PREFACE.

THE REAL ESTATE REGISTER with the last number entered upon a new era of its existence. It will hereafter be issued once a month, instead of every other month as hitherto, and a new system of distribution has been adopted, so that the book will reach a larger number of the class of readers that is desired.

Of course the main object of its publication is to advertise properties that are in the market, either for sale or lease, but the method of distribution employed insures its perusal by hundreds of strangers visiting Halifax and intending to make a longer or shorter stay. Dealers—especially retailers—in goods used by a family will therefore find their money by advertising in the REGISTER.

The numbers of each issue will be gratuitously distributed about Halifax, will be placed in the various steamers, packets, and railway lines bound for Halifax, and a portion will be sent to agencies in the United States, Canada and England, where they will do the most good.

A Real Estate Agency is not a new thing in Halifax, but the business has never been systematised as it has by the publisher of the REGISTER. This fact, and the superior facilities for selling and letting properties is becoming understood and appreciated, both by owners of property and desiring purchasers and lessees, as is proved by the rapid growth of the business. Both parties are aware that a property is represented to be just what it is, and that no party dealing with the Agency gains an undue advantage over another.

N. B. The attention of householders and others is called to the various trade advertisements in this REGISTER. The parties are all known to the publisher and persons dealing with them may be assured that they are dealing with parties who are believed to be responsible.

A place that Advertiser is known to the world that which does not is only known to a few who may pass it. This Medium will be found in the Hotels, on the desks of the Wholesale Merchants, the Country Dealers, the Manufacturer and others, and referred to by thousands who personize them.

Sea of enterprise do not take down their signs in dull times—no stop advertising. This Medium is referred to every hour of the day by all classes.

How can you expect to dispose of your goods unless you make known what you have? An advertisement in this Medium will stare everybody in the face for years to come.

NOTICE.

All kinds of Real Estate in Halifax advertised free, and no charge whatever made unless business is done. It must, however, be distinctly understood that for all properties held by me for sale or to let, I am the sole agent, and the regular commission ($2\frac{1}{2}$ per cent. for letting and 1 per cent. for selling on the full amount obtained, unless otherwise agreed) will be charged whether sold by me *personally* or not. Of course, if I have, by advertising the property or by advertising my business, made my office a place of call for those in want of properties for sale or to let, I am entitled to my commission; or if by stating the fact of such property being for sale or to let, and directing attention to it, such property is looked after and sold or let by the proprietor, the result is the same. For obvious reasons it must also be understood that if a property is sold or let within one month after my agency is terminated by the principal in writing I am entitled to the commission. Commission due and payable on completion of contract.

TO BUYERS AND TENANTS.

The terms affixed to the various Properties are, in most cases, the lowest; but as circumstances may arise, tending to induce the owners in some degree to modify their instructions, any reasonable offer will be submitted for consideration.

No expenses are at any time payable by parties renting or purchasing Houses, &c., through this agency, excepting A DEPOSIT OF ONE DOLLAR as a guarantee of good faith, which will be returned on a transaction being consummated.

Full information and particulars of all Properties contained in this REGISTER can be obtained at the office, and also information of the various changes that may occur between the issues.

I should be obliged if all owners of Farms for sale throughout the Dominion will send me full particulars for my next issue, which will be largely circulated in Great Britain. Advices must be received on or before the 15th of next month. A charge of \$3 is made for registering and advertising properties in the country. Special terms for commission will be made with owners of Real Estate outside of Halifax.
