#### VOL. XLIV.

"Christmas Carol. And now 'tis the Christmas me The grand day of the year : The sky is heavy with snow-clouds The last green leaf is sere

The little birds sit cowering Upon the frozen bough, And the beggar-children murmur "'Tis winter fairly now!"

Tis winter, pitiless winter, The earth is barren and cold. But the Christmas fires are burning And pockets are lined with gold.

For the great, good gift of blessing That came down long ago, When earthly rivers are frozen. Is fullest in its flow

Then the rich stint not in giving. The loving stint not in love, And each in the Christmas season nbles heaven above :

So let us rejoice in the Christmas, The season of gladsomest cheer, And make the great blessing it bringeth Joy-giving the whole of the year

Miss Grey's Christmas Gift.

known the softening dew of tears.

kindling the fires, sent Nicodemus to

clear the snow from the front steps.

The world was all in white that morning.

The first snow of the reason had fallen
