A correspondent writes: "The wave of sickness that has swept over this country has been professionally attributed to the 'summer flu', but we believe a more proper diagnosis would lay the blame as a type of dysentery resulting from the rotten prices on farm produce.
I'm but a cog in life's vast wheel
That daily makes the same old trip,
Yet what a joy it is to feel,
That but for me the wheel might slip!
Tis something after all, to jog

A wicked exchange says a woman whose husband was in the habit of coming home tipsy at night, decided to cure him by fright. So one night she arrayed herself in a frightful apparel and when the boozey husband entered the front door she said in a dread and sepulchral tones: "Come with me. I am the devil." "Zat sho? Shake. I am your brother-in-law. I married your sister."

It was with very deep regret last Sunday, Oct. 16th, that the Watford, Wyoming and Calvary Baptist churches received the resignation of their pastor, Rev. A. A. Barnes, who has so faithfully ministered to them during the past three years. Mr. Barnes will occupy the pulpits of these churches Sundays October 23 and 30. He will continue his studies in McMaster University and will take up the pastorate of the Fairbank, Toronto Baptist church.
The Free Masons of Watford are deeply indebted to the Watford Women's Institute for the excellent meal furnished by the ladies to the brethren on the occasion of the Lodge of Instruction held here last Friday. The supper, which was served in Trinity Church school room, was one of the most tasty and satisfying meals one could wish to eat, the tables were attractive to the eye, the viands to the palate, and the ladies most attentive to the wants of the brethren. Everyone present enjoyed the meal and many laudatory remarks were heard from the visitors. Ladies, you have the hearty thanks of the brethren of Havelock Lodge.

Pay your account at Swift's, they need the money 25th October.
Col. John McCrae's poem, "In Flanders Fields," evidently has suggested to Lambtons 149 Chapter, Daughters of the Empire the observing of "Poppy Day" on November 11th, in aid of the relief of French orphans and war sufferers. It is to be hoped the public will willingly assist the Chapter in this work for workers will be about all day offering the good of mankind. On that day poppies for sale as a reminder to the living of all those who now sleep in Flanders' Fields. Let everybody wear a poppy on Nov. 11th.
The annual meeting of the Bible Society held in the Methodist church last Thursday evening was fairly well attended. The Rev. R. J. Bowen Secy for the District, delivered the annual address in his usual forceful manner, despite the fact that he was just recovering from a recent illness. The speaker dwelt upon the attitude of the nations of the East and South East of Europe to-day toward the teaching of the Bible. Their readiness to accept its teachings and the inability of the Bible Society to begin to supply the great demand for the various translated editions required. Also he pointed out that much of the unrest and disquieting influences both at home and abroad could be overcome if the people were given a more thorough knowledge of the teachings of the Bible. He complimented the Watford Branch on their splendid giving last year. The treasurer reported the subscriptions amounted to \$255.24. The officers elected for the ensuing year are: President, Rev. W. K. Hagar; Vice Pres., Wm. Shrapnell, Sec'y, Dr. Geo. Hicks, Treasurer, J. W. McLaren. Collectors and committee of management of last year were re-appointed.

CONCERT BY BLIND GIRLS

All know what wonderful things are done by blind people, and those who attended the concert given under the auspices of Lambtons 149 Chapter I.O.D.E. in the Lyceum on Tuesday evening had an opportunity of seeing what training will do for those who cannot see. The artists were all blind, students of the Institute for the Blind at Brantford. The teachers there have reason to be proud of their pupils, and no doubt they are. Miss Sells is an able pianist. She proved herself to be master of the instrument and is also an excellent accompanist. Miss Lammie, violinist, secured her A.T.C.M. with honors. She is a fine violinist and also plays the piano with credit. She makes her violin speak as if it had a soul. Miss Slay, the elocutionist and vocalist of the party has a good voice well trained. Her elocutionary numbers were good and supplied lighter note to the entertainment and made the program a well-balanced one. Miss Sells and Miss Lammie possess pleasing voices and all their number were greatly enjoyed. The hearty applause showed that the audience was entirely in sympathy with the performers. The blind artists were under the direction of Miss Lillian Sedwick, formerly of Watford. Mr. W. G. Connolly filled the office of chairman. Proceeds \$42.00.

MASONIC LODGE OF INSTRUCTION

A Pleasant and Profitable Day Spent in Watford by District Craftsmen
The Free Mason Lodge of Instruction held in Watford Friday last was a red letter day in the annals of the craft in St. Clair District No. 2. The Armory was fitted up as a temporary lodge room and the visitors were pleased with its spaciousness and adaptability for the purpose. Representatives to the number of nearly two hundred were present, over twenty lodges in the district sending a contingent.
The lodge was opened in the first degree at 2.30 o'clock by Havelock Lodge and R. W. Bro. W. R. Dawson, District Deputy Grand Master and visitors were accorded a hearty welcome. Among the distinguished visitors invited to a seat in the East were V. W. Bro. Nixon of Toronto, representing Grand Master Colonel Ponton who was unable to be present, and a number of Past Deputy Grand Masters of the District.
W. Bro. G. O. Stephenson and officers of Havelock Lodge, Watford, exemplified the first degree and W. Bro. W. W. Miller and officers of Leopold Lodge, No. 397, Brigden, the second degree. These degrees were given an almost perfect rendition. The brethren were then called from labor to refreshment and proceeded to Trinity church basement where a tasty and nicely served supper was provided under the direction of the local branch of the Women's Institute. Over two hundred brethren sat down and much enjoyed the good things provided for the inner man.
Assembling again at 8 o'clock in the lodge room the brethren officially welcomed the Grand Lodge Officers present and accorded them the Grand Honors befitting their rank. W. Bro. Leslie W. Oke, M.P.P., and the officers of Alvinston Lodge, No. 328, then exemplified the third or Master Mason degree.
The beautiful ritualistic work of this degree was given a most impressive and almost word perfect rendition and throughout the entire exemplification held the undivided attention of the craftsmen present.

R. W. Bro. Dawson reviewed the work of the degrees and had little criticism to offer. The Grand Master's representative V. W. Bro. Nixon, gave an instructive and interesting address which was most attentively listened to. Bro. Nixon has many admirers in the district who are always pleased to hear him talk Masonry as he has complete knowledge of its working throughout the globe. After short speeches by other prominent brethren the gathering dispersed about 11 o'clock, all having enjoyed a most pleasant and profitable day.
JOSEPH E. ARMSTRONG
Unanimously Re-Nominated as the National Liberal and Conservative Standard Bearer.
A convention of the East Lambton National Liberal and Conservative Association as constituted for Federal purposes, was held at Alvinston on Wednesday afternoon and was largely attended. Mr. W. R. Dawson, president presided. The convention was called for organization and to select a candidate to contest the riding at the coming general election.
Joseph E. Armstrong, who for a number of years has represented East Lambton in the Federal House, was unanimously chosen standard-bearer in the coming election Dec. 6. Despite disagreeable weather and bad roads the hall was packed to the doors and the convention representative of every section of the riding gave the candidate an enthusiastic reception. The meeting was marked by the large number of women delegates, who occupied the center of the hall.
The president of the East Lambton National Liberal and Conservative party, W. R. Dawson, of Inwood, was the only other man proposed. As soon as the nominations had closed Mr. Dawson withdrew his name and moved that the choice be made unanimous. When the motion was put the hall shook with the applause and cheers.
"The man whom you have chosen as your candidate has been a credit to the riding of East Lambton," declared Mr. Dawson. "I have been a resident in the constituency for years and I cannot remember a man who has done so much for East Lambton as Mr. Joseph Armstrong. If we get together now, shoulder to shoulder, we can re-elect him. This is the best convention ever held in East Lambton."
At the conclusion of the meeting a resolution of the unanimous approval of the prime minister and the platform of the National Liberal and Conservative party was passed on motion of R. G. R. McKenzie of Petrolia, and Donald McLarty of Dresden. This was followed by three cheers for the candidate, Joseph E. Armstrong.
When the candidate arose to speak he was afforded an enthusiastic reception and accepted the nomination in a neat speech.
Other speakers were Rev. J. H. Woods, Mayor Woodrow and Mrs. Armstrong.
Before the nomination the officers of the Association were elected. All of the old officers and practically all of the executive returned. The officers and executive are as follows: President, W. R. Dawson, Inwood; first vice-president, D. R. McCahill, Forest; second vice-president, Mrs. Thomas Allison, Alvinston; rec. sec., T. Harris, Watford; cor. sec., W. E. REGULATING LAKE FREIGHT RATES

(St. Thomas Times-Journal)

A random jotting in the Farmers' Sun runs to the effect that it is time "lake carriers were placed under the Railway Commission for the regulation of freight rates. The lake transportation interests have too much of a monopoly and throttle trade by ex-

The National Crisis

"My appeal is to the whole people; to every man and woman who wants to do right by this country; to everyone who breathes the spirit of our fathers who founded this British Dominion."

—ARTHUR MEIGHEN

THE Election to be held December 6th will be the most momentous in Canadian history; for as men and women vote will depend the economic stability, the political stability and, indeed, the national stability of this country.

Today we find group striving against group, class against class, the industrial and financial structure of the country assailed by false and unsound doctrines and theories, while our great neighbour to the south has adopted a trade exclusion policy directed against Canada's vast agricultural interests.

The currencies of nearly every country in the world are depreciated. The Canadian dollar in the United States is subject to a heavy discount causing a loss of over one hundred million dollars in exchange annually.

Europe is overwhelmed with war debts—unemployment is acute—and the restoration to pre-war conditions is slow.

While Canada is in a much more favorable condition than many countries, yet there is evidence of stagnation, instability, unemployment and lack of confidence.

Taxes are heavy because of the country's efforts in the Great War, but have become burdensome on account of the misconceived policies and blunders of Governments that directed Canada's affairs prior to 1911.

These conditions are largely the direct aftermath of the war, but they must be dealt with fearlessly and constructively. This is no time to consider experimental changes, or the theories of visionaries.

This is no time for Crerar and his Free Trade policy.

This is no time for King and his wobbling "chartered" policies, varying with each provincial boundary.

It is the time to cling to orderly, stable Government in the interest of all the people; to be guided by the experience of the past, proceeding upon lines that have been proven sound.

It is the time to place the destinies of Canada again in the hands of a Government led by a sane, courageous Canadian who has safely brought the country through the trying years of reconstruction, and upon whom we can rely to retain and initiate policies in the interest, not of a group or class but of all the people.

It is the time to support Arthur Meighen and his Candidates.

cessive rates." While we are not in a position to support or question the reduction of the cost of transportation agreement that the rates, whether they can be shown to be excessive or otherwise, should be under some kind of public control. Theoretically the lakes, like the ocean, are free to all kinds of competing vessels, practically the traffic is largely in the hands of aggregations whose hold is almost that of a monopoly. Whenever that condition exists, there is bound to be public challenge. Just now the cry everywhere is for refusing it. We can see no ground by land, and, the railway executives themselves freely admit that this is necessary before a revival of business can get fairly under way. The railways have been investigated time and again, they cannot raise rates without showing cause, and they can be called to answer a demand for rate reduction and to give good reason for refusing it. We can see no ground for drawing a distinction between land and water transportation in that respect when the water traffic is as much of a monopoly as is the land. The matter will certainly be brought up again in the new Parliament, if Mr. J. E. Armstrong of East Lambton, is then to the fore-

Children Cry for Fletcher's **CASTORIA**

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. Interesting Services at Moorline Church When Helen McDougall Was Ordained

Services dedicating Miss Helen McDougall as a missionary to Honan China, were held at Moorline church, Friday night, Oct. 7th. The Rev. J. C. Forster, present pastor of this congregation was in charge of the services. After a hymn was sung, a scripture passage read and a prayer offered, the Rev. J. R. Hall, pastor of St. Paul's Presbyterian church, Sarnia, conducted the services in place of the Moderator, the Rev. George Aitken of Center Road. Mrs. J. C. Forster, representing the general board of the Women's Missionary Society of Canada, gave a short address and according to custom, presented Miss McDougall with a bible. She also expressed greetings from the provincial board and assured the missionary of the sincere support of the organization under whose care she would be working.

This was followed by a short address from Mrs. Sturrett as a representative of the Sarnia Presbyterial from the executive of this society, she presented Miss McDougall with a box camera.

Following these presentations Miss McDougall made a short reply in which she stated that it was no sacrifice for her but that she was taking up her work with real joy and firm faith in God.

Mrs. Arthur Elliott sang a solo "He Stood in His Garden," which well expressed the sentiment of the services.

The address of the evening was given by Rev. Dr. McKay of Toronto, who is at present secretary of the Foreign Mission Board.

In his opening remarks Dr. McKay, stated that Miss McDougall had one of the strongest forces for good as part of her support, the prayers of the godly women of the Women's Missionary Society of the Church of Canada. She was a missionary as Christ was, and as she followed in His footsteps in that proportion would her work prove successful.

The speaker then discussed Christ's great missionary work on earth and the qualities that made His work so successful. He was specially endowed with the Spirit of the Holy Ghost and this was in evidence throughout His life. He understood the Old Testament thoroughly and placed its teachings in their proper order. Christ also divested Himself of His

Glory, of His Heavenly home, of His power, to fulfill His mission, as an echo of His Heavenly Father. So, the speaker stated, do men who are great sacrifice much in order to fulfill their duty. The speaker exhorted the people to strive to be like Christ, to remember God's promise to impart the spirit of God to all who asked for it. "To cultivate the more important things of life, and strive to give unselfish service towards mankind," he added.

Dr. McKay discussed in a very interesting manner the wonders of China, with its mighty rivers, its broad cultivated acres and its wonderful cities. He emphasized the necessity for the missionaries to become very familiar not only with the language but with the customs of the people. The Chinese people were very industrious, kind, gentle and courteous. Also they were very frank in telling of their life and experiences. Modern civilization was not seen in China and the people were very poor. In the country there was great opportunity for developing a christian character in the people.

In the summary of his address he compared the work of Miss McDougall to the work of an artist who by diligent work, scrapped off the whitewash and found the last picture of Dante.

In spite of the very bad weather, a number of people from Sarnia, Petrolia, and the neighboring district gathered at Moorline and heard that inspired service. Mr. Conn of Sarnia and Mr. McDougall of Petrolia, were present. The latter is an uncle of Miss McDougall. Mr. and Mrs. W. J. Sharpe of Sarnia, Mr. and Mrs. Robert Sharpe of Sarnia township and other relatives of the missionary were present. Many from Moorline, some from Burns and others from Port Huron who are interested in Miss McDougall and her work were also present.

Miss McDougall's ancestors came from Ireland and Scotland, but she herself is a true Canadian, as she was born and educated in this country. After graduating from the local public schools she studied at the high schools in Petrolia and Sarnia for two years. She is also a graduate of Sarnia Business College and spent several successful years on the staff of the Home Bank, Toronto. While in that city she became interested in mission work and for a while studied the work at night school. She also studied for two years at the Bible College in the same city. Miss Helen McDougall has won honor for herself and her school in that she is the

first graduate of this college to be sent under the auspices of the Foreign Mission Board of the Presbyterian Church of Canada.

Under their supervision she will leave her native land from Vancouver November 28, bound for Shanghai. Then she leaves for the British possession of Wei Hu Wie, and she expects to spend some time including the Christmas season in Honan. Later she will proceed to Peking to study the people and their language for a year before she begins the great work to which she has devoted her life.

WHAT TO DO FOR STOMACH TROUBLE

Good Advice From One Who Had Suffered Much

Nine-tenths of all forms of indigestion or so-called stomach trouble are not due to the condition of the stomach at all, but are caused by other influences. The great contributing cause of indigestion is thin blood. Good blood and plenty of it is required by the stomach to take care of the food. If the blood is thin the stomach functions sluggish, food lies undigested, gas forms and causes pains in various parts of the body. Instead of getting nourishment from the blood the system gets poison.

Relief from this condition can be obtained by the tonic treatment which Mr. D. Shaw, Mt. Stewart, P.E.I., tried and now warmly recommends to others. Mr. Shaw says: "I suffered from indigestion for over four years, and have tried many of the well-known remedies for such troubles, but never obtained more than temporary relief. The trouble was aggravated by constipation setting in owing to the stomach failing to do its work, and laxatives only gave relief to the bowels and left the stomach in worse condition. The result was my blood was growing more and more anaemic, I did not sleep well at night and was growing despondent. I was in this wretched condition when a friend advised me to try Dr. Williams' Pink Pills. I got three boxes and by the time they were finished there was a change for the better. This greatly encouraged me and I continued taking the pills for some three months, by which time my stomach was all right again, my blood good, nerves strong and life was again worth living. My advice to all who suffer from stomach trouble is to give Dr. Williams' Pink Pills a fair trial."

Dr. Williams' Pink Pills can be obtained through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

ARE FALL FAIRS DECAYING?

A noticeable feature about some of the district fairs this year was the lack of interest taken in them by both exhibitors and visitors. On the other hand School Fairs are increasing in popularity and attendance each year, the entries more numerous and the competition greater. What is the explanation? Are the older fairs deteriorating into professional displays where a few exhibitors take the bulk of the prizes with little or no competition; or have people lost the desire for friendly rivalry in the productions of farm and home? Certainly something must be done by directors to revive interest in the old-established exhibitions or they will soon die a natural death. To show that the trouble is not confined to one section, but is general, we take an extract from the Aylmer Express, which says:—

"The Aylmer Fair is a thing of the past for another year and in some respects at least the exhibition was nothing to boast about. The weather man did his part and smiled upon us, and the attendance fully met all expectations. In the majority of the departments however, the exhibits were conspicuous by their absence. We are told that at Tillsonburg and at other places the same conditions prevailed. What is the cause of so great a change in this respect? A few years ago it was found practically impossible to provide sufficient space for exhibits, and the cry was for more room. One tells us that the prize money offered is not large enough even though a prize be won, to pay for the trouble of bringing in the exhibits. That may be so, but we have never understood that the primary object of holding a fall fair was for the purpose of fattening exhibitors' pocketbooks. The argument of another former exhibitor is that it is all too much bother. He prefers to crank up his auto and bring in the family to be entertained as spectators. If that feeling is general among agriculturists, and we fear it is becoming so, it will not be many years before district fairs will go out of existence."

The Tilbury Times says: Large quantities of sugar beets are coming in for shipment, about 10 per cent. of which are composed of mangolds, but which are drawing the same prices as beets, owing to the fact of the company in mistake distributing a large quantity of mangold seed for sugar beet seed in the spring.

The National Debt of the United States is a little more than ten times that of Canada, while the population of the United States is twelve times as great as that of the Dominion. Canada, however, has much the greater investment of public money in railways and canals in proportion to population.

A week or two ago, we published an item regarding an apple in the possession of Charles Marchen, of Ingersoll, which had been picked nearly fifty years ago. A correspondent from Olinda, says that Wm. Brigham, of that place, has an apple grown on the John Stewart farm at the old Furnace over sixty years. It was a very large Lady Washington variety. The apple was picked by Mrs. Adelia Wigle, of Detroit, then Miss Adelia Setwart. Her mother fixed the apple with cloves, and it is still in a fine state of preservation.

The Strathroy Age-Dispatch has the following good joke in its report of the proceedings of the Strathroy Chamber of Commerce on Thursday evening, October 6th, last, viz: "A number of live topics came up for consideration, one of them being the advisability of advertising the town and bringing it before the attention of industrial corporations in the United States, many of which are planning to establish industries in Canada. Some action will no doubt be taken along this line after the matter has been delved into more thoroughly."

THAT'S ADVERTISING---and the farmer knows where to get the egg.

Every merchant in Watford, Arkona, Kerwood, Inwood, Warwick Village and throughout the territory of East Lambton where The Guide-Advocate circulates, knows of several instances where people in his vicinity bought certain articles or supplies in some outside city or sent to Toronto mail-order houses—when he had the same goods in stock at practically the same price or probably a little lower.

But you did not tell them!

Of course, it is not the custom to-day for a merchant to go from house to house proclaiming his goods—but it is the custom of every wide-awake, successful business man to place his message in the local newspaper covering his territory, telling his readers the many articles he has in stock that they require, emphasizing the Price in every case.

Quality and Price receive first consideration. Most people would rather buy from their local merchant—providing the Quality and Price are as good as they can secure elsewhere. If you can assure them on these points, you have made the sale. People are drawn by the Price today—therefore emphasize the Price on every article you advertise.

If you think it difficult to prepare your Fall and Winter Advertising The Guide-Advocate would be pleased to assist you in any way. Ask us.

I SUFFERED FIVE YEARS

Finally Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Paris, Ont.—"For five years I suffered from pains caused by displacement of my organs and in my back. All of this time I was unfit for work and was taking different medicines that I thought were good. I saw the advertisement in the papers of Lydia E. Pinkham's Vegetable Compound and took it faithfully. I am now in perfect health and do all my own work. I recommend it to others, and give you permission to publish this letter in your little books and in the newspapers as a testimonial."

—Mrs. D. CASSADY, Box 461, Paris, Ont. Why women will continue to suffer so long is more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound!

For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc. If you want special advice write to Lydia E. Pinkham Medicine Co. (contidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

MRS. MARGARET LAW

The late Mrs. Law, formerly Miss Margaret Meikle, who died at the home of Mr. John Reid, Parkhill, on Oct. 5th, 1921, aged 94 years, was born at West Calder, Scotland, Sept. 14th, 1827. She was the last surviving member of a family of eight. During her early womanhood she was in the service of the late Lady Selkirk, who at her death left her an annuity in appreciation of services well rendered. In the early seventies she was united in marriage with Thomas Law, chief forester to the Earl of Selkirk on his St. Mary's Isle Estate Kirkcubright Shire, Scotland.

After the death of her husband she came to Canada and settled in Parkhill in 1884 and has been a resident ever since, for 37 years. She enjoyed all her faculties being a most interesting conversationist. About a year ago her health began to fail and during the last months she made her home with Miss Reid.

On Monday, Oct. 10th she was laid to rest beside her father, mother and three brothers. Rev. Mr. Shepherd conducted the service at home and at Lelancy's cemetery where interment took place.

Her nephew, Alex Meikle of Alvinston and a nephew from the United States attended the funeral.

WILLOUGHBY—MARSHALL

A quiet but pretty wedding was solemnized at the Manse, Watford, on Thursday, October 6th, when Eva Pearl, youngest daughter of Mrs. John Marshall, became the bride of Roy E. Willoughby of Warwick, Rev. E. H. Sawers officiating.

The bride wore a travelling suit of taupe broad cloth with hat to match and red fox furs. Little Margaret Pedden, niece of the bride, made a charming little ring bearer, gowned in pale blue silk, carrying the ring in a basket of pink roses and fern.

The groom's gift to the bride was a necklace set with pearls; to the ring bearer a ring set with garnets and pearls.

Immediately after the ceremony the happy couple left on the afternoon train for points east for a short honeymoon and on their return they will reside on the groom's farm, Main road, Warwick, and will be at home to their friends after November 1st.

BROOKE AND ALVINSTON SCHOOL FAIR

Petrolia, Oct. 18—Brooke and Alvinston fall fair, which was held on Wednesday, was a success, despite the threatening elements of the day. The agricultural hall was completely filled with exhibits. The school's exhibit filled the entire centre of the building. From points of numbers and quality, the exhibit surpassed all previous records. This was the third school fair held in conjunction with the fall fair, and has proven an unqualified success. The prize list for the children's exhibit was one of the best in the province. Ten prizes were awarded in each class, and for every exhibit after the ten the child was granted 10 cents for his or her trouble.

The grand sweepstakes for the girl or boy scoring the greatest number of points in the school's exhibit was won by Beatrice Augustine of S. S. No. 17-1, Brooke and Euphemia. The prize was a six-months old Scotch Shorthorn roan heifer of the Clemin-tine family.

The live stock judging competition open to the boys and girls, taking part in the school's exhibit was won by Donald Kerr of S. S. No. 5. Donald Kerr will receive for his effort railway fare and expenses to the Provincial Winter Fair at Guelph.

The Chester White sow, donated by Walter Annett of Brooke Township, for the best exhibit in the bacon hog class, exhibits to be fed and cared for by the exhibitor for at least three months previous to the date of the fair, was won by Harold Hair of S. S. No. 10.

The special prize of \$10 in books for the school scoring the greatest number of points was won by S. S. No. 15.
