## PASTORAL LETTER.

*My Dear Friends :*

The brief Reports which follow can do no more than indicate the work of the Church during the past year ; yet I am sure you will read them with as much interest, and, perhaps, greater profit than more elaborate statements which, though they might foster congregational egotism, would make us less eager to leave the things that are behind and reach forth unto the things that are before. Statistics have a limited value after all : and I fervently trust therefore, that whatever may appear in these pages, some memorial of our history will find its place also in the records of the Book of Life.

The faithful attendance of most of you at the public services of the Church is a source of much encouragement to me. I cannot help feeling, however, that there are some amongst us who for very trifling reasons absent themselves from the house of God ; and while I judge no one, and do not wish to bring any of you here unwillingly, I should like to feel that when you are not in your places, it is not indifference nor neglect of manifest duty which keeps you away. Suffer this word in regard to a matter of which I speak but seldom.

You have had the pleasure of witnessing the good effects of your kindness in making all pews free on Sunday evenings. I am sure you must doubly enjoy the service when you feel that no one, rich or poor, is now—even in appearance—deprived of the privilege of worshipping with you.

I hope that the reminder of our mid-week service will not lose its force by repetition. While I am glad to see so many with us on Wednesday evenings, I still look for further improvement in this regard, and I would affectionately urge you to make some sacrifice, if need be, in order to take part in this hour of prayer and Bible study.

While I must always regard the work of the pulpit as of paramount importance, it has given me much pleasure to make pastoral visits, though necessarily brief ones, through the whole congregation during the year. I cannot hope to repeat this frequently ; but to those who

are sick or in any trouble I shall deem it a privilege to minister at all times to the best of my power and opportunity.

Your personal kindness to me has shown itself in many ways during the year, and has greatly cheered me in my labours. I desire to thank you especially for the generous action of the congregation assembled in annual meeting, and also for the cordial resolve to maintain an assistant minister with a view to the still further extension of our work. His appointment has been delayed, pending some negotiations with the Presbytery in regard to the proposed services in Stewarton; but when that matter is settled, as I have no doubt it will be shortly, the Session will lose no time in giving effect to your wishes.

The activity of the various Church organizations during the year has given me fresh impulse for my own special work. I am much gratified with the decision of the Home Missionary Society to support a missionary in the North-west, and I bespeak for them your cordial support.

May God's richest blessing rest upon every home and every heart in this Congregation, and still more abundantly prosper our united efforts in the common vineyard of the Master.

The grace of the Lord Jesus Christ be with you all. Amen.

WILLIAM T. HERRIDGE.

## REPORT OF THE KIRK SESSION.

It is in a spirit of sincere gratitude to God that the Session desire to present a brief record of the congregational life during the year.

For some time the recent epidemic greatly reduced the numbers at the Sabbath services, but with that exception, they have been extremely well attended. The Session share the pleasure which the whole congregation must feel in welcoming the strangers who in such large numbers join our worship, and they are more than satisfied with the generous action of the pew-holders in declaring the seats free on Sabbath evenings.

The attendance at the Wednesday service still leaves room for improvement, and it is hoped that during the current year a more general effort will be made by members of the congregation to join in this hour of prayer and Bible study.

The Prayer Meetings conducted by the young men and young women on Sabbath morning and Wednesday evening respectively have been maintained with beneficial results throughout the year.

The three Sunday Schools under the care of the Session are in a healthy condition, and the whole Church has reason to be grateful to the earnest labourers in this important department of christian work.

During the year the Ladies' Aid Society, in addition to other useful services, has raised a goodly sum as the nucleus of a building fund for a new Sunday School Hall.

The Home Missionary Society has increased in numbers and liberality, and has decided this year to assume the entire responsibility for the support of a missionary in the North-west.

The thanks of the Session are due to the District Visitors for the valuable aid which they continue to render in pastoral work.

The success of the Institute has been marked, and its programmes uniformly of a high degree of excellence. The Session cordially commend the Institute to the young people of the congregation.

It was with sincere regret that the Session received the resignation of Mr. J. A. Seybold as organist of the Church, owing to business engagements. They take this opportunity of expressing their great

appreciation of the able service which for years he has so faithfully rendered in the musical part of our public worship.

Year by year we have to speak of some who are called away to the higher sanctuary. Among those who since the last report have joined the majority is Mr. H. F. Bronson, one of the oldest and most devoted friends of St. Andrew's Church. His face, with those of many others, will long be missed amongst us.

The Session record with pleasure the increased attendance at the Communion services, the average this year being higher than ever before. The number of names on the Communion Roll at present is 508, after deducting deaths and removals. During the year forty-five new names were added.

While the total amount contributed to the schemes of the Church remains about the same as last year, owing to the falling off in a few large sums, the Session record with pleasure the fact that a larger number have contributed than in any previous year. The allocations are as follows :

Interest on Church Loan.....	\$ 1,500 00	
Home Missions.....	\$ 850 00	
To Lumbermen.....	50 00	
		900 00
Augmentation of Stipends.....		600 00
Foreign Missions.....		200 00
French Evangelization.....		120 00
College Fund.....		50 00
Ministers', Widows' and Orphans' Fund.....		90 00
Aged and Infirm Ministers' Fund.....		40 00
		-----
Total.....	\$ 3,500 00	

The Session feel that the review of the year gives them abundant reason to thank God and take courage ; and in entering upon another they would ask the congregation to unite with them in earnest prayer for still greater zeal in christian service, and the still more manifest presence and power of the Holy Ghost.

### REPORT OF THE TEMPORAL COMMITTEE.

*To the Congregation of St. Andrew's Church in general meeting assembled:*

In presenting their Report for the past year the Temporal Committee hand herewith a Statement of the Receipts and Disbursements, shewing a balance in hand of \$86.55. This statement has been duly audited, and in reference thereto, it will be noticed that the receipts from pew rents are less than the previous year. It will also be noticed that the arrears of pew rents are still considerable. The liabilities are somewhat reduced, there being at the present time a note of \$500 under discount, instead of \$1,000 at the same time last year. Should these arrears be paid promptly it would enable the Committee to start on the next year with a clean sheet. The receipts from sales of land in Spenceville and interest thereon, amounting to \$822.60 has been absorbed in paying interest on the Church debt. This shews the necessity of some special effort to remodel the income so as to place the finances in a satisfactory condition. The Committee think it right to notice that the Church wants a considerable expenditure, in repairs to the roof and internal renovation, and as special arrangements must be made to meet this contemplated outlay, would recommend their successors to take the matter into their early attention.

The whole respectfully submitted.

By order of Committee.

*These to form the Executive Committee and to be ex-officio members of all the Committees.*

The meetings of the Society have been held as usual in the Bible class room, on Friday afternoons at three o'clock, and the Poor Relief Committee in the vestry at half-past two.

The average attendance has been 15 ; the largest number present at any one meeting having been 27 ; the smallest 8.

The attention of the Society having been drawn to the necessity of a lecture hall, separate from the church, has directed all its energies this year towards raising funds for the purpose of assisting in the erection and equipment of such a building. Although the Temporal Committee did not see its way clear to undertake the work last year, and could only recommend to the consideration of the congregation the Society's offer of \$1,000 in three annual payments, the Society has felt that the day was not far distant when it would be called upon to assist in such an undertaking. With this end in view an entertainment called the "Feast of Days," was held on the 22nd, 23rd, 24th, 25th and 26th of last October, the result being most satisfactory, \$677.26 (six hundred and seventy-seven dollars and twenty-six cents) having been realized. The Society takes the opportunity to place on record its appreciation of the valuable aid rendered by the ladies and gentlemen of St. Andrew's and other congregations at the musical entertainments

held during the "Feast of Days," and especially by Miss Denzil, who undertook the direction of the same.

The thanks of the Society are also tendered to the Executive of the Institute for their generous donation, last April, of \$50 (fifty dollars) towards the building fund, and for their kindness in allowing the use of their piano at the various entertainments held in the basement of the church. For the general funds of the Society only one entertainment has so far been given, a "C' Supper," held on the evening of the 26th of April, realizing the sum of \$53.26 (fifty-three dollars and twenty six cents).

As the usual Christmas sale was not held, and as the ladies had various useful and fancy articles on hand it was decided to offer these for sale on the evening of the "Anniversary Social," January 24th. By doing so the ladies had the pleasure of augmenting the Society's funds by \$31.75 (thirty-one dollars and seventy-five cents).

The whole amount raised from all sources during the year has been \$1078.66 (one thousand and seventy-eight dollars and sixty-six cents). The Society is at present engaged in work for the benefit of the Protestant Hospital, and will shortly present to that Institution two dozen night-shirts and twelve pairs of sheets.

## SECOND ANNUAL REPORT.

— OF —

# The Home Missionary Society,

NOVEMBER 8TH, 1889.

In presenting this report, we are glad to be able to say that the good work begun in November 1887, has steadily increased, and although our Society is yet young, and our membership small, it has been the means of bringing cheer and substantial aid to several deserving objects.

At the Annual Meeting held on November 9th of last year, the following office-bearers were elected :

President .....	MRS. McL. STEWART.
Vice-Presidents .	..... MRS. HERRIDGE.
	..... LADY GRANT.
	..... MRS. BRONSON.
	..... MRS. MCTAVISH.
Recording Secretary .....	MRS. L. MCDUGALL.
Corresponding Secretary .....	MISS GILMOUR.
Treasurer .....	

Acting on the suggestion of Mr. Herridge, a Council, consisting of five members of the Society, was also elected, and was as follows: Mrs. Peterson, Mrs. A. Gilmour, Mrs. Hutcheson, Miss Smith and Miss Stewart. This Council, with the office bearers, forming the Executive Committee.

Early in the season the wants of the Metis Mission were brought to our notice by one of the members of our Society, who, from personal observation, had seen the struggles and hardships that the pastor there had to contend with in getting around among his scattered congregation and to his preaching stations. Our sympathies were at once enlisted, and \$20, all the funds then on hand, was sent to Rev. Mr. McCarter to help defray the expense of a conveyance, and also some presents for a Christmas Tree for the Sunday School children. This contribution, although trifling, was so gratefully received that the Society felt quite rewarded for its pains.

Our next donation went westward, \$100 to Dr. Jardine, in aid of the Nesbitt Academy, which we had helped last year. We remembered, too, the deserving institution in our midst, The Home for Friendless Women, by sending a donation of \$20.

The Thank Offering Meeting held in April was well attended, and exceedingly interesting. Mr McDowall, member for Prince Albert, addressed the ladies and spoke of the benefit the Nesbitt Academy was to the Protestant part of the community. The thank offerings amounted to \$122.25.

The meetings are held regularly on the second Friday of each month, and we hope that, as the aims and work of the society become better known, the membership will increase.

F. MACTAVISH, *Secretary.*

## REPORT OF ST. ANDREW'S CHURCH INSTITUTE.

*To the Members of St. Andrew's Church, Ottawa :*

There has been but little change in the character of the meetings since the last report. Seven meetings have been held so far this season:

1. Nov. 12, 1889 . . . Music and Readings.
2. Nov. 26, " . . . Illustrated lecture on "Pictures."
3. Dec. 23, " . . . Christmas Entertainment.
4. Jany. 14, 1890 . . . "Foreign Missions."
5. Jany. 28, " . . . Essays, Music and Recitations.
6. Feb. 11, " . . . "Life and work of St. Paul."
7. Feb. 25, " . . . Debate.

Five meetings, partially arranged for, are yet to take place ; one of which, "The life of David," has been set for the 25th March.

Greater interest has been taken in the meetings, as shown by the increased attendance, this year compared with former years. There is a general opinion amongst the members, however, that the meetings should commence and close a month earlier than provided for by the Constitution ; four years' experience having proved that for various reasons there is a falling off in the attendance during the latter part of the season,—or when Parliament is in Session.

It is gratifying to know that during the year, through the medium of the Institute, several new members have been added to the choir of the Church.

The sum of fifty dollars, proceeds of Rev. W. T. Herridge's lecture on "Elizabeth Barrett Browning," was given to the Ladies' Aid Society since the last report, and the Treasurer states that after paying all current expenses there will be a surplus at the disposal of the Institute.

The attention of the congregation is again called to the Young Men's Prayer Meeting, which is held from 10:15 to 11 o'clock every Sabbath morning.

The Executive are striving to carry out the original ideas embodied in the Constitution, viz., "the religious, social and intellectual improvement of the members," and they have every reason to believe that their labor has not been in vain.

Respectfully submitted.

The number of scholars on the roll is 269; an increase of twelve during the year, but the average attendance has been somewhat less than that of last year, namely 161, chiefly on account of the epidemic which visited us in common with the whole country during the autumn and winter. We note an increase in the number of girls, and a decrease in the number of boys. This is accounted for by the fact that it is more difficult to retain boys than girls in the Sabbath School. What we need in order to keep our hold upon the older boys is the assistance of a greater number of earnest, faithful, christian men, who will teach in the Sabbath School, persevering amid all discouragements, teaching, guiding, influencing the boys up to and through the critical period that lies between boyhood and manhood.

A Bible Class for young women, with 33 on the roll, taught by Mrs. Gibson, is an important department of the School. We take this opportunity of reminding the congregation of this class, and of inviting the young women who have not yet joined it, to do so.

Teachers on the roll number twenty-seven,—nineteen ladies and eight gentlemen. During the year, we have lost ten teachers through removal from the city, ill-health and other causes. Their places have

been filled so far by seven new teachers ;—Mrs. Gillelan, Misses Cum-  
ing, Gibson, Hurlburt, McDonald, Wright and Mr. McDonald.

The officers remain as before, except that Mr. W. Macoun has re-  
placed Mr. Baine as secretary.

The Sabbath collections are devoted wholly to Missions, and have  
been allocated as follows :

Pointe aux Trembles School.....	\$25 00
St. Mark's Library Fund.....	5 00
India, for Mr. Wilkie's work.....	25 00
Trinidad.....	25 00
Home Missions (N.W.Terr.).....	71 31
	<hr/>
	\$151 31

The Kirk Session as usual granted \$100 for the ordinary expenses  
of the School. Extra expense will be incurred this year in replenishing  
the library, and procuring maps, etc. ; and a circular authorized by the  
Session will shortly be issued, asking the congregation for contributions  
for these purposes.

The General Assembly having inaugurated a scheme of Higher  
Religious Instruction, and invited the Sabbath Scholars of the Church  
to enrol themselves as candidates for examination, our school took the  
matter up, and a number of our pupils are now studying with a view to  
the examinations to take place on 7th and 8th March. Valuable assist-  
ance has been given by Mr. McMinn, in directing the studies of candi-  
dates for examination.

The Annual Festival on 21st February proved a source of much  
enjoyment to the children.

We have long looked forward to the time when we shall occupy a  
well planned and equipped modern Sabbath schoolroom, where the more  
advanced classes can be separated so as not to interfere with each other.  
Recent action on the part of the congregation leads us to hope that our  
long cherished wish will soon be realized.

The Young Women's Prayer Meeting, conducted by teachers and  
scholars of the school, has been held regularly on Wednesday evenings  
at a quarter past seven o'clock. The members are encouraged by the  
attendance and the interest manifested, and cordially invite all young  
women of the congregation to join them.

During the year twelve of our scholars have professed their faith  
in Christ by uniting with the Church in full communion. Our earnest  
prayer is that year by year we may see the fruit of our labor in the con-  
version of our scholars, and in their growth in grace and in the know-  
ledge of our Lord and Saviour, Jesus Christ.

Respectfully submitted.

Our number on the roll is the same as last year, but the average attendance is not as large, being four short.

We have been working under disadvantages lately, as our teaching staff has been reduced by three; Miss Mather, Miss Macoun and Mr. McClelland, all faithful workers and ever to be found at their post of duty, no matter what the weather might be.

We hope that other workers will come forward to enter the field, which is one of the most important in the work of the Church.

We thank the Session for having purchased the organ for us, as heretofore we rented one.

We would like to make additions to our Library, but lack of funds prevents. We hope that in the near future we will be enabled to make the required increase.

Thanking our Heavenly Father for all his blessings to us, and hoping that he will bless the work in the future.

Respectfully submitted.

On the first day of March last the foregoing Roll numbered (509) five hundred and nine members in full communion with the Church. Two names have since been removed by death.

The Roll includes the names of several members who have left the city without applying for certificates of membership, and in accordance with the rule observed in such cases, their names remain on the Roll until two years have elapsed since their last communion.

Members withdrawing from the Congregation are requested to apply for their certificates and thus enable the Kirk-Session to remove their names from the Roll without unnecessary delay.

W. T. HERRIDGE, D. B.,  
*Moderator.*

WM. HAMILTON,  
*Session Clerk.*
