W. D. EARNGEY, K.C., ARRESTED Admits Making Bogus Mortgages FOR FORGERY AND PERJURY

Lawyer Signed Name of Master
of Titles to Registry Certificates—Pockets Money on
Fake Loans to Parties Who
Did Not Own Properties
Mortgaged.

LAW STUDENT ALSO CHARGED

William D. Earngey, K.C., of the
firm of Eyre and Earngey, with offices
in the Confederation Life Building,
and who lives at 615 Spadina-avenue,
was arrested yesterday afternoon by
Detective Wallace upon four charges
of forgery and one of perjury, while
Charles Black, a law student in his
office, was taken by Detective Sockett
upon a charge of perjury which may
be later changed to that of making a
false document.

The charges arise out of the lawyer's
dealings with his clients' moneys and
the mortgages, which he admits, are of
the names of alleged owners of prop-
erty upon which he made false loans,
aggregating \$200. Upon these he tor-
gued the name of J. G. Scott, master of
titles at Osgoode Hall, to false certifi-
cates of registry at that office, and
the perjuries were in the making of
the affidavits of execution upon these
mortgages of which there were two—
one of \$1000 from Grocer.

In October last William Dallimore,
grocer, 208 East Queen-street, went to
Mr. Earngey, who had been his solicitor
for some time. He wanted to in-
vest \$1000 in a first mortgage, and
Earngey undertook the transaction. On
the fifth of that month he showed Mr.
Dallimore a mortgage upon a prop-
erty at 833 West Bloor-street. It
was drawn from Ernest W. Duke, 123
Barton-street, who appeared as the owner
to A. Dallimore. The name of Duke
was signed to the mortgage and to an
affidavit setting out that the mort-
gagor was a single man. Later this
mortgage was turned over to Mr. Dal-
limore bearing what purported to be a
certificate of registry in the name of
office as of 10.10 o'clock on the morning
of Oct. 7. Mr. Dallimore paid over
the \$1000. The affidavit of execu-
tion is signed by Black and sworn
before the lawyer as it appears upon
the mortgage. He received also a
copy of the property in his own name
and in which Duke appeared as the
owner. The policy was in the Commer-
cial Union Insurance Co., of which
Earngey is secretary, and 17 Lead-
lane is the local agent.

Swore to Affidavit.
On January 21, of this year, Thos.
Dallimore, a brother of William, and
associated with him in business, wish-
ed to invest \$1000 and went to Mr.
Earngey and a loan was negotiated on
mortgage. This time the property was
at 80 Brunswick-ave. and the alleged
owner, Mrs. Kate Chesher. The mort-
gage was executed in the name of the
previous owner, save that in this
case Earngey himself swore to the af-
fidavit of execution, taking the name
of W. H. Grant of 222
Duncan, Grant and Skeans. Upon it,
too, appears the false certificate of
registry to which he signed the name
of J. G. Scott, the master of titles,
and which sets out registry as of Feb.
2, 1911. In this case an insurance policy
for the amount of \$1000 was given
from the Queen City Fire Insurance
Co., of which Joseph Wamsley is the
agent.

Enquiries Showed Forgery.
Yesterday the Dallimore brothers,
having become suspicious, called upon
Mr. Earngey and he admitted that he
had forged the mortgages. Mr. Scott
declared that no such papers were on
file in his office, and that the signa-
ture of his name was a forgery. He
said that he knew Mrs. Chesher's signa-
ture and that which purported to be
his on the mortgage was never signed
by her.

Upon the receipt of this information,
the brothers waited on Inspector of
Detectives Duncan, who sent his men
out and had Earngey and his student
brought to headquarters. Mr. Duke
was also called in and when con-
fronted by him, Earngey admitted that
he was the man meant in the affidavit
and that he had never seen it. He
said that he had never seen it on his
way down to headquarters. He
had been a client of Mr. Earngey, but
had withdrawn his business owing to
differences between them.

Earngey then admitted that Mrs.
Chesher knew nothing of the mort-
gage signed in her name.

Network of Charges.
Both men were held. Earngey is
charged with the forgery of the name
of Duke to the first mortgage and
the affidavit that Duke is a single
man upon it. The second charge is of
forging the name J. G. Scott to the
false certificate of registry. He is charged
with forgery of the name of Chesher
to the second mortgage, and an
affidavit setting out that the woman
is a widow which appears upon this
mortgage. He is also charged with
forgery of the name J. G. Scott in
perjury. He is charged with perjury
upon the second mortgage, in which
he swears that he saw Mrs. Chesher
sign.

He admits all the forgeries.
Last night he was released upon
\$4000 half in two surties of \$2000 each,
while Black was granted his freedom
until morning upon bail of \$1000.
Earngey is a married man, 40 years
of age. He is a King's counsel. He
was a candidate for the city council
in 1910. His partner, Reginald Eyre,
is now absent from the city since the
announcement of the over-issue of the
stock of the Little Nipissing Mine, of
which he was secretary.

Black is a student, who says he is
18 years of age, and lives at 33 West
Gerrard-street.
Earngey gave his cheque to the police
yesterday afternoon covering the
amount of both loans, but as it was
after banking hours, this could not be
registered.

HENRY ARRESTED FOR MURDER OF ITALIAN

W. D. EARNGEY.

Norman Henry, single, 24 years, a
laborer, living at 227 West Richmond-
street, was arrested last night by De-
tective Tibbon, Twigg, and Archibald,
charged with the murder of an Italian,
Andrews, who died in St. Michael's
Hospital from a fracture of the skull
Tuesday after being arrested
Monday night as a drunk.

Laborer Admits He Knocked Andrews Down in Fight on Queen Street—Two Women and Man Held as Wit- nesses—Were Annoyed by Italians.

Three companions, two women and
a man, were also taken at the above
address, and are held as material wit-
nesses. The arrests were made at 11
o'clock. The others taken are James
Sheehan, single, a laborer, 20 years, who
gives 205 Simcoe as his address; Beas-
ie Maxwell, single, 21 years, Scotch,
205 Simcoe-street, and Ethel Taylor,
single, 21 years, English, 227 West
Richmond-street.

Followed by Italians.
Henry admits that it was he who
struck the dead man on Monday night.
He says that he and the others were
walking along the north side of Queen-
street when they noticed, about York-
street, that Andrews and another Ital-
ian were following them. He says that
the Taylor woman turned round and
told the Italians to go away, where-
upon the man who was with Andrews
struck her. This was about
midway between York and University-
avenue. He says that Andrews then
struck at him, and he struck Andrews
and knocked him down. The other
man then made as if to draw a knife
and he pretended to draw a revolver,
which he did not have, and he and
his party left, leaving Andrews lying
upon the ground. He says he has not
kicked the prostrate man as he had been
said by one man who saw the struggle,
and that no revolver was drawn
as has also been stated.

Interpreter Got Clue.
Italian Interpreter Frank Morris, who
says that Andrews' correct name was
Nunzio Nicola Saramana, has interest-
ed himself in the case, and has been
doing some investigating of his own,
states that Francesco La Viola, 66
Manfield-avenue, with whom the
dead man boarded, saw that Andrews
and two friends had been having a
good time at his place Monday night.
He says they drank a quantity of
beer and then went out. He says he
met the dead man later and had some
drinks at Queen and Chestnut-trees
with him. They saw a fight between
University and York on Queen-street,
and a moment or so later three men
and two women came up to them. One
of the women asked if they were the
men who had been fighting, and two
of the men struck him and then an-
other drew a gun. When he looked
round Andrews was on the ground.
He ran away.

BOGUS CHURCH COLLECTORS.

Rev. J. D. Morrow wishes it to be

ing in funds under the pretence of
being agents of the Duke Church. The
only authorized collectors are all listed

pictures of the church and Mr. Mor-
row, all others being fraudulent. Spe-
cial coin cards are to be sent to Mr.
Morrow direct.

LIMIT ARMAMENTS SAYS THE REICHSTAG

Liberal Press of Germany Disap-
pointed at Chancellor Von
Bethmann-Holweg's Speech.

BERLIN, March 31.—The Reichstag
has adopted a resolution "to request
the chancellor to declare his willing-
ness to enter mutual negotiations with
the other great powers as soon as pro-
positional concerning a simultaneous
and equal limitation of armaments are
made by any one power."

This resolution received the support
of the Socialists and Radicals, a ma-
jority of the members of the Centre
party and a portion of the Imperialistic
and Conservative parties.

The Reichstag also adopted a resolu-
tion calling on the government to
make treaties of arbitration with other
nations modelled on the lines of the
Anglo-German treaty.

FORGED MONEY ORDER

Stanley Hotchkiss, a Waiter, Tried to
Secure \$35 by Fraud.

Stanley Hotchkiss, married, 23 years,
a waiter at Williams' Cafe, 33 Yonge-
street, an Englishman, living at 333
West King-street, was arrested yester-
day by Detective Twigg, charged
with forging the name of Stanley G.
Hotchkiss, another Englishman, to a
money order for \$35.

Hotchkiss admits the forgery.
He went to the postoffice general
delivery on Feb. 15 and asked for let-
ters in the name of Stanley G. Hotk-
ings. He was given a slip to which
he signed that name and brought an-
other to identify him as of that name.
Later he was given a letter addressed
to that name, and which contained the
money order. Hotchkiss complained
when he did not receive the expected
letter, and when Hotchkings turned up
at the wicket, Postoffice Inspector
Alex. Sutherland had him detained un-
til the police came and took him in.

ELECTRICITY FOR FARMS

LONDON, Ont., March 31.—
Addressing the county council
to-night Hon. Adam Beck an-
nounced that the power com-
mission would send two or three
engineers to Europe at the end
of April to study the electrical
situation there. Accompanying
them would be one of the O.A.C.
experts, who would make a special
study of electricity as ap-
plied to the farms. Mr. Beck
himself will join them some time
in May.

T. E. L. LOOKING FOR BID FROM U. S. CAPITALISTS

Manager Macrae Says Expectations
Are Well Founded—De-
mand for Stock.

"I certainly do expect that there will
be some United States capitalists make
a bid for the shares of the Toronto
Electric Light Company," said General
Manager H. H. Macrae, when ques-
tioned last night as to whether there
was any truth in a report. "It is a
more valuable property than the city
either would indicate, and I think that
the American capitalists will not be
slow to realize it," he continued. "Out-
side of this there is nothing new in
the situation so far as I know."
In the meantime the stock of the T.
E. L. has taken an upward turn on
the market and there is speculation in
city hall circles as to the reason. It
is considered rather peculiar that the
stock should advance at this particu-
lar time, and it was suggested by one ad-
vertiser that there must be some other
interest than the city seeking to get
control.

Claims the Reward.

PITTSBURGH, March 31.—Clarence A.
Schaeffer, an employe in a local
broker's office, whose alertness caused
Sheldon's arrest, to-day made an af-
fidavit in a claim of a \$10,000 reward,
alleged to have been offered by a Mont-
real newspaper.

Two Big Features

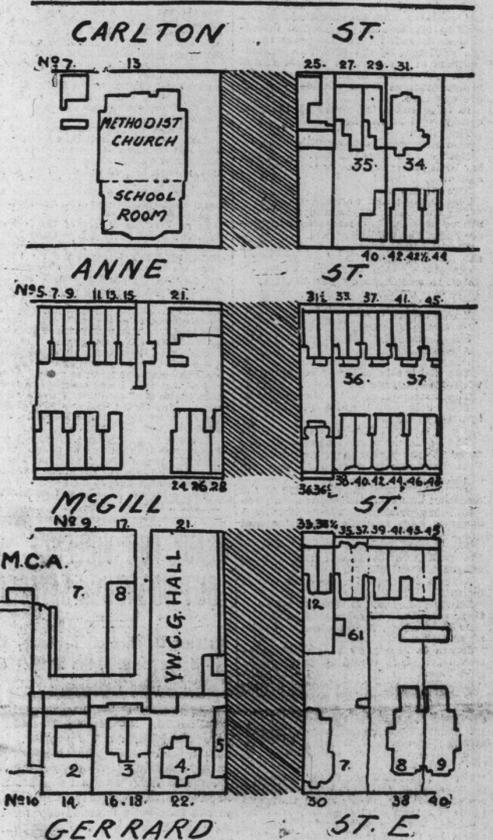

An excellent specimen of
color printing will be given
in this week's Sunday
World. The first page of the
Editorial Section has a beau-
tiful sketch by Lou Skuce,
illustrating the work of the
Department of Agriculture
of Ontario in urging upon
the farmers and fruit grow-
ers intelligent and up-to-
date methods. The page,
which is in four colors, is
further embellished with a
striking likeness of Onta-
rio's farmer-general, Hon.
James S. Duff.

The other big thing is a
page of Whitney. You will
see Sir James in every con-
ceivable attitude in won-
derful sketches by Whitney.
Dr. J. G. Adams III,
Dr. J. G. Adams, 88 Hazelton-avenue,

VICTORIA ST. TO CARLTON

The First Indication of the Big Move up North—The Wm.
Davies Co. to Have Their Greatest Store on Site
of the Carlton Street Methodist Church.

The first outspoken move in regard to the new departure in the way of
big business on Upper Yonge-street was completed yesterday on the lines of
what The World predicted several days ago, namely: On Thursday night
the Carlton-street Methodist Church (a few steps east of Yonge on Ann-
street) was sold by the congregation to the William Davies Co. The accom-
panying map illustrates the situation in the quickest way.

The World understands that the William Davies Co. will make its
largest store in the city, and its head offices for all the other stores and its
packing establishments in the building which it will erect on the church
site. The new establishment will be immediately opposite the still greater
purchase that was made of all the property lying within the bounds of
Church, Carlton, Yonge and Alexander-streets, and which is believed to be
the new location of the greatest store in America, to be built by the T.
Eaton Co. It is said that this new store will cost anything from \$5,000,000
to \$10,000,000, much near the latter than the former sum.

The new Davies building will have a frontage of about 120 feet on
Carlton-street and run right thru to Ann-street, where it has a correspond-
ing frontage.

In connection with these purchases it is now certain that the city
council will be asked in a very short time, if it has not already been asked,
to open up Victoria-street as indicated in the map from Gerrard-street to
Carlton. The result of this opening will be, first of all, to extend Victoria-
street to Carlton and make it a great relieving street of Yonge-street, and
in a secondary way, to make twelve new business corners, namely: two on
the Victoria and Carlton corners, of which the new Davies establishment
will be the southwest corner; two on Ann-street on the north side; two on
the south side; two more on the corner of Victoria and McGill on the north
side, and two more on the south side, and two on the Gerrard-street front.
Something new, however, comes up in connection with the extension of
Victoria-street as a result of the legislation which was passed at the late
session of the legislature, namely: that the power in the city already exist-
ing to expropriate property for the extension of streets or other public im-
provement was supplemented by the additional power of the right of exprop-
riation for two hundred feet on either side of a proposed improvement.
The World takes this to mean that the city will not only have the right to
expropriate property for the new street, but it can expropriate the Davies
corner and the corner to the east of it, and the ten other corners further
south on Ann, McGill and Gerrard-streets. How much the city may see fit
to expropriate in this direction The World does not yet know. But if it is as
the law indicates at least ten of the other corners will be expropriated, and
then resold, and if this is done, there is no doubt that the city will be in a
position to extend the street and pay for everything by the sale of any cor-
ners that it may expropriate and resell at a higher price. This means that
many street improvements are possible in Toronto hereafter, without any
great cost to the public, and certainly with great benefit to the entire com-
munity.

Under the circumstances, therefore, it is the duty of the mayor and
the controllers, and of the assessment commissioner to go fully into the mat-
ter and ascertain the rights of the city, and to carry out the improvement
so that if it turns out to be successful other extensions may be made in other
portions of the city and the congested state of traffic relieved at many
points.

The World yesterday examined the assessment rolls at the city hall
and found the owners of the various properties affected to be as follows, tho
there is no doubt that a number of them have changed hands recently:
MCGILL STREET, South Side—No. 33, Anne E. Mailholland; 33 1/2,
Fred Norris; 35, Nathan Hyatt; 37, Thomas Webb; 39-45 Arthur Coleman;
North Side—18-20, George Sheard; 36 and 36 1/2, Donald McArthur; 38,
Thomas Shaw; 40, Sarah J. Webster; 42-48, Mary Webster.
ANN STREET, South Side—5 to 15, Arthur Coleman; 17 to 25, George
Sheard; 27, James and Mary Hatch; 29, Emma and Andrew Anderson; 29 1/2
to 45, John H. Schofield. North Side—40, John B. Holden; 42-44, George
W. Dunn.
CARLTON STREET, South Side—21, Thomas H. and James A. Stark;
23, Estate James Kent; 25, Mary J. and James Kent (executors of Joseph
Kent Estate); 27-29, John E. Holden; 31, George W. Dunn.
GERRARD STREET, North Side—16, Joseph J. Fairly; 18, Christian
Temperance Union; 22, Christian Temperance Union; 26, Graham Cham-
bers; 30, Adam Wright; 38, Estate Frank Bliton; 40, Agnes Chute (execu-
trix Estate Frank Bliton).

HAMILTON HAPPENINGS

ALL DENOMINATIONS AT BISHOP'S FUNERAL

Order of Procession Announced—Slick Thieves Operating in Hamilton.

HAMILTON, March 31.—Canon Abbott, rector of Christ's Church cathedral, who is assisting in the preparation for the funeral of the late Bishop Du Moulin, made an announcement this morning of the formation of the procession and the station of the different parishes and organizations which will be represented. A cordial invitation is extended through the press to all the ministers of the Christian denominations in the city, and also representatives from outside parishes are expected.

It is probable the order of the procession will be as follows: The choir. Honorary and active pall-bearers. Members of standing committee and lay delegates of the diocese of Niagara.

The bishops and archbishops. The members of the standing committee and the lay delegates will proceed into the church at 1.45. The procession proper will enter in the following order: Christ's Church Cathedral choir. Active and honorary pall-bearers. Clergy. Deacons. Priests in order of seniority. Rural deans. Canons. Sub-dean. Archdeacons. Dean.

The bishops in order of consecration with their chaplains. The metropolitan with his chaplains. The choir will proceed immediately into their stalls.

Smooth Key Artists. The public is warned against one or more of the smoothest "key artists" that have operated in Hamilton in years.

The system used is the old one of the bunch of keys, but is operated with the skill of experience. The police have the two keys in their possession and are hot on the trail.

The house reported entered during the past two days and the articles mislaid are as follows: Arthur Stint, 26 Harvey-street, two rings. Edward Lewis, 40 Dundurn-street, three rings and a lady's gold watch.

A. E. Bradley, 17 Tisdale-street, two rings and a gold watch. James B. Mcke, 17 North Sherman-avenue, a lady's and a gentleman's gold ring.

Edward Hoeker, 23 Eavenport-street, a lady's gold watch and chain. A. E. McKinstry, superintendent of the International Harvester Company, 123 South Wentworth-street, lady's gold watch and 75 cents.

The Hilliard-street sewer came in for some of the attention of the controllers this morning. They were not satisfied that all was well with this sewer after the investigation that was made a couple of weeks ago and instructed the city engineer to open up about 100 feet of it.

As a result of this morning's trip it is likely that the board will direct that parts of it be relaid.

WHAT COMES IN THE TRAIL OF THE COLD

Spells Danger Unless You Cure It With Dodd's Kidney Pills.

Peel County Man Tells of Three Months' Pain That He Found a Complete Cure For in the Great Canadian Kidney Remedy.

ROCKSIDE, Peel Co., Ont., March 31.—(Special).—In these days when nearly every one has a cold and the cold brings on some form of Kidney Disease, the statement of Ernest F. Davidson, a well-known resident of this place, is of general interest.

"When I would bend over," Mr. Davidson says, "a pain caught me in the small of the back, and I had other symptoms which I knew were caused by the kidneys being out of order. It was a cold that started my trouble, and I suffered for three months. Then I started to use Dodd's Kidney Pills, and three boxes cured me so that it has never come back. That's why I recommend Dodd's Kidney Pills.

If your cold leaves you with a touch of Rheumatism or Lumbago or a pain in the back, you can be sure that your kidneys are affected. Then you are in danger. Neglected Kidney trouble means Rheumatism, Dropsy, Gravel or Bright's Disease. The safeguard is Dodd's Kidney Pills. They always cure.

ECZEMA AND WHAT IS DONE TO CURE IT

Desperate Efforts, Disheartening Failures and Final Success.

ECZEMA is a skin affliction to which men and women alike are subject, from the first to the last day of their existence. It may occur as a single tiny spot, appearing and disappearing with each change in general health or present only at certain seasons; at the other extreme, the whole body may be involved in a torturing eruption. The latter condition may gradually arise through the neglect or improper treatment of lesser troubles or an apparently healthy skin may, in a single day, become a mass of eczema.

But whatever the form of the affliction, the distressing itching, burning, scaling and crusting, the serious disfigurement and the constant dread that the eczema will become chronic, make a speedy cure the aim of every sufferer. Unfortunately, such a cure is not always readily obtained. The most skilled physicians often at a loss and even hospitals are forced to discharge the patient as incurable. Then a wide variety of remedies are resorted to, many perfectly harmless and equally ineffective, others so offensive to every sense that, were it not for the relief they are supposed to afford, no person of refinement would tolerate them for an instant.

To such sufferers, discouraged by repeated failures of even these heroic methods, the instant relief afforded by the first bath with Cuticura Soap and gentle application of Cuticura Ointment is almost incredible. They stop the itching and burning at once, make sleep possible and, in most cases, point to a speedy cure. So pure and sweet is Cuticura Soap and Ointment and so free from any substance of a disagreeable or harmful nature that they can be used without hesitation on the youngest infant or tenderest skin. Besides, they are most economical, a single set being often sufficient for the treatment of even the severest case.

In proof of the efficacy of the Cuticura Remedies it will be enough to quote here a single letter from Mrs. Edward Mearns, 11 Lansing Block, Watertown, N.Y.: "Four years ago I suffered with terrible eczema, being a mass of sores from head to feet and for six months confined to my bed. During that time I suffered constant torture from itching and burning. After being given up by my doctor, I was advised to try Cuticura. I used Cuticura Soap and Ointment and the first good sleep during my entire illness. I also used Cuticura Resolvent and the treatment was continued for three weeks. At the end of that time I was entirely cured and have had no ill effects since. I would advise any person suffering from any form of skin trouble to try the Cuticura Remedies, as I know what they did for me."

Cuticura Soap, Ointment, Resolvent and Pills are sold by druggists everywhere. Potter Drug & Chem. Corp., sole props., Boston, Mass., Retailers, 22-cent boxes of Cuticura Soap, a guide to the speedy and economical treatment of skin and scalp affections. Write for literature to age.

READY FOR VIOLENCE BUT NOT MUCH SAVAGERY

Striking Defence of Erricone, the Noted Head of the Neapolitan Camorra.

VITERBO, March 31.—Dressed in deep mourning for his brother, who died in prison, Enrico Alfano, alias Erricone, head of the Neapolitan Camorra, the greatest criminal organization in the world, took the witness stand in the Camorrist trials to-day for identification at the hands of President Bianchi of the assize court.

He stoutly maintained his innocence of the murder of Gennaro Cucco and his wife. Erricone said that Abbate's tale of secrets confided to him by other camorristas was absurd. "Abbate," he said, "was a constant spy of the police. He went into the game having nothing to fear. When I was arrested he took possession of all the camorristas in my stables."

In emphasizing what he called the absurdities of Abbate's accusations, Erricone instanced the gay return from Torre del Greco of the alleged assassins, after the murder of Cucco, in the company of the gathering of friends at the railway station to say farewell to the man and of their drinking together. "Even," said he, "if we were wild animals, was it possible for us to act like this after murdering a man and while preparing to murder his wife? This is madness which only a criminal mind like that of Abbate's could conceive."

Erricone then described how Abbate's tale of secrets confided to him by other camorristas was absurd. "Abbate," he said, "was a constant spy of the police. He went into the game having nothing to fear. When I was arrested he took possession of all the camorristas in my stables."

CITIES BOUND TOGETHER BY NATIONAL SENTIMENT

Mrs. Sanford Evans Brings Message From Winnipeg—Care of Public Health.

A demonstration of the spirit of Canadian women was given with striking effect at the dinner of the Canadian and Woman's Canadian Clubs last night, so large an audience turning out to hear the noted feminine orators on the program that an overflow for the hungry had to be held downstairs.

All were concentrated in the upper room who were speaking, Mrs. J. C. Mackay, the president, was in the chair, and he announced the glad coincidence that the Boston Canadian Club were celebrating ladies' night at the same hour. A telegram signed by him was despatched to the American city, bearing the goodwill of the meeting.

Mrs. Sanford Evans, who has worked long with her husband, Mayor Evans of Winnipeg, in the promoting of the club movement, was the first speaker, and was eloquent with western Canadian enthusiasm. "Winnipeg is the geographical center," she declared. "It is only 500 miles from there to St. Paul, but our triumph of national sentiment overcomes our sense of neighborhood. Toronto, not Minneapolis or St. Paul, is our sister city."

"The great problem of the west is the assimilation of immigration," she said, laughing into the faces of the audience of the various charitable and employment agencies which handled the daily crowd of 100 newcomers. "Our responsibility for the strangers within our gates is steadily increasing," she concluded.

Miss Murrill, principal of the Royal Victoria College, Montreal, spoke on the "Conservation of Public Health," explaining that this was only possible through the conservation of our natural resources for the aesthetic and physical needs of the youth of the country.

"No one can look into Canada's future and not wonder at her destiny," she declared. "And no one knowing present conditions in England to-day can help but think of the Titanic forces that Canada must put forward in the future unless great reforms are made. No country has a better chance of learning by experience, especially from the neighbor to the west, with its great industrial entanglements, and her efforts to free herself from them."

"Canada must remove her high rate of infant mortality, for nothing so lowers the quality and quantity of a nation. I will not speak of our other cities, but Montreal at any rate is far below England in advancements along sanitary lines. We must think more of the future, and every thought should be directed there."

Miss Murrill showed that the nation's health must be conserved thru the individual, and the boundless national resources which Canada possesses.

Mrs. Evans of Winnipeg made a few general remarks at the close of the meeting. P. Redfern Hollingshead's aria from Piovra's "Martha" and Donizetti's "L'Opera E Mobile" were much appreciated.

To the Heart of New York, via Grand Trunk, Lake Shore Valley R.R. and Tubes.

WATERY BLOOD IN THE SPRING

How to Get New Health and New Strength at This Season.

Even the most robust find the winter months trying to their health. Complaints abound, often in overheated and nearly always in overcrowded rooms—in the house, the office, the school and the factory. The vitality of even the strongest is sapped and becomes thin and watery or clogged with impurities. Some people have headaches, vertigo, nervousness, others are low-spirited and nervous; still others have pimples and skin eruptions, while some get up in the morning feeling just as tired as when they went to bed. These are all spring symptoms that the blood is out of order, and that a medicine is needed. Many people rush to purgative medicines that sallow through your system and leaves you weaker still!

What you need to give you health and strength in the spring is a tonic medicine that will enrich the blood and soothe the jangled nerves, and the one always reliable tonic and blood-builder is Dr. Williams' Pink Pills. These Pills not only banish spring weakness and ill, but guard you against the more serious ailments that follow, such as anemia, nervous debility, indigestion, rheumatism and other diseases. Pills actually make new, rich red blood, which strengthens every nerve, organ and every part of the body, and makes weak, ailing people bright, happy and strong. Mrs. Jas. McDermott, Harcourt, N.B., says: "In my opinion, Dr. Williams' Pink Pills do all that I need. My system was run down, and I was so weak I could hardly do my work, and taking care of my baby added to my difficulties. I used a few boxes of Dr. Williams' Pink Pills and they made me feel like my old self. I very cheerfully recommend the Pills to all who are weak or ailing."

Sold by all medicine dealers, or by mail at 50 cents a box, or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brookville, Ont.

Presentation to E. H. Briggs. A pleasing event took place last evening in the composing room of the Messy-Harris Co., where the employees of the printing and bindery department had assembled to do honor to their superintendent, E. Herbert Briggs, who is leaving to become manager of the Toronto branch of an eastern firm. The foreman of the press room and the forelady of the bindery, on behalf of the employees of the composing departments presented Mr. Briggs with a beautiful case of pipes. The recipient responded in a happy manner.

TORONTO CUSTOMS RECEIPTS

New Record for Month of March—Big Increase Over Last Year. The steady increase of Toronto's custom receipts is shown by the custom returns for March with a total of \$1,460,000 for the month, as compared with \$1,456,000 for March, 1910. The increase is \$4,000 over last March, which had established a record that was considered unbeatable, owing to the great amount of Easter trade that it experienced, but in spite of Easter custom returns for April this year, March again establishes a new record. The custom receipts for the average month of the year are \$1,200,000. The total receipts for the fiscal year ending March 31, 1910, were \$14,412,000.

WESTON. What is Farm Stock and Farm Property Coming to?

WESTON, March 31.—(Special.)—The Weston Cricket Club at its annual meeting decided not to amalgamate with any other league this season, and will play exhibition games only.

The officers elected are: Honorary president, Geo. W. Verral; president, Mr. Matthews; vice-presidents, Rev. J. Hughes Jones and Major Wadsworth; captain, William Graves; secretary-treasurer, H. Rhodes.

Anybody ever doubted whether good stock pays, the sale of farm stock at A. G. Conedini's big dispersion sale yesterday must have convinced those who doubted. One thoroughbred milch cow sold for \$865, and the rest at good prices. The farm bought \$550 an acre, and is being subdivided into ten-acre garden plots. Another 50 acres apart from the farm proper, brought \$15,000, and went to Mr. Russell of the Canada Cycle Company.

Weston is right in line for the good roads improvement scheme and with the idea that once Main-street is improved it would be ill-advised to tear it up again a meeting of the ratepayers has been called for Friday evening, April 7, at 8 o'clock, to discuss the putting down of a trunk sewer. There ought to be a big gathering.

KEEPS THE FARM HOUSE. Jonathan Ashbridge, who some time ago disposed of his fine farm at the Half-Way House, on the Kingston road, will continue to reside on the farm, and to this end has bought the house and an acre of land, the consideration being, it is said, \$30,000. The site, where the farm house is located, is one of the most picturesque on the north shore of Lake Ontario adjoining the famous Scarborough "bluffs."

WOODBRIDGE. The Women's Institute will meet at the home of Mrs. J. W. Franks on Tuesday afternoon, April 4. Two interesting papers will be given at this meeting, also a musical program is being arranged. Ladies are all cordially invited.

RICHMOND HILL. March 31.—(Special.)—On Monday evening the Ratepayers' Association will hold their monthly meeting when the subject of "Shade Trees and the Park" will be discussed.

The sale of James Graham's farm just north of the village to Wm. C. Hunt of Hope, has just been put thru by H. A. Nicholls. The farm contains 50 acres and the price paid was \$7000, a pretty fair figure even in these days of expansion.

The lecture given by Rev. Alex. McGillivray in the Presbyterian Church, entitled "Around the World," was very enjoyable. The views accompanying the lecture were especially fine.

H. B. Stephens, high school inspector, has visited the high school here during the week.

TAXI MYSTERY CLEARED. Macedonian Taken to Bridgeburg by Immigration Officer.

There wasn't any mystery at all it now appears in the removal of Angelo Antonoff, who was hurried from his home in East King-st. Thursday noon by a man who said he was an officer and took him out of the city from Parkdale station at 1.15.

The explanation came from Bridgeburg, Ont., yesterday morning in the way of word that Antonoff was there arranged before a magistrate upon a charge of having aided other Macedonians to evade the immigration regulations.

The man who arrested him was an immigration officer, not a policeman, and was perfectly within his right in apprehending the man and removing him to Bridgeburg. He was there released upon \$200 ball, as was the man when he is said to have assisted to evade the regulations.

ELLIOTT FOR PRESIDENT. Inspector Elliott is likely to be elected president at the meeting to-day of the Toronto Teachers' Association.

G.T.P. PLANS TO SPEND \$17,000,000 THIS YEAR

Over Six Hundred Miles of Branch Line to Be Completed and 140 Stations Built.

Seventeen million dollars will be spent by the Grand Trunk Pacific during 1911 in constructing new lines and erecting station buildings throughout the west. There will be 618 miles of work undertaken on the branch lines and completed during the present season. This will include the Calgary branch, Battleford branch, Melville-Regina branch, Alberta Coal branch, Regina-Prince Albert branch, Moose Jaw branch, and Biggar to Calgary. There will also be 285 miles of main line track laid, as well as 200 miles further grading on the branch lines.

Arrangements are also being made for the erection of 140 station buildings. This is the largest and most expensive year's work that the Grand Trunk Pacific has undertaken. The majority of new branch lines to be constructed will be laid in districts hitherto totally untouched by railway development. Rapid strides have already been made towards completing the main line between Edmonton and the coast, and up to the present 365 miles of steel has been laid. From Edmonton, going west, the line is completed as far as Prairie Creek, which is the entrance to the foot hills of the Rockies, and from the coast working towards the Rockies 165 miles of track has already been laid.

This year the work will be pushed ahead as rapidly as possible, and from Prairie Creek fully another 165 miles will be completed, while from the west end 100 miles are to be constructed.

Suffered for Years From Consipation and Sick Headache.

Headache seems habitual with many people; indeed, some are seldom, if ever, free from it, suffering continually, and wondering why they can get no relief. The most frequent of all are bilious or sick headaches, and are caused by some derangement of the stomach or bowels, or both.

Burdock Blood Bitters regulates the digestive and biliary organs, removes acidity of the stomach, improves digestion, regulates the constipated bowels, and promotes a perfect circulation of pure blood to all portions of the body.

Mrs. C. Meadows, Clarksburg, Ont., writes: "For years I was troubled with sick headache and dizziness, and was also constipated. I was advised to try Burdock Blood Bitters. I only took three bottles of the medicine, and now feel like a new person as I am completely cured. I can truthfully testify that B.B.B. is the best medicine I have ever used."

Burdock Blood Bitters, has, during the last 35 years, built up an unrivalled reputation as a cure for all troubles arising from a constipated condition of the bowels.

Stole From His Father.

A very neat theft was exposed when Claude Thomas was convicted in police court yesterday morning of stealing a sum of money from his father while the parent was in jail. He had sent the son to the house for the money, but the young man did not return and when the father got out, the money was gone. The son denied taking it, but had been seen wearing his father's watch chain. Sentence was suspended.

TORONTO REGULARS WIN THIRD GAME FROM MACON

Joe Kelley Leads With the Stick—Play Two Games To-day—Baseball Notes.

MACON, Ga., March 21.—(Special).—In a game featured by hard playing and brilliant fielding, Toronto beat Macon 12 to 5, closing their stay here. Everybody got a hit but O'Hara. Kelley led the van with three safe drives and was hit by pitcher. All were clean hits. Jordan pounded the ball a mill thru the fence with no one on the bases. The innings before, with two on, he struck out, but Bradley sent a liner for a triple to left field.

Keeler's Colts Are At Columbus Ready For To-day's Game

BY W. J. SLEE. COLUMBUS, Ga., March 21.—(Staff Correspondence).—Keeler's Colts arrived here to-night, and play to-morrow. The weather conditions are ideal for a fast game with Columbus. McKinley will pitch and Koecher catch. Three bats were hit. Montgomery defeated Columbus to-day, 1 to 0.

Keely Says Torontos Are Winners.

"Southern manager asserts Leafs are far from fit." This was the disheartening heading on a despatch from Macon in one of last evening's papers. Keely says Torontos are winners and that if Manager Lipe would consult him at 749 West Queen-st., or call him up at Parkdale-2266, he could prescribe something that would make him see things in a different light. Keely's motto is: "Good liquors sometimes save a doctor's bill." "Manager Lipe has been hitting the wrong dope," he asserted. "Some of my choice brands of wines and liquors would clear his vision considerably."

TORONTO TEAMS OPPOSE REDUCTION TO TEN MEN

Charlie Querrie Wants First to See Minto Cup Back in East—Lacrosse Notes.

"The Tecumsehs are opposed to the ten men rule." This was the heading on a despatch from Toronto. Personally, I think it is the duty of the clubs in the league to fight away until we bring the Minto Cup back to the east. There would be no possibility of a team playing or winning the cup if they played with ten men a side all season, and then were compelled to put twelve men out in Minto Cup games.

"TIFCO" BOWLING
BALLS

This ball is the best on the
market, because it never slips, never
loses its shape, always rolls true,
hooks and curves easily, does not be-
come greasy, is absolutely guaranteed,
is cheaper than any other reputable
patent ball, and complies with the
rules and regulations of the A. B. C.

All first-class alleys are putting
these balls on. Try one on the alley
where you roll, and you will never
roll any other ball.

T. B. C. Two-Man League.

In the Toronto Bowling Club Two-Man
League yesterday afternoon, the World
won four out of five games from the
Noupareils. Walter Williams, for the
former, was high, and made possible his big
total of 912 by getting a 230 count in the
last game. The scores:

Business Men's League.

At the Toronto Bowling Club last night,
National Cash Register won three games
from Hayes' Plumbing, in the Business
Men's League series. The Plumbers were
only dangerous in the middle game, which
they dropped by only five pins. Scores:

Table with 2 columns: Name, Score. Includes names like Hayes' Plumbing, Kennedy, J. McBride, Zeigman, Lehane, and totals.

Printers' League.

In the Evening Section of the Printers'
League, at the Toronto Bowling Club last
night, Toronto Typsetting won three
games from Atwell Fleming, in a post-
poned series. Jim Stevenson, for the first
time this season, was high for the White
Elephants, with 540. Jimmy Nelson, also
for the latter, was a good second, with
522, while his 205 count in the last game
was high single. Scores:

Table with 2 columns: Name, Score. Includes names like Atwell Fleming, O'Neill, Stevenson, Parker, Maguire, and totals.

Eaton League.

In the Eaton League, at the Toronto
Bowling Club last night, D. T. cleared
with the Basement, No. 3 Section, the
latter only making it close in the middle
game, which went against them by only
five pins. Clark, for D. T., was high, with
550. The scores follow:

EVERYTHING IS READY
FOR C. B. TOURNEY

Teams Will Take to the Drives at
Eight o'Clock To-night
—Bowling Scores.

To-night the big annual championship
tournament of the Canadian Bowling As-
sociation will be sent away to a flying
start. Although the officers who are handling
this year's tournament have had hardly
three weeks' time to work up the tourna-
ment, the entries are greater than ever
before, and the prize money, which has
always been exceedingly liberal, is sure
to surpass all records. The Toronto teams
have been responding as they never did
before, and Hamilton, London, Niagara
Falls and other nearby clubs are send-
ing along their usual contingents, while
Buffalo is taking almost as much interest
in the tourney as the Toronto bowlers,
and at least a dozen teams will come
from the Elgin City.

Every detail will be in perfect working
order to-night, the alleys have been ready
for two days and the teams bowling the
first night will not be at any disadvan-
tage over those rolling later on, as is
very often the case in the big American
tournaments, where the alleys are never
finished until the last minute. The teams
that will start the ball rolling to-night
are the Eatons No. 1, Capt. G. Doran;
Eatons No. 2, Capt. Eric Williams; J.
J. McLaughlin, Capt. Art. Miller; Tor-
onto Bowling Club No. 3, Capt. S. Grif-
fiths; Toronto Bowling Club, Capt. E.
Bird; Windsor Hotel, Capt. C. Maxwell.
The captains are requested to give their
line-up to the secretary 15 minutes be-
fore starting time, which is 8 o'clock to-
night.

Mayor Geary, Controller J. J. Ward,
Ald. Maguire and Ald. Sam McBride will
be on hand for the opening, which is
scheduled for 8 o'clock.

Entries will be received any time to-
day and on the first mail Monday morn-
ing, but after that time the committee
will not accept a five-man team entry.
They decided to cut out the habit of
some bowlers always waiting for the mid-
dle of the tournament before entering
and absolutely no post entries will be
taken except in the doubles and singles.

Athenaeum Association.

The Athenaeum were there with bells
again last night, putting in the big count
of 280 against the Simcoes, who really
never got going and the former had no
trouble taking the whole series. Every
man on the Athenaeum made a good
steady game with Manager Eddie Suther-
land leading the van with 584.

Table with 2 columns: Name, Score. Includes names like Fryer, Hartman, A. Johnson, Christen, E. Sutherland, and totals.

The Steele-Briggs Seed Co. won two
from the Can. Con. Rubber Co., the high
man being Arnold, with 621. The scores:

E 5 Department Handicap.

In a neat little speech, Mr. Wille of E 5
Dept. of the T. Eaton Co., presented Mr.
Buckham, who has made himself popular
by his untiring efforts to make bowling
a success in the House League, as well as
his department, with a pair of Masonic
cuff links, donated by the department
for first prize in their last handicap
match of the season, rolled on the T. E.
C. alleys on Wednesday night. Mr. Ha-
gen received a pearl stickpin for second
prize, while T. Duffus, the veteran of
E 5, won the booby, which will be pre-
sented later. The features were put on
by Bucher and Winkler, who are known
as the noon-hour bowlers, and can never
bowl at night. The scores follow:

Table with 2 columns: Name, Score. Includes names like Buckham, Bucher, Tracy, Mason, Winkler, Lockett, Johnson, Wills, Bonier, Duffus, and totals.

Eaton Two-Man League.

In the Eaton Two-Man League, at the
Toronto Bowling Club last night, the
Gibsonites won two out of three games

WORLD'S AUTO RECORDS
MADE AT PABLO BEACH.

PABLO BEACH, Fla., March 31.—
Two world's records were broken and
several new records established by the
same driver in the automobile races
here this afternoon. Diabrow, driving
a Pope-Hartford car in the 300-mile
race, making the first fifty miles in
37.23.90. The former record, 38.51, was
held by Fletcher, and established with
a Dietrich machine at Dayton, Fla., on
Jan. 21, 1905. Diabrow's time for 200
miles was 2.34.12, establishing a new
high mark for the distance at straight-
away. The record broken was that
made by Doherty in a Stoddard-Day-
ton, 2.52.22, at Galveston, Aug. 5, 1910.
Diabrow's time for 250 miles, 3.14.55,
is a record, as no time for that dis-
tance straight-away has been record-
ed. Diabrow won the 300-mile race, the
time being 3.53.31-2, a new world's
record for the distance. Mers, in a
National, was second, his time being
4.15.18. Mercer, still running at 270
miles, 3.57.15; Strange, 370 miles,
4.10.10, will not finish the distance.

PROSPECTS ARE FLATTERING
For the Horse Show in the Armories
From April 25 to 29.

Seen at his office, 12 East Wellington-
street, yesterday, Mr. W. J. Stark,
secretary and manager of the coming
horse show, stated that preparations
for the event, which is to take place
from April 25 to 29, are going on most
satisfactorily, and that there is every
reason to expect a show that in cab-
rity and quality will exceed any one of
the sixteen shows previously held. It
was a certain fact that a carload of
horses would come from Montreal, and
another carload from Ottawa. The
Hon. Clifford and Capt. Stoen have de-
termined to send along all their horses.
Also entries do not close until Satur-
day next, April 8. Mr. Stark has already
received several entries from Mr. Chas.
A. Burns, S. King Bee, for the King
Edward Cup. He has also received
some entries from the commercial
classes, which promise to be excep-
tionally large. Dr. McPherson has
announced his intention to enter half
a dozen Hackneys and ponies. The
boxes will not be sold this last
year by auction, but box holders of last
year will be given an opportunity of

engaging the same boxes this year at
the same price. This privilege will be
open until Saturday next, after which
day the boxes remaining will be sold
to new applicants.

Dealers report the utmost activity,
and state that as far as they can see
the quality of the horses on exhibition
will be well above the standard. Appli-
cations for prize lists have been receiv-
ed from many distant points, including
Winning, Man., and Victoria, B.C.

Ottawa Horse Race Association.
OTTAWA, March 31.—The new
Ottawa Horse Racing Association is
now a certainty. There was a private
gathering yesterday of those interest-
ed in the project, at which it was
announced that the capital, which has
been placed at \$85,000, had already

been subscribed. Many of the most
prominent citizens of the capital are
interested, and arrangements will in a
few days be concluded for the pur-
chase of a half-mile track on the
Aylmer-road. The plan will be con-
structed at once, and, if possible, the
inaugural running meet will be held
in September next.

HANBRIDGE AT MONCRIEF WINS HANDICAP FEATURE

Favorite, Slow to Get Away, Beats Alfred the Great by Nice Stretch Run.

JACKSONVILLE, Fla., March 31.—One of the largest crowds of the season was present at Moncrief this afternoon and excellent sport was furnished. The feature race, the fourth, a handicap at 6 furlongs, went to Hanbridge. He was on his bad behavior at the post and was slow to get away, but in the stretch he got up in time to win from Alfred the Great. The meeting will close tomorrow with the running of the \$5000 American Derby. Summary:

Medico Was Vindicated.

The charge of practicing medicine without the proper license laid by the medical council against "Dr." Thos. J. Rigby, an English physician, not registered in Ontario, blew up in police court yesterday morning, when it was shown that he had not taken money from the patient whom he had treated. He had attended a girl who was suffering from kidney trouble. The magistrate thought it mysterious that these should appear as the facts, but dismissed the case.

King George Coronation Fund.

J. W. Somers, the local secretary of the King George Coronation Fund, announces that subscription lists for the fund will be placed in every branch of every chartered bank in Ontario early next week, and all who bear the name of George will be afforded an opportunity of contributing to the fund. They will be kept posted until April 30, when the lists will be closed. Mr. Somers is sending out a circular over the signature of Mayor George Reginald Geary.

Wind Up of Busy Week's Horse Sales At the Repository

This has been a very busy week at Burns & Sheppard's Repository. Tuesday's sale was an extra good one, and private sales all thru the week had been making horses scarce for Friday. However, nearly everything offered was sold, and during the time the sale was on, three cars were unloaded, but the dealers did not care to place them on sale just as they were, but waited until the horses on Monday there will be more horses at the Repository than they have stable room for.

A gentleman from Vancouver, B.C. picked up two cars of extra choice heavy horses, and they were principal mares that would average over 180 lbs. and carry good type of heavy draught horses. Also a car was sold to a gentleman below Ottawa, being a pair of individual sales. The City of Toronto bought a splendid bay gelding, a pair of brown mares for \$27.50, paying a good price for them.

The Lester Cartage & Storage Co. got a nice bay mare, a kind of wagon horse, and fit to hitch any place, wagon horse, and they were principal mares that would average over 180 lbs. and carry good type of heavy draught horses. Also a car was sold to a gentleman below Ottawa, being a pair of individual sales. The City of Toronto bought a splendid bay gelding, a pair of brown mares for \$27.50, paying a good price for them.

Mr. Burns' stable is greatly benefited by his trip south, and will occupy the Repository box for the first time since his illness on Tuesday, April 4, when the consignment of the Robert Simpson Company's horses will be offered sharp at 11 o'clock. There are 250 fresh country horses in this consignment. There will also be about 250 fresh country horses offered. The maresmen are looking forward to a very large sale on that day.

Pugnacity Was Costly.

Talking got Joseph Graham into trouble, but he could not talk very well when he appeared in police court yesterday morning to press a charge of aggravated assault against Frank McGuigan, who had broken his jaw. McGuigan said that Graham had carried tales of him to his employer, and therefore he had smitten him. McGuigan was fined \$25 and costs, in which was included Graham's doctor bill.

The Entire Contents of

Prospective exhibitors at the approaching Horse Show in Toronto should bear in mind our Big Horse Sale on Monday forenoon next, April 3rd, at 11 o'clock sharp. At that hour we will sell out Dr. W. A. Young's horse stable, including Horses, Carriages, Sleighs, Harness, Livery, Pairs, etc. As Dr. Young's stable was one of the best equipped in Canada, everything being of the finest quality and built especially for the Horse Show Ring, exhibitors should be present without fail to pick up some of the bargains. Among the horses to be sold will be Dr. Young's pair of high steppers, "My Humming Bird" and "My Turtle Dove," a pair of mares fit to go into any show ring in the world. They are very closely matched, brown in color, 15 hands in height, with exceedingly high action at both ends, and perfectly broken. They are an ideal pair for a gentleman's stable, and are absolutely sound.

The carriages to be sold include one beautiful Four-in-hand Coach, built by Demarest, New York; one new Victoria, built by Hutchinson & Son, Toronto; one fully appointed straight-front Brougham; one Demi-Half Phaeton, almost new, one Tibury Cart by Hutchinson; one appointed Runabout; one Cross-seat Brake by a New York limited number of one Tandem Cart by Demarest; one Tandem or Pair Sleigh by Hutchinson; one Russian Sleigh by the same builder.

This is an exceptional opportunity for any gentleman desiring to purchase the finest carriages that can be procured for money.

DO NOT FORGET, IT CANNOT SHARP, MONDAY NEXT.

DR. S. McCOY, ST. CATHARINES, Ont.

This is one of the finest private outfits in the country, consisting of Horses, Carriages, Harness, etc. Among the horses are the following:

"Mistake Queen," grey mare, 8 years old, 16 1/2 hands, sired by "Rover" (thoroughbred), dam a trotter. This is a handsome mare, an excellent jumper up to five feet, perfectly sound, broken to harness and city broken. She would make an excellent officer's charger.

"Fairplay," a thoroughbred chestnut mare, 4 years, 16 hands, sired by "Astrodonner." This mare is broken to saddle and harness, is not afraid of street cars or automobiles, and has been ridden 4 ft. 6 in. She is a grand young hunter, and will make an ideal sleigher.

"Cribbiter," a thoroughbred chestnut stallion, 4 years, 15 1/2 hands, by Young in Kentucky. Though this horse was bred by Col. Milton, his marvelous endurance and substance. He is perfectly broken, he shows and saddle and is a nice jumper.

CONSIGNOR BY MR. J. B. MILLER, CITY, "BARNEY," a dark bay gelding, nine years old, 15 1/2 hands, and perfectly city broken. He is a first-class combination horse, can carry 150 lbs., and is a good jumper. He is consigned to us with positive instructions for immediate sale.

SCOTCH PHYSICIAN GIVES FORTUNE TO HELP CANADIAN SICK

HAS MORE CURED PATIENTS THAN ANY LIVING DOCTOR

Remarkable Achievements of This World-Famous Physician and His Phenomenal Record of Cures.

WONDERFUL SUCCESS WITH CHRONIC CASES

Gives Free to the Sick Secret Prescriptions That Made Him Famous.

There is perhaps no physician in the entire world who can produce a record of cures to compare with that of Dr. James William Kidd, of Fort Wayne, Ind., and formerly of Edinburgh, Scotland.

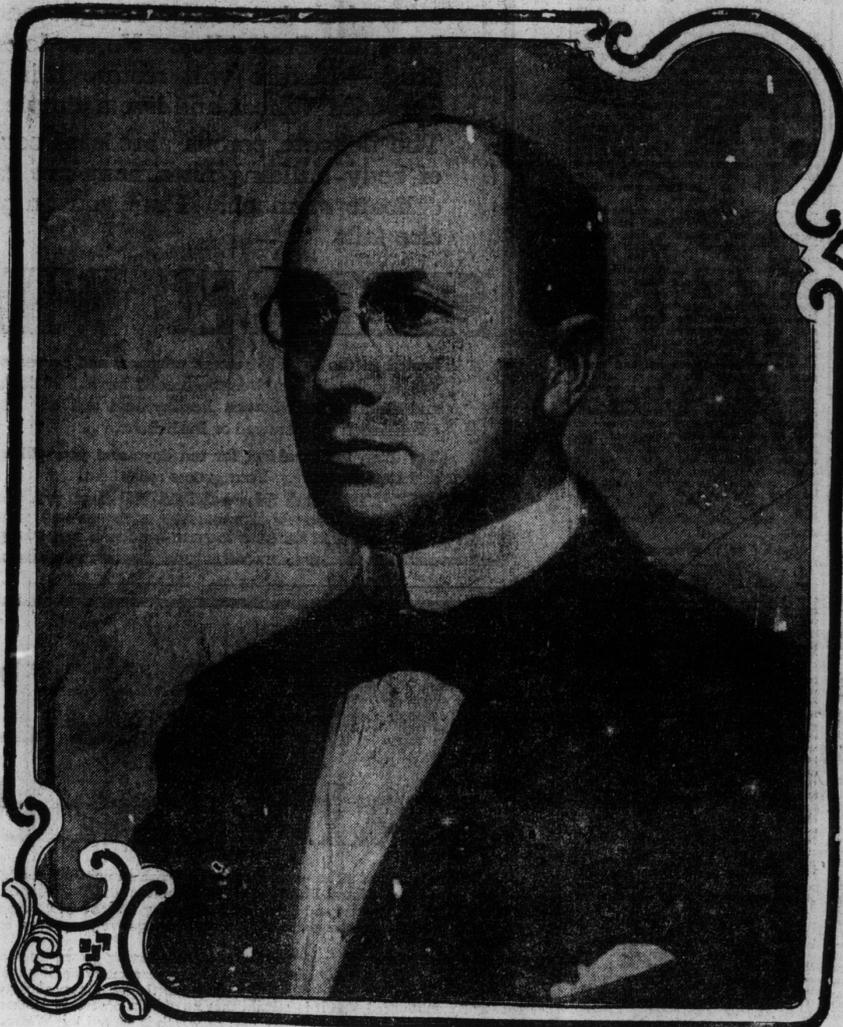

His success in the treatment of long-standing and stubborn chronic diseases is truly marvelous and has won for him the largest practice of any physician in the world.

In nearly every civilized country of the world and in every State in America cured, happy, healthy people who were once sick, weak and suffering are now singing praises of Dr. Kidd, and his remarkable skill. And this is not exaggerated, for in his office are files overflowing with letters of gratitude from people in every corner of the earth.

PRODUCES POSITIVE PROOF

The writer was astonished at the enormous number of these letters that were shown him by Dr. Kidd in support of his claim. Drawer after drawer piled full, more letters than one could read in a week, were silent but positive and indisputable evidence which Dr. Kidd produced. There were letters from rich and poor, from people in every walk of life, from women and from men, from bankers, farmers, preachers; from everyone and everywhere, all describing the wonderful cures that had been effected and all thanking Dr. Kidd in deepest gratitude for the health and happiness he had given them. And more remarkable still is the fact that most of these letters told of years of suffering and the failure of other doctors to cure them. One man, Mr. James W. Burt, Route 2, Oakland, Ill., said his trouble began in 1876, and that he kept growing worse and worse until his home physician said nothing would cure him but an operation. He said further that "Dr. Kidd's treatment increased my weight in six months from 130 to 180 pounds," and ended the letter by saying, "If anyone doubts this, let him write me." Another letter picked from the heap that lay in front of me was from Mr. John Gallman, Route 21, Rock Stream, N.Y. This one said: "I doctored with two skilful physicians. Both said there was no help for me. I know I would be in my grave to-day were it not for Dr. Kidd's medicine."

Lack of space prevents quoting more of these interesting letters, but for the benefit of readers let it be said there remains no doubt in the writer's mind that Dr. Kidd is justly entitled to his claim of more cured patients than any living doctor.

To All Sufferers:

I can and will help you without a penny's cost. I want to send you absolutely free one of my successful private prescriptions for your disease—a prescription for your own individual case—a prescription I use in my regular practice and one that has cured dozens of the worst cases when everything else failed.

I want you to have, also free, a copy of my 192-page medical book—"Ills of Humanity."

I have made a specialty of the diseases named in my coupon. If you suffer from any of these afflictions, just mark them and send me your name.

I will gladly help you and it will cost you nothing. Write at once, please.

FAMOUS FOR CURES IN EVERY COUNTRY

Points With Pride to Cured, Happy People in Nearly Every Civilized Country in the World.

NAMES CURED PATIENTS IN EVERY STATE

Thousands Are Expected to Take Advantage of Generous Offer of the Physician With Most Cured Patients.

It seems almost impossible for one physician to have so large a following. It is difficult to realize a practice extending to nearly every country of the earth, and yet what we actually see we are forced to believe.

Dr. Kidd does not boast of his large practice. He is proud, to be sure, of having attained so great a measure of success in benefiting his fellow-beings and he considers his wonderful skill a blessing.

In speaking of his immense number of patients recently he said: "My practice was not always so large. My success in curing even the cases that other doctors failed to cure is responsible for its rapid growth, for every cured patient sends others. Some years ago it became necessary for me to adopt a plan which would enable me to properly attend all these patients, and I devised my present system of treating by mail, which I find is just as successful as the methods of the ordinary doctor who tries to see all of his patients personally. Now I have a staff of four able specialists to assist me, and, as you will see from the letters in my files, I have many cured patients everywhere. In this large cabinet," and Dr. Kidd pointed to a case chockful of letters, "are testimonials from patients in every state in America, and in this," pointing to another, "you will find letters from cured patients in England, Ireland, Scotland, Sweden, Norway, Denmark, Finland, Germany, Switzerland, India, South Africa, South America, Australia, Mexico, and Central America. I always send copies of any of these letters to other patients when I am requested."

"Some persons are inclined to doubt that I have so many cured patients and that I really do cure diseases that other doctors fail to benefit; and for their sake and the sake of their future health and happiness I am always glad to furnish any proof that I can. Of course, I do not have to make any effort to increase my practice, but that is not the question. I consider it my duty as a successful physician to give health to every fellow-being who suffers—that is what I am trying to do."

Sends Dollar Book FREE

Dr. Kidd's book, "Ills of Humanity," containing 192 pages of useful and valuable information about almost every known disease, together with much professional advice about diet and health, is well worth a dollar to anyone, but he believes he can do more good by giving it free to worthy people who will appreciate it, and therefore Dr. Kidd has agreed to send one copy absolutely free to each sufferer who writes.

You need not send any money and you will be under no obligation for Dr. Kidd is anxious to help everyone he can. Just fill in the coupon which appears on this page and mail it at once to Dr. Kidd's address.

Offers Priceless Prescriptions Free to Worthy Sufferers

Now Dr. Kidd comes to the front with his surprisingly generous offer to give his valuable prescriptions away; the same wonderfully effective prescriptions that he used in curing the army of sufferers whose testimonial letters are referred to above. He offers these prescriptions absolutely free to any sufferer who will write and tell how he or she is afflicted. Dr. Kidd does not ask one penny for these priceless secrets that have made him famous for cures—and he will send special prescriptions for each case—he does not use one medicine for all diseases—no indeed—he intends to send a special prescription suited to each individual case—and he also sends a free copy of his great 192 page medical book, "Ills of Humanity," and a long letter of professional advice. He does not even ask postage.

We strongly urge any suffering reader who seeks health to write Dr. Kidd and take advantage of his offer for it costs nothing and will be the means of giving health and happiness to thousands.

grace and disappears for a time from the patient, not of his own volition. On his return, however, thanks to his brilliant war record and pension allowance, he is once more received by his wife and friends. These two characters are wellspring of laughter and are secondary only to Mrs. Wiggs herself, whose homely philosophy and cheerful temperament, are added to her genius, practical piety.

AT SHEA'S.

Gertrude Hoffman Heads Bill. Coming direct from repeated triumphs in New York and Boston, modern vaudeville's most pretentious attraction, Gertrude Hoffman, in her latest revue, will head the bill at Shea's Theatre next week. To Miss Hoffman is due the credit of conceiving the most magnificent act yet offered on the vaudeville stage. Her company numbers more than forty people. Miss Hoffman's ability as an entertainer, prominent in variety, leaves little to be said. Almost all the offerings of her years to come in the variety business will probably hold the record for the number of interesting imitations of famous stage celebrities, including Anna Held, Eddie Foy, Eva Tanguay, George Cohan, Harry Lauder and Ethel Barrymore. Many beautiful and novel scenic effects, heightening the pleasure of pretty girls, and a band of Hindoos in their native oriental garb, lend color and life to the numerous imitations.

Hoey and Lee are the funniest of Hebrew comedians, and this season do their best offering. They keep their material up to date, and their parodies are always the newest and best. Katie Watson has not been seen at Shea's before. Her comedy, which promises a treat for her audience. She calls herself "The Hoosier Maid," and she has already taken on her work on enviable place in the field of eccentric comedienne. Miss Watson's songs are all original and tuneful.
 The Brown Brothers are a novelty musical team. They are thorough musicians, and have mounted their material in a novel and pleasing manner. They have met with unprecedented success this season. Lynch and Zeiler, too, are new and have a double novelty in their act. They begin where other jugglers leave off, and their work is as finished and as perfect as it is fast. The bill closes with new pictures of the kinetograph.

AT THE STAR.

"The Tiger Lillies." The Campbell-Drew Amusement Co. of Cleveland, have extended their most effort in organizing and equipping what is now conceded to be the season's biggest success, "The Tiger Lillies" Company with Matt Kennedy, "Everybody's Favorite," who is the headline funmaker of this comedy musical burlesque aggregation. They will appear twice daily all next week, commencing Monday matinee at the Star. There are forty people, mostly girls, and those lovely "kissable eyes" kind of girls at that. The wardrobe worn by these "Darlings of the Gods," is a revelation in the art of dress, and must be seen to be appreciated. Oh you "Hobble Skirt!" Well, they are there and myriads of other styles besides while the scenic and electrical effects are equally up-to-date. Also in addition to the best show on the road from every point of view, the management offer in the closing act of the show as an added attraction, Zallah, "The Darling of Paris," who is equally well known to the thousands of the public as their stellar organization itself.

AT THE GAYETY.

"Queens of the Jardin de Paris." At the Gayety Theatre next week, the management promise to present the most sensational show in the burlesque field. The attraction will be "The Queens of the Jardin de Paris." It is more of a spectacular extravaganza than the ordinary burlesque, and is noted for its elaborate character of its scenery and the gorgeousness of its electrical effects. The company numbers fifty people, mostly girls, possessed of beauty, sweet voices and nimble feet. The costumes are rich and elaborate, the music is bright and catchy, the dancing of the highest order.
 Ample opportunity is afforded for the introduction of high-class acts. A prominent feature is Sig. B. Mykoff, renowned whirlwind dancer, and Mile. Kremes, the female pantomime. The piece is in the hands of such prominent people in the theatrical world as Harry Belafonte, the Hebrides comedian; Harry Campbell, Irish nightingale; Adeline Roatino, Italian nightingale; Rose De Mar, Blanche Curtis, Edna Gill and Joe Phillips.

Billie Burke Coming.

Charles Frohman has organized an unusually strong company to support Miss Billie Burke in her latest comedy hit, in which she will be seen at the Princess Theatre the week beginning Monday evening, April 10. Julian LeStrange, who has been Miss Burke's leading man ever since she became a star, will continue in that position. G. W. Anson, known in London as "the British Coquelin," has been imported especially to play an important part. Others in the cast will be Conroy Tottle, Harry Harwood, Rosa Rand and Allison Skipworth. Mr. Haro will also appear with Miss Burke in "The Philosopher in the Apple Orchard," the one-act play which will be presented preceding "Suzanne."

NEVER BE WITHOUT BABY'S OWN TABLETS

Mother, if you wish to guard the health of your little ones against the sudden outbreaks of those ailments peculiar to childhood, always keep a supply of Baby's Own Tablets on hand. These Tablets never fail to relieve a baby of distressing stomach aches, pains caused by difficult teething and the many other troubles that make baby's life miserable. The Tablets are sold under the guarantee of a government analyst to contain not one particle of opiate or other injurious drug, and they may be given to the youngest baby with perfect safety. Concerning them, Mrs. Hypolite Clouston, Eastern Harbour, N.S., writes: "We have used Baby's Own Tablets for our baby and they have done her much good. Please send us two more boxes, as I find them the only medicine that helps our little one." The Tablets are sold by the leading druggists at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

AT THE GRAND.

"Mrs. Wiggs of the Cabbage Patch." Playgoers promise to give "Mrs. Wiggs of the Cabbage Patch" an enthusiastic reception upon her return to the Grand next week. Mrs. Wiggs is always a welcome visitor. Book plays are not as a rule long lived but "Mrs. Wiggs" bids fair to run on for a generation. The play itself is clean, fresh and morally uplifting.
 The comedy interest centres in the much-provoking episode of Mr. Stupbins, and matrimonial designs upon little Miss Hazy, the meek and shiftless neighbor of Mrs. Wiggs. Both characters are intensely humorous. The impersonation of Miss Hazy has proven a perfectly fitting vice-viz to that of Miss Stupbins, who, in the first act, woos and wins her, then falls from

AT THE THEATRES

AT THE ROYAL ALEXANDRA.

Madame Kalich in "The Kreutzer Sonata." Madame Bertha Kalich's tour this season will be under the Shubert direction, and widespread interest has been created by the announcement that she will present here a revival of "The Kreutzer Sonata," the drama in which she won remarkable success in New York, and which is thought by many to furnish her best role. Since the distinguished player appeared in this city half a dozen years ago there have been repeated demands that she include it in her repertoire. Adapted by Langdon Mitchell from the original of Jacob Gordin, it has taken a place among the notable dramatic works of the day of unusual importance. Mme. Kalich has created here a dozen roles in English remarkable also for artistic results, yet few have given her an opportunity for displaying the wide range of her art to such full advantage as this of the young Jewish girl loved by a Russian officer, who kills himself because of the insurmountable barriers of race and religion. In order to save her name the girl's father marries her to a young Jewish musician, and together with the child, which has been the result of her love for the Russian officer, they come to New York, where the husband becomes a music teacher in the lower east side. The husband,

weak and vicious, persecutes the child, and finally becomes involved in an entanglement with the wife's equally weak sister. Driven to the verge of insanity by unhappiness and scandal, the wife kills both the husband and her sister. It may be seen that this material furnishes Mme. Kalich with a role so powerful and intense that it is an splendid characterization of lasting interest.
 Under the direction of the Messrs. Shubert, Madame Kalich is being presented in many of the cities in which "The Kreutzer Sonata" was not seen before, as well as in those in which it was so signally successful when she appeared in it during the short tour which followed the New York run, which lasted through the entire season. The supporting company is one of the strongest Madame Kalich has yet had, including Frank Losee, George Stuart Christie, Frank Dawson, Gustave Hartmann, Lester Chambers, Max G. Smith, Mabel Brownell, Jennie Reiffarth, Kate Jessel, Lillian Kalich and Frances Shannon.
 The engagement here will be at the Royal Alexandra Theatre, and will begin on Monday evening for one week, including the usual matinees.

AT THE PRINCESS.

Vesta Victoria in "A Night at the Comedy Club." It is the "art" of Miss Vesta Victoria, the famous London comedienne, who, under the management of Col. Wm. A. Thompson, is making her first Toronto appearance at the Princess Theatre, for one week, beginning Monday, April 3, with matinees Wednesday and Saturday, surrounded by a company of world famous international stars selected from the principal theatres in Great Britain, America and Europe in the latest laughing success, "A Night at the Comedy Club," that raises her audience from a pathetic condition to one of absolute hilarity. It is the "art" of this famous comedienne that sends the vast audience away from the playhouse with pleasant recollections of an enjoyable performance. It is the art of this clever star that makes her listeners forget the trials and tribulations of everyday life and sends them into a realm of happy laughter—to make them see the bright side of everything. In other words, to laugh, which is the panacea for every ailment. This fact furnishes wonderful opportunities to a magnetic and intelligent artist, one who has been brought up in an English school and taught to know just what to do and not what to do and never to mistake the wide difference between high art, which is Miss Victoria's stronghold in the realm of amusement, and that of buffoonery, which this artist never stoops to include in her performance. What she does is surrounded with an atmosphere of intelligence and refinement which must appeal to all classes. She never forgets the old Shakespearian adage, "That which will make the unskilful laugh will offend the judicious grieves."

Watrous Is Alive and Coming

Watrous is first of all an excellent new city with an unusual number of points in favor of its rapid growth. Watrous is the Central Prairie Divisional Point on the Transcontinental Line of the Grand Trunk Pacific—situated in a splendid farming country, and a natural distributing centre. Watrous also has Little Manitou Lake—a body of water twelve miles long, sufficiently charged with mineral and curative properties, so that it serves as a panacea for various ailments of mankind.
 Watrous has already made marked progress—having grown to 1500 inhabitants in the first two years of its existence. But the greatest outlook for Watrous is in its future—especially during the next two or three years. Indications are that this whole country along the Grand Trunk Pacific will be settled at a marvellously rapid rate. Shiploads and trainloads of newcomers are constantly announced, and it is certain that no district possesses greater attraction for these than the fine virgin country along the Grand Trunk Pacific—a goodly part of which is served by Watrous.
 Watrous is confident of its own future, and is adding public improvements of a lasting character, and on a considerable scale.

The Central Divisional Point On the Transcontinental Line of the Grand Trunk Pacific

City Water and Electric Light Sewage
 Plans have just been approved by the Watrous Council for bringing in a plentiful supply of drinking water. This water has been tested thoroughly as to purity and fitness, and has sufficient quantity and flow, so that there will be enough for manufacturing purposes as well. Splendid water is also to be had at about 10 feet. An Electric Light plant will also be installed in connection with the water supply.
 The worst mistake committed by a new city is to let the matter of sewage be delayed until an epidemic of sickness forces action in the matter. It is typical of the up-to-date spirit which has actuated the building of Watrous up to the present time, that this matter of sewage has had early consideration, and it is expected that an early meeting of the Council will vote bonds for the installing of a modern sewage system.

Watrous is Taking its Place in the Forefront of New Cities
 In the meantime the Grand Trunk's Property at Watrous is priced exceptionally low—Watrous property is exceptionally good buying. The lots which we are selling at Watrous are the property of the Grand Trunk Pacific Railway, and are sold at their price. All payments may be made direct to the Land Commissioner of the road, and title under the Torrens System will be issued by the Land Department of the Grand Trunk Pacific. Terms are exceedingly easy—a fifty-foot lot can be bought with a title as \$7.00 a month.
 We are also putting out a Combination Offer, covering lots in five of the best Grand Trunk towns, with payments extending over twenty months. Full particulars if interested.

"The Chocolate Soldier." Brimming with melody and effervescent with the satiric humor of Geo. Bernard Shaw, "The Chocolate Soldier" will be presented at the Royal Alexandra Theatre on Monday, April 10, by the Whitney Opera Company, including an orchestra of 30 players. Entirely an unknown quantity, the work marched into New York and won a success for itself unequalled in the last two decades. Not only is the melodious score by Oscar Straus real music, overflowing with dreamy love plaints and swaying, crashing marches, but its plot is consistent and plausible, and its characters human beings doing human things in an explainable way. The company includes Alice Yorke and Lillian Pohl, prima donnas; Fritz von Busing, player of the frivolous Mascha, from Berlin; Forrest Huff, as the love-making Chocolate Soldier; Frances Kennedy, as Aurelia; Francis J. Boyle, as Messakoff; Fred Mace, as Col. Popoff, and Henry Coote as Alcaeus.

ON A HUNDRED CLAIMS WORK NOW BEING DONE

Appearance of Spring Brings Cheer to the Hearts of Those in the Camp.

PORCUPINE CITY, Mar. 23.—(From Our Man Up North)—Bears' appearance along the trails, the whistle of the meat bird, and the ominous caw of the crow tell full well the whole story of fast approaching spring while nature is getting ready to robe in the newest and neatest spring fashions.

It may be a few weeks and yet it may not be so long, but the inevitable is coming just the same when the motor boat will take the place of the sleigh and the puff of exploded gasoline be supplanted for the puff of the sturdy horse.

And in the meantime those who have prepared for work on claims are rejoicing that the ring of the hammers and the "chill" of the drifts has been in evidence on more than a hundred claims in the immediate vicinity.

This last week a work started on the Hughes claims to the north of Porcupine City where sensational finds were made last January, operations on the Smith veteran have been redoubled while at the Gold Reef consistent, methodical surface uncovering has been going on for two weeks. Here a handsome vein in the quartz carrying free gold has been uncovered.

Around Pearl Lake work has taken a more active turn and a half dozen companies are uncovering, stripping, shooting up the rocks, as just a little reminder of what will happen when spring is a few more weeks advanced.

All thru the northern half of Ontario companies as well as prospectors are working out daily to get in trim for the more arduous duties of the summer, later, and with work now starting in nearly every portion of the camp, who can say after a week's review of the camp what will turn up before the end of summer?

Why call wildcat when work is just about starting in a belt so well mineralized that men are willing to risk thousands and thousands?

LUTHERAN COLONY COMING

Families From Baltic Provinces Will Settle in Timiskaming.

Rev. W. C. Miller, pastor of the new Evangelical Lutheran Church at College and Markham-streets, and Fred Dane, land commissioner of the T. & N. O. Railway, are up in Timiskaming making a preliminary survey with a view to the settlement of two townships in Timiskaming by newcomers from the Baltic Provinces of Germany and from Scandinavia.

Numerous enquiries have been received by Rev. Mr. Miller from Lutheran immigrants who want to know the opportunities of the new land in the north. He turned to the Timiskaming and Northern Ontario Railway Commission for information, and with their assistance has created a great interest in Northern Ontario in sections of Norway, Sweden and Baltic Germany.

Hans Flato, the noted German artist, has made a striking picture entitled "In the Subway," caricaturing the New Yorker. It is printed in four colors, and will form the front page of the Magazine Section of this week's Sunday World.

"FRUIT-A-TIVES" WILL CURE RHEUMATISM

McMillan's Corner, Ont., Sept. 30, 1910. "Your remedy, 'Fruit-a-tives' is a perfect panacea for Rheumatism. For several years I suffered distressing pain from Sciatic Rheumatism, being laid up several times a year, and not being able to work at anything. I went to several doctors who told me there was no use doing anything, it would pass away.

"Fortunately, about two years ago, I got 'Fruit-a-tives' and they cured me.

"Since then, I take them occasionally and keep free from pain. I am satisfied that 'Fruit-a-tives' cured me of Rheumatism and they will cure anyone who takes them."

JOHN B. McDONALD.

"Fruit-a-tives" is the greatest cure for Rheumatism, Sciatic and Lumbago in the world.

"Fruit-a-tives" cures, because like fruit juice it purifies the blood—regulates kidneys, bowels and skin—and thus keeps the whole system free of uric acid. Take "Fruit-a-tives" and you will find instant relief and a prompt cure.

Warm Winds Soon Bring a Discard of Heavy Clothing.

PORCUPINE CITY, March 23.—(From Our Man Up North)—"I say old chap, is it always so cold in Porcupine" came from a voice that sounded absolutely foreign to the one who owned it, as a newcomer to the camp raised his head from under blankets of four thicknesses, while wind, real hot currents whistled around his head. And to make double sure that the one who spoke would not mistake the fact that it was not warm, Jack Frost had painted a ridge of real frost from congealed human breath, handsomely around the edge of the blankets that covered the speaker's head.

"The host was wise and answered with a laugh. 'But, I think it will soon get warm,' for he detected the crack in the guest's voice that betrayed the presence of frost. Not a bottle of champagne had ever been known to cross the threshold of the entrance to the Porcupine camp so it was not hard to determine a 'frosted' voice from a 'burned' one.

This is but one of many similar instances that were pulled off in Porcupine last February when tenderfoot first struck the camp, and because of

experiences of this character which were later repeated on the outside, is the reason why men of the tenderfoot class also walked in to camp this week wearing three pairs of socks, two coats in addition to their regular garb, sweaters and fur coats, with their hands muffled in two pairs of mittens.

The warm winds of Sunday last had a depressing effect on those so heavily garbed and all along the trails to the west of the camp, coats, mittens, sweaters, etc., line the pathways. They simply had to do it.

Natural Reaction is Experienced in Some Mining Issues

Trend of Market is Turned By Underwriting Scalpers

Porcupine Shares Under Pressure of Offerings in Some Instances—Mining Securities Act in Irregular Way.

World Office, Friday Evening, March 31.
The market for mining securities was highly irregular today, and definitely reflected the attempt of speculators to take profits in some of the Porcupine issues which they had bought at lower levels.
Hollinger held its own better than almost any other security in the market, but even in this case the pressure of offerings influenced the price to the extent of nearly 25 points.

Dobie was the weakest issue in the gold stocks, these shares being offered down to \$3.90, as compared with yesterday's price of about \$4.25. This stock was underwritten at \$3.50 a share, and the assumption is that those who got the stock on the ground floor are endeavoring to take profits, unwilling to await future developments.
Vipond was also under the influence of realizing sales, and the price readily dropped to 64, a decline of 6 points from the recent high.

Pearl Lake was the central feature of strength of the market today, and at the close 14 1/2 was bid for this stock, representing a rise of nearly 5 points for the day.

Swastika was bid up during the afternoon session without any reason, and closed at higher prices.

Great Northern, owing to its holdings in Porcupine, was in good enquiry, but yesterday's rally served to bring out considerable stock, and the quotations were lowered in accordance with these offerings.

In the Cobalt little business was done; Trethewey was weaker, but Timiskaming was picked up on the decline, and as few shares were offered, the price rallied a couple of points.

In a speculative way the market is thought to be saturated with securities for the time being, and it will necessitate a little while for a distribution, which will not interfere with the general market improvement.

Pearl Lake Gold Mines Ltd.

WE advise the purchase of this stock at the market for many reasons. Among the many properties that are being developed at Porcupine and whose securities are being offered to the public there will be several big mines. From the reports we are getting from day to day regarding Pearl Lake, we are convinced that its stock at present prices has great speculative and investment value. To any one interested we will send full particulars. Ask us.

Porcupine Notes

Porcupine City, March 28.—(From Our Man Up North)—There will be no less than two boat lines on the Mattagami river this summer and those who expect to make trips into that section will find it abundantly easier to cover the ground than it was last year.

Holland Bros. of Halleybury have a gasoline motor on the landing and are ready to turn the wheels just as soon as the leaves the river.

Also, the Sandy Falls Power Company have placed two boats on the river to ply from the Timmins Landing down to the seven miles to the power company's dams.

Along the Mattagami in the summer months nature turns on the levers and you get unadorned beauty in all its forms.

Other smaller concerns are also operating in and around the Pearl Lake section and in all probability will employ from six to ten men each.

A summary of the total employed could well be put this way: Hollinger, 250; Pearl Lake Mines, 70; The Jupiter, Tisdale Mining Company, 40; Bewick-Moreing, 40; McIntyre, 40; Porcupines, 20; drilling underneath Pearl Lake, 3; total, 603, with 300 more to be added within a very short time.

The public should not be mistaken in one thing: More work and less speculation in the Porcupine district was promised two months ago and to-day that promise is being kept.

Force of 500 Men. A summary of the total employed could well be put this way: Hollinger, 250; Pearl Lake Mines, 70; The Jupiter, Tisdale Mining Company, 40; Bewick-Moreing, 40; McIntyre, 40; Porcupines, 20; drilling underneath Pearl Lake, 3; total, 603, with 300 more to be added within a very short time.

Special Letters carrying the most reliable opinion and the best expert investigations are ready on the following: HOLLINGER PORCUPINE GOLD DOBBIE MINING PRESTON E. DOME PORCUPINE NIAGARA and will be supplied on request.

FREE GOLD IN 20 FT. QUARTZ ON THE GOLD REEF CLAIM

Property Adjoining the Mulholland Has Vein Filled With Showings of Free Gold.

Porcupine City, March 28.—(From Our Man Up North)—Free gold in a 20-foot quartz lead that is a bulge where there is every appearance of a bolting out and running over of the quartz. The vein is literally filled with broken pieces of quartz that yield free gold.

Manager Turnbull is practically certain that the quartz is not a float, as every piece is in place with true walls of schist.

Extra efforts are now being made to get the vein the entire length through one claim opened and stripped fully to determine if the bolting out of the quartz at this juncture has a true connection with the vein opened to the east.

Just as rapidly as work is done in this section finds of a startling nature are turned to view and mine men are positive that no one can tell the district thru which this series runs will yield till the work is done.

The Tisdale Mining Company are proving up their veins with diamond drills and by sinking by hand and at present having extraordinary showings in the east and west vein so-called.

At the property in northern Tisdale, where the company hold eight claims, the main camps are located. A boiler and compressor have been placed there in addition to the machinery put on the grounds last summer.

At reasonable prices or on easy terms, and price expected, work done (Plan) options also wanted. Veteran claims preferred. Give full particulars. Principals only. Address: R. M. PALMER, King Edward Hotel, Toronto.

More Delay in Intake Repairs. An attempt was made yesterday by the waterworks department to get a diver down at the break in the conduit leading to the intake 600 feet from the shore.

Let every man know it. "I will preach the merits of your wonderful treatment wherever I go." "It has been worth its weight in gold to me, and I will never cease shouting its praise."

Such are the messages of gladness sent in to me from patients restored to health and strength by my Electric Belt. They come daily, and nearly always after other treatments had failed.

Electricity is an external application. By the infusion of a current through the suspensory into the weakened parts, every nerve and tissue is affected by it.

Every day we have evidence that the weakling has no place in the busy, bustling life of to-day. It takes nerve and strength to go up against the obstacles we are now forced to encounter, and this the weakling lacks.

Now, what does this mean to you, dear reader? It simply proves what I have been telling the public for the past twenty years—the only way to restore strength is by electricity. Drugs will not.

READ WHAT SOME OF THEM SAY: Indigestion—Constipation—Bladder. Mitchell's Bay, Ont., Nov. 9, 1910.

Dr. McLaughlin: Dear Sir—I wish to say that I think I can honestly say that I am cured. I am perfectly satisfied with the results of wearing the Belt.

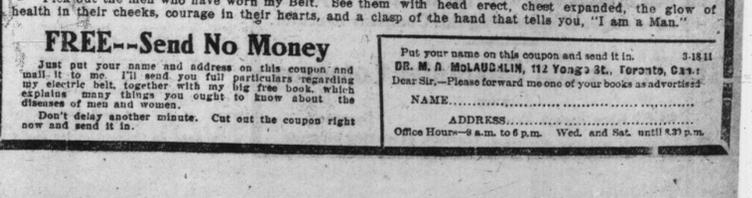

I will give you all the proof you want if you will write to me, and if you haven't confidence in Electricity, let me treat you at my risk. I will give you the Belt on trial, without one cent of risk to yourself. Give me reasonable security, and I will take your case, and you can

PAY WHEN YOU ARE CURED Pick out the men who have worn my Belt. See them with head erect, chest expanded, the glow of health in their cheeks, courage in their hearts, and a clasp of the hand that tells you, "I am a Man."

WALL-STREET TRADING
 NEW YORK, March 31.—Fear of a disturbance by the federal government of the morning, raised the market and a familiar bogey of recent years, the reconstructed-to-day and, as it fitted in with the prevailing disposition of the street, became a decided market factor. Liked fell with some precipitation in the morning, raised in the afternoon and in the last hour showed marked weakness again, the close being at the lowest level since the morning, but not so active, amounting to 1 to 2 points in most of the better known issues. It is perhaps noteworthy that today's only active period, like those of recent days, was when the list was falling. On the whole, the market was not so active as it should have been, and it was not relieved until late in the day when selling was begun with greater vigor. Doubt and uncertainty in the steel trade were reported in dispatches from Pittsburgh. Incoming orders, it was said, were below those of Feb., a condition maintained during March at about the same rate as in the months preceding. Imports of merchandise at this port during the past week decreased by \$25,000 and freight shrinkage is anticipated until it is known what action in regard to the tariff may be expected from the new cabinet.

COL. MUNRO CASE POSTPONED.
 Col. James Munro, president of the defunct Farmers' Bank, against whom a true bill was returned by the grand jury in the session a few days ago, was arraigned before Judge Denton yesterday morning. His counsel, H. H. Dewart, has not yet returned from England, however, and the case was by agreement transferred to the May sittings. The indictment charges that he falsified and willfully made false returns to the government during 1910.

AT NINE Mile Bore.
 Bernese, Switzerland, March 31.—The final obstruction to the Looschep Tunnel thru the Bernese Alps was cleared by the laborers at 8:50 o'clock this morning, after five and a half years' work, and the expenditure of \$20,000,000. The tunnel, which is the third longest in Europe, measures 14,600 metres, or approximately nine miles.

Grain Options Are Still Pressed By the Market Manipulators
Wheat Prices Set Down to Record With Current Gossip, and Other Grains Follow Suit.

CHICAGO, March 31.—Confident estimates putting the new growth of winter wheat at \$5,000,000 bushels in excess of last year, aided in driving down prices to-day. The close showed a loss of 1/2 to 3/4 cent compared with 24 hours before. Corn finished 1/4 to 1/2 cent, oats, off a shade to 1/4 cent, and hog products, at 2 1/2 to 2 3/4 cent decline.

Latest sales in the wheat pit were 1/2 to 3/4 cent from the bottom figures reached, but the slump had carried the market below any previous level since the beginning of the season. What little rally there was at any time took place chiefly in the last quarter of an hour of the session, leaving the close at the same steady. May opened from 8 1/2 to 8 3/4 cent and in the end was 8 1/2, a drop of 1/2 cent.

Big export clearances of corn enabled that cereal to recover partly from pressure by speculators and weak houses. High and low prices for May were 47 1/2 to 47 3/4 cent, with the close 47 1/2 cent, at 47 1/2 to 47 3/4 cent were slow. Oats went much the same way as corn, weakness early and quite firm in the late trading. May finished at 27 1/2 to 28 1/2 cent, closing at 28 1/2, a net loss of 1/2 cent. Provisions received but little support from any source. One report was that belief that big supplies would appear in the monthly statement of stocks to-morrow. Latest quotations were lower all around: pork, 2 1/2 to 2 3/4; lard, 10 to 10 1/2; tallow, 2 1/2 to 2 3/4; an additional loss of 1/2 cent.

Receipts at Primary Centres.
 Receipts of wheat in car lots at primary points, with comparisons, were as follows:

Will Still Raise 80,000 Bushels.
 Chicago special says: Thirty-one western counties of Kansas, which last year raised nearly 80,000 bushels of wheat, can be eliminated, and the state still raise 80,000 bushels.

Grain Exports.
 Bradstreet's reports American exports this week: Wheat, 2,570,000; corn, 1,750,000.

Wheat Favored by Weather.
 Modern Miller says: Winter wheat is being favored by weather conditions the greater part of the principal states. Moisture is lacking in Western Kansas, but crop there is reported to be suffering.

Broomfield's Cables.
 LIVERPOOL, March 31.—At the opening the market was influenced by steeper cables from Buenos Aires, together with the predictions of smaller world's shipments for the week, and values were 1/4 to 1/2 lower than yesterday. Pressure was prompted by general lack of demand. The trade at large is heavy on the part of the principal countries, and expectation of a continuance of liberal supplies for the future. At 1:30 p.m. the market was again depressed. Corn quiet, unchanged, to 1/4 higher. There was no special feature, with the undertone steady in sympathy with American.

India—Wheat shipments, 530,000, against 1,252,000 last week and 830,000 last year. Broomfield predicts that the shipments next week will aggregate about 1,050,000. Argentine shipments, wheat, 224,000, against 452,000 last week, and 218,000 last year. Corn, against 151,000 last week and 1,400,000 last year. CRUSHED HIS SKULL
 Farmer Killed While Cutting Down a Maple Tree.

ARTHUR, March 31.—A very sad accident occurred a few miles from here about eleven o'clock this morning. Stephen Burns, a prosperous farmer, living on the 15th concession of Peel, was struck by a piece of wood weighing about fifty or sixty pounds, and instantly killed. Mr. Burns was engaged in cutting down a maple tree a short distance from the base of which a stump was projecting from the ground. The tree fell over the stump, sending the large block hurtling thru the air, striking Mr. Burns in the forehead and crushing his skull.

Mr. Burns was about forty-five years of age. He is survived by a wife and family of five, the eldest being about twenty-one.

WILL INVESTIGATE DIFFERENCES
 MONTREAL, March 31.—The board of control decided to-day to hold an investigation into the disagreement between the chief of the fire brigade, Mr. Tremblay and Mr. Chausse, building inspector, as to the manner buildings are equipped in the city with fire escapes.

Chief Tremblay holds that scores of buildings are most poorly equipped, while the building inspector is quite sure that factories and other structures have complied with the law as to fire protection.

Elections Soon in Nova Scotia.

City	Union	Tot.	
Cattle	2735	245	3180
Hogs	452	150	602
Sheep	104	203	307
Calves	415	18	433
Horses	12	13	25

The total receipts of live stock at the City and Union Stock Yards for the corresponding week of 1910 were:

City	Union	Tot.	
Cattle	2414	276	2690
Hogs	452	150	602
Sheep	104	203	307
Calves	415	18	433
Horses	12	13	25

There are 18 cars, consisting of 274 cattle, that came into the Union Yards on Friday morning of last week, and were not reported in our last week's report, that are counted in this report.

UNION HORSE EXCHANGE.
 At the Union Horse Exchange, Union Stock Yards, trade in horses for the past two weeks has been much better. The receipts and sales of horses were the larger than for some time. Several shipments have been made to the northwest, and several more to different parts of Ontario, as well as to the Maritime Provinces. Mr. Smith reports prices as follows:

Draughts, \$20 to \$25; general purpose, \$15 to \$20; express and wagon horses, \$10 to \$15; drivers, \$10 to \$15; serviceably sound, \$5 to \$8.

The Speediest Yet.
 PARIS, March 31.—All aeroplane speed records were broken to-day by Pierre Veidrine, who, in a Morane monoplane, flew from Poitiers to Paris by a circuitous route, covering 206 miles in 2 hours and 15 minutes, averaging 91 miles an hour.

A MAN'S BOOK
 A PRIVATE TREATISE, WITH ILLUSTRATIONS, RELATING TO DEBILITY, ITS CAUSE, EFFECT AND HOME CURE.

Let Me Send It to you FREE

Here is a little volume of cheer and helpfulness which all men, young or old, can read with great profit; it contains much valuable information of a private nature, is fully illustrated, and represents the practical knowledge I have gained from forty years of actual experience in dealing with upwards of 100,000 enfeebled, nervous, discouraged men. Just a postal card with your name and address, and the book will be forwarded free, sealed, by return mail, and with it, as well, I will enclose a full description of my new 1910 model Electric

Health Belt

If you need new strength, this wonderful appliance must appeal to you. It generates a pleasant, exhilarating current instantly felt, though it can be made any degree of strength from mild to strong by simply turning the needle of the current regulator; worn nights while you are sleeping, it puts quantities of health-giving electricity into your sick, weak nerves; you get up mornings feeling bright, strong, full of courage and ambition; it takes all the weakness and pain out of your back; it is a great remedy for your kidneys, bladder, stomach, liver and other vital organs; it cures rheumatism in all parts of the body; it is a courage-giver of the highest order; it brings new strength where weakness exists; it will restore you to vim, vigor and true manhood as sure as night follows day; it makes you feel young and look young; you will live longer for its use; you can throw away all drugs and commence to live as Nature intended you should—a man among men, healthy, happy and vigorous. I can send you thousands of testimonials if you care to see them. Here is a simple Cure:

"Your Health Belt cured me of Nervous Debility, and general prostration of the whole system after all else failed."
 EDMUND G. APFS.
