PROCESS ENGRAVING.

SAMPLE OF ENGRAVING FROM PEN AND INK SKETCH.

We desire to draw your attention to our improved methods of producing relief Plates from mechanical Drawings, Tracings, Maps, Pen and Ink Sketches, Engravings, etc., etc.

By our process, these plates are made direct, on hard metal, and can be used on any ordinary Printing Press.

The metal being very hard, they are very economical in wear, and capable of producing almost an unlimited number of impressions.

We would likewise draw your attention to our Wax Engravings, which are very suitable for the higher grades of diagram and map work. From this class of engraving we supply Electrotypes.

Our prices are reasonable and can be had on application.

We are prepared to undertake the designing and illustrating of all classes of work.

Orders from the country will receive our immediate attention.

TELEPHONE 91 and you will be waited on without delay

DOMINION LINE

Royal Mail

STEAMSHIPS.

Sailing between Quebec and Liverpool in Summer, and Portland, Me., Halifax, and Liverpool in Winter.

These Steamers are all of the highest class, full powered, and Clyde built in water tight compartments, and are commanded by men of large experience and thoroughly acquainted with the route.

The salons, state rooms, music room, smoking room, and bath rooms, are amidships, where but little motion is felt, and are handsomely and luxuriously furnished.

The route via the St. Lawrence is the most pleasant and comfortable for intending travellers, three days of it being spent in the comparatively smooth waters of the River and Gulf, with their magnificent scenery.

Rates of Passage from Montreal or Quebec: Cabin, $50 to $80, according to the Steamer and accommodation. Second Cabin, $30. Steerage at lowest rates. Reduced rates from Portland and Halifax in Winter.

Maguire's Patent Flushing and Self-Cleansing Trap.

The above cut represents an outside and inside view of Maguire's Patent Anti-Zymotic Trap, which has the great advantage over other traps of having the inlet higher than the outlet, and the outlet arranged so as to be at the level of sewer diameter of the sewer pipe, thereby providing for thorough flushing, and preventing any back-wash from the sewer entering the trap. The hand-hole over the outlet will allow the drain to sewer to be readily cleaned out, and is intended to provide for direct over-head sewer ventilation.
The above traps can be seen in use at numerous places throughout the city on application to the above-named

Each of these schools (which form the Intermediate link between the Public schools and the Universities), is managed by a board of Trustees appointed jointly by the county and town councils. In cities the trustees are all appointed by the city council, except where there is only one school in the county. The head master must be a graduate of a British or Colonial University, and obtain a certificate of fitness from the Education Department. Besides fees, local rates or contributions to the extent of the Government grant must be raised.

Pupils attending these schools are prepared for matriculation in the Universities.

BUSINESS · DIRECTORY.

OFFICE OF

R. L. POLK & CO., DIRECTORY PUBLISHERS.

TORONTO, ONT., January 1st, 1890.

Seeing the need of a complete and reliable Business Directory of the Dominion of Canada, and from the encouragement we have received, we have decided to issue one during the summer of 1890, and if we receive sufficient encouragement will issue as often as necessity will demand. We have the largest and most efficient staff in the world to handle a work of this kind, and our patrons can depend upon receiving a correct and reliable report, alphabetically arranged, in Provinces, of all Trades, Professions, Merchants, Manufacturers, etc., including all businesses carried on in the Dominion. We expect a large circulation for this work, as well as liberal patronage in the way of advertising, as it is our intention to canvass not only all the Cities, Towns and Villages in Canada, but also the principal Cities of Europe and the United States of America. To the above will be added the name of Railway, Express, Telegraph, Telephone, Steamboat or other means of communication, or nearest Bank, etc. Price of book to subscribers, $6.00; after issued, price, $7.50, sent to any address, per express or post prepaid, on receipt of price.

Page Advertisements in Dominion Classified Business Directory, $40.00; ½ Page, $25.00; ¼ Page, $15 00; ⅛ Page, $9.00. Covers and special places on application.

Following will be found a list of Directories and Gazetteers published by us, any of which we will be glad to forward to your address on receipt of price, express or postage prepaid.
