Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

*Entered, according to Act of Parliament of Canada, in the year One Thousand Eight Hundred and
Seventy-One, by W. SAWERS STIRLING, in the Office of the Minister of Agriculture.*

TO THE PUBLIC.

To the casual observer the accompanying Tables may appear to have been unnecessarily extended, but, in explanation, the Author would remark that, while the additional results have merely entailed the tacking on of a score or two of figures, and the shifting of a like number of decimal points, he is convinced that Bankers and Commercial Men conducting an extensive business will appreciate the extension as a convenience, and more particularly in converting the gross items of *that last Balance Sheet* which will stand out by and by as a grim cenotaph to mark the place of sepulture of our defunct currency.

It would be a matter of congratulation did the inconveniences arising from the change terminate with a converted Balance Sheet; unfortunately, the work is then but beginning.

In the experience of *that faithful and devoted public servant—the Banker*—every Promissory Note which goes to form that one item, "Bills Discounted," has to be separately manipulated; every Individual Current Account, every General Account, every Stockholder's Account must undergo a similar transformation, and that under circumstances peculiarly perplexing. It is simple enough in the terms of the Act to state that 75 cents of Nova Scotia Currency shall represent 73 of Canada Money, but when we seek for an exact percentage it is not to be found; decimal fractions alone come to our aid, and we are confronted with \$2.66,6 per cent. as the result of our search.

Tables will need to be diligently used ere the undertaking is brought to a satisfactory conclusion, and there is little doubt that many a heartfelt sigh will be breathed over our "*dear departed*," still "so beautiful in death."

In bidding farewell to his patrons and fellow-sufferers, the Author, while disclaiming any political motive beyond the matter in hand, cannot refrain from wishing them all success in the work of "Conversion," and a happy issue out of all their troubles.
