The copy filmed here has been reproduced thanks to the generosity of:

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier feuillet et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second feuillet, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Commercial Bank of Canada,

KINGSTON, 17TH DECEMBER, 1867.

The Special Meeting of the Shareholders of the Commercial Bank of Canada, called for 17th December, 1867, was held at the Bank this day.

In absence of the President at Ottawa, C. F. Gildersleeve, Esq., Vice-President, took the Chair, and gave verbal explanations regarding the Bank's position and affairs. He then submitted statement of Liabilities and Assets as at 14th December, and handed in the following

REPORT.

The Directors have to report that the Bill applied for under the resolutions adopted at the Special Meeting of Shareholders on 6th November last, passed the House of Commons, substantially in conformity with the application as published, and on 9th instant it was concurred in by the Senate without amendment. The Directors expect that the Bill will receive the assent of His Excellency the Governor General in a few days.

Until the Bill became law, the Directors could not inaugurate any new measures, either for the resuscitation of the Bank, or for amalgamation. Thus, to-day, they are not prepared to submit plans for the future of the Bank, but they hope to be in a position to bring forward some definite proposal, for the consideration of the Shareholders, in course of a few weeks, and they would therefore recommend that the present meeting be adjourned to Tuesday, 7th January next.

Meantime they have further to inform the Shareholders that the Liabilities of the Bank have been largely reduced. A general statement of the Liabilities and Assets as at 14th December, is herewith submitted, from which it will be seen that the reduction since 19th October amounts to \$2,491,775, nearly two and a half millions of dollars. This reduction has been effected, almost wholly by payment of Bills discounted, and other debts due to the Bank paid or reduced. Of the Bills which have matured, only few in number, and to a trifling per centage, have gone to default, even when renewals generally have been avoided; while of those not paid at the day of maturity, the greater part have been arranged subsequently. In dealing with the customers of the Bank, no undue pressure has been used, and it has not been necessary to put in suit twenty bills. These remarks hold good of the discounts at every office of the Bank, and the facts show conclusively the general character of the business.

The special advance of \$300,000 made by the Bank of Montreal, in the end of September last, has been paid; and the intervention of the Bank, in respect of the Bills held as collateral, has only been required in two instances.

COMMERCIAL BANK OF CANADA,
