What the Presidents and Agents of Insurance Companies say of it.

This is to Certify that we, the undersigned, have examined **SHARP'S PATENT SAFETY OIL CABINET**, and do not hesitate to recommend it, and would be pleased to see it universally used, as we consider it a great safeguard against fire.

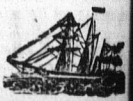
KFORDS, HALIFAX, N. S.



THE BAY OF FUNDY STEAMERS,

AND THE

Windsor & Annapolis Railway,

Connect

New Brunswick with Nova Scotia,

AND FORM THE

CHEAPEST AND MOST EXPEDITIOUS ROUTE

BETWEEN

St. John and Halifax.

Steamers leave REED'S POINT WHARF, St. JOHN, at 8 A. M.. and connect at ANNAPOLIS with Express Trains, arriving in HALIFAX the same day.

☞PASSENGERS visiting Nova Scotia should not fail to travel by this route which offers inducements superior to any other—Variety, Despatch, and Economy. The tediousness of a long journey by rail, or the monotony of a sea voyage, is avoided. The trip between St. John and Halifax is highly enjoyable. The road traverses the most fertile and picturesque portion of Nova Scotia, running through the beautiful Valley of Acadia and the magnificent scenery made celebrated in the story of "Evangeline," while the short run across the Bay of Fundy is both pleasant and invigorating.

The course of studies, in which religious instruction holds the first rank, is divided into two sections —the classical and the commercial.

The classical course, principally taught in French, is designed to impart a thorough knowledge of the Greek, Latin, French and English languages and literature, pure and mixed mathematics, history and geography, philosophy and natural sciences, and whatever is necessary as a preparation for a professional career.

It comprises eight classes—Latin elements, Syntax, Method, Versification, Belle-lettres, Rhetoric, 1st and 2nd year of Philosophy.

S. SICHEL & CO., MUSIC, 15 FABRIQUE STREET, QUEBEC.

STARRS & McNUTT, CUTLERY, &c., HALIFAX, NOVA SCOTIA.

The commercial course, principally taught in English, embraces the English and French languages and literature, mathematics and the other branches named above, moreover bookkeeping, and whatever else may fit a young man for commercial and industrial pursuits.

It comprises four classes—Grammar, Literature, Rhetoric and Philosophy.

There are, moreover, elementary and preparatory classes for younger students.

The system of education is paternal—The teachers endeavour to unite kindness with firmness, and make use of the means of persuasion in preference to those of severity.

To be admitted into the college, applicants must present a certificate of good character.

WHITESIDE'S PATENT SPRING BED.

The use of Spring Beds, on account of convenience, comfort and economy, is becoming universal, the cheapest is therefore the best if serviceable.

WHITESIDE'S PATENT, in use over five years, has established itself as the most **DURABLE, COMFORTABLE, CLEANLY,** and **THE PRICE LOWER** in proportion, than any **IN THE WORLD.**

This Bed sells readily every where, being well known and appreciated. It recommends itself above the heavy, unwieldy palliasses so much used in the past, and is preferable to all upholstered Spring mattresses from its portable nature, cleanliness and cheapness.

It surpasses **ALL OTHER PATENT BEDS** in **NEVER SAGGING,** in its **DURABILITY, NOISELESSNESS, READINESS OF ADJUSTMENT,** and

Always Retaining its Elasticity,

It is LUXURIOUS, DURABLE, ECONOMICAL.

Can be so constructed as to form a self adjustable bolster for the head, making it proportionably COMFORTABLE and CHEAP, meeting the wants of rich and poor alike; and altogether is a mattress so adapted to the requirements of every household as to be a positive domestic necessity.

WITH POSITION OF ACADIA COAL COMPANY'S MINES AND WHARF.

The wharf—960 feet long—extends to the channel, with 22 feet of water at low tide.
It is near the mouth of the harbor, and easily approached without the aid of a pilot or steam-tug.
Ballast can be discharged at the wharf.

If coach detained, there shall be paid for every time not exceeding half an hour, fifty cents (50c); and for every additional half hour after the first, fifty cents (50c). Provided always, that in case any driver shall he required to cross the ferry to Carleton, he shall, in addition to the foregoing fares, be entitled to demand and receive the ferriage for himself, his carriage and horses, both going and returning.

TIMES FOR GOING THROUGH THE FALLS.

The Falls are level or still water at about three and a half hours on the *flood*, and about two and a half on the *ebb*, so that they are passable four times in twenty-four hours, about ten or fifteen minutes each time. No other rule can be given, as much depends on the floods in the River Saint John, and time of high water or full sea, which is often hastened by high winds, and proportion to the height of them.

THE TIME BALL, ON TOP OF THE CUSTOM HOUSE BUILDING, ST JOHN, N B,

Will be hoisted half its elevation each day (Sundays excepted) at fifteen minutes before 1 o'clock. At one minute before 1 o'clock it will be hoisted its full height; and at 1 o'clock, mean time, the Ball will be dropped. A Chronometer keeping correct Greenwich time, should then shew 5h 24m 15s, and the difference between this and the time shewn by a Chronometer, is its true error on Greenwich time at the moment. As the above hour of 1 o'clock, when the Ball drops, represents 5h 24m 15s at Greenwich, the error of a Chronometer may be ascertained, no matter where the Ship is lying. Masters of vessels arriving at Saint John, should compare their Chronometers by the Time Ball, as it will enable them to get the sea rate, which frequently varies from harbor rates. Latitude 45d 16m 42s N. Longitude 4h 24m 15s West.

PREPARED BY

WILLIAM R. WATSON,

GRAND DIET OF WORMS!

DISSOLVED BY

WATSON'S SCHOLEDION,

Which is offered to the Public as a perfectly safe, pleasant, and efficacious EXPELLER OF WORMS from the human system.

As this preparation contains no mineral ingredient, the administration of it to young children is not followed by the dangerous, and—in many cases—fatal consequences resulting from the use of many of the Vermifuges at present before the public.

A compliance with the directions accompanying, will prove that it deserves the character claimed for it above; while the promptness and painless character of its action renders it the cheapest and safest remedy for Worms hitherto discovered.

CHARLOTTETOWN, 21st Sept., 1869.

W. R. Watson, Esq., has informed me of the composition of his "Worm Cahdy," andI can unhesitatingly recommend it as a safe and efficacious vermituge. JAMES N. FRASER, M.D., L.R.C.S., Ed.

Having prescribed "Watson's Scholedion" in a large number of cases, in which Worms were indicated, we have much pleasure in stating that we consider it a very safe and efficient form of Anthelmintic.

CHARLOTTETOWN, Sept. 22, 1869. Messrs. JENKINS & BRINE, Physicians and Surgeons.

SUMMERSIDE, August 10, 1869.

DEAR SIR,—I shall feel obliged by your making known, for the benefit of others, my opinion of your "Scholedion." The use of it in the case of my infant child has satisfied me that it not only merits the character claimed for it in your advertisement, but also that the advertisement does not do adequate justice to a most valuable remedy. Yours truly,

WM. R. WATSON, Esq., Queen Street, Charlottetown. WM. M. HOWE.

The above Remedies having been found, by the experience of years, to possess the remedial qualities claimed for them, are confidently recommended to those suffering from the complaints for relief of which they are respectively intended.

The Proprietor guarantees that they are the *best of their kind ever offered to the public.* Innumerable certificates of the highest authority might readily be adduced as to the efficiency of each, but the celebrity they have obtained throughout the Island, where they are manufactured and best known, and most extensively used, renders the publication of such testimonials unnecessary.

MARGESON'S

DIRECTIONS.—One wineglassful in as much water, each morning, noon and night.

In all ordinary cases one bottle is sufficient, except for a beast when two or three may be required.

HALIFAY, N.S.

CERTIFICATES.

CHEZZETCOOK, March 3, 1873.

MESSRS. R. C. MARGESON & Co.—*Dear Sirs:* Please accept this testimony from one who has been suffering for upwards of five years from Gravel and Stone in the Bladder; and was advised by my friends to try your Calculifuge. I did so, and am happy to say that after using the two bottles you sent me last summer, it *entirely cured me.* I passed five stones the size of small peas, and upwards of a wine-glassful of smaller ones and gravel, and will send them to you by the first chance. I would advise all that are suffering with the same complaint, to secure your valuable medicine at once, as it has been the sole means of curing me. I wil take pleasure in giving all the information I can to any that will call to see me at my house.

I remain yours,

ANDREW CRAWFORD.

HALIFAX, July 28th, 1873.

MESSRS. R. C. MARGESON & Co.—*Dear Sirs:* It is a pleasure to add my testimony to the virtues of your Medicine. My little daughter, three years old, was a great sufferer with Urinary Retention, sometimes four days at a time. Her sufferings were intense; all medicine failed to give her much if any relief. I procured a half-bottle Margeson's Calculifuge. After taking three doses, she got relieved, and is now as well as ever. This you can make known in the papers if you choose, as others may be afflicted in like manner.

Postal regulations.

Mails are conveyed twice each way every day, except Sunday, over the principal lines of railway in Canada. Over the less important lines of railway they are carried only once each way every day, except Sunday.

Mails are also conveyed once each way every day, except Sunday, over the principal lines of common road; and once, twice, or three times per week over the less important lines of common road.

The postal communication between Ontario and Quebec and the lower Provinces is six times per week each way *via* Quebec, Rivière du Loup and Edmunston, twice per week each way by steamers from Quebec to Pictou, and daily by Railway *via* Bangor, Me., and McAdam Junction, Me.; and once per week per steamer between Portland and Halifax.

The most speedy and direct postal route from Canada to almost every portion of the globe, with the exception of the Continent of America, the Isthmus of Panama, China and Japan and the West India Islands, is by way of England, whence mails for the several British Colonies and Foreign Countries are regularly despatched.

The most speedy and direct postal route from Canada to all parts of the Continent of North America, South Panama, the West Indies, Central and South America, is *via* New York.

The most direct postal route to China and Japan is *via* Detroit and San Francisco.

Mails for England are despatched as follows: By mail Steam Packets sailing from Quebec in summer and Portland in winter every Saturday; and from Halifax, Nova Scotia, every alternate Friday. By Steamer from New York every Wednesday and from Boston every Tuesday.

The following post offices in the Dominion of Canada make up mails direct for certain post offices in the United Kingdom, viz:

Hamilton,	Fredericton,
Toronto,	Sackville,
Kingston,	St John,
Ottawa,	St Stephen,
Montreal,	Chatham,
Quebec,	Dalhousie,
Halifax,	Newcastle,

Mails are exchanged daily with the United States post offices at all the principal frontier points, and closed mails are exchanged daily between the principal cities of the Dominion and New York and Boston.

Montreal exchanges Mails direct with the follow-

ing American Offices : Boston, Buffalo, Burlington, New York, Plattsburg, Portland, Rouse's Point, Rutland and Whitehall.

Mails for Bermuda and Newfoundland are made up at Halifax, Nova Scotia, whence steamers sail once a month to Bermuda and St Thomas, and once a fortnight to Newfoundland.

Rates of Postage Letters.— The rate of postage on *prepaid* Letters between any one place in Canada and other place in Canada, is regulated by weight, irrespective of distance, and is as follows :

On a letter not more than	½	an oz.,	3	cents.
more than	½	oz. but not ex.	1	oz.,	6	cents.
"	1	"	"	1½	"	9	"
"	1½	"	"	2	"	12	"
"	2	"	"	2½	"	15	"

And so on, 3 cents being charged for every additional ½ oz., or fraction of half ounce.

If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to an additional rate.

Letters posted in and addressed to any place within the Dominion of Canada, if sent unpaid, are liable to a charge of 5 cents per ½ oz.

In applying the 5 cent unpaid rate to letters passing within the Province posted unpaid or not fully pre-paid —it should be observed that a letter passes either as pre-paid at 3 cents per ½ oz., on condition that the whole postage due be fully pre-paid—or at 5 cents per ½ oz. if posted unpaid, or only partly pre-paid—in the latter case the full rate at 5 cents per ½ oz. will be marked, and a deduction made therefrom of the amount which may have been paid—thus on an ounce letter pre-paid 3 cents only—the rate will be 10 cents and crediting the 3 cents paid—7 cents will remain to be charged, and collected on delivery.

The object of the 5 cent unpaid rate is to induce pre-payment, and thereby relieve the Post Office from costs and trouble of account and collection, but this object is equally defeated whether the letter be wholly unpaid, or but partially pre-paid—and therefore the 5 cent rate applies to the whole charge upon the letter in both cases.

The charge on local or drop letters, viz., letters posted at an office in Canada for delivery from that office is one cent for each letter, which *must* be pre-paid, or the letter will be sent to the dead letter office for return to the writer.

The charge on letters delivered by letter-carriers in Canada, is two cents for each letter in addition to the ordinary postage.

The rate of postage on letters to Prince Edward Island is 3 cents per ½ oz. if pre-paid, and 5 cents if no pre-paid.

The rate of postage on letters to Newfoundland is 12½ cents per ½ oz., which must be pre-paid.

The rate of postage on letters to British Columbia, Vancouver Island and Manitoba *via* Detroit, U. S., is the same as to any other part of Canada, but all postage must be pre-paid by postage stamp.

The rate of postage on letters between any place in Canada and any place in the United States, is 6 cents per ½ oz. if pre-paid, and 10 cents per ½ oz. if not pre-paid.

Upon a letter or packet, of any weight, addressed to the *United States* the *whole* postage or *none at all* should be pre-paid. If anything less than the whole is pre-paid no account is taken of it, and *it is entirely lost to the sender.*

The scale of weight under which the above letters are charged is the same as the scale under which letters passing between places in Canada, are rated.

The single rate of postage on letters between any place in Canada and any place in the United Kingdom, is as follows:

By Canadian Steamer, sailing every Saturday from Quebec in summer and from Portland in winter, and from Halifax fortnightly, 6 cents per ½ ounce.

By steamer, sailing from New York or Boston, 8 cents.

Letters addressed to the United Kingdom, and forwarded by either of the above routes, will be charged according to the following scale:

Letters not over	½	an oz., 1 rate.
Letters more than	½	oz., and not ex.	1	oz., 2 rates.
"	1	"	"	1½	oz., 3 rates.

And so on, adding one rate for every additional half ounce or *fraction of a half ounce.*

The postage on all letters posted in Canada for the United Kingdom, and in the United Kingdom for Canada, should be prepaid by postage stamp.

If sent unpaid 3d. sterling will be charged on each letter, on delivery, in addition to the ordinary postage rate.

Letters posted in the United Kingdom, for Canada, unless specially addressed "By Canadian Steamer," or "By Cunard Steamer," are despatched in the first mail that is made up—whether for Canadian or Cunard line—after the letter is posted, so that letters intended for the Canadian packets must either be posted on the proper days for the Canadian Packet Mails, or bear the words "By Canadian Mail Steamer" on the address. In like manner letters posted in Canada for the United Kingdom should be addressed "By Canadian Packet" or "via New York." If for the latter route the additional postage 2 cents per half oz. should be added to the ordinary rate of 6 cents.

Two cents will be charged on the delivery of letters which have been forwarded as above by Cunard Steamer, but on which 3d. sterling or 6 cents only per ½ oz. have been pre-paid.

The charge on dead letters, returned to the writers, is five cents on each addition to the postage.

Soldiers' and Seamen's Letters.—Non-commissioned officers, embodied pensioners, seamen and soldiers, and army school-masters of all but first class, while they are employed in Her Majesty's Service, can send and receive letters at the rate of 2 cents each, under the following regulations :

1. The two cents must be paid by postage stamp at the time the letter is posted,

2. The name of the soldier or sailor, his class or description, and the name of his ship, corps, or detachment to which he belongs, must be specified in the direction of the letter ; and in the case of letters *sent* by soldiers or seamen, the officer in command must sign his name and specify his rank, and the name of the ship or regiment, corps or detachment, which he commands. 3. The letter must not exceed ½ an oz. in weight. 4. The letter must refer solely to the private affairs of the soldier or seaman.

All foregoing descriptions must be *fully written* in the address in the following form, the initials of the name of any ships or regiments being insufficient :

SEAMAN.	SOLDIERS.
From A. B.—Seaman of H. M. S. _____	From A. B.—Sergeant. _____ Regt. _____
(Insert direction of Letter.)	*(Insert direction of Letter.)*
C.D., Captain *or other commanding officer.* H. M. S. _____	C. D.—Colonel, *or other commanding officer.* _____ Regt. _____
To A. B.—Seaman, H. M. S. _____	To A. B.—Private, *Sergt or Corp'l.* _____ Regt. _____
(Direction to be finished.)	*(Direction to be finished.)*

☞ Letters for soldiers or seamen may be forwarded at the above rate to or through any country requiring the payment of any foreign or transit rate as may be chargeable thereon.

Soldiers' or seamen's letters are not liable to any additional rate on re-direction.

All soldiers' or seamen's letters are conveyed between Canada and the United Kingdom by the Canadian line of steamers

Letters sent by commissioned or warrant officers, midshipmen or masters' mates, engineers, gunners, boatswains or carpenters in the navy, captains, clerks, or first class school-masters, or commissioned or warrant officers in the army, are not included in the privilege attached to letters of soldiers and seamen, but are chargeable with the same rates as ordinary letters.

Soldiers' and seamen's letters posted in Canada without a compliance with the above regulations are liable to full postage. If posted in accordance with the above regulations, but without pre-payment of 2 cents, they are liable to a charge of 2d. sterling on delivery in the United Kingdom.

Soldiers' letters, and those of non-commissioned officers and privates of the Volunteer Militia of Canada when on *active* service posted in and addressed to places in Canada, pass on the above regulations at the reduced rates of 2 cents,

POSTAL CARDS.

1. The front or stamped side of the card is to be used for the address only, there must be nothing else either written or printed upon it.

2. On the other or reverse side, any communication whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached to the card, nor may it be folded, cut or otherwise altered.

3. There must be no words, marks or designs, written, printed, or otherwise placed on the cards of an obscene, indecent, immoral, libellous or grossly offensive character.

4. No Post Card can be posted a second time.

If a Post Card be posted which infringes any of the above conditions, it is to be forwarded by first post under cover to the Postmaster General.

As respects post marking on the face of the card and cancelling the impressed Stamp, a Post Card is to be treated as a letter.

A Post Card may be Registered under the same Regulations as a Letter, if the Registration charge be prepaid by affixing an ordinary two cent Postage Stamp.

Rates of Postage on Newspapers.—The law declares that for post office purposes a newspaper shall be held to mean a periodical published not less frequently than once in each week, and containing notices of passing events, that is to say, general news.

Although provision is made for forwarding newspapers through the post, it is not compulsory on any one to employ this mode of transmission ; everything except letters may be sent in any other way.

A newspaper to pass at the undermentioned rates is subject to the following restrictions :—

1. It must have no cover, or a cover open at both ends.

2. It must not contain any enclosure.

3. It must have no writing or mark thereon but the name and address of the person to whom it is sent, nor any thing on the cover except such name and address.

Newspapers which are not posted in accordance with these regulations are not forwarded but are sent to the Dead Letter office and destroyed.

An extra newspaper, or a supplement to a newspaper, is deemed a distinct newspaper, and charged accordingly.

Newspapers published in the Dominion may be sent by post from the office of publication to any place in Canada at the following rates, if paid quarterly in advance, either by the publisher at the post office where the papers are posted, or by the subscriber at the post office where the papers are delivered.

A paper published 6 times per week,	30	cts.	per qr,
"	3	"	15	"
"	2	"	10	"
"	1	"	5	"

When the above rates are not paid in advance by either the publisher or subscriber, the papers are charged 1 cent each on delivery.

It is not necessary that the commuted rate on newspapers should be paid absolutely on the first day of each quarter. The regulation is intended to be carried out with all due consideration for the convenience of the public, and it will be sufficient if the person desiring to pay the commuted rates declares his intentions and offers the payment when *first calling at the office* within a reasonable time after the commencement of the quarter ; but having made his option to pre-pay the commuted charge, or to pay for his papers as received at 1 cent each, as the case may be, postmasters are not expected to alter their newspaper account to allow of a change until the commencement of the next quarter.

The commuted rate of payment *cannot* be accepted from new subscribers during a quarter for any unexpired period of the quarter.

Newspapers published in Canada, which are not posted from the office of publication, must be pre-paid 2 cents each by postage stamps, otherwise they will not be forwarded, but be sent to the Dead Letter office and destroyed. Papers of this class are termed "Transient Newspapers."

Publishers of newspapers in Canada are allowed to enclose in copies of their papers sent to subscribers, subscription accounts and receipts for the same without rendering them liable to any additional postage.

Packets of unbound newspapers published in Canada may be returned by a subscriber to the office of publication at the rate of 2 cents per 8 oz. or fraction of 8 oz., which must be pre-paid.

Transient newspapers addressed to the United States must be pre-paid 2 cents each newspaper by postage stamps, otherwise they will not be forwarded, but be sent to the Dead Letter office and destroyed.

Transient newspapers posted in the United States and addressed to Canada, are liable to 2 cents each on delivery. The stamp *paid* on these papers indicates that the United States postage only has been pre-paid, the Canadian rate of 2 cents remaining to be collected.

American newspapers posted or re-posted in Canada except by news agents to regular subscribers must be pre-paid 2 cents each by stamp, otherwise they will not be forwarded.

The option of paying the commuted rate on newspapers does not apply to papers published in the United States ; papers addressed to regular subscribers must be paid for at the full rate of 1 cent each.

Newspapers posted in Canada and addressed to the United Kingdom must be pre-paid by stamp, 2 cents each newspaper.

It is forbidden by the regulations of the British Post Office to send through the post, *at newspaper rate*, any newspaper bearing more than one address. Persons sending newspapers to the United Kingdom from Canada should be careful to *cut off* the ordinary printed address pasted upon newspaper sent to subscribers in Canada from the office of publication, as any paper having thereon such printed address in addition to that of the party for whom it is intended will be sent to the English Dead Letter office.

When two or more newspapers are enclosed under one cover, postage must be pre-paid by stamp at the rate of 2 cents for each newspaper, or the package will be detained and sent to the Dead Letter office.

Newspapers forwarded by Canadian Steamer are delivered in the United Kingdom without additional charge.

Newspapers forwarded by Steamer from New York or Boston are liable, on delivery, in the United Kingdom, to a charge of one penny each, being the American transit rate.

Care should be taken to see that such newspapers are properly stamped at the Post Office where posted "Prepaid by Publisher" at they are in the absence of such stamp liable to be mistaken for unpaid papers, and to be detained accordingly.

Postmasters are requested at once to transmit all newspapers containing such writing, marks and enclosures, to the Postmaster General.

Periodical Publications.—Periodical publications are publications issued at regular intervals, but less frequently than once per week. An almanac or any work of a like character published at stated periods and containing matter of general interest is deemed to be a periodical.

Letters, whether sealed or unsealed, or any enclosure found in a book parcel, are liable to be rated as unpaid letters, and the packet in which it is enclosed becomes liable to an additional rate of 12½ cents as a penalty for a breach of the regulations.

All legitimate binding, mounting, or covering of the same, or a portion thereof, will be allowed as part of the packet, whether such binding, &c., be loose or attached, as also rollers, in the case of prints and maps, and whatever may be necessary for the safe transmission of literary or artistic matter, or

whatever generally appertains thereto, and the postage is rated upon the gross weight of the packet.

The name and address of the sender may also be written or printed on the envelope or cover of the packet, in addition to the name and address of the person to whom it may be forwarded.

Book and Newspaper Manuscripts, and Printers Proofs.—In Department Order No. 65, dated 24th Nov., 1863, permission was given for Book-Manuscript, and Printers' Proofs, whether corrected or not, to pass at the printed matter rate of one cent an ounce, and it now appears to be necessary to explain that by Book-Manuscripts was meant the written sheets of any Book intended for publication, and the intention was to encourage literary productions, by affording facilities for Authors to send and receive such matter to and from their Publishers by Post. Printers Proofs are the printed impressions taken by a printer, for correction or examination, of any matter passing through his Press. By Newspaper Manuscript is meant written articles (not including advertisements) intended for insertion in a newspaper or periodical, and addressed to the editor or publisher thereof for insertion. Under former regulations the written marks correcting such proofs rendered them liable to letter postage when sent by mail, and the intention of the Department Order referred to was to relax the rule in favor of such proofs, and allow them when corrected, to retain their character as printed matter, and pass at printed matter rates of charge and under the same general regulations.

Printed Papers, Circulars, Prices Current, Hand Bills, &c.—Printed circulars, prices current, hand bills, and other printed matter of a like character, posted in Canada, and addressed to any place in the Dominion, British North America, or the United States, are chargeable with a rate of 1 cent per oz. (one cent *each* when sent singly), which must be prepaid by postage stamps.

The half-yearly School Returns made by School Trustees to Local Superintendents of Schools, may, though the printed form be partly filled up in writing with the names of the pupils and days of attendance, be transmitted by post in Canada at the rate of 1 cent per oz. to be prepaid by stamp.

When not filled up the above forms are printed matter, and liable as such to 1 cent per oz. postage.

Military returns, states and rolls, and policies of insurance, containing written figures and signatures, may be forwarded as printed matter on pre-payment by postage stamps of 1 cent per oz.

Printed circulars are transmitted by post to the United Kingdom under the regulations and charges of Book Post. They must be forwarded, however, open at both ends or both sides. If sent in envelopes, sealed or unsealed, they are liable to letter rates of postage.

Prices current, posted in Canada and addressed to any place in the United Kingdom are liable to a rate of 2 cents each, which must be prepaid by stamp, when sent singly; when, however, sent in packages to one address, they pass at book rates.

Prices current enclosed in envelopes *sealed* or *unsealed* or by the regulations of the Imperial post office liable to letter postage.

Lithographed letters and circulars are allowed to pass through the Post at the same rate as printed circulars; but they must be *wholly* lithographed as if partly written and partly lithographed they become liable to letter postage.

Printed votes and proceedings of the Imperial Parliament and Colonial Legislatures pass to and from the United Kingdom at the ordinary book post charge.

Parcel Post.—Parcels closed at the ends and sides not exceeding 3 lbs. in weight, may be posted at any post office in the Dominion, addressed to any other post office in Canada at the following rates:

For each parcel weighing not more than 8 oz	12½ cents.
Exceeding 8 oz. and not exceeding 1 lb	25 "
Exceeding 1 lb. and not exceeding 1½ lbs.	37½ "

and so on up to the limit of 3 lbs

The following conditions must be carefully observed:—

1. No letter or letters shall be enclosed.
2. The parcel shall not contain any explosive substance, glass, liquids or other matter likely to injure the ordinary contents of the mail.
3. The weight of the parcel shall not exceed 3 lbs., nor the size exceed one foot in length or breadth, or six inches in thickness.
4. The postage must be pre-paid by stamps.
5. The parcel should have the words "By Parcel Post" plainly written on the address. It should be well and strongly put up, and be legibly addressed to the post office address of the intended receiver, the name of the County in which the said office is situated being added.

If the name and address of the sender be written on the parcel, it will, if delivery should fail from any cause, be returned from the Dead Letter office unopened to the sender on payment of an additional rate for the return conveyance.

If the number of stamps affixed to a parcel be insufficient to pre-pay the proper rate, the amount deficient will be rated unpaid, with a fine of 12½ cents in addition.

Parcels may be registered, on pre-payment, by stamps, of five cents in addition to the postage. When registered, the postmaster should give a receipt to the party posting the parcels.

Parcels sent by post may contain books, daguerreotypes, photographs, printers' proofs and copy, military returns, deeds, legal papers, and all transmissions of a like character not being strictly letters.

To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel intended for the Parcel Post, is a misdemeanor

Should it be ascertained that a packet posted for the Parcel Post contains a letter or letters, the stamps it may bear will be cancelled, and the parcel rated as a letter with full unpaid rates.

Parcels cannot be transmitted by post at the above rates to any place beyond the limits of the Dominion of Canada.

The following is an example of the address recommended:

By Parcel Post.

Mr. Thomas Jones,

Paisley,

County of Bruce

Ontario.

Sent by William Smith, Toronto.

Franking and Free Letters.—The following matter is exempt from Canadian Postage:

All letters and other mailable matter adressed to or sent by the Governor General of Canada.

All letters or other mailable matter addressed to or sent by any department of the Government at the seat of Government at Ottawa, under such regulations as may from time to time be made by the Governor General in Council.

All letters and other mailable matter addressed to or sent by the Speaker or Chief Clerk of the Senate: or of the House of Commons or to or by any member of either House at the seat of Government, during any Session of the Parliament; or addressed to any of the members or officers in this section mentioned at the seat of Government as aforesaid, during the ten days next before the meeting of Parliament

All public documents and printed papers sent by the Speaker or Chief Clerk of the Senate or of the House of Commons, to any member of either House, during the recess of Parliament.

All papers printed by order of either House, sent by members of either House, during the recess of Parliament.

Petitions and addresses to either of the Provincial Legislatures of Ontario, Quebec, New Brunswick, Nova Scotia, Manitoba or British Columbia, or to any branch thereof, and votes, proceedings and other papers printed by any such Legislature, or any branch thereof, during any session thereof, provided such petitions and addresses, votes, proceedings and other papers are sent without covers or in covers open at the ends or sides, and contain no letter or written communication to serve the purposes of a letter.

Letters and other mailable matter (except that provided for as above) addressed to or sent by the Provincial Governments or Legislatures of Ontario,

Quebec, New Brunswick, Nova Scotia, Manitoba and British Columbia will be liable to the ordinary rates of postage.

Public documents and printed papers sent under the foregoing clauses, should bear, as part of the address, the *bona fide* superscription of the Speaker, Chief Clerk, or officer specially deputed for this purpose, to act for those functionaries, or of the member sending the same.

All letters and other mailable matter to and from the Postmaster General and the Deputy Postmaster General; and all official communications to and from the Post Office Department, and to and from the Post Office Inspectors are to pass free of Canada postage.

Abating and Refunding Postage.—Postmasters in Canada are allowed to refund postage in the following cases, only:—

Letters originating and for delivery in Canada, charged as weighing more than the actual weight.

Postage incorrectly charged on editors' notices addressed to publishers and editors, and exchange papers, which should legally pass without charge.

All other claims for the return and abatement of postage must be specially referred to the Postmaster General for his decision, with the letter or packet on which the return is claimed.

Undelivered and Dead Letters.—All letters remaining undelivered in the post office on the first of each month, excepting drop letters and such letters as are daily called for, are advertised in a list posted at the office door for the information of the public.

If a newspaper is published in the neighborhood, the Postmaster may be, at the discretion of the Postmaster General, directed to insert this list therein, provided the proprietor will give it insertion at the authorized rate, viz., two cents for three insertions of each name.

Parties applying at an office for advertised letters should always ask for them as such.

Letters and papers after remaining undelivered in an office for two months are sent to the Dead Letter office, as also are all letters refused by the person to whom they are addressed, or letters addressed to persons deceased.

Letters are opened in the Dead Letter office in order that they may, when necessary, be returned to the writers; but no Postmaster is at liberty, under any circumstances, to return a letter to the writer direct. All undelivered correspondence must be sent to the Dead Letter office.

Registration.—By the pre-payment of the following fee, in addition to the ordinary postage, letters and parcels can be registered at the office at which posted:

On letters addressed to any place in Canada or the other British North American Provinces	2 cents.
On letters addressed to any place in the United States	5 "
On letters addressed to any place in the United Kingdom	8 "
On books addressed to any place in the United Kingdom	8 "
On parcels to any part of the Dominion	5 "

The registration fees on letters to British colonies and foreign countries will be found in the British and Foreign Postage tables.

Every letter or parcel containing value should be marked for registration and presented to the Postmaster or his clerk, and a receipt obtained therefore On no account should it be dropped into a letter box.

When letters are registered, both the postage and the registration fee must in all cases be pre-paid by postage stamp.

Books, periodicals, newspapers, circulars, and other printed matter cannot be registered (except books addressed to the United Kingdom) unless prepaid the full letter rates, in addition to the ordinary registration fee.

Registered letters and packets can only be delivered to the parties to whom they are addressed or to their order, and a receipt must be given on the delivery of each registered letter in a book kept by every postmaster for that purpose.

It should be clearly understood that the post office is not responsible for the safe delivery of a registered letter or parcel. The registration simply makes its transmission more secure, by rendering it practicable to trace it, when passing from one place to another in Canada, from its receipt to its delivery; and when addressed from any place in Canada to any place in the United States, the United Kingdom, or parts abroad, if not to its delivery, at least to the frontier or port of despatch.

Postage Stamps.—Every Postmaster is required to have on hand a sufficient stock of postage stamps, and to sell them to the public at ½ cent, 1 cent, 2 cents, 3 cents, 6 cents, and 12½ cents each.

The Department has discontinued the supply of stamped envelopes.

Under the authority of the Postmaster General, postage stamps are sold to certain dealers in the principal cities to retail again to the public, but no person other than a Postmaster, can sell postage stamps unless duly licensed to do so by the Postmaster General under a penalty of $40 for each offence.

Pre-payment of letters should in all cases where practicable, be made by postage stamps.

A mutilated stamp, or a stamp cut in half, is not recognized in pre-payment of postage.

A medallion stamp cannot be accepted in pre-payment of postage separate from the envelope of which it may have formed a part.

No British stamps, or stamps of a foreign country, can be received in pre-payment of postage in Canada.

In affixing the stamp to the letter, wet slightly the corner of the envelope and the gummed side of the stamp and gently press the stamp until it is firmly fixed. Stamps should be placed on the front or address side of the letter, and on the right hand upper corner.

Letters cannot be pre-paid partly in stamps and partly in money; the postage must be pre-paid either wholly in stamps or wholly in money.

If the stamps affixed to a letter addressed to any place in British North America be not adequate to the proper postage, the letter is rated with an amount equal to the deficiency; the whole postage being calculated at the *unpaid rate, e. g.*, a single letter prepaid 1 cent would be rated 4 cents additional; a double letter pre-paid 5 cents only would be rated 5 cents additional.

Letters addressed to the United States, on which stamps are affixed representing less than the amount of postage to which the letters are liable, are rated with full unpaid postage.

Postage stamps are received at all post offices in payment of postage on unpaid letters delivered therefrom.

Postage Rates on certain Miscellaneous Matter passing within the Province of Canada, or to and from the United States.

1. Packages of seeds, cuttings, bulbs, roots and scions, or grafts, may be posted in Canada for delivery within the Province or to an address within the United States, on pre-payment by postage stamps of a rate of 1 cent per ounce; and when received from the United States addressed to any place in Canada, such packages may be delivered on payment by the person addressed of a like rate.

2. The limit of weight for such packages will be one pound. No communication, whether written or printed, must be enclosed in them; and they must be so put up as to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags the bag must be simply tied at the neck, so as to admit of inspection; and in the case of such package, mailed in Canada, the nature of the contents, such as "*seeds*," "*roots*," &c., as the case may be, must be marked on the package by the sender, as a statement of the claims to pass at the reduced rate above mentioned.

3. Book-manuscript, and printers' proof sheets [whether corrected or not] maps, prints, drawings, engravings, photographs, when not on glass, and sheet music [whether printed or written], may pass in covers open at the ends or sides, and provided that no letter or other communication intended to serve the purpose of a letter, be enclosed therein, on prepayment, when posted in Canada, by postage stamps of the ordinary printed matter rate of 1 cent per ounce; or upon payment of that rate on delivery of such matter when received in the mails from the United States.

Transmission of patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries.

4. Patterns of Merchandise and samples may be forwarded between Canada and the United Kingdom, and Denmark, France, Italy, Belgium, and the German States by the Canadian packet mails, at book-post rates, and subject to the following conditions:

A. The patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Department Order, appears as follows:

B. It has hitherto formed part of the Imperial post office regulation that "*Samples or patterns must not be of intrinsic value,*" but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter nor enlarge in any way, the character of the transmission permitted to pass by pattern post.

The special prohibition as to intrinsic value, has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced; inasmuch as every article, whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C. The patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck; or, provided that bags be transparent, they may be entirely closed if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts.

D. The rule which prohibited the transmission through the post, as patterns, of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule that any packet containing such articles which may be found to be insufficiently guarded, shall not be forwarded through the post.

The limits of weight are as follows:

If for Canada	24 oz.
" United Kingdom	24 "
" France	36 "
" Germany	8 "
" Kingdom of Italy	36 "
" Belgium	8 "
" Netherlands	16 "
" Portugal, Azores, and Madeira	16 "
" Denmark	48 "
" Switzerland	48 "

A packet of patterns or samples sent to France or Portugal must not exceed 18 inches in length, or 12 inches in width or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

None of the articles named in the rule D. may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British colonies, and not to these places when addressed "*via* France."

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturers or trade mark and number, and the price of the article.

Any infringement of the above regulations will render the packet liable to be treated and charged as a letter.

Tables showing the amount of Provincial currency required for money orders issued in Canada upon the United Kingdom, in addition to the commission, and for money orders issued in the United Kingdom upon Canada will be found subjoined.

Applicants for money orders should always use the printed application forms, filling up the blanks with

the particulars of the order required. These forms are supplied gratuitously at all money order offices.

The Christian and surnames in full, and residences, both of the remitter and payee, should be furnished to the issueing postmaster. When married woman is either the remitter or payee, her own Christian name must be given, and not that of her husband, thus—

"Mrs. Mary Smith," not "Mrs. John Smith."

If the remitter or payee be a Peer or a Bishop, his ordinary title is sufficient. If a firm, the usual designation of such firm will suffice, such as "Baring Bros," "Smith & Son," "Jones & Co."

Parties procuring money orders should examine them carefully to see that they are properly filled up and stamped. This caution will appear the more necessary when it is understood that any important defect in these respects will throw difficulties in the way of payment.

Money orders, which in consequence of misapprehension of the name of the remitter or place of payment, have been erroneously made out, can be returned to the postmaster and a correct order given in exchange; a new commission, however, will be charged on the corrected order.

Parties obtaining money orders on Canadian offices can procure re-payment thereof on presentation of the order at the office at which it was issued, signing the receipt at the foot. No order, however, can be re-paid without the authority of the superintendent, unless presented for re-payment on the day on which it is issued. Neither can orders on the United Kingdom be re-paid without his special authority.

When a remitter desires an order on the United Kingdom to be paid through a bank, it is left to his option to give or withhold the name of the payee, or to substitute for the name of the payee any other designation or modification, such as "The Cashier of the Bank of England," "the chief Clerk of the Foreign Office." Such orders must, however, be crossed by the issuing postmaster with the name of the bank through which the order is to be paid.

The issue of money orders on credit, or for cheques not marked "good" by the bank drawn upon, is strictly prohibited.

If a payee is unable to write, he must sign the receipt at the foot of the order, in the presence of the paying postmaster, by making his mark, to be witnessed in writing; as for example

	His
Witness—John Kenny,	*Joseph † Allen.*
Queen Street, Toronto.	Mark

In cases of money orders issued in Canada, postmasters are at liberty to accept the written order of the payee on the order itself in favor of a second person, if through illness or insuperable difficulty the payee is prevented from presenting the order in person. The second person cannot, however, transfer the order to a third but must present it himself.

When a Canadian money order has been lost, either by the remitter or payee, the circumstance must be made known to the superintendent, who, under certain precautions, will issue a duplicate.

Duplicates of sterling orders can only be granted by the paying country. Thus the British post office issues duplicates of orders drawn in Canada on the United Kingdom, and the Canadian Head and Sub-Head Money order offices grant duplicates of orders drawn in the United Kingdom on Canada.

Money orders which are not presented until one full year after their date are considered as lapsed orders, and cannot be paid without the special permission of the superintendent. In all such cases satisfactory reasons should be given explanatory of the delay in the presentation of the order.

The Deputy Postmasters General of Malta and Gibraltar are authorized to issue money orders on the several money order offices in Canada. Money order offices in Canada do not, however, grant money orders on Malta and Gibraltar.

NOTE.—The word "Superintendent" as used in the above regulations means: 1st, The Chief Superintendent at Ottawa; 2nd, the Superintendent at St John, N.B.; and 3rd, the Superintendent at Halifax, N.S.; each dealing with the matters having respect to the section of the Dominion under his charge before Confederation. In matters of general import the Chief Superintendent at Ottawa, is the officer to be addressed.

DEAD LETTERS.

A letter delivered to the wrong person in consequence of his name being the same as that of the person for whom the letter really intended, should be at once returned to the postmaster from whom received, the party writing on the cover "opened by me through mistake," and signing his name thereto.

Letters posted without any direction, or addressed so imperfectly that they cannot be forwarded to their intended destinations, and also unpaid or insufficiently paid letters addressed to countries to which letters cannot be sent without the postage is pre-paid are returned to the writers through the Dead Letter office.

No information can be given respecting letters which pass through a post office except to the person to whom they are addressed.

Parties desiring their letters and papers to be re directed should send an intimation to that effect, in writing, to the postmaster of the office from which letters and papers are to be directed.

Postmasters are allowed to re-direct letters to the known places of residence of the parties to whom they are addressed, after allowing a reasonable time to elapse without their being called for.

Letters and papers are not subject to any additional charge when re-directed from one post office in Canada to another post office in Canada.

Postmasters are instructed not to receive any letter or packet which there is good reason to believe contains glass or anything likely to injure the contents of the mail bag or the person of any officer of the post office.

The transmission of indecent photographs, or prints and immoral books, papers or publications through the Post is strictly prohibited, and all packets containing such articles should be stopped and sent to the Postmaster-General.

A postmaster is not legally bound to furnish change: but may require that the exact amount of postage on any letter or packet be tendered to him in current coin, or in Canada postage stamps.

☞ Postmasters and their assistants in the above matter as well as in all their official intercourse with the public, are expected to afford every accommodation, and to treat every person having business at their offices with the utmost courtesy.

Letters cannot be delivered at any intermediate office *en route*, but must be conveyed to the office to which they are addressed.

N.B.—The Currency amount to be added for any broken sum between the pounds Sterling, viz., from £1 to £5, will of course be taken from the scale above. Thus for an Order of £3 18s. 11d. Sterling: £3 is $14 60; and, for 18s. 11d. $4.60, which will give the ull value of the Order, viz., $19.20.

BILL STAMPS.

Bill Stamps.—Are distributed for sale very generally throughout the Post Offices in the Province: these stamps are of various values from 1 cent upwards. Bill stamps cannot be used in pre-payment of postage.

Law Stams.—Are also for sale at the principal Post Offices in Lower Canada.

General Regulations.—Postmasters and certain other officers of the department are exempt from serving on juries or inquests. This exemption applies to mail carriers, but not to assistants appointed and paid by postmasters.

Postmasters are not authorized to give credit for postage, if they do so it is entirely at their own risk.

A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

A letter addressed to a firm may be delivered to any member of the firm. If addressed to several persons it may be delivered to any one of them.

COUNTY COURTS.

Their jurisdiction is similar to the Court of Queen's Bench, but is limited in amount, and does not include cases involving the title to lands (with the exception of actions of ejectment in specified cases), validity of wills, or actions for libel, crim. con. or seduction. COUNTY JUDGES CRIMINAL COURTS.

DIVISION COURTS.

Their jurisdiction embraces, with several exceptions, all actions of debt or contract amounting to $100, and torts to $40. These Courts have a limited jurisdiction to replevin, and power to garnish debts. GAME LAWS OF THE DOMINION OF CANADA.

Compiled by Edward C. Barber, Civil Service, Ottawa, author of "The Young Rifleman's Complete Guide," &c., &c.

PROVINCE OF ONTARIO.

Fishing for speckled or brook trout can only be legally done by angling by hand with hook and line from 1st May to 1st October. White fish, or salmon trout, are not to be taken by any means between the 19th November and 1st December; nor by means of any kind of seine between 30th May and 1st August. Gill nets for salmon, trout, or white fish, must have meshes of at least five inches of extension, and seines for white fish of not less than four inches. Bass, pickerel or doré, and maskinongé, may be taken at any time, except from 15th April to 1st May. The Governor-General may, by order in Council, however, vary this time. Fishing by means of net or other apparatus is prohibited, except under lease or license from the Department of Marine and Fisheries. The main channel, or course of any stream, must at all times be kept open, and no nets shall be so used as to obstruct the passage of fish in any river, bay, or creek, to and from their breeding places. The Local Fishery Overseers are instructed to enforce these enactments.

The following is the new Game Act in the Province of Ontario, giving the season when game may be killed:

Deer, moose, elk, reindeer or cariboo, between the 1st day of September and the first day of December.

Wild turkey, grouse, pheasants or partridges, between the 1st day of September, and the 1st of January.

Woodcock, between the 1st day of July and the 1st of January.

Snipe, between the 15th day of August and the 1st of May.

Mallard, grey duck, black duck, wood or summer duck, and all kinds of teal, between the 15th day of August and the first day of January.

Hares or rabbits between the 1st day of September and the 1st day of March.

Except in the counties of Essex, Lambton and Middlesex, no quail shall be taken or killed for two years from the passing of this Act.

No person shall have in his possession any of the above animals or birds, or any portion of them, during the close seasons. They may be exposed for sale, nevertheless, for one month and no longer after such periods, or had in possession at any time for family use; but in all cases the proof of the time of killing or taking shall be upon the party so in possession.

None of the animals or birds above mentioned shall at any time be taken by means of traps, snares, gins, baited lines or other similar contrivances. Any person may destroy any such traps, snares, &c., which he may discover without incurring any liability for so doing.

No one shall have in possession the eggs of any of the birds mentioned at any time. No batteries, sunken punts or night lights allowed in the killing of swans, geese or ducks.

Beaver, muskrat, mink, martin, racoon, otter and fisher may be hunted and killed only between the 1st of November and the 1st May.

The fine for killing deer, &c., out of seoasn shall be not less than ten dollars nor more than fifty dollars for each animal.

For having in possession the birds or eggs of any of the birds protected, at any time, not less than five dollars nor more than twenty-five dollars, for each bird or egg.

For killing any of the fur-bearing animals out of the season, not less than five dollars nor more than twenty-five, and a similar fine for any other breach of the Act. In all cases the whole of the fine to be paid to the prosecutor.

PROVINCE OF QUEBEC.

Fishing for speckled or brook trout, with nets, spears, or other apparatus, is forbidden at all times. Angling by the hand for trout is permitted from 1st January to 1st October. White fish are not to be taken by any means between 19th November and 1st December. No lunge to be taken between the 1st October and 1st January, except in Lake Memphremagog, where the close time is only during the months of October and November. Fishing for bass, pickerel (doré) and maskinongé is forbidden between the 1st and 24th May. Foreigners are forbidden to fish by any means whatever, in the waters of the counties of Terrebonne, Montcalm, Joliette and Berthier, without written permission from the Department of Marine and Fisheries at Ottawa, or from the Local Fishery Overseer, L. J. Loranger, Esq., of St. Sauveur, county of Terrebonne. The close season for salmon is the same in both Provinces, viz: from 1st September to 1st May for surface fly fishing, and from 1st August to 1st May for net fishing.

In Quebec, the close season for elk, moose, cariboo, or hare, is from the 1st February to 1st September; for deer and fawn from 1st January to 1st September; for grouse, ptarmigan, partridge, woodcock and snipe from 1st March to 10th August; for wild swan, wild goose, wild duck, widgeon and teal from 1st May to 10th August, west of Three Rivers, and 15th May to 10th August, east of the same place. Neither is it lawful to kill any of the above birds between one hour after sunset and one before sunrise. No eggs of any of the kinds mentioned or any species of wildfowl are allowed to be disturbed, injured or taken. All of the game animals and birds mentioned in the Act, *except hares*, are protected from trapping. No lynx, wild cat or martin to be taken or killed between 15th April and 1st November; mink, from 15th April to 15th October; otter, from 1st May to 1st November; beaver, from 1st May to 1st Septem-

ber; muskrat, from 1st May to 21st October, except west of Quebec, where the time is from 1st May to 21st October. Fines vary from $1 to $50, and go to the informer; and in default of immediate payment, the penalty is imprisonment in the common jail for a term not exceeding three months. No proceedings under this Act can be set aside by *certiorari*, an appeal only lying to the Circuit Court of the chief place of the district wherein the offence was committed.

PROVINCE OF NOVA SCOTIA.

In Nova Scotia, cap 92 of the Revised Statutes provides that no moose shall be killed between January 1st and September 1st; no cariboo between March 1st and September 1st. The close time for partridges is from January 1st to September 1st, and for woodcock and snipe from March 1st to September 1st. The export of moose and cariboo hides is prohibited. Fine from $20 to $50, and forfeiture of game or hides. Otter, mink and muskrat not to be killed between 1st May and November, under a penalty of $8. It is absolutely forbidden to kill robins, swallows, sparrows, &c., and birds of song. Penalty for each offence, $1.

PROVINCE OF NEW BRUNSWICK.

In New Brunswick, the only game laws in force are those relating to moose and partridge. There was an Act making it unlawful to kill deer on the Island of Grand Manan for a period of three years, but it expired June 8, 1868. The close season for moose only extends from 1st February to 1st May. Fine, $40; and any one is empowered to kill any dog found hunting within the prohibited time. Not more than two moose can be killed by any one person within a period of twelve months; $12 for each offence. The killing, except for food, is prohibited, and the leaving the carcass in the woods subjects the offender to a fine of $20. Partridges are not to be killed between 1st March and 1st September. The fishery regulations are the same as those of Ontario and Quebec, except that the close season for salmon is, for net fishing, from 15th August to 1st March, and fly surface fishing, from 15th September to 1st March. The river Restigouche is made an exception, the close time being from 31st July to 1st May.

The following is a summary of the game laws in operation in the under mentioned Provinces. No amendment has been made to these laws since 1868:

PROVINCE OF BRITISH COLUMBIA.

It is unlawful to buy or sell or exhibit for sale any deer or elk between 1st March and 1st August, or any grouse, prairie fowl or partridge, or to destroy or collect their eggs, between 1st March and 10th August. Fine $50, or three months' imprisonment.

PROVINCE OF NEWFOUNDLAND.

There is only one game law in this island—entitled "An Act for the Protection and Breeding of Wild Fowl and Game." It prohibits the killing, taking, purchasing, selling or possessing of partridges from the 20th February to the 25th August, and applies a similar prohibition in the case of snipe, or any other wild or migratory birds frequenting for the purpose of incubation (except wild geese), from the 1st April to the 20th August.

PROVINCE OF PRINCE EDWARD ISLAND.

The game laws of Prince Edward Island prohibit the killing of partridges between 1st March and 1st October, and salmon in the fall.

PROVINCE OF MANITOBA.

No game law has been enacted in Manitoba.

PATENTED TUBULAR FURNACE

To warm Churches, Public Buildings or Private Houses.

LEVIS, 12*th March*, 1873.

Being charged of keeping in order Notre Dame Church of this Town, and in particularly of the heating of the said Church, I am in a position to state that the introduction of the "PATENTED TUBULAR FURNACE" of M. B. Huot dit St. Laurent, has been an important improvement and a great saving, I would say of at least 25 per 100 in the fuel; and the quantity of heat obtained is from 50 to 75 per cent. greater than that obtained till now by the several modes of heating employed in this building. Thus, for instance, to warm the Church, on Sundays, during ten or twelve hours, about a quarter of a cord of ordinary wood is quite sufficient, and that in severe cold weather, as that of last winter. The keeping in of the furnace is very easy and very uncostly. The hot air which we take at will in all parts of the building is constantly renewed by means of the outside air, and the great quantity of water used causes this air to be always sufficiently moist. On the whole, this mode of firing is simple, but at the same time most advantageous.
