Private

From the Senate, procedure, 3418

May be proceeded with if an hon. member is authorized by the sponsor of the bill to represent him at any stage of the discussion of the bill, 2708-11

One day's notice required for proposal of important amendment, 4318

Public, amendment substituting one tax for another should be specific, otherwise it is out of order, 3135

Resolution stage

Amendment to similar to an amendment already disposed of not in order, 2441-42

Discussion item by item may take place if committee gives unanimous consent, 2662

When a single resolution containing several distinct propositions is before the committee of ways and means, it cannot be divided at the instance of an individual member, although a motion so to divide the resolution would be in order . . . this matter is for the committee and not for the Chairman to decide, 2627-28

Second reading

Discussion should be on the principle, 851

Out of order to discuss clauses of the bill, 878

Tax bill, amendment which affects balance of ways and means, out of order, 2662

- Deputy Chairman of Committees of the Whole—Con.**
 Rulings and statements—*Con.*
 Committee of the whole
 Can always change its position by unanimous consent, 2628
 If an hon. member wants to ask questions here he has the right to do so, whether or not he could have obtained the information anywhere else, 3422
 Ordinary function of a committee such as this one is deliberation and not inquiry, 4111
 Should proceed strictly in accordance with the rules, 2823
 “. . . the committee is the master of its own procedure . . . it is always open to this committee to reconsider its position . . .”, 2435
 Committee report may be quoted from once it has been tabled, 2463, 4178
 Documents may be either tabled or placed on *Hansard* by leave of the committee, 3358, 3362
 Evidence from a committee which has not been reported to the house may not be quoted, 2957
 Galleries, motion to clear is not debatable and not necessary in this case to have in writing, 3288
 Imputing motives, 1319
 Interruptions, 909, 1096, 1320
 Member may not interrupt the member who has the floor without his consent, 4179
 However, he may speak on a question of privilege, 3355
 Member wishing to explain or correct something said must not do so by interrupting member who has the floor, 4513
 Irrelevance, 844, 916, 1047, 1427, 1467, 1791-92, 1965, 2003, 2341-44, 2421, 2429, 2431, 2433-34, 2629, 2665, 2669-70, 2819, 2824, 2962-63, 2965-66, 2970, 3017, 3090, 3140, 3142, 3192, 3195, 3206, 3291, 3373, 3377-78, 3381-82, 3547-48, 3649, 3838-39, 3935, 4014, 4018, 4111, 4117, 4325, 4526-27, 4637, 4717, 4789, 4794
 Conduct of members of standing committee not relevant to clause before us, 4177, 4180-81
 Drawing a parallel or citing an example, 2587
 (Member) cannot initiate a debate on that question on the resolution which is before the committee, 3544
 Member could not be allowed to answer the question, 3290
- Deputy Chairman of Committees of the Whole—Con.**
 Rulings and statements—*Con.*
 Irrelevance—*Con.*
 Member may speak on irrelevant item with unanimous consent, 4114
 Member must speak to the bill and not discuss procedure generally, 3290
 (Member) not to discuss policies enforced by provincial government, 3625
 Point should be cleared up if the discussion is to be proceeded with in orderly fashion, 3098-99
 Remarks of member called to order for irrelevance, 3829-31, 3885
 Supply, matter could be brought forward on administration item, 2495-96
 When it comes to answering questions, the practice has (usually) been to wait until the specific item is before the committee, 3620
 Unless the minister agrees otherwise, 3639
 It is not up to the Speaker to declare it is six o'clock, 2340
Journals of the House constitute the authority so far as rulings are concerned, 2711
 Jurisdiction of chairman extends not only to the chamber but also to the lobbies. If members do not wish to resume their seats and listen to the debate it is suggested that they go to other quarters, 2956
 Language
 It is not unparliamentary to say that a statement is untrue if there is no imputation of intentional falsehood, 4177
 Offensive, withdrawal of, 4481
 Remarks about intelligence of electors, 4856
 Unparliamentary, 1097-98
 “Nasty,” 2916-17
 “Vicious attack,” 2913
 Legislation which is now being discussed by a committee and which has not been reported to the house, should not be referred to by member, 3026
 Member/Members
 Asked to co-operate with chair, 2670
 Calling to order for quoting too much literature into the record, 1178
 Has to accept the statement of the minister as to his attitude, 2820-21
 Member asked to address himself to the Chair, 2668
 Not in order to discuss procedure, 2825
 Prevented from discussing a certain subject because the discussion was out of order, 3829-31

Deputy Chairman of Committees of the Whole—Con.

Rulings and statements—Con.

Member/Members—Con.

- Reading speeches, 4854-57
- Referring to another member should refer to him as the hon. member for Souris, or the hon. member for Kamloops, or whatever it may be, 2907
- Referring to chairman of Senate committee on divorce should so state, 3285
- Should co-operate as much as possible in order to expedite the business, and should confine their remarks to the resolution under consideration, 2433
- Should realize that there should be just one ruling with regard to any one measure and that the ruling should apply to every hon. member, 2429
- Should refrain from interjecting remarks. Instead they should stand up and take part in the debate in an orderly manner, 2822
- Statement by, respecting himself and peculiarly within his own knowledge must be accepted, 4191
- Taking exception to the conduct of some members of standing committee, could have done so when the motion was made for concurrence in the report of the committee . . . or on some other occasion, 4180
- Two members cannot be on their feet at the same time. When the chairman rises, members must resume their seats, 2910
- Who has the floor need not answer question asked by another member, 4187
- Who are behind the curtains requested to remain silent, 2956
- Will address the chair, 3625
- Will not want to leave any implication that whatever he withdrew before still stands, 2912
- Motion seemingly calling for change in procedure and requesting committee to report progress to be put to a vote, 2942-43
- Not a matter for the chairman to decide as to how, where and when a representative introducing a bill or defending a measure is to reply, 2597

Deputy Chairman of Committees of the Whole—Con.

Rulings and statements—Con.

Point of order

- Not well taken, 3185
- Raised too late. The matter is over now, 3625
- Should be brought to the chairman's attention at the time, it arises, 2909
- Where there is no point of order there is no ruling to be made, 3420
- Privilege, question of
 - Hon. member should accept the statement of another hon. member, 2910
 - Matter not one of privilege, 3287
 - Words complained of should be complained of (by the person to whom they are addressed), 4111
- Rulings confirmed on appeal, 2662-63
- Rulings not debatable, 3378, 4318

Supply

- Amendment to item out of order, 4938
- Estimates, procedure on discussion of, 2943-44, 3360-61, 3383-84
- Member may speak on irrelevant item with unanimous consent, 4114
- Motion in committee to defer consideration of a resolution declared out of order, 1456
- The chairman is not here to indicate to hon. members what they should discuss and how they should discuss whatever they want to put forward. The chairman is here to decide questions of order whenever they arise, 4794

Deputy Speaker and Chairman of Committees (Mr. J. A. Dion)

Rulings and statements

Bills

- Resolution stage
 - Amendment, relevance of, 2640
 - Members may ask questions and receive answers in committee stage, 3020
 - Motion to consider paragraph by paragraph ruled in order, 2409
 - Questions should be asked in committee of the whole, 1701
- Second reading, not in order to ask questions at this stage, 4756
- Tax bill
 - Amendment does not specify rate of the tax to be imposed nor is it relevant to the bill, therefore it is out of order, 2655
 - Amendment which does not provide specifically for a substitute tax or clearly preserve the balance of ways and means, is out of order, 2640

Deputy Speaker and Chairman of Committees—*Con.*

Committee is always the master of its own rules. With unanimous consent the question may be put, but the ruling is still there. If there is not unanimous consent the ruling stands, 2641

Committee is master of its own rules . . .

(it) has given its decision, and the chairman has nothing further to say, 2412

Interruptions, 2405

Irrelevance, 502, 1924, 1926, 1991, 2347, 2514-18, 3051-53, 3055, 3344, 3610, 3686, 3854-55, 3874, 4029, 4170, 4761-63, 4781, 4961, 5033

The matter is not at issue and the question is out of order, 3057

Journals of the House do not take note of sections of a bill that are carried in committee, 3500

Matter decided previously this session may not now be discussed, 2284

Member/Members

Has already spoken in this debate, and he may not speak twice, 2536

Has no intention of imputing any motive to the hon. member, 3533

Has not the right of reply in moving an amendment, but may ask a question, 2623-24

If the hon. member continues along this line he will be asked to discontinue his speech, 2518

May not refer to a previous debate, 4984

Not in order, 4961

Should not refer to proceedings of committee which has not reported, 4085

Orders of the day, questions on, member requested to state as briefly as possible, 1647

Point of order, should have been taken before the vote, 2410

Question not in order, 4629

Rulings confirmed on appeal, 2414-15, 2642, 2655

Ruling is not debatable, 2641

Supply, procedure on discussion of, 3343-44

Unparliamentary language

"Contemptible remarks," 1448-49

Vote, no hon. member should vote unless he has heard the question put, 2412

Ample opportunity to debate this matter when the house (goes) into committee of supply on the supplementary estimates . . . cannot allow the motion to stand, 884

Motion for to be made after conclusion of daily routine of business, 1641-42

Motion ruled out of order since the matter may be debated on the coming Monday on motion to go into supply, 1642-46

The first matter to be considered by the house today will provide opportunity . . . within the rules and within the scope of the bill to discuss the subject on which motion was made. Motion may not stand, 947

Bill

Amendment to, if there is no seconder the motion will have to be dropped, 4353

Amendments to of doubtful regularity allowed to stand because it was the unanimous opinion of the house that the debate they were concerned with should be allowed to proceed, 1295

Called now and not proceeded with will go to the bottom of the list, 3524

Private

Allowed to stand in absence of sponsor, 2579-80

Amendment to refer to (standing) committee allowed to stand, 2582

Divorce

Second reading, member can refer to circumstances surrounding the case, 3747

Usual procedure on, 2246

Hour for, information as to bills to be taken up, 2582

M. to extend time for consideration of would require forty-eight hours' notice or unanimous consent of the house, 4724

Principle of a private bill is accepted subject to the facts being proved before the committee to which the bill is referred, 3747

Question previously discussed on amendment to, members asked not to extend their remarks unduly on, 3692-94

Speaker—Con.

Rulings and statements—Con.

Bill—Con.

Request for unanimous consent to proceed with second reading, member may make a motion and give a brief statement in connection therewith, but a debate cannot be allowed at this time, 1101

Resolution stage

Maximum expenditure need not be stated in, 4691

The minister does not close the debate, nor has he a right of reply, 4424

Second reading

Amendment requesting that "consideration should be given" to matters involving expenditure of money by the government allowed to stand, but not to be regarded as a precedent, 1077-79

Not in order to move amendment to a section of the bill on, 1343

Question on allowed to stand, 2243

Referring to committee, 2479

Similar bills, referring to committee of the whole on the one motion, 3996-97

Third reading

Amendment, deals with a matter which is not contained in the bill, seeks to alter the whole principle of the bill and the principle of the main act, and is therefore out of order, 4354

Debate in present session that was concluded may not be referred to, 2221-23

Debate of present session on another subject, reference to is not in order, 975

Debate on matter already discussed in the house and in committee of the whole not to be revived at this time, 2094-95

Gallery, references to strangers in, 3494

If the (member) wants to make a brief statement, he should be allowed to do so; but he should not extend his remarks so that the result would be another debate on this subject that has been closed, 3027

If there are questions to be asked, (it is suggested) that the minister answer them when he is replying and closing the debate, 3058-59

Interruptions, 4814

Irrelevance, 1462, 2529, 2531, 3515, 3644, 3645, 3845, 3848, 4001, 4284, 4719-20, 4755

Speaker—Con.Rulings and statements—*Con.*

It is not customary to address questions to the Speaker from the floor of the house, 3218

Language, unparliamentary

“Cowardly”, 4813-14, 4887-88

Exception should be taken to it at the time it is used, 4888

“Lack of courage”, 4813, 4887

“Public enemy”, 1768

“Smear”, 4813, 4888-89

“Vilification”, 4888

Letter should not be read by member unless he is prepared to table it, 345

Letters, unsigned, should not be read in the House, 478

Matter already discussed “is not debatable at this time, and . . . reference should not be made to it during this debate”, 2221

Matters before a court of record cannot be discussed in the house, 3971-75

Member/Members

Budget resolutions should not be referred to or discussed at this time. Under the circumstances, however, the member may complete his quotation, 2531

Must accept the statement made by another hon. member, 1632

Must not read from a written, previously prepared speech, 496-97

Opportunity to speak later on debate, 2274

Reading long extract at this time not in order, 4353

Remarks must be addressed to Speaker, 352

Replying to a government motion is not limited as to time, 3696

Requested to conclude remarks as soon as possible, as discussion is in doubtful order, 4352

Should not read the dispatch, 2174

Undesirable practice of reading speeches . . . The House of Commons is not a debating society nor an assembly which is gathered together to listen to the reading of essays, 3494

Unusual for member to read or to summarize a dispatch, 421

When an hon. member rises to a point of order, he should be allowed to state it, 1462

(Who) has the floor, . . . a question can be asked only with his permission, 2378

Who persists in discussing this matter will be asked to discontinue his speech, 2221

Speaker—Con.Rulings and statements—*Con.*

Minister, who does not speak on introducing a bill cannot speak until closing the debate, 3676

Minister's statement, debate not allowed on, although leaders of opposition groups may speak, 3669

Motions

Amendment to send motion to committee not in order unless there is unanimous consent, 3216

Amendment to that neither adds to nor detracts from the notice of motion, nor does in any way clarify the notice of motion, ruled out of order, 1627-28

Appointing a committee, amendment which would widen the scope of the powers of the committee as set forth in the notice of motion, ruled out of order, 1624-27

Can be put only with the unanimous consent of the house, 3745

Cannot have two motions before the house at the same time except in accordance with S.O. 48. Unless there is unanimous consent the second motion is out of order, 3216-17

Member must have the unanimous approval of the house in order to withdraw a motion, 459

No motion before the house at the present time on which the matters raised could be discussed; discussion could only be allowed by unanimous consent, 3669

Not within Speaker's power to review what took place in the committee, 2413

Notices of motion for production of papers are not debatable, but the leader of the opposition may make reply to what has been said, 4346

Order for motions

It is not in order for a member of the government or the leader of the opposition to raise controversial questions on . . . when important statements are made by a member of the government, the leaders of the opposition groups are allowed to make brief statements. The matter the hon. member is discussing at the present time is controversial, 4345

Order paper, motion to change order of business of may not be put without unanimous consent, 3051, 3182, 3285

Speaker—Con.Rulings and statements—*Con.*

Orders of the day, questions on

Answers may be given at this time, 3495

House is going into committee of supply almost immediately and . . . questions should be reserved until that time, 4136

Improper to ask at this time questions which are long and involved. (They) should be urgent ones which can be asked briefly and which can be replied to briefly . . . member might withhold this question until some future time, 3264

Lengthy, should appear on order paper, but may be answered when urgent, 2926

May be considered as notice of the question, but (is) not to be replied to at this time, 1671

Member asked to put question without prefacing it with remarks, 4680

Member asked to reserve his question for another occasion, 2633

Member can ask his question without reading the report, 2609

Member may make statement with unanimous consent of the house, 3265

Member should ask his question without reading press dispatch, 762, 3220, 4025, 4348

Must not be a long question, 3264

Must not . . . provoke debate (and), must be brief and urgent, 897

No discussion, 3265

(Not) the time to ask a question of this kind, 1025

Only questions which refer to matters of considerable urgency should be asked, 496

Procedure for, 3494

Question (not allowed) at this time, 946

Question previously ruled out of order may be asked at this time as there seems to be some urgency in connection with the matter raised, 1234-35

Should be asked directly, 4025

Should be urgent, should be brief and should require only short answers, 2043

Should not be questions that lead to debate or are provocative, 3496

Should be put briefly, 762

To be taken as notice and answered tomorrow, 2043

Speaker—Con.Rulings and statements—*Con.*Orders of the day—*Con.*

Type which should be placed on order paper, 763, 896, 1135, 1186, 1670

Allowed to stand, therefore answer has been allowed, 1671

Which should not be asked at this time, 897, 2144

Parliamentary assistant

Is acting for the minister, . . . if he speaks now he will close the debate, 3087

Speaking on behalf of a minister in his opening address, will close the debate when he speaks again, 3217

When acting for the minister cannot act in his private capacity also, 3676

Point of order

It is irregular to raise a point of order on a point of order, 1643

Point of order or question of privilege

Member rising on must wait until vote is concluded, 2663

Privilege, questions of

Irregularities, 3494

(Member) cannot debate it at this time . . . He will have an opportunity later on to do that, 2378

(Member) has stated that he did not make that accusation. If he did not make that accusation, it is impossible for him to withdraw it, 4814

Member may make a brief statement on, 4344-45

Member replying to is in order under the circumstances, 4812

Member rising on should state his question of privilege as briefly as possible, 2378, 3719

Not a question of, 2273

This is not a proper question of privilege. However, if the House would like to hear it, there is no objection, 995

Question decided this year, debate should not be revived on, but there is no objection to the hon. member making a brief statement, 3760

Questions should be withheld until legislation is brought down, 538

Resolution preceding money bill allowed to stand, 1914

Rulings

Appealing from, 2665

Reference of Mr. Pouliot, 4746

Sustained on appeal, 3299

Speaker—Con.

Rulings and statements—Con.

Senate

Debate in should not be referred to, 2011

Debate which took place in this session should (not) be referred to in this house (even given) unanimous consent, 4032

Supply, amendment to motion for

Out of order in that it would be bound to affect the adjudication by a body designated by parliament as a court of record in an issue which is now pending before it, which is contrary to the rule which prohibits discussion of any issue which is sub judice, 3973-75

Without precedent; it is out of order because it anticipates by a negative motion something which may be presented to the house at a later date, and as being in conflict with a previous decision of this house, 3293, 3297-98

Vote, taking of

It is irregular for an hon. member to move from one place to another or to leave the chamber while a vote is being taken or before the vote is announced, 2663-64

Smith, A. L., member for Calgary West, reference to proposed resignation of, 42

Speaker's gallery, permission to Rotary club guests to sit in, 3261

Staff

Compensation, changes in, 1484-85

Sessional employees, three days' additional pay, 5034

Speech from the Throne at the opening of parliament, 1-2

Address in reply. *See that title*
