PREFACE.

HE Publisher takes pleasure in presenting to his Patrons the Thirteenth Volume of the Ottawa Directory.

The Book will be found divided into Street, Alphabetical, Classified Business, and Miscellaneous Divisions, including the Suburban Villages contiguous to Ottawa; and also a Directory of the City of Hull.

In order to meet with the approval of the business community, every effort has been made to secure accuracy in the various departments, up to the date of printing, but as changes and removals are taking place almost daily, absolute correctness is almost impossible.

ALBION HOTEL

MCGILL AND ST. PAUL STREETS,

MONTREAL, CANADA.

—:O:—

STEARNS & MURRAY, — Proprietors.

—:O:—

THIS Hotel has for twenty-nine years been the favorite resort of the travelling public of Europe and the United States, as well as of Canada, when visiting Montreal on business or pleasure. The Hotel has recently been renovated and re-furnished throughout.

McGill Street is the great business thoroughfare of the City, and from its proximity to the principal houses of business, justly entitles THE ALBION to that large and increasing support it is receiving from the Commercial class; while from its favorable position it commands a magnificent view of the River St. Lawrence, the Victoria Bridge, Victoria Square and Mount Royal.

It possesses every convenience which the travelling community can require, and we trust that our long experience in the business will give confidence to our friends that they will continue to enjoy at THE ALBION the advantage of a really *first-class Hotel, at second class prices.*

STEWARTON.

Destined very shortly to be an import-
 ant suburb of the City of Ottawa;
 is situated on lot F, Rideau Front,

in the Township of Nepean and
 County of Carleton, and runs the
 whole length of the southern limits
 of the said city, until it connects
 with the concession line. It be-
 came the property of the late Wil-
 liam Stewart, Esq., many years
 since, but has only been thrown
 open for general settlement within
 the last eight years. The Canada
 Atlantic Railway depot and work-
 shops are situated foot of Elgin
 street. The present population is
 about 400.

ST. LAWRENCE HALL

MONTREAL, CANADA.

For the past 32 years this HOTEL, familiarly known as the "ST. LAWRENCE," has been a household word to all Travellers on the Continent of North America, and has been patronized by all the Royal and Noble Personages who have visited the City of Montreal.

This Hotel, including the entire block, which is admirably situated, being in the very heart of the City, and contiguous to the General Post Office, Public Buildings and other places of interest and of business, has recently been acquired by Mr. HENRY HOGAN, the former Proprietor, who has handsomely and appropriately decorated and renovated the interior, and completely refitted the whole of the apartments with new furniture, comprising 100 new rooms, and making the present number of apartments 250. A new and elegant Passenger Elevator has also been added, and the Halls and Public Rooms are lighted by the Electric and Incandescent lights, making it the most attractively lighted Hotel in the Dominion.

This Hotel is managed by Mr. SAMUEL MONTGOMERY, under the immediate personal supervision of Mr. HOGAN, than whom no one is better qualified to conduct an hostelry of such magnitude as the ST. LAWRENCE HALL, and than whom no one has gained a better reputation as an obliging, generous and considerate host.

Hotel Coaches in attendance on arrival of all Trains and Steamers.

All Baggage Checks should be given to the Porters in attendance.
