This institution was founded in 1860, in connexion with the Church of England.

It has now over ninety pupils, the highest number yet attained. The object aimed at is to ensure a sound religious, moral and secular education, and to place within the reach of the greatest possible number, in this our distant home, the means of forming the habits and character of an English lady.

Every effort has been made to render the staff of teachers as complete as possible, and the Board hope to strengthen this still more from time to time as the funds enable them to do so.

The noble edifice, placed by the munificence of friends at home at the disposal of the Board, contains everything to ensure the health and comfort of the pupils. The rooms devoted to study are lofty and spacious.

The dormitories and lavatories are fitted up with every convenience, and a dry and spacious playground surrounds the whole of the building.

The situation is high, and in the most healthy part of Victoria, close to the Cathedral Church, and opposite the residence of the Bishop.

Friends abroad may rely on every effort being made to ensure the comfort and welfare of their children.
