The copy filmed here has been reproduced thanks to the generosity of:

Department of Rare Books
and Special Collections,
McGill University, Montreal.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Department of Rare Books
and Special Collections,
McGill University, Montreal.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Sections of Customs Act of 1883

OF INTEREST TO IMPORTERS.

No goods shall be unladen from any vessel arriving at any port or place in Canada, from any place out of Canada, nor from any vessel having dutiable goods on board brought coastwise, nor shall bulk be broken within three leagues of the coast, until due entry has been made of such goods, and warrant granted for the unloading of the same; and no goods shall be so unladen (unless for the purpose of lightening the ship or vessel in crossing over a shoal or bar, or sand-bank) except between sunrise and sunset, and on some day not being a Sunday or statutory holiday, and at some hour and place at which an officer of the Customs is appointed to attend the unloading of goods, or at some place for which a sufferance has been granted by the Collector or other proper officer, for the unloading of such goods: and if, after the arrival of the vessel within three leagues of the coast, any alteration be made in the stowage of the cargo so as to facilitate the unlawful unloading of any part thereof, or if any part thereof be fraudulently staved, destroyed or thrown overboard, or any package be opened, it shall be deemed a breaking of bulk; and all goods unladen contrary to this Act shall be seized and forfeited; and if bulk be broken contrary to this Act, the master shall forfeit two hundred dollars, and the vessel may be detained until the said fine is paid, or satisfactory security is given for the payment thereof; and unless payment be made or security be given, within thirty days, such vessel may, at the expiration thereof, be sold to pay the said penalty.

If the contents of any package intended for importation into another port, or for exportation, be unknown to the master, the officer may open and examine it, and cause it for that purpose to be landed if he sees fit; and if any prohibited goods be found therein, all the goods in such package shall be seized and forfeited.

JOSEPH J. FOLLETT, 183 Yonge St, Toronto, **MERCHANT TAILOR**

The person entering any goods inwards shall deliver to the Collector or other proper officer, an invoice of such goods shewing the place and date of purchase and the name or style of the firm or person from whom the goods were purchased, and a full description thereof in detail, giving the quantity and value of each kind of goods so imported, and a bill of the entry thereof, in such form as shall be appointed by competent authority, fairly written or printed, or partly written and partly printed, and in duplicate, containing the name of the importer,—and, if imported by water, the name of the vessel and of the master, and of the place to which bound, and of the place, within the port, where the goods are to be unladen,—and the description of the goods, and the marks and numbers and contents of the packages, and the place from which the goods are imported, and of what country or place such goods are the growth, produce or manufacture.

Unless the goods are to be warehoused in the manner by this Act provided, the importer shall, at the same time, pay down, or cause to be so paid, all duties upon all goods entered inwards; and the Collector or other proper officer shall, immediately thereupon, grant his warrant for the unloading of such goods, and grant a permit for the conveyance of the same goods further into Canada, if so required by the importer.

In default of such entry and landing, or production of the goods, or payment of duty, the officer of Customs may convey the goods to a Customs Warehouse, or some secure place appointed by the Collector for such purpose, there to be kept at the risk and charge of the owner;—and if such goods be not duly entered within one month from the date of their being so conveyed to the Customs Warehouse, or other appointed place, and all charges of removal and warehouse rent duly paid at the time of such entry, the goods shall be sold by public auction to the highest bidder, and the proceeds thereof shall be applied, first to the payment of duties and charges, and the overplus, if any, after discharging the vessel's lien, or other charges for transportation, shall be paid to the owner of the goods or to his lawful agent: Provided always, that in case the same cannot be sold for a sum sufficient to pay the duties and charges if offered for sale for home consumption, or the charges if offered for sale for exportation, such goods shall not be sold, but be destroyed.

No entry, nor any warrant for the landing of any goods, or

To Dress Economically you should order your

for the taking of any goods out of any warehouse (as hereinafter provided) shall be deemed valid, unless the particulars of the goods and packages in such entry or warrant correspond with the particulars of the goods and packages purporting to be the same in the report of the vessel, or other report (where any is required) by which the importation or entry thereof is authorized, nor unless the goods have been properly described in such entry by the denominations, and with the characters and circumstances according to which such goods are charged with duty or may be imported: and any goods taken or delivered out of any vessel, or out of any warehouse, or conveyed into Canada beyond the port or place of entry, by virtue of any entry or warrant not corresponding with the facts in all such respects, or not properly describing the goods, shall be deemed to be goods landed or taken without due entry thereof, and shall be seized and forfeited; and the Collector or proper officer, after the entry of any goods, may, on suspicion of fraud, open and examine any package of such goods in presence of two or more credible witnesses, and if, upon examination, the same are found to agree with the entries, they shall be repacked by such Collector or proper officer, at the public cost, but otherwise they shall be seized and forfeited.

The quantity and value of any goods shall always be stated in the bill of entry thereof, although such goods are not subject to duty; and the invoice thereof shall be produced to the Collector.

Such market value shall be the fair market value of such goods in the usual and ordinary commercial acceptance of the term, and at the usual and ordinary credit, and not the cash value of such goods, except in cases in which the article imported is, by universal usage, considered and known to be a cash article, and so *bona fide* paid for in all transactions in relation to such article; and all invoices representing cash values, except in the special cases hereinbefore referred to, shall be subject to such additions as to the Collector or appraiser of the port at which they are presented may appear just and reasonable, to bring up the amount to the true and fair market value, as required by this section.

Except only in cases where it is otherwise provided herein, or by regulation of the Governor in Council, no entry shall be deemed perfect unless a sufficient invoice of the goods to be entered, duly certified in writing thereon as correct by the person, firm and corporation from whom the said goods were purchased, has been produced to the Collector, and duly attested as required by this Act.

CLOTHING from JOSEPH J. FOLLETT

If any goods are found which do not correspond with the goods described in the invoice or entry, or if the description in the invoice or entry has been made for the purpose of avoiding payment of the duty or of any part of the duty on such goods, or if in any entry any goods have been undervalued for such purpose as aforesaid, such goods shall be seized and forfeited.

Officers of Customs may board any vessel at any time or place and stay on board until all the goods intended to be unladen shall have been delivered; they shall have free access to every part of the vessel, with power to fasten down hatchways, the fore-castle excepted, and to mark and secure any goods on board; and if any place, box or chest be locked, and the keys withheld, the officer may open the same. If any goods be found concealed on board they shall be seized and forfeited, and if any mark, lock or seal upon any goods on board, be wilfully altered, opened or broken, before the delivery of the goods, or if any goods be secretly conveyed away, or if hatchways fastened down by the officer be opened by the master, or with his assent, the master shall forfeit four hundred dollars, and the vessel may be detained until the said fine be paid, or satisfactory security be given for the payment thereof.

No refund of duty shall be allowed after the lapse of fourteen days from the time of entry, for any alleged misdescription of goods by the importer; and should any error of the kind be discovered by the importer while unpacking his goods, he shall immediately and without further interference with the goods, report the facts to the Collector in order that the same may be verified.

Any attorney and agent duly thereunto authorized by a written instrument, which he shall deliver to and leave with the Collector, may, in his said quality, validly make any entry, or execute any bond or other instrument required by this Act, and shall thereby bind his principal as effectually as if such principal had himself made such entry or executed such bond or other instrument, and may take the oath hereby required of a consignee or agent, if he be cognizant of the facts therein averred; and any instrument appointing such attorney and agent shall be valid if in the form prescribed by the Minister of Customs.

Demand Notes are payable on presentation without grace, and bear legal interest, after a demand has been made, if not so written. An endorser on a demand note is holden only for a limited time.

A Negotiable Note must be made payable either to bearer or be properly endorsed by the person to whose order it is made. If the endorser wishes to avoid responsibility, he can endorse "without recourse."

A Joint Note is one signed by two or more persons, who each become liable for the whole amount.

Three Days' Grace are allowed on all time notes, after the time for payment expires; if not then paid, the endorser, if any, should be legally notified, to be holden.

Notes falling due Sunday, or on legal holidays, are paid the day following.

Notes dated Sunday are void.

Altering a Note in any manner by the holder makes it void.

Notes given by minors are void.

The maker of a note that is lost or stolen is not released from payment if the amount and consideration can be proven.

An Endorser has a right of action against all whose names were previously on a note endorsed by him.
