attack as those affecting the throat and lungs; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious ex-posure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTOBAL has A Terrible Cough Cured.

A Terrible Cough Cured.

"In 185 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sicep. The doctors gave me up. I tried AYER'S GHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

HORACE FAIRBROTHER, "Rockingham, Vt., July 15, 1882. Croup. - A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of Aven's Cherry Pettoral, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the Cherry Pettoral had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY."

159 West 128th St., New York, May 16, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERBY PETORAL. JOSEPH WALDEN." Byhalia, Miss., April 5, 1882. "I cannot say enough in praise of AVER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles F. BRAGDON," rom lung troubles F. Bu Palestine, Texas, April 22, 1882. No case of an affection of the throa lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine. PREPARED BY

Dr.J.C.Ayer & Co., Lowell, Mass. Sold by all Druggista.

No other complaints are so insidious in their

with throat and lung diseases, and should be taken in all cases without delay.

"I have used Aver's Cherry Pectoral in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried.

A. J. Crane."
Lake Crystal, Minn., March 13, 1882.

Rev. Mr. Lounders of Prince William was ordained a priest at the Cathedral last Sunday morning.

Mr. F. B. Meagher, principal of the Balturet Grummar School, is annong his friends in Fredericton.

The City Hall stage and gallery will be in gaged.

Expected to be marriod. In fact we were en gaged.

"But one night we happened to be passenger shelp of the two cables. After the shore end of the two cables. After the shore of Ocean Parkway the slender than the two cables. After the shore of Ocean Parkway the slender than the two cables. After the shore of the two

of a thousand miles away from New York. | cine known. Two seconds after the touching of the key, the point of the siphon danced from side to side of the strip of paper and stopped. The ink had left a hieroglyphic that looked like Mayor Edison's recent course.

"Ob," said Mr. Ward, laying down his cigar, "he says, 'Go ahead.' Now, I'll—" ascertain the penetrative power of the 120-

Always ready." "Now, what would you like to know from and St. Stephen lottery swindlers took leg bail last week, and the whole concern is broken up. The case against the swindlers thick the armor that may be placed on it. man-of-war, guns will be built to pierce a The time is evidently coming when armor a topic as anything else, so we'll ask them; of pain, from which I was not free for a day, The St. John Sun says that Jas. A. Pitt f Indiantown, and J. Fraser Gregory, the sels, any of which can be destroyed by a had no more than sounded when the sipho more quickly than the eye could follow its if it can be avoided, for the only chance of safety in such a battle will be to plant a shot Ward called "Time!' and the man who

"London says, 'Starry night. Very dry.' imphantly; "isn't that pretty nearly annihilating space? That message of inquiry has gone from hero to Canso, N. S., from whence it was transmitted to London; the qualities and real merits have made them so

company frequently took an hour and a half or two hours to get a message to Brooklyn, line Sherry Wine, and choice aromatics, It is a well known fact that bread made with yeast, if eaten before it becomes stale, ferments again in the stomach, producing indigestion and numerous other complaints. Bread raised with Royal Baking Powders, instead of yeast, is entirely without this defect; but on the contrary, is one of the most effectual preventatives of indigestion.

Bench and Bar.

An Ontario Lawyer impeached for talking back at the Court Upon the opening of the Middlesex, Ont.

J. B. Grieves, T. G. Loggie, A. F. Street.
Two rinks each will play in the forenoon, and two in the afternoon.

At the public examination of the Frederiction Collegiate School last Friday, Principal Parkin took occasion to refer to the disadvantage under which the school now labored, having collection are insuch equivalents that they always neutralize each other. Bread made in this domewhat of a personal explanation. An way does not require mixing over night, but may be prepared ready for the oven in a few minutes; an advantage that will be readily tegrity as counsel for the Crown is most ceriously impugned, and I apprehend that I am ont transgressing propriety in calling your attention to the matter. If it were merely the opinion of the Free Press, perhaps it would not be necessary that I should make any re-

Sydney to Brisbane. The provision from the character of the Free Press, I presume Africa is a service to Delagoa Bay, with calling places at Havre or Cherbourg, the Corea, Angra-Pequei a, Cape Town, Natal, Mozam-His Honour—I think you should not. If bique and Zanzibar. This extensive pro-gramme will for a while be very costly to over other people you cannot over this court. This court has something else to do.

Mr. Hutchinson was then permitted to make an explanation, but in doing so, wandered off again into an attack on the Free Press, As we intend closing our books the last of and other irrelevant matter, when the follow-

criticizing the trial? Mr. Hutchinson—I have a night to do—

His Honour—You have not a right, Mr. Hutchinson (emphatically)—I have ight. His Honour-I order you to stop, sir!

His Honour-You will explain it else-Mr. Hutchinson-I will explain it here. His Honor—You will not. This is not an explanation of your conduct. What have I to do with Mr. Blackburn or the Free Press i Mr. Hutchinson-If you cared for the honor of this court you would.

His Honor-But you are going into a criticism of this trial. Mr. Hutchinson-I have gone i ito explanations of this case. His Honor-You have not done that. You have gone into this newspaper article.

By a final splice at Coney Island, direct
Massachusetts for the first time for the recent

reporter to keep his eye fastened on an unimportant looking little glass siphon that was suspended on a vertical parallel to and with

his eye on the siphon and the strip of paper years, and tried many remedies, but of no and awaited developments.

"I'll just call up Canso," said Mr. Ward, and as he puffed his cigar he touched a little Sick Headache, Liver and Kidney Combrass key, Canso is in Nova Scotia, a matter plaints, Costiveness, etc., it is the best medi- Boquets, Grasses.

According to the London Vanity Fair, " A remarkable sight is to be seen at Monymusk the residence of Sir Francis Grant, in Aberdeenshire. In a large duck pond adjoining the stable square, hundreds of wild duck disport themselves in perfect security. They are not time wild ducks, but bona fule wild ducks-wild wherever they go, yet tame the moment they settle in the pond. They and left another "hen track" on the strip of swim up to be fed within a few feet of any paper, which the manager interpreted to be of this pond they are as wild as the wildest wild duck can possibly be."

In the Journal de Medecine de Paris s writer proposes that all large cities be supplied with fresh country air just as they now are with water. A large field in the country is to be surrounded with a high wall and planted with balsamic trees, to filter the air from dust. The air is then to be forced through pipes into every city house. The "There!' exclaimed Manager Ward, triprovides for cooling the air in summer and heating in winter.

answer was sent from London to Canso and popular with the public, and increased from transmitted here-a total distance of more year to year their comsumption, which, than eight thousand milos-all within forty- whilst possessing the most valuable remedial properties, are yet so simple in their com-The reporter looked at Mr. Ward and at the unimportant looking little siphon, and as it flashed upon him that the Western Union

The wind without was wailing, with a wild and woeful sound. And the fleecy folds of the drifting snow lay deep upon the ground.

But what cared Farmer Ketchum for th tumult out of doors, For he had foddered the cattle and don the other chores; And snug in the chimney

easy chair he sat, Silently smoking his old clay pipe pooring the purring cat. While plying her knitting

wife rocked to and fro. Humming a hymn and dreaming a dream of the long ago. ()ver the old-time fire place, a rusty musk

et hung, And a score of strings of apples from the smoky ceiling swung: While back in a dingy corner, the

clock ticked away, And looked like the sagging farm hou fast falling to decay. The knitting fell from the woman's hands

the old man turned about, He took his pipe from his mouth slowly knocked the ashes out, And after thinking a moment, he with a solemn air ;

"Tis Christmas Ece, but the stockings don't hang by the chimney there."

The woman sighed, and then replied, in a sad and faltering tone: The years have come an' the gone, an' we are ag'ın alone, An' I have jest been thinkin' of a Christ-

mas long ago. When the winders were frosted over, an the ground was white with snow. When we sot in the chimbly corner, by the firelight's cheerful gleam:

When our lives were full o' promise, an the future but a dream; When all o' the rest o' our folks had gone

An' we sot an' looked, an' I listened i the whispered words you said. Till home from Benson's store came lickin' brother John An' a peekin' thru' the winder, saw

away to bed,

was going on. Then how the neighbors tattled an' talked all over town. Till you an' I was married, an' quietly

settled down. "While a-rummagin' through the cobwebs in the garret t'other day, I found a pile o' broken toys in a corner

stowed away, An' a lot o' leetle worn out boots a layin' you to sit with me a while longer.' in a heap,

She plays on the planner, nor works with her lilly white hands,

An' she talks in a foreign lingo that no one understands.

Her ladyship chuckled and nodded her head contentedly, and then started up to a rrange the table.

Should play a game.

Her ladyship chuckled and nodded her head contentedly, and then started up to a rrange the table.

"You never can bring contempt upon did. I am sorry you should have been to so much inconvenience, and Brownie's sweet lips trembled.

"You never can bring contempt upon did. I am sorry you should have been to so much inconvenience, and Brownie's sweet lips trembled.

"You never can bring contempt upon did. I am sorry you should have been to so much inconvenience, and Brownie's sweet lips trembled. Please keep your seat, Lady Ruxley, The youngest o' our livin' boys I never and allow me to wait upon you," Brownie

said, said, rising quickly. Then she drew up her own chair, and disturbed.

his the contest began. ways, but not a vicious lad;

An' somehow we couldn't keep him quite in this fascinating game.

wherever he may be—

"You lost your queen; but if I beat, I old keep him safe an' bring him home in this good time to me.

"You lost your queen; but if I beat, I old lady when she became better acquaint there was a kindly gleam in her eyes old lady when she became better acquaint there was a kindly gleam in her eyes old with her, and found her, with all her closer. "I miss our children's voices, for all gone smiled to see how quickly she had detection than either Mrs. Coolidge or Isabel ed her ruse

The next morning, after the servant

There was a rap at the outside door, the "Miss Dundas," the lady said, "I must several hours a day so that the time slipapologize to you for any seeming neglect ned by until Lady Randal and her family The woman sprang from her rocking chair in not coming to see you before, but I came down to Vallingham Hall, the adhave a house full of company; but I have vent of which was to open a new era in The door swung widely open, and banged given orders that you should want for Browaie Douglas life! nothing. I am Lady Randal, and I have

tion with you." She seated herself, and motioned for Brownie to do the same, then resumed:
"You have had quite a serious accident

of so much wrong.

She had a cold, false eye, and a cum darling, and Wilbur told me something not say you nay," pleaded the young regarding the jewels, but I never dream girl, earnestly

she laughed lightly but disagreeably at to Sir Charles Randal, Adrian said, when "Very well, darling, let it to as you know she is engaged wish. That will not to very long to the young girl's words.

"Oh, I do not claim any mer:t whatever Lady Ruxley, who is very eccentric and important circumstance. "What's the matter? You are not wifful, insisted upon it, and gave up her strong enough to walk! Go back and sit own chamber for your accommodation, she sleeping meanwhile in her maid's with Lady Ruxley constantly, and scarcely Lady Dunforth!

He was so confident of the we'come which she wou'd receive from Lord and with Lady Ruxley constantly, and scarcely Lady Dunforth!

Giving her another searching glance, her ladyship passed on, and instead of going out at the door, as Brownie expect. ed she would do, she proceeded toward the opposite side of the room, where a set of heavy satin damask curtains hung suspended from a richly-gilded cornice.

Brownie supposed that they concealed a window, but sweeping them aside, her guide conducted her through a lofty arch.

Tooms should be connected by archways and curtains instead of doors.

I regret exceedingly, she returned, with dignity, that I should have put an aged lady like Lady Ruxley to such inconvenience. I laid my plans yesterday to go to some hotel as soon as I should be able, and remain until I fully recover the use of my arm. If you will allow one of your servants to crider a carriage for me. I will lam told he is a very fine young men

airiest room in the world.

It was a sort of parlor, library, and music-room combined, and contained every comfort and luxury which the hu

A HOME COMPANY

PRESIDENT-SIR W. P. HOWLAND, C. B., K. C. M. G. VICE PRESIDENTS-HON, WM. MCMASTER, WM. ELLIOTT, ESQ. MANAGING DIRECTOR-J. K. MACDONALD. This Association merits the confidence that the public is resposing in it, from the following facts:—
The Security offered to policy holders is unsurpassed by any Compaffy doing business in th Dominion. Its progress has been unexampled in the history of Insurance in Canada.

Its Policies are indisputable after three years, and non-forfeitable after two years. The Cash Profit results paid to policy-holders have not been equalled by any Company in Canada. The following are examples of actual Reduction of Premiums by application of profits:—

Robert Taylor, Haiffax, insured for \$10,000 in 1872, premulm \$317.70; in 1882, \$180.10.

John Willis, Haiffax, insured for \$10,000 in 1871, premulm 31.77; in 1882, \$14.20.

John S. McLean, Haiffax, insured for \$1,000 in 1871, premulm \$137.76; in 1882, \$70.06.

Mayor Jones, St., John, insured for \$5,000 in 1871, premulm \$172.20; in 1882, \$77.20.

The fullest information will be given on application. J. W. FITZPATRICK, H. C. WINTER.
