerchant.

Frank Estabrooks is confined to the house with a cut foot.

## NOTICE OF SALE

To Borden McBerney of the Parish of Wilmot in the County of Carleton and Province of New Brunswick, Farmer, Lydia McBerney, his wife and G. Murray McLeod of the Town of Hartland in the said County and Province, Agent, their Heirs, Executors, Administrators and Assigns, and all others whom it may in any wise concern.

TAKE NOTICE that there will be sold at Public Auction in front of the Post Office on Main Street in the Town of Hartland in the County of Carleton and Province of New Brunswick on Saturday, the ninth day of February in the year of our Lord one thousand nine hundred and twenty-four, at the hour of ten o'clock in the forenoon, the following lands and premises, namely: ALL that certain lot, piece or parcel of land situated, lying and being in the said Parish and County and Province of New Brunswick and described and bounded as follows to wit: Beginning at the south-east corner of land granted to Marcus Palmer, thence in an easterly direction to the Palmer Settlement Road to a cedar stake, thence south nineteen rods to land granted to Caroline Fields, thence west along said line forty six rods to a fence, thence in a northerly direction nineteen rods to the place of beginning five (5) acres more or less, conveyed to said James McLeod by Henry A. Rideout by deed number 46655 dated the 27th of December 1904, and being the same land conveyed to said Borden McBerney by James M. McLeod and wife by deed bearing date the 18th day of January in the year of our Lord one thousand nine hundred and twenty-one.

Together with all the buildings and improvements thereon.

The above sale will be held under and by virtue of a certain Indenture of Mortgage, bearing date the fifteenth day of January A. D. 1921, made between the said Borden McBerney and Lydia McBerney his wife, of the one part, and the said G. Murray McLeod of the other part, registered as Number 66362 in Book 124 of the Carleton County Records on pages 310, 312 and 312, which said Indenture of Mortgage was duly assigned by said G. Murray McLeod to Frederick E. Sayre of the City of St. John in the City and County of St. John in said Province, Lumberman, by Indenture of Assignment bearing date the nineteenth day of January A. D. 1922 and registered as Number 66385 in Book 124 of the said Carleton County Records on page 343, and also under and by virtue of the Property Act of the Province of New Brunswick.

Default having been made in the payment of the moneys thereby secured.

FREDERICK E. SAYRE, Assignee of Mortgage.

HAYWARD & MONTGOMERY, Solicitors for Assignee of Mortgage.

## MAIL CONTRACT

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon on Friday, Dec. 29th, 1923, for the conveyance of His Majesty's Mails, on a proposed Contract for a period not exceeding four years 6 times per week on the route: Hartland Rural Route No. 3, from 1st July, next.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Offices of Hartland, Victoria, and at the office of the District Superintendent of Postal Service, St. John, District Superintendent's Office, Jan. 11, 1924.

H. W. WOODS,  
Asst. District Superintendent of Postal Service.

## There's a Clever Bit of Quality in This Little Piece of Rubber

It's only a nipple—but it's lively, pure, fresh and clean rubber; and it is a serviceable, advantageous need wherever there is a baby. It is fully illustrative of the quality of rubber we sell, little pieces and big pieces for simple needs or surgical requirements.

## The Bigger They Are the More Worthy the Grade

The larger pieces—Hot Water Bottles, Fountain Syringes, Tubes, etc. The bigger they are the more worthy the grade. In the big useable items there must be quality or there is no wear.

You will always find quality rubber here and at the lowest prices.

HARTLAND, N. B., JAN. 23, 1924.

## WOODSTOCK'S WORRIES

The worries of the good people of Woodstock should surely not worry The Observer, but we cannot refrain making comment briefly. Readers of Woodstock papers would judge that that town had a real electric power problem, but when a number of citizens are interviewed it is found that it is only an electric "grouch"—not a problem. Woodstock's problem—how to get cheap enough electric energy since the hydro plant was destroyed last April—has been solved by the Carleton Electric Co. But certain parties—we must believe by selfish interest—seem determined that the rates are too high and that therefore the town should not accept power. It is apparent, at the distance of thirteen miles, that certain parties want nothing to do with the Woodstock Power Co., or the Carleton Electric Co. even if these companies supplied current free. Sure there's a nigger in the woodpile somewhere, and the best guess is that the kickers fear that somebody is going to make a dollar and it will not be them.

The rate offered Woodstock is the same offered Hartland and the other towns in the business end of the county, and these towns hailed the day with rejoicing when the current was turned on. And the rates—both for light and power—are as cheap as in Maine, and much cheaper than in Fredericton, Chatham, or in any other Maritime town, save, possibly, in St. John.

Whence, why and wherefore the kick?

It is said Woodstock's industries (!) will be killed by the rate charged and the mighty plans in contemplation to bring new industries will be stillborn. Why, oh! why did not new industries crowd themselves upon Woodstock when, for years up to April 30, they had the cheapest electric power east of the Ottawa River?

There's a nigger in the woodpile some 'eres.

Certain people in Woodstock seem dead sure that a crude oil engine will be the real panacea. It would be a pity—but a lot of fun to onlookers like us—to see 'em try it. We had one in our town—once—and, to quote "B. B.," "nuff sed."

Hartland can also tell Woodstock something about commissions on Fairbanks-Morse engines. Hartland bought one.

## NINE DAYS MORE TO PAY YOUR SUBSCRIPTION AT THE \$1.50 RATE

Early in January we began sending subscribers notices of their due or over due subscriptions, and an additional year at the reduced rate of \$1.50 per year, provided the payment was made before Jan. 20.

We want to take this opportunity of thanking the hundreds who sent in their renewals. Many of them sent also a kind word of appreciation of The Observer which is almost as good as the money.

There are still several hundreds who have paid no attention to the notices sent. This may be for one reason or another other than a desire not to pay at all. We think it is mostly carelessness. Our good nature impels us to extend to Jan. 31 the time for payment, so any Canadian subscriber may still pay up past dues and a year, or a portion of a year, ahead at the rate mentioned in the notice sent. That is, at \$1.50 per year.

The regular price of the paper is \$2.00 per year to Canadian addresses or \$2.50 to those in the States or Great Britain.

After Jan. 31 none who have been notified by our regular statement can take advantage of the \$1.50 offer. Their account will be charged up at \$2.00 a year.

Every subscriber who now or at any time pays his subscription only to date and STOPS his paper must pay the two dollar rate.

Every subscription in arrears for two years or more after Jan. 31 will immediately be left for collection.

## TIMES NOT SO HARD

In sending out more than one thousand notices of past due subscriptions The Observer has been amazed—and, of course, highly pleased—with the result. Remittances have come in more freely, more people have renewed than at any time in the paper's existence. And a striking fact is that every mail has been bringing in many remittances from those two and three years in arrears. These people were asked four to eight times to pay before, but did not, or could not. They paid cheerfully during this week, last week, and the week before; and it indicates that money is more plentiful than for two years or more.

The Observer has nothing to give away, but it gives big value in county news and county and town boosting for only \$1.50 a year, cash in advance. The paper's advertising columns give the best opportunity in the world to reach the thousands of buyers throughout this good county of ours. Space costs more in The Observer than it used to and more than it can be bought for in some other papers. But the price is right and your ad will go to thousands of Carleton home circles, will go to more of them than any other paper on earth can carry it. Every Carletonian who can read reads The Observer.

## The Best Tea

earns the greatest sale.

**"SALADA"**  
 TEA

is rewarded by having the largest sale in North America. Have you tried it?

## EAST FLORENCEVILLE

The week of prayer came to a close on Friday evening. The citizens of East Florenceville and vicinity feel that they have received a great spiritual uplift.

The Women's Institute held a fancy sale and served sandwiches, cakes and tea in Smith's Hall on Saturday evening. A short program of music was rendered. The proceeds amounted to \$35.

B. F. Smith gave a dinner to his Sunday School class on Tuesday evening, after which a splendid radio concert was much enjoyed by all.

Some of the children of the village have been ill with measles. Fortunately the disease is of light type.

C. B. Hunter returned from Pittsfield, Me., where he has been during the past three months. Mr. Hunter is much improved in health and expects to resume his duties in the C. P. R. station here in the near future.

Revs. Bell and Miller of Centreville were guests of Mr. and Mrs. D. R. Chowen on Tuesday. On Friday they were guests of Mr. and Mrs. Vallis and on Wednesday Mr. and Mrs. Bell were entertained at the home of Mr. and Mrs. Roland Semple.

The wind storm of last week did some damage to the electric light poles, which hindered the use of the lights for one evening. The damage was repaired the following day.

Rev. Mr. Wasson of Bath spoke in the Methodist church on Thursday evening.

The ladies of the L. O. B. A. are planning an open night to be held in the near future. The lodge is an active one—besides have their hall wired and all in readiness to turn on the electric lights. They have the hall cleaned and painted all through. The ladies are to be congratulated on pledging themselves for the amount of \$100 for the Orphanage fund. They evidently believe that all things can be accomplished through faith and labor.

## Coldstream Notes

The United Baptist sewing circle meets at Mrs. Geo. Nickolson's on Tuesday evening.

Berrian Swim who has been laid up for few days has gone back to the woods.

Our school this term is under the management of Miss Robinson.

Mrs. Bert Shaw and Mrs. George Melvin were visiting at the home of John Swim one day last week.

Mrs. E. B. Estabrooks is gaining from her long illness.

The young folks held a sing at Mrs. Sam Cook's Sunday evening.

Mrs. Rudd Craig and son Richard are visiting friends in Millinocket.

Clayton Lewis who has spent some time in Boston has returned home.

Glad to report that we have Rev. G. F. Bolster with us every two weeks. Will be with us again Jan. 27.

Miss Marion Page entertained a number of her friends one evening last week. All report a good time.

Mrs. John Swim was visiting her sister at Hartland Tuesday of last week.

Earle McQuaine was calling on Percy Swim quite recently.

## GRAND FALLS

Walter Peppers of California spent a few days of last week with his uncle, J. J. Evans.

Harry Sloat was operated on for appendicitis Thursday. He is doing well.

F. W. Olmstead returned from a business trip to Halifax Saturday.

The Ladies Aid met at the home of Mrs. J. E. Andrews Thursday evening.

The officers for the year were elected and plans were made for the season's work. Refreshments were served.

Mrs. Angus McLeod entertained her friends at a very pleasant tea party Wednesday afternoon and evening.

Mr. and Mrs. Max White went to Centreville Saturday.

Miss Gladys Warnock expects to leave next week for Flushing, N. Y., where she will train for a nurse.

Mr. Waugh of Andover was a business visitor in town last week.

Miss McQuinn of Andover visited friends in town a few days last week.

Mrs. Mochler spent the week-end in Edmundston with her friend, Mrs. Thomas Hoyt.

## OBITUARY

The death of Edith Day occurred on Jan. 15 at the home of her sister, Mrs. Henry Nevers, after a short illness of pneumonia. She was 53 years old and professed religion a number of years ago under the labors of Rev. D. B. Brooks, uniting with the Primitive Baptist church of Upper Brighton where she remained a constant faithful member until her death. She leaves to mourn her loss, one brother, Manser Day of Jacksonville, and three sisters, Mrs. Frederick Clifford of Millinocket, Me., Mrs. Thomas Robertson of Augusta, Me., and Mrs. Henry Nevers of Upper Brighton, with whom she died. The funeral was held on Thursday at the P. B. church conducted by Rev. P. J. Quigg assisted by Rev. J.

M. Mallory and Llc. Wellington Shaw, with interment in the cemetery near 95.

## FIELDING

Gordon Broker's baby is seriously ill of pneumonia. Dr. Somerville is the attending physician.

Sawing and hauling pulp seems the order of the day. Several farmers are very busy in this line. Pulp is a cash product although the remuneration is small. The price is low but farmers have to depend on something beside what they raise on the land.

Mr. and Mrs. Robert Lovely of Gordonville were recent visitors in Fielding.

Mrs. David Miller was suddenly called to St. John last week on account of the serious condition of her husband. But we are glad to report that he is somewhat better at present writing.

Jack Bell, one of our soldier boys, recently returned from St. John being there for medical treatment at the hospital.

Ernest Perkins of Millinocket spent the holidays with his parents here.

Vital statistics include the birth of a daughter to Mr. and Mrs. Jose Brooker—Myrtle May.

Rev. Mr. Kierstead of Centreville conducted religious service at the Pentecostal Mission on Sunday evening last.

## Cards of Thanks

We desire to express our thanks and appreciation of the acts of kindness shown us at the funeral of our father which took place from our home on Thursday.

Mr. and Mrs. W. B. Rideout, Somerville.

We wish to thank the many friends who took the occasion to call on us with hearty good wishes and gifts on the fortieth anniversary of our wedding.

Mr. and Mrs. T. J. Hurley.  
 We wish to express our hearty thanks to our many friends, who so kindly helped us in any way, also for the floral offerings and expressions of sympathy in the recent illness and death of our dear sister.

Mr. and Mrs. Henry Nevers  
 Mr. and Mrs. Manser Day  
 Mrs. Thomas Robertson  
 Mrs. Fred Clifford.

We wish to express our gratitude to the citizens of the town and surrounding community for the many acts of kindness and sympathy shown during the illness and death of our loved one. We shall never forget.

Mrs. D. B. Morgan and Family.

## IN MEMORIAM

In memory of Stanley C. Street, who departed this life Jan. 25, 1922.  
 Wife and Family.

## THE HALIFAX LEADER

This paper beats 'em all'. It consists of a beautiful rotogravure section depicting Maritime Province scenes chiefly, an eight page funny section maritime and general news section besides the big magazine section. The paper sells for ten cents a copy. Smart boys can make a good weekly income. For all particulars and samples write to

THE OBSERVER, LTD., HARTLAND, N. B.

In writing state age, and general qualifications, and how many copies you want to start with.

## WANTED!

A Business Man or Firm who will take over either by rental or purchase the best Business Stand in Carleton County, facing the St. John river bridge over which thousands of automobiles pass every season. The building is of concrete blocks 28x84. Basement full size, 10ft. in the clear. Store same size, 12 ft. ceiling. Can be divided into three or more places of business, or better still used as wholesale and retail Flour and Feed, Fruit and Confectionery, Hardware and Auto Supplies. Contains three entrances, also hand elevator, lighted by Hydro light. Town Watered. For further information write or call and see

F. HAGERMAN, Hartland, N. B.

### LOCAL NEWS AND PERSONAL ITEMS

The Observer asks every reader to help make this page interesting by contributing any local news or personal items that may be of interest to the community. Don't hesitate to send personal news items and your family, we want them all. Don't blame the editor if what you report is not of interest. Anything in the nature of advertising appearing in these columns must be paid for at the rate of 4 cents a line. This applies to Cards of Thanks, Announcements of Marriages or Societies, For Sale, Wanted, Lost, Found, etc. Charged items will be 10 cents a line. Better send the money with the item, counting six words as a line. No advertisement less than 20.

Miss Ella Dickinson has been rather seriously ill.

H. W. Spinney of South Knowlesville, was in Hartland on Monday.

Twenty-five below zero on Tuesday morning is the winter's low record so far.

Born to Mr. and Mrs. Malcolm McKenzie on Jan. 7, a son—Willard Charles.

Miss Noleen Hannon spent the week-end with her sister in Woodstock.

Dan Blackie has bought the Darkis farm at East Florenceville and will move up in the spring.

Miss Margaret McLaughlin returned last week from a visit with her brother and sister in Houston.

H. Carr, formerly employed at the C. F. R. office here, now at Perth, was a week-end visitor in town.

Burt Sipprell of Somerville has been on a visit to his brothers at Hanover.

A few days ago Clayton Craig underwent a surgical operation at the home of Mrs. P. C. Barter. Dr. Belyea was the surgeon.

Time for renewing subscriptions to The Observer, and for paying up past years at \$1.50 per year has been extended to the end of the month.

M. F. Fielding, representing the Halifax Leader, was here on business with The Observer office on Monday. While here he was a guest at the Riverside.

Miss Marion Donkin left on Monday to join her parents who moved to Fairville a short time ago. For some time she has been the efficient night operator at the N. B. Telephone office.

At the residence of the bride, Charleston, Jan. 9, by Rev. G. A. Gibson, Mr. Charles DeLong of Wilmet and Mrs. Nettie Walton of Charleston were married.

The great Saturday Evening Post story done into thrilling pictures, and photographed within 60 miles of Hartland! See "Backbone" at Hartland Thursday, Bath on Friday, Centreville on Saturday.

The picture to be shown at Hartland tomorrow evening, at Bath on Friday and at Centreville on Saturday is of intense local interest since the scene is laid at St. Croix, only a few miles from McAdam.

Very many of the subscribers who during the past week or two have renounced for one or more years are paid up only until next February or March. About next April we shall send out notices again and there will be hundreds of subscribers who paid this month but will again receive notices for the current year and they must not be offended. We can send The Observer for the special rate of \$1.50 only when it is paid strictly in advance, otherwise, the rate is \$2.00 a year.

On Jan. 9 a son was born to Mr. and Mrs. Fred Hemphill.

Thomas Emery of Centreville was in town on Wednesday.

Warren Rideout is seriously ill at his home at Somerville.

Mrs. Anson Boyer of Bristol was a caller at The Observer office on Thursday.

Harry E. Whitman of Canso has been a guest of his sister, Mrs. G. W. Birmingham.

On Friday evening Mrs. William McPherson pleasantly entertained a few friends at her home.

Miss Edna Shaw expects to leave next week to spend the remainder of the winter in Oklahoma.

See "Backbone," the St. Croix picture at the Neighborhood Theatre tomorrow night. Don't miss it.

H. N. Boyer sells Sewing Machines, Sewing Machine Oil and Needles to fit any machine. Sent to any address.

Two Cows for sale. Freshen about 10th of February. Price \$50 each, cash. Apply J. M. White, Mainstream, N. B.

The death of Miss Mabel Lloyd took place at Bath, Jan. 15, after a few days illness. She was the daughter of Mrs. Charles Lloyd and leaves to mourn, mother and five children. Rev. G. A. Gibson attended the service.

A patron of The Observer Printing Department writes: "We are very much pleased with the work you did on the Bonds and shall be very glad indeed to recommend your work at any time."

"An apple a day keeps the doctor away." Those luscious Nova Scotia apples—20 different kinds all good—are still for sale by the barrel or cartload on any quantity. Apply Farmers' Store at A. R. Sipprell.

Rev. A. J. Prosser, a former pastor of the old P. C. Baptist church here, later stationed in the west, and presently at Bridgetown, N. S., is leaving the ministry, temporarily at least, to engage in social service work.

Tomorrow Miss Agnes Belyea and Weldon Ward will depart for California. Miss Belyea will go immediately to Detroit where she will join Miss Sara MacMullin, who went there a few weeks ago and will finish her journey to the land of sunshine with her.

On Monday a letter from Mrs. J. Byron Tarney of Manchester, N. H., informed The Observer that she, a near victim of tuberculosis, has had a remarkable cure through a new discovery, which, as near as the editor can determine, is the use of distilled, purified, refined sunshine, with her heat pulled out. Mrs. Tarney was formerly Miss Lu VanWart, daughter of the late Rev. T. S. VanWart, and her many Carleton county friends will hear of her recovery with rejoicing.

J. Burton Taylor was a recent visitor in Fredericton and St. John.

If there is anything in furniture, we have it. Keith & Plummer, Ltd.

The full report of Carleton Co. Council will be given in The Observer next week.

Go to Carr's for fresh finnan haddies, pork sausages, bacon, ham, lard, etc.

While skating the other evening Gilbert Hatfield sprained his knee very painfully.

We are agents for Knechtel furniture, Simmons Beds and Furnishings. Keith & Plummer, Ltd.

See our new catalogue and prices of Knechtel Furniture Co. and Klug Bros. Keith & Plummer, Ltd.

A Bargain in a Heavy Set of Logging Sleds, for a quick buyer. C. M. Sherwood Ltd., Centreville.

Mr. and Mrs. Edgar Carpenter visited their daughter, Mrs. Ernest Culbertson of Jacksonville on Friday.

Mrs. J. A. Carpenter, Mrs. Frank Carpenter and daughter, Anna of Bloomfield, and Leighton Carpenter of Walkerville, Ontario, are visiting Mr. and Mrs. Edgar Carpenter.

If you need a range get in touch with Boyer and ascertain how you can get one of the best ranges obtainable and save dollars for yourself. A few good used ranges at bargain prices to clear.

Rev. J. W. McConnell, B. A., Superintendent of Methodist Missions, will visit the Florenceville Circuit on Sunday, Jan. 27 and preach at Summerfield at 11 a.m., Bath 3 p.m. and East Florenceville 7.30 p.m. On Monday evening, Jan. 28, he will preach at Wicklow at 8 o'clock. All are cordially invited to hear this noted speaker.

One evening last week a number of Miss Agnes Belyea's friends assembled at her home and spent an enjoyable evening in games and singing and then Herbert Boyer, on behalf of those assembled, presented Miss Belyea with a writing portfolio, leather bound.

Those present were: Rev. and Mrs. Lester, Mr. and Mrs. Ziba Orser, Mr. and Mrs. Arthur Baird, Mrs. George McLaughlin, Mrs. William Albright, Mr. and Mrs. H. N. Boyer, Mrs. Phoebe Shaw, Mrs. William Cummings, Mrs. Woodburn McIsaac, Helen Lester, Alice Ward, Pearl Thornton, Margaret Nixon and Hastings Golding. After a delightful evening and refreshments the party broke up. Miss Belyea is tomorrow leaving for California.

Notice of Sale  
To Edward T. Carle of the Town of Hartland in the County of Carleton and Province of New Brunswick, Hotelman and Ruth Carle, his wife, of the said Town of Hartland, their Heirs, Executors, Administrators and Assigns, and all others whom it may in any wise concern:

TAKE NOTICE that there will be sold at Public Auction in front of the Post Office on Main Street in the said Town of Hartland, in the said County of Carleton and Province of New Brunswick on Saturday the twenty-ninth day of March in the year of our Lord one thousand nine hundred and twenty-four, at the hour of two o'clock in the afternoon the following lands and premises, namely: ALL that certain lot, piece or parcel of land and premises situate, lying and being in the said Town of Hartland, and bounded and described as follows, to wit:

Beginning at a point on the eastern side of Brighton Street where the northern line of a lot of land owned by one John T. G. Carr meets that street; thence northerly along the eastern side of said street sixty (60) feet to the southern side of a lot of land belonging to the Farmers' Telephone Company; thence easterly along the southern side of said Farmers' Telephone Company's lot to the western side of lands owned and occupied by W. D. Keith; thence southerly along the western side of said Keith lot to the northern side of lands owned by John T. G. Carr; thence westerly along the northern boundary of said Carr lands to the place of beginning, and being the same lands conveyed to Coley A. Craig to said Edward T. Carle by deed.

Together with all the buildings and improvements thereon.

The above sale will be held under and by virtue of a certain Indenture of Mortgage, bearing date the second day of May A. D. 1921, made between the said Edward T. Carle, of the one part, and Kenneth W. Keith, of the other part, registered as Number 65877 in Book 128, of the Carleton County Records on pages 189 and 190, and also by virtue of the Property Act of the Province of New Brunswick.

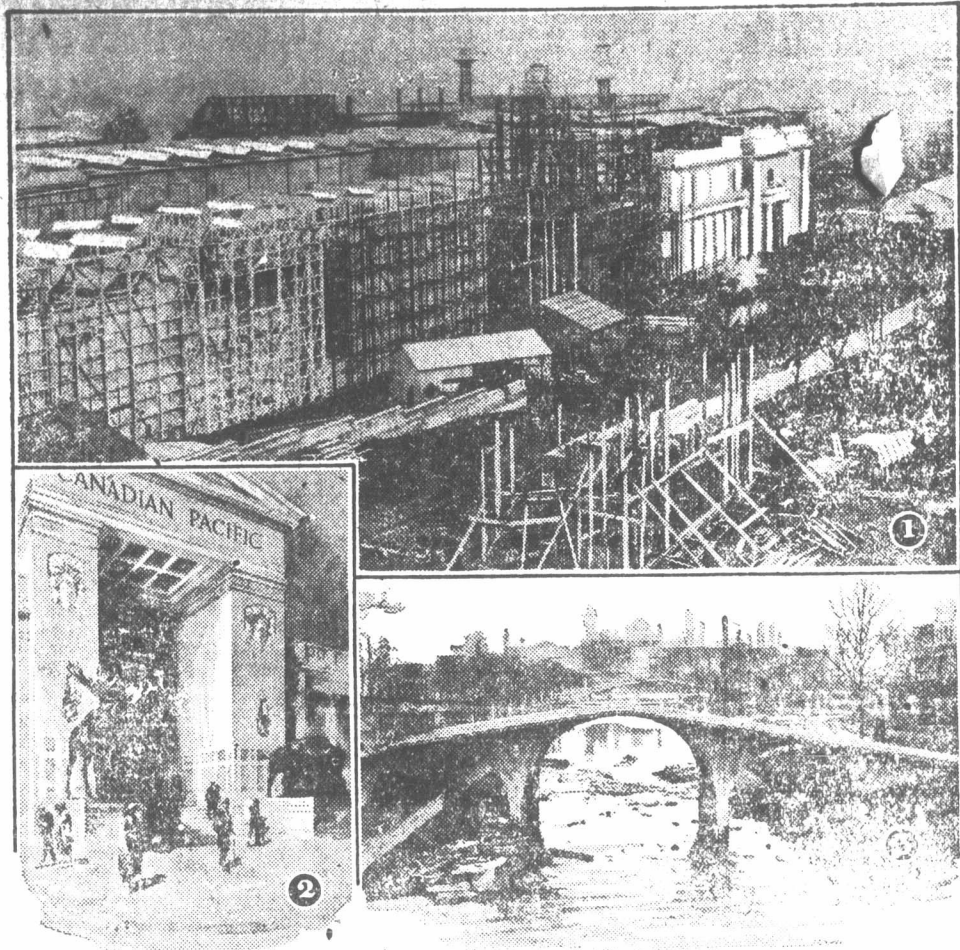

Default having been made in the payment of the moneys thereby secured.

(Sgd.) KENNETH W. KEITH, Mortgagee.

Hayward & Montgomery, Solicitors for Mortgagee.

FOR SALE  
One second hand pump. A good pump at a reasonable price 30-1. HENRY L. YORK.

## Canada at British Empire Exhibition

(1) The Canadian Pavilion with the towers of the Indian building in the background. (2) Entrance to the Canadian Pacific building. (3) Showing the progress made in the building of bridges and laces with the Malaya Pavilion in the background.

Showing the Canadian Pavilion, at Wembley, under course of construction. As portions of the Canadian space allotment have been given over to the two great railway systems, the building which will house the Government exhibits will be somewhat smaller than those of other Dominions, but a great deal of time and money has been spent on its design and decoration, with the result that it promises to be the gem of the British Empire Exhibition. The photograph shows the progress made up to the end of December.

Inset is shown the entrance to the Canadian Pacific pavilion. This building is grouped with the Canadian Government pavilion with which it has been designed to harmonize. A massive simple entrance, we stories high,

deeply recessed with painted and coffered ceiling, richly colored doors and grilles of Canadian wood, approached by a broad flight of steps flanked on either side by a bronze moose and buffalo, is the centre of a facade enriched with decorated panels and columns. The striking color scheme of this entrance is emphasized at night by a unique lighting effect.

A visitor to the Canadian building will find displayed to good advantage examples of all Canadian forest and manufactured products, and agricultural exhibits which cannot but impress him with the magnitude of the resources of this Dominion and the vast opportunities which await the immigrant and settler.

### FROZEN TO DEATH IN AROOSTOOK CO.

Caribou, Jan. 20—Dr. S. W. Boone of Presque Isle, medical examiner for Aroostook county, after an investigation, has given a decision that Nels Norberg of Jemphland came to his death as the result of freezing. The body of Norberg was found Thursday afternoon in his little house covered by bed clothing. Norberg, who was a man about 60 years of age, lived the life of a recluse and so his death was not earlier discovered, although he had apparently been dead for about two weeks.

There were no signs of foul play and the officers decided that Norberg was frozen to death. He leaves no relatives except a brother, Sven Norberg of Brockton, Mass., who has been notified.

### 100 MEN WANTED

\$8 to \$10 Per Day

We want 100 men quick, who are mechanically inclined, to qualify to hold positions at above wage, as auto mechanics, engineers, electrical experts, truck drivers, chauffeurs, salesmen, tire welders and battery men. We guarantee to train you until our Free Employment Department places you in a position. Write quick for Free Catalogue. Hemphill Auto & Tractor Schools, 163 King St. W. Toronto.

### EDMUNDSTON BOARD OF TRADE

(Continued from page 2)

chances of obtaining that industry were just as good as any other locality. Some of our local people as well as our Board seem to be deeply interested in this proposed enterprise which, as far as we know, depends upon the future outcome of the hardwood production in our district.

Our Board of Trade having decided to study more closely the lumber situation in this region we are now in possession of information showing the lumber reserve in New Brunswick, and a special report is going to be prepared for Edmundston showing the hardwood reserve within a certain radius of Edmundston, shipping facilities, distance of haulage, kinds of wood, etc. A committee has been appointed with instructions to go into the matter and make special study of the question. We hope that the information they will collect will be useful to us at some future time.

**RAILWAY MATTERS**—During the course of last year there was a considerable amount of unrest among railroad employees and the public owing to the fact that the two fast freight trains running on the C. N. R. between Moncton and Lévis had been taken off, thus laying off quite a number of employees. Our federal and local members, Town Council and Board of Trade together with C. N. R. superintendent, Mr. Griffin, at once took a hand in the question and made efforts in order to get these two trains back into service. As a result of their endeavors the service of these two trains was soon after resumed and same have been running ever since, which means more steady employment to our railroad men and more traffic going through Edmundston.

**LOCAL FREIGHT QUESTIONS**—This was also taken care of and pressure made upon railway authorities for an increase of traffic over the C. N. R. division of Edmundston. We think that our request has received favorable consideration since the running of trains has continued steadily, and no slack periods being encountered since the regular fast freight trains were put back into service.

**SIR HENRY THORNTON'S VISIT**—Our town was fortunate in receiving the visit of the head of the Canadian National Railways, Sir Henry Thornton, who came to Edmundston during the course of October last. A joint delegation of the Town Council including Mayor and Aldermen and representatives of the Board of Trade met Sir Henry upon his arrival in town. Our distinguished visitor was taken around and shown our progressive little town, visited the Fraser Companies paper and pulp mill, and was shown the different places of interest in the locality.

Advantages was taken of Sir Henry Thornton's visit to impress upon him our needs in railway matters, including increased traffic, passenger service, and the splendid advantages offered by the Edmundston division for a larger amount of traffic. A request was also made to have a daily train service between Edmundston and Quebec, and we are now pleased to see that our wishes have been granted in so much as the trains are now running, if not daily, at least during day time between Edmundston and Quebec, as owing to the last change which took effect January 6th there is now a daylight train service which will be very much appreciated by the traveling public.

The Deputy Post Master General was also petitioned to give us a daily mail service over the C. N. R. to Edmundston from Monk instead of leaving the mail car at Monk, but owing to the fact that the trains between Edmundston and Quebec are only running three times a week we presume

it was impossible to grant our request. If it is not always possible to obtain what we demand the results gained so far will show that our work has not been in vain, and we must at least be thankful for the improvements which have been made.

**LORD BYNG'S VISIT**—An event of more than usual interest took place on July 2, 1923, when Lord and Lady Byng paid our little town a visit. Their coming was not only welcome but gave our people the opportunity of seeing the King's representative in Canada and of paying him a tribute of their loyalty and devotion. The reception in which both the Town Council and Board of Trade took a hand by looking after its organization was a most fitting one. Addresses were read by His Worship the Mayor in both French and English, to which His Excellency replied in eloquent terms, and the reception given our Governor General was enthusiastic and very largely attended by people from all parts of the county and nearby places. Our very distinguished visitors were loudly cheered when they boarded their train and took leave of Edmundston after their short but most impressive visit.

**NEW POST OFFICE**—Thanks to the untiring efforts of our popular member at Ottawa, Mr. Pius Michaud, and the backing which he received through his constituents and our different bodies, we are now going to have a new post office. The site has already been chosen, plans made which we had the advantage of seeing, and all we have to hope now is that its construction shall not be delayed. There is no doubt that the new post office building will be such as to be an ornament and a credit to our town, while affording facilities and service for which there is so much need at present.

Under the heading of new industries I should have mentioned that we also tried to interest the Ford Motor Company to consider Edmundston as a prospective location for the building of their branch factory, on which mention had been made in the papers, and which was said would be placed in the eastern provinces. Unfortunately, they were not prepared to consider Edmundston as a prospective location, and we were also informed that there were no grounds for the rumors which had been published in the papers to the effect that they were seeking a factory location in the Eastern Provinces. Under the circumstances we have to be contented with the fact that we have at least tried to do something.

**MAIN HIGHWAY ROAD BETWEEN CAMPBELLTON AND EDMUNDSTON**—This was the last important question placed before the Board for study and consideration, the matter being discussed at our last meeting held December 29. Such an enterprise being within the domain of accomplishment a special inducement is offered to our town by trying to interest the provincial government to build that proposed highway between Edmundston and Campbellton. A committee has been appointed and after receiving their report our Board will no doubt be in a position to give more way to the question.

**NEW PUBLIC BUILDINGS**—Of course, all people know that a new, large and spacious building has been added to our town and I want here to make a special reference to the New Public School. This splendid building which was built by one of our local contractors, Hon. L. A. Duval, does honor to Edmundston while furnishing proper accommodation and a high grade of teaching to our boys and girls.

**EXPANSION AND ADVERTISING OF EDMUNDSTON**—The future of Edmundston's development, and expansion, depends largely upon the development of Hydro electric energy and the bringing of new industries. While we note with interest what has been done so far in connection with the proposed development of the Grand Falls power, the prospects shall be still brighter when the thing has become an accomplished fact, as this will give us more inducements for the establishing of new industries. We need them badly if we do not want to see our town stay as it is. During the last year business seems to have been below par in Edmundston, and we seem to be going through a series of hard times which make a striking comparison with the years of prosperity which we have experienced during and after the war period. While lumber operations seem to be running on a good scale, and wages paid in the woods reasonable, our local trade

## BUCKLEY'S BRONCHITIS MIXTURE

### "SAVED MY LIFE"

Read this true statement:  
"I, Mrs. Clayton, have suffered from Bronchitis for years and found relief only in Buckley's Bronchitis Mixture. I consider this to be a wonderful remedy and wouldn't be without it in the house, and I am firmly convinced that it saved my life."  
Mrs. W. Clayton, 90 Osbridge Ave., Toronto.  
Buckley's is guaranteed to relieve with the very first dose, coughs, colds and bronchitis. Get a bottle at your druggist's today.

W. K. BUCKLEY, LIMITED  
142 MUTUAL ST., TORONTO

seems to suffer more than ever before; a good many people have left the town and migrated to United States where wages are higher and work plentiful. Something should be done to keep our people at home, and while we do not want to be too skeptical regarding the future, it should be now time more than ever before to unite our efforts and concentrate our energies towards the advancement and industrial development of Edmundston. We have facilities offered by few other places, and there is no reason why our town should not continue to develop and expand itself providing we can furnish the right kind of material to do the work. No one can deny that we are now at a standstill and have reached the turning point. Things will go either better or worse, and it dwells upon us to do what should be done in order to improve our local conditions. Our body can contribute largely to the future progress of Edmundston, and there is no doubt that with the proper spirit of co-operation prevailing among our public men and different bodies, we shall again witness another period of prosperity like the one which has made our town what it is today.

Before closing my report I feel that I should make a special mention of the Edmundston Driving Club which have done no little work in furnishing entertainments to our population with horse races during the course of last summer. They have helped to a large measure to advertise Edmundston, and it is to be hoped that this splendid organization of sport lovers shall continue to flourish and prosper. Anything that will tend to advertise our locality should be taken advantage of as it will contribute to keep Edmundston on the map, as we commonly say.

Having been favored for our deliberations with the use of the Town Council's rooms, which were always graciously placed at our disposal any time they were needed, we owe to our Mayor and Aldermen our appreciation and a vote of thanks for the courtesy extended.

We are also indebted to our two local papers "Le Madawaska" and "The Edmundston Observer" for the space given in their columns in publishing reports of our meetings and other questions in which we were interested. Our thanks are due them for the liberal publicity they have given us.

The past year has given us the opportunity of doing some valuable work, and I wish here to take this occasion of thanking the Officers, Executive and Members of the Board for their valued co-operation during the past year. I am confident that our Board will continue to carry on the good work in such a manner as to make Edmundston one of the most progressive towns in the Maritime Provinces.

Respectfully submitted,  
C. N. BEGIN, Secretary.

### Edmundston Locals

Archibald Fraser is in town this week.

Miss Eva LeBlanc is spending her vacation in Montreal and Ottawa.

Mrs. J. F. McKenzie entertained at two tables of bridge on Saturday. The first prize was won by Mrs. T. L. Landers.

R. D. Murphy of the Fraser Co., Ltd., left last week for Boston, Montreal and other cities.

Mrs. Les Seely held her post-nuptial reception at her residence on Burpee street on Tuesday afternoon from four to six. Mrs. Seely wore a very becoming gown of sea green cotton crepe with fur trimmings. She was assisted in receiving by her sister, Mrs. Rayburn Porter, and Mrs. N. Franchetti. Mrs. L. M. Sherwood acted as usher, and little Miss Rita MacDonald as door girl. The dining table was very charmingly arranged for refreshments, carnations being the predominate flower used. Mrs. Rex Sergeant cut loaves and Miss Helen Murchie poured tea. Mrs. Ralph McDonald and Miss Elva Miller replenished.

The annual congregational meeting of St. Paul's church was held on Wednesday evening in Fraser Hall, the Minister, Rev. John Hardwick,

presiding and T. J. Scott being elected secretary for the meeting. Reports were read from the different organizations of the church, and a very hearty vote of thanks was passed to the Ladies Circle for their aid to the finances of the church during the past year. The minister reported that there was a net gain of seventeen members during the year. The old trustees board was re-elected, viz.: Aaron Lawson, A. W. Brebner, Wm. Matheson, J. M. Stevens, M. E. Ames, Archibald Fraser and T. J. Scott. The ladies of the congregation served delicious refreshments at the close of the meeting.

D. H. Vanwart went to St. John on Monday morning.

Miss Rita Inch, superintendent of domestic science for the province is in town.

Mr. and Mrs. Lee Seely entertained at their home informally on Wednesday evening.

We are glad to know that Miss Viva Armbruster is home from hospital and gaining in strength.

We regret to hear that Mrs. C. M. Rideout has been confined to her home on account of sickness.

Our readers attention is called to the announcement in our advertising columns in regard to courses in Vocational Education at the Vocational School here. These courses have been drawn up with great care and should attract a great many people. It is a great thing to have a school of this sort here and it should be liberally supported by adequate numbers taking the courses offered from time to time.

An interesting purchase of property is announced in the sale to T. M. Richards & Son of a very valuable farm at Baker Brook, near the Fraser Company's mills there. The farm comprises two hundred acres with commodious barns, and an all modern dwelling house. In an interview with T. M. Richards this week a representative of the Observer was informed that it was the intention of this firm to use this farm for stock and breeding thoroughbred cattle and horses. Mr. Richards said that they have already a very valuable colt, the dam being Alice Homeland and the sire Wood Cliff King. Both parents of this colt have enviable records, the former 2:18 and the latter 2:09. It means much to agricultural interests to get pure bred stock in a community and the greatest possible success is the wish of everyone in the undertaking of Richards and Son.

### SCHOOL TEACHER PRESENTED WITH HANDSOME GIFT

(Edmundston Observer)

On the afternoon of January 15th, the teaching staff of the Edmundston Schools gathered in the auditorium of the new school to a tea, given in honor of Miss Martine Van Buren Hall.

The gathering was not without its very cheerful side, yet it had an undercurrent of a certain sadness, since those present realized that Miss Hall, who is to be married shortly, is about to leave the services of the Edmundston school. Tea was served after which a handsome gift was presented Miss Hall, accompanied by a flowery, well-worded and to the point address, read eloquently by Mr. Theriault. Miss Hall replied very appropriately in a few well chosen words. Professor Savoie, our principal, then dwelt at length on the many years of valuable service rendered to the public by Miss Hall, and bemoaned the loss of such an efficient and conscientious teacher to the teaching profession.

All present joined in wishing Miss Hall many years yet to come in which to enjoy health and happiness.

### KILBURN NEWS

The Ladies Aid of the Baptist church will meet with Mrs. Ed Drost on the second Wednesday of February.

Rev. G. O. Wasson of Bath took his regular service here on Sunday morning. He came up on Saturday and was entertained at the home of Mr. and Mrs. C. B. Inman.

Mr. and Mrs. J. W. Jackson and Alfred, also Mr. and Mrs. Bailey Jackson and little son spent Sunday with Mrs. Jackson's daughter, Mrs. Cook Cox at Kintore.

Mrs. Harvey Bell also Charles Lloyd of Carleton are guests of Mr. and Mrs. Ed Drost.

Mr. and Mrs. Jerry Inman and family also Mr. and Mrs. Ed Drost and son, Mr. and Mrs. C. B. Inman and family and Mr. and Mrs. Wetmore Davidson and family of Perth, Charles Lloyd and Mrs. Harry Bell were callers at Mr. and Mrs. C. B. Inman's of Linville Sunday.

Mrs. C. Delano of Fort Fairfield is the guest of Mrs. T. O. Morehouse.

Friends of Mr. and Mrs. J. Wiley Grant sympathize with them in the loss of their infant daughter on Thursday.

J. Ostly returned to Gulgane last week after spending some time here with his family.

### GREENFIELD

A number from this place attended the entertainment Saturday evening at East Florenceville given by the Women's Institute.

Miss Bernice Kinney spent the week end in Fredericton.

George and Emory Kilpatrick have gone to Juniper for the winter.

Mr. Chouven held service in the Presbyterian church on Sunday last.

Miss Margaret Smith of Bath is spending the winter with her cousin, Mrs. George Kilpatrick.

Jane McCann who has been ill for some time is much improved in health.

Miss Bernice Kinney spent Tuesday last with Mrs. Fred Kilpatrick.

Mr. and Mrs. Casper Holmes spent part of last week in Bristol.

Mr. Ritchie and daughter, Mrs. Harry Kilpatrick, returned recently from Norton, where they have been spending two weeks with relatives there.

Mrs. Charles Colwell is spending a few days with her mother.

Chipman Tompkins of Bath and the Misses Carrie Carle and Helena McCoombs of East Florenceville were guests at Mrs. George Kilpatrick's home on Sunday last.

Miss Lottie Kilpatrick, our teacher, spent the week-end at her home in Greenfield.

The young people of this place have been taking the advantage of the good sliding.

**FIRST**  
of the series dealing with the establishment of the  
Bank of Montreal at representative points in Canada  
and elsewhere

**IN MONTREAL**

**B**EFORE any steamship had crossed the ocean, and before either the locomotive or the telegraph had been invented, nine merchants of Montreal signed articles for the formation of the "Montreal Bank," now the Bank of Montreal. That was on June 23, 1817—more than 106 years ago.

Since that time Montreal has grown from a town of less than 20,000 to a city of more than 800,000 population. The Bank, in continuous and successful operation from those early days down to the present time, has steadily pioneered its way across Canada. Today, through its Head Office and more than 550 Branches, it offers complete banking service—local, national, and international—in every section of the Dominion.

**BANK OF MONTREAL**  
Established over 100 years  
Total Assets in excess of \$650,000,000

**ANDOVER NOTES**

Miss Helen Caldwell of Houlton is the guest of Miss Gertrude Tibbitts. Mrs. Roy Housley entertained a few friends at bridge on Friday evening. Miss Allen Niles of Centerville has been the guest of Mr. and Mrs. J. W. Niles for two weeks. On Wednesday Mrs. Niles entertained at a supper in Miss Niles' honor. Claude Knapp was a visitor at Presque Isle last week. Mrs. H. E. Tibbitts entertained the Presbyterian Sewing Circle Monday evening.

Mrs. J. W. P. Dickson entertained the Perth Women's Institute on Monday evening. The hostesses were Mrs. Dickson, Mrs. Earle and Mrs. Gouge. Several invited guests were present and a guessing contest the order of the evening. Mrs. Spilke won first prize, Mrs. Raymond being second. The next meeting will be held in the Specialty Theatre. The members and their families will spend the evening in games and dancing with music by local orchestras. Harry Wade entertained at a stag party on Friday evening. Mrs. Wade served an excellent course dinner and was aided in the serving by Mrs. Earle and Mrs. Barry Hopkins. On Monday last Mrs. S. P. Waite received word of the death of her brother, Leonard Murphy, of Spokane, Wash. The following Friday word was again received of the death of his wife. Sympathy is extended to Mrs. Waite in her double sorrow. On Wednesday evening a concert was given in the Specialty Theatre under the auspices of the Methodist Church conducted by Rev. E. E. Fyche. A number of Dickens' most popular readings were splendidly impersonated by Rev. Mr. Suter of the Methodist church. Fort, Fairfield. Vocal solos and duets were given by Mrs. (Dr.) Charles McKay and Miss Winifred Fyche. The local orchestra provided music between numbers. The Women's Institute held a pantry sale in the Specialty Saturday afternoon. About \$15 was realized. A pretty wedding took place in the evening of January 16 at 8 o'clock in Four Falls church when Inez Helen Pickard, eldest daughter of Mr. and Mrs. Maurice Pickard of Four Falls was united in marriage to Randolph Jamer, son of J. Warren Jamer of Andover. The ceremony was performed by Rev. A. J. Patstone. The bride was beautifully gowned in white satin, veil and orange blossoms. She was attended by Miss Edith Beveridge of Andover in grey crepe de chine, with rose trimmings and grey picture hat. Humphrey Flemington of Carleton attended the groom. Miss Amber Wiggins very prettily rendered the wedding march. After the ceremony a reception of about fifty guests was held at the bride's home. The young couple are well known and esteemed and many beautiful gifts were received by them. The grooms gift to the bride was a necklace of pearls, to the bridesmaid a bar pin, to the groomsmen gold cuff links. Mrs. Jamer has for several years been a faithful employee of the N. B. Telephone Co. Mr. Jamer, lately of the Bank of Montreal here, but now of Wapke, receives the best wishes of all for the future. They will make their home in Wapke.

**Grain Movement Over The Canadian Pacific Railway**  
Sept. 1 - Dec. 12, 1923

Clickety-click, clickety-click... It is the sound of car wheels passing over the railroad tracks, and you could stand and listen to the same clickety-click for 44 hours on end, if you were to watch that part of the magnificent crop of Canada grown in districts served by the Canadian Pacific railway and moved from the harvest fields by that company. Imagine, if you can, a train 881 miles long, or as far as from Winnipeg to the upper reaches of the Rocky Mountains. That is how many freight cars there would be. But cars alone cannot make a train. There are the engines, as well, and the road has kept in the neighborhood of 670 freight engines tugging grain trains east and west day and night throughout the season and in addition to these there are 171 switch engines employed at terminals. The season, be it understood, is taken as the period from the opening of the Canadian crop year, Sept. 1 to the official close of navigation with regard to shipping insurance on the Great Lakes, which falls Dec. 12.

So much for computation trains. In point of fact however, the longest train which was made up during the season consisted of 125 cars and was approximately 1 mile in length. It was operated from Stoughton to Arcola, Saskatchewan, on October 5th. The weight of the train not including the engine totalled 7,946 tons, of this 5,556 tons being freight. The train handled 135,000 bushels of wheat.

Now during the season, there were 88 days on which cars could be loaded, for Sundays are excluded. During those 88 days there were trains operated on an average every 50 minutes day and night, trains carrying nothing but grain mind you, for passenger traffic and other freight business were conducted at the same time, and on uninterrupted schedules too, be it noted. These trains were on an average 45 cars long.

In all, from Sept. 1 to Dec. 12, 1923, there were marketed in districts served by the Canadian Pacific Railway more than 200,000,000 bushels of all grains the largest quantity ever reported since the inception of the road. Taking the cars loaded as more truly representative of the activities of the company in the matter of grain movement, these have been reported at 116,232 for the period, representing 169,931,184 bushels. Suppose for a moment that all that grain were to be dumped into a river bed 100 feet wide and five feet deep, an 1 that the

new 'river' were able to flow at an average rate for water, say a mile an hour, then he who stood on the bank and had the patience to watch, might pitch his tent and picnic for three and one half days before this stream would be dried up.

A second trip into the land of imagination and one might put mountains in the background, and might make those mountains up of all the grains kernels which had been taken from the freight cars engaged in their transportation. If the grain were heaped up on acre lots of ground, there might well be three mountains, and each one of them would tower 5,000 feet into the heavens. The Canadian Pacific railway station at Lake Louise, one of the highest in the Rocky Mountains, is 5,044 feet above sea level. In the three mountains would be included oats, rye, barley, flax—all the coarse grains commonly grown in the Dominion as well as wheat, but if the latter were to be sorted out and put into mountains by itself, supposing there were still to be three mountains, then each of these would rise 4,200 feet from the ground. Banff itself is only 4,500 feet above the sea.

But after all, wheat is of little use in imaginary rivers or even mountains, however high or picturesque they may be. Let us consider what would happen if all the wheat were made into flour (leaving coarse grains aside) and kneaded up and baked into bread. If this were done there would be approximately 104,700 miles of regulation size, 16 ounce loaves, if they were placed end to end. This tremendous string of loaves would stretch back and forth across Canada, from Montreal to Vancouver on a line. If the loaves were laid side by side and end to end, they would form a solid belt across the Dominion wider than the height of a city lamp post. Again if they were piled in a trans-Canada wall one loaf deep, the height of the wall would be 12 feet.

A particularly interesting feature of the grain movement of the present season according to company officials is the increase which had been reported in the amount of grain sent by Canadian Pacific to Vancouver for export. In all there were 5,332 cars received representing 8,057,784 bushels, or a very large percentage of the total exports from Vancouver which aggregated 8,910,966 bushels to the United Kingdom, and 80,700 mostly to South America. Last season for the corresponding period there were 3,548 cars received at Vancouver and 4,997,019 bushels exported.

**NEPTUNE TO VISIT WORLD CRUISERS**

The certificate as shown above will be issued to all passengers aboard the Empress of Canada who appear before Neptune, as did those passengers on the Empress of France last year, who are shown in pictures 2 and 3.

When to travel upon the sea was to venture in great danger it was usually thought wise by the voyagers to propitiate the god of the waters by making gifts to him before setting sail, and oftentimes, when Neptune displayed his wrath at sea, human sacrifices were made to him. To our superstitious ancestors the son of Saturn and Ops had great power over the waves, especially those of the sea, and had, therefore, in his hands the welfare of all vessels and their human and other freight. The worship of Neptune was early introduced into Rome, and July 23rd, "Neptunalia," was his feast.

As science reduced the terrors of the sea, and education and higher civilization erased the sometimes terrible superstitions from the minds of the world, so the worship of Neptune and sacrifices ceased, but even to this day he is venerated by many Latin and Scandinavian sailors and no ship crosses the equator without some recognition being made of him. Usually this takes the form of a burlesque performance in which those who are making their first "crossing of the line" are initiated into

the mysteries of the deep. The unique photograph reproduced above was taken aboard the Canadian Pacific "Empress of France" while on a "Round the World" cruise last year. Neptune boarded the great liner in the early morning of the day on which the "line" was crossed, and held court. He was attended by the Royal Barber and other high officials who assisted in the initiation ceremony. Most of the passengers were summoned to his august presence and were tried for their misdemeanour, punishment or praise being awarded without favour. Those who produced evidence of having been "initiated" before were, of course, exempt from trial.

This year, when Neptune boards the Empress of Canada, which leaves New York on a Round the World cruise on January 30th, his secretary will issue to all those who pass before the God of the Waters, certificates to that effect, which will be countersigned by Captain S. Robinson, R.N.R., who commands the vessel, and which, besides being valuable souvenirs of the trip, will exempt the holder from further trial.

**Health and Comfort**

AS age advances our wants are not many and with reasonably good health we can enjoy the peaceful period of life in comfort and happiness. But unfortunately there are certain ills which conspire to destroy the pleasure of this time in life and they are usually of a decidedly painful nature.

The kidneys are often the first of the bodily organs to fail. Then the poisonous acids which should be eliminated by the kidneys circulate in the blood and cause backache, rheumatism, lumbago, and the many ailments which make life so miserable. There has, perhaps, never been a medicine so well suited for people of advancing years as Dr. Chase's Kidney-Liver Pills.

This statement is founded on the many thousands of cases reported to us from time to time.

The success of Dr. Chase's Kidney-Liver Pills is due to their direct and specific action on the liver, kidneys and bowels whereby the accumulating poisons are quickly swept from the system and the cause of pains and aches promptly removed. Dr. Chase's Kidney-Liver Pills do not lose their effect on the system as do so many medicines but can be depended on absolutely to bring about the desired results. Used one pill a dose at bedtime as often as is necessary to keep the bowels regular, they relieve indigestion, biliousness and constipation and keep the system in healthful condition.

You will notice that while the price of Dr. Chase's Kidney-Liver Pills has been increased to 35 cents, the box now contains 35 pills instead of 25 as formerly. Likewise the price of Dr. Chase's Nerve Food is now 60 cents a box of 60 pills instead of 50 cents for 50 pills. Edmondson Bates & Co., Ltd., Toronto.

## RECOMMENDS VICKS FOR PLEURISY

### Quebec Mother Thank- ful She Can Now Get Vicks in Canada

Mrs. J. A. Leblond of 114 Rue Galt, Sherbrooke, Quebec, writes: "Vicks Vapo Rub is not a new remedy for us, because we have used it in our family for four or five years. We got it from the United States. This shows you how much we think of it. We are glad to get it here now, for there is nothing better for pleurisy, chest colds, etc."

Here is the last word in treating cold troubles—rub Vicks well in over throat and chest, get into bed and have the coverings loose about the neck. All night long you breathe in the healing vapors of Camphor, Menthol, Eucalyptus, Turpentine, etc. The application also acts like a heating liniment or plaster. Usually colds go in one night and croup is commonly relieved in 15 minutes.

Vicks comes as a salve—the external direct treatment for all cold troubles—absorbed like a liniment and inhaled as a vapor.

Vicks is the ideal treatment for children's cold troubles; it avoids so much internal dosing.

At all drug stores, 50c a jar. For a free test size package write Vicks Chemical Co., 344 St. Paul St., W., Montreal, P. Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.

#### LETTER FROM A DEFEATED CANDIDATE

I wish to thank my friends one and all who supported me in the town election of Jan. 14. Although beaten by a few votes I cannot agree that it was quite a fair vote of the town, for the following reasons:

As I was one of the new candidates I was necessarily in opposition to the old council all remaining in.

Friends, I never asked any man to vote for me, neither did I have any one out working for me, that I know of. And how about the other side? In support of the Old Council H. H. Hatfield used his influence and A. F. Campbell, representing F. E. Sayre, used his influence and double team, also Clifford McQuarrie used his influence and team throughout the day.

Now when you consider these conditions, boys, how would it have been had we been out on even footing?

In writing this I don't want you to get the idea that I am holding ill will toward any of the town council, who have been re-elected, for well do I realize they have their hands full in the coming year, and there is a thankless job at best.

Wishing the new Council all that is good and feeling that we should all work together for the benefit of the home town, I am

HARRY BARTER.

[In the recent by-election for Town Council Harry Barter polled 51 votes instead of 51 as reported last week through typographical error.—Editor]

#### A PERTH DIVORCE CASE

In the divorce court at Fredericton this week one case is of special interest to Observer readers.

Alice Dionne vs. George Dionne, is a defended action. R. B. Hanson, K. C., is proctor. Alleged grounds are cruelty and adultery. The defendant is an hotel keeper of Parish of Perth, Victoria County. The plaintiff prior to marriage was Alice Berry. The two were married at Fort Fairfield, Me., Sept. 26th, 1888 by N. M. Drew, justice of the peace. For twenty years they lived together at Gladwyn, Victoria County, separating in 1922. Five children were born. Those named as respondents are Pearl McLean and Beatrice Hudson. The defendant is alleged to be living with the latter at present.

The defendant files a defence through J. O. & R. F. Hartley giving general denial to the statements in the libel and stating the plaintiff condoned whatever adultery might have occurred.

The Banff Winter Carnival is to be held from February 2nd to 9th, 1924, both dates inclusive, and will run concurrently with the Banff Bonspiel, which will be held from February 4th to 9th, inclusive. A widely varied and attractive program has been arranged, culminating in a Grand Carnival dance, during which the Carnival Queen for 1924 will be announced and crowned.

Among the New Year's honors for 1924 one of the most popular is the award of the C.B.E. by His Majesty the King to Captain S. Robinson, R.N.R., who, it will be recalled, so distinguished himself in command of the Canadian Pacific S.S. "Empress of Australia" during the Japanese disaster and is now commanding the Canadian Pacific S.S. "Empress of Canada" for that vessel's forthcoming world cruise.

## Ancient Island Disappears

A new deluge-drama was revealed recently when a British sea captain sailed for waters which were once held back by Easter Island. With the disappearance of this tiny volcanic speck, emerging out of the lonely Pacific, twenty-three hundred miles off the coast of Chili and fifteen hundred miles removed from the nearest inhabited country, the last dot of an immense continent, with millions of inhabitants, and once, in the remote ages, boasting a great unknown civilization and a brilliant court of an emperor, has vanished.

All of this once mighty land has been engulfed in the ocean, by earthquake, fire and flood. For almost a century and a half, Easter Island has been an enigma to scientists. Its vanished peoples left many strange monuments to their skill. Although warred against by the storms of tens of centuries, these mute memorials preserved much of their original shape. Scientific investigation after scientific investigation has failed to its charming shores in an effort to unravel in riddle of the ages; but the effort was in vain. Just what this story of a buried continent would tell is now lost forever. It has become one of the many mysteries of the Pacific Ocean. In view of the fact that the last trace of an ancient land, which once, it is believed, stretched almost to Asia, has disappeared for all time, it will be interesting to trace its history, so far as we know it.

Since its discovery by Admiral Roggeveen in 1772 this island has been a constant source of stimulation to the minds and activities of archaeologists and to the imaginations of romancers of every description.

For there on the slopes which face the boundless ocean, carved out of the porous rock of which the island is largely composed, stand huge platforms from 20 to 30 feet wide and high and hundreds of feet in length. No cement has been used in their construction; but the blocks of which they are built are perfectly shaped and joined together.

Even more remarkable than these platforms are the great stone statues which surround them, some upright, some overthrown and shattered, some only partly carved. They are enormous images, grotesque human busts, ranging from five feet to 66 feet in height, and looking out over the sea with inscrutable, unseeing eyes.

What ancient race of people produced these remarkable examples of sculpture? Surely not the Polynesians who now dwell on Easter Island, for they have no knowledge of stone carving, and look upon the ancient statues as the handiwork of the gods. This enigma has for several years occupied the attention of two men in particular, Prof. Macmillan Brown, a noted anthropologist, scientific worker, and Mr. Frank Burnett, an archaeologist who has spent the last twenty-five years in the South Seas and South America.

Both have issued statements summarizing their work on the problem, and both have arrived at this amazing conclusion: that the Easter Island remains point unmistakably to a great Pacific continent, to an empire and a civilization which were completely wiped out and submerged under the sea by some vast natural catastrophe.

At least, a vanished empire, civilization wiped out and reposing on the ocean's bottom—it recalls a story first related by the Greek philosopher Plato, who had it from certain Egyptian scientists that 9,000 years before the time of Solon, ancient lawgiver of Athens, there existed a vast country just outside the Strait of Gibraltar, a country whose inhabitants had evolved a perfect form of government, under which every one was content and happy.

The name of this country was Atlantis, and the Atlantean ocean, and subdued all the Mediterranean nations, except Athens. Then came a tremendous cataclysm, and Atlantis, a land as large as Asia Minor and Libya combined, suddenly sank with all its palaces and people, into the ocean now called the Atlantic.

During the twenty-four centuries since Plato's death there has been unceasing speculation concerning the possible form of truth that may have formed the foundation of Plato's story, but nothing can be proved. We have no facts, no remains, only visions such as the submerged city of Atlantis, the tales of the "lost" "Twenty Thousand Leagues Under the Sea."

But the authentic reports of Prof. Brown and Mr. Burnett regarding Easter Island at once seem to translate the old legend not only from the Atlantic to the Pacific, but also from the realm of fancy and romance to the domain of fact and history.

#### Hymn in Court

When the Folkestone, Eng., magistrates refused to license Sunday dancing recently, a number of objectors to Sunday dancing—men, women, children, churchmen and women of all denominations—in the body of the court commenced singing "Praise God from whom all blessings flow." Led by a Baptist deacon they sang the four lines of the Doxology, while the court clerk and police cried "Order, order," before they were ejected.

#### Cost of Honesty

Old England has to pay something for honestly paying her debts to the United States. Taxation (direct and indirect) per head in Great Britain, France and the United States as announced by Mr. Baldwin—United Kingdom, \$79; France, \$28; United States, \$22.

## IN MEMORIAM

In loving memory of Velma M. Peters, who departed this life on August 14, 1923, also Myrtle L. Paquin, who died on January 24, 1919:

Sleep on dear sisters  
And take thy rest;  
We loved you well,  
But Jesus loved you best.  
"Good Night, Good Night."  
Sister, Mrs. Chas. B. Inman.

## Sheriff Sale

NOTICE IS HEREBY GIVEN THAT there will be sold at Public Auction in front of the Post Office in the Town of Hartland on Saturday the fifteenth day of March A. D. 1924 at the hour of two o'clock in the afternoon all the right, title and interest of Everett D. White and Mary A. White, his wife in and to the following lands and premises:

ALL that certain lot, piece or parcel of land situate in the Parish of Brighton, and bounded as follows, to wit: Beginning at a beech tree standing at the most northern angle of lot number 59 granted to James W. Boyer of West Pole Hill, thence running by the magnet of the year 1871, north 44 degrees east 15 chains to a cedar tree, thence south 18 degrees west 105 chains to a cedar tree, thence south 19 degrees west 105 chains to a post, thence north 85 degrees west eleven chains and two links to another post, thence north 19 degrees east 97 chains to the place of beginning, containing 100 acres more or less and distinguished as lot number 28 west of Pole Hill Settlement and further described as being that certain Lot granted by the Crown to the said William McAdam on the 26th of February A. D. 1900 and registered as number 24510 in the Provincial Secretary's office.

ALSO ALL that certain piece and parcel of land lying and being in the Parish of Brighton, in the County of Carleton and bounded as follows, beginning at a post standing on the southwestern angle of T. A. Number 48 granted to John Hegan, thence north 76 degrees east 106 chains to another post, thence south four degrees west 10 chains to a post, thence north 36 degrees west 100 chains to another post, thence north 4 degrees east 10 chains to the place of beginning, containing 100 acres more or less and distinguished as lot number 43 West of the York and Carleton Mining Company track being the same land that was granted to Matthew Grayson, grant bearing date the 23rd day of January A. D. 1874.

ALSO ALL that certain piece of land situate in the Parish of Brighton being a portion of the Foundry Land, so called and bounded as follows: Commencing at the south side of the Pole Hill Road, so called at a cedar stake marked number nine, thence running south 21 1/2 rods to lands formerly owned by Colby Derrah to a stake marked number 7, thence east along line of said Derrah lot 40 rods to a post marked P. S. A. number 20, thence north west twelve rods to the Pole Hill road to a birch tree marked number 40, thence west along said Pole Hill Road forty-six rods to the place of beginning, containing 4 acres more or less.

Together with the buildings and improvements thereon and the privileges and appurtenances thereto appertaining.

The interest of the said Everett D. White and Mary A. White is sold under and by virtue of an execution in my hands against them issued out of the Supreme Court, King's Bench Division.

Dated this tenth day of January A. D. 1924.

ALBION R. POSTER,  
High Sheriff County of Carleton.

## "MISS America" Declares Tanlac Wonderful Health Giving Tonic

Miss Campbell in "Miss America" crown which she has won on two occasions.

Photograph by Atlantic Photo Service.

Miss Mary Katherine Campbell, twice proclaimed "Miss America," has taken TANLAC and endorses it in a statement recently given to the women of America through International Proprietaries, Inc., distributors of this great tonic. In this statement, Miss America declares that Good Health is the basis of all Beauty, and advises women who would be beautiful to "first find good health."

Her complete statement as given is as follows: "I consider it a great privilege to be able to tell the thousands of women everywhere what a great tonic TANLAC is. Health is the basis of all beauty. Without good health, one is apt to be run down, nervous, underweight, high-strung, anemic. Indigestion drives the roses from a woman's cheeks and robs her of that below-

radiant quality of womanhood that is real beauty. "I have taken TANLAC and I do not hesitate to say that it is a wonderful health-giving tonic. It has brought relief and good health to many women and with good health one may have a measure of beauty that will overcome shortcomings in face and figure.

"Rosy cheeks, sparkling eyes, a well-rounded figure, a lovable disposition, go hand in hand with good health. To those searching for beauty, I would say—'First of all, Find Good Health.' The TANLAC treatment has proven itself a boon to womanhood, and I recommend it."

Miss Campbell has written a book, let on Health and Beauty which may be secured by filling out the coupon man's checks and robs her of that below-

#### INTERNATIONAL PROPRIETARIES, INC.
