The copy filmed here has been reproduced thanks to the generosity of:

The Nova Scotia
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

 *The announcement of special prizes by Mr. Vick, in the prize list published in the May number of the Journal of Agriculture, was inserted on the faith of an announcement in his catalogue, authorizing provincial societies to offer them. He has since declined to grant them, on the ground of having already offered them to two other associations in Nova Scotia.*

The offer is therefore withdrawn from our prize list.

RULES AND PRIZE LIST

FOR THE

SECOND EXHIBITION

OF THE

Nova Scotia Poultry and Floricultural Association,

TO BE HELD IN THE SKATING RINK, HALIFAX,

ON TUESDAY, WEDNESDAY AND THURSDAY. 3RD, 4TH AND 5TH
SEPTEMBER, 1878.

GENERAL RULES.

1. The term "specimen" implies anything entered for competition.

2. All exhibits must be entered with the Secretary, R. J. Wilson, P. O. box 590, Halifax, or with the Treasurer, A. Mackimay, 137 Granville Street, Halifax, at least one week previous to the Exhibition, namely, not later than Tuesday, 27th August, and exhibitors failing to forward their entry papers by that date will not be allowed to compete for prizes. Entry blanks will be supplied to intending exhibitors by the Secretary or Treasurer.

3. An entry ticket, with a number but no exhibitor's name, will be given by the Secretary for each exhibit, which entry ticket must be attached by the exhibitor to his exhibit, for identification.

4. The Rink will be open on Monday, 2nd September, the day preceding the Exhibition, from 1 till 9 o'clock p. m., for the reception and arrangement of specimens, and on the morning of Tuesday 3rd, from 6 till 9 o'clock a. m., by which time all specimens must be ar-

ranged and ticketed and the room cleared. No person except exhibitors and those engaged in making arrangements will be admitted previous to the opening of the Exhibition.

5. All specimens must be properly named and labelled as far as possible.

6. The Committee reserve the privilege to reject any specimens which they may consider unworthy or unfit for Exhibition. All exhibits shall be under their sole control, and none can be removed before the close of the Exhibition without their permission.

7. Competent judges will be employed to make the awards, and no protest will be entertained, except in case of evidence of fraud. No judge shall be a competitor in a variety where his decision is to be given. Judges must not let their awards be known, except through the Executive Committee.

8. The judges will meet at 10 o'clock a. m. on Tuesday, and proceed with their work of determining prizes, after which they will hand their books to the Secre-

tary, and obtain and place the prize tickets before the opening of the Exhibition to the public at 2 o'clock.

9. Any person interfering with or attempting to influence the decision of the Judges by his presence or remarks, shall forfeit all right to any premiums to which he might otherwise be entitled.

10. The decision of the Judges shall be final, and exhibitors will be required to abide by it.

11. The Treasurer will commence to pay the premiums on Thursday, the last day of the Exhibition, at 10 o'clock A.M., at the Rink. Prizes not claimed within one month will be forfeited.

12. All sales of articles on exhibition must be made through the Treasurer, who will deduct 5 per cent. for the benefit of the Association.

13. Exhibits may be removed after 5 p. m., on Thursday, 5th.

14. All expenses of transportation to and from the Rink must be borne by the exhibitors.

15. Although every care will be taken, the Association will not be responsible for loss or damage that may occur during the exhibition.

POULTRY.

16. All specimens shall be exhibited in pairs, one male and one female, except chickens, which shall be in collections of not less than four, and cage birds, which may be entered singly. No change will be allowed with the occupants of competing coops.

17. All specimens, which must, at the time of the exhibition, be the bona-fide property of the exhibitor, must be exhibited in attractive and convenient coops or cages, open only at the front, and which can be easily opened by the judges or attendants, with proper appliances for food and water; they must, for convenience and uniformity of arrangement, be of the following dimensions, outside measurement:—2½ feet high, 2 feet deep, 2½ to 3½ feet long. For Bantams and Pigeons 19 inches high, 11 to 15 inches deep,

and 18 to 28 inches long. Coops for Turkeys and Geese may be 3 feet high, 2½ feet deep, and 3 to 3½ feet long. The length of each coop must be stated on the entry blank.

18. Any specimens showing symptoms of disease must be removed from the Hall by the exhibitor, or at his expense and risk if he be absent.

19. It will not be necessary for exhibitors to accompany their specimens, which may be sent direct to the Hall where they will be received, and properly cared for by the committee, during the exhibition, and at its close will be delivered to express for return on order from, or by direction of the owners.

20. All specimens must be exhibited in their natural condition, except Games and Game Bantams, which may be dubbed or trimmed in the ordinary manner.

FLOWERS.

21. All plants exhibited in competition, or from which flowers for exhibition have been obtained, must have been grown by the exhibitor, or have been in his possession for at least two months prior to the first day of exhibition.

22. Any number of plants or stands of flowers may be entered by an exhibitor, but no competitor can be awarded more than one prize in the same section.

23. Exhibitors will attend to the watering of their own plants at such times as the Committee may arrange.

24.—Cut flowers may be exchanged for fresh specimens of the same varieties—for exhibition only—on each day. Such exchanges must be made previous to 9 o'clock a.m.

25. The Exhibition will be open to the public on Tuesday, September 3rd, at 2 o'clock, p. m., and be open daily from 10 a. m. until 10 p. m., closing on Thursday 5th, at 5 p. m.

ADMISSION.—Single tickets, adults, 25 cents; children under 12 years of age, 10 cents; season tickets, 50 cents.

FANCY FOWLS, PIGEONS & CAGE BIRDS.

He is now breeding some of the finest Leghorns, Golden Spangled Hamburgs as can be found in the world; and in the Pigeon Line has the following varieties:—Austrian Pouters, English Carriers, Antwerp Carriers, all kinds of Fan Tails, Turbits, Jacobins, Russian Trumpeters, English Trumpeters, Archangels, Magpies, and Swiss Pigeons.

Eggs for Hatching from all kinds of Thoroughbred Fowls at \$3.00 per sitting.

The prices of Pigeons can be obtained on application to Mr. Downs, who will be happy to see any of his friends who may favor him with a call, at his new residence, near the North West Arm.

THOROUGHBRED FOWLS--LIGHT-BRAHMAS AND PARTRIDGE COCHINS.

I have still a few sittings of Eggs left from my PRIZE WINNING Brahmans and Cochins, which I will dispose of at the old price, THREE DOLLARS PER DOZEN. Parties requiring "Eggs for Incubation" from my stock, would materially consult their own interests by carefully reading the following conditions before purchasing, viz:—"That I will sell EGGS FOR HATCHING from the same fowls that I breed from myself, and do the best I can to have them sound, fertile, and always fresh laid. I also select them from my best breeding stock without exception, but I cannot duplicate sittings of Eggs without charge, nor can I give any guarantee whatever about the surety in hatching of Eggs sent over railroads or by express." I have not any Eggs for sale at Fifty Cents a dozen, as it does not pay me to keep such trash about my premises; all my stock is first-class from the best blood in America, as the many prizes they won at the last show amply testify.

✂ A fine lot of Chickens for sale after September 1, 1878.

THOMAS COUDGE, Compton Avenue, Halifax.

EGGS FOR HATCHING FROM PREMIUM FOWLS.

Brown Leghorns, White Leghorns, Buff Cochins and Houdans.

My Birds are all first-class, from imported English and American Stock. I send from my yards such fowls, or Eggs for Hatching, only as I breed myself, or set eggs from. I do not sell cheap stock since it does not pay me either to raise or offer such to my patrons. I select, mate and handle my stock personally, but cannot give any guarantee about hatching. I send Eggs carefully packed, fresh from the nests, and sell only the same kinds I use for my own purposes.

✂ A fine lot of Chickens of the above varieties for sale in the fall.

PRICE \$3.00 PER 13 EGGS.

BENJ. BEATTIE, Allen Street, Halifax.

BENJAMIN LOWE,

DUNCAN STREET, HALIFAX,

BREEDER OF BUFF COCHINS AND WHITE LEGHORNS.

My Buff Cochins are from English Stock, imported from Fowler, and my White Leghorns from the best American Strains. Having made the breeding of these two varieties of fowls a special study for some years past, constantly aiming to secure the greatest degree of perfection, as to fancy points and size, not forgetting their laying qualities. I have one Buff Hen in my yard from which I am breeding, that laid FORTY-EIGHT days consecutively, which I claim is hard to beat. I now feel prepared to fill orders to the satisfaction of all my patrons.

✂ Young Fowls for sale in the fall.
