The Torontos had a clear lead of four runs to nothing at the close of the fourth inning in yesterday's contest with Manager Moto nothing at the close of the fourth inning in yesterday's contest with Manager McArthur's Saginaw-Bay City combination and finally lost the game. The small crowd were put in a good humor when Doc Shepherd was tapped up merrily for four runs in the second. And in the fifth Newman's hit, steal and Connors' single brought another tally. But the visitors' half was to come. Battin lead off. A grounder to short retired him. Zell did likewise. "What a great fielder Ike is?" "They'll never get a run," and such expressions were heard on all sides. Zell got in a double. "O! That's nothing—two out, you know," somebody ventured. Day made another double and a run was in. Hamilton went to first on balls. West hit safely to left and Connors fumbled, and the third run was home. Doyle was hit by pitcher and Shepherd cracked out a two-bagger and run number four was tallied. Nichol sent an ordinary grounder to Ike, who fumbled, and Toronto's score was tied. Toronto had shother bolt and henceforth falled to score. In the seventh singles by West and Shepherd, Nichol's triple and Serad's muff put the visitors out of sight and Toronto took another tumble. Shepherd was hit regularly throughout the game, while Serad was effectively pounded in two innings, and with a few misplays disastrous was the result. Connors played listlessly in left field. Score:
