

Watford Guide-Advocate

VOLUME FIFTY-ONE, No. 14.

WATFORD, ONTARIO, FRIDAY, APRIL 3, 1925

\$2.00 PER YEAR IN ADVANCE
In United States \$2.50

Local Happenings

Good Friday, April 10, Easter Sunday, April 12.

Spring seems to have arrived a good many times this year.

Easter Postcards and Booklets—Bunnies and Chicks at McLaren's.

Have you paid your membership fee to the Horticultural Society yet?

Don't forget to cut out the coupon in our ad. and get a 60c Victrola Record Free.—J. R. McCormick.

Next Sunday, Palm Sunday, April 5th, there will be but one service in Trinity Church, at 7 p.m.

P. J. Dodds returned Wednesday evening from a week's business trip to Montreal and Quebec.

"The Hunchback of Notre Dame" one of the greatest pictures ever made, don't miss it. Lyceum, April 3rd. 50c and 25c. tax included.

Mrs. John Hall and two children, Willard and Elton, spent the weekend with her sister, Mrs. John Dobbin.

Mrs. A. J. Hagle received word last week of the death of her nephew, W. P. Thomas, of Hafford, Sask., a son of E. W. Thomas.

Men—Suits made to your measure. We start them at \$22.00.—A. Brown & Co.

The High School Commencement will be held in the Lyceum on Thursday evening next. You are cordially invited to be present.

The regular meeting of the W. I. will be held at the home of Mrs. Jno. Humphries on Wednesday evening, April 8th, at 8 o'clock sharp.

Have you seen our new Spring Wallpapers at 10 cents per roll? See our window.—P. Dodds & Son.

It is estimated that if all the handshaking of the average election could be put to milking, all the cows of the nation would be milked for a week.

Don't forget the St. James' Guild and W.A. Home Cooking Sale to be held in Watford, April 11th. Particulars next week.

Mrs. E. H. Savers returned this week after an extended visit with her daughter in Port Elgin, and will occupy her residence on John st.

Cut Flowers and Easter Lilies for Easter week. Let us have your order now.—J. W. McLaren.

Mrs. (Rev.) J. M. Wallace, of Emerson, Man., and Mrs. Theodore Luckham, Sarnia, spent the day with Mrs. John Thomas, on Wednesday.

This is a terrible time of the year for the average woman. She no sooner gets her Easter hat selected than she has to start worrying about house cleaning and moths.

When you see it you will understand why, and you will understand too, why it is called "The Hunchback" at the Lyceum, April 3rd.

The time is approaching when the various towns around select their usual half-holiday for the summer. What is Watford going to do this year.

Mrs. Nelson Hawn is making excellent recovery in London hospital after her recent operation and will probably be able to return home within another week.

The Watford Dry Goods Co. have been appointed exclusive agents for "The House of Hobblerin," Toronto, Ont., (Canada's largest Men's Tailoring Establishment.) Call and see the fine range of samples for spring suits and overcoats.

Special Evangelistic services are being held this week in the Methodist church. These meetings are preparatory to a reception of new members on Easter Sunday.

Don't forget the home made cooking sale in vacant store below Dr. Hicks office on Saturday April 4th, under auspices of Pres. Ladies' Aid. Sale to open at 4 p.m.

Next Sunday will be Decision Day in the Methodist church and Sunday school. The pastor will preach in the morning on "The four steps into the Kingdom"; and in the evening "Life's greatest decision." Come and worship with us.

"The Hunchback of Notre Dame" is one of the finest productions you will have the pleasure of re-viewing at Lyceum, Friday night, price 25c and 50c, tax included.

Mr. William Doan and daughter, Miss Flossie, left this morning for Leamington, where they will make their home in future. Watford citizens regret their departure but wish them success in their new home.

The figures given out by the union committee do not agree with those furnished by the Presbyterian association in regard to the way in which the vote has gone. A little union between the calculating departments might help.

F. A. MacLean, manager Bank of Montreal, Chesley, writes:—"Enclosed find cheque for \$2.00 to cover my subscription overdraft. Furniture factories here are very busy at present making 4.4 tables. They say it is the "ill wind" again."

Some good bargains in Wall paper in one and two-room lots. Clearing out at McLaren's.

Mrs. (Rev.) Thompson left on Wednesday for Sarnia where she addressed a meeting of the W.C.T.U. of that city on "Moral Education." Mrs. Thompson is Provincial Superintendent of the Department of Moral Education for the W.C.T.U.

Art Silk Hosiery, all shades 48c.—A. Brown & Co.

Mr. A. Rumford is closing his store on Monday next, and will move to Georgetown, where he will continue in the shoe business. He will also hold an auction sale of household goods at his residence, Main st., on Saturday, April 11th. See bills next week.

A large shipment of the genuine Borsalino Hats in the newest spring styles for men arrived this week for The Watford Dry Goods Co. Buy now and save money.

Prince Clothing for boys—the better kind.—A. Brown & Co.

The play, "Mas Temple's Telegram," presented in the Lyceum, on Tuesday evening by the young people of Alvinston, proved a real success and received the usual good patronage given local talent. The cast was well balanced and each performed their parts with marked ability.

The Whale of a Sale closes Saturday, April 11th. Now is your opportunity for bargains at The Watford Dry Goods Co.'s store, successors to Swift, Sons & Co.

The egg grading inspector called on the merchants and produce dealers of Alvinston last week, seeking infractions of the law. As a result of his visit, all the merchants have discontinued buying eggs from the farmers and are buying only from the produce stations to supply what is retailed.

"Eggs Wanted." Bring us your eggs we will grade them for you and guarantee you the top price. Cash or trade.—J. R. McCormick.

Mr. Dead One says: "Well, its no use trying to do much business these days. People are bound to take their cars and drive out of town to do their buying." Mr. Live Wire says: "We can get trade from long distances now, always because most people drive cars. All we have to do is advertise our business and our town."

The greatest screen attraction of the age "The Hunchback of Notre Dame," Lyceum, April 3rd.

The University of Western Ontario Extension Department is putting on a lecture in Watford High School on Wednesday evening, April 8th, at 8 o'clock, under the auspices of Lambton 149, I.O.D.E. Dr. K. P. R. Neville, Registrar of the University, will be the speaker. His subject is "King Tut." Everyone is cordially invited. Admission 25c.

New Shoes for Easter! Our shoes lead them all this year. The season's latest models at prices that will surprise you. See our window.—P. Dodds & Son.

Mr. James Cadwell, a resident of Watford and Warwick for many years, died at his home on Front street on Wednesday morning in his 82nd year. Mrs. Cadwell and one daughter, Mrs. Sam Janes, Watford, survive him. The funeral will be held from his late residence on Friday afternoon to Watford cemetery. Service at the house at two o'clock.

Kayser Gloves and Hosiery for Easter, the guaranteed kind.—A. Brown & Co.

At a meeting held in the Armory on Friday evening a Rifle Club was organized under the local military company of the Lambton Battalion. Members of "D" Co., ex-service men and civilians are all eligible for membership. A Government grant of \$2. per member, per year, will be of great assistance in placing the range in good condition and the latter will furnish an abundance of ammunition for each man. A membership fee of \$1.00 was agreed upon to provide a fund for trophies, prizes, etc., and over thirty members have already been placed on the roll. Anyone interested in joining the Club are asked to give their names to Major W. G. Connolly, C.O., or Capt. R. P. Brown, Sec.-Treas., at once as the grant will be made by the Dept. immediately after the members' roll has been turned in.

Natty Spring Caps for boys 50c, 75c, \$1.00 and \$1.25.—A. Brown & Co.

Easter Millinery at Brown's.

Marie Prevost, the noted film star was born in Sarnia, the daughter of Mr. and Mrs. Teddy Dunn. Her mother, before her marriage, was Miss Hughena MacDonald of Petrolia.

At a special meeting of the Sarnia Presbytery held in St. Andrew's Presbyterian church, Sarnia, on Monday, the resignation of Rev. W. A. Montie as pastor of the Presbyterian church at Alvinston was accepted, to take effect after next Sunday. No successor has yet been secured, Rev. Wm. McIntosh of Napier has been appointed supervisor of vacant charges in the Presbytery.

We sell Staunton's Semi-Trimmed Wall Papers. All 22 inches wide and the same length roll as the 18 inch.—McLaren's.

Beautiful Lantern Pictures of Missionary work at Chisamba, West Central Africa, will be shown in the Congregational church on Sunday evening, following the regular service. The Congregational church is the only one of the three denominations which will form the United Church of Canada which has Mission Stations in Africa, and, as these pictures are the latest from the field, an invitation is extended to friends of other churches to see these pictures after your own church service has concluded.

A special offering for Mission work in Africa will be taken at the close of the pictures. Everybody welcome. Commence 8.15 p.m.

"The Hunchback of Notre Dame," the outstanding screen dramas. Don't miss it, Lyceum, April 3rd. Admission 25c and 50c, tax included.

At a special meeting of the officers board of the Methodist circuit held last week a resolution of appreciation of the services of the pastor, Rev. S. J. Thompson, was passed coupled with an invitation to remain as pastor for another year. Owing to the storm prevailing the members of the board from Zion church were not present but the resolution was presented to the members on Sunday afternoon and unanimously agreed to. Mr. Thompson thanked the board for this unanimous expression of confidence and accepted the invitation subject to the decision of Conference which meets in London on May 18th.

Don't leave your Painting and Papering until it's too late. We're here to serve you with Lowe Bros. Paints, Varnishes, etc., and the finest stock of new style Wallpapers at 10 cents per roll.—P. Dodds & Son.

The regular social evening of the Fellowship Bible Class met at the home of Mr. and Mrs. J. Fowler, on Thursday evening, March 26th, with the president, Mr. Rumford, in the chair. The minutes of the last meeting were read and approved. Rev. S. J. Thompson gave an address "Tennyson's message for his own day and ours" which was very much enjoyed. An entertaining reading by Mr. Fowler entitled "The Cripple Boy" followed. Rev. Foster sang a pleasing solo. Mrs. L. Chambers gave an essay on Sir Adam Beck, which cast many interesting sidelights on his work and character. A recitation by T. B. Taylor entitled "A School Boy's Prayer" was appreciated by all. The hostess served dainty refreshments and Mr. Thompson closed the meeting with prayer.

TENNIS CLUB ORGANIZES

The organization meeting of the Tennis Club held in the Library on Monday night was very encouraging. A goodly number of very enthusiastic members were present and from the spirit of co-operation shown, our tennis season should be very successful this year.

It was decided to put the two courts at the Armory in first class condition, thus making it possible that plenty of room will be available for all comers.

Special attention will be given new members who wish to learn and they will have the co-operation and experience of older members to assist them in the points of the game.

Everyone is welcome and invited to join the Tennis Club and enjoy good, clean, healthy sport.

Fees are very reasonable and may be paid to the Treasurer or any member of Executive.

The following officers were elected for 1925:

Hon. Pres.—Mr. W.G. Connolly
President.—Dr. G. N. Urie.
Vice Pres.—Mrs. R. P. Brown.
Sec.—Treas.—Eric Graham.

Grounds Com.—Messrs. R. Luckham, J. Kinnell, Rez. Brown, E. Williamson, J. Trenouth.

WATFORD HIGH SCHOOL COMMENCEMENT EXERCISES

The Commencement Exercises of Watford High School will be held in the Lyceum, Watford, on the evening of April 9th, commencing at 8 p.m. The chief feature of the program will be the presentation of graduation diplomas to a class of twenty-five students, the largest graduating class in the history of the school. In addition to this, there will be the presentation of twelve medals which are being awarded as prizes for marksmanship. In connection with the graduation exercises, the school is arranging a program which will consist of choruses, exhibitions of work of the physical culture classes, and scenes from Twelfth Night. The seating plan of the Lyceum will be open to the general public on Tuesday, April 7th. All friends of the school are invited to be present on this occasion.

Graduating Class

Gordon Adams, Beatrice Cook, Rhena Carroll, Frank Edwards, Dorothy Fowler, Kathleen Johnson, Fred Kenzie, Alonzo Jackson, Amy Hair, Carrie Healey, Harold King, Winnifred Fuller, Wilson Howden, Florence Lovell, Hilda Morris, George McCormick, Annie McElroy, Esther McKecher, Alma McGillicuddy, Gordon McKenzie, Jean Rapson, Donald Vall, Minnie Wright, Verlie Williamson, Olive Leach.

Winners of Marksmanship Medals

Strathcona Medal, awarded to best Cadet shot in Inspectorate—Orville Shugg.

Dominion Marksmen Medal, gold—Orville Shugg. Silver—Charles Miller, Harold Howden, Gordon Minelli, Allan Heaton, Roy Cooke. Bronze—Vance Kersey, Jack Kelly, Thurlow Powell, George Tait.

FIFTH FORM AGRICULTURAL CLASS VISITS BROOKE STOCK FARMS

The Senior Agriculture Class of Upper School had an educational trip to several stock farms in Brooke last Friday afternoon. The first farm visited was that of Mr. Roy R. Heaton, sixth line. Here the bees were inspected. Luck favoured the class in that Mr. W. A. Munro, apiarist, of Alvinston, was present. He instructed the class on bee keeping, wintering, handling, feeding, swarming and its prevention, and the different kinds of bees found in a hive. The hives were inspected and the bees in their different stages of development—egg, larva, pupa, and adult—were noted. Next they inspected fine specimens of Duroc Jersey pigs, Shropshire sheep and Holstein cattle.

From here they went to the farm of Mr. Robert Leach. An especially fine herd of pure-bred Herefords was studied by the class and different points noted.

At Thomas Higgins' and Edward Kidd's on the twelfth line, stabling of dairy herds was examined. These stables were up-to-date and fully equipped.

Mr. Walter Annett's farm was the next visited. Calvin Annett demonstrated various points in judging Shorthorn beef cattle and Clyde horses. This was both instructive and interesting.

The pupils had supper at the home of Mr. Fred Atchison, after which they were given a short talk and demonstration on pruning of trees by Mr. Lock, a specialist in pruning. It was now getting late but the pupils journeyed on to Mr. John Zavitz', tenth line. After inspecting cattle and stabling the pupils were entertained at the house.

At each of the stock farms visited the pupils were well entertained and the principal and his class take this opportunity of extending their thanks to these farmers for their hospitality.

The class expects, as a part of their course of study, to make more trips in the near future to other stock farms in the vicinity.

Petrolia hydro station was almost totally destroyed on Sunday morning when an overheated transformer exploded, causing the building to become ignited. The doors were blown off and the roof and walls of the brick building were torn open by the explosion. All its equipment, wiring, bus bars, switches and one transformer were utterly destroyed by fire. The loss will amount to thousands of dollars, and it will be several weeks before power will be back to normal.

WATFORD PRESBYTERIANS VOTING ON UNION

At a meeting of the members of Watford Presbyterian church, held on Monday evening, arrangements were made for the taking of the vote to decide whether the church would enter Union this summer or remain out. The meeting was of a very harmonious nature; the chief desire on the part of every member being to hold the church together in its entirety, and after the result of the vote being declared, to abide by that decision unanimously.

Voting by ballot commenced that evening and will continue each evening from 7 to 8 o'clock (except Saturdays at 8 to 4) until Monday, April 13th, when the poll will be declared closed and the results announced. Robert Taylor was elected Returning Officer and the following scrutineers were appointed—union, Messrs. Jno. McKecher, Wm. McLeay; non-union, Messrs. Edward Clarke, D. Watt.

Board of Education

Minutes of a regular meeting of the Board of Education held in the Library Board Room on Monday, March 30th, at 8 p.m.

Present—Dr. McGillicuddy, chairman; Dr. Howden, A. D. Elliot, Geo. Stephenson, W. E. Fitzgerald and E. D. Swift, also Principal Cameron.

The minutes of the last meeting were read.

Howden—Stephenson, and carried, That the minutes be accepted and confirmed as read.

The following accounts were read, passed and ordered to be paid:

Public School—Wm. McLeay, revenue stamps \$1.80.

High School—P. Dodds & Son, supplies 35c; H. Pearce, coal \$150.00; W. D. Cameron, supplies \$1.50; Wm. McLeay, revenue stamps \$3.20.

Elliot—Howden, and carried, that we ask the municipal council to provide one thousand dollars (\$1000) for Public School purposes, \$400 immediately and balance at the end of the month.

High School Inspector's report was read.

Fitzgerald—Stephenson, and carried, that the High School Inspector's report be received and filed.

Howden—Elliot, and carried, that we give the High School Principal authority to spend not more than fifty dollars for agriculture work on grounds at the High School.

Elliot—Stephenson, and carried, that we adjourn.

E. D. Swift, Secretary pro tem.

Hon. Hugh Guthrie, former minister of militia, who has been suffering from a severe bronchial affection for some weeks, has been ordered by his physician to take a sea trip for his health, and will leave this week on a visit to the south of France, where he will spend a month. Mr. Guthrie, who has appeared on the public platform in Watford on different occasions, sailed from New York on Thursday.

BORN

In Copleston, on Tuesday, March 24, 1925, to Mr. and Mrs. A. E. Dobbie, (nee Una Kerby) a daughter—Margaret Isabelle.

At Mt. Brydges, March 23rd, 1925, to Mr. and Mrs. Arthur Fisher (nee Gertrude Kelly) a daughter—Maxine Ruth.

MARRIED

In Sarnia, on Saturday, March 21st, 1925, by Rev. J. N. Clarr, Frances Jean, youngest daughter of Mr. and Mrs. E.H. Taylor, Brooke, to Mr. Wesley Roy Rogers, of Detroit, only son of Mr. Ralph Rogers, Forest.

In London, on Tuesday, March 31st, 1925, by Rev. W. M. Snow, Miss Laura Gertrude Hawken, R.N., daughter of Mr. and Mrs. George Hawken, of Warwick Twp., to Mr. Cecil E. McKenzie of Berwyn, Alberta.

DIED

In Watford, on Wednesday, April 1, 1925, James Cadwell, in his 82nd year.

In London, on Saturday, March 28th, 1925, Emma, widow of the late D. H. Howden.

In Arkona, on Thursday, April 2nd, Martha Jane Evans, wife of Robert Riggs, aged 74 years.

The funeral will leave the family residence, Ann street, after church service, at 4 o'clock p.m., Sunday afternoon, April 5. Interment in Arkona cemetery.

FRIDAY, APRIL 3, 1925

Note and Comment

A cynic is a man who complains that his wife can always see a blonde hair on his coat faster than the missing buttons that should be replaced.

In last week's tornado in the United States, planks torn from piles of lumber in the town of Desoto, Ill., were carried to Duquin, eighteen miles away.

Not only the robins have arrived, but also the woodpeckers. And after April 1st, Howard Ferguson says there will be lots of swallows.—Fergus News-Record.

"John, you need a shave," the observant wife informed her absent-minded husband. "Yes; that's what my stenographer told me this morning," he replied.

Chicago despatches says a fashionable woman's clothes this summer will weigh only two pounds. When she travels she can carry a purse instead of a trunk.

"Burglars who visited the house . . . ate the two hind legs of a partly cooked turkey."—Le Temps. Considerately leaving the fore legs for the owner.

Finding that his lorry had caught fire a driver at once proceeded to a fire hall and had it extinguished. The fire company would be glad if everybody would deliver their fires in this manner.

Just Wind

To those who talk and talk and talk, This proverb should appeal; "The steam that blows the whistle Will never turn the wheel."

According to a newspaper report, one absent-minded voter at a bye-election carefully placed his spectacles in the ballot-box, and walked off with his voting paper. We suppose that he then went to the barber's plined a newspaper around his neck and commenced to read the towel.

Sir Charles Parson's idea of boring a hole ten or twelve miles deep and so securing an inexhaustible source of power from the external heat of the earth was recently considered at the World Power Conference in London. The expense of such an undertaking would be less than that of building a single battleship. Natural steam which is converted into mechanical power is being used in the volcanic regions of Italy from such borings.

To mill our own flour, convert our pulpwood into paper, and in other ways turn our own materials into finished products, is a true All-Canadian policy. It is bad business to sell to the United States that material which would give employment here to many thousands of people.

In digging up ancient Carthage, in Africa, not only temples and statues have been found, but all kind of familiar everyday things quite up to date. Included were tiny bronze mirrors for ladies, razors for men, scissors, and babies' milk bottles, as well as whole cases of surgical instruments thousands of years old.

The third issue of 25-cent paper bills, commonly known as "shin plasters," to appear since the first bills were issued is now being put in to circulation. The new bills are neater and more artistic in design, and show a decided improvement over the old type. They are expected to be in wide circulation in the near future.

The license to be put upon breweries brewing 4.4 beer will be \$5,000 a year. If this is so then many of the smaller brewing plants will be unable to pay the fee and will be forced out of business. The object of the high fee, apparently is to concentrate the manufacture and thus enable the government to exercise greater supervision and more easily force compliance with the law.

Goderich is the seat of an agitation looking for a municipal audit by a chartered accountant. Go to it they may, but if they knew the experience of Collingwood as to the costs there would be some hesitation and some more time elapse before the suggestion was acted upon. Never again for Collingwood if it can be avoided.—Collingwood Bulletin.

A movement to form Canadian drug retailers, wholesalers and manufacturers into a nation-wide association to combat the practice of price-cutting which is said to be ruining the drug business in Canada, is now under way in Montreal and will come to a head shortly with the arrival from England of Sir William Glyn-Jones, well known British pharmacist who is expected to address meetings on the subject in several Canadian centres.

The following interesting question and answer appears in the last issue of the Municipal World: Q—Has a mail carrier any more authority to order which roads shovelled and opened for him than any other person, and is it the pathmasters' duty to see that their beats are in passable condition after a heavy snow storm? A.—No. No roads, no delivery. Service may be withdrawn or courier may deviate from route when roads impassable.

Members of the Canadian Weekly Newspapers Association in every Province have suffered more or less loss from the strenuous efforts of printing solicitors from the big cities to secure printing orders from the small towns. Apparently some of the small town printers are getting busy and soliciting work in the cities. Recently an organization in Toronto passed a resolution deploring the fact that many Toronto concerns were getting their printing done in small towns. Toronto people are great howlers when they have to take their own medicine.

Study the Want Ads. on Page 4.

Church union is not a new thing, for very often the young man from the Methodist church waited outside the Presbyterian kirk on Sunday night, and union almost invariably followed.

In this country we sometimes complain of our taxation, but we know little of imposts as compared to the people of the Old Country. A short time ago the Duke of Norfolk died and the inheritance laws of Great Britain cut \$20,000,000 out of the estate, leaving a legacy valued at \$30,000,000, and the heir of the estate has had to rent all the ducal palaces and give up his London home to the Pittsburg iron crowd and go travelling to avoid the expense of entertaining. Should the estate again change hands through death, the government will again fall heir to another forty per cent. of what is left. Taxation over there is a real thing.

RADIO AND FORDS FOR BENIGHTED EUROPE

Thoughtful people on this side of the Atlantic who feel that their own prospects in life the restricted unless Europe gets off to a new start, have suggested that the way to effect the desired regeneration over there is to modernize the continent. They are convinced that if Europeans are left to nurse their grouches there will be another war before long.

The accidental cure is to consist in filling the Polish corridor and other dark hallways so full of Ford cars and radios that the people will forget their troubles and take a new lease on a reformed sort of life in which they will gain a better opinion of their neighbors and forget to sew buttons on to their shoulder straps.

The idea is an excellent one. Europe is pretty seriously benighted. If we could get them to eat white bread, made from Saskatchewan One Northern wheat, salmon from the Fraser river, good Northern spies from the Niagara Peninsula with a few jaunts in the tin Lizzies and a radio seance thrown in occasionally, there would be a fair certainty that the war lords would soon have to hunt a new job. Continental Europeans have been neglected. The children born there are considered only in the light of their adaptability as potential soldiers. The introduction of some modern ideas would work miracles there.

INWOOD

Mr. and Mrs. S.S. Courtright and Mrs. Case and Buster were in Sarnia one day last week.

Rev. Streeter of Florence spent Saturday night at Wm. Graham's.

Mr. Robert Dudley was in Oil Springs Wednesday afternoon.

"Lighthouse Nan" was played in Shetland last Friday night. In spite of the bad roads there was a good crowd.

A number from here attended the funeral of the late Mrs. W. E. Simpson on Monday. We extend our sympathy to the bereaved family.

Mrs. Dawson, Miss Annabel and Mr. Leitch Dawson of Wyoming, visited Mrs. Wilfred McCabe last week.

Mrs. Bishop has returned home after visiting her sister at St. Clair.

The ladies of the Anglican Guild met at the home of Mrs. Albert McCabe on the afternoons of Thursday and Friday.

A very pleasant evening was spent at the home of Mr. and Mrs. W.R. Dawson on Tuesday night when they entertained at ten tables of five hundred. Everyone had a delightful time.

Mrs. Robert and Mrs. George Dudley visited in Brigden Thursday and Friday.

The play "Lighthouse Nan" will be put on in the Masonic hall, Inwood, Friday night, April 3rd.

Nurse Dawson from Port Huron visited her aunt, Mrs. Leitch, last week.

Mrs. Crawford and son Jack, spent Sunday with Mrs. Hadden of Alvinston.

On Thursday night Mr. and Mrs. Wm. Chapman entertained at eleven tables of five hundred. A splendid time was enjoyed by everyone.

Dr. and Mrs. Bannister and Mrs. Fergus McNally were in Sarnia last Wednesday.

Miss Agnes Craig of Petrolia and Miss Ella Craig of Inwood spent Sunday at the home of Mr. Charles Craig, Aughtim.

Miss Lily and Mr. Lester Armstrong returned home from Detroit on Wednesday.

Mr. Charles McDonald, who has been holidaying at his home in Ridgeway, returned last Tuesday.

Mrs. Perry and son Archie, of Sarnia, spent Sunday at the home of Mr. Wm. Munroe.

Mr. A. Fletcher, of the Royal Bank spent the weekend in Appin.

Mr. and Mrs. L. Anderson visited the former's father in Sarnia last week.

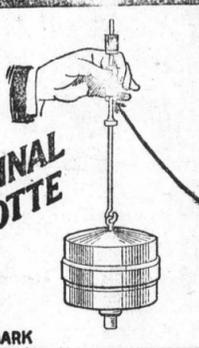

Against That Day

THE fabled years of ancient Egypt's fulness and famine—the striking lessons found in other historic facts and natural life processes establish saving among the fundamental laws upon which Nature makes her sure indictments. Follow your natural personal instinct to "lay by in store" by adding regular installments to a savings account in the Standard Bank.

BANKING FIFTY YEARS

ORIGINAL MELOTTE

Ball Bearings Above Bowl

Bowl is Suspended

THE Melotte bowl is suspended by a spindle from six ball bearings above. It runs continuously without vibration. Friction and resistance is practically eliminated. Machines with bearings below the bowl may get out of balance from wear—the bowl vibrates—the machine turns hard—skimming is imperfect—cream is lost in the skim milk. Examine this original Melotte with the suspended bowl, now. Its use means added profit.

J. McKERCHER
 Watford, Ontario

This Farmer Knows Where He Stands

HE has a memorandum on the cheque stub of every account—and an entry in his bank book as well—a double check on his business. The incoming cheques or cash are also shown in his bank book. In a flash he can tell when he paid any particular account or when an account was paid to him. His bank book tells him.

He has no need to go to town to do his business if he is rushed. A cheque by mail pays an item or makes deposits almost as quickly as he could do it himself.

Today the safe, efficient, satisfactory method of business is through the Bank.

BANK OF MONTREAL

Women's Institute of Western Ontario
 Mark Silver

ORGANIZED IN GREY

Scores of Thousands of Canada, Great Britain. Now Upheld Standard. First Raised at St. . . . Wentworth County, Ontario, February, 1897.

The year 1925 marks Jubilee of the founding of men's Institutes in Western Ontario since in 1900 a branch was at Kemble, in Grey County; Jas. Gardner as president; Wm. McGregor as secretary. Three years prior to the W. I. came into existence and, for that matter, in the British Empire itself. Creek, Wentworth County, 19th, 1897, the first Women's Institute was formed (then called), part of an organization was to reach out to all parts of the world, and Scotland great and beneficent fact life of the rural women of Empire.

The late Mrs. Adelaide of Hamilton, was the pioneer doing much to secure recognition of the education of home interests in the education of the province. matters were practically topic for discussion at the in these earlier days, but feminine public spirit was shown by a developing in community problems.

Following Ontario's example other provinces of the Dominion organized; the good work England, where Miss Emily of the institutes of Canada on the honor of organizing auspices of the British Government during the war years, and men's Institutes flourish in France, Belgium and elsewhere. Of all these the Stoney County is the mother.

The connection of the Women's Institutes with the Provincial government gives the organization interesting and unusual status. Ontario the members have saying that the Hon. J. S. minister of agriculture is the The Women's Institute department of the department of agriculture, indeed a personal interest lends to the work of the Women's Institutes. The W.I. Government activities. I. conventions and the efficient W.I. Government activities. A. Putman is the superintendent Women's Institutes under the Legislature, and Miss Ethel is his assistant.

Women's Institutes of Western Ontario Mark Silver Jubilee

ORGANIZED IN GREY CO., 1900
Scores of Thousands of Women in Canada, Great Britain and Europe Now Upheld Standard of W. I. First Raised at Stoney Creek, Wentworth County, Ont., in February, 1897.

The year 1925 marks the silver Jubilee of the founding of the Women's Institutes in Western Ontario, since in 1900 a branch was organized at Kemble, in Grey County, with Mrs. Jas. Gardner as president, and Mrs. Wm. McGregor as secretary.

Three years prior to that date the W. I. came into existence in Ontario, and, for that matter, in Canada and the British Empire itself. At Stoney Creek, Wentworth County, on Feb. 19th, 1897, the first Women's Institute was formed (then called Saltfleet), part of an organization that was to reach out to all part of Canada, England, and Scotland, to be a great and beneficent factor in the life of the rural women of the British Empire.

The late Mrs. Adelaide Hoodless of Hamilton, was the prime mover, doing much to secure recognition for home interests in the educational institutions of the province. Household matters were practically the sole topic for discussion at the institute in these earlier days, but the real feminine public spirit was soon to be shown by a developing interest in community problems.

Following Ontario's example, the other provinces of the Dominion soon organized; the good work spread to England, where Miss Emily J. Guest, of the institutes of Canada, was given the honor of organizing under the auspices of the British Government during the war years, and today Women's Institutes flourish in Scotland, France, Belgium and elsewhere.

Of all these the Stoney Creek W. I. was the mother.

The connection of the Women's Institutes with the Provincial Government gives the organization rather an interesting and unusual status. In Ontario the members have a habit of saying that the Hon. J. S. Martin, minister of agriculture is their chief. The Women's Institute department is a sub-department of the provincial department of agriculture, and it is indeed a personal interest Mr. Martin lends to the work of the W. I. evidenced by his readiness to speak at W. I. conventions and the efficiency of the W. I. Government activities. G. A. Putman is the superintendent of Women's Institutes under the Ontario Legislature, and Miss Ethel Chapman is his assistant.

The W. I. motto is "For Home and Country." As a visitor from overseas

was heard to remark, after an examination of the methods of the rural women in conducting their organization: "These Canadians know the right place to begin; without homes there is no country worth talking about."

Another Story. All of which is still, more or less, the practical story of the Women's Institutes. There is another story, more interesting to write, but so big that no paper could contain it and so fine that a pen (or a typewriter) must needs be dipped in golden ink to make the letters splendid enough. This is the real story of the W. I. which the past 25 years have been telling in Canada, and in the province, and in Western Ontario.

Divide it into chapters and the story would contain hundreds of them. Chapters on home-making and gardening, and chicken farming and co-operative marketing and short courses and dressmaking and millinery and home hygiene. Paint it in pictures and you would have portraits of little red schoolhouses with the romance left in, but many of the unhygienic qualities left out. You would have new pictures of country graveyards. The poets and the romancers have liked to tell of these "quiet God's Acres," under the trees, but it remained for the Women's Institutes in hundreds of cases to bring order and quietness and real beauty to what was only theoretically beautiful.

You would have chapters on war work, chapters occupied with the emergency meetings of thousands of women all over Canada, sewing, knitting—and again sewing and knitting. You would read of them packing

"And I beseech, forget not to inform yourself as diligently as may be in things that belong to gardening."
—John Evelyn.

Horticultural Society

"Make Watford Beautiful" Membership Fee \$1.00

For this fee you get a liberal supply of Cannas, Dahlias and Gladioli.

Watford needs your co-operation. The membership fee is small and more than its value is given away in bulbs.

Make it easy for the Society to "Make Watford Beautiful" by getting your membership card promptly. Information and suggestions will gladly be given and received.

Major R. H. Stapleford, President.
T. W. Collister, Sec.-Treas.

great hampers of made-up garments, bandages, surgical supplies; of their prompt and intelligent support of the Red Cross, of contributions in material, work and money that during the war years reached up to millions. And pictures of women, in dimly lighted farm kitchens, far into the night, making up the dainties that had been the special favorites of one bright-eyed boy, making up packages of goodies for the boys overseas for the sake of that one boy.

Books and Debates. More pictures—of village libraries provided through institute funds and institute efforts: of community halls that have become the meeting place alike of old and young; of reading circles where country folk might dip into the lore of the ages; of debating societies, where the young people tested their skill in argument and the retort courteous, practicing, some of them, for a future day in the legislative halls of Canada.

Chapters on playgrounds for the children, and something for them to play with; chapters on special courses in botany, by which the farm people learned things about their flower and tree friends they never guessed at before; chapters on short courses for girls in the gentle art of home-making and the equally important art of dress and manners.

"Better education and better schools" has been one of the slogans of the W. I. The results are legion. Medical inspection has been established in many rural communities; school nurses are installed, often at the expense of the institutes themselves; music teachers are engaged; school buildings, if not entirely rebuilt, are renovated and decorated; lighting is taken heed to; desks are made of the correct height, and good water supply is assured.

Hospitals—? The Women's Institutes have backed every known means of providing medical care in rural communities. The provincial department of health at Toronto, will tell you that the W. I. can ask more questions to the square inch than most of the other organizations of the province put together. But they are sensible questions, with a p. int, and the department likes to answer them. The Western Ontario Institutes contributed very largely to the War Memorial Hospital in London.

And all this is the W. I. in general. In particular, thousands of individuals (and these not women only) benefit from the policy of the institutes. Not a rural woman who has not felt her life restricted; who has not seen her day as an endless round of chores and housework and cooking and gardening; who has not envied the city woman her leisure and her opportunities.

The Farm Home. So the W. I. stepped in. Husbands were made to see, by very gentle means, of course, and by concentrated representations, that labor-saving devices are as essential indoors as out, on a farm. Housework became easier; electric appliances began to make their way into the homes. Madame Farmer learned that there is more money in eggs and chickens if they are raised (though possibly you don't "raise" eggs) scientifically. The little flivver in the driving shed made trips to town more frequently. Some times she and John could take in a concert or a lecture or a show. They could always get to the debating society, anyhow. She heard papers on gardening by people who knew how to do it, and she turned the old storm windows into hot boxes and specialized, maybe, in lettuce.

And, best of all, she learned the value of human intercourse. And the fact that the view from her kitchen window, of a slope of green meadow and three gnarled trees, was as lovely and as restful as a Corot that people have spent many hundreds of dollars to possess.

And lastly (as the preachers have it!) the Women's Institutes have reached out welcoming hands to the new Canadians and to the old Canadians, too, since very interesting branches have been formed on the Indian Reserves.

Twenty-five years of service to home and country; twenty-five years of up-holding the banner of progress through the fields and the orchards, the farms and the villages, and along the white crossroads of Western Ontario. A silver jubilee worthy of the name.

The Ferguson Government may give more financial assistance to put hydro on Ontario farms, and in this step they will have the support of all. If there is one place where Ontario should direct its energies to improve conditions it is on the Ontario farms. Apart from the use of power to run barn machinery, the farm home must be considered. Electric appliances for washing, ironing and lighting have made a great change in the city homes, and the rural districts should have the same advantages.

PLANT RENNIE'S MULTIPLIER ONION SETS

Either to produce early Green Onions or splendid cooking Onions

ONE single bulb of Rennie's Yellow Multiplier will yield from 6 to 12 green onions within 6 weeks from time of planting, or if left to grow to maturity, will produce excellent cooking onions of remarkably fine flavor.

Rennie's Yellow Multiplier Onion Sets may be procured from your local seed merchant.

PLANTING INSTRUCTIONS for MULTIPLIER ONION SETS

Break the clamp apart before planting. A single section will produce a bunch of early green onions, or will reproduce a clump in the Fall.

HOPE AND ASSURANCE

What is your hope, dear brothers, On which your heart is set There's hope; I can discover In every soul I've met.

We have it from creation But whether bright or sad, Depends on our relation To what is good or bad.

I think it was Saint Peter 1 Peter 3.15 And he knew how to live He gauged it by the meter Of reasons we can give.

And so it is assurance To know our chart is right

That steadfast, faith, endurance That fills us with delight.

Experience the cable That holds against the gale And hope the anchor! able— To reach within the veil. Heb 6.19

Then have we got good reasons Our anchors holding tight, When comes the darkest seasons That everything is right.

Why should we doubt, or worry With such a golden hope, The universe don't hurry, And Providence don't stop.

W. B. Laws, Watford

No surgical operation is necessary in removing corns if Holloway's Corn Remover be used.

Children Cry for

Fletcher's CASTORIA

CONG'L WORKERS' AFRICAN GIFT SHOWER

A special united meeting of the Young People's Society of Christian Endeavour and the Women's Missionary Auxiliary of the Congregational Church, was held on Tuesday evening when the annual shower for Africa was held. Many gifts of school supplies, dresses, maple sugar and garden seeds were donated for shipment to the Congregational mission stations in West Central Africa, and a very generous offering was given to assist in paying the freight on the shipment. There was a large attendance, and a most enjoyable program had been arranged by the Y.P.S.C.E., with Miss Elsie Brown, president, as the presiding officer. The scripture reading was led by Gordon Rayner, and prayer was offered by Mrs. (Rev.) Rayner. A most interesting and instructive paper on the topic "Friendliness as expressed through Evangelistic Missions," was read by Mrs. Hattie Brown, secretary of the Women's Missionary Auxiliary. A very enjoyable missionary play-let on tithing, entitled "Dollars and Diana," was given by several young ladies, with Miss Mildred Duncan in the title role as "Diana." The others

taking part were: Miss Gladys Lamb, Miss Maude Marwick, Miss Elsie Brown and Miss Jean McCormick. A duet "The Friend You Need," was sung in excellent voice by the Misses Elsie Brown and Mildred Duncan, and a short address was given by the pastor, Rev. T. DeCourcy Rayner. The Mizpah benediction brought an inspiring evening to a close, following which the gifts for Africa were placed on exhibition. Fishing commenced last week along the Lake Huron shore. Pickering is the usual catch at this time of the year.

CHEAP PAINT?

Here are two paints, one selling at \$4.00 per gallon and the other at \$5.45 per gallon—which is the most economical?

Read the photographic description below and note the comparison.

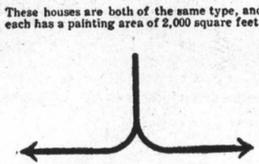

Many people are deceived into thinking that the price "per gallon" determines the cost of paint. This is absolutely wrong. The measure of paint cost is "job" or "square foot" performance. "What it will do" not "how much per gallon". Cheap paint at \$4.00 per gallon covers poorly only 600 square feet one coat, to the gallon. Whereas Lowe Brothers "High Standard" Paint covers 1000 square feet, one coat, to the gallon. It is simply a matter of quality of material and workmanship, versus "stuff" made to sell at a price. Cheap paint means expensive job.

THIS HOUSE PAINTED WITH CHEAP PAINT AT \$4.00 PER GALLON
 The Cost:—
 To paint this house (2000 square ft. two coats) with a cheap paint, it required 6½ gallons at \$4.00 per gal. **\$26.00**
 It took a painter 6½ days to apply the paint at \$5.00 per day—**\$32.50**
 Total Cost..... **\$58.80**

THE HOUSE NEXT DOOR PAINTED WITH LOWE BROS' PAINT AT \$5.45 PER GALLON
 The Cost:—
 To paint this house (2000 square ft. with 2 coats of "High Standard" it required 4 gallons at \$5.45—**\$21.80**
 It only took the painter 4 days. at \$5. a day to do the job.—**\$20.00**
 Total cost **\$41.80**

These houses are both of the same type, and each has a painting area of 2,000 square feet.

SAVE \$17.00
 on your Painting Cost by Using Lowe Brothers' Paint.

New Lingerie Crepes.—Fuller Bros
 In the Baptist church on Friday evening of last week, the members and adherents met in honor of Mr. and Mrs. Walter Percy and family who purpose very soon leaving for their new home near the city of Toronto.

My Bonnie bent over the gas tank, The height of its contents to see, She lighted a match to assist her—
 Chorus:
 Oh, bring back my Bonnie to me.

CHURCH UNION BUREAU REVIEWS THE SITUATION

The Church Union Bureau has issued the following statement:
 "The United Church of Canada will have in Ontario alone a total membership of about 400,000, and almost 3,000 congregations, according to a survey recently made by the Church Union Bureau in behalf of the three uniting bodies. The total anti-Unionist strength in Ontario, according to their own figures, is a total of about 73,500 non-concurring voters, and a total of about 400 congregations. The numerical strength of Unionism and anti-Unionism in Ontario to date might be indicated thus:

Congregations	Members
United Church	2,910 401,393
Anti-Unionist	400 73,500

"Turning to the Dominion of Canada as a whole, the comparison between Unionism and anti-Unionism is still more striking. The United Church will have a membership of nearly three-quarters of a million, and a total of about 9,000 congregations. About 75% of the anti-Unionist strength is confined to Ontario, for outside of this Province they have only 162 congregations, scattered over five Provinces.

"The following tabulations show the comparative numerical strength of the United Church in the Hamilton and London Synod district. The figures for the non-concurring membership include Unionists as well as anti-Unionists in non-concurring congregations, and are considerably in excess of the total non-concurring vote.

CHOP STUFF

The Unionists of Guthrie Presbyterian church, Alvinston, decided at a meeting last week to go as a group with their minister to the Methodist church, as soon as he is relieved by the Presbytery.

W. L. Fraser, of Forest, has sold his Percheron stallion, "Logan Jr." to Decker Bros., Zurich, for a handsome figure. "Logan Jr." is pronounced one of the best stock horses in Ontario.

Middlesex county treasurer has received a cheque for \$83,779.44 being the Ontario Government's share of the cost of constructing and maintaining provincial highways in Middlesex during 1924. The amount received this year is about \$5,000 less than that granted in 1923.

Under the new act, which went into force this year, the Government insists that townships employ a road superintendent in order to share in the Government Grant of 30 per cent of township road expenditure. The Government also pays half the salary of the superintendent.

J. R. Bogue, of Strathroy shipped the first of five carloads of 2½ inch elm to the Overland Motor Car Company in Toledo, Ohio, last week. Lumbermen of the district place considerable importance on this shipment and believe that it indicates marked possibilities for this area.

A moving picture machine is being secured for Strathroy Collegiate Institute, a fund for its purchase having been raised by the school. The machine will be mainly used for educational purposes, and films will be procured from the provincial education department.

Lieut.-Col. Charles M. R. Grahari, D.S.O., former clerk of the first division court of the city of London pleaded guilty to a charge of theft of more than \$8,000 of government funds from the division court before Magistrate A. H. M. Graydon and was sentenced to a term of from six months to two years, less on day, in the Ontario Reformatory.

The following are the township road superintendents in Lambton for 1925: Bosanquet, T. Ross, R. R. 2, Forest; Brooke, Wm. Letch, Alvinston; Dawn, John Sager, R. R. 3, Dresden; Euphemia, Roy Turner, Bothwell; Enniskillen, W. A. Wilson, R. R. 1, Petrolia; Moore, Geo. Abra, R.R. 1, Corunna; Plympton, Duncan Smith, R.R. 5, Forest; Sarnia, Leslie Harkness, Mandaumin; Sombra, Victor Green, R.R. 5, Wallaceburg.

Now that the spraying season is close at hand it would be well to recall the difference in results of sprayed and unsprayed orchards last year as related by A. D. Clapp, the well-known orchardist of Dutton, who strongly emphasized the necessity of farmers giving more attention to their orchards. It was pointed out by Mr. Clapp at the close of last season that in orchards that were properly sprayed 80 per cent of the fruit graded No. 1, while orchards that were only partly sprayed averaged only 30 per cent.

Seeding of oats has begun in the neighborhood of Stratford earlier than at any other point in Western Ontario as far as is at present known. O. H. Killer, with a small farm near the city limits, has plowed and sown a field of oats within the past week. He reports that the ground was in good condition and worked easily. Plowing is becoming fairly general, according to M. C. McPhail, agricultural representative. In Blanshard a number of farmers have been plowing along the northern gravel road. Although this does not form an early record for plowing, it is some three weeks in advance of the usual time.

An interesting case was settled in Glencoe division court last week, over a wheat transaction. The plaintiff, J. D. McKellar, sued the defendant, M. A. McAlpine, for damages for non-delivery of wheat purchased. The facts as brought out at trial were that McAlpine in July last sold his crop of wheat to McKellar for \$1.01 per bushel. When McAlpine wished to thresh the wheat in the field McKellar declined to accept it owing to it being wet but said he would take it as soon as it was dry. McAlpine sold the wheat to another buyer, and McKellar claimed damages for the difference between the contract price and the market price. The trial judge held that McKellar had not refused to accept the wheat, and gave judgment for the plaintiff for the difference between the market price and the price at which the defendant sold the wheat, together with costs.

A motor bus is now making regular trips from Strathroy to London, serving Mt. Brydges, Delaware and Lambeth en-route.

Grimsby Town Council has passed a by-law to build a new \$100,000 high school, without submitting it to a vote of the ratepayers.

FACTS ABOUT TEA SERIES—No. 1

Tea as a Beverage

The first became known in China nearly 2,000 years before Christ. In that country tea was greatly prized, both for its remarkable qualities as a beverage and for the almost religious ceremony attached to the drinking of it. Up to the sixth century, tea was used only for medicinal purposes. Even in the seventeenth century it cost \$25.00 to \$50.00 per pound. All tea caddies were constantly kept under lock and key. Today when even fine quality like "SALADA" costs less than one-third of a cent per cup, it is not surprising that the consumption of tea is increasing tremendously.

"SALADA"

PUBLIC ACCOUNTS

In the matter of its Ontario public accounts are less interesting. Recording receipts during the year of \$3 and ordinary expenditure of the year of \$48,866,645. It was expressed by the treasurer in his budget speech that it would be cut to \$3,000,000 in the present year, and that there was a balanced budget would be a standing feature of the state which the public accounts present that close to \$3,000,000 was expended in the interests of the province's agriculturists, one of the largest single items being the \$750,000 granted as rural Hydro bonuses.

Other aid which the province afforded to agriculture through Hon. Mr. Martin's department was indicated in the following entries:—Grants to field crop competitions, \$24,805; to premiums for pure bred stallions, \$5,996; to the campaign for purebred sires, \$12,920; to the bacon hog campaign, \$5,893; to local poultry associations, \$6,368; to local plowing matches, \$2,273; to Women's Institutes' branch, \$30,218; to demonstration and lecture courses in home nursing, \$21,922; to fall fairs, \$84,948; to horticultural societies \$19,545; to dairy associations, \$6,000; to community halls \$9,551.

In addition the Government maintained the following services at the following costs:—Ontario Agricultural College, \$216,534; Macdonald Institute, \$26,822; Eastern dairy school, \$21,721; Agricultural representatives, \$331,348; Veterinary College, \$23,892; Western Ontario Experimental Farm, \$18,154; Kempsville Agricultural College, \$43,480; Northern Ontario Demonstration Farm, \$25,176.

Upon education during the past year the Government expended the sum of more than \$9,500,000. Of this amount \$97,000 was devoted to English-French training schools at Ottawa, Sturgeon Falls, Vanleek Hill and Sandwich. The treasurer's department disbursed upwards of \$51,000,000, the most interesting feature of which was that this year's total of the wolf bounty stood at \$54,000. Other expenditures and receipts were as mentioned in the report of the treasurer's budget speech.

Other incidentals in the public accounts gave \$13,700 as the cost of the agricultural inquiry commission and \$75,000 appeared on account of the expenses of the liquor plebiscite.

Payments to Lambton

The report also gives the amounts paid to various officials, roads, schools, agricultural and horticultural societies, etc., in the county of Lambton, as follows:—
Alex. Saunders, registrar .. \$ 675.00
F. W. Willson, attorney .. 162.00

WANSTEAD

Wanstead, March 31.—The administrator's sale of the property of the late Alex. Tait was held last Wednesday on the farm of Victor Tait and was well attended. All machinery, etc., was sold at good prices, but the two fine sugar beet farms were not disposed of. Geo. Brown was auctioneer.

The Crosswell and also the Columbia sugar beet companies are going to buy beets here but the Dominion company has dropped out for this season.

Mrs. Humphries of Bruce Mines and Miss Lily McRorie of Biggar, Sask., who have been visiting at the home of Mr. and Mrs. Silas Parker for the last month, and also made short visits with friends at Warwick, Forest, Port Frank and Wanstead, have returned to their homes. Use the Want Ads., one cent a word.

The sawmill owned by Alexander Bros., which has done the custom work here for the last twenty years is being torn down and taken to Warwick village where it will be operated by John O'Dell.

J. W. McRorie and Alex and John Campbell were Wanstead visitors on Wednesday.

Thos. Simpson has received the contract for scraping the 2nd line and Jas. Jackson the sideroad.

PETROLIA

D. J. Matheson of the county branch of the department of agriculture has begun placing posters about the county urging war against the European corn borer. Mr. Matheson states that the spread of the dangerous crop destroyer can be stopped by the destruction of refuse in the fields.

There is considerable activity in the buying and selling of rural real estate lately. The latest reported farm exchange is that by which Roy Vanderburgh purchased the 100 acre farm on the twelfth concession from Wm. Elliott who in turn purchased N. Storing's farm on the same concession.

Six Hollanders arrived in town this week to work on farms in the county. W. P. Macdonald, district representative of the department of agriculture experiences no difficulty in placing the newcomers as there is a decided shortage of farm labor in the county.

Albert Squire of 12th line, Enniskillen, received a nasty cut over the eye and the car in which he was riding was badly damaged in collision with a street car on Russell street, Sarnia, last Thursday evening. Squire was admitted to hospital but was able to leave for home on Friday. The car struck the trolley at the front corner while passing in front and later overturned.

SPRING IMPURITIES DUE TO POOR BLOOD

A Tonic Medicine a Necessity at This Season

Dr. Williams' Pink Pills are an all-year, round tonic for the blood and nerves. But they are especially valuable in the spring when the system is loaded with impurities as a result of the indoor life of the winter months. There is no other season when the blood is so much in need of purifying and enriching, and every dose of these pills helps to enrich the blood. In the spring one feels weak and tired—Dr. Williams' Pink Pills give strength. In the spring the appetite is often poor—Dr. Williams' Pink Pills develop the appetite, tone the stomach and aid weak digestion. It is in the spring that poisons in the blood find an outlet in disfiguring pimples, eruptions and boils—Dr. Williams' Pink Pills clear the skin because they go to the root of the trouble in the blood. In the spring anaemia, rheumatism, indigestion, neuralgia, and many other troubles are most persistent because of poor, weak blood, and it is at this time when all nature takes on new life that the blood most seriously needs attention. Some people dose themselves with purgatives, but these only further weaken themselves. A purgative merely gallops through the system, emptying the bowels, but does not help the blood. On the other hand, Dr. Williams' Pink Pills enrich the blood which reaches every organ in the body, bringing new strength and vigor to weak, easily tired men, women and children. Try Dr. Williams' Pink Pills this spring—they will not disappoint you.

Among those who have proved the value of Dr. Williams' Pink Pills is Mr. Austin Wile, Hemford, N.S., who says:—"I have reason to be deeply grateful for what Dr. Williams' Pink Pills have done for me. An abscess developed in my head, and the doctor who was called in said my whole system was poisoned. My appetite completely failed and I grew so weak I was unable to do any work. The doctor's medicine did not help me so I decided to try Dr. Williams' Pink Pills. At this stage I was reduced almost to a skeleton, and my friends did not look for my recovery. I soon found, however, that the pills were helping me and after taking them for about two months I was fully restored to health. My case was known to all my neighbors and my recovery looked upon as almost a miracle."

You can get these pills through any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The president of the Journey-men Barber's Union of America reports that he has discovered a process for exterminating the dandruff germ. While eradication of the unsightly cranium dust might bring relief to countless thousands it would eliminate many high brows.

ALVINSTON

St. John's Dramatic Club presented their play "Mrs. Temple's Telegram" to a crowded house on Friday evening. Each player took his particular part exceptionally well and all present declared it one of the best plays presented in this village for some time. Owing to so many being turned away it was decided to present it again next Friday evening.

Miss Jessie Whitton of London spent the weekend at her home here. Miss Effadore Campbell returned to Hamilton on Monday after attending the funeral of her mother, Mrs. John Campbell.

Russell Clark of Detroit spent the weekend at his home in Brooke. Rev. W. A. Montieth and Rev. Hagel of Inwood exchanged pulpits on Sunday last.

Mrs. Harry Thorne left on Monday for Petrolia where she will make her future home.

NAPIER

Mr. Wm. Winter, Sr., is reported to be seriously ill again.

The community was shocked to hear of the death of Mrs. John Dewar at her home in Metcalfe, on March 17th, besides her bereaved husband, she leaves to mourn her loss three small children. She was a daughter of Mr. and Mrs. John Wallace of Metcalfe.

The regular meeting of the Missionary Society was held at the home of Mrs. Herb. Nevin, taking the form of a social afternoon, when three missionary quilts were quilted. Mrs. Nevin delightfully entertained by several selections on the phonograph. A dainty lunch brought the meeting to a close.

The regular meeting of the W. I. will be held on Wednesday, April 8th, at the home of Mrs. John Denning.

A Happy Childhood is a Matter of Health

Little children quickly get out of sorts but by prompt treatment they can just as quickly be set right again. Most of their troubles arise in the first place from the stomach and bowels; that is why a good clearing out is the first thing the doctor prescribes. Mothers, why not let Baby's Own Tablets keep your children well. Unlike that ill-smelling, rank tasting castor oil so dreaded by most children, the Tablets are pleasant to take and their action, though thorough, is gentle and causes no discomfort to either the baby or the growing child. Baby's Own Tablets are a never failing remedy for relieving constipation and indigestion; thus they break up colds and simple fevers, expel worms and make the teething period painless. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

FULL OF ACHES AND PAINS

Toronto Mother Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Toronto, Ontario.—"I have found Lydia E. Pinkham's Vegetable Compound a splendid medicine to take before and after confinement. A small book was put in my case one day advertising Lydia E. Pinkham's medicines, and as I did not feel at all best at the time I went and got a bottle of Vegetable Compound right away. I soon began to notice a difference in my general health. I was full of aches and pains at the time and thought I had every complaint going, but I can truthfully say your medicine certainly did me good. I can and will speak highly of it, and I know it will do other women good who are sick and ailing if they will only give it a fair trial. Lydia E. Pinkham's Liver Pills are splendid for constipation. You are welcome to use my letter if you think it will help any one."—Mrs. HARRY WESTWOOD, 543 Quebec Street, Toronto, Ontario.

The expectant mother is wise if she considers carefully this statement of Mrs. Westwood, it is but one of a great many, all telling the same story—beneficial results.

Lydia E. Pinkham's Vegetable Compound is especially adapted for use during this period. The experience of other women who have found this medicine a blessing is proof of its great merit. Why not try it now yourself? C

FOREST

A car of flax seed, seed wheat and oats was recently shipped from Forest by Howard Fraleigh, local flax man, consigned to a Mexican farmer near Vera Cruz, Mexico. Last year shipments were made to Czecho, Slovakia and other European countries. The fruits of the Forest are becoming world-wide travellers.

The prevalence of local legal cases municipal and private, has brought a Sarnia law firm closer to the scene of action, Weir, Weir and Bell intend opening an office over Lawrie's store in the near future.

R. T. McIntosh has sold his residence property and garage on King street to Stanley Hare, who will take possession in April, as it is a double house, it is probable that Mr. and Mrs. L. C. Jennings will occupy the other half. Since Mr. Hare operates the Sarnia bus and Mr. Jennings the London bus, the new arrangements will have both services at the one garage. Mr. McIntosh has not decided if he will leave Forest.

A children's clinic will be held here on Tuesday, April 7th, under direction of the department of public health. Dr. Bell of the department will be in charge assisted by Nurse Riddell, who for several weeks has been making an examination of the school pupils. The clinic is free for all children of town and country under 16 years of age.

Considerable changes have taken place in the management and arrangement of the Maylor store business, one of the largest store buildings in the county. Messrs. Reg. and Victor Maylor are retiring from the firm. John Maylor will continue the dry goods business in the southwest end of the store. The grocery department has been taken over by Roy Paisley of Forest and his brother-in-law, Ed. McIntosh of Sarnia. The east end of the main floor will be occupied by William Braun, plumber. The entire third floor has been rented as a hand room by the Excelsior band, and it is reported that the Oddfellows lodge is considering the rental of the second floor. A new stairway with an outside entrance will be constructed. PRINTED MATTER of all kinds when you want it.—Guide-Advocate

Beverage Peddler in Cairo
 Beverage Peddler in the Cairo Bazaars photographed on Canadian Pacific B.S. Empress of France during her world tour which concludes May 2 and then goes on the "Round America" trip via San Francisco, Balboa, Colon, Havana to New York which is reached May 23. A number of Canadians will take this latter part of the trip.

DOBBIN ON SNOWSHOES IN ROCKIES

It looks funny and it sounds even funnier, but after all why not? It is bad enough to carry 140 pounds on two feet in deep snow. Figure for yourself what it would be like to quintuple the poundage even though it is distributed over double the human allowance of footage.

This genial idea was put into practice by Walter J. Nixon member of the Council of the Trail Riders of the Canadian Rockies and it was found to work out quite well. In the particular instance shown in the cuts, the task was to break the trail through deep snows to the Phoenix mine in British Columbia and this onerous task would have been impossible without some such device as the one depicted.

The idea of the Trail Riders Order came into being one rainy day last summer on a bed of white heather under a tent in the Canadian Rockies about 7,000 feet above sea level. There were present or nearby about 28 saddle or pack horses and 14 trail riders who had ridden or fished along the Kootenay from the Crossing to the river's unmapped source in Warfield Basin and had landed on the plateau beside Tumbling Glacier at the head of the Wolverine Pass. It was there and then decided to form the Order and buttons were awarded to those who had travelled distances on the trail from 2,500 miles down to as low as fifty miles. Among the

Taking heavy load to Phoenix Mines. Inset, Horse on snowshoes. Right Top, Country that Trail Riders Traverse.

2,500 mile button holders is Mr. Nixon. The first Pow-Wow of the Order was held last summer in the Yoho Valley and with the co-operation of the Canadian Pacific Railway accommodation at the Bungalow Camp at Takakkaw Falls was supplemented with twenty Indian tepees and a large circular tent decorated as a Sun Dance Lodge. It was expected that 150 people would be present, but actually no fewer than 207 were counted at the inauguration. It was at this function that the bronze plaque of Tom Wilson, one of the outstanding old-time guides of the Canadian Rockies, was unveiled. The next Pow-Wow will it is stated take place early in August of this year beside Waipita Bungalow Camp after a three day (45 mile) cross-country ride from Marble Canyon on the Banff-Windermere Road. The trail to be used calls at the Vermilion Paint Pots, climbs up Tumbling Creek to the Wolverine Plateau where it connects with a new trail over the High Alps east of Helmit and Goodwin, and after dropping down to Goodwin Creek rises again alongside McArthur Pass to Lake O'Hara and so to Waipita. This route traverses some of the most spectacular scenery in the world. Membership in the Order of the Trail Riders of the Canadian Rockies has increased greatly in the first year of its formation. At the August Pow-Wow there should be between a thousand and the 200 odd participants in the function last year.

See lovely Patsy Ruth Miller as Esmeralda, the dancing girl, for whose love six men strove, at the Lyceum, Friday, April 3rd.

The last meeting of the Maple Leaf Community Club, second line south, was held last Friday evening in the form of a Box Social and entertainment. A short play entitled "Old Acre Folk" was staged with the following cast of characters:—Deacon Evans—S. C. Reycraft; the Deacon's wife—F. E. Edwards; the Deacon's son, Jaff—Elgin Fuller; the Deacon's daughter, Mary Jane—Glady's Parker; Squire Playfair—R. C. Parker; the Squire's daughter—Leapha Gault; the Squire's house-

keeper—Meryle Fuller; Ebenezer Ham, country boy—T. Alex. Edwards; Job Hardy, the stranger—J. B. Parker; Ike Johnson, constable—Earl S. Fuller. Excellent music was furnished by the Watford High School Orchestra and much thanks is due them for the success of the evening and also to the Presbyterian male quartette Watford, who delighted the audience with several numbers. Mr. Alex. Westgate acted as chairman.

Miss Alberta Lovell spent the week end with Miss Margaret McKenzie. Miss Audrey King spent the week end at the home of S. C. Reycraft.

DOCTOR INJURED IN TRIP TO SAVE GIRL

Hurt at Big Bay When Railroad "Speeder" Hits Box Car; Operates on Patient

The following despatch, clipped from a Marquette, Mich., paper, carries an interesting story of Dr. S. M. Janes, an old Warwick boy and brother of Mr. William Janes, of Warwick:—

A fast trip to Big Bay Tuesday night to save the life of Mrs. Robert Johnston, 16 years old, who was having convulsions and was in a critical condition, resulted successfully as far as Mrs. Johnston was concerned, but Dr. S. M. Janes, summoned to her bedside, was injured when the L.S. & I. "speeder" used to take him to the dying woman, crashed into a freight car near the Big Bay station.

Notwithstanding the fact that Dr. Janes received a scalp wound and several bruises in the accident, he proceeded to Mrs. Johnston's home and performed a successful Caesarian operation after bringing her out of the convulsions. Yesterday her condition was reported as favorable and it was said that her baby would live.

The doctor was called about nine o'clock and he left here at 9.10 in the "speeder", a sedan equipped with wheels for running on railroad tracks. G. M. Sidman, chief train dispatcher of the L. S. & I. railroad, and R. E. Smail, dispatcher, were in the car with Dr. Janes and Mr. Sidman was driving. They made the trip as rapidly as possible, arriving at Big Bay at 10:30. When Mr. Sidman saw the freight car standing near the Big Bay station, he applied the emergency brakes to the "speeder", but the rails were icy and the sedan slid and struck the end of the car. Dr. Janes riding in the rear seat, was the only one injured and was confined to the Marquette hospital yesterday. The front of the sedan was damaged.

WEDDINGS

ROGERS—TAYLOR

A quiet wedding took place at Devine St. Methodist parsonage, Sarnia, on Saturday, March 21st, 1925, at high noon, when Frances Jean, youngest daughter of Mr. and Mrs. Eli Taylor of Brooke, became the bride of Wesley Roy Rogers, of Detroit, only son of Mr. Ralph Rogers, Forest. The ceremony was performed by the Rev. N. Clarry. They were attended by Miss Mary Garnham and Mr. Gordon Dunby of Forest. The bride wore a becoming suit of blue broadcloth with hat and veil to match and a fur choker. The happy couple left by afternoon train for London and other eastern points. Mr. and Mrs. Rogers will make their future home in Petrolia.

McKENZIE—HAWKEN

A quiet but happy event took place in London on Tuesday, March 31st, when Laura Gertrude Hawken, R.N., of Sarnia, and daughter of Mr. and Mrs. George Hawken of Warwick Tn. became the bride of Cecil E. McKenzie of Berwyn, Alberta. They were united in marriage by the Rev. W. M. Shore.

Shortly after the ceremony the young couple left for a trip to Detroit and other points, the bride travelling in an ensemble costume of sudeine. Mr. and Mrs. McKenzie intend leaving for Alberta about the first of May.

A Scotch store-keeper whom we all know, bought a fine new cash register the other day. He would not ring up a five-cent cigar sale, and being asked why, replied, "Oh, I'll not forget it. I keep track in mah head until I get a dollar and then I ring it up. It saves wear and tear on the machine."

Alex. S. Burnham, one of the best known residents of Lambton county, and for many years one of the leading lawyers of Sarnia, died at his home at Sombra on Saturday night following an illness which had extended over a very long period. A little more than a year ago Mr. Burnham underwent a very serious operation at the Sarnia hospital from which he made a surprising recovery. It proved however, to be only of a temporary nature.

WYOMING

A successful play was staged Friday night by the local group of Canadian Girls in Training under the direction of Mrs. William Brown. The play "Aunt Maggie's Will" combined humorous with dramatic episodes in a pleasing way. A very good audience was present. Vocal and instrumental numbers were given between acts by Miss Ann Brownlee and others.

John E. Dale, on Broadway Saturday, was knocked down by a dog, which dashed suddenly out from an alley. He suffered severe cuts about the face, but is reported to be improving steadily. Mr. Dale is still active as postmaster, although in his 81st year. He has been a resident of Wyoming somewhat over 60 years, and superintendent of St. John's Sunday school for over 51 years.

During the absence of Mr. and Mrs. Ambrose Brown their barn was completely destroyed by fire. Some few tools and personal possessions were salvaged by a large number of volunteer fire fighters who hurried to the scene. A house, in which Mr. and Mrs. A. Kelly are living, caught from a flying ember, but the fire was easily extinguished. Lack of water handicapped the firemen. The origin of the fire is supposed to have been a bonfire made by children playing with matches.

Mrs. James Watson died on Tuesday while seated in a buggy beside her husband just as they were leaving the home of Mrs. Leila Simpson, whose funeral they had attended. Mr. Watson drove about three miles to his own home, where Dr. Urie of Inwood declared that death was from natural causes and an inquest not necessary. The late Mrs. Watson was about 60 years of age, and during the forenoon had planned flower beds about her home. She was apparently in usual good health while attending the funeral of Mrs. Simpson, who had been a life-long friend and neighbor. At the close of the funeral service she chatted brightly with friends as she took her place beside her husband. Just as she sat down she collapsed on his shoulder and died immediately.

Any girl can be gay in a classy coupe;
In a taxi they all can be jolly,
But the girl worth while is the one who can smile
When you're taking her home on the trolley.

Staunton Semi-trimmed Wallpaper Saves time

NO more scissors or straight-edge required for trimming wallpaper. No more sticky litter lying around when papering is being done. A quicker and a better job with wallpapers in the newest and most pleasing patterns and colorings, that cost no more than the old-fashioned sort.
