**BLOODLESS WOMEN**

Feel Weak, Depressed and Worn Out All The Time—Do Not Eat Well or Sleep Well.

It is an unfortunate fact that nine women out of ten are victims of bloodlessness in one form or another. The girl in her teens, the wife and mother, the matron of middle age, all know its miseries. To be anaemic means that you are breathless after any slight exertion—you feel depressed and worn out all day. You turn against food and cannot digest what little you do eat. At night you do not sleep well and in the morning you wake up tired and feeling unfit for the day's duties. Perhaps there are splitting headaches, or pains in the back or side. Often a feeling of dizziness and despondency. These are the signs of anaemia, or bloodlessness. There may be only one or two of these signs noticeable, but the more there are the greater are the ravages of trouble. There is only one way to cure anaemia, and that is by increasing and enriching the blood supply, and there is only one medicine can do this speedily and effectively—**Dr. Williams' Pink Pills.** These pills purify the blood. It is in this way that thousands and thousands of weak, ailing girls and women have been restored to joy of energy and good health through their use. Give these pills a fair trial and you will enjoy that health and strength that is the birthright of every woman. Mrs. W. H. Neff, Hughes avenue, Toronto, says:—"For several years I suffered from a weak and watery condition of the blood. At times I would be so bad that when I walked up stairs I would have to sit on the top step and rest. Sometimes my face would swell to about twice its natural size, and at other times my feet would swell so that I could not put my shoes on. Frequently I would take fainting spells, and was wholly unfitted for any work. I was under a doctor's care most all the time, and if I felt better for a time it was only to have trouble worse than before. While in this condition I was visiting a friend who had great faith in Dr. Williams' Pink Pills, and she got me three boxes. By the time I had taken these I felt so much better that I got six more boxes, and before I had taken them all I was again enjoying the best of health; had increased in weight, my appetite improved, and I have not had a symptom of a relapse to the old pitiable condition."

You can get Dr. Williams' Pink Pills from any dealer in medicines, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville Ont.

Canada's Registration
Its Purpose and Application
CANADA faces the gravest crisis in her history. Four years of war have taken from the Dominion a heavy toll in talent and labor, yet despite the shortage of man power, our Allies still depend on Canada to maintain her own fighting forces at full strength and to increase her exports of food and war materials, so vital to them, and to the successful prosecution of the war.
Every ounce by which Canada can increase her food production and every ounce Canada can save in her food consumption is needed for export to the Allies.
Should the war continue for another year, food cards and a rationing system may have to be instituted. It is the duty of Canada to be prepared for whatever situation circumstances may force upon her.
It is quite probable that before the war is won our Government may have to place restrictions upon the occupations in which men and women may engage. In such an event the Government wishes to be in a position to render all possible assistance in keeping our population usefully and profitably employed.
Registration Day, June 22nd
These conditions point to the necessity of Canada knowing the exact capabilities of her men and women at home.
All persons residing in Canada, male or female, British or alien of 16 years and over, will be required to register on June 22nd and truthfully answer the questions set forth upon the registration card.
It is not the Government's intention to conscript labour in any form, but to assist in directing it wisely, so that every available unit of human energy may be utilized to the best advantage.
The information procured through registration will be used—as an aid to the Military Authorities in procuring the men necessary to maintain "Canada's First Line of Defence"—to mobilize all units of available labor in the Dominion and direct them from less essential to more essential occupations—to establish and intelligently administer a system of food rationing should that become necessary.
Issued by authority of Canada Registration Board

### THE ADVERTISER.

Kentville, Friday, June 7th, 1918.

The scarcity of experienced help in printing, and shortage of paper has compelled us to publish hereafter, for a time at least, only one issue per week. After another issue the paper will be enlarged to give space for our advertising which we are obliged to leave out this issue. Next issue we will give full particulars to our subscribers, and a larger paper will be given weekly at the present price, or we will return to the \$1.00 a year rate giving all who are paying in advance the benefit of the lower rate.

Among the casualty list of wounded is that of Huge Sloan of Kentville. This is our own well known Hngh who for nineteen years was foreman at the Advertiser office. Our paper has missed his work very much since he left and our readers will be sorry to hear that a German shell has reached him. He was wounded while on duty in a hospital. OBITUARY ADELBERT BISHOP

Mr Adelbert Bishop died May 28th at his home New Minas as announced previously. He had been ill several years and was seventy-four years of age. The funeral service was held on Sunday following conducted by Rev A.W. West and was largely attended burial at the Oaks Cemetery. Mr Bishop was born and resided his life time at New Minas. He was twice married his first wife being Sophia Bishop, three children survived by that marriage Dr. Bradford Bishop, Freeport. Mrs. C. F. Morrill of Peabody Mass. Mrs E Roy of Kentville. His second wife was Anettie Potter of Canning who survives. The children by the last marriage are Henry and Hugh at home, and Elijah at the front.

Mr Bishop was a prosperous farmer and always took an interest in public matters and the welfare of the country. He was a member of the third Horton Baptist Church.

Mrs Lavinia Avery

Notwithstanding the fact that Mrs Avery had not been in her usual good health ever since Christmas, it came as a shock to her numerous friends to learn of her very sudden death. She had evidently been reading a passage from a small volume "Holy Thoughts for the Day" May 30 and was sitting in her Arm Chair waiting for some provisions for the house, when "God took her."

Mrs Avery was a very loveable personality, sincere Christian woman, a devout Churchwoman, a friend to the needy, and by her calm, quiet religious life, a great influence to those who came in contact with her. The words of Solomon do well apply to her. She stretched out her hand to the poor yea, she reached forth her hands to the needy. She opened her mouth with wisdom, and in her tongue is the law of kindness.

Mrs. Avery was the widow of the late Rev. Richard Avery M. A. for many years Rector of Aylesford who on retirement made his home in Kentville. She leaves to mourn her loss besides numerous friends in the parish of Kentville, nephews and nieces in the United States.

A short service was held at her late residence on Canaan Avenue on Saturday morning, June 1st and was conducted by Rev. T. C. Mellor late Rector of Kentville, who was specially asked to attend to perform the rites by papers found by her Executor, the Hon. H. H. Wickwire and the Rev. A. M. Bent M. A. Rector of the parish. The body was conveyed by train to St. Mary's Church, Auburn, where the beautiful Service of the church of England to be used at the burial of the dead was taken. The officiating ministers were Revs T. C. Mellor, A. M. Bent and A. R. Yeoman. The interment took place in the adjoining churchyard by the side of her late husband.

Charles Edward Fuller.

The death of Mr. Charles Edward Fuller, of Avonport, took place at the home of his sister Mrs. Thomas Chase, Windsor, on Saturday 25th, after an illness of two weeks. Deceased was fifty six years of

With so many low-priced so-called anti-skids obtainable, would that great host of motorists pay more for Dunlop "Traction" Tread if they could get its merits elsewhere?

Also, would that other large list of car owners buy "SPECIAL" if tires which somewhat resemble it in appearance resembled it in efficiency?

The death of Mrs Sarah Rafuse took place at Donalda Alberta on May 13th 1918. Deceased was born in Kentville Nova Scotia and was in the 72nd year of her age.

She leaves one brother Andrew Boyle of Kentville, two sons, William Rafuse, Fernie B. C., T.H. Rafuse, Edmonton, Alta., and two daughters Mrs Lillian Wheeler, Medford Mass. and Mrs T. W. On her arrival at Edmonton she spent two weeks with her son, Mr. T.H. Rafuse, and then went to the home of Mrs Plant with whom she had spent so many years of her life and here she passed away on the morning of May 12th. May she rest in peace.

#### THE LIST OF BRITISH CASUALTIES

The regiments suffering are; Royal Fusiliers, King's Royal Rifles, London regiment, Manchesters, East Kents, Black Watch, Gordon Highlanders, Royal Field Artillery, Royal Welsh Fusiliers, Sherwood Foresters, Argyll and Sutherland Highlanders. Brigadier-General Arthur Hart Synnot is wounded. Flight commander Viscount Flentworth, only son of the Earl of Limerick, is missing.

#### ANOTHER VICTORY LOAN IN CANADA

Ottawa, May 30.—The Evening Citizen says:—"There is to be another Canadian Victory loan in the fall, probably in October or November, and Sir Thomas White is already attending to the preliminary organization.

To-day he conferred with the Dominion executive regarding the necessary arrangements and surveyed the situation in a general way. In the coming months details as to terms and so forth will be developed. The amount of the loan is not determined, but it is thought likely that it will be about three hundred millions.

#### WAR SUMMARY

Germany's great offensive on the western front has been resumed. With only brief artillery preparation two blows have been struck by the Teuton armies, which have been re-organized since disastrous losses were inflicted on them by the French and British during the Picardy and Flanders battles in March and April. One attack was on the line from Voormezele to Loere, southwest of Ypres; the other on a thirty-five mile front from Pinon, north of Soissons to Rheims. This is known as the Aisne sector.

In Flanders the Germans have gained virtually nothing, but further south the Berlin official statement claims that the German Crown prince's troops have carried the whole ridge of the Chemin Des Dames and are now fighting on the Aisne river.

The German attack in Flanders is against positions taken by the French on May 20, when they re-captured Brufoose and Loere and strengthened their line on each side of Hill 44, which they had re-taken a few days before.

### NO ALCOHOL IN GIN PILLS

Many have wondered how the famous old household remedy, Gin Pills, derived its name, since obviously there could be no spirits contained in pill form. The origin of Gin Pills can be traced to Gin, which has for a great many years been recognized for its medicinal qualities, particularly its beneficial effects on kidney complaints.

But in the first place there are many who have conscientious objections to taking alcohol, even as a medicine. Secondly, the curative agent of Gin operates in spite of the alcohol, not because the alcohol is a help to the cure.

Investigations were made to determine just what it was in Gin that tended to relieve Rheumatism, Lumbago, Sciatica, Backache, Swollen Joints, Constant Headaches and all disorders arising from the kidneys, bladder and urinary system.

This active agent, separated from the alcohol, was then combined with other diuretics and given the name of Gin Pills, for which a demand has grown greater than for any other medicine in Canada. Gin Pills have a wonderful record of success and anyone applying to the manufacturers can obtain copies of many of the testimonials received.

Gin Pills are sold by all dealers everywhere on a strict guarantee of satisfaction or your money back. They are 50c. a box or 6 boxes for \$2.50. A free sample can be obtained by writing to the National Drug & Chemical Co. of Canada, Limited, Toronto, or to the U.S. address, Na-Dru-Co. Inc., 202 Main St., Buffalo, N.Y.

On the Aisne front the present battle recalls the fearful fighting of last summer along the Chemin des Dames, where for weeks the German crown prince hurled his men against the French position only to see them crushed and beaten. Last year seventy-five divisions were engaged in the German attacks along this line alone.

The attack here is really in the nature of a line-straightening operation. It is being unchained from Laon as center and is aimed at the elbow in the line formed during the fighting in Picardy in March and April.

#### The Potato Gamble.

No man can afford to take long chances now.—The cost is too great.

In 1902 blight destroyed 50,000,000 bushels of potatoes in New York state alone. Last year nearly one half of Maine's crop was lost by the ravages of disease. What will this year bring forth? No one knows and for that reason alone every potato grower must take steps to prevent the loss. Years ago when it cost very little to grow an acre of potatoes there was little incentive to spray. Men preferred to take a chance to gamble on the prospect. But no potato grower can do that now. He invests too much money in the seed, Fertilizer, labour necessary to produce a crop to take any chance on loss which can be prevented. And all potato troubles, blights, and rotter can be prevented. Thorough and continued spraying will do it. We handle the "Tureka potato sprayer, the best today on the market and of American Manufacture. Also all kinds of spraying material. Let us quote you prices and terms before placing your orders.

#### WORDS OF PRAISE FOR BABY'S OWN TABLETS

No medicine receives such great praise from thankful mothers as do Baby's Own Tablets. Once a mother has used them for her little ones she will use nothing else. The Tablets are a mild but thorough laxative. They regulate the bowels and stomach; drive out constipation and indigestion; cure colds and simple fevers; promote healthful sleep and make teething easy. Concerning them Mrs. Omer LeBleu, Maddington Falls, Que., writes:—"I am well satisfied with Baby's Own Tablets and will always use them for my little ones." The tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co. Brockville, Ont.

### BEDRIDDEN WITH RHEUMATISM

Felt That He Would Never Walk Again "FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC  
8 Ottawa St., Hull, P.Q.

"Fruit-a-tives" is certainly a wonder. For a year, I suffered with Rheumatism; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.

"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it. The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.

I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

#### SPOILED HIS PLEASURE

The young Scot never liked his mother-in-law, and this laid heavily on the mind of his wife, who was ill. Calling her husband to her bedside, she said to him:—Sandy, lad, I'm vera ill, and I think I'm aboot to dee. I want you to gie me a promise. "I'll promise," replied Sandy. "What is it?"

"Weel, I ken that when I dee, I'll hae a fine funeral, and I want you to ride in a carriage wi' ma mither."

"Weel," sadly responded Sandy, "I gied ye my word, an it's nae me that'll gang back on that, but I'll tell ye one thing, ye've spoilt the day for me."

It is certain that a man who studies revenge, keeps his own green, which would otherwise heal and do well.—Bacon.

The Allies have already conquered 82 per cent of the German Empire and 66 per cent of the Ottoman Empire as they were before the war. This comprizes 1,733,000 square miles. On the other hand the Central Powers have conquered 158,000 square miles. This means a net gain of 1,257,000 square miles, an area more than seven times the size of Germany.

### REMOVE THE CAUSE

of a skin disease, and the disease will naturally disappear. That is how Zam-Buk cures. The cause of all skin troubles is germs. Zam-Buk is a powerful germ-destroyer, not only of germs on the surface skin, but also deep down in the underlying tissues.

This is because of Zam-Buk's unusual power of penetration. Ordinary ointments, which have not this power of penetration, can only destroy the germs on the surface skin—hence the disease breaks out again. Zam-Buk cures thoroughly and, therefore, permanently.

Only Zam-Buk should be used for eczema, ringworm, salt rheum, scap sores, ulcers, abscesses, blood-poisoning, piles, boils, pimples and itching rash, while Zam-Buk's power to end pain and heal quickly also makes it invaluable for cuts, burns, scalds and all skin injuries. All dealers 50c. box.

### THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2342 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, back-ache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

The criminal causes were disposed of as follows:

King vs. Fraser for assault found guilty with recommendation for leniency—sentenced to six hours in County Jail.

King vs. Barkhouse, passed, as defendant is overseas.

King vs. Bowlby, no bill.

King vs. Kelly, guilty for bigamy with recommendation to mercy. Kelley was sentenced to two years at Dorchester.

The case of the Bank of Nova Scotia against N. W. & F. N. Ilsley occupied the time of the Court all day Wednesday. It was an action on a bond and the defence was that the bond was executed under an agreement to stifle a prosecution for forgery. The Judge charged very strongly in favor of the defendants, and submitted three questions to the Jury namely.

1 Was the bond sued on executed under or on account of an arrangement by the Plaintiff through its Agent in that behalf that a prosecution against one Le Roy Ilsley for forgery would be abandoned or should not go on?

2 Did the defendants understand from what took place between themselves and the Bank's Agent that if they executed the bond sued on, the prosecution against one Le Roy Ilsley would not be carried on and.

3 Was the object of executing the bond in question to obtain an abandonment of the prosecution against one Le Roy Ilsley and was it understood by the Plaintiff Bank.

The Jury found all of these questions in favor of the defendants and judgment was given by the Court accordingly for the defendants.

The case was conducted on the part of the Plaintiff by the Mr. H. H. Wickwire, K.C. and Mr. J. Frank Outhit, and on the part of the defendants by Mr. Roscoe, K. C.
